PROXY STATEMENT

INFORMATION CONCERNING SOLICITATION AND VOTING

GENERAL

The enclosed Proxy is solicited on behalf of the Board of Directors of COHERENT, INC. (the "Company") for use at the Annual Meeting of Stockholders to be held at the Company's principal offices located at 5100 Patrick Henry Drive, Santa Clara, California 95054, on March 23, 2001 at 5:30 p.m., local time, and at any adjournment(s) thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Stockholders. The Company's telephone number at the address above is (408) 764-4000. These proxy solicitation materials were mailed on or about February 22, 2001 to all stockholders entitled to vote at the meeting.

RECORD DATE AND SHARE OWNERSHIP

Stockholders of record at the close of business on February 9, 2001 (the "Record Date") are entitled to notice of and to vote at the meeting and at any adjournment(s) thereof. At the Record Date, 27,379,452 shares of the Company's Common Stock, \$0.01 par value, were issued and outstanding.

REVOCABILITY OF PROXIES

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use (i) by delivering to the Company at its principal offices (Attention: Scott H. Miller, Senior Vice President and General Counsel) a written notice of revocation or a duly executed proxy bearing a later date or (ii) by attending the meeting and voting in person.

VOTING AND SOLICITATION

On all matters, other than the election of directors, each share has one vote. See "Election of Directors--Vote Required."

The cost of this solicitation will be borne by the Company. The Company has retained the services of D.F. King & Co., Inc. (the "Solicitor") to aid in the solicitation of proxies from brokers, bank nominees and other institutional owners. The Company estimates that it will pay the Solicitor a fee not to exceed \$3,500 for its services and will reimburse the Solicitor for certain out-of-pocket expenses estimated to be \$5,000. In addition, the Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial

Edgar Filing: COHERENT INC - Form DEF 14A

owners. Proxies may also be solicited by certain of the Company's directors, officers and regular employees, without additional compensation, personally or by telephone or telegram.

QUORUM; ABSTENTIONS; BROKER NON-VOTES

The Company's Bylaws provide that stockholders holding a majority of the shares of Common Stock issued and outstanding and entitled to vote on the Record Date shall constitute a quorum at meetings of stockholders. Shares that are voted "FOR," "AGAINST" or "WITHHELD" on a matter are treated as being present at the meeting for purposes of establishing a quorum and are also treated as "entitled to vote on the subject matter" (the "Votes Cast") at the Annual Meeting and with respect to such matter.

Although there is no definitive statutory or case law authority in Delaware as to the proper treatment of abstentions, the Company believes that abstentions should be counted for purposes of determining the presence or absence of a quorum for the transaction of business and the total number of Votes Cast with respect to a particular matter (other than the election of directors). Accordingly, with the exception of the proposal for the election of directors, abstentions will have the same effect as a vote against the proposal. Because directors are elected by a plurality vote, abstentions in the election of directors have no impact once a quorum exists.

In a 1988 Delaware case, *BERLIN V. EMERALD PARTNERS*, the Delaware Supreme Court held that, although broker non-votes may be counted for purposes of determining the presence or absence of a quorum for the transaction of business, broker non-votes should not be counted for purposes of determining the number of Votes Cast with respect to the particular proposal on which the broker has expressly not voted. Broker non-votes with respect to proposals set forth in this Proxy Statement will therefore not be considered "Votes Cast" and, accordingly, will not affect the determination as to whether the requisite majority of Votes Cast has been obtained with respect to a particular matter.

DEADLINE FOR RECEIPT OF STOCKHOLDER PROPOSALS

The Company currently intends to hold its 2002 Annual Meeting of Stockholders in March 2002 and to mail proxy statements relating to such meeting in February 2002. Proposals of stockholders of the Company that are intended to be presented by such stockholders at the 2002 Annual Meeting must be received by the Company no later than October 25, 2001 and must otherwise be in compliance with applicable laws and regulations in order to be considered for inclusion in the proxy statement and form of proxy relating to that meeting.

The attached proxy card grants to the proxyholders discretionary authority to vote on any matter raised at the Annual Meeting of Stockholders. If a stockholder intends to submit a proposal at the Company's 2002 Annual Meeting of Stockholders which is not eligible for inclusion in the proxy statement relating to the meeting and the stockholder fails to give the Company notice in accordance with the requirements set forth in the Securities Exchange Act of 1934, as amended ("the Exchange Act"), no later than January 8, 2002, then the proxy holders will be allowed to use their discretionary authority when and if the proposal is raised at the Company's 2002 Annual Meeting of Stockholders.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's officers and directors, and persons who own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the "SEC") and the National Association of Securities Dealers. Such officers, directors and ten-percent stockholders are also required by SEC rules to furnish the Company

Edgar Filing: COHERENT INC - Form DEF 14A

with copies of all forms that they file pursuant to

2

Section 16(a). Based solely on its review of the copies of such forms received by the Company, or on written representations from certain reporting persons that no other reports were required for such persons, the Company believes that, during fiscal 2000, its directors, officers and ten-percent stockholders complied with all applicable Section 16(a) filing requirements.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth as of February 9, 2001 certain information with respect to the beneficial ownership of the Company's Common Stock by (i) any person (including any "group" as that term is used in Section 13(d)(3) of the Securities Exchange Act of 1934, as amended (the "Exchange Act")) known by the Company to be the beneficial owner of more than 5% of the Company's voting securities, (ii) each director and each nominee for director to the Company, (iii) each of the executive officers named in the Summary Compensation Table appearing herein, and (iv) all executive officers and directors of the Company as a group. The Company does not know of any arrangements, including any pledge by any person of securities of the Company, the operation of which may at a subsequent date result in a change of control of the Company.

PROPOSAL ONE ELECTION OF DIRECTORS

NOMINEES

A board of six (6) directors is to be elected at the Annual Meeting of Stockholders. Unless otherwise instructed, the proxy holders will vote the proxies received by them for the Company's nominees named below. Each nominee has consented to be named a nominee in the proxy statement and to continue to serve as a director if elected. If any nominee becomes unable or declines to serve as a director, if additional persons are nominated at the meeting or if stockholders are entitled to cumulate votes, the proxy holders intend to vote all proxies received by them in such a manner (in accordance with cumulative voting) as will assure the election of as many of the nominees listed below as possible (or, if new nominees have been designated by the Board of Directors, in such a manner as to elect such nominees), and the specific nominees to be voted for will be determined by the proxy holders.

The Company is not aware of any reason that any nominee will be unable or will decline to serve as a director. The term of office of each person elected as a director will continue until the next Annual Meeting of Stockholders or until a successor has been elected and qualified. The Audit Committee recommends engagement of the Company's independent public accountants. In addition, the Audit Committee is primarily responsible for approving the services performed by the Company's

The Compensation Committee of the Board of Directors consists of directors Robertson, Gauthier, and Hart, and held three meeting during the last fiscal year. DIRECTOR COMPENSATION

In fiscal year 2000, members of the Board of Directors who were not employees of the Company received \$16,000 plus \$1,500 per meeting attended plus \$750 per committee meeting attended and were reimbursed for their expenses incurred in attending such meetings.

The Company's 1990 Directors' Stock Option Plan (the "Directors' Option Plan") was adopted by the Board of Directors on December 8, 1989 and was approved by the stockholders on March 29, 1990. The Directors' Option Plan was amended by the Board of Directors on January 25, 1996, and the amendment was approved by the stockholders on March 20, 1996. The Directors' Option Plan terminated on December 8, 1999 and no further options will be granted under this plan. The Directors' Option Plan provided for the automatic and non-discretionary grant of a non-statutory stock options to purchase 20,000 shares of the Company's Common Stock to each non-employee director on the later of the effective date of the Directors' Option Plan or the date on which such person became a director. Thereafter, during the term of the Directors' Option Plan, each non-employee director was automatically granted a non-statutory stock option to purchase 5,000 shares of Common Stock on the date of and immediately following each Annual Meeting of Stockholders at which such non-employee director was reelected to serve on the Board of Directors, if, on such date, he or she had served on the Board for at least three months. Such plan provided that the exercise price shall be equal to the fair market value of the Common Stock on the date of grant of the options.

Three non-employee directors each have been granted options to purchase 65,000 shares of the Company's Common Stock under the Directors' Option Plan at a weighted average exercise price of \$11.62 per share. One non-employee director has been granted options to purchase 45,000 shares of the Company's Common Stock

Edgar Filing: COHERENT INC - Form DEF 14A

under such plan at a weighted average exercise price of \$13.73 per share. One non-employee director has been granted options to purchase 30,000 shares of the Company's Common Stock under such plan at a weighted average exercise price of \$21.33 per share. AS of February 9, 2001, options to purchase 295,000 shares of the Company's Common Stock had been granted under the Directors' Option Plan.

7

The Company's 1998 Directors' Stock Option Plan (the "1998 Directors' Plan") was adopted by the Board of Directors on November 24, 1998 and was approved by the stockholders on March 17, 1999. 100,000 shares of Common Stock were reserved for issuance thereunder. Under the terms of the 1998 Directors' Plan, the number of shares reserved for issuance thereunder is increased each year by the number of shares necessary to restore the total number of shares reserved to 100,000 shares. The 1998 Director's Plan replaced the Directors' Option Plan which expired on December 8, 1999. Like its predecessor, the 1998 Directors' Plan provides for the automatic and non-discretionary grant of a non-statutory stock options to purchase 20,000 shares of the Company's Common Stock to each non-employee director on the date on which such person becomes a director. Thereafter, each non-employee director will be automatically granted a non-statutory stock option to purchase 5,000 shares of Common Stock on the date of and immediately following each Annual Meeting of Stockholders at which such non-employee director is reelected to serve on the Board of Directors, if, on such date, he or she has served on the Board for at least three months. Such plan provides that the exercise price shall be equal to the fair market value of the Common Stock on the date of grant of the options.

Five non-employee directors have each been granted options to purchase 5,000 shares of the Company's Common Stock under the 1998 Directors' Plan at a weighted average exercise price of \$75.75. One non-employee director has been granted options to purchase 20,000 shares of the Company's Common Stock under such plan at a weighted average exercise price of \$75.75 per share. As of February 9, 2001, options had been granted to purchase 45,000 shares of the Company's Common Stock under the 1998 Directors' Plan.

The following table shows options granted to each director of the Company during the last fiscal year. All options were granted under the 1998 Directors' Plan, except for the options granted to Mr. Couillaud, which were granted under the Company's 1995 Stock Plan.

Alternatively, a stockholder may distribute his or her votes on the same principle among as many candidates as the stockholder thinks fit, provided that votes cannot be cast for more than six candidates. However, no stockholder shall be entitled to cumulate votes for a candidate unless (i) such candidate's name has been placed in nomination prior to the voting and (ii) the stockholder, or any other stockholder, has given notice at the meeting prior to the voting of the intention to cumulate the stockholder's votes.

If a quorum is present and voting, the six nominees receiving the highest number of votes will be elected to the Board of Directors. See "Information Concerning Solicitation and Voting--Quorum; Abstentions; Broker Non-Votes."

The stockholders are being asked to approve the amendment to the Certificate of Incorporation at the Annual Meeting of Stockholders.

CURRENT USE OF SHARES

As of February 9, 2001 there were 27,379,452 shares of Common Stock outstanding and 7,092,850 shares reserved for issuance under the Company's incentive stock plans, of which options to purchase 3,526,777 shares were outstanding under the 1995 Stock Plan, options to purchase 112,000 shares were outstanding under the 1990 Directors Option Plan, options to purchase 45,000 shares were outstanding under the 1998 Directors Option Plan, 1,489,057 shares were reserved for issuance under the Company's Employee Stock Purchase Plan and 104,953 shares were reserved for issuance under the Company's Productivity Incentive Plan. Based upon the foregoing number of outstanding and reserved shares of Common Stock, the Company has approximately 20,286,602 shares remaining available for other purposes.

PROPOSED AMENDMENTS TO CERTIFICATE OF INCORPORATION

The Board of Directors has adopted resolutions setting forth the proposed amendment to Article 4 of the Company's Certificate of Incorporation (the "Amendment"), the advisability of the Amendment, and a call for submission of the Amendment for approval by the Company's stockholders at the Annual Meeting. The following is the text of Article 4 of the Certificate of Incorporation of the Company, as proposed to be amended:

"This corporation is authorized to issue one class of shares, designated "Common Stock." The total number of shares which this corporation shall have authority to issue is Five Hundred Million (500,000,000) shares of Common Stock with a par value of \$.01 per share."

PURPOSE AND EFFECT OF PROPOSED AMENDMENT

The authorization of a total of 500,000,000 shares of Common Stock would give the Board the express authority, without further action of the Company's stockholders, to issue such shares of Common Stock from time to time as the Board deems necessary or advisable. The amendment would authorize sufficient shares to permit the Company to issue shares pursuant to its shareholder rights plan.

The Company expends substantial funds on research and development and other commercialization activities, including investment in complementary businesses, obtaining the rights to use complementary technologies, marketing activities and administrative support of these activities. The Board believes that having the additional shares authorized and available for issuance will allow the Company to have greater flexibility in considering potential future actions involving the issuance of

stock which may be desirable or necessary to accommodate the Company's business plan, including capital raising transactions.

In addition, the Board believes it is necessary to have the ability to issue such additional shares for general corporate purposes. Such general corporate uses of the additional authorized shares of Common Stock may include acquisition transactions, stock dividends or distributions, and future issuances of stock options or warrants.

In any case, the additional shares of Common Stock would be available for issuance by the Board without future action by the stockholders, unless such action were specifically required by applicable law or rules of any securities market on which the Company's securities may be traded. The Company has no current plans or proposals to issue any portion of the additional shares of Common Stock. Although the proposed increase in the authorized capital stock of the Company could be construed as having potential anti-takeover effects, neither the Board nor management of the Company views this proposal in that perspective. Nevertheless, the Company could use the additional shares to frustrate persons seeking to effect a takeover or otherwise gain control of the Company by, for example, privately placing shares to purchasers who might side with the Board in opposing a hostile takeover bid. The Company is not aware of any such hostile takeover bid at this time. Shares of Common Stock could also be issued to a holder that would thereafter have sufficient voting power to assure that any proposal to amend or repeal the By-Laws of the Company or certain provisions of the Certificate of Incorporation would not receive the requisite vote required. Such uses of the Common Stock could render more difficult or discourage an attempt to acquire control of the Company, if such transactions were opposed by the Board. Further, an issuance of additional shares by the Company could have the effect on the potential realizable value of a stockholder's investment in the Company.

In the absence of a proportionate increase in the Company's earnings and book value, an increase in the aggregate number of outstanding shares of Common Stock would dilute the earnings per share and book value per share of all outstanding shares of the Company's Common Stock. The foregoing factors, if reflected in the price per share of Common Stock, could adversely affect the realizable value of a stockholder's investment in the Company.

VOTE REQUIRED

If a quorum is present, the affirmative vote of a majority of the Votes Cast will be required for approval of the Amendment.

MANAGEMENT RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE
PROPOSAL TO AMEND THE COMPANY'S CERTIFICATE OF INCORPORATION TO
INCREASE THE AUTHORIZED NUMBER OF SHARES OF COMMON STOCK
FROM 50,000,000 SHARES TO 500,000,000 SHARES.

PROPOSAL THREE
AMENDMENT OF THE 1995 STOCK PLAN

The Company's 1995 Stock Plan (the "Stock Plan") was adopted by the Board of Directors in 1995 and approved by the stockholders in 1996. The Stock Plan provides for the grant of incentive stock options to the Company's employees and nonstatutory stock options and stock purchase rights to the Company's employees,

Edgar Filing: COHERENT INC - Form DEF 14A

directors and consultants. On November 10, 2000 the Company's Board of Directors authorized an amendment of the Stock Plan, subject to stockholder approval, to increase the number of shares authorized for issuance under the Stock Plan by 5,000,000 shares, from 5,500,000 shares to 10,500,000. The stockholders are being requested to approve this amendment at the Annual Meeting of Stockholders. As of February 9, 2001, options to purchase an aggregate of 3,526,777 shares of the Company's Common Stock were outstanding under the Stock Plan with a weighted average exercise price of \$28.57 per share, options to purchase an aggregate of 463,288 shares of the Company's Common Stock had been exercised and 1,509,935 shares of Common Stock were available for future grant under the Stock Plan.

The Stock Plan is structured to allow the Board of Directors broad discretion in creating equity incentives in order to assist the Company in attracting, retaining and motivating the best available personnel for the successful conduct of the Company's business. The Company believes that linking employee compensation to corporate performance motivates employees to improve stockholder value. The Company has, therefore, consistently included equity incentives as a significant component of compensation for its employees. This practice has enabled the Company to attract and retain the talent that it continues to require. In order to attract the service of valuable employees as the Company continues to grow, it will be necessary to continue to offer these equity incentives, particularly in the extremely competitive job market in Silicon Valley. In addition, in order to retain the services of the Company's current employees, it will be necessary to grant additional options to these employees as older options become fully vested. With the demand for highly skilled employees at an all time high, especially in the technology industries, management believes it is critical to the Company's success to maintain competitive employee compensation programs. The Board believes that the number of shares reserved under the Stock Plan and the other plans described above will be inadequate to satisfy the other equity needs of the Company, and that the proposed increase in the number of shares of Common Stock reserved under the Stock Plan would be in the best interests of the Company and its stockholders.

REQUIRED VOTE

If a quorum is present, the affirmative vote of a majority of the Votes Cast will be required to approved the amendment to the Stock Plan.

MANAGEMENT RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE AMENDMENT OF THE COMPANY'S 1995 STOCK PLAN

The material features of the Stock Plan are outlined below:

SUMMARY OF THE 1995 STOCK PLAN

GENERAL. The Stock Plan provides for the grant of options and rights to purchase shares of the Company's Common Stock to employees (including officers) and consultants. Options granted under

12

the Stock Plan may either be "incentive stock options" as defined in Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), or nonstatutory stock options, as determined by the Board of Directors or a committee designated by the Board.

PURPOSE. The general purposes of the Stock Plan are to attract and retain the best available personnel for positions of substantial responsibility, to provide additional incentive to the employees and consultants of the Company and to promote the success of the Company's business.

Edgar Filing: COHERENT INC - Form DEF 14A

ADMINISTRATION. The Stock Plan is administered by the Board of Directors ("Board") or a committee designated by the Board ("Committee"), as may be necessary to comply with the rules governing plans intended to qualify as discretionary grant plans under Rule 16b-3.

ELIGIBILITY. The Stock Plan provides that nonstatutory stock options and stock purchase rights may be granted to employees (including officers) and consultants of the Company and its majority-owned subsidiaries. Incentive stock options may be granted only to employees. The Board or the Committee shall determine which eligible persons shall be granted options.

GRANT LIMITATION. The Stock Plan provides that no employee shall be granted, in any fiscal year of the Company, options and stock purchase rights to purchase more than 500,000 shares of Common Stock. An employee may also be granted options and stock purchase rights in connection with his or her initial employment to purchase up to 500,000 shares, an amount that is not to be counted against the annual limit of the preceding sentence.

EXERCISE PRICE. The exercise price of options and stock purchase rights granted under the Stock Plan is determined by the Board or the Committee and must not be less than 100% of the fair market value of the Company's Common Stock at the time of grant. Incentive stock options granted to stockholders owning more than 10% of the voting stock of the Company, if any, are subject to the additional restriction 12 that the exercise price per share of each option must be at least 110% of the fair market value at the time of grant.

EXERCISE OF OPTIONS AND RIGHTS. Options become exercisable at such times as are determined by the Board or the Committee and are set forth in the individual option agreements. Generally, options granted to newly hired employees vest as to 25% per year over a four (4) year period. Subsequent options, which are granted to existing employees, generally vest as to 100% of the shares on the third or fourth anniversary date of the date of grant, such that the vesting of any previously granted option has been completed. An option is exercised by giving written notice to the Company specifying the number of full shares of Common Stock to be purchased and tendering payment of the purchase price. The method of payment of the exercise price for the shares purchased upon exercise of an option shall be determined by the Board or the Committee.

TERMINATION. The Stock Plan gives the Board or the Committee the authority to vary the terms of the individual option agreements. However, generally, if the optionee ceases to be an employee or consultant for any reason other than death or disability, then the optionee shall have the right to exercise an existing unexercised option within thirty (30) days after the date of termination, but only to the extent that the optionee was entitled to exercise such option at the date of such termination. If such termination is due to death or disability within the meaning of Section 422(c) of the Code, the optionee (or the optionee's legal representative) shall have the right to exercise an existing unexercised option at any time within twelve (12) months of the termination date, but only to the extent that the

13

optionee was entitled to exercise such option at the date of such termination. In no event shall an option be exercisable beyond the option term.

TERMINATION OF OPTIONS. Options granted under the Stock Plan expire as determined by the Board or Committee, but in no event later than ten (10) years from date of grant. No option may be exercised by any person after its expiration.

NONTRANSFERABILITY OF OPTIONS. An option is non-transferable by the optionee other than by will or laws of descent and distribution, and is

Edgar Filing: COHERENT INC - Form DEF 14A

exercisable during an optionee's lifetime only by the optionee.

STOCK PURCHASE RIGHTS. The Stock Plan permits the Company to grant rights to purchase Common Stock either alone or in tandem with other awards granted under the Stock Plan and/or cash awards made outside the Stock Plan. The Board or the Committee determines who may be granted a stock purchase right, the number of shares to be offered, the price to be paid and the time within which the offeree must accept such offer which may not exceed six (6) months. The offer of a stock purchase right is accepted by the execution of a restricted stock purchase agreement between the Company and the offeree and the payment of the purchase price of the shares. Unless the Board or Committee determines otherwise, the restricted stock purchase agreement will give the Company a repurchase option exercisable upon the voluntary or involuntary termination of the purchaser's employment or consulting relationship with the Company for any reason (including death and disability). The purchase price for any shares repurchased by the Company shall be the original price paid by the purchaser and may be paid by cancellation of indebtedness of the purchaser to the Company. The repurchase option shall lapse at a rate fixed by the Board or Committee. A stock purchase right is nontransferable by the offeree, other than by will or the laws of descent and distribution.

ADJUSTMENTS UPON CHANGE IN CAPITALIZATION. The number of shares covered by each outstanding option or stock purchase right, and the exercise price thereof, shall be proportionately adjusted for any increase or decrease in the number of issued shares resulting from a change in the Company's capitalization, such as a stock split, reverse stock split, stock dividend, recapitalization or other change in the capital structure of the Company.

TRANSFER OF CONTROL. In the event that the Company is a participant in any merger, consolidation, acquisition of assets or like occurrence involving the Company, each outstanding option or stock purchase right shall be assumed or an equivalent option or right substituted by a successor corporation. If such options and stock purchase rights are not assumed, they become fully exercisable prior to the closing of such merger or consolidation. Any option or stock purchase right which is neither assumed nor exercised as of the date of such merger or consolidation will terminate upon the effectiveness thereof.

AMENDMENT OR TERMINATION OF THE STOCK PLAN. The Board may amend, alter, suspend or terminate the Stock Plan or any part thereof from time to time, with respect to any shares at such time not subject to options or stock purchase rights; provided, however, that without the approval of a majority of the Company's stockholders, no amendment may (a) increase the number of shares reserved for issuance under the Stock Plan, (b) change the designation of the class of persons eligible to receive options and stock purchase rights or (c) amend the provisions to defeat the stated purpose. In any event, the Plan shall terminate ten (10) years from its approval by the stockholders of the Company.

14

FEDERAL INCOME TAX INFORMATION

INCENTIVE STOCK OPTIONS. An optionee who is granted an incentive stock option does not generally recognize taxable income at the time the option is granted or upon its exercise, although the exercise may subject the optionee to the alternative minimum tax. Upon a disposition of the shares more than two years after grant of the option and one year after exercise of the option, any gain or loss is treated as long-term capital gain or loss. If these holding periods are not satisfied, the optionee recognizes ordinary income at the time of disposition equal to the difference between the exercise price and the lower of (i) the fair market value of the shares at the date of the option exercise or (ii) the sale price of the shares. Any gain or loss recognized on such a

Edgar Filing: COHERENT INC - Form DEF 14A

premature disposition of the shares in excess of the amount treated as ordinary income is treated as long-term or short-term capital gain or loss, depending on the holding period. A different rule for measuring ordinary income upon such a premature disposition may apply if the optionee is an officer, director, or 10% stockholder of the Company. The Company is entitled to a deduction in the same amount as the ordinary income recognized by the optionee.

NONSTATUTORY STOCK OPTIONS. An optionee does not recognize any taxable income at the time he or she is granted a nonstatutory stock option. Upon exercise, the optionee recognizes taxable income generally by the excess of the then fair market value of the shares over the exercise price. Any taxable income recognized in connection with an option exercise by an employee of the Company is subject to tax withholding by the Company. The Company is entitled to a deduction in the same amount as the ordinary income recognized by the optionee. Upon a disposition of such shares by the optionee, any difference between the sale price and the optionee's exercise price, to the extent not recognized as taxable income as provided above, is treated as long-term or short-term capital gain or loss, depending on the holding period.

STOCK RIGHTS. Restricted stock is generally acquired pursuant to Stock Rights. At the time of acquisition, restricted stock is subject to a "substantial risk of forfeiture" within the meaning of Section 83 of the Code. As a result, the recipient will not generally recognize ordinary income at the time of acquisition. Instead, the recipient will recognize ordinary income on the dates when the stock ceases to be subject to a substantial risk of forfeiture. The stock will generally cease to be subject to a substantial risk of forfeiture when it is no longer subject to the Company's right to reacquire the stock upon the recipient's termination of employment with the Company. At such times, the recipient will recognize ordinary income measured as the difference between the purchase price (if any) and the fair market value of the stock on the date the stock is no longer subject to a substantial risk of forfeiture. The purchaser may accelerate to the date of acquisition his or her recognition of ordinary income, if any, and the beginning of any capital gain holding period, by timely filing an election pursuant to Section 83(b) of the Code. In such event, the ordinary income recognized, if any, is measured as the difference between the purchase price and the fair market value of the stock on the date of purchase and the capital gain holding period commences on such date. The ordinary income recognized by a purchaser who is an employee will be subject to tax withholding by the Company. Different rules may apply if the purchaser is also an officer, director, or 10% stockholder of the Company.

RESTRICTED STOCK. A purchaser of restricted stock recognizes ordinary income equal to the difference between the purchase price, if any, and the fair market value of the shares (the "spread") as any right of the Company to repurchase the shares at the original purchase price lapses (that is, as the

15

stock "vests"). Under current federal tax law, the purchaser may elect to include the spread in ordinary income at the time of grant. Any subsequent gain or loss upon resale of the shares by the purchaser is treated as long or short-term capital gain or loss, depending on how long the shares are held. The Company is entitled to a federal tax deduction in the same amount and at the same time as the purchaser realizes ordinary income.

THE FOREGOING IS ONLY A SUMMARY OF THE EFFECT OF FEDERAL INCOME TAXATION UPON THE EMPLOYEE OR CONSULTANT AND THE COMPANY WITH RESPECT TO AWARDS UNDER THE STOCK PLAN AND DOES NOT PURPORT TO BE COMPLETE, AND REFERENCE SHOULD BE MADE TO THE APPLICABLE PROVISIONS OF THE INTERNAL REVENUE CODE. IN ADDITION, THIS SUMMARY DOES NOT DISCUSS THE TAX CONSEQUENCES OF AN OPTIONEE'S OR PURCHASER'S DEATH OR THE PROVISIONS OF THE INCOME TAX LAWS OF ANY MUNICIPALITY, STATE OR FOREIGN COUNTRY IN WHICH THE EMPLOYEE OR CONSULTANT MAY RESIDE.

PARTICIPATION IN THE STOCK PLAN

The grant of options under the Stock Plan to directors and executive officers, including the officers named in the Summary Compensation Table below, is subject to the discretion of the Administrator. As of the date of this proxy statement, there has been no determination by the Administrator with respect to future awards under the Stock Plan. Accordingly, future awards are not determinable. In fiscal 2000, options to purchase 967,850 shares of Common Stock were granted to all employees (excluding executive officers) and options to purchase 324,000 shares of Common Stock were granted to executive officers. See "Executive Compensation--Stock Option Grants and Exercises" for the number of stock options granted to each of the executive officers named in the Summary Compensation Table during the last fiscal year and "Election of Directors--Director Compensation" for the number of stock options granted to each of the directors during the last fiscal year.

PROPOSAL FOUR RATIFICATION OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

The Board of Directors has selected Deloitte & Touche LLP, independent public accountants, to audit the financial statements of the Company for the fiscal year ending September 29, 2001, and recommends that stockholders vote for ratification of such appointment. In the event of a negative vote or ratification, the Board of Directors will reconsider its selection. Deloitte & Touche LLP has audited the Company's financial statements since the fiscal year ended September 25, 1976. Representatives of Deloitte & Touche LLP are expected to be present at the meeting and will be afforded the opportunity to make a statement if they desire to do so. The representatives of Deloitte & Touche LLP are also expected to be available to respond to appropriate questions.

AUDIT FEES

The aggregate fees billed by Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu, and their respective affiliates (collectively, "Deloitte") for professional services rendered for the audit of the Company's annual financial statements for the fiscal year ended September 30, 2000 and for the reviews of the financial statements included in the Company's Quarterly Reports on Form 10-Q for that fiscal year were \$788,000.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

The Company did not engage Deloitte for professional services relating to financial information systems design and implementation for the fiscal year ended September 30, 2000.

ALL OTHER FEES

The aggregate fees billed by Deloitte for services rendered to the Company, other than the services described above under "Audit Fees" for the fiscal year ended September 30, 2000 were \$1,490,000.

The Audit Committee has considered whether the provision of non-audit

Edgar Filing: COHERENT INC - Form DEF 14A

services is compatible with maintaining the principal accountant's independence.

Stockholder ratification of the selection of Deloitte & Touche LLP as the Company's independent public accountants is not required by the Company's By-Laws or other applicable legal requirement. However, the Board is submitting the selection of Deloitte & Touche LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee and the Board will reconsider whether or not to retain that firm. Even if the selection is ratified, the Board at its discretion may direct the appointment of a different independent accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

VOTE REQUIRED

The affirmative vote of a majority of the Votes Cast will be required to ratify the selection of Deloitte & Touche LLP as the Company's independent public accountants for the fiscal year ending September 29, 2001.

(1) The Company's 1987 Stock Option Plan and 1995 Stock Plan (collectively the "Option Plans") provide for the grant of options and stock purchase rights to officers, employees and consultants of the Company. Options granted under the Option Plans may be either "nonstatutory options" or "incentive stock options." The exercise price is determined by the Board of Directors or its Compensation Committee and, in the case of incentive stock options, may not be less than 100% of the fair market value of the Common Stock on the date of grant (110% in the case of grants to 10% shareholders). The options expire not more than six years from the date of grant and may be exercised only while the optionee is employed by the Company or within such period of time after termination of employment as is determined by the Board or its Compensation Committee at the time of grant. The Board of Directors may determine when options granted may be exercisable.

(2) The first entry for each individual sets forth the number of options awarded that are intended to qualify as "incentive stock options" within the meaning of Section 422 of the Internal Revenue Code of 1986. The second entry for each individual sets forth the number of options that are nonstatutory stock options.

(3) The Company granted options to purchase an aggregate of 967,850 shares to

Edgar Filing: COHERENT INC - Form DEF 14A

all employees other than executive officers and granted options to purchase an aggregate of 324,000 shares to all executive officers as a group (8 persons), during fiscal 2000.

- (4) This column sets forth hypothetical gains or "option spreads" for the options at the end of their respective six-year terms, as calculated in accordance with the rules of the Securities and Exchange Commission. Each gain is based on an arbitrarily assumed annualized rate of compound appreciation of the market price at the date of grant of 5% and 10% from the date the option was granted to the end of the option term. The 5% and 10% rates of appreciation are specified by the rules of the Securities and Exchange Commission and do not represent the Company's estimate or projection of future Common Stock prices. The Company does not necessarily agree that this method properly values an option. Actual gains, if any, on option exercises are dependent on the future performance of the Company's Common Stock and overall market conditions.

The following table shows, as to the individuals named in the Summary Compensation Table above, information concerning stock options exercised during the fiscal year ended September 30, 2000 and the value of unexercised options at such date.

(1) The value realized is calculated based on the closing price of the Company's Common Stock as reported by the Nasdaq National Market on the date of exercise minus the exercise price of the option, and does not necessarily indicate that the optionee sold such stock.

(2) The Company has not granted any stock appreciation rights and its stock plans do not provide for the granting of such rights.

(3) The market value of underlying securities is based on the difference between the closing price of the Company's Common Stock on September 30, 2000 of \$68.00 (as reported by Nasdaq National Market) and the exercise price.

OTHER EMPLOYEE BENEFIT PLANS

EMPLOYEE RETIREMENT AND INVESTMENT PLAN AND SUPPLEMENTARY RETIREMENT PLAN

Edgar Filing: COHERENT INC - Form DEF 14A

Effective January 1, 1979, the Company adopted the Coherent Employee Retirement and Investment Plan. Employees become eligible to participate after completing one year of service. Under this plan, the Company will match employee contributions to the plan up to a maximum of 6% of the employee's individual earnings. An employee is not entitled to any part of the Company's contribution until the completion of his or her third year of employment. After the end of the third year of employment, 20% of the Company's contribution vests. Thereafter, an additional 20% of the Company's contribution vests at the end of each year of completed service until the end of the seventh year of employment when such contributions become 100% vested. Effective as of 1985, the plan was amended and restated to conform the plan to new regulations and to qualify under Section 401(k) of the Internal Revenue Code of 1986, as amended to permit employees to make contributions to the plan from their pre-tax earnings. Effective January 1, 1990, the Company adopted the Supplementary Retirement Plan which provides that certain senior management employees may contribute income to a trust fund. The Company will match such contributions up to 6% of the participant's income. Such contributions are subject to the same vesting requirements as contributions made under the Employment Retirement and Investment Plan.

22

VARIABLE COMPENSATION PLAN

The Company's Variable Compensation Plan provides for the payment of quarterly cash bonuses to members of management designated by the Board of Directors determined by a formula based on improvements of pre-tax profits, cash flow and asset management over preset threshold levels for each operating group or business unit. Those employees who participate in the Plan who are not assigned to an operating group or business unit receive an average of such amounts.

PRODUCTIVITY INCENTIVE PLAN

Under the Company's Productivity Incentive Plan (the "Incentive Plan"), 2,025,000 shares of Common Stock were initially reserved, and as of the fiscal year ended September 30, 2000, 108,425 shares of Common Stock were available for issuance to employees of the Company and its designated subsidiaries who are customarily employed for at least twenty hours per week. The purpose of the Incentive Plan is to enhance an employee's proprietary interest in the Company and to create an incentive for the Company's success.

The Incentive Plan provides for the quarterly distribution of cash or Common Stock, at the election of each participant, based upon the quarterly profitability of the Company. The amount of cash or number of shares of Common Stock distributed to each participant is determined by dividing a participant's "incentive compensation" by the fair market value of the Company's Common Stock at the end of each three-month period.

EMPLOYEE STOCK PURCHASE PLAN

The Company's Employee Stock Purchase Plan (the "Purchase Plan") was adopted by the Board of Directors and approved by the stockholders in 1980. A total of 6,325,000 shares of Common Stock have been reserved under the Purchase Plan, and as of the end of fiscal year 2000, 1,682,754 shares of Common Stock remained available for issuance thereunder. The Purchase Plan permits employees who are employed for at least twenty hours per week and more than five months in a calendar year to purchase Common Stock of the Company, through payroll deductions at the lower of 85% of the fair market value of the Common Stock at the beginning or at the end of each twelve-month period. Payroll deductions may not exceed 10% of an employee's compensation. The Purchase Plan provides for two

Edgar Filing: COHERENT INC - Form DEF 14A

offerings during each fiscal year, each having a duration of twelve months.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

NOTWITHSTANDING ANYTHING TO THE CONTRARY SET FORTH IN ANY OF THE COMPANY'S PREVIOUS FILINGS UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES ACT OF 1934, AS AMENDED, THAT MIGHT INCORPORATE FUTURE FILINGS, INCLUDING THIS PROXY STATEMENT, IN WHOLE OR IN PART, THE FOLLOWING REPORT AND THE PERFORMANCE GRAPH INCLUDED HEREIN SHALL NOT BE INCORPORATED BY REFERENCE INTO ANY SUCH FILINGS.

INTRODUCTION

The Compensation Committee of the Board of Directors establishes the general compensation policies of the Company, and establishes the compensation plans and specific compensation levels for executive officers. The Committee strives to ensure that the Company's executive compensation programs will enable the Company to attract and retain key people and motivate them to achieve or exceed certain key objectives of the Company by making individual compensation directly dependent on the Company's achievement of certain financial goals, such as profitability and asset management and by providing rewards for exceeding those goals.

COMPENSATION PROGRAMS

BASE SALARY. The Committee establishes base salaries for executive officers, normally within ten percent of the average paid for comparable positions at other similarly sized companies as set forth in national and local compensation surveys. Base pay increases vary according to individual contributions to the Company's success and comparisons to similar positions within the Company and at other comparable companies.

VARIABLE COMPENSATION PLAN. Each executive officer participates in the Variable Compensation Plan which provides for the payment of a quarterly amount determined by a formula based on improvements of pre-tax profits and asset management over preset threshold levels for each operating group or business unit.

STOCK OPTIONS. The Committee believes that stock options provide additional incentive to officers to work towards maximizing stockholder value. These options are provided through initial grants at or near the date of hire and through subsequent periodic grants. Options granted by the Company to its executive officers and other employees have exercise prices equal to the fair market value at the time of grant. Options vest and become exercisable at such time as determined by the Board. The initial option grant is designed to be competitive with those of comparable companies for the level of the job that the executive holds and is designed to motivate the officer to make the kind of decisions and implement strategies and programs that will contribute to an increase in the Company's stock price over time. Periodic additional stock options within the comparable range for the job are granted to reflect the executives ongoing contributions to the Company, to create an incentive to remain at the Company and to provide a long-term incentive to achieve or exceed the Company's financial goals.

OTHER. In addition to the foregoing, officers participate in compensation plans available to all employees, such as a quarterly profit sharing plan and participation in both the Company's 401(k) retirement plan and employee stock purchase plan. See "Executive Compensation--Other Employee Benefit Plans."

COMPENSATION OF CHIEF EXECUTIVE OFFICER

The factors considered by the Compensation Committee in determining the compensation of the Chief Executive Officer, in addition to survey data, include the Company's operating and financial performance, as well as his leadership and establishment and implementation of strategic direction for the Company.

The Compensation Committee considers stock options to be an important component of the Chief Executive Officer's compensation as a way to reward performance and motivate leadership for long term growth and profitability. In 2000, Mr. Couillaud was granted options to purchase 110,000 shares with an exercise price equal to the fair market value at date of grant (\$49.875 per share). 72,000 options subject to this grant become exercisable at the end of three years and 38,000 options subject to this grant become exercisable at the end of four years. The Committee believes that the quantity of shares granted to Mr. Couillaud is consistent with its philosophy of granting options to many management personnel rather than concentrating grants on a few senior executives.

COMPENSATION LIMITATIONS

Under Section 162(m) of the Internal Revenue Code, adopted in August 1993, and regulations adopted thereunder by the Internal Revenue Service, publicly-held companies may be precluded from deducting certain compensation paid to an executive officer in excess of \$1.0 million in a year. The regulations exclude from this limit performance-based compensation and stock options provided certain requirements, such as stockholder approval, are satisfied. The Company plans to take actions, as necessary, to insure that its stock option plans and executive annual cash bonus plans qualify for exclusion.

Edgar Filing: COHERENT INC - Form DEF 14A

(aa) "RESTRICTED STOCK PURCHASE AGREEMENT" means a written agreement between the Company and the Optionee evidencing the terms and restrictions applying to stock purchased under a Stock Purchase Right. The Restricted Stock Purchase Agreement is subject to the terms and conditions of the Plan and the Notice of Grant.

- 3 -

(bb) "RULE 16B-3" means Rule 16b-3 of the Exchange Act or any successor to Rule 16b-3, as in effect when discretion is being exercised with respect to the Plan.

(cc) "SECTION 16(B)" means Section 16(b) of the Securities Exchange Act of 1934, as amended.

(dd) "SHARE" means a share of the Common Stock, as adjusted in accordance with Section 13 of the Plan.

(ee) "STOCK PURCHASE RIGHT" means the right to purchase Common Stock pursuant to Section 11 of the Plan, as evidenced by a Notice of Grant.

(ff) "SUBSIDIARY" means a "subsidiary corporation", whether now or hereafter existing, as defined in Section 424(f) of the Code.

3. STOCK SUBJECT TO THE PLAN. Subject to the provisions of Section 13 of the Plan, the maximum aggregate number of Shares which may be optioned and sold under the Plan is ten million five hundred thousand (10,500,000) Shares. The Shares may be authorized, but unissued, or reacquired Common Stock.

If an Option or Stock Purchase Right expires or becomes unexercisable without having been exercised in full, or is surrendered pursuant to an Option Exchange Program, the unpurchased Shares which were subject thereto shall become available for future grant or sale under the Plan (unless the Plan has terminated); PROVIDED, however, that Shares that have actually been issued under the Plan, whether upon exercise of an Option or Right, shall not be returned to the Plan and shall not become available for future distribution under the Plan, except that if Shares of Restricted Stock are repurchased by the Company at their original purchase price, and the original purchaser of such Shares did not receive any benefits of ownership of such Shares, such Shares shall become available for future grant under the Plan. For purposes of the preceding sentence, voting rights shall not be considered a benefit of Share ownership.

4. ADMINISTRATION OF THE PLAN.

(a) PROCEDURE.

(i) MULTIPLE ADMINISTRATIVE BODIES. If permitted by Rule 16b-3, the Plan may be administered by different bodies with respect to Directors, Officers who are not Directors, and Employees who are neither Directors nor Officers.

(ii) ADMINISTRATION WITH RESPECT TO DIRECTORS AND OFFICERS SUBJECT TO SECTION 16(B). With respect to Option or Stock Purchase Right grants made to Employees who are also Officers or Directors subject to Section 16(b) of the Exchange Act, the Plan shall be administered by (A) the Board, if the Board may administer the Plan in a manner complying with the rules under Rule

16b-3 relating to the disinterested administration of employee benefit plans under which Section 16(b) exempt discretionary grants and awards of equity securities are to be made, or (B) a committee designated by the Board to administer the Plan, which committee shall be constituted to comply with the rules under Rule 16b-3 relating to the disinterested administration of employee benefit plans under which Section 16(b) exempt discretionary grants and awards of equity securities are to be made. Once appointed, such Committee shall continue to serve in its designated capacity until otherwise directed by the Board. From time to time the Board may increase the size of the Committee and appoint additional members, remove members (with or without cause) and substitute new members, fill vacancies (however caused), and remove all members of the Committee and thereafter directly administer the Plan, all to the extent permitted by the rules under Rule 16b-3 relating to the disinterested administration of employee benefit plans under which Section 16(b) exempt discretionary grants and awards of equity securities are to be made.

(iii) ADMINISTRATION WITH RESPECT TO OTHER PERSONS. With respect to Option or Stock Purchase Right grants made to Employees or Consultants who are neither Directors nor Officers of the Company, the Plan shall be administered by (A) the Board or (B) a committee designated by the Board, which committee shall be constituted to satisfy Applicable Laws. Once appointed, such Committee shall serve in its designated capacity until otherwise directed by the Board. The Board may increase the size of the Committee and appoint additional members, remove members (with or without cause) and substitute new members, fill vacancies (however caused), and remove all members of the Committee and thereafter directly administer the Plan, all to the extent permitted by Applicable Laws.

(b) POWERS OF THE ADMINISTRATOR. Subject to the provisions of the Plan, and in the case of a Committee, subject to the specific duties delegated by the Board to such Committee, the Administrator shall have the authority, in its discretion:

(i) to determine the Fair Market Value of the Common Stock, in accordance with Section 2(n) of the Plan;

(ii) to select the Consultants and Employees to whom Options and Stock Purchase Rights may be granted hereunder;

(iii) to determine whether and to what extent Options and Stock Purchase Rights or any combination thereof, are granted hereunder;

(iv) to determine the number of shares of Common Stock to be covered by each Option and Stock Purchase Right granted hereunder;

(v) to approve forms of agreement for use under the Plan;

(vi) to determine the terms and conditions, not inconsistent with the terms of the Plan, of any award granted hereunder. Such terms and conditions include, but are not limited to, the

exercise price, the time or times when Options or Stock Purchase Rights may be exercised (which may be based on performance criteria), any vesting acceleration

Edgar Filing: COHERENT INC - Form DEF 14A

or waiver of forfeiture restrictions, and any restriction or limitation regarding any Option or Stock Purchase Right or the shares of Common Stock relating thereto, based in each case on such factors as the Administrator, in its sole discretion, shall determine;

(vii) to reduce the exercise price of any Option or Stock Purchase Right to the then current Fair Market Value if the Fair Market Value of the Common Stock covered by such Option or Stock Purchase Right shall have declined since the date the Option or Stock Purchase Right was granted;

(viii) to construe and interpret the terms of the Plan and awards granted pursuant to the Plan;

(ix) to prescribe, amend and rescind rules and regulations relating to the Plan, including rules and regulations relating to sub-plans established for the purpose of qualifying for preferred tax treatment under foreign tax laws;

(x) to modify or amend each Option or Stock Purchase Right (subject to Section 15(c) of the Plan), including the discretionary authority to extend the post-termination exercisability period of Options longer than is otherwise provided for in the Plan;

(xi) to authorize any person to execute on behalf of the Company any instrument required to effect the grant of an Option or Stock Purchase Right previously granted by the Administrator;

(xii) to institute an Option Exchange Program;

(xiii) to determine the terms and restrictions applicable to Options and Stock Purchase Rights and any Restricted Stock; and

(xiv) to make all other determinations deemed necessary or advisable for administering the Plan.

(c) EFFECT OF ADMINISTRATOR'S DECISION. The Administrator's decisions, determinations and interpretations shall be final and binding on all Optionees and any other holders of Options or Stock Purchase Rights.

5. ELIGIBILITY. Nonstatutory Stock Options and Stock Purchase Rights may be granted to Employees and Consultants. Incentive Stock Options may be granted only to Employees. If otherwise eligible, an Employee or Consultant who has been granted an Option or Stock Purchase Right may be granted additional Options or Stock Purchase Rights.

- 6 -

6. LIMITATIONS.

(a) Each Option shall be designated in the written option agreement as either an Incentive Stock Option or a Nonstatutory Stock Option. However, notwithstanding such designation, to the extent that the aggregate Fair Market Value of the Shares with respect to which Incentive Stock Options are exercisable for the first time by the Optionee during any calendar year (under all plans of the Company and any Parent or Subsidiary) exceeds \$100,000, such Options shall be treated as Nonstatutory Stock Options. For purposes of this Section 6(a), Incentive Stock Options shall be taken into account in the order in which they were granted. The Fair Market Value of the Shares shall be determined as of the time the Option with respect to such Shares is granted.

Edgar Filing: COHERENT INC - Form DEF 14A

(b) Neither the Plan nor any Option or Stock Purchase Right shall confer upon an Optionee any right with respect to continuing the Optionee's employment or consulting relationship with the Company, nor shall they interfere in any way with the Optionee's right or the Company's right to terminate such employment or consulting relationship at any time, with or without cause.

(c) The following limitations shall apply to grants of Options and Stock Purchase Rights to Employees:

(i) No Employee shall be granted, in any fiscal year of the Company, Options and Stock Purchase Rights to purchase more than 250,000 Shares.

(ii) In connection with his or her initial employment, an Employee may be granted Options and Stock Purchase Rights to purchase up to an additional 250,000 Shares which shall not count against the limit set forth in subsection (i) above.

(iii) The foregoing limitations shall be adjusted proportionately in connection with any change in the Company's capitalization as described in Section 13.

(iv) If an Option or Stock Purchase Right is cancelled in the same fiscal year of the Company in which it was granted (other than in connection with a transaction described in Section 13), the cancelled Option or Stock Purchase Right will be counted against the limits set forth in subsections (i) and (ii) above. For this purpose, if the exercise price of an Option or Stock Purchase Right is reduced, the transaction will be treated as a cancellation of the Option or Stock Purchase Right and the grant of a new Option or Stock Purchase Right.

7. TERM OF PLAN. Subject to Section 19 of the Plan, the Plan shall become effective upon the earlier to occur of its adoption by the Board or its approval by the shareholders of the Company as described in Section 19 of the Plan. It shall continue in effect for a term of ten (10) years unless terminated earlier under Section 15 of the Plan.

8. TERM OF OPTION. The term of each Option shall be stated in the Notice of Grant; provided, however, that in the case of an Incentive Stock Option, the term shall be ten (10) years

- 7 -

from the date of grant or such shorter term as may be provided in the Notice of Grant. Moreover, in the case of an Incentive Stock Option granted to an Optionee who, at the time the Incentive Stock Option is granted, owns stock representing more than ten percent (10%) of the voting power of all classes of stock of the Company or any Parent or Subsidiary, the term of the Incentive Stock Option shall be five (5) years from the date of grant or such shorter term as may be provided in the Notice of Grant.

9. OPTION EXERCISE PRICE AND CONSIDERATION.

(a) EXERCISE PRICE. The per share exercise price for the Shares to be issued pursuant to exercise of an Option shall be determined by the Administrator, subject to the following:

(i) An incentive stock Option granted to an Employee who, at the time such Option is granted, owns stock representing more than ten

Edgar Filing: COHERENT INC - Form DEF 14A

percent (10%) of the voting power of all classes of stock of the Company or any Parent or Subsidiary, the per Share exercise price shall be no less than 110% of the Fair Market Value per Share on the date of grant.

(ii) An option granted to any Employee other than an Employee described in paragraph (i) immediately above, the per Share exercise price shall be no less than 100% of the Fair Market Value per Share on the date of grant.

(b) WAITING PERIOD AND EXERCISE DATES. At the time an Option is granted, the Administrator shall fix the period within which the Option may be exercised and shall determine any conditions which must be satisfied before the Option may be exercised. In so doing, the Administrator may specify that an Option may not be exercised until the completion of a service period.

(c) FORM OF CONSIDERATION. The Administrator shall determine the acceptable form of consideration for exercising an Option, including the method of payment. In the case of an Incentive Stock Option, the Administrator shall determine the acceptable form of consideration at the time of grant. Such consideration may consist entirely of:

- (i) cash;
- (ii) check;
- (iii) promissory note;

- 8 -

(iv) other Shares which (A) in the case of Shares acquired upon exercise of an option, have been owned by the Optionee for more than six months on the date of surrender, and (B) have a Fair Market Value on the date of surrender equal to the aggregate exercise price of the Shares as to which said Option shall be exercised;

(v) delivery of a properly executed exercise notice together with such other documentation as the Administrator and the broker, if applicable, shall require to effect an exercise of the Option and delivery to the Company of the sale or loan proceeds required to pay the exercise price;

(vi) a reduction in the amount of any Company liability to the Optionee, including any liability attributable to the Optionee's participation in any Company-sponsored deferred compensation program or arrangement;

(vii) any combination of the foregoing methods of payment; or

(viii) such other consideration and method of payment for the issuance of Shares to the extent permitted by Applicable Laws.

10. EXERCISE OF OPTION.

(a) PROCEDURE FOR EXERCISE; RIGHTS AS A SHAREHOLDER. Any Option granted hereunder shall be exercisable according to the terms of the Plan and at such times and under such conditions as determined by the Administrator and set forth in the Option Agreement.

An Option may not be exercised for a fraction of a Share.

Edgar Filing: COHERENT INC - Form DEF 14A

An Option shall be deemed exercised when the Company receives: (i) written notice of exercise (in accordance with the Option Agreement) from the person entitled to exercise the Option, and (ii) full payment for the Shares with respect to which the Option is exercised. Full payment may consist of any consideration and method of payment authorized by the Administrator and permitted by the Option Agreement and the Plan. Shares issued upon exercise of an Option shall be issued in the name of the Optionee or, if requested by the Optionee, in the name of the Optionee and his or her spouse. Until the stock certificate evidencing such Shares is issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a shareholder shall exist with respect to the Optioned Stock, notwithstanding the exercise of the Option. The Company shall issue (or cause to be issued) such stock certificate promptly after the Option is exercised. No adjustment will be made for a dividend or other right for which the record date is prior to the date the stock certificate is issued, except as provided in Section 13 of the Plan.

- 9 -

Exercising an Option in any manner shall decrease the number of Shares thereafter available, both for purposes of the Plan and for sale under the Option, by the number of Shares as to which the Option is exercised.

(b) TERMINATION OF EMPLOYMENT OR CONSULTING RELATIONSHIP. Upon termination of an Optionee's Continuous Status as an Employee or Consultant, other than upon the Optionee's death or Disability, the Optionee may exercise his or her Option, but only within such period of time as is specified in the Notice of Grant, and only to the extent that the Optionee was entitled to exercise it at the date of termination (but in no event later than the expiration of the term of such Option as set forth in the Notice of Grant). In the absence of a specified time in the Notice of Grant, the Option shall remain exercisable for three (3) months following the Optionee's termination. In the case of an Incentive Stock Option, such period of time for exercise shall not exceed three (3) months from the date of termination. If, on the date of termination, the Optionee is not entitled to exercise the Optionee's entire Option, the Shares covered by the unexercisable portion of the Option shall revert to the Plan. If, after termination, the Optionee does not exercise his or her Option within the time specified by the Administrator, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

Notwithstanding the above, in the event of an Optionee's change in status from Consultant to Employee or Employee to Consultant, an Optionee's Continuous Status as an Employee or Consultant shall not automatically terminate solely as a result of such change in status. However, in such event, an Incentive Stock Option held by the Optionee shall cease to be treated as an Incentive Stock Option and shall be treated for tax purposes as a Nonstatutory Stock Option three months and one day following such change of status.

(c) DISABILITY OF OPTIONEE. In the event that an Optionee's Continuous Status as an Employee or Consultant terminates as a result of the Optionee's Disability, the Optionee may exercise his or her Option at any time within twelve (12) months from the date of such termination, but only to the extent that the Optionee was entitled to exercise it at the date of such termination (but in no event later than the expiration of the term of such Option as set forth in the Notice of Grant). If, at the date of termination, the Optionee is not entitled to exercise his or her entire Option, the Shares covered by the unexercisable portion of the Option shall revert to the Plan.

Edgar Filing: COHERENT INC - Form DEF 14A

If, after termination, the Optionee does not exercise his or her Option within the time specified herein, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(d) DEATH OF OPTIONEE. In the event of the death of an Optionee, the Option may be exercised at any time within twelve (12) months following the date of death (but in no event later than the expiration of the term of such Option as set forth in the Notice of Grant), by the Optionee's estate or by a person who acquired the right to exercise the Option by bequest or inheritance, but only to the extent that the Optionee was entitled to exercise the Option at the date of death. If, at the time of death, the Optionee was not entitled to exercise his or her entire Option, the Shares covered by the unexercisable portion of the Option shall immediately revert to the Plan. If, after death, the Optionee's estate or a person who acquired the right to exercise the Option by bequest or inheritance

- 10 -

does not exercise the Option within the time specified herein, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(e) RULE 16b-3. Options granted to individuals subject to Section 16 of the Exchange Act ("Insiders") must comply with the applicable provisions of Rule 16b-3 and shall contain such additional conditions or restrictions as may be required thereunder to qualify for the maximum exemption from Section 16 of the Exchange Act with respect to Plan transactions.

11. STOCK PURCHASE RIGHTS.

(a) RIGHTS TO PURCHASE. Stock Purchase Rights may be issued either alone, in addition to, or in tandem with other awards granted under the Plan and/or cash awards made outside of the Plan. After the Administrator determines that it will offer Stock Purchase Rights under the Plan, it shall advise the offeree in writing, by means of a Notice of Grant, of the terms, conditions and restrictions related to the offer, including the number of Shares that the offeree shall be entitled to purchase, the price to be paid, and the time within which the offeree must accept such offer, which shall in no event exceed six (6) months from the date upon which the Administrator made the determination to grant the Stock Purchase Right. The offer shall be accepted by execution of a Restricted Stock Purchase Agreement in the form determined by the Administrator.

(b) REPURCHASE OPTION. Unless the Administrator determines otherwise, the Restricted Stock Purchase Agreement shall grant the Company a repurchase option exercisable upon the voluntary or involuntary termination of the purchaser's employment with the Company for any reason (including death or Disability). The purchase price for Shares repurchased pursuant to the Restricted Stock purchase agreement shall be the original price paid by the purchaser and may be paid by cancellation of any indebtedness of the purchaser to the Company. The repurchase option shall lapse at a rate determined by the Administrator.

(c) RULE 16b-3. Stock Purchase Rights granted to Insiders, and Shares purchased by Insiders in connection with Stock Purchase Rights, shall be subject to any restrictions applicable thereto in compliance with Rule 16b-3. An Insider may only purchase Shares pursuant to the grant of a Stock Purchase Right, and may only sell Shares purchased pursuant to the grant of a Stock Purchase Right, during such time or times as are permitted by Rule 16b-3.

(d) OTHER PROVISIONS. The Restricted Stock Purchase Agreement

Edgar Filing: COHERENT INC - Form DEF 14A

shall contain such other terms, provisions and conditions not inconsistent with the Plan as may be determined by the Administrator in its sole discretion. In addition, the provisions of Restricted Stock Purchase Agreements need not be the same with respect to each purchaser.

(e) RIGHTS AS A SHAREHOLDER. Once the Stock Purchase Right is exercised, the purchaser shall have the rights equivalent to those of a shareholder, and shall be a shareholder when his or her purchase is entered upon the records of the duly authorized transfer agent of the Company.

- 11 -

No adjustment will be made for a dividend or other right for which the record date is prior to the date the Stock Purchase Right is exercised, except as provided in Section 13 of the Plan.

12. NON-TRANSFERABILITY OF OPTIONS AND STOCK PURCHASE RIGHTS. An Option or Stock Purchase Right may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the Optionee, only by the Optionee.

13. ADJUSTMENTS UPON CHANGES IN CAPITALIZATION, DISSOLUTION, MERGER OR ASSET SALE.

(a) CHANGES IN CAPITALIZATION. Subject to any required action by the shareholders of the Company, the number of shares of Common Stock covered by each outstanding Option and Stock Purchase Right, and the number of shares of Common Stock which have been authorized for issuance under the Plan but as to which no Options or Stock Purchase Rights have yet been granted or which have been returned to the Plan upon cancellation or expiration of an Option or Stock Purchase Right, as well as the price per share of Common Stock covered by each such outstanding Option or Stock Purchase Right, shall be proportionately adjusted for any increase or decrease in the number of issued shares of Common Stock resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Common Stock, or any other increase or decrease in the number of issued shares of Common Stock effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration." Such adjustment shall be made by the Board, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Common Stock subject to an Option or Stock Purchase Right.

(b) DISSOLUTION OR LIQUIDATION. In the event of the proposed dissolution or liquidation of the Company, to the extent that an Option or Stock Purchase Right has not been previously exercised, it will terminate immediately prior to the consummation of such proposed action. The Board may, in the exercise of its sole discretion in such instances, declare that any Option or Stock Purchase Right shall terminate as of a date fixed by the Board and give each Optionee the right to exercise his or her Option or Stock Purchase Right as to all or any part of the Optioned Stock, including Shares as to which the Option or Stock Purchase Right would not otherwise be exercisable.

(c) MERGER OR ASSET SALE. In the event of a merger of the Company with or into another corporation, or the sale of substantially all of the assets

Edgar Filing: COHERENT INC - Form DEF 14A

of the Company, each outstanding Option and Stock Purchase Right shall be assumed or an equivalent option or right substituted by the successor corporation or a Parent or Subsidiary of the successor corporation. In the event that the successor corporation refuses to assume or substitute for the Option or Stock Purchase Right, the Optionee shall have the right to exercise the Option or Stock Purchase Right as to all of the Optioned Stock, including Shares as to which it would not otherwise be exercisable. If an Option or Stock

- 12 -

Purchase Right is exercisable in lieu of assumption or substitution in the event of a merger or sale of assets, the Administrator shall notify the Optionee that the Option or Stock Purchase Right shall be fully exercisable for a period of fifteen (15) days from the date of such notice, and the Option or Stock Purchase Right shall terminate upon the expiration of such period. For the purposes of this paragraph, the Option or Stock Purchase Right shall be considered assumed if, following the merger or sale of assets, the option or right confers the right to purchase or receive, for each Share of Optioned Stock subject to the Option or Stock Purchase Right immediately prior to the merger or sale of assets, the consideration (whether stock, cash, or other securities or property) received in the merger or sale of assets by holders of Common Stock for each Share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the merger or sale of assets was not solely common stock of the successor corporation or its Parent, the Administrator may, with the consent of the successor corporation, provide for the consideration to be received upon the exercise of the Option or Stock Purchase Right, for each Share of Optioned Stock subject to the Option or Stock Purchase Right, to be solely common stock of the successor corporation or its Parent equal in fair market value to the per share consideration received by holders of Common Stock in the merger or sale of assets.

14. DATE OF GRANT. The date of grant of an Option or Stock Purchase Right shall be, for all purposes, the date on which the Administrator makes the determination granting such Option or Stock Purchase Right, or such other later date as is determined by the Administrator. Notice of the determination shall be provided to each Optionee within a reasonable time after the date of such grant.

15. AMENDMENT AND TERMINATION OF THE PLAN.

(a) AMENDMENT AND TERMINATION. The Board may at any time amend, alter, suspend or terminate the Plan.

(b) SHAREHOLDER APPROVAL. The Company shall obtain shareholder approval of any Plan amendment to the extent necessary and desirable to comply with Rule 16b-3 or with Section 422 of the Code (or any successor rule or statute or other applicable law, rule or regulation, including the requirements of any exchange or quotation system on which the Common Stock is listed or quoted). Such shareholder approval, if required, shall be obtained in such a manner and to such a degree as is required by the applicable law, rule or regulation.

(c) EFFECT OF AMENDMENT OR TERMINATION. No amendment, alteration, suspension or termination of the Plan shall impair the rights of any Optionee, unless mutually agreed otherwise between the Optionee and the Administrator, which agreement must be in writing and signed by the Optionee and the Company.

- 13 -

16. CONDITIONS UPON ISSUANCE OF SHARES.

(a) LEGAL COMPLIANCE. Shares shall not be issued pursuant to the exercise of an Option or Stock Purchase Right unless the exercise of such Option or Stock Purchase Right and the issuance and delivery of such Shares shall comply with all relevant provisions of law, including, without limitation, the Securities Act of 1933, as amended, the Exchange Act, the rules and regulations promulgated thereunder, Applicable Laws, and the requirements of any stock exchange or quotation system upon which the Shares may then be listed or quoted, and shall be further subject to the approval of counsel for the Company with respect to such compliance.

(b) INVESTMENT REPRESENTATIONS. As a condition to the exercise of an Option or Stock Purchase Right, the Company may require the person exercising such Option or Stock Purchase Right to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required.

17. LIABILITY OF COMPANY.

(a) INABILITY TO OBTAIN AUTHORITY. The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

(b) GRANTS EXCEEDING ALLOTTED SHARES. If the Optioned Stock covered by an Option or Stock Purchase Right exceeds, as of the date of grant, the number of Shares which may be issued under the Plan without additional shareholder approval, such Option or Stock Purchase Right shall be void with respect to such excess Optioned Stock, unless shareholder approval of an amendment sufficiently increasing the number of Shares subject to the Plan is timely obtained in accordance with Section 15(b) of the Plan.

18. RESERVATION OF SHARES. The Company, during the term of this Plan, will at all times reserve and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Plan.

19. SHAREHOLDER APPROVAL. Continuance of the Plan shall be subject to approval by the shareholders of the Company within twelve (12) months before or after the date the Plan is adopted. Such shareholder approval shall be obtained in the manner and to the degree required under applicable federal and state law.

Edgar Filing: COHERENT INC - Form DEF 14A

the terms and conditions of the Plan shall prevail.

If designated in the Notice of Grant as an Incentive Stock Option ("ISO"), this Option is intended to qualify as an Incentive Stock Option under Section 422 of the Code. However, if this Option is intended to be an Incentive Stock Option, to the extent that it exceeds the \$100,000 rule of Code Section 422(d) it shall be treated as a Nonstatutory Stock Option ("NSO").

2. EXERCISE OF OPTION.

(a) RIGHT TO EXERCISE. This Option is exercisable during its term in accordance with the Vesting Schedule set out in the Notice of Grant and the applicable provisions of the Plan and this Option Agreement. In the event of Optionee's death, Disability or other termination of Optionee's employment or consulting relationship, the exercisability of the Option is governed by the applicable provisions of the Plan and this Option Agreement.

(b) METHOD OF EXERCISE. This Option is exercisable by delivery of an exercise notice, in the form attached as Exhibit A (the "Exercise Notice"), which shall state the election to exercise the Option, the number of Shares in respect of which the Option is being exercised (the "Exercised Shares"), and such other representations and agreements as may be required by the Company pursuant to the provisions of the Plan. The Exercise Notice shall be signed by the Optionee and shall be delivered in person or by certified mail to the Secretary of the Company. The Exercise Notice shall be accompanied by payment of the aggregate Exercise Price as to all Exercised Shares. This Option shall be deemed to be exercised upon receipt by the Company of such fully executed Exercise Notice accompanied by such aggregate Exercise Price.

- 2 -

No Shares shall be issued pursuant to the exercise of this Option unless such issuance and exercise complies with all relevant provisions of law and the requirements of any stock exchange or quotation service upon which the Shares are then listed. Assuming such compliance, for income tax purposes the Exercised Shares shall be considered transferred to the Optionee on the date the Option is exercised with respect to such Exercised Shares.

3. METHOD OF PAYMENT. Payment of the aggregate Exercise Price shall be by any of the following, or a combination thereof, at the election of the Optionee:

(a) cash;

(b) check;

(c) delivery of a properly executed exercise notice together with such other documentation as the Administrator and the broker, if applicable, shall require to effect an exercise of the Option and delivery to the Company of the sale or loan proceeds required to pay the exercise price; or

(d) surrender of other Shares which (i) in the case of Shares acquired upon exercise of an option, have been owned by the Optionee for more than six (6) months on the date of surrender, AND (ii) have a Fair Market Value on the date of surrender equal to the aggregate Exercise Price of the Exercised Shares.

4. NON-TRANSFERABILITY OF OPTION. This Option may not be transferred in any manner otherwise than by will or by the laws of descent or distribution and may be exercised during the lifetime of Optionee only by the Optionee. The

Edgar Filing: COHERENT INC - Form DEF 14A

terms of the Plan and this Option Agreement shall be binding upon the executors, administrators, heirs, successors and assigns of the Optionee.

5. TERM OF OPTION. This Option may be exercised only within the term set out in the Notice of Grant, and may be exercised during such term only in accordance with the Plan and the terms of this Option Agreement.

6. TAX CONSEQUENCES. Some of the federal and California tax consequences relating to this Option, as of the date of this Option, are set forth below. THIS SUMMARY IS NECESSARILY INCOMPLETE, AND THE TAX LAWS AND REGULATIONS ARE SUBJECT TO CHANGE. THE OPTIONEE SHOULD CONSULT A TAX ADVISER BEFORE EXERCISING THIS OPTION OR DISPOSING OF THE SHARES.

(a) EXERCISING THE OPTION.

(i) NONSTATUTORY STOCK OPTION. The Optionee may incur regular federal income tax and California income tax liability upon exercise of a NSO. The Optionee will be treated as having received compensation income (taxable at ordinary income tax rates) equal to the excess, if

- 3 -

any, of the Fair Market Value of the Exercised Shares on the date of exercise over their aggregate Exercise Price. If the Optionee is an Employee or a former Employee, the Company will be required to withhold from his or her compensation or collect from Optionee and pay to the applicable taxing authorities an amount in cash equal to a percentage of this compensation income at the time of exercise, and may refuse to honor the exercise and refuse to deliver Shares if such withholding amounts are not delivered at the time of exercise.

(ii) INCENTIVE STOCK OPTION. If this Option qualifies as an ISO, the Optionee will have no regular federal income tax or California income tax liability upon its exercise, although the excess, if any, of the Fair Market Value of the Exercised Shares on the date of exercise over their aggregate Exercise Price will be treated as an adjustment to alternative minimum taxable income for federal tax purposes and may subject the Optionee to alternative minimum tax in the year of exercise. In the event that the Optionee undergoes a change of status from Employee to Consultant, any Incentive Stock Option of the Optionee that remains unexercised shall cease to qualify as an Incentive Stock Option and will be treated for tax purposes as a Nonstatutory Stock Option on the ninety-first (91st) day following such change of status.

(b) DISPOSITION OF SHARES.

(i) NSO. If the Optionee holds NSO Shares for at least one year, any gain realized on disposition of the Shares will be treated as long-term capital gain for federal income tax purposes.

(ii) ISO. If the Optionee holds ISO Shares for at least one year after exercise and two years after the grant date, any gain realized on disposition of the Shares will be treated as long-term capital gain for federal income tax purposes. If the Optionee disposes of ISO Shares within one year after exercise or two years after the grant date, any gain realized on such disposition will be treated as compensation income (taxable at ordinary income rates) to the extent of the excess, if any, of the lesser of (A) the difference between the Fair Market Value of the Shares acquired on the date of exercise and the aggregate Exercise Price, or (B) the difference between the sale price of such Shares and the aggregate Exercise Price.

(c) NOTICE OF DISQUALIFYING DISPOSITION OF ISO SHARES. If the Optionee sells or otherwise disposes of any of the Shares acquired pursuant to an ISO on or before the later of (i) two years after the grant date, or (ii) one year after the exercise date, the Optionee shall immediately notify the Company in writing of such disposition. The Optionee agrees that he or she may be subject to income tax withholding by the Company on the compensation income recognized from such early disposition of ISO Shares by payment in cash or out of the current earnings paid to the Optionee.

7. ENTIRE AGREEMENT; GOVERNING LAW. The Plan is incorporated herein by reference. The Plan and this Option Agreement constitute the entire agreement of the parties with respect to the subject matter hereof and supersede in their entirety all prior undertakings and agreements of the Company and Optionee with respect to the subject matter hereof, and may not be modified adversely

to the Optionee's interest except by means of a writing signed by the Company and Optionee. This agreement is governed by California law except for that body of law pertaining to conflict of laws.

By your signature and the signature of the Company's representative below, you and the Company agree that this Option is granted under and governed by the terms and conditions of the Plan and this Option Agreement. Optionee hereby agrees to accept as binding, conclusive and final all decisions or interpretations of the Administrator upon any questions relating to the Plan and Option Agreement.
