NOTICE OF ANNUAL MEETING AND PROXY STATEMENT

Dear Shareholder:

We invite you to attend our Annual Meeting of Shareholders on October 16, 2002, at 10:00 a.m. Eastern Time at Cintas' Headquarters, 6800 Cintas Boulevard, Cincinnati, Ohio. At the meeting, you will hear a report on our operations and have a chance to meet your directors and executives.

This booklet includes formal notice of the meeting and the proxy statement. The proxy statement tells you more about the agenda and procedures for the meeting. It also describes how the Board operates and gives personal information about our director candidates.

Even if you only own a few shares, we want your shares to be represented at the meeting. I urge you to return your completed proxy card promptly in the enclosed envelope, or use one of the alternative voting methods described on the proxy card attachment.

Sincerely,

Richard T. Farmer
Chairman of the Board

GENERAL INFORMATION*Who may vote*

Shareholders of Cintas, recorded in our stock register on September 4, 2002, may vote at the meeting. As of that date, Cintas had 170,142,446 shares of Common Stock outstanding. Each share is entitled to one vote on each matter submitted to the shareholders at the annual meeting.

How to vote

You may vote in person at the meeting or by proxy. You may also vote by Internet or telephone using one of the methods described in the attachment to the proxy card. We recommend you vote by proxy even if you plan to attend the meeting. You can always change your vote at the meeting.

How proxies work

Cintas' Board of Directors is asking for your proxy. Giving us your proxy means you authorize us to vote your shares at the meeting in the manner you direct. You may vote for all, some or none of our director candidates. You may also vote for or against the other proposals or abstain from voting.

If you sign and return the enclosed proxy card, but do not specify how to vote, we will vote your shares in favor of setting the number of directors at eight and in favor of our director candidates.

You may receive more than one proxy or voting card depending on how you hold your shares. Shares registered in your name are covered by one card. If you hold shares through someone else, such as a stockbroker, you may get material from them asking how you want to vote.

Voting by proxy

All proxies properly signed will, unless a different choice is indicated, be voted "FOR" establishing the number of directors to be elected at eight and "FOR" the election of all nominees for Directors proposed by the Board of Directors.

If any other matters come before the meeting or any adjournment, each proxy will be voted in the discretion of the individuals named as proxies on the card.

Revoking a proxy

Edgar Filing: CINTAS CORP - Form DEF 14A

You may revoke your proxy before it is voted by submitting a new proxy with a later date, by voting in person at the meeting or by notifying Cintas' Secretary in writing at the address under "Questions?" on page 13.

Quorum

In order to carry on the business of the meeting, we must have a quorum. This means at least a majority of the outstanding shares eligible to vote must be represented at the meeting, either by proxy or in person.

Votes needed

Approval of the proposal to establish the number of directors at eight requires the favorable vote of a majority of the votes cast. The director candidates receiving the most votes will be elected to fill the seats on the Board. Only votes for or against a proposal count. Abstentions and broker nonvotes count for quorum purposes, but not for voting purposes. Broker nonvotes occur when a broker returns a proxy, but does not have authority to vote on a particular proposal.

Attending in person

Only shareholders, their proxy holders and Cintas' guests may attend the meeting.

Other matters

Any other matters considered at the meeting, including adjournment, will require the affirmative vote of a majority of shares voting.

1

ELECTION OF DIRECTORS **(Items 1 and 2 on the Proxy Card)**

The Board has nominated the director candidates named below.

The Board of Directors oversees the management of Cintas' long-term strategic plans and exercises direct decision making authority in key areas, such as declaring dividends. Just as important, the Board chooses the CEO, sets the scope of his authority to manage Cintas' business day to day and evaluates his performance. The Board also reviews development and succession plans for Cintas' top executives.

Cintas' By-Laws require that the Board of Directors consist of at least three members with the exact number to be established by shareholders or the Board of Directors. The Board presently consists of nine directors and the Board is recommending that this number be set at eight due to the retirement of Donald P. Klekamp.

The Board is nominating for election all of the following: Richard T. Farmer, Robert J. Kohlhepp, Scott D. Farmer, Paul R. Carter, Gerald V. Dirvin, James J. Gardner, Robert J. Herbold and Roger L. Howe. Proxies solicited by the Board will be voted for the election of these nominees. All directors elected at the Annual Meeting will be elected to hold office until the next annual meeting. In voting to elect directors, shareholders are not entitled to cumulate their votes.

Most Cintas directors including five of our eight nominees are not Cintas employees. Only nonemployee directors serve on Cintas' Audit and Compensation Committees. All eight directors are elected for one-year terms. Personal information on each of our nominees is given below.

The Board met five times last year. Cintas' directors attended 100% of Board and committee meetings.

If a director nominee becomes unavailable before the election, your proxy card authorizes us to vote for a replacement nominee if the Board names one.

The Board recommends you vote FOR each of the following candidates:

DIRECTOR COMPENSATION

For fiscal 2002, Directors who are not employees of Cintas receive a \$12,000 annual retainer for serving as a Director plus \$2,250 for each meeting attended. Committee members also receive \$1,200 for each committee meeting attended. Committee Chairmen receive an additional fee of \$2,500 per year. Each nonemployee Director is annually granted an option to purchase 1,000 shares of Common Stock at an exercise price equal to the market price on the date of grant. Directors who are employees of Cintas are not separately compensated for serving as Directors. Cintas has approved an increase in fees for fiscal 2003. Directors who are not employees of Cintas will receive a \$14,000 annual retainer for serving as a Director plus \$2,750 for each meeting attended. Committee Chairmen will receive an additional fee of \$3,000 per year. Committee members will continue to receive \$1,200 for each committee meeting attended.

Nonemployee directors may elect to defer all or part of these fees either into Cintas stock equivalents with dividends or into a deferred account that earns interest at a rate equal to one-year United States Treasury Bills. Deferred fees are payable in one to 120 monthly installments beginning in a month selected by the Director, but in no case later than the first month after the Director leaves the Board.

BOARD COMMITTEES

The Board appoints committees to help carry out its duties. In particular, Board committees work on key issues in greater detail than would be possible at full Board meetings. Each committee reviews the results of its meetings with the full Board. The Board of Directors does not have a nominating committee.

The Audit Committee is composed of four independent directors and is governed by the Audit Committee Charter adopted by the Board of Directors. All members meet NASD independence standards.

Committee members: Roger L. Howe (Chairman), Paul R. Carter, Gerald V. Dirvin and Robert J. Herbold.

Meetings last year: Three.

AUDIT COMMITTEE REPORT

The Audit Committee oversees Cintas' financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States, their judgments as to the quality, not just the acceptability, of Cintas' accounting principles and such other matters as are required to be discussed with the Committee under auditing standards generally accepted in the United States, including Statement on Auditing Standards No. 61. In addition, the Committee has discussed with the independent auditors the auditors' independence from management and Cintas including the matters in the written disclosures required by the Independence Standards Board including Independence Standards Board Standard No. 1. The Committee concluded that the provision of these nonaudit services is compatible with maintaining the auditors' independence.

The Committee discussed with Cintas' independent auditors the overall scope and plan for their audit. The Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of Cintas' internal controls, and the overall quality of Cintas' financial reporting.

Based on the reviews and discussions referred to above, the Committee recommended to the Board of Directors and the Board approved that the audited financial statements be included in the Annual Report on Form 10-K for the year

Edgar Filing: CINTAS CORP - Form DEF 14A

ended May 31, 2002 for filing with the Securities and Exchange Commission. The Committee and the Board have also recommended the selection of Cintas' independent auditors.

The Board of Directors has reappointed Ernst & Young LLP as independent auditors to audit the financial statements of Cintas for the current fiscal year. Fees billed for the last fiscal year were:

Audit Fees	\$	213,000
Audit Related Services ⁽¹⁾	\$	205,000
Financial Information Systems Design and Implementation Fees	\$	0
All Other Fees ⁽²⁾	\$	1,078,000

(1) Audit related services include review of SEC registration statements, benefit plan audits and consultation on accounting standards or transactions.

(2) All other fees primarily consist of tax services.

In July 2002, the Committee adopted a policy that limits the scope of consulting services that may be provided by the outside accounting firm that performs the Cintas annual audit. This policy draws a distinction between audit and nonaudit services, and prohibits the outside accounting firm from performing these nonaudit services. Cintas will not use its outside accountants to perform nonaudit related services such as nonfinancial or management consulting services, business strategy consulting, information technology consulting, internal audit, price allocation appraisals and fairness opinions. Audit related services that will be permitted include: 401(k) audits, securities registration and reporting, tax compliance and planning, advice on the application of accounting policies, guidance on acquisition accounting and assistance with the due diligence audits.

Representatives of the firm Ernst & Young are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

RESPECTFULLY SUBMITTED BY THE MEMBERS OF THE AUDIT COMMITTEE, Roger L. Howe (Chairman), Paul R. Carter, Gerald V. Dirvin and Robert J. Herbold.

The Compensation Committee is responsible for establishing compensation levels for management.

Committee members: Gerald V. Dirvin (Chairman), James J. Gardner and Roger L. Howe.

Meetings last year: One.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Executive Compensation Policies

Cintas' executive compensation policies are designed to support the corporate objective of maximizing the long-term value of Cintas for its shareholders and employees. To achieve this objective, the Committee believes it is important to provide competitive levels of compensation to attract and retain the most qualified executives, to recognize individuals who exceed expectations and to link closely overall corporate performance and executive pay. The methods by which the Committee believes Cintas' long-term objectives can be achieved are through incentive compensation plans and the issuance of options to purchase Cintas' Common Stock.

The Committee has established three primary components of Cintas' executive compensation plan. The three components are:

base compensation;

performance incentive compensation; and

stock-based performance compensation through stock option grants.

The Omnibus Budget Reconciliation Act of 1993 provides that compensation in excess of \$1,000,000 per year paid to the chief executive officer of a company, as well as the other executive officers listed in the compensation table will not be deductible unless the compensation is performance-based and

approved by shareholders. This law was not considered by the Committee in determining fiscal 2002 compensation since compensation levels were not in excess of the amounts deductible under the law.

Base Compensation

The Committee annually reviews base salaries of executive officers. The factors which influence decisions made by the Committee regarding base salaries are levels of responsibility and potential for future responsibilities, salary levels offered by competitors and the overall performance of Cintas. The Committee's practice in establishing salary levels is based in part on salary levels of competitively comparable jobs and is not based upon any specific objectives or policies, but reflects the subjective judgment of the Committee. However, specific annual performance goals are established for each executive officer.

Based on the Committee's comparison of Cintas' overall compensation levels as a percent of revenues and net income to comparable companies in the industry, the Committee believes its overall compensation levels are in the middle of the range.

Performance Incentive Compensation

A performance incentive compensation component, which is paid out in the form of an annual cash bonus, was established by the Committee to provide a direct financial incentive to achieve corporate and operating goals. The basis for determining performance incentive compensation is strictly quantitative in nature. At the beginning of each fiscal year, the Committee establishes a target bonus for certain executives based on a target level of earnings per share. Cash bonuses paid to other executives are based on a percentage of operating profits of the particular division served by that officer.

Stock Option Grants

Executive compensation to reward past performance and to motivate future performance is also provided through options granted under Cintas' Stock Option Plans. The purpose of each plan is to encourage executive officers to maintain a long-term stock ownership position in Cintas in order that their interests are aligned with those of Cintas' shareholders. The Committee in its discretion has the authority to determine participants in the plan, the number of shares to be granted and the option price and term. An individual's stock option award is evaluated on a subjective basis and granted to the participant until an ownership position exists which is consistent with the participant's current responsibilities. Options granted to executive officers in Fiscal 2002 can be found on page 10.

Chief Executive Officer Compensation

The Committee established Mr. Kohlhepp's base salary based primarily on a subjective evaluation of Cintas' prior year's financial results, past salary levels and compensation paid to other chief executive officers in Cintas' industry, as well as other U.S. based companies. Based on the Committee's comparison of Cintas' overall compensation level for Mr. Kohlhepp as a percent of revenue and net income to comparable companies, the Committee believes his overall compensation level is in the middle of the range. The Committee also establishes at the beginning of each year a performance incentive bonus arrangement for Mr. Kohlhepp. Based on Cintas' belief that shareholder value is best enhanced by increases in earnings per share, the Committee based this arrangement for fiscal 2002 on a target level of earnings per share. The program provided for no bonus if earnings per share did not increase 10% over the prior year's earnings per share of \$1.30. The bonus potential ranged from 10% of base salary if earnings per share increased by \$.13 over the prior year up to a maximum of 90% if earnings per share increased by \$.33 over the prior year.

(1) Value is calculated as the difference between the fair market value of the Common Stock on May 31, 2002 (\$52.21 per share) and the exercise price of the options.

COMMON STOCK PERFORMANCE GRAPH

The following graph summarizes the cumulative return on \$100 invested in Cintas' Common Stock, the S&P 500 Stock Index and the common stocks of the three largest publicly traded companies engaged primarily in the uniform related industry determined by net assets at year end (the "Peer Index"). The companies included in the Peer Index are Aramark Corporation, G & K Services, Inc. and UniFirst Corporation. The Peer Index substitutes Aramark Corporation for Angelica Corporation, which had been included in the Peer Index from 1993 to 2001, because Angelica Corporation sold substantially all of its uniform related businesses which occurred on or about April 19, 2002, and, therefore, is no longer in the line of business for which it was initially included. Aramark Corporation satisfied our Peer Index criteria when it became one of the three largest publicly traded uniform companies after the consummation of its public offering of securities, which occurred, on or about December 11, 2001.

Total shareholder return was based on the increase in the price of the stock and assumed reinvestment of all dividends. Further, total return was weighted according to market capitalization of each company. The companies in the Peer Index are not the same as those considered by the Compensation Committee.

PROPOSALS FOR NEXT YEAR

Shareholders who desire to have proposals included in the Notice for the 2003 Shareholders' Meeting must submit their proposals in writing to Cintas at its offices on or before May 13, 2003.

The form of Proxy for Cintas' Annual Meeting of Shareholders grants authority to the designated proxies to vote in their discretion on any matters that come before the meeting except those set forth in Cintas' Proxy Statement and except for matters as to which adequate notice is received. In order for a notice to be deemed adequate for the 2003 Shareholders' Meeting, it must be received prior to July 26, 2003.

OTHER MATTERS

Cintas knows of no other matters to be presented at the meeting other than those specified in the Notice.
