The Hartness Revocable Trust, Mr. Mack, Mr. Rapello, Mr. and Mrs. Bailey, Mr. Smith, the McPheely Revocable Trust, Mr. Carroll and Mr. Daisley are each individually referred to as a "Reporting Person" and are collectively referred to as the "Reporting Persons."

Item 3. Source and Amount of Funds or Other Consideration.

The shares of Common Stock held by each Reporting Person to which this statement relates were purchased by such Reporting Person with personal funds or the working capital of the trust, as applicable.

Item 4. Purpose of Transaction.

The Reporting Persons have formed a “group” within the meaning of Section 13d(3) of the Securities Exchange Act of 1934, may be deemed to beneficially own an aggregate of 7,437,250 shares of Common Stock (including warrants to purchase 2,500,000 shares of Common Stock), constituting approximately 14.1% of the shares of Common Stock outstanding, and are considering engaging in discussions with the Board of Directors (the “Board”) and management of the Issuer and/or taking other actions to influence the corporate governance of the Issuer as described below.

The Reporting Persons have acquired shares of Common Stock (and warrants to acquire shares of Common Stock) for investment purposes. As previously disclosed in the Issuer’s filings with the SEC, pursuant to a subscription agreement between the Issuer and the Hartness Revocable Trust dated May 4, 2012 (the “Subscription Agreement”), subject to and promptly following the closing of Mr. Hartness’ sixth and final investment pursuant to the Subscription Agreement for 1,250,000 shares of Common Stock and warrants to acquire 1,250,000 shares of Common Stock, the Issuer was obligated to, and on August 13, 2012 the Issuer did, increase its Board by one director and the Board appointed one designee of Mr. Hartness, Bernard M. McPheely, to the Board. Mr. McPheely resigned from the Board as disclosed in an 8-K filed on May 20, 2013.

The current Board is comprised of three individuals—Edward Adams (chair), Robert Linares (Adams’ father-in-law) and Theodore Strous. Both Mr. Adams and Mr. Linares have been involved with or led the Issuer and its predecessors for more than a decade and in Mr. Linares’ case more than two decades, while the Issuer has continuously failed to meet the financial projections and metrics provided to shareholders. Since August 5, 2011 (the date when Adams became the Board chair) alone, the Issuer has reported net losses of more than \$13 million under their leadership. Despite reporting such multi-million dollar losses, the directors have awarded themselves:

- Compensation, consulting payments and bonuses in the amount of more than \$400,000.
- Payments to entities affiliated with directors in the amount of more than \$350,000.
- Warrants and options for thousands of shares of the Issuer.

At the same time—since August 11, 2011—the Issuer has failed to call a shareholder meeting. Both the Issuer’s Bylaws and applicable corporate law require an annual meeting of the shareholders. Even more, the Board has ignored the explicit requests of multiple shareholders to call an annual meeting of the shareholders. It appears to the Reporting Persons that the only possible explanation for this delay is that the Issuer wants to preserve its hand-picked slate of directors and to oppose our efforts to elect new leadership. We hope this is not the case.

For these reasons, the undersigned shareholders have organized for the purpose of electing a new and independent slate of directors to lead the Issuer and increase the value for all shareholders.

No Reporting Person has any present plan or proposal that would relate to or result in any of the matters set forth in subparagraphs (a) - (j) of Item 4 of Schedule 13D, except as set forth herein. The Reporting Persons intend to review their investment in the Issuer on a continuing basis and engage in discussions with management, the Board and other shareholders of the Issuer, as well as other relevant parties, concerning the business, operations, governance, management, strategy and future plans of the Issuer. Depending on various factors including, without limitation, the Issuer's financial performance and strategic direction, actions taken by the Board, other investment opportunities available to the Reporting Persons, the price levels of the Common Stock, conditions in the securities markets and general economic and industry conditions, future developments at the Issuer, and the Reporting Persons' views of the manner in which the Issuer is governed in the future, the Reporting Persons may in the future take such actions with respect to their investment in the Issuer as they deem appropriate including, without limitation:

continuing to hold their respective shares of Common Stock for investment;

purchasing additional shares;

selling some or all of each of their shares;

making proposals to the Issuer concerning changes to the capitalization, ownership structure or operations of the Issuer;

commencing legal proceedings against certain directors of the Issuer;

pursuing discussions with other shareholders and third parties regarding alternatives for corporate governance involving the Issuer or to maximize shareholder value therein;

seeking to change the composition and independence of and/or seek further representation on the Board and solicit proxies or written consents from other shareholders of the Issuer; or

changing their intention with respect to any and all matters referred to in this Item 4.
