Shares eligible to be voted and for which a proxy card is properly signed and returned and actually received by our transfer agent or at our registered office in Israel at least forty-eight (48) hours prior to the beginning of the Meeting will be voted as directed. If directions are not given or directions are not in accordance with the options listed on a signed and returned proxy card, such shares will be voted FOR each proposition for which the Board of Directors recommends a vote FOR. Quorum and Voting

As of July 2, 2007, the record date for determination of shareholders entitled to vote at the Meeting, there were outstanding 5,773,845 ordinary shares. Each ordinary share entitles the holder to one vote.

The presence of two shareholders, holding at least one third (1/3) of our issued share capital voting rights, represented in person or by proxy at the Meeting, will constitute a quorum. An affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting, in person or by proxy, entitled to vote and voting thereon, is required to approve each of the proposals, except as otherwise stated in the proposal.

We have received indications from our principal shareholders, Mr. Chaim Mer, Mrs. Dora Mer and Mr. Isaac Ben-Bassat, who together hold approximately 47.0% of our issued and outstanding ordinary shares, that they presently intend to vote for all of the nominees for director and in favor of all of the Items to be acted upon at the Meeting.

I. ELECTION OF DIRECTORS (Item 1 on the Proxy Card)

Our articles of association provide for a Board of Directors consisting of up to ten members or such other number as may be determined from time to time at a general meeting of shareholders. Our Board of Directors is currently

Edgar Filing: MER TELEMANAGEMENT SOLUTIONS LTD - Form 6-K

composed of seven directors, including two outside directors appointed in accordance with the Israeli Companies Law (see Item II below). Our directors, other than our outside directors, are elected at each annual meeting of shareholders. All the members of our Board of Directors (except the outside directors) may be reelected upon completion of their term of office.

At the Meeting, each of our current directors (other than our outside directors, see Item II below) will be standing for reelection as directors to hold office for one year until our 2008 Annual General Meeting of Shareholders and until their successors are elected and qualified, other than Mr. Alon Aginsky who will not be standing for reelection to serve as a director due to other commitments. To reduce costs, our board of directors has determined to not propose a director nominee for election by the shareholders instead of Alon Aginsky and to reduce the number of directors serving on our board of director to six, including the two outside directors within the meaning of the Israeli Companies Law.

In general, NASDAQ Marketplace Rules require that a majority of our board of directors qualify as independent directors within the meaning of the NASDAQ Marketplace Rules and our audit committee must have at least three members and be comprised only of independent directors each of whom satisfies the respective "independence" requirements of the Securities and Exchange Commission and NASDAQ. Currently we follow such NASDAQ requirements. However, we have determined that following the Meeting, we will instead follow Israeli law and practice, which requires that we appoint at least two outside directors, within the meaning of the Israeli Companies Law, to our board of directors (see below "Board of Directors and Committees -- Outside and Independent Directors -Outside Directors"). Following the Meeting, in accordance with the rules of the Securities and Exchange Commission and NASDAQ, we will continue to have the mandated three independent directors, as defined by the rules of the Securities and Exchange Commission and NASDAQ, on our audit committee.

We do not follow the requirements of the NASDAQ Marketplace Rules with regard to the nomination process of directors, and instead, we follow Israeli law and practice, in accordance with which our directors are recommended by our board of directors for election by our shareholders. Should any of the director nominees be unavailable for election, the proxies will be voted for a substitute nominee designated by our Board of Directors. None of the nominees are expected to be unavailable.

Under the Israeli Companies Law, the affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting, in person or by proxy, entitled to vote and voting thereon, is required to elect as directors each of the nominees named below.

Set forth below is information about each nominee, including age, position(s) held with the company, principal occupation, business history and other directorships held.

Name ----	Age ---	Position with the Company -----
Chaim Mer.....	59	Chairman of the Board of Directors
Isaac Ben-Bassat.....	53	Director
Steven J. Glusband.....	60	Director
Yaacov Goldman.....	52	Director

The Board of Directors recommends a vote FOR the election of each nominee for director named above.

BOARD OF DIRECTORS AND COMMITTEES

Outside and Independent Directors

Outside Directors. Under the Israeli Companies Law, companies incorporated under the laws of the State of Israel whose shares have been offered to the public are required to appoint at least two outside directors. The Israeli Companies Law provides that a person may not be appointed as an outside director if the person, or the person's relative, partner, employer or an entity under that person's control, has or had during the two years preceding the date of appointment any affiliation with the company, or any entity controlling, controlled by or under common control with the company. The term "relative" means a spouse, sibling, parent, grandparent, child or child of spouse or spouse of any of the above. The term affiliation includes:

- o an employment relationship;
- o a business or professional relationship maintained on a regular basis;

Edgar Filing: MER TELEMANAGEMENT SOLUTIONS LTD - Form 6-K

- o control; and
- o service as an officer holder, excluding service as an outside director of a company that is offering its shares to the public for the first time.

In addition, no person may serve as an outside director if the person's position or other activities create, or may create, a conflict of interest with the person's responsibilities as director or may otherwise interfere with the person's ability to serve as director. If, at the time an outside director is appointed all members of the board of directors are of the same gender, then that outside director must be of the other gender. A director of one company may not be appointed as an outside director of another company if a director of the other company is acting as an outside director of the first company at such time.

As of 2006, at least one of the outside directors elected must have "accounting and financial expertise" and any other outside director must have "accounting and financial expertise" or "professional qualification," as such terms are defined by regulations promulgated under the Israeli Companies Law. This requirement does not apply to outside directors appointed prior to 2006.

Outside directors are elected by shareholders. The shareholders voting in favor of their election must include at least one-third of the shares of the non-controlling shareholders of the company who voted on the matter. This minority approval requirement need not be met if the total shareholdings of those non-controlling shareholders who vote against their election represent 1% or less of all of the voting rights in the company.

In general, outside directors serve for a three-year term, which may be renewed for only one additional three-year term. Outside directors can be removed from office only by the same special percentage of shareholders as can elect them, or by a court, and then only if the outside directors cease to meet the statutory qualifications with respect to their appointment or if they violate their duty of loyalty to the company.

Any committee of the board of directors must include at least one outside director and the audit committee must include all of the outside directors. An outside director is entitled to compensation as provided in regulations adopted under the Israeli Companies Law and is otherwise prohibited from receiving any other compensation, directly or indirectly, in connection with such service.

Independent Directors. In general, NASDAQ Marketplace Rules require that a majority of our board of directors qualify as independent directors within the meaning of the NASDAQ Marketplace Rules and our audit committee must have at least three members and be comprised only of independent directors each of whom satisfies the respective "independence" requirements of the Securities and Exchange Commission and NASDAQ.

Our Board of Directors has determined that Dr. Yehoshua Gleitman and Dr. Orna Berry both qualify as independent directors under the rules of the Securities and Exchange Commission and NASDAQ and as outside directors under the requirements of the Israeli Companies Law. Our Board of Directors has further determined that Messrs. Alon Aginsky and Yaacov Goldman both qualify as independent directors under the requirements of the Securities and Exchange Commission and NASDAQ. Subject to the election of Mr. Eytan Barak as an outside

Edgar Filing: MER TELEMANAGEMENT SOLUTIONS LTD - Form 6-K

director (see Item II below), the Board of Directors has determined that he will qualify as an independent director under the rules of the Securities and Exchange Commission and NASDAQ and as an outside director under the requirements of the Israeli Companies Law.

Audit Committee

Our audit committee, which was established in accordance with Section 114 of the Israeli Companies Law and Section 3(a)(58)(A) of the Securities Exchange Act of 1934, assists our board of directors in overseeing the accounting and financial reporting processes of our company and audits of our financial statements, including the integrity of our financial statements, compliance with legal and regulatory requirements, our independent public accountants' qualifications and independence, the performance of our internal audit function and independent public accountants, finding any defects in the business management of our company for which purpose the audit committee may consult with our independent

4

auditors and internal auditor, proposing to the board of directors ways to correct such defects, and such other duties as may be directed by our board of directors.

The responsibilities of the audit committee also include approving related-party transactions as required by law. Under Israeli law an audit committee may not approve an action or a transaction with a controlling shareholder, or with an office holder, unless at the time of approval two outside directors are serving as members of the audit committee and at least one of the outside directors was present at the meeting in which an approval was granted.

Our audit committee consists of three members of our Board of Directors who satisfy the respective "independence" requirements of the Securities and Exchange Commission, NASDAQ and Israeli Law for audit committee members. Our audit committee is currently composed of Dr. Yehoshua Gleitman, Dr. Orna Berry and Mr. Yaacov Goldman. Our Board of Directors has determined that Mr. Goldman qualifies as a financial expert. The audit committee meets at least once each quarter.

Internal Audit

Under the Israeli Companies Law, the board of directors of a public company must appoint an internal auditor nominated by the audit committee. A person who does not satisfy the Israeli Companies Law's independence requirements may not be appointed as an internal auditor. The role of the internal auditor is to examine, among other things, the compliance of the company's conduct with applicable law and orderly business practice. Mr. Shaul Sofer, Certified Public Accountant (Israel), serves as our internal auditor.

Executive Compensation

The following table sets forth all compensation we paid with respect to all of our directors and executive officers as a group for the year ended December 31, 2006.

	Salaries, fees, commissions and bonuses	Pension, retirement and similar benefits
	-----	-----
All directors and executive officers as a group (14 persons).....	\$1,081,573	\$162,803

All our executive officers work full time for us. Mr. Chaim Mer, the Chairman of our Board of Directors, devotes approximately 20% of his time to the management of our company in consideration of which we pay him a monthly salary of \$7,000 per month (as approved by our Audit Committee and Board of Directors on November 8, 1999). We provide automobiles to our executive officers at our expense.

During the year ended December 31, 2006, we paid to each of our directors an annual fee of approximately \$8,400 and a per meeting attendance fee of \$300, except for Mr. Yaacov Goldman, an independent director and our financial expert, to whom we paid an annual fee of approximately \$16,800 and a per meeting attendance fee of \$400.

As of December 31, 2006, our directors and executive officers as a group, consisting of 14 persons, held options to purchase an aggregate 238,625 ordinary shares, having exercise prices ranging from \$1.844 to \$3.87. The options vest over a four-year period. Of such options, options to purchase 228,625 ordinary shares were granted under our 2003 Israeli Share Option Plan (of which, options to purchase 205,000 ordinary shares will expire in December 2008, options to purchase 7,500 ordinary shares will expire in August 2009, options to purchase 2,500 ordinary shares will expire in May 2010, options to purchase 7,500 ordinary shares will expire in September 2010, options to purchase 2,500 ordinary shares will expire in November 2010 and options to purchase 3,625 ordinary shares will expire on March 2011) and options to purchase 10,000 ordinary shares were granted under our 1996 Stock Option Plan (all of which will expire in December 2008).

Stock Option Plans

1996 Stock Option Plan

Under our 1996 Stock Option Plan, as amended, or the 1996 Plan, options to purchase up to 400,000 ordinary shares were issuable under options granted to

Edgar Filing: MER TELEMANAGEMENT SOLUTIONS LTD - Form 6-K

our employees, management, officers and directors or those of our subsidiaries. Any options which are canceled or forfeited within the option period became available for future grants. The 1996 Plan terminated on May 31, 2006.

The 1996 Plan provides that it is administered by the Board of Directors or an Option Committee which may be appointed by the Board of Directors, which has the authority, subject to applicable law, to determine the persons to whom options will be granted, the number of ordinary shares to be covered by each option the time or times at which options will be granted or exercised, and the terms and conditions of the options. The exercise price of options granted under the 1996 Plan may not be less than 100% of the fair market value of our ordinary shares on the date of the grant of incentive stock options and 75% in the case of options not designated as incentive stock options. Fair market value is the mean between the highest and lowest quoted selling prices on the date of grant of our shares traded on NASDAQ or a stock exchange on which such shares are principally traded.

Options granted under the 1996 Plan are generally exercisable under such circumstances as the Board or Option Committee determines. Such options are not transferable by an optionee other than by will or by laws of descent and distribution, and during an option holder's lifetime are exercisable only by such option holder or by his or her legal representative. Options granted under the 1996 Plan terminate at such time and under such circumstances as the Board or Option Committee determines.

During 2006, options to purchase 15,000 ordinary shares were granted under our 1996 Plan, with an average exercise price of \$3.45, and no options were exercised into ordinary shares. At December 31, 2006, options to purchase 62,400 ordinary shares were outstanding under the 1996 Plan, exercisable at an average exercise price of \$3.44 per share.

1996 Section 102 Stock Option Plan

In 1996, we adopted a Section 102 Stock Option Plan, as amended, or the 1996 102 Plan, providing for the grant of options to our Israeli employees, management, officers and directors or those of our subsidiaries. The 1996 102 Plan was adopted pursuant to Section 102 of the Israeli Income Tax Ordinance [New Version] - 1961, or Section 102, and provided recipients with tax advantages under the Israeli Income Tax Ordinance. As of January 1, 2003, Section 102 was amended, pursuant to which certain new tax advantages are afforded with respect to option grants to employees and directors. In order to enable employees and directors to benefit from such tax advantages with respect to future grants of options and issuance of shares upon exercise thereof, such grants have to be performed under a share option plan that is adjusted to the amended Section 102, and therefore we adopted our 2003 Israeli Share Option Plan. Upon the adoption of our 2003 Israeli Share Option Plan, we did not intend to grant any more options under the 1996 102 Plan and the ordinary shares that remained available for grant under the 1996 102 Plan were rolled-over into our 2003 Israeli Share Option Plan for issuance thereunder. The 1996 102 Plan terminated on May 31, 2006.

Options granted under our 1996 102 Plan are exercisable under such circumstances as the Board of Directors or Option Committee determined. Options granted under the this plan are not transferable by an optionee other than by will or by laws of descent and distribution, and during an option holder's lifetime will be exercisable only by such option holder or by his or her legal representative.

During 2006, no options were granted under the 1996 102 Plan and options to purchase 30,000 ordinary shares were exercised. At December 31, 2006, no options were outstanding under the 1996 102 Plan.

Edgar Filing: MER TELEMANAGEMENT SOLUTIONS LTD - Form 6-K

2003 Israeli Share Option Plan

Under our 2003 Israeli Share Option Plan, or the 2003 Plan, options to purchase up to 893,915 ordinary shares may be granted to directors, employees, consultants, advisors, service providers,

7

controlling shareholders and other persons not employed by us or by our affiliates. Any options which are canceled or forfeited within the option period will become available for future grants. The 2003 Plan will terminate in 2013, unless earlier terminated by the Board of Directors.

Options to Israeli employees, directors and officers, other than controlling shareholders (as such term is defined in the Israeli Income Tax Ordinance), under the 2003 Plan may only be granted under Section 102. Under amended Section 102, options granted pursuant to Section 102 may be designated as "Approved 102 Options" or "Unapproved 102 Options." An Approved 102 Option may either be classified as a capital gains option or an ordinary income option. We elected to initially grant our options pursuant to Section 102 as capital gains options. Such election is effective as of the first date of grant of such capital gains options under the 2003 Plan and shall remain in effect at least until the lapse of one year following the end of the tax year during which we first granted capital gains options. All Approved 102 Options (or the ordinary shares issued upon exercise thereof) must be held in trust by a trustee for the requisite holding period under Section 102 in order to benefit from the certain tax advantages. We may also grant Unapproved 102 Options, which do not have any tax benefit and are not held by a trustee. Options granted under Section 102 are taxed on the date of sale of the exercised ordinary shares and/or the date of the release of the options or such exercised ordinary shares from the trust.

The 2003 Plan is administered by the Board of Directors or a committee of the Board of Directors, if appointed, which has the authority, subject to applicable law, to determine, the persons to whom options will be granted, the terms and conditions of the respective options, including the time and the extent to which the options may be exercised, may designate the type of options, make an election as to the type of Approved 102 Option. The exercise price of options granted under the 2003 Plan will be based on the fair market value of our ordinary shares and are determined by the Board of Directors or the committee at the time of the grant.

Options granted under the 2003 Plan are not assignable or transferable by an optionee, other than by will or by laws of descent and distribution, and during the lifetime of an optionee may be exercised only by the optionee or by the optionee's legal representative. Such options may be exercised as long as the optionee is employed by, or providing services to us or any of our affiliates, to the extent the options have vested.

During 2006, options to purchase an aggregate of 45,000 ordinary shares were granted under the 2003 Plan at an average exercise price of \$3.33 per share and options to purchase 10,341 ordinary shares were exercised. At December 31, 2006, options to purchase 608,000 ordinary shares were outstanding under the 2003 Plan, exercisable at an average exercise price of \$2.66 per share.

2006 Stock Option Plan

In June 2006, we adopted our 2006 Stock Option Plan, or the 2006 Plan, under which up to 400,000 ordinary shares may be issued (subject to standard

Edgar Filing: MER TELEMANAGEMENT SOLUTIONS LTD - Form 6-K

adjustments) to employees, officers and non-employee directors of ours and our affiliates. Ordinary shares as to which an option granted under the 2006 Plan has not been exercised at the time of its expiration, cancellation or forfeiture may again be subject to new awards under the 2006 Plan. The total number of ordinary shares with respect to which options may be granted to any eligible employee during any period of 12 consecutive months may not exceed 100,000 ordinary shares (subject to adjustment as provided in the 2006 Plan).

The 2006 Plan will be administered by our Board of Directors or to the extent permitted by Israeli law, a Compensation Committee of our Board of directors, if established by our Board of Directors at its discretion. All references below to the "Committee" refers to the Board of Directors or compensation committee established by our Board of Directors, as applicable. The Committee will have the authority, in its discretion, to establish from time to time guidelines or regulations for the administration of the 2006 Plan, to interpret the 2006 Plan, and to make all determinations it considers necessary or advisable for the administration of the 2006 Plan, in addition to the other responsibilities and powers assigned to the Committee in the 2006 Plan. All decisions, actions or interpretations of the Committee under the 2006 Plan will be final, conclusive and binding upon all parties.

Each option granted under the 2006 Plan will be either an option intended to be treated as an "incentive stock option," within the meaning of Section 422 of the Internal Revenue Code of 1986, as

8

amended, or the Code, or an option that will be treated as a "non-qualified stock option." No incentive stock may be granted to any individual who is not an eligible employee of our company or a "subsidiary" within the meaning of the Code. No incentive stock option may be granted to an employee if, as of the date of grant of such option, such employee owns stock possessing more than ten percent of the total combined voting power of all classes of stock of our company or any affiliated company, a "10% Holder," unless (a) the exercise price per share under such option is at least 110% of the fair market value of an ordinary share determined as of the date of grant of such option, and (b) such option is not exercisable after the expiration of five years from the date of grant of such option. No incentive stock option may be granted under the 2006 Plan after the ten year anniversary of its adoption.

In no event may the term of any option exceed ten years from the date of grant of the option. However, in no event may the term of any option granted to a 10% Holder exceed five years from the date of grant of the option. No option may be exercised after its expiration.

Each option granted under the 2006 Plan will become exercisable, in whole or in part, at such time or times during its term as the instrument evidencing the grant of such option may specify.

The price at which ordinary shares may be purchased upon any exercise of an option granted under the 2006 Plan will be the price per share determined by the Committee, and specified in the instrument evidencing the grant of such option, but in no event may the exercise price per share be less than (i) the fair market value of an ordinary share determined as of the date of grant of the option, or (ii), if greater, the par value of an ordinary share. However, with respect to an option granted to a 10% Holder, in no event may the exercise price per share be less than 110% of the fair market value of our ordinary shares determined as of the date of grant of such option.

Edgar Filing: MER TELEMANAGEMENT SOLUTIONS LTD - Form 6-K

Options granted under the 2006 Plan will be nontransferable, other than by will or the laws of descent and distribution, and may be exercised during the grantee's lifetime only by the grantee. However, if the instrument evidencing the grant of an option other than an incentive stock option so provides, the grantee may transfer his or her rights with respect to such option or any portion thereof, without consideration, to any "family member," as such term is defined in the 2006 Plan.

The terms and conditions of an option grant may not be waived or amended without the consent of the grantee if it would adversely affect, to any material extent, any of the rights or obligations of the grantee with respect to such grant, or in the case of any option that was intended to constitute an incentive stock option, if such waiver or amendment would cause such option to fail to be treated as an incentive stock option.

Our Board of Directors may, with prospective or retroactive effect, amend, suspend or terminate the 2006 Plan or any portion of the 2006 Plan at any time. However, no amendment, suspension or termination of the 2006 Plan may adversely affect the rights of any grantee with respect to any options previously granted to the grantee without his or her written consent. Also, no amendment which constitutes a "material revision" of the 2006 Plan, as the term material revision is defined in the applicable rules of the National Association of Securities Dealers, may be effective unless approved by our shareholders in the manner required by such rules and by applicable law.

During 2006, no options were granted under the 2006 Plan, and no options were outstanding under the 2006 Plan.

Warrants

On August 3, 2005, we issued a warrant to purchase 37,000 ordinary shares to Mr. Avraham Ziv in connection with financial services that he provided to our company. The warrant has an exercise price of \$4.00 per share, subject to anti-dilution adjustments, and is exercisable from February 3, 2006 until August 3, 2009. Mr. Ziv has provided financial services to us from to time during the last five years.

In connection with our August 2005 private placement to institutional and private investors, we issued to the investors warrants to purchase an aggregate 375,000 ordinary shares at an exercise price of \$4.00 per share (subject to anti-dilution adjustments), exercisable from February 10, 2006 until August 10, 2009.

9

Certain Transactions

Ms. Dora Mer, the wife of Chaim Mer, provides legal services to us and receives a monthly retainer of \$5,000. The conditions of retaining the services of Ms. Mer were approved by our Board of Directors and Audit Committee.

Our subsidiaries, MTS Asia Ltd. and MTS IntegraTRAK, entered into an agreement with C. Mer pursuant to which they distribute and support certain of C. Mer's products and provide certain services on behalf of C. Mer. Generally, C. Mer compensates MTS Asia Ltd. for these activities at cost plus 10% and compensates MTS IntegraTRAK at cost plus 5%. C. Mer is a publicly traded company controlled by Mr. Chaim Mer, and Mr. Mer has been the Chairman of its Board of Directors since 1988 and served as its President and Chief Executive Officer

Edgar Filing: MER TELEMANAGEMENT SOLUTIONS LTD - Form 6-K

from 1988 until January 2005.

Presently, the only service provided to us by C. Mer is our participation in its umbrella liability insurance coverage. We believe that the terms under which C. Mer provides such participation to us is on a basis no less favorable than could be obtained from an unaffiliated third party.

On August 10, 2005, we entered into definitive agreements with institutional and private investors, including our President, Mr. Eytan Bar, for a private placement of ordinary shares and warrants to purchase ordinary shares that raised \$2.8 million. Pursuant to the agreements, the investors, other than our President, Mr. Eytan Bar, paid \$3.00 per share for the aggregate 937,500 ordinary shares issued in the private placement. Mr. Bar purchased 14,000 shares at \$3.88 per share, the closing price of our ordinary shares on the day prior to the closing of the private placement. The private placement also involved the acquisition by the investors of warrants to purchase an aggregate 375,000 additional ordinary shares at an exercise price of \$4.00 per share (subject to anti-dilution adjustments), exercisable from February 10, 2006 until August 10, 2009. Each investor, including Mr. Eytan Bar, received warrants to purchase two ordinary shares for each five ordinary shares purchased.

Mr. Chaim Mer, the Chairman of our Board of Directors, devotes approximately 20% of his time to the management of our company in consideration of which we pay him a monthly salary of \$7,000 per month (as approved by our Audit Committee and Board of Directors on November 8, 1999). Mr. Isaac Ben-Bassat, a director and one of our major shareholders, receives an annual fee of approximately \$8,400 and a per meeting attendance fee of \$300 in connection with his service as a director of our company. See above "Executive Compensation."

II. ELECTION OF OUTSIDE DIRECTORS (Items 2A and 2B on the Proxy Card)

Under the Israeli Companies Law, companies incorporated under the laws of the State of Israel whose shares have been offered to the public are required to appoint at least two outside directors. The Israeli Companies Law provides that a person may not be appointed as an outside director if the person, or the person's relative, partner, employer or an entity under that person's control, has or had during the two years preceding the date of appointment any affiliation with the company, or any entity controlling, controlled by or under common control with the company. The term "relative" means a spouse, sibling, parent, grandparent, child or child of spouse or spouse of any of the above. The term affiliation includes an employment relationship, a business or professional relationship maintained on a regular basis, control and service as an office holder (excluding service as an outside director of a company that is offering its shares to the public for the first time).

In addition, no person may serve as an outside director if the person's position or other activities create, or may create, a conflict of interest with the person's responsibilities as director or may otherwise interfere with the person's ability to serve as director. If, at the time an outside director is appointed all members of the board of directors are of the same gender, then that outside director must be of the other gender. A director of one company may not be appointed as an outside director of another company if a director of the other company is acting as an outside director of the first company at such time.

As of 2006, at least one of the outside directors elected must have "accounting and financial expertise" and any other outside director must have "accounting and financial expertise" or "professional qualification," as such terms are defined by regulations promulgated under the Israeli Companies Law.

Edgar Filing: MER TELEMANAGEMENT SOLUTIONS LTD - Form 6-K

This requirement does not apply to outside directors appointed prior to 2006.

10

Any committee of the board of directors must include at least one outside director and the audit committee must include all of the outside directors. An outside director is entitled to compensation as provided in regulations adopted under the Israeli Companies Law and is otherwise prohibited from receiving any other compensation, directly or indirectly, in connection with such service.

Outside directors are elected by shareholders by a special majority. In general, outside directors serve for a three-year term, which may be renewed for only one additional three-year term. Outside directors can be removed from office only by the same special percentage of shareholders as can elect them, or by a court, and then only if the outside directors cease to meet the statutory qualifications with respect to their appointment or if they violate their duty of loyalty to the company.

Dr. Yehoshua Gleitman was reelected to serve as an outside director of our company at our 2004 annual general meeting of shareholders for a second three-year term expiring at our 2007 annual general meeting of shareholders, following which the service of Dr. Gleitman as an outside director may not be extended. Dr. Orna Berry was elected to serve as an outside director of our company at an extraordinary general meeting of shareholders held in January 2005 for an initial three-year term expiring January 28, 2008, following which the service of Dr. Berry as an outside director may be renewed for only one additional three-year term.

At the Meeting, shareholders will be asked to reelect Dr. Orna Berry as an outside director of our company for a second three-year term effective as of the expiration of her initial three-year term on January 28, 2008 and expiring three years thereafter on January 28, 2011 or until her successor is elected and qualified. At the Meeting, shareholders will also be asked to elect Mr. Eytan Barak as an outside director of our company for an initial three-year term expiring at our 2010 annual general meeting of shareholders or until his successor is elected and qualified.

Our Board of Directors has determined that Dr. Orna Berry and Eytan Barak each qualifies as an outside director within the meaning of the Israeli Companies Law. Our Board of Directors has further determined that Mr. Eytan Barak has accounting and financial expertise and that Dr. Orna Berry has professional qualification, as such terms are defined by regulations promulgated under the Israeli Companies Law.

Set forth below is information about each of the nominees for outside director, including principal occupation, business history and any other directorships held.

Dr. Orna Berry (57) has served as an outside director since January 2005 and is a member of our audit committee. Dr. Berry is a Venture Partner in Gemini Israel Funds Ltd. and since 2000 has served as Chairperson of Lambda Crossing, Ltd. and Riverhead Networks, Inc., which was sold to Cisco in March 2004. Dr. Berry served as the Chief Scientist of the Ministry of Industry and Trade of the Government of Israel from 1997 to 2000 and Co-President of Ornet Data Communications Technologies Ltd., a provider of high-speed switches, which was acquired by Siemens AG, from 1993 to 1997. From 1992 to 1993, Dr. Berry served as a consultant to Intel Communications Division and Elbit Systems, Ltd. Dr. Berry holds a B.A. degree in statistics and mathematics from Haifa

Edgar Filing: MER TELEMANAGEMENT SOLUTIONS LTD - Form 6-K

University, M.A. degree in statistics and mathematics from Tel Aviv University and Ph.D. in computer science from the University of Southern California.

Mr. Eytan Barak (63) is joint owner and chief executive officer of Dovrat - Barak, Investments in Advanced Technologies Ltd., a company which provides financial resources and management assistance to start-up companies. Mr. Barak also serves as a member of the board of directors, audit committee and investment committee of various Israeli companies, including ICTS International N.V. traded on the OTC Bulletin Board (OTCBB: ICTS). From 1973 to 1997, Mr. Barak was with the Israel Corporation Ltd., initially serving as its corporate controller and thereafter as its chief financial officer, and also served as chairman or member of the board of directors of some of its subsidiaries. From 1967 until 1973, Mr. Barak was associated with Kesselman & Kesselman, the Israeli member firm of PricewaterhouseCoopers International Limited. Mr. Barak is a Certified Public Accountant (Israel) since 1971 and holds a B.A. degree in accounting from Tel Aviv University.

The election of each of the nominees for outside director requires the affirmative vote of a majority of ordinary shares represented at the Meeting, in person or by proxy, entitled to vote and voting on the

11

matter, provided that either (i) the shares voting in favor of such resolution include at least one-third of the shares of non-controlling shareholders who vote on the matter (excluding the vote of abstaining shareholders), or (ii) the total shareholdings of the non-controlling shareholders who vote against such proposal do not represent more than 1% of the voting rights in our company.

We are not aware of any reason why either of the nominees, if elected, would be unable or unwilling to serve as an outside director. In the event that either of the named nominees for outside director would be unable to serve, the proxies will be voted for the election of such other person or persons as shall be nominated by our Board of Directors.

The Board of Directors recommends a vote FOR the election of each of the nominees for outside director.

III. RATIFICATION AND APPROVAL OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS (Item 3 on the Proxy Card)

Our Board of Directors first appointed Kost Forer Gabbay & Kasierer, registered public accountants, a Member of Ernst & Young Global, as our independent public accountants in 1996 and has reappointed the firm as our independent public accountants since such time.

At the Meeting, shareholders will be asked to ratify and approve the re-appointment of Kost Forer Gabbay & Kasierer as our independent registered public accountants for the fiscal year ending December 31, 2007, pursuant to the recommendation of our Audit Committee and Board of Directors. As a result of Kost Forer Gabbay & Kasierer's familiarity with our operations and reputation in the auditing field, our Audit Committee and Board of Directors believe that the firm has the necessary personnel, professional qualifications and independence to act as our independent registered public accountants.

At the Meeting, shareholders will also be asked to authorize our Board of Directors to delegate to our Audit Committee the authority to fix the

Edgar Filing: MER TELEMANAGEMENT SOLUTIONS LTD - Form 6-K

compensation of our independent registered public accountants in accordance with the volume and nature of their services. With respect to fiscal year 2006, we paid Kost Forer Gabbay & Kasierer approximately \$83,173 for audit services, approximately \$8,601 for audit-related services and approximately \$20,528 for tax-related services.

It is therefore proposed that at the Meeting the following resolution be adopted:

"RESOLVED, that the appointment of Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, as the independent registered public accountants of Mer Telemanagement Solutions Ltd. to conduct the annual audit of its financial statements for the year ending December 31, 2007, be and hereby is ratified and approved, and that the Board of Directors be, and it hereby is, authorized to delegate to the Audit Committee the authority to fix the remuneration of such independent registered public accountants in accordance with the volume and nature of their services."

If the appointment of Kost Forer Gabbay & Kasierer is not approved by our shareholders, or if Kost Forer Gabbay & Kasierer ceases to act as our independent registered public accountants, or if the Audit Committee removes Kost Forer Gabbay & Kasierer as our independent registered public accountants, the Audit Committee will recommend another independent registered public accounting firm.

The affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting, in person or by proxy, entitled to vote and voting thereon, is required to approve the foregoing resolution.

The Board of Directors recommends a vote FOR the foregoing resolution.

IV. REVIEW AND DISCUSSION OF DIRECTORS' REPORT, AUDITOR'S REPORT, AND CONSOLIDATED FINANCIAL STATEMENTS

At the Meeting, our Directors' Annual Report to Shareholders, auditor's report and the audited consolidated financial statements for the year ended December 31, 2006 will be presented. We will hold a discussion with respect to the financial statements at the Meeting. This Item will not involve a vote of the shareholders.

12

V. OTHER MATTERS

The Board of Directors does not intend to bring any matters before the Meeting other than those specifically set forth in the Notice of the Meeting and knows of no matters to be brought before the Meeting by others. If any other matters properly come before the Meeting, it is the intention of the persons named in the accompanying proxy to vote such proxy in accordance with the judgment of the Board of Directors.
