ANNUAL MEETING OF STOCKHOLDERS
MAY 7, 2003

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Tri-County Financial Corporation ("Tri-County Financial" or the "Company") to be used at the Annual Meeting of Stockholders of the Company (the "Annual Meeting"), which will be held in the second floor Board Room at the main office of Community Bank of Tri-County, 3035 Leonardtown Road, Waldorf, Maryland on Wednesday, May 7, 2003 at 10:00 a.m. The accompanying notice of meeting and this Proxy Statement are being first mailed to stockholders on or about April 7, 2003.

VOTING AND REVOCABILITY OF PROXIES

Stockholders who execute proxies retain the right to revoke them at any time. Unless so revoked, the shares represented by such proxies will be voted at the Annual Meeting and all adjournments thereof. Proxies may be revoked by written notice delivered in person or mailed to the Secretary of the Company at the address shown above, by the filing of a later-dated proxy prior to a vote being taken on a particular proposal at the Annual Meeting or by attending the Annual Meeting and voting in person. The mere presence of a stockholder at the Annual Meeting will not in and of itself revoke such stockholder's proxy.

Proxies solicited by the Board of Directors of the Company will be voted in accordance with the directions given therein. Where no instructions are indicated, proxies will be voted for the nominees for director set forth below and in favor of each of the other proposals set forth in this Proxy Statement for consideration at the Annual Meeting. The proxy confers discretionary authority on the persons named therein to vote with respect to the election of any person as a director where the nominee is unable to serve or for good cause will not serve, and matters incident to the conduct of the Annual Meeting. If any other business is properly presented at the Annual Meeting, proxies will be voted by those named therein in accordance with the determination of a majority of the Board of Directors.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

Stockholders of record as of the close of business on March 24, 2003 (the "Record Date") are entitled to one vote for each share then held. As of the Record Date, the Company had 767,929 shares of common stock, par value \$.01 per share (the "Common Stock"), issued and outstanding. The presence, in person or by proxy, of at least one-third of the total number of shares of Common Stock outstanding and entitled to vote will be necessary to constitute a quorum at the Annual Meeting.

The following table sets forth, as of the Record Date, certain information as to those persons who were beneficial owners of more than 5% of the Company's outstanding shares of Common Stock and as to the shares of Common Stock beneficially owned by each director, each executive officer named in the summary compensation table and by all executive officers and directors of the Company as a group. Persons and groups owning in excess of 5% of the Common Stock are required to file certain reports regarding such ownership with the Company and the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Based upon such reports, management knows of no person, other than those set forth in the table below, who owned

PROPOSAL I - ELECTION OF DIRECTORS

Tri-County Financial's Board of Directors currently consists of seven members. The Company's Articles of Incorporation provide that directors are to be elected for terms of three years, approximately one-third of whom are to be elected annually.

The Board of Directors has nominated as directors Herbert N. Redmond, Jr. to serve for an additional three-year term and A. Joseph Slater, Jr. to serve for a three-year term and until their successors are elected and qualified. Mr. Slater was appointed to the Board on February 28, 2003 to fill the vacancy caused by the resignation of Director Catherine A. Askey. It is intended that the persons named in the proxies solicited by the Board will vote for the election of the named nominees. The Company's Articles of Incorporation provide that stockholders may not cumulate their votes for the election of directors.

If any nominee is unable to serve, the shares represented by all valid proxies will be voted for the election of such substitute as the Board of Directors may recommend. At this time, the Board knows of no reason why any nominee might be unavailable to serve.

Under the Company's Bylaws, directors shall be elected by a majority of those votes cast by stockholders at the Annual Meeting. Votes which are not cast at the Annual Meeting, either because of abstentions or broker non-votes, are not considered in determining the number of votes which have been cast for or against the election of a nominee.

The following table sets forth certain information for each nominee and director continuing in office.

EMPLOYMENT AGREEMENTS. The Bank maintains an employment agreement with Michael L. Middleton which currently provides for an annual salary of \$188,000. The agreement provides for Mr. Middleton's employment for a period of five years, subject to annual one-year extensions. The agreement provides for termination for cause or upon certain events specified in the agreement. The agreement is also terminable by the Bank without cause, in which case Mr. Middleton would be entitled to compensation as in effect on the date of termination up to the expiration date of the agreement payable in a lump sum or in periodic payments (at the option of Mr. Middleton), plus full life, health, disability and other benefits as in effect on the date of termination up to the expiration date of the agreement. If, following a change in control of the Company or the Bank, the Bank terminates Mr. Middleton's employment for any reason other than (i) just cause, as defined in the agreement, or (ii) if the Bank otherwise changes the capacity or circumstances in which Mr. Middleton is employed or causes a reduction in his responsibilities, authority, compensation or other benefits provided under the agreement without Mr. Middleton's consent, then Mr. Middleton shall be entitled to receive an amount equal to 2.99 times the average annual compensation payable by the Bank and includable in Mr.

6

Middleton's gross income for the most recent five taxable years. Control refers to certain enumerated events, including the ownership of 25% or more of the Bank's or Company's Common Stock by any person or group. The agreement provides, among other things, for annual review of compensation, for participation in an equitable manner in any stock option plan or incentive plan to the extent authorized by the Bank's Board of Directors for its key management employees and for participation in pension, group life insurance, medical coverage and in other employee benefits applicable to executive personnel.

The Bank maintains similar employment agreements with C. Marie Brown, Executive Vice President and Chief Operating Officer, Gregory C. Cockerham, Executive Vice President of Lending, and William J. Pasenelli, Executive Vice President and Chief Financial Officer, respectively. Ms. Brown's agreement provides for a current annual salary of \$135,000, Mr. Cockerham's agreement provides for a current annual salary of \$125,000 and Mr. Pasenelli's provides for a current annual salary of \$120,000. Each agreement has a three-year term with provision for extension for an additional year annually if determined by the Board. Each agreement provides for a change in control payment equal to 2.00 times the officer's five-year average annual compensation in circumstances similar to those in which Mr. Middleton would receive a change in control payment. The aggregate payments that would be made to Mr. Middleton, Ms. Brown, Mr. Cockerham and Mr. Pasenelli assuming the termination of their employment

Edgar Filing: TRI COUNTY FINANCIAL CORP /MD/ - Form DEF 14A

under the foregoing circumstances at December 31, 2002 would have been approximately \$745,227, \$313,983, \$284,121 and \$216,135, respectively.

The Company has entered into Guaranty Agreements with each of Mr. Middleton, Ms. Brown, Mr. Cockerham and Mr. Pasenelli pursuant to which it has agreed to be jointly and severally liable for amounts payable under their employment agreements.

DIRECTORS' COMPENSATION

BOARD FEES. Directors of the Company receive fees of \$300 per meeting attended in person and \$200 per telephone meeting. Members of the Bank's Board of Directors currently receive fees of \$400 per meeting attended in person and \$200 per telephone meeting and an annual retainer of \$3,500. Members of the Bank's executive committee receive a fee of \$400 per meeting attended. Members of the Company's audit committee receive fees of \$300 per meeting attended in person and \$200 per telephone meeting.

STOCK OPTION PLAN FOR NON-EMPLOYEE DIRECTORS. The Company maintains a stock option plan for non-employee directors, adopted by the Board of Directors in December 1995. Under that plan, the Company granted to non-employee directors options to purchase an aggregate of 8,750 shares of the Common Stock during 1995. In October, 1998, the Board of Directors approved an amendment to the plan to reserve an additional 11,000 shares under the plan. Options to purchase all of these 11,000 shares were granted to directors during 1998. On September 25, 2001, the option plan was amended to increase the number of shares reserved thereunder by 9,600 and options for 3,000 shares each were granted to Messrs. Smith and Gough, an option for 2,400 shares was granted to Mr. Redmond and options for 600 shares were granted to Mr. Jenkins. No options were granted under this plan in fiscal 2002.

DIRECTOR RETIREMENT PLAN. The Bank's Board of Directors has adopted a retirement plan for members of the Board of Directors of the Bank (the "Directors' Plan"), effective January 1, 1995. Under the Directors' Plan, each non-employee director of the Bank will receive an annual retirement benefit for ten years following his termination of service on the Bank's Board in an amount equal to the product of his "Benefit Percentage," his "Vested Percentage," and \$3,500. A participant's "Benefit Percentage" is based on his overall years of service as a non-employee director of the Bank, and increases in increments of 33-1/3% from 0% for less than five years of service, to 33-1/3% for five to nine years of service, to 66-2/3% for 10 to 14 years of service, and to 100% for 15 or more years of service. A participant's "Vested Percentage" equals 33-1/3% if the participant was serving on the Board on January 1, 1995 (the "Effective Date"), increases to 66-2/3% if the participant completes one year of service after the Effective Date, and becomes 100% if the participant completes a second year of service after the Effective Date. However, in the event a participant retires from service on the Board due to "disability" (as determined by the Board of Directors of the Bank) or for any reason after attaining age 65, the participant's Vested Percentage will become 100% regardless of his years of service. A participant's vested percentage will also become 100% in the event of a "change in control" (as defined in the Directors'

7

Plan). This provision may have the effect of deferring a hostile change in control by increasing the costs of acquiring control.

If a participant terminates service on the Board due to disability, the Bank will pay the participant each year for ten years an amount equal to the

Edgar Filing: TRI COUNTY FINANCIAL CORP /MD/ - Form DEF 14A

product of his Benefit Percentage and \$3,500. The Directors' Plan also provides death benefits to a participant's surviving spouse under certain conditions.

The Directors' Plan also establishes a deferred compensation program for members of the Board of Directors of the Bank. Under the Directors' Plan, directors of the Bank may elect to defer all or any portion of the fees and/or salary otherwise payable to him or her in cash for any calendar year in which the Directors' Plan is in effect. Deferred amounts will be credited to a bookkeeping account in the participant's name, which will also be credited annually with the greater of: (1) the investment return which would have resulted if such deferred amounts had been invested in savings accounts having a return equal to the highest interest rate which the Bank pays on certificates of deposit, which rate is adjusted on each January 1st; or (2) the consolidated return on equity of the Company for the calendar year as determined under generally accepted accounting principles. Participants may determine the time and form of benefit payments and may cease future deferrals any time. Changes in participant elections generally become effective only as of the following January 1st, except that (i) elections designating a beneficiary or ceasing future contributions will be given immediate effect, and (ii) participants may change elections as to the timing or form of distributions only with respect to subsequently deferred compensation.

TRANSACTIONS WITH THE COMPANY AND THE BANK

The Bank has followed a policy of offering loans to its officers, directors and employees for the financing and improvement of their personal residences as well as consumer loans. These loans are made in the ordinary course of business and upon substantially the same terms, including collateral, interest rate and origination fees, as those prevailing at the time for comparable transactions, and do not involve more than the normal risk of collectibility or present any unfavorable features.

Director Louis P. Jenkins, Jr. is a partner in the law firm of Louis P. Jenkins, P.A. which performed legal services for the Bank and its borrowers during fiscal year 2002 and is expected to perform similar services during the current fiscal year. Director Herbert N. Redmond, Jr. is a Vice President of D.H. Steffens Company which performed engineering services to the Bank during 2002 and is expected to perform similar services during the current fiscal year.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Pursuant to regulations promulgated under the Exchange Act, the Company's officers, directors and persons who own more than 10% of the outstanding Common Stock are required to file reports detailing their ownership and changes of ownership in such Common Stock, and to furnish the Company with copies of all such reports. Based solely on its review of the copies of such reports received during the past fiscal year or with respect to the last fiscal year or written representations from such persons that no annual reports of changes in beneficial ownership were required, the Company believes that during 2002, all of its officers, directors and all of its stockholders owning in excess of 10% of the outstanding Common Stock have complied with the reporting requirements.
