## **SPARTAN STORES, INC.**

ANNUAL MEETING OF SHAREHOLDERS  
TO BE HELD AUGUST 11, 2004

PROXY STATEMENT  
Dated July 6, 2004

### **Introduction**

---

#### **Use of Terms**

&nbspnbsp;  In this proxy statement, "we," "us," "our" and "Spartan Stores" refer to Spartan Stores, Inc., and "you" and "your" refer to each shareholder of Spartan Stores.

#### **Time and Place of the Annual Meeting**

&nbsp; You are cordially invited to attend the 2004 annual meeting of shareholders of Spartan Stores. The annual meeting will be held on Wednesday, August 11, 2004, at the Eberhard Center of Grand Valley State University, 301 West Fulton, Grand Rapids, Michigan 49504, at 10:00 a.m., local time.

### **Solicitation of Proxies**

&nbsp; Your board of directors is furnishing this proxy statement and the enclosed proxy card to you to solicit proxies to be voted on your behalf at the annual meeting and any adjournment of the meeting.

### **Mailing Date**

&nbsp; We began mailing this proxy statement to our shareholders on and after July 6, 2004.

### **Purposes of the Annual Meeting**

&nbsp; The purposes of the annual meeting are to consider and vote on:

election of two directors for three-year terms expiring in 2007;

ratification of the selection of Deloitte & Touche LLP as our independent auditors for fiscal 2005; and

any other business that may properly come before the meeting.

***&nbsp; Your board of directors recommends that you vote FOR each nominee named in this proxy statement and FOR ratification of the selection of Deloitte & Touche LLP as our independent auditors for fiscal 2005.***

&nbsp; We do not know of any other matters to be presented for consideration at the annual meeting. If any other matters are presented, the persons named as proxies on the enclosed proxy card will have discretionary authority to vote for you on those matters.

### **Record Date and Shares Outstanding**

&nbsp; You may vote at the annual meeting if you were a shareholder of record of Spartan Stores common stock on June 23, 2004. Each shareholder is entitled to one vote per share of Spartan Stores common stock on each matter presented for a shareholder vote at the meeting. As of June 23, 2004, 20,444,812 shares of Spartan Stores common stock were outstanding.

### **How to Vote Your Shares**

&nbsp; If you properly sign and return the proxy card in the form we have provided, the shares represented by that proxy card will be voted at the annual meeting and at any adjournment of the meeting.

&nbsp; If you specify a choice on the proxy card, your shares will be voted as specified. If you do not specify a

choice, your shares will be voted for the election of each of the nominees named in this proxy statement, for ratification of Deloitte & Touche llp as our independent auditors for fiscal 2005, and, with respect to any other matter that may come before the meeting, in the discretion of the persons named as proxies on the proxy card.

### **How to Revoke Your Proxy**

&nbsp; If you are a shareholder of record of Spartan Stores, you may revoke your proxy at any time before it is voted at the meeting by doing any of three things:

by delivering written notice of revocation to Spartan Stores' Corporate Secretary, 850 76th Street, S.W., P.O. Box 8700, Grand Rapids, Michigan 49518-8700;

by delivering a proxy card bearing a later date than the proxy that you wish to revoke; or

by attending the meeting and voting in person.

&nbsp; Merely attending the meeting will not, by itself, revoke your proxy. Your last valid vote that we receive before or at the annual meeting is the vote that will be counted.

### **"Street Name" Holders**

&nbsp; If you hold your shares in "street name," which means that your shares are registered in the name of a bank, broker or other nominee (which we will collectively refer to as your "broker"), your broker must vote your street name shares in the manner you direct if you provide it with proper and timely voting instructions. Please use the voting forms and instructions provided by your broker or its agent. If you are a street name holder and want to change your vote, you must contact your broker.

### **Quorum**

&nbsp; To conduct business at the annual meeting, a quorum of shareholders must be present. The presence in person or by properly executed proxy of the holders of a majority of all issued and outstanding shares of Spartan Stores common stock entitled to vote at the meeting is necessary for a quorum. To determine whether a quorum is present, we will include shares that are present or represented by proxy, including abstentions and shares represented by a broker non-vote on any matter. Although broker non-votes count for quorum purposes, we do not count them as votes for or against any proposal. A broker non-vote occurs when a shareholder holds his or her stock through a broker and the broker does not vote those shares. This usually occurs because the broker has not received timely voting instructions from that shareholder and the broker does not have discretionary voting power for the particular item upon which the vote is taken.

### **Adjournment**

&nbsp; The shareholders present at the meeting, in person or by proxy may, by a majority vote, adjourn the meeting despite the absence of a quorum. If a quorum is not present at the meeting, we expect to adjourn the meeting to solicit additional proxies.

### **Required Votes**

&nbsp; ***Election of Directors.*** A plurality of the shares voting is required to elect directors. This means that, if there are more nominees than positions to be filled, the nominees who receive the most votes will be elected to the open director positions. Abstentions, broker non-votes and other shares that are not voted in person or by proxy will not be included in the vote count to determine if a plurality of shares voted in favor of each nominee.

&nbsp; ***Ratification of Independent Auditors.*** The ratification of the selection of Deloitte & Touche LLP as our independent auditors for fiscal 2005 to be voted on at the meeting will be

-2-

---

approved if a majority of the shares that are voted at the meeting are voted in favor of ratification. Abstentions, broker non-votes and other shares that are not voted in person or by proxy will not be included in the vote count to determine if a majority of shares voted in favor of this proposal.

&nbsp; ***Required Vote for Other Matters.*** We do not know of any other matters to be presented at the meeting. Generally, any other proposal to be voted on at the meeting would be approved if a majority of the shares that are voted at the meeting are voted in favor of the proposal. Abstentions, broker non-votes and other shares that are not voted in person or by proxy would not be included in the vote count to determine if a majority of shares voted in favor of each such proposal.

---

## **Election of Directors**

---

&nbsp; The board of directors proposes that the following two individuals be elected as directors of Spartan Stores for three-year terms expiring at the 2007 annual meeting of shareholders:

Gregory P. Josefowicz  
Craig C. Sturken

&nbsp; Biographical information concerning the nominees appears below under the heading "The Board of Directors."

&nbsp; The persons named as proxies on the proxy card intend to vote for the election of each of the nominees. The proposed nominees are willing to be elected and to serve as directors. However, if any nominee becomes unable to serve or otherwise unavailable for election, which we do not anticipate, the incumbent board of directors may select a substitute nominee. If a substitute nominee is selected, the shares represented by your proxy card will be voted for the election of the substitute nominee, unless you give other instructions. If a substitute is not selected, all proxies will be voted for the election of the remaining nominees. Proxies will not be voted for more than two nominees.

&nbsp; ***Your board of directors recommends that you vote FOR election of all nominees as directors.***

---

## **The Board of Directors**

---

The board of directors is divided into three classes, with each class as nearly equal in number as possible. Each class of directors serves a three-year term, with

the term of one class expiring at the annual meeting in each successive year. Messrs. Sturken and Josefowicz are standing for re-election.

In fiscal 2004, each director attended at least 75% of the total of all meetings of the board of directors and the committees on which he or she served. The Board is scheduled to meet at least quarterly and may meet more frequently. Independent directors meet in executive sessions, without the presence of management, at each regularly scheduled board meeting.

&nbsp; All directors are expected to attend each annual meeting of shareholders unless compelling personal circumstances prevent attendance. Spartan Stores' 2003 Annual Meeting of Shareholders was attended by nine directors.

### **Board Committees**

&nbsp; Spartan Stores' board has four standing committees:

the executive committee;

the audit committee;

the compensation committee; and

the nominating and corporate governance committee

&nbsp; ***Executive Committee.*** The executive committee has the full power and authority of the board to manage the business affairs and property of Spartan Stores between meetings of the full board. The executive committee can declare distributions and dividends and authorize the issuance of stock. The executive committee has authority to recommend to the board a successor to the Chief Executive Officer when a vacancy occurs.

&nbsp; The executive committee consists of Spartan Stores' Chairman of the Board, Mr. Sturken, and the chairpersons of the other board committees, Ms. Nickels, Mr. Wright and Mr. Josefowicz. -5-

---

&nbsp; ***Audit Committee.*** The audit committee:

monitors the integrity of the financial statements of Spartan Stores;

monitors compliance by Spartan Stores with legal and regulatory requirements;

monitors the independence and performance of Spartan Stores' auditors, including that the independent auditors are ultimately responsible to the board of directors and the audit committee;

establishes procedures for the receipt, retention and treatment of complaints received by Spartan Stores regarding accounting, internal accounting controls and auditing matters;

evaluates and approves all related party transactions;

maintains the Code of Ethics and Business Conduct applicable to Spartan Stores' senior financial officers; and

reviews the annual financial statements and any disputes between management and the independent auditors.

&nbsp; See "Independent Auditors-Audit Committee Approval Policies" on page 25 for a discussion of the audit committee's procedures for approving services to be provided by the independent auditors to Spartan Stores and its subsidiaries.

&nbsp; Ms. Nickels, Dr. Gambino, Ms. Atkins and Mr. Stevens currently serve on the audit committee. Ms. Nickels is the chair of the audit committee. The audit committee met ten times during fiscal 2004.

&nbsp; In 2004, the board of directors amended the written charter of the audit committee. A copy of the amended charter is attached as Appendix A to this proxy statement.

&nbsp; The board of directors has determined that M. Shân Atkins, Elizabeth A. Nickels and Kenneth T. Stevens are audit committee financial experts, as that term is defined in Item 401(h)(2) of Securities and Exchange Commission Regulation S-K. Under SEC regulations, a person who is determined to be an audit committee financial expert will not be deemed an expert for any purpose, including without limitation for purposes of Section 11 of the Securities Act of 1933, as a result of being designated or identified as an audit committee financial expert, and the designation or identification of a person as an audit committee financial expert does not impose on such person any duties, obligations or liability that are greater than the duties, obligations and liability imposed on such person as a member of the audit committee and board of directors in the absence of such designation or identification or affect the duties, obligations or liability of any other member of the audit committee or board of directors.

-6-

---

&nbsp; The board has determined that each member of the audit committee is independent, as that term is defined in Rule 4200(a)(15) and Rule 4350(d)(2)(A) of the National Association of Securities Dealers ("NASD").

&nbsp; **Compensation Committee.** The compensation committee:

determines our compensation philosophy;

administers our stock option, bonus and purchase plans;

in conjunction with the nominating and corporate governance committee, evaluates the performance of the Chief Executive Officer, and recommends to the board of directors the compensation of the Chief Executive Officer;

with input from the Chief Executive Officer, recommends to the board of directors the annual incentives, stock options and other benefits of other corporate officers;

authorizes the issuance of stock and stock options pursuant to our 2001 Stock Incentive Plan; and

reviews policies regarding the operation of our executive compensation programs.

&nbsp; Messrs. Wright, Josefowicz and O'Donovan currently serve on the compensation committee. Mr. Wright is the chair of the compensation committee. The compensation committee met five times during fiscal 2004.

&nbsp; The board has determined that each member of the compensation committee is independent, as that term is defined in Rule 4200(a)(15) of the NASD.

&nbsp; ***Nominating and Corporate Governance Committee.*** The nominating and corporate governance committee:

identifies potential nominees for election as directors, reviews their qualifications and recommends to the board qualified candidates;

recommends to the board of directors the individuals to be selected for membership on the various board committees;

establishes standards for membership on the board and any committee of the board;

develops and monitors our Corporate Governance Policy;

monitors and evaluates the performance of directors;

assists the compensation committee with the evaluation of the performance of the Chief Executive Officer; and

reviews and oversees all other material aspects of the board of directors' governance of itself and Spartan Stores.

A copy of the nominating and corporate governance committee charter is attached as Appendix B to this proxy statement.

&nbsp; In 2004, the board of directors adopted our Corporate Governance Policy. The formal requirements pertaining to Spartan Stores' corporate governance structure are set forth in our Articles of Incorporation, Bylaws and board committee charters, as amended from time to time. The board adopted the Corporate Governance Policy to assist the board in exercising its responsibilities and includes, among other things, guidelines regarding:

board size and criteria;

director independence;

term limits and retirement of directors;

evaluation and compensation of the board and executive officers;

directors' access to management and outside advisors;

-7-

strategic planning; and

succession planning

A copy of our Corporate Governance Policy can be found on our website at [www.spartanstores.com](http://www.spartanstores.com).

Messrs. Josefowicz, O'Donovan, Stevens and Wright, Mses. Atkins and Nickels and Dr. Gambino currently serve on the nominating and corporate governance committee. Mr. Josefowicz is the chair of the committee. The nominating and corporate governance committee met one time during fiscal 2004. Under the Corporate Governance Policy, so long as the chair of the board is also the chief executive officer of Spartan Stores, the chair of the Nominating and Corporate Governance Committee will act as the principal liaison between the independent directors and the board chair, and will advise the chair as to the quality, quantity and timeliness of the flow of information from management. In addition, the chair of the Nominating and Corporate Governance Committee will coordinate, develop the agenda for and chair the meetings of the directors in executive session.

The board has determined that each member of the nominating and corporate governance committee is "independent" as that term is defined in Rule 4200(a)(15) of the NASD.

#### **Shareholder Nominations of Director Candidates**

Under our restated articles of incorporation, a shareholder of record may nominate a person for election as a director at a meeting of shareholders at which directors will be elected if, and only if, the shareholder has delivered timely notice to the Secretary of Spartan Stores setting forth:

the name, age, business address and residence address of each proposed nominee;

the principal occupation or employment of each nominee;

the number of shares of Spartan Stores stock that each nominee beneficially owns;

a statement that each nominee is willing to be nominated; and

any other information concerning each nominee that would be required under the rules of the SEC in a proxy statement soliciting proxies for the election of those nominees.

The nominating and corporate governance committee will consider every nominee proposed by a shareholder that is received in a timely manner in accordance with these procedures and report each such nomination, along with the nominating and corporate governance committee's recommendations, to the full board of directors.

To be timely, a shareholder's notice must be delivered to or mailed and received at Spartan Stores' principal executive offices (1) at least 120 days before the date of notice of the meeting in the case of an annual meeting of shareholders or (2) not more than seven days following the date of notice of the meeting in the case of a special meeting of shareholders. Any nomination that does not comply with these procedures will be void.

&nbsp; The nominating and corporate governance committee may also, in its discretion, consider shareholders' informal recommendations of possible nominees. Shareholders may send such informal recommendations to the committee by directing them in care of the Secretary of the Company at the address that appears on the first page of this proxy statement.

### **Nominee Qualifications and the Nominations Process**

&nbsp; The board of directors believes that Spartan Stores and its shareholders are best

-8-

---

served by having a board of directors that brings a diversity of education, experience, skills, and perspective to board meetings. Accordingly, there are no specific or minimum qualifications or criteria for nomination for election or appointment to the board of directors. The nominating and corporate governance committee identifies and evaluates nominees for director on a case-by-case basis and has no written procedures for doing so. There is no material difference in the manner in which the nominating and corporate governance committee evaluates nominees for director that were recommended by a shareholder.

### **Shareholder Communications with Directors**

&nbsp; In 2004, the board of directors approved a Shareholder Communication Policy. Pursuant to the policy, shareholders who wish to send communications to Spartan Stores' board of directors may do so by sending them in care of the Secretary of the Company at the address that appears on the first page of this proxy statement. Such communications may be addressed either to specified individual directors or the entire board. The Secretary has the discretion to screen and not forward to directors communications which the Secretary determines in his or her discretion are communications unrelated to the business or governance of Spartan Stores and its subsidiaries, commercial solicitations, offensive, obscene, or otherwise inappropriate. The Secretary will, however, compile all shareholder communications which are not forwarded and such communications will be available to any director. A copy of our Shareholder Communication Policy can be found on our website at [www.spartanstores.com](http://www.spartanstores.com).

### **Compensation of Directors**

&nbsp; Each non-executive director receives a base compensation of \$25,000 per year and \$1,000 for attendance at each meeting of a board committee (or \$500 if attending the committee meeting by telephone conference). Non-executive directors also are reimbursed for travel and lodging expenses for meetings attended.

&nbsp; In 2004, the board of directors added an equity component to the directors' compensation in the form of annual restricted stock grants in the amount of \$20,000. On February 11, 2004, each non-executive director was issued 4,057 shares of restricted stock pursuant to the Spartan Stores, Inc. 2001 Stock Incentive Plan, which vest over a period of three years, subject to certain limitations and acceleration of vesting upon retirement. The fair market value of the restricted shares issued to each director was \$19,960.44, based upon a closing price per share of \$4.92 on February 11, 2004.

&nbsp; On January 1, 2004, the board of directors established the Spartan Stores, Inc. Supplemental Savings Plan for Directors. The purpose of this plan is to provide directors who participate in the plan with the opportunity to defer

a portion of their director fees until a subsequent date. A director may defer up to 100% of his or her director fees under this plan. The plan provides participants with various investment alternatives, including Spartan Stores' stock. The investments are only hypothetical investments, also referred to as phantom investments. The investment results for a participant are determined as if the director fees had actually been invested in the selected investment fund during the relevant time period.

Under the employment agreement, Spartan Stores provides Mr. Sturken with an annual base salary, which may be revised annually, an annual bonus determined by the compensation committee of the board of directors (not to exceed 80% of his annual base salary), and other fringe benefits. For the fiscal year ending March 26, 2005, the compensation committee approved an annual bonus targeted at 80% of his annual base salary.

&nbsp; The employment agreement provides that Mr. Sturken's employment may be terminated upon Mr. Sturken's death or disability, by Spartan Stores at will, by Mr. Sturken at his option upon 30 days' written notice to Spartan Stores, for cause (as defined in the employment agreement) or upon certain other events. Upon termination by Spartan Stores for any reason other than for cause or Mr. Sturken's death or disability, or upon termination by Mr. Sturken for good reason (as defined in the employment agreement), Mr. Sturken will receive his current salary for one year after the date of severance, company-paid COBRA health care continuation and up to \$10,000 in outplacement assistance. To be eligible for severance pay under the employment agreement, Mr. Sturken must meet certain conditions, including execution of a release of certain employment-related claims and compliance with the post-employment confidentiality and non-competition provisions of the employment agreement. If Mr. Sturken voluntarily terminates his employment or is

-15-

---

terminated by Spartan Stores for cause or because Spartan Stores determines he is unable to perform his duties, the board of directors or a committee of the board may rescind and terminate any stock options, restricted stock or stock awards previously granted to Mr. Sturken within 90 days preceding his termination.

Each of Spartan Stores' other executive officers has entered into an employment agreement with Spartan Stores providing that if the officer's employment is terminated by Spartan Stores other than due to death, disability or cause (as defined in the employment agreement), or if the employment is terminated by the officer for good reason (as defined in the employment agreement), Spartan Stores will continue the officer's salary for one year, provide one year of company-paid COBRA healthcare continuation coverage and provide up to \$10,000 of outplacement assistance. To be eligible for these severance payments, the officer must meet certain conditions, including a release of certain employment-related claims and compliance with the post-employment confidentiality and non-competition provisions of the employment agreement.

&nbsp; Each of Spartan Stores' executive officers has also entered into an executive severance agreement with Spartan Stores. Under these agreements, if the officer's employment with Spartan Stores terminates during a defined period (36 months for Mr. Sturken, 24 months for Executive Vice-Presidents, and 18 months for certain other officers) after a change in control (as described below) of Spartan Stores, then the officer will receive payment of (1) the officer's unpaid base salary through the date of termination; (2) any earned or payable benefit awards and bonus payments pursuant to any plans; (3) the officer's target bonus under Spartan Stores' Annual Incentive Plan pro rated for the time the officer was employed in the fiscal year of termination; (4) the amount of salary and estimated bonus that would have been payable to the officer had his or her employment continued for an additional 36 months for the CEO, 24 months for Executive Vice-Presidents or 18 months for other covered officers; (5) continuation for the same period of the officer's health, dental, prescription drug and life insurance coverage and financial and tax planning benefits; and (6) certain outplacement services.

&nbsp; Each officer will also receive the additional amount he or she would have been eligible to receive under the SERP had he or she been fully vested under those plans and had his or her employment continued for an additional 36 months for the CEO, 24 months for Executive Vice-Presidents or 18 months for other covered officers. With certain exceptions, these payments will not be made if the officer's employment is terminated by Spartan Stores for cause, by the officer other than with notice and for good reason or as a result of the officer's death, disability or retirement (each, a "nonqualifying termination").

Under Mr. Sturken's executive severance agreement, if his employment terminates at any time and for any reason other than a nonqualifying termination less than three years after a change in control, he will receive the difference between: (1) the amount he was entitled to receive under the SERP and the Pension Plan on the date of termination (assuming the election of lump sum payment options under those plans); and (2) the amount he would have been entitled to receive under the SERP and the Pension Plan, assuming he was fully vested under the Pension Plan and he had continued employment for 36 months following the month in which the date he was terminated.

The executive severance agreements further provide that upon a change in control, all of the officer's unvested stock options will vest and all restrictions on ownership of stock previously issued to the officer will lapse. Each agreement also provides "gross up" payments if the payments under the agreement cause excise taxes under the Internal Revenue Code to be payable by the officer. With some exceptions, Spartan Stores also will maintain in full force and effect for the benefit of the officer and his or her spouse and covered dependents all employee benefit plans, programs and arrangements that the officer and his or her spouse and covered dependents were entitled to participate in

-16-

immediately before the date of termination until the earlier of the end of the termination period or, as to any particular benefit, the date upon which the officer receives a substantially equal benefit from a new employer.

The term "change in control" is defined in the executive severance agreements generally as (1) the acquisition by any person or group of 20% or more of the outstanding common stock or voting power of Spartan Stores, (2) the majority of the board being comprised of persons other than the current members of the board or their successors whose nominations were approved by at least two-thirds of the board or (3) the approval by the shareholders of certain mergers, reorganizations, plans of dissolution or sales of substantially all of Spartan Stores' assets.

Effective as of April 1, 1998, the benefit formula of Spartan Stores' Pension Plan was redesigned to utilize a cash balance formula. Under this formula, principal credits are added annually to a participant's "account." There are two types of principal credits: basic credits and transition credits. The basic credit equals a percentage of the participant's compensation based upon a participant's years of vested service at the beginning of each calendar year in accordance with the following table:

| Years of Vested<br>Service as of<br>January 1 | Percentage of<br>Participant's<br>Compensation |
|---|--|
| 0 - 5   | 4 %  |
| 6 - 10  | 5  |
| 11 - 15                                       | 6  |
| 16 - 20                                       | 7  |
| 21 - 25                                       | 8  |
| 26 or more                                    | 9  |

In addition to the basic credit, a participant may be eligible to receive a transition credit equal to a percentage of the participant's compensation based upon the participant's age on the first day of the calendar year as

follows:

| Participant's Age<br>as of January 1 | Percentage of<br>Participant's<br>Compensation |
|--------------------------------------|--|
| Under 35                             | 0 %  |
| 35 - 39                              | 2  |
| 40 - 44                              | 4  |
| 45 - 49                              | 6  |
| 50 - 54                              | 8  |
| 55 and over                          | 10   |

Transition credits are available for the 1998 through 2007 calendar years. However, if a participant had fewer than ten years of benefit service as of December 31, 1997, the participant is eligible for transition credits only for the number of calendar years equal to the participant's complete years of benefit service as of December 31, 1997. By way of illustration, if a participant had five years of benefit service as of December 31, 1997, she only would be entitled to five years of transition credits, provided she was or will be age 35 or older during the 1998 and 2007 calendar years.

Effective as of January 1, 2002, a new benefit formula was added for eligible management/administration employees of Spartan Stores, Inc. and certain direct and indirect wholly owned subsidiaries of Spartan Stores. For this group of participants, the basic credit (which equals a percentage of the participant's compensation based upon the participant's years of vested service at the beginning of each calendar year) is determined in accordance with the following table:

| Years of Vested<br>Service as of<br>January 1 | Percentage of<br>Participant's<br>Compensation |
|---|--|
| 0-5   | 2.5 %  |
| 6-15  | 3  |
| 16-25   | 4  |
| 26 or more                                    | 5  |

As of April 1, 2003, the Pension Plan was amended to suspend the accrual of principal credits. As a result, no principal credits (basic and transition credits) will be added to a participant's account balance for the period beginning April 1, 2003 and ending March 31,

2004, and compensation earned by a participant during this period will be disregarded for Pension Plan purposes.

In addition to the principal credits, interest credits are also added annually to a participant's "account" based upon the participant's account balance as of the last day of the immediately preceding calendar year. The interest rate used for this purpose was the average of 30-year Treasury constant maturities yields over the 12 months ending in November of the prior calendar year. As a result of the U.S. Department of Treasury suspension of the

issuance of 30-year bonds, as of February 1, 2002, the Pension Plan uses the applicable interest rate determined based upon guidance published in the Internal Revenue Bulletin for this purpose.

Upon termination of employment, a participant will be entitled to his or her vested accrued benefit, which can be distributed either in a monthly annuity or in a lump sum. If distributed in a lump sum, the participant's benefit generally will be equal to the participant's account balance. For persons who were participants before April 1, 1998, the Pension Plan provides that the retirement benefit will not be less than the benefit accrued as of March 31, 1998.

Effective as of January 1, 2003, PFM Management, LLC changed its name to Spartan Stores Associates, LLC. Also as of January 1, 2003, other than certain officers of Spartan Stores, all associates who were previously employed by Spartan Stores or one of its direct or indirect wholly owned subsidiaries became employed by Spartan Stores Associates, LLC. As a result, effective as of January 1, 2003, in addition to Spartan Stores, Inc. the only other participating employer in the Pension Plan is Spartan Stores Associates, LLC. This change was not intended to affect an associate's participation in the Pension Plan. Therefore, only associates of Spartan Stores, Inc. or Spartan Stores Associates, LLC who are classified as management/administration or retail management continue to be eligible to participate. Further, the special rules regarding the determination of a participant's years of vested and benefit service and the applicable basic credit schedule will continue to be determined in accordance with the participant's employer, job classification and date of hire on the date the applicable plan provision became effective.

Spartan Stores also maintains the SERP, which provides nonqualified deferred compensation benefits to Spartan Stores' officers. The purpose of the SERP is to provide officers with the benefits that they are otherwise denied under the Pension Plan due to the annual dollar limit on compensation and other limitations of the Internal Revenue Code, which are referred to collectively as the "statutory limits." Accordingly, each officer's benefit under the SERP is equal to the officer's benefit that would have accrued under the Pension Plan but for the operation of the statutory limits, minus the accrued benefit actually payable to the officer under the Pension Plan calculated in accordance with the statutory limits.

Benefits under the SERP are paid from Spartan Stores' general assets. There is no separate trust that has been established to fund benefits. As of March 27, 2004, the estimated total benefits payable under the Pension Plan and the SERP upon retirement at normal retirement age (age 65) for Messrs. Sturken, Staples, Sommavilla, Eidson and Eriks are expected to be approximately \$140,000, \$2,120,000, \$2,260,000, \$300,000 and \$710,000, respectively.

#### **Certain Relationships and Related Transactions**

It is the responsibility of Spartan Stores' management to conduct an appropriate review of all related party transactions for potential conflicts of interest situations on an ongoing basis. Pursuant to Rule 4350(h) of the NASD and in accordance with the audit committee charter, the audit committee must evaluate and approve any related party transactions. For any transaction in which a director has an interest, Spartan Stores' general policy and practice is that the director may proceed with the

transaction only if the material facts of the transaction and the director's interest in the transaction have been disclosed to the audit committee of the board, the audit committee determines that the transaction is fair to Spartan Stores and the transaction is approved by the audit committee. Each such transaction is made on terms no less favorable to Spartan Stores than those offered generally to entities that are not affiliated with any director.

## Compensation Committee Report on Executive Compensation

---

The compensation committee of the board of directors is comprised entirely of independent directors. The compensation committee provides assistance to the board of directors in fulfilling the board's responsibility to shareholders and the investment community relating to Spartan Stores' compensation and benefit programs and policies. Included among these responsibilities is establishing Spartan Stores' compensation philosophy and administering the compensation programs for Spartan Stores' officers and other key associates. In doing so, the compensation committee's objective is to ensure that Spartan Stores' compensation programs are competitive and closely related to both individual and corporate performance. The compensation committee periodically engages independent compensation consultants to assist in designing these plans, assessing the effectiveness of the overall program and keeping overall compensation competitive with that of the relevant peer group.

### Compensation Philosophy

Spartan Stores' executive compensation program is designed to:

enable Spartan Stores to attract, retain and motivate key executives who are critical for current and long-term success;

support Spartan Stores' long-range business strategy;

establish a clear linkage between individual performance objectives and corporate or business unit financial performance objectives; and

align executive compensation with shareholder interests by linking long-term incentives to increasing shareholder value.

In order to maintain a competitive total compensation program, Spartan Stores compares itself with a similar-sized peer group in the wholesale/retail grocery business. In some cases, Spartan Stores analyzes competitive practices in general industry for those positions that may be occupied by officers recruited from non-wholesale/retail grocery businesses.

### Components of Executive Compensation

Spartan Stores' executive compensation program is comprised of three components: base pay, annual incentives and long-term incentives. Spartan Stores does not make loans or extend credit to its directors or executive officers. None of Spartan Stores' directors or executive officers was indebted to the company in fiscal 2004.

#### *Base Pay*

The base pay of officers is based on the following factors: individual performance; level of responsibility and organizational contribution; level of experience; internal equity; and market competitiveness.

The compensation committee, in coordination with the nominating and corporate governance committee, recommends to the board of directors the compensation of Spartan Stores' Chief Executive Officer. See "Compensation of the Chief Executive Officer" below. The Chief Executive Officer, who is currently a board member, does not participate in the board's deliberations concerning his compensation. With input from the Chief

Executive Officer, the compensation committee also recommends to the full board the base salaries, annual incentives, long-term incentives and other benefits of other corporate officers.

&nbsp; *Annual Incentives*

&nbsp; Spartan Stores' Annual Incentive Plan provides annual incentive compensation for participants who are in a position to make substantial contributions toward achievement of goals established pursuant to the plan. The objectives of the Annual Incentive Plan are to:

motivate participants to achieve Spartan Stores' annual financial and business objectives;

allow participants to share appropriately in Spartan Stores' financial success;

provide a competitive incentive compensation opportunity;

create a linkage between participant contribution and Spartan Stores' business and financial objectives; and

assist in the attraction, retention and motivation of associates.

&nbsp; In fiscal 2004, the annual incentive opportunity for Mr. Sturken was based entirely upon Spartan Stores' performance relative to specific, measurable financial goals. For fiscal 2004, this performance was based on the degree to which Spartan Stores achieved its targeted improvement in EBITDA. For all other participants, the plan had two components: (1) attaining pre-determined corporate and/or business unit financial goals; and (2) achieving specific, individual performance improvement goals that were directly linked to the company's financial goals and business strategy. The percentage of the incentive opportunity allocated between these two components varies depending on the participant's level in the organization. For fiscal 2004, the corporate and/or business unit financial goals could be achieved independently of the individual performance improvement goals. Assuming these goals are achieved, the participant was eligible to receive a specified percentage of his or her annual base salary as an incentive payout under the Annual Incentive Plan.

&nbsp; *Long-Term Incentives*

&nbsp; Spartan Stores' long-term incentives are designed to align executive compensation with shareholder interests, encourage stock ownership by officers and reward superior long-term financial performance. These objectives are implemented through Spartan Stores' 2001 Stock Incentive Plan.

&nbsp; Stock options are intended to align officers' and other key associates' interests with shareholders by giving them the opportunity to purchase shares of common stock. Stock options become valuable only if the stock price appreciates after the award. Option grants vest in four equal yearly installments, and expire ten years after the grant date.

&nbsp; From time to time, Spartan Stores also awards restricted stock as part of equity compensation. These awards typically are made to encourage the achievement of targeted financial goals, to attract and retain key executives and to recognize extraordinary performance.

**Stock Ownership Guidelines**

&nbsp; The board of directors has established stock ownership guidelines for corporate officers. These guidelines are designed to ensure that officers face the same downside risk-and upside potential-that shareholders experience.

&nbsp; Under these guidelines, Executive Vice Presidents and the Chief Executive Officer are expected to achieve and maintain a level of stock ownership equal to two times the Executive's annual base salary. For purposes of measuring the level of stock ownership, shares will be valued at the current market value, or the Executive's cost basis, whichever is higher. Shares that are subject to stock options are not counted for purposes of determining stock ownership. Until such level of ownership is

-20-

---

achieved, and thereafter as necessary to maintain the expected level of ownership, such Executives are required to: (1) hold at least twenty-five percent (25%) of all restricted stock granted by Spartan Stores; and (2) designate at least twenty percent (20%) of their annual bonus under the Annual Incentive Plan for the purchase of Spartan Stores common stock and to hold such stock granted or purchased.

#### **Compensation of the Chief Executive Officer**

&nbsp; Mr. Sturken is employed under the terms of an employment agreement. The compensation committee, in coordination with the nominating and corporate governance committee, conducts an annual performance appraisal of the chief executive officer based on input from all board members. In determining Mr. Sturken's compensation, the compensation committee considers individual performance, the performance of Spartan Stores, and competitive compensation comparisons. For fiscal 2004, Mr. Sturken's base salary, annual incentive opportunity and long-term incentive awards were all determined pursuant to the terms of his employment agreement as described beginning on page 15.

#### **Deductibility of Executive Compensation**

&nbsp; Section 162(m) of the Internal Revenue Code includes potential limitations on the deductibility of compensation in excess of \$1 million paid to certain officers. No officer's total compensation for fiscal 2004 exceeded the limitations on deductibility under Section 162(m). It is Spartan Stores' policy to qualify as much of the compensation paid to its officers as possible for deductibility under Section 162(m). However, under appropriate circumstances, Spartan Stores may approve compensation that is not deductible under Section 162(m) if it determines that it would be in the best interests of Spartan Stores and its shareholders for such compensation to be paid. Spartan Stores will continue to assess the impact of Section 162(m) and take action to assure that appropriate levels of deductibility are maintained.

#### **Board Approval**

&nbsp; All recommendations of the compensation committee relating to fiscal 2004 compensation were unanimously approved by the board of directors without modification, with Mr. Sturken abstaining from voting on his compensation.

#### **Conclusion**

&nbsp; The committee believes that properly motivating and rewarding executive management plays a significant role in improving Spartan Stores' performance. The committee plays a very active role in ensuring our compensation plans are competitive, cost-effective and properly aligned with the interests of Spartan Stores' shareholders.

Respectfully submitted,

James F. Wright, Chairperson

### **Audit Committee Report**

---

&nbsp; The audit committee reviews and supervises Spartan Stores' procedures for recording and reporting the financial results of its operations on behalf of the board of directors. Spartan Stores' management has primary responsibility for the financial statements and the reporting process, including the system of internal controls. As part of its supervisory duties, the audit committee has reviewed Spartan Stores' audited financial statements and has discussed those financial statements with Spartan Stores' management.

&nbsp; The audit committee has also discussed with Spartan Stores' independent auditors, who are responsible for expressing an opinion on the conformity of those financial statements with generally accepted accounting principles, the judgments of the independent auditors concerning the quality of Spartan Stores' accounting practices and such other matters that are required under applicable rules, regulations, generally accepted auditing standards and generally accepted accounting principles to be discussed with the independent auditors. In addition, the audit committee has received from the independent auditors the written disclosures and letter required by the Independence Standards Board and has discussed their independence from Spartan Stores and Spartan Stores' management with them, including a consideration of the compatibility of non-audit services with their independence.

&nbsp; Based on the reviews and discussions described above, the audit committee recommended to Spartan Stores' board of directors that the audited financial statements be included in Spartan Stores' Annual Report on Form 10-K for the year ended March 27, 2004.

## Independent Auditors

### Appointment

Spartan Stores' audit committee has approved the selection of Deloitte & Touche LLP as its independent auditors to audit the financial statements and internal controls of Spartan Stores and its subsidiaries for fiscal 2005, and to perform such other appropriate accounting services as may be required by the board and approved by the audit committee. If the shareholders do not ratify the selection of Deloitte & Touche LLP, the audit committee will consider a change in auditors for the next year.

Representatives of Deloitte & Touche are expected to be present at the annual meeting, will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions from shareholders.

**The board of directors and audit committee recommend that you vote FOR ratification of the selection of Deloitte & Touche LLP as our independent auditors for fiscal 2005.**

### Independent Auditors' Fees

The aggregate fees billed by Deloitte & Touche llp to Spartan Stores and its subsidiaries for fiscal 2004 and fiscal 2003 are as follows:

|                        | <u>Fiscal 2004</u> | <u>Fiscal 2003</u> |
|------------------------|--------------------|--------------------|
| Audit Fees (1)         | \$ 398,110         | \$ 521,695         |

| All Other Fees         | --                 | --                 |

- 
- (1) Audit services consist of the annual audit, reviews of quarterly reports on Form 10-Q and related consultations.
  - (2) Audit-related fees consists principally of services related to employee benefit plan audits and other consultations not arising as part of the audit.
  - (3) Permissible tax services include tax compliance, tax planning and tax advice that do not impair the independence of the auditors and that are consistent with the SEC's rules on auditor independence. Tax compliance and preparation fees account for \$595,601 and \$404,120 of the total tax fees for fiscal 2004 and fiscal 2003, respectively.

During fiscal 2004, Deloitte & Touche llp did not provide any services to Spartan Stores or its subsidiaries related to financial information systems design and implementation.

### Audit Committee Approval Policies

The audit committee charter includes procedures for the approval by the audit committee of all services provided by Deloitte & Touche llp. The audit committee has the authority and responsibility to pre-approve all audit and permissible non-audit services provided by its principal accountant. The audit committee charter sets forth the policy of the committee for such approvals. The policy requires that all services provided by the independent auditors, including audit-related

to delegate to one or more members of the audit committee the authority to approve the independent auditors' services. The decisions of any audit committee member to whom authority is delegated to pre-approve services are reported to the full audit committee. The policy also provides that the audit committee will have authority and responsibility to approve and authorize payment of the independent auditors' fees. Finally, the policy sets forth certain services that the independent auditors are prohibited from providing to Spartan Stores or its subsidiaries. None of the audit-related fees or tax fees were approved by the audit committee pursuant to the *de minimus* exception set forth in Section 10A(i)(1)(B) of the Securities Exchange Act of 1934, although the audit committee charter allows such approval.

## **Section 16(a) Beneficial Ownership Reporting Compliance**

---

&nbsp; Section 16(a) of the Securities Exchange Act of 1934 requires Spartan Stores' directors and officers and persons who beneficially own more than 10% of the outstanding shares of Spartan Stores common stock to file reports of ownership and changes in ownership of shares of common stock with the SEC. Directors, officers and greater than 10% beneficial owners are required by SEC regulations to furnish Spartan Stores with copies of all Section 16(a) reports they file with the SEC. Based solely on our review of the copies of such reports received by us, or written representations from certain reporting persons that no reports on Form 5 were required for those persons for fiscal 2004, we believe that our directors and officers complied with all applicable filing requirements during fiscal 2004, except for one Form 4 report filed late on behalf of Mr. Sturken to report one purchase of Spartan Stores stock.

## **Shareholder Proposals**

---

&nbsp; To be considered timely, shareholder proposals intended to be presented at the 2005 annual meeting of shareholders, whether or not intended to be included in the proxy statement and form of proxy relating to that meeting, must be received by us not later than March 8, 2005. Shareholder proposals intended for consideration for inclusion in our proxy statement and form of proxy relating to that meeting should be made in accordance with SEC Rule 14a-8. We will bear all costs of the preparation and solicitation of proxies, including the charges and expenses of brokerage firms, banks, trustees or other nominees for forwarding proxy material to beneficial owners.

&nbsp; In addition, we have engaged Georgeson Shareholder Communications Inc., at an estimated cost of \$5,500, plus expenses and disbursements, to assist us in the solicitation of proxies.
