PROXY STATEMENT

Edgar Filing: HEARTLAND FINANCIAL USA INC - Form DEF 14A

This proxy statement is furnished in connection with the solicitation by the board of directors of Heartland Financial USA, Inc. of proxies to be voted at the annual meeting of stockholders to be held at our headquarters located at 1398 Central Avenue, Dubuque, Iowa, on Wednesday, May 22, 2002, at 1:30 p.m. local time, or at any adjournments or postponements of the meeting. We mailed this proxy statement on or about April 10, 2002.

Heartland Financial USA, Inc., a Delaware corporation, is a diversified financial services holding company headquartered in Dubuque, Iowa. We offer full-service community banking through six banking subsidiaries with a total of 32 banking locations in Iowa, Illinois, Wisconsin and New Mexico. In addition, we have separate subsidiaries in the consumer finance, vehicle leasing/fleet management, insurance agency and investment management businesses. Our primary strategy is to balance our focus on increasing profitability with asset growth and diversification through acquisitions, de novo bank formations, branch openings and expansion into non-bank subsidiary activities.

The following information regarding the meeting and the voting process is presented in a question and answer format.

Why am I receiving this proxy statement and proxy card?

You are receiving a proxy statement and proxy card from us because on March 25, 2002, you owned shares of our common stock. This proxy statement describes the matters that will be presented for consideration by the stockholders at the annual meeting. It also gives you information concerning the matters to be voted upon to assist you in making an informed decision.

When you sign the enclosed proxy card, you appoint the proxy holder as your representative at the meeting. The proxy holder will vote your shares as you have instructed in the proxy card, thereby ensuring that your shares will be voted whether or not you attend the meeting. Even if you plan to attend the meeting, you should complete, sign and return your proxy card in advance of the meeting just in case your plans change.

If you have signed and returned the proxy card and an issue comes up for a vote at the meeting that is not identified on the form, the proxy holder will vote your shares, pursuant to your proxy, in accordance with his or her judgment.

What matters will be voted on at the meeting?

You are being asked to vote on the election of two Class III directors of Heartland Financial for a term expiring in 2005 as well as the ratification of KPMG LLP as our independent auditors for the 2002 fiscal year. These matters are more fully described in this proxy statement.

How do I vote?

You may vote either by mail or in person at the meeting. To vote by mail, complete and sign the enclosed proxy card and mail it in the enclosed pre-addressed envelope. No postage is required

Edgar Filing: HEARTLAND FINANCIAL USA INC - Form DEF 14A

if mailed in the United States. If you mark your proxy card to indicate how you want your shares voted, your shares will be voted as you instruct.

If you sign and return your proxy card but do not mark the form to provide voting instructions, the shares represented by your proxy card will be voted "for" both nominees named in this proxy statement and "for" the ratification of our auditors.

If you want to vote in person, please come to the meeting. We will distribute written ballots to anyone who wants to vote at the meeting. Please note, however, that if your shares are held in the name of your broker (or in what is usually referred to as "street name"), you will need to arrange to obtain a proxy from your broker in order to vote in person at the meeting.

What does it mean if I receive more than one proxy card?

It means that you have multiple holdings reflected in our stock transfer records and/or in accounts with stockbrokers. Please sign and return ALL proxy cards to ensure that all your shares are voted.

If I hold shares in the name of a broker, who votes my shares?

If you received this proxy statement from your broker, your broker should have given you instructions for directing how your broker should vote your shares. It will then be your broker's responsibility to vote your shares for you in the manner you direct.

What if I change my mind after I return my proxy?

If you hold your shares in your own name, you may revoke your proxy and change your vote at any time before the polls close at the meeting. You may do this by:

- signing another proxy with a later date and returning that proxy to Ms. Lois K. Pearce, Secretary, Heartland Financial USA, Inc., 1398 Central Avenue, Dubuque, Iowa 52001;
- sending notice to us that you are revoking your proxy; or
- voting in person at the meeting.

If you hold your shares in the name of your broker and desire to revoke your proxy, you will need to contact your broker to revoke your proxy.

How many votes do we need to hold the annual meeting?

A majority of the shares that are outstanding and entitled to vote as of the record date must be present in person or by proxy at the meeting in order to hold the meeting and conduct business.

Shares are counted as present at the meeting if the stockholder either:

- is present and votes in person at the meeting; or

Edgar Filing: HEARTLAND FINANCIAL USA INC - Form DEF 14A

- has properly submitted a signed proxy card or other proxy.

On March 25, 2002, the record date, there were 9,828,333 shares of common stock issued and outstanding. Therefore, at least 4,914,168 shares need to be present at the annual meeting in order to hold the meeting and conduct business.

What happens if a nominee is unable to stand for re-election?

The board may, by resolution, provide for a lesser number of directors or designate a substitute nominee. In the latter case, shares represented by proxies may be voted for a substitute nominee. You cannot vote for more than two nominees. The board has no reason to believe any nominee will be unable to stand for re-election.

What options do I have in voting on each of the proposals?

You may vote "for" or "withhold authority to vote for" each nominee for director. You may vote "for," "against" or "abstain" on any other proposal that may properly be brought before the meeting. Abstentions and broker non-votes will be considered in determining the presence of a quorum but will not affect the vote required for the ratification of our auditors or election of directors.

How many votes may I cast?

Generally, you are entitled to cast one vote for each share of stock you owned on the record date.

How many votes are needed for each proposal?

The two individuals receiving the highest number of votes cast "for" their election will be elected as directors of Heartland Financial. The ratification of our auditors and all other matters must receive the affirmative vote of a majority of the shares present in person or by proxy at the meeting and entitled to vote.

Where do I find the voting results of the meeting?

We will announce voting results at the meeting. The voting results will also be disclosed in our Form 10-Q for the quarter ended June 30, 2002.

Who bears the cost of soliciting proxies?

We will bear the cost of soliciting proxies. In addition to solicitations by mail, officers, directors and employees of Heartland Financial or its subsidiaries may solicit proxies in person or by telephone. These persons will not receive any special or additional compensation for soliciting proxies. We may reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to stockholders.

ELECTION OF DIRECTORS

Edgar Filing: HEARTLAND FINANCIAL USA INC - Form DEF 14A

At the annual meeting to be held on May 22, 2002, you will be entitled to elect two Class III directors for terms expiring in 2005. The directors are divided into three classes having staggered terms of three years. Evangeline K. Jansen, a director since 1981, passed away in June of 2001. In January of 2002, the board appointed Thomas L. Flynn, a director of Dubuque Bank and Trust, to fill the vacancy created by Ms. Jansen's death. Also in January of 2002, Gregory R. Miller resigned as a director. The board has not yet filled the vacancy created by Mr. Miller's resignation as a Class I director. Each of the nominees for election as a Class III director is an incumbent director. We have no knowledge that any of the nominees will refuse or be unable to serve, but if any of the nominees become unavailable for election, the holders of proxies reserve the right to substitute another person of their choice as a nominee when voting at the meeting.

Set forth below is information concerning the nominees for election and for the other directors whose terms of office will continue after the meeting, including the age, year first elected a director and business experience of each during the previous five years as of March 25, 2002. Unless otherwise indicated, each person has held the positions indicated for at least five years. The nominees for Class III directors, if elected at the annual meeting, will serve for a three-year term expiring in 2005. The board of directors recommends that you vote your shares FOR each of the nominees for director.

There are no arrangements or understandings between Heartland Financial and any other person pursuant to which any of our directors have been selected for their respective positions. With the exception of Mr. Conlan, who is the brother-in-law of Mr. Fuller, no member of the board of directors is related to any other member of the board of directors.

Meetings of the Board of Directors and Committees

The board of directors will consider nominees recommended by stockholders provided any such recommendation is made in writing and delivered to the corporate secretary as further provided in our bylaws.

The compensation committee, currently consisting of directors Falb, Conlan, Woodward and Flynn, meets to review the salary, other compensation and performance of the chief executive officer and each of the other executive officers named in the summary compensation table and recommends adjustments. Ms. Jansen served on the compensation committee until her death and Mr. Miller until his resignation. During 2001, the compensation committee met four times.

The audit committee recommends independent auditors to the board, reviews with the independent auditors the plan, scope and results of the auditors' services and reviews with management and the internal auditors the systems of internal control and the plan, scope and results of internal audits performed. The audit committee charter is attached as Exhibit A. Currently, the members of the audit committee are directors Falb, Conlan, Woodward and Flynn. James A. (1) Options become exercisable in three equal portions on the day after the third, fourth and fifth anniversaries of the June 1, 2001, date of grant.

(2) The Black-Scholes valuation model was used to determine the grant date present values. Significant assumptions include: risk-free interest rate, 5.22%; expected option life, 10 years; expected volatility, 16.03%; expected dividends, 2.77%.

(3) The ultimate value of the options will depend on the future market price of our common stock, which cannot be forecast with reasonable accuracy. The actual value, if any, an executive may realize upon the exercise of an option will depend on the excess of the market value of our common stock, on the date the option is exercised, over the exercise price of the option.

The following table sets forth information concerning the stock options at December 31, 2001, held by the named executive officers. No stock options were exercised during 2001 by any of the named executive officers.

Change of Control Agreements

We have entered into a separate change of control agreement with each of the named executive officers and certain other of our officers. These agreements provide that if employment is terminated six months prior to a change in control of Heartland Financial (as defined in the agreements) or within one year thereafter, the terminated officer is to be paid severance compensation equal to a multiple of such officer's total compensation (as defined in the agreements) at the time of termination. The multiple varies for each officer, up to a maximum of four times total compensation. Additionally, the agreements provide for the continuation of medical and dental benefits for up to two years after such termination and the payment of expenses for out-placement counseling for a period of one year, up to a maximum amount equal to twenty-five percent of total compensation. Messrs. Fuller, Schmidt and Erickson are prohibited by their respective agreements from competing with us or our subsidiaries within a designated geographic area for a period of two years following the termination of employment.

Compensation Committee Report on Executive Compensation

The incorporation by reference of this proxy statement into any document filed with the Securities and Exchange Commission by Heartland Financial shall not be deemed to include the following

Edgar Filing: HEARTLAND FINANCIAL USA INC - Form DEF 14A

report unless such report is specifically stated to be incorporated by reference into such document.

The compensation committee administers our compensation program. In determining appropriate levels of executive compensation, the committee has at its disposal independent reference information regarding compensation ranges and levels for executive positions in comparable companies. In determining compensation to be paid to executive officers, primary consideration is given to quality long-term earnings growth accomplished by achieving both financial and non-financial goals such as return on equity, earnings per share and asset and deposit growth. The primary objectives of this philosophy are to:

- encourage a consistent and competitive return to stockholders;
- reward bank and individual performances;
- provide financial rewards for performance of those having a significant impact on corporate profitability; and
- provide competitive compensation in order to attract and retain key personnel.

There are three major components of our executive officer compensation: base salary, annual incentive awards and long-term incentive awards. The process utilized by the committee in determining executive officer compensation levels for all of these components is based upon the committee's subjective judgment and takes into account both qualitative and quantitative factors. No specific weights are assigned to such factors with respect to any compensation component. Among the factors considered by the committee are the recommendations of the president with respect to the compensation of our other key executive officers. However, the committee makes the final compensation decisions concerning such officers.

We have adopted the Heartland Financial USA, Inc. 1993 Stock Option Plan. The stock option plan is intended to promote equity ownership in Heartland Financial by our directors and selected officers and employees to increase their proprietary interest in the success of Heartland Financial and to encourage them to remain in the employ of Heartland Financial or our subsidiaries. We have also purchased split-dollar life insurance policies on each of our executive officers.

The compensation of Mr. Fuller, the chief executive officer, during 2001 was based upon a number of factors, including:

- our compensation program;
- the individual's performance, substantial experience, expertise and length of service with our organization;
- progress toward our performance objectives; and
- compensation of officers with similar duties and responsibilities at comparable organizations.

Respectfully,

Edgar Filing: HEARTLAND FINANCIAL USA INC - Form DEF 14A

Compensation Committee Interlocks and Insider Participation in Compensation Decisions

Mr. Schmidt is the executive vice president and chief financial officer of Heartland Financial and president and chief executive officer of Dubuque Bank and Trust. All of the regular members of the committee also serve as directors of Dubuque Bank and Trust.

TRANSACTIONS WITH MANAGEMENT

Directors and officers of Heartland Financial and our subsidiaries, and their associates, were customers of and had transactions with us and one or more of our subsidiaries during

Edgar Filing: HEARTLAND FINANCIAL USA INC - Form DEF 14A

2001. Additional transactions may be expected to take place in the future. All outstanding loans, commitments to loan, transactions in repurchase agreements and certificates of deposit and depository relationships, in the opinion of management, were made in the ordinary course of business, on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectibility or present other unfavorable features.

In February 2002, Heartland Financial purchased loans made by our lead bank subsidiary, Dubuque Bank and Trust, to several directors and executive officers of Heartland Financial and our subsidiaries in order to facilitate their exercise of options to purchase Heartland Financial common stock. The current rate of interest on the loans is 5.60% and each loan expires on December 31, 2002, with the ability to automatically renew for four successive one-year terms. The terms and conditions of the loans are such that Heartland Financial will not incur a loss or charge to income as a result of making these loans. Following is a list of those directors and executive officers of Heartland Financial who, as of the date of this proxy statement, have loans outstanding and the amount of the indebtedness: Lynn B. Fuller - \$791,372; John K. Schmidt - \$190,917; \$; Kenneth J. Erickson - \$147,000; Douglas J. Horstmann - \$104,000 and Paul J. Peckosh - \$236,048.

AUDIT COMMITTEE REPORT

The incorporation by reference of this proxy statement into any document filed with the Securities and Exchange Commission by Heartland Financial shall not be deemed to include the following report unless such report is specifically stated to be incorporated by reference into such document.

The audit committee assists the board in carrying out its oversight responsibilities for our financial reporting process, audit process and internal controls. The audit committee also reviews the audited financial statements and recommends to the board that they be included in our annual report on Form 10-K. The committee is comprised solely of independent directors.

The audit committee has reviewed and discussed our audited financial statements for the fiscal year ended December 31, 2001, with our management and KPMG LLP, our independent auditors. The committee has also discussed with KPMG LLP the matters required to be discussed by SAS 61 (Codification for Statements on Auditing Standards) as well as having received and discussed the written disclosures and the letter from KPMG LLP required by Independence Standards Board Statement No. 1 (Independence Discussions with Audit Committees). Based on the review and discussions with management and KPMG LLP, the committee has recommended to the board that the audited financial statements be included in our annual report on Form 10-K for the fiscal year ended December 31, 2001, for filing with the Securities and Exchange Commission.

Respectfully,
Mark C. Falb, James F. Conlan, Thomas L. Flynn, Robert Woodward

RELATIONSHIP WITH INDEPENDENT AUDITORS

Edgar Filing: HEARTLAND FINANCIAL USA INC - Form DEF 14A

Our board of directors has appointed KPMG LLP to be the independent auditors for the fiscal year ending December 31, 2002, and recommends that the stockholders ratify the appointment. KPMG LLP has been our auditor since June 1994. A representative of KPMG LLP is expected to attend the meeting and will be available to respond to appropriate questions and to make a statement if he or she so desires. If the appointment of independent auditors is not ratified, the matter of the appointment will be considered by the board of directors. The board of directors recommends that you vote your shares FOR ratification of this appointment.

Audit Fees

Our independent auditor during 2001 was KPMG LLP. The aggregate fees and expenses billed by KPMG LLP in connection with the audit of our annual financial statements as of and for the year ended December 31, 2001, and for the required review of our financial information included in our Form 10-Q filings for the year 2001 was \$95,000.

Financial Information Systems Design and Implementation Fees

KPMG LLP did not perform nor bill us for these services during 2001.

All Other Fees

The aggregate fees and expenses billed by KPMG LLP for all other services rendered to us for 2001 was \$76,450.

The audit committee, after consideration of the matter, does not believe the rendering of these services by KPMG LLP is incompatible with maintaining its independence as our principal auditor.

STOCKHOLDER PROPOSALS FOR 2003 ANNUAL MEETING

Any proposals of stockholders intended for presentation at the 2003 annual meeting of stockholders must be received by us on or before December 11, 2002, and must otherwise comply with our bylaws.
