ITEM 1.01 Entry into a Material Definitive Agreement

On March 14, 2006, the Compensation Committee (the "Committee") of the Board of Directors (the "Board") of Mid-America Apartment Communities, Inc. (the "Company"), within the parameters of the Employment Agreements entered into as of December 1999, awarded H. Eric Bolton, Jr., Chief Executive Officer, a salary of \$380,650 for 2006, and Simon R.C. Wadsworth, Executive Vice President and Chief Financial Officer, a salary of \$248,250 for 2006.

On March 14, 2006, the Committee also adopted a bonus plan for 2006 for the Chief Executive Officer and Chief Financial Officer of the Company (the "Plan").

The Plan determines a bonus opportunity capped at 200% of base salary, with a discretionary modifier that can be applied by the Committee at its discretion, allowing the cap to be lowered to 150% of base salary or raised to 250% of base salary. 80% of the bonus opportunity is calculated as a percent of salary based on a sliding scale of year-over-year funds from operations ("FFO") growth. In determining FFO growth, the Committee has the ability to factor in any material and non-recurring events that may or may not occur that impact the Company's FFO performance, but may or may not subsequently impact the Company's share price, to help ensure that the potential bonus is in line with actual shareholder performance realized for the year. 20% of the bonus opportunity will be determined based on each executive's individual performance in meeting goals pre-defined in a personal plan. The goals for each participant were approved by the Committee.

A copy of the Plan is set forth on Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.
