Item 1.01. Entry into a Material Definitive Agreement.

The information included in Item 2.03 is incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On November 2, 2011, Boyd Gaming Corporation (the “Company”) entered into a Lender Joinder Agreement (the “Lender Joinder Agreement”) among the Company, Bank of America, N.A. (“Bank of America”), as the Administrative Agent, and Bank of America, as the Increasing Lender. The Lender Joinder Agreement increases the Term Loan Commitments under the Second Amended and Restated Credit Agreement dated as of December 17, 2010 (as amended, restated, supplemented or otherwise modified from time to time, the “Credit Agreement”) among the Company, certain financial institutions as lenders, Bank of America, as the Administrative Agent and as letter of credit issuer, and Wells Fargo Bank, National Association, as syndication agent and swing line lender, by an aggregate amount of \$350,000,000 (the “Increased Term Loan”).

The Lender Joinder Agreement provides that subject only to continued satisfaction of the representations, warranties and covenants under the Credit Agreement, the Increased Term Loan will be funded on November 10, 2011. Proceeds from the Increased Term Loan will be used to repay outstanding Class B Revolving Loans.

Concurrently with entering into the Lender Joinder Agreement, on November 2, 2011 the Company gave the Administrative Agent conditional notice of termination of the Class B Revolving Commitments (the “Notice of Termination”) under the Credit Agreement. The Notice of Termination provides that the Class B Revolving Commitments shall be terminated in full on November 10, 2011 if and only if the Company receives the proceeds of the Increased Term Loan on or before such date. The Company intends to borrow under its Class A Revolving Commitment an amount that, together with the net proceeds from the Increased Term Loan, will be sufficient to repay in full the outstanding balance of the Class B Revolving Loans on November 10, 2011.

The interest rate per annum applicable to the Increased Term Loan will be (a) the “effective Eurodollar rate” plus 4.75% if and to the extent the Increased Term Loan is a Eurodollar Rate Loan under the Credit Agreement and (b) the Base Rate plus 3.75% if and to the extent the Increased Term Loan is a Base Rate Loan under the Credit Agreement; provided, that for purposes of calculating the Base Rate in connection with the Increased Term Loan, clause (c) of the definition of “Base Rate” shall be deemed to refer to the “effective Eurodollar rate”. For purposes of the Credit Agreement, “effective Eurodollar rate” means, for any interest period, the greater of (x) the Eurodollar Rate in effect for such interest period and (y) 1.25%. The Increased Term Loans will be issued with 2% of original issue discount.

The Company will make repayments on the Increased Term Loan on the last business day of each fiscal quarter of the Company commencing with the fiscal quarter ending March 31, 2012 in an amount equal to 1.25% of the original principal amount of the Increased Term Loan. The Company will repay the remaining outstanding principal amount of the Increased Term Loan on December 17, 2015.

In the event of a full or partial prepayment of the Increased Term Loan during the first year after the date the Increased Term Loan is funded through the issuance of any indebtedness having a lower interest rate than the interest rate applicable to the Increased Term Loan, such prepayment will include a premium in an amount equal to 1.00% of the principal amount so prepaid.

The description of the Lender Joinder Agreement does not purport to be complete and is qualified in its entirety by reference to the Lender Joinder Agreement, which is filed as Exhibit 4.1 hereto and incorporated herein by reference.
