Item 3. Source and Amount of Funds or Other Consideration

The disclosure in Item 4 below is incorporated herein by reference.

Item 4. Purpose of Transaction

Investment Agreement

On December 22, 2011, the Issuer, Samlyn Onshore and Samlyn Offshore (Samlyn Onshore, together with Samlyn Offshore, the “Investors”) entered into an Investment Agreement (the “Investment Agreement”) pursuant to which the Investors collectively agreed to purchase 10,000,000 shares of the Issuer’s common stock and warrants to collectively purchase an additional 5,000,000 shares of the Issuer’s common stock for an aggregate purchase price of \$10,000,000. The \$10,000,000 collective investment by the Investors pursuant to the Investment Agreement was funded by the working capital of the Investors. Pursuant to the Investment Agreement, the Issuer issued 3,850,000 shares of common stock and a warrant to purchase 1,925,000 shares of common stock to Samlyn Onshore (the “Onshore Warrant”) and 6,150,000 shares of common stock and a warrant to purchase 3,075,000 shares of common stock to Samlyn Offshore (the “Offshore Warrant”, and together with the Onshore Warrant, the “Warrants”). The Investors are granted certain preemptive rights under the Investment Agreement so long as the Investors and their respective affiliates collectively beneficially own at least 9,700,000 shares of the Issuer’s common stock (including those shares issuable to the Investors upon the exercise of the Warrants).

The Warrants may be exercised for \$2.00 per share, subject to adjustments resulting from stock dividends and splits, below market issuances of the Issuer’s common stock, issuances of the Issuer’s common stock below the exercise price, pro rata distributions and tender offers or exchanges (the “Exercise Price”), and expire on the fifth anniversary of the date of the Investment Agreement. Upon a Fundamental Transaction (as defined in the Warrants), the Issuer will grant to each Investor an irrevocable option to require the Issuer to repurchase their respective Warrant upon the closing of such Fundamental Transaction at a price equal to the number of Issuer shares issuable upon exercise of the respective Warrant and the Five-Day VWAP (as defined in the Warrants) as of the fifth Trading Day (as defined in the Warrants) immediately following public announcement of the Fundamental Transaction less the Exercise Price. Additionally, pursuant to the terms of the Warrants, the Issuer has an option to acquire all or a portion of the Warrants (but not less than half of the Warrant Rights issuable to such Investor) (the “Call Option”) provided that (i) the VWAP (as defined in the Warrants) for the 60 consecutive Trading Days immediately preceding the date on which a Call Notice (as defined in the Warrants) is received is in excess of \$2.00 and (ii) the closing Market Price (as defined in the Warrants) of the Issuer’s common stock is in excess of \$2.00 on the date immediately preceding the date on which the Call Notice is received. The price to be paid by the Issuer pursuant to the Call Option for each part of the Warrants representing the right to acquire one share of the Issuer’s common stock (the “Warrant Right”) will be equal to the difference between (i) the greater of (a) the Market Price on the date immediately preceding the date on which the Call Notice is received and (b) the VWAP for the 60 consecutive Trading Days immediately preceding the date on which the Call Notice is received and (ii) \$2.00, provided, that the Issuer will not acquire any of the Issuer’s Warrant Rights for less than \$0.10 per Warrant Right.

Registration Rights Agreement

On December 22, 2011, the Issuer, Samlyn Onshore and Samlyn Offshore entered into a Registration Rights Agreement (the “Registration Rights Agreement”). Pursuant to the Registration Rights Agreement, the Issuer has agreed to file a resale registration statement under the Securities Act of 1933 (the “Securities Act”) for the shares of common stock, Warrants and shares of common stock of the Issuer issuable upon exercise of the Warrants that were issued to the Investors pursuant to the Investment Agreement (the “Registrable Securities”) within thirty days after the date of the Registration Rights Agreement and use its best efforts to cause the registration statement to be declared effective by the SEC no later than 120 days after the date of the Registration Rights Agreement. Additionally, subject to certain qualifications, if the Issuer at any time after December 22, 2011, proposes to register shares of its common stock and the Registrable Securities are not then subject to an effective resale registration statement, then the Issuer

must give prompt written notice to the Investors of its intention to file a registration statement and each Investor will have a right, upon written request to the Issuer, to have its Registrable Securities offered in such registration statement. The Issuer may be required to pay liquidated damages if it fails to comply with the registration requirements set forth in the Registration Rights Agreement.

Director Nomination Agreement

On December 22, 2011, the Issuer, Samlyn Onshore and Samlyn Offshore entered into a Director Nomination Agreement (the "Director Nomination Agreement"). Pursuant to the Director Nomination Agreement, on and from December 22, 2011, the Investors jointly have the right to designate one person to be nominated for election to the Issuer's Board of Directors (an "Initial Nominee") so long as the Investors and their respective affiliates collectively beneficially own at least 9,700,000 shares of the Issuer's common stock (including those shares issuable to the Investors upon the exercise of the Warrants). As of the date of this filing, the Investors have not exercised this right. If, from December 22, 2011, through the fifth anniversary of the Director Nomination Agreement, the Investors and their respective affiliates collectively own 9,700,000 shares of the Issuer's common stock and Andre Zeitoun, CEO of the Issuer, does not serve as a named executive officer of the Issuer or as Chairman of the Issuer's Board of Directors, the Investors shall jointly be entitled to designate a number of additional nominees who, together with the Initial Nominee, if any, shall comprise at least 20% of the total number of directors.

The foregoing descriptions of the Investment Agreement, Onshore Warrant and Offshore Warrant, Registration Rights Agreement and Director Nomination Agreement do not purport to be complete and are qualified in their entirety by reference to the full texts of the agreements, which are incorporated herein by reference.

The Reporting Persons continuously assess the Issuer's business, financial condition, results of operations and prospects, general economic conditions, other developments and additional investment opportunities. Depending on such assessments, the Reporting Persons may acquire additional shares of common stock or may determine to purchase, sell or otherwise dispose of all or some of the Issuer's securities in the open market, as applicable, in privately negotiated transactions or otherwise. Such actions will depend upon a variety of factors, including, without limitation, current and anticipated future trading prices, the financial condition, results of operations and prospects of the Issuer, alternative investment opportunities, general economic, financial market and industry conditions and other factors that the Reporting Persons may deem material to its investment decision.

Except as set forth in this Schedule 13D, the Reporting Persons do not have present plans or proposals at this time that relate to or would result in any of the transactions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

Item 5. Interest in Securities of the Issuer

Items 7 through 11 and 13 of each of the cover pages of this Schedule 13D are incorporated herein by reference. Such information is based on 79,072,854 shares of the Issuer's common stock outstanding as of November 9, 2011, as disclosed in the Issuer's Report on Form 10-Q, filed with the SEC on November 14, 2011, plus 10,000,000 shares of the Issuer's common stock and assumes the exercise of warrants to purchase up to 5,000,000 shares of the Issuer's common stock issued pursuant to the Investment Agreement, as applicable.

The disclosures regarding the Investment Agreement, Onshore Warrant and Offshore Warrant, Registration Rights Agreement and Director Nomination Agreement in Item 4 are incorporated herein by reference.

Except as set forth in this Schedule 13D, there have been no other transactions in the class of securities reported on that were effected within the past sixty days.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to the Securities of the Issuer
