VAT/CVR. No. 2246 0218

24 March 2003      Statement No. 3 - 2003  
Contact Person: Klaus Kjaerulff, CEO (Phone: +45 39 17 92 00)

TORM increases expectations for 2003 net profit to DKK 190 - 220 mill.

Following realized freight rate levels, which are better than expected, for TORM's Tanker and Dry bulk divisions for the first quarter of 2003 and already contracted cargoes for the beginning of second quarter 2003, TORM now increases the expectations for 2003 net profit.

A net profit of DKK 190 - 220 mill. is now expected against a previously expected net profit for 2003 of DKK 120-140 mill. as announced in the 2002 annual report. The expected net profit includes a gain of DKK 7 mill. on the sale of TORM GYDA and a DKK 15 mill. unrealized capital gain on the shares in Dampskibsselskabet "NORDEN" A/S, based on a share price of DKK 390. The expectations are based on an average USD/DKK exchange rate of 7.00 for 2003.

## Edgar Filing: AS STEAMSHIP CO TORM - Form 6-K

No significant changes are expected in the structure of the balance sheet except consequences of normal operation and the above-mentioned circumstances.

As it was the case with the expectations announced in the annual report for 2003, due to the unstable political and economic situation, the expectations are subject to a higher degree of uncertainty, both upwards and downwards, than normally.

Yours faithfully  
A/S Dampskibsselskabet TORM

Klaus Kjaerulff  
CEO

### SAFE HARBOUR STATEMENT - FORWARD LOOKING STATEMENTS

-----  
This release contains forward-looking statements concerning future events and the Company's operations, performance and financial conditions, including, in particular, statements regarding: Spot and TCE rates in the near and long term, operating days, tanker and bulker supply and demand, supply and demand for oil and refined products, expectations about the Company's future capital requirements and capital expenditures, the Company's growth strategy and how it is implemented, the number of partner and the number of vessels the partners have in the pools, environmental changes in regulation, cost savings and other benefits. Words such as "expects", "intends", "plans", "believes", "anticipates", "estimates", "outlook" and variations of such words and similar expressions are intended to identify forward-looking statements.

These statements involve known and unknown risks and are based on a number of assumptions and estimates, which are inherently subject to significant uncertainties and contingencies, many of which are beyond the control of the Company. In addition to the factors and matters discussed elsewhere in this report, important factors that, in TORM's view, could cause actual results to differ materially from those discussed in the forward looking statements include the strengths of world economies, currencies and interest rate levels, general market conditions, including fluctuations in charter hire rates and vessel values, changes in demand in the shipping market, including the effect of changes in OPEC's petroleum production levels and worldwide oil consumption and storage, changes in the Company's operating expenses, including bunker prices, dry-docking and insurance costs, changes in governmental rules and regulations or actions taken by regulatory authorities, potential liability from pending future litigation, general domestic and international political conditions, potential disruption of shipping routes due to accidents or political events, and other important factors described from time to time in the reports filed by TORM with the Copenhagen Stock exchange and the Securities and Exchange Commission.
