- (1) Bancorp, computed by dividing 70% of the maximum merger consideration payable to holders of Founders Bancorp common stock by the proposed minimum market price of the Registrant's common stock under such agreement (\$31.62 per share).
Calculated pursuant to Rule 457(f)(1) and (f)(3) and Rule 457(c) under the Securities Act of 1933, as amended (the "Securities Act"), solely for the purpose of calculating the registration fee based on the average of the high and low prices for shares of Founders Bancorp common stock (the securities to be exchanged in the merger) as reported on OTC Pink on December 5, 2016 (\$21.75 per share), multiplied by the estimated number of shares of Founders Bancorp common stock (1,270,817) that may be exchanged for the shares of Registrant's common stock registered.
- (2) Pursuant to Rule 457(f)(3) under the Securities Act, the amount of cash that may be payable by the Registrant to holders of shares of Founders Bancorp common stock has been deducted from the proposed maximum aggregate offering price, which amount of cash was calculated by multiplying (i) the estimated cash consideration of \$6.56 per share of Founders Bancorp common stock by (ii) the estimated number of shares of Founders Bancorp common stock (1,270,817) that may be exchanged for the shares of the Registrant's common stock registered.

SUBJECT TO COMPLETION, DATED DECEMBER 12, 2016

FOUNDERS BANCORP

PROPOSED MERGER-YOUR VOTE IS VERY IMPORTANT

Dear Shareholder:

We are happy to advise you that the board of directors of Founders Bancorp (“Founders”) has unanimously approved the merger of Founders into Heartland Financial USA, Inc. (“Heartland”) in accordance with an agreement and plan of merger dated October 29, 2016 (the “merger agreement”). Before we can complete the merger, we must obtain the approval of the shareholders of Founders. We are sending you this document to ask you to vote in favor of approval and adoption of the merger agreement. The Founders board of directors unanimously recommends that you vote “FOR” approval and adoption of the merger agreement.

If the Founders shareholders approve the merger and the other conditions in the merger agreement are satisfied, Founders will merge with and into Heartland, and Heartland will pay the aggregate merger consideration of approximately \$29.1 million for all shares of Founders common stock and for all options to purchase Founders common stock. The aggregate merger consideration will be allocated among the holders of common stock and options based upon the number of shares outstanding and the number of shares that are issuable pursuant to the options on the closing date of the merger. The amount of aggregate merger consideration will be decreased to the extent the transaction expenses of Founders exceed \$1.6 million and may be adjusted either up or down based on the adjusted tangible common equity of Founders (as defined under the caption “The Merger Agreement-Purchase Price and Calculation of Merger Consideration-Total Purchase Price” in the accompanying proxy statement/prospectus). The aggregate merger consideration will be reduced or increased by up to \$5.0 million to the extent that the adjusted tangible common equity of Founders is less than \$18.3 million or greater than \$18.6 million, respectively, on the last business day of the month preceding the closing date of the merger.

We expect that holders of Founders common stock will receive \$21.87 per share in the merger, if there are no adjustments to the aggregate merger consideration or increase in Founders shares outstanding. The aggregate merger consideration is payable in shares of Heartland common stock or cash, or a combination of shares of common stock and cash. Although each Founders shareholder may elect their form of consideration, as described in more detail in the accompanying proxy statement/prospectus, the merger agreement provides that 30% of the aggregate merger consideration paid to shareholders will be payable in cash and 70% of the aggregate merger consideration paid to shareholders will be payable by delivery of Heartland common stock. Assuming no adjustments to the aggregate merger consideration or increase in Founders shares outstanding, the merger agreement provides that:

For Founders shareholders who elect to receive, or are otherwise allocated, cash in exchange for some or all of their shares of Founders common stock, \$21.87 in cash will be paid in exchange for each such share of Founders common stock.

For Founders shareholders who elect to receive, or are otherwise allocated, shares of Heartland common stock in exchange for some or all of their shares of Founders common stock, the number of shares of Heartland common stock that will be issued in exchange for each share of Founders common stock will be determined by dividing the aggregate merger consideration per share by the volume weighted average closing price of Heartland common stock on the NASDAQ Global Select Market during the 20 trading days ending on, and including, the fifth business day prior to the closing date of the merger, provided this volume weighted average closing price will be fixed at \$31.62 if it is less than \$31.62 and at \$42.78 if it is more than \$42.78.

- Using a volume weighted average closing price of \$41.88 as of December 6, 2016, the Founders shareholders would receive .5222 shares of Heartland common stock for such share of Founders common stock. If the volume weighted average closing price of Heartland common stock is \$31.62 or below, Heartland would issue .6917 shares of Heartland common stock for each share of Founders common stock. If the volume weighted

average closing price of Heartland common stock is \$42.78 or above, Heartland would issue .5112 shares of Heartland common stock for each share of Founders common stock.

The actual consideration received will be different from the amounts set forth above, because the adjusted tangible common equity of Founders and the market price for Heartland common stock will fluctuate prior to the completion of

the merger. In addition, because the merger consideration is set by a predetermined formula and it is impossible to predict what elections different Founders shareholders will make, there is no assurance that you will receive precisely the form of consideration that you elect.

Heartland common stock is listed on the NASDAQ Global Select Market under the symbol "HTLF".

To complete the merger we must receive regulatory approvals and the holders of Founders common stock must approve and adopt the merger agreement. Founders will hold a special meeting of shareholders to vote on this merger proposal. Your vote is important. Whether or not you plan to attend the special meeting, please submit your proxy with voting instructions for your shares of Founders common stock in accordance with the instructions contained in this document. If you do not vote your shares of Founders common stock, it will have the same effect as voting against the merger.

For a description of the significant considerations in connection with the merger and related matters described in this document, see "Risk Factors" beginning on page 24.

We encourage you to read this entire document carefully. This proxy statement/prospectus gives you detailed information about the merger, and it includes a copy of the merger agreement as Appendix A.

Sincerely,

/s/ Thomas J. Sherman

FOUNDERS BANCORP

NOTICE OF SPECIAL MEETING OF SHAREHOLDERS
TO BE HELD ON JANUARY 27, 2017

Founders Bancorp ("Founders") will hold a special meeting of its shareholders at Founders' main office located at 237 Higuera Street, San Luis Obispo, California, at 6:30 p.m. Pacific time, on Friday, January 27, 2017 to consider and vote upon the following matters:

a proposal to approve and adopt the agreement and plan of merger between Heartland Financial USA, Inc. ("Heartland") and Founders dated as of October 29, 2016, as it may be amended from time to time, pursuant to which Founders will merge with and into Heartland (the "merger agreement"); and
a proposal to approve the adjournment of the Founders special meeting, if necessary or appropriate, to solicit additional proxies.

Upon completion of the merger, holders of Founders common stock will receive, at their election, cash, Heartland common stock or a combination of cash and Heartland common stock. Your attention is directed to the proxy statement/prospectus accompanying this notice for a complete discussion of the merger. A copy of the merger agreement is included as Appendix A to the proxy statement/prospectus.

The board of directors has fixed the close of business on December 23, 2016 as the record date for the Founders special meeting. Holders of record of Founders common stock at such time are entitled to notice of, and to vote at, the Founders special meeting or any adjournment or postponement of the special meeting.

The Founders board of directors has unanimously approved the merger agreement and unanimously recommends that holders of Founders common stock vote "FOR" approval and adoption of the merger agreement.

Founders shareholders who do not vote in favor of the merger agreement and who strictly comply with Chapter 13 of the California General Corporation Law have the right to assert dissenters' rights under that statute. For a description of the procedures that must be followed to make written demand for dissenters' rights, see the copy of the statute which is attached as Appendix B in the attached proxy statement/prospectus. In addition, a summary of the procedures to be followed in order to obtain payment for dissenting shares is set forth under the caption "The Merger-Notice of Dissenters' Rights" in the attached proxy statement/prospectus.

Whether or not you plan to attend the special meeting, please submit your proxy with voting instructions for your shares of Founders common stock. To submit your proxy by mail, please complete, sign, date and return the accompanying proxy form in the enclosed self-addressed, stamped envelope. Any holder of Founders common stock present at the special meeting may vote in person instead of by proxy, and a proxy may be revoked in writing at any time before the special meeting. The presence of a shareholder at the special meeting will not automatically revoke that shareholder's proxy. A shareholder may revoke a proxy at any time prior to the voting of such proxy on any matter (without, however, affecting any vote taken prior to such revocation) by (i) delivering to Founders a written notice of revocation, (ii) delivering to Founders a duly executed proxy bearing a later date and presenting such proxy at the meeting, or (iii) attending the meeting and voting in person at the meeting.

Sincerely,

/s/ Thomas J. Sherman

President and Chief Executive Officer

Your vote is important. Please complete, sign, date and return your proxy form, whether or not you plan to attend the special meeting

QUESTIONS AND ANSWERS ABOUT THE SPECIAL MEETING AND THE MERGER

Q: What Am I Being Asked To Vote On?

A: Holders of Founders common stock are being asked to approve and adopt a merger agreement entered into between Heartland and Founders. In the merger, Founders will be merged with and into Heartland, with Heartland as the surviving corporation, and holders of Founders common stock will receive, at their election, cash, Heartland common stock or a combination of cash and Heartland common stock.

Q: Why Is The Founders Board of Directors Recommending The Merger?

A: The Founders board believes that the merger is advisable, fair to and in the best interests of Founders and its shareholders.

Q: Why Is My Vote Important?

A: The affirmative vote of the holders of at least a majority of the outstanding shares of Founders common stock is required to approve and adopt the merger agreement. Accordingly, if a holder of Founders common stock fails to vote or abstains, this will have the same effect as a vote against approval and adoption of the merger agreement.

Q: What Will I Receive For My Founders Common Stock If The Merger Is Completed?

A: You will receive, at your election but subject to proration as described below, shares of Heartland common stock, cash or a combination of cash and shares of Heartland common stock for your shares of Founders common stock. Founders shareholders and option holders will receive aggregate merger consideration of \$29.1 million in the merger, but this amount will be decreased to the extent the transaction expenses of Founders exceed \$1.6 million. In addition, the aggregate merger consideration will be decreased or increased, dollar for dollar, by up to \$5.0 million to the extent that the adjusted tangible common equity of Founders is less than \$18.3 million or greater than \$18.6 million, respectively, as of the last business day of the month preceding the closing date of the merger. See “The Merger Agreement-Purchase Price and Calculation of Merger Consideration-Total Purchase Price” on page 53 for additional detail regarding the determination of the aggregate merger consideration, including the definition of “adjusted tangible common equity.”

Assuming there is no adjustment in the aggregate merger consideration or increase in Founders shares outstanding, and that 1,270,817 shares of Founders common stock and options to acquire 107,663 shares of Founders common stock are outstanding when the merger is completed, holders of Founders common stock will be entitled to a purchase price of \$21.87 per share, payable in shares of Heartland common stock, cash or a combination of cash and shares of Heartland common stock. Although each Founders shareholder may elect their form of consideration, the merger agreement provides that 30% of the aggregate merger consideration paid to shareholders will be payable in cash and 70% of the aggregate merger consideration paid to shareholders will be payable by delivery of Heartland common stock. Assuming no adjustments to the aggregate merger consideration or increase in Founders shares outstanding, the merger agreement provides that:

For Founders shareholders who elect to receive, or are otherwise allocated, cash in exchange for some or all of their shares of Founders common stock, \$21.87 in cash will be paid in exchange for each such share of Founders common stock.

For Founders shareholders who elect to receive, or are otherwise allocated, shares of Heartland common stock in exchange for some or all of their shares of Founders common stock, the number of shares of Heartland common stock that will be issued in exchange for each share of Founders common stock will be determined by dividing the aggregate merger consideration per share by the volume weighted average closing price of Heartland common stock on the NASDAQ Global Select Market during the 20 trading days ending on, and including, the fifth business day prior to the closing date of the merger, provided this volume weighted average closing price will be fixed at \$31.62 if it is less than \$31.62 and at \$42.78 if it is more than \$42.78.

Using a volume weighted average closing price of \$41.88 as of December 6, 2016, Founders shareholders would receive .5222 shares of Heartland common stock for such share of Founders common stock. If the volume weighted average closing price of Heartland common stock is \$31.62 or below, Heartland would issue .6917 shares of Heartland common stock for each share of Founders common stock. If the volume weighted average closing price of Heartland common stock is \$42.78 or above, Heartland would issue .5112 shares of Heartland common stock for each share of Founders common stock.

The actual consideration received will be different from the amounts set forth above, because the adjusted tangible common equity of Founders and the market price for Heartland common stock will fluctuate prior to the completion of the merger. In addition, because the merger consideration is set by a predetermined formula and it is impossible to predict what elections different Founders shareholders will make, there is no assurance that you will receive precisely the form of consideration that you elect.

Q: What Are The Details Of The Consideration Election?

Although you will be entitled to elect to receive only cash (a cash election), only shares of Heartland common stock (a stock election), or a combination of cash and Heartland common stock (a mixed election) for your shares of Founders common stock, you are not being asked to make an election at this time. By returning the proxy that is enclosed with this proxy statement/prospectus, you will not be making a consideration election. Computershare, Inc., which will act as Heartland's exchange agent (the "Exchange Agent"), will send you election materials by a separate mailing. The procedures necessary to make an election are described under the caption "The Merger Agreement-Election Procedures."

Of the aggregate merger consideration payable to holders of Founders common stock, 30% of the consideration will be paid in cash and 70% by delivering shares of Heartland common stock. If the total amount of cash that Founders shareholders elect to receive is more than 30% of the aggregate merger consideration paid to shareholders, then a sufficient number of Founders shares subject to a cash election will be converted on a pro rata basis (excluding dissenting shares) into shares subject to a stock election, so that 30% of the aggregate merger consideration paid to shareholders will be paid in cash. Any dissenting shares will be deemed cash election shares.

Similarly, if the Heartland common stock that Founders shareholders elect to receive is more than 70% of the aggregate merger consideration, then a sufficient number of Founders shares subject to a stock election will be converted on a pro rata basis into shares subject to a cash election, so that 70% of the aggregate merger consideration paid to shareholders will be paid in stock. Shares of Founders common stock subject to no election will be treated as cash election shares or stock election shares so as to minimize the amount of any cash or stock proration.

Q: What Will Happen To Founders Stock Options?

At the effective time of the merger, each option to purchase shares of Founders common stock that is outstanding, vested and unexercised immediately prior to the effective time will be cancelled in exchange for the right to receive from Heartland a single lump sum cash payment equal to the product of (a) the number of shares of Founders common stock subject to such stock option, and (b) the excess of the aggregate merger consideration per share over the exercise price per share of such stock option, less any applicable withholding taxes. All Founders stock options will terminate at the effective time of the merger, and the surrender of a Founders stock option to Heartland in exchange for this stock option consideration will be deemed a release of any and all rights the option holder had or may have had in respect of such stock option.

Founders anticipates that options to acquire 107,663 shares of Founders common stock will be outstanding at the effective time of the merger. Immediately prior to the effective time of the merger, stock options held by Founders' directors, which are scheduled to vest on or after April 1, 2017, will be cancelled pursuant to option amendment agreements. As a result, Founders' directors will not receive the stock option consideration described above with respect to such cancelled stock options.

Q: When Do You Expect To Complete The Merger?

We are working to complete the merger as quickly as possible. We cannot complete the merger until a number of conditions are satisfied, including (i) approvals by the Founders shareholders, the Federal Deposit Insurance Corporation (the "FDIC") and the Division of Financial Institutions of the California Department of Business Oversight, and (ii) receipt of a waiver from the Federal Reserve Board of the application requirement under the Bank Holding Company Act, or approval of the merger by the Federal Reserve Board in lieu of such waiver. We expect to complete the merger in the first quarter of 2017, assuming these and other approvals are received.

Q: Do I Have Dissenters' Rights?

A: Yes. Under California law, Founders' state of incorporation, holders of Founders common stock have the right to assert dissenters' rights and, rather than receive the merger consideration, demand the "fair value" of their shares in cash. To do so, you must not vote in favor of the merger and must instead follow the procedures set forth below

under

7

the caption "The Merger-Notice of Dissenters' Rights." A copy of the California statute governing dissenters' rights is included as Appendix B to this proxy statement/prospectus. The "fair value" of the shares may be determined in a court-supervised proceeding, and the court may conclude that fair value is greater than, equal to or less than the merger consideration.

One condition to Heartland's obligation to complete the merger is that the total number of dissenting shares of Founders common stock cannot be more than 12% of the outstanding shares of Founders common stock.

We encourage you to read the statutes governing dissenters' rights carefully and to consult with legal counsel if you desire to exercise your dissenters' rights.

Q: What Do I Need To Do Now?

A: After you have carefully read this document, you should indicate on your proxy form how you want your shares of Founders common stock to be voted, and then complete, sign and date your proxy. This will enable your shares to be represented and voted at the Founders special meeting.

Q: If My Shares Are Held In Street Name By My Broker, Will My Broker Automatically Vote My Shares For Me?

No. Without instructions from you, your broker will not be able to vote your shares of Founders common stock.

A: You should instruct your broker on how to vote your shares, following the directions your broker provides. Please check the voting form used by your broker to see if it offers telephone or Internet voting.

Q: Can I Change My Vote?

A: Yes. There are three ways you can change your vote after you have submitted your proxy:

First, you may send a written notice to the Secretary of Founders at 237 Higuera Street, San Luis Obispo, California 93401, stating that you would like to revoke your proxy.

Second, you may complete and submit a new proxy form. Your latest vote actually received by Founders before the special meeting will be counted, and any earlier votes will be revoked.

Third, you may attend the Founders special meeting and vote in person. Your presence at the meeting will not automatically revoke your proxy. You may revoke your proxy at any time prior to the voting of the proxy by attending the meeting and providing written or oral notice of revocation with the presiding officer during the meeting (at which point you may vote in person).

If you have instructed a broker on how to vote your shares, you must follow the directions you receive from your broker in order to change or revoke your vote.

Q: How Do I Make An Election To Receive Cash Or Heartland Common Stock?

A: The Exchange Agent will send you election materials by a separate mailing, which will also include transmittal materials. You will not be making an election by submitting a proxy or voting at the meeting.

Q: Should I Send In My Founders Stock Certificates Now?

A: No, please do not send in your stock certificates at this time. You will be provided with transmittal materials by a separate mailing that explains what you must do to exchange your Founders stock certificates for the merger consideration after the merger is complete.

Q: Whom Should I Call With Questions?

A: If you have questions about the merger or the special meeting or you need additional copies of this document, or if you have questions about the process for voting or if you need a replacement proxy form, you should contact:

SUMMARY

This summary highlights selected information from this document. It does not contain all of the information that may be important to you. We urge you to read carefully the entire document and the other documents to which we refer in order to understand fully the merger and the related transactions. In addition, we incorporate by reference into this document important business and financial information about Heartland. You may obtain the information incorporated by reference into this document without charge by following the instructions in the section entitled “Where You Can Find More Information” on page 72. Each item in this summary refers to the page of this document on which that subject is discussed in more detail.

The Companies (Pages 62 and 63)

Founders

Founders is a California corporation headquartered in San Luis Obispo, California that was formed in 2007 for the purpose of becoming the parent bank holding company of Founders Community Bank. Founders is registered as a bank holding company under the Bank Holding Company Act of 1956, as amended, and is regulated by the Federal Reserve Board. Founders is not a “reporting company” under federal securities law, and does not file periodic reports with the Securities and Exchange Commission (the “SEC”). Founders common stock is not listed on an exchange, but is thinly traded in the over the counter market, or OTCBB Pink. Founders’ principal asset is its wholly-owned subsidiary, Founders Community Bank, a California state chartered non-member bank. Founders Community Bank does business through four branch offices located throughout San Luis Obispo County, as well as a small business lending center in Atascadero. Through these offices, Founders Community Bank provides general community banking services. As of September 30, 2016, Founders had total assets of \$198.5 million, total deposits of \$180.0 million and total shareholders’ equity of \$18.3 million.

Founders’ principal offices are located at 237 Higuera Street, San Luis Obispo, California 93401, and its telephone number is (805) 543 6500.

Heartland

Heartland is a publicly-held Delaware corporation headquartered in Dubuque, Iowa, with 10 bank subsidiaries in the States of Iowa, Illinois, Wisconsin, New Mexico, Arizona, Montana, Colorado, Minnesota, Kansas, Missouri, Texas and California. Together, Heartland’s banking subsidiaries operate a total of 108 banking locations. Heartland also has five non-banking subsidiaries, including a consumer finance company with offices in Iowa, Illinois and Wisconsin, a subsidiary involved in property management, a community development company and two multi-line insurance agencies, as well as eight special-purpose trust subsidiaries formed to offer cumulative capital securities. At September 30, 2016, Heartland had total assets of \$8.2 billion, total loans of \$5.5 billion, total deposits of \$6.9 billion and common stockholders’ equity of \$703.0 million.

Heartland’s principal offices are located at 1398 Central Avenue, Dubuque, Iowa 52001, and its telephone number is (563) 589 2100.

Founders Will be Merged into Heartland (Page 53)

We encourage you to read the merger agreement, which is attached as Appendix A to this proxy statement/prospectus. The merger agreement provides that Founders will be merged with and into Heartland. Heartland will survive the merger, and the separate corporate existence of Founders will cease. Immediately after the merger, Founders Community Bank, the wholly-owned banking subsidiary of Founders, will be merged with and into Premier Valley Bank, Heartland’s wholly-owned banking subsidiary in California. After completion of the merger of Founders Community Bank into Premier Valley Bank, the Founders Community Bank branches will continue to operate under the Founders Community Bank name as a division of Premier Valley Bank.

What You Will Receive in the Merger (Page 53)

Founders Common Stock

Upon completion of the merger, you will receive cash, Heartland common stock, or a combination of cash and Heartland common stock, for your shares of Founders common stock. You will be able to make an election as to the form of merger consideration that you will receive, but your election may be changed if Founders shareholders collectively elect to receive more than 30% of the aggregate merger consideration paid to shareholders in cash or more than 70% of the aggregate

merger consideration paid to shareholders in the form of Heartland common stock. The amount of merger consideration that you will receive is dependent upon the adjusted tangible common equity of Founders as of closing, and if you receive shares of Heartland common stock as part of the merger consideration, the number of shares you will receive is dependent on the stock's trading price.

The aggregate merger consideration assigned by the merger agreement to Founders common stock and options is equal to \$29.1 million, but this amount will be reduced to the extent transaction expenses of Founders exceed \$1.6 million. In addition, the aggregate merger consideration will be decreased or increased, dollar for dollar, by up to \$5.0 million to the extent that the adjusted tangible common equity of Founders is less than \$18.3 million or greater than \$18.6 million, respectively, as of the last business day of the month preceding the closing date of the merger. If such calculation had been completed as of November 30, 2016, the adjusted tangible common equity of Founders would have been approximately \$18.3 million. See "The Merger Agreement-Purchase Price and Calculation of Merger Consideration-Total Purchase Price" on page 53 for additional detail regarding the determination of the aggregate merger consideration, including the definition of the "adjusted tangible common equity" of Founders.

Assuming there is no adjustment to the aggregate merger consideration, and that 1,270,817 shares of Founders common stock and stock options to acquire 107,663 shares of Founders common stock are outstanding when the merger is completed, holders of Founders common stock will be entitled to merger consideration, payable in cash or in shares of Heartland common stock, or a combination of both, of \$21.87 per share. Assuming no adjustments to the aggregate merger consideration or increase in Founders shares outstanding, the merger agreement provides that: For Founders shareholders who elect to receive, or are otherwise allocated, cash in exchange for some or all of their shares of Founders common stock, \$21.87 in cash will be paid in exchange for each such share of Founders common stock.

For Founders shareholders who elect to receive, or are otherwise allocated, shares of Heartland common stock in exchange for some or all of their shares of Founders common stock, the number of shares of Heartland common stock that will be issued in exchange for each share of Founders common stock will be determined by dividing the aggregate merger consideration per share by the volume weighted average closing price of Heartland common stock on the NASDAQ Global Select Market during the 20 trading days ending on, and including, the fifth business day prior to the closing date of the merger, provided this volume weighted average closing price will be fixed at \$31.62 if it is less than \$31.62 and at \$42.78 if it is more than \$42.78.

Using a volume weighted average closing price of \$41.88 as of December 6, 2016, Founders shareholders would receive .5222 shares of Heartland common stock for such share of Founders common stock. If the volume weighted average closing price of Heartland common stock is \$31.62 or below, Heartland would issue .6917 shares of Heartland common stock for each share of Founders common stock. If the volume weighted average closing price of Heartland common stock is \$42.78 or above, Heartland would issue .5112 shares of Heartland common stock for each share of Founders common stock.

If the total amount of cash that Founders shareholders elect to receive is more than 30% of the aggregate merger consideration paid to Founders shareholders, then a sufficient number of shares of Founders common stock subject to a cash election will be converted on a pro rata basis (excluding dissenting shares) into shares subject to a stock election, so that the 30% of the aggregate merger consideration paid to Founders shareholders will be paid in cash. Any dissenting shares will be deemed cash election shares.

Similarly, if the Heartland common stock that Founders shareholders elect to receive is more than 70% of the aggregate merger consideration paid to Founders shareholders, then a sufficient number of shares of Founders common stock subject to a stock election will be converted on a pro rata basis into shares subject to a cash election, so that 70% of the aggregate merger consideration paid to Founders shareholders will be paid in stock.

Shares of Founders common stock subject to no election will be treated as cash election shares or stock election shares so as to minimize any cash or stock proration.

Merger Consideration Example

The following table illustrates scenarios for changes to the volume weighted average closing price of Heartland common stock used to determine the exchange ratio, ranging from 30% above to 30% below \$37.20 per share which is the mid-point between the collars of \$42.78 and \$31.62. The table illustrates the impact on the exchange ratio, cash consideration per share and aggregate merger consideration, depending upon the volume weighted average closing price of Heartland common

11

stock. As shown in the table, if the volume weighted average closing price of Heartland common stock reached either the upper or lower collars of \$42.78 and \$31.62 per share, the exchange ratio would become fixed at 0.5112 if the share price is above \$42.78 or 0.6917 if the share price is below \$31.62, respectively. The following table assumes there are 1,270,817 shares of Founders common stock outstanding as of the closing date. The table reflects that the merger consideration paid will consist of whole shares of Heartland common stock. The table does not reflect the cash totaling \$1,345,000 payable to holders of Founders stock options to cancel such options and the cash paid in lieu of fractional shares of Heartland common stock.

(1) Exchange ratio has been rounded to the nearest ten-thousandth.

(2) Excludes \$1,345,000, which is the aggregate cash amount payable to holders of outstanding Founders options.

Assumes no adjustment resulting from the amount of Founders' transaction-related expenses or for increases or decreases in Founders adjusted tangible common equity. See "The Merger Agreement-Purchase Price and Calculation of Merger Consideration" on page 56.

For a Founders shareholder electing 100% cash, the cash consideration per share of Founders common stock is \$21.87 if no adjustments to the aggregate merger consideration are made and outstanding shares of Founders common stock do not increase. For a Founders shareholder electing 100% stock, the implied value of the stock consideration per share of Founders common stock is \$21.87 based on the variable exchange ratio if the volume weighted average closing price of Heartland common stock remains within the collars, no adjustments to the aggregate merger consideration are made, and shares of Founders common stock outstanding do not increase. However, if the volume weighted average closing price of Heartland common stock is greater than the upper collar of \$42.78 or less than the lower collar of \$31.62, the exchange ratio becomes fixed, although the value of the stock component of the consideration will fluctuate depending on the volume weighted average closing price of Heartland common stock. Further, the aggregate merger consideration will be decreased to the extent the transaction expenses of Founders exceed \$1.6 million, and the aggregate merger consideration may be adjusted either up or down by up to \$5.0 million to the extent that the adjusted tangible common equity of Founders is less than \$18.3 million or greater than \$18.6 million, respectively, on the last business day of the month preceding the closing date of the merger. See "The Merger Agreement-Purchase Price and Calculation of Merger Consideration" on page 53.

The actual consideration received will be different from the amounts set forth above, because the adjusted tangible common equity of Founders and the market price for Heartland common stock will fluctuate prior to the completion of the merger. In addition, because the merger consideration is set by a predetermined formula and it is impossible to

predict what elections different Founders shareholders will make, there is no assurance that you will receive precisely the form of consideration that you elect.

Founders Stock Options

Except with respect to options held by directors scheduled to vest on or after April 1, 2017, which will be cancelled at the effective time of the merger without any right to receive consideration, each option to purchase shares of Founders common stock that is outstanding, vested and unexercised immediately prior to the effective time will be cancelled in exchange for the right to receive from Heartland a single lump sum cash payment equal to the product of (a) the number of shares of Founders common stock subject to such stock option, and (b) the excess of the aggregate merger consideration per share over the exercise price per share of such stock option, less any applicable withholding taxes. All Founders stock options will terminate

at the effective time of the merger, and the surrender of a Founders stock option to Heartland in exchange for the stock option consideration will be deemed a release of any and all rights the option holder had or may have had in respect of such stock option. Founders anticipates that options to acquire 107,663 shares of Founders common stock will be outstanding on the closing date of the merger.

The Founders Board of Directors Unanimously Recommends that You Vote “FOR” the Approval and Adoption of The Merger Agreement (Page 32)

The board of directors of Founders believes that the merger is in the best interests of Founders and its shareholders and has unanimously approved the merger agreement. For the factors considered by the Founders board of directors in reaching its decision to approve the merger agreement, see the section entitled “The Merger-Founders’ Reasons for the Merger.”

From time to time, the board of directors of Founders has considered strategic opportunities to continue building shareholder value, including acquiring other financial institutions, a merger of equals, or being acquired by a larger financial institution in an effort to better manage, among other things, the increasing regulatory burden and compliance costs and to seek better efficiencies and economies of scale. From time to time, the board has also analyzed Founders’ prospects if the company remained independent, including the need for raising additional capital to support growth initiatives. The Founders board of directors considered the challenges facing the community banking industry, including the need for additional scale in order to offset increasing regulatory expenses, a continued low interest rate environment, and the need to attract and retain talented banking professionals to properly manage the business. The Founders board of directors also considered the benefits of greater liquidity for Founders’ shareholders. In light of the headwinds facing the community banking industry, at its April 2016 meeting, the Founders board of directors authorized Thomas J. Sherman, President and Chief Executive Officer of Founders, to begin exploring the acquisition of Founders by a larger financial institution and to explore such possibilities with the assistance of D.A. Davidson & Co. (“Davidson”), Founders’ financial advisor. Ultimately, this led to the proposed merger agreement with Heartland.

Founders’ Financial Advisor Has Provided an Opinion to the Founders Board of Directors as to the Fairness of the Merger Consideration, from a Financial Point of View, to Holders of Founders Common Stock (Page 34)

In deciding to approve the merger, the board of directors of Founders considered the opinion of Davidson that, as of the date of such opinion and based upon and subject to the assumptions, qualifications and limitations described in the opinion, the aggregate merger consideration per share to be paid pursuant to the merger agreement was fair from a financial point of view to the holders of Founders common stock. This opinion was given to the board of directors of Founders on October 29, 2016. A copy of this opinion is attached to this proxy statement/prospectus as Appendix C. Founders shareholders should read the opinion completely and carefully to understand the assumptions made, matters considered and limitations on the review undertaken by Davidson in providing its opinion.

Founders’ Management and Directors have Interests in the Merger (Page 46)

In considering the recommendation of Founders’ board of directors to approve the merger agreement, you should be aware that Founders’ management has interests in the merger and has arrangements that are different from, or in addition to, those of Founders shareholders generally. Founders’ board of directors was aware of these interests and considered them, among other matters, in reaching its decisions to approve the merger agreement and to recommend that Founders shareholders vote in favor of the merger agreement. For example, upon completion of the merger, Founders’ President and Chief Executive Officer, Thomas J. Sherman, will become an employee of Premier Valley Bank, and he and other members of management hold unvested employee stock options that will become fully vested. In addition, Mr. Sherman and two other Founders directors, J. Todd Mirolla and D. Michael Patrick, will be appointed to the board of directors of Premier Valley Bank upon completion of the merger.

Regulatory Approvals We Must Obtain for the Merger (Page 47)

The merger of Founders into Heartland, and the merger of Founders Community Bank into Premier Valley Bank, cannot occur unless we file applications with the FDIC and the Division of Financial Institutions of the California Department of Business Oversight, and these applications are approved. We are relying on the application process with the FDIC for an exemption from a requirement to file an application and obtain the prior approval of the Board of Governors of the Federal Reserve System for the merger of Founders into Heartland. Once the FDIC approves the

merger of the bank subsidiaries, we will be required to wait anywhere from 15 to 30 days before we can complete the transaction, during which time the U.S. Department of Justice may challenge the transaction on antitrust grounds. We will not be able to complete the merger of Founders into Heartland until this time period has expired.

Although we currently believe we should be able to obtain these regulatory approvals in a timely manner, we cannot be certain when or if we will obtain them or, if obtained, whether they will contain terms, conditions or restrictions not currently contemplated that will be detrimental to Heartland or Premier Valley Bank after the completion of the merger.

Completion of the Merger is Subject to Satisfying Several Conditions (Page 57)

Founders' and Heartland's respective obligations to complete the merger are subject to the fulfillment or waiver of certain conditions, including:

- the approval and adoption of the merger agreement by the holders of a majority of the outstanding shares of Founders common stock entitled to vote;

- the receipt of governmental and regulatory approvals required to complete the merger;

- the absence of any injunction or order, or any law or regulation, that would impair the merger;

- the absence of any governmental action which would reasonably be expected to result in restraining or prohibiting the merger, prohibiting Heartland's ownership of the business or assets of Founders or Founders Community Bank or requiring a divestiture by Heartland of business or assets of Heartland, Founders or Founders Community Bank;

- the merger agreement having not been terminated; and

- the effectiveness of the registration statement (of which this proxy statement/prospectus is a part) with respect to the Heartland common stock to be issued in connection with the merger.

An additional condition to Heartland's obligation to complete the merger is that the total number of dissenting shares cannot be more than 12% of the outstanding shares of Founders common stock.

We cannot be certain when, or if, the conditions to the merger will be satisfied or waived, or that the merger will be completed.

When Can the Companies Terminate the Merger Agreement (Page 59)

Founders and Heartland may agree in writing to terminate the merger agreement before completing the merger, even after approval and adoption of the merger agreement by the Founders shareholders, if a majority of the board of directors of each of Founders and Heartland votes to do so.

In addition, either Heartland or Founders may decide to terminate the merger agreement in various circumstances, including the following:

- if there is a law or governmental order that prohibits the merger;

- if a governmental entity has denied the approval of the merger and such denial is final and non-appealable;

- if the other party has or will have breached any representation, warranty or agreement in any material respect or if satisfaction of any closing condition by the other party is or becomes impossible;

- if the merger has not been completed by June 30, 2017, unless the failure to complete the merger is due to the party seeking to terminate the agreement; or

- if holders of a majority of the outstanding shares of Founders common stock entitled to vote fail to approve the merger at the special meeting.

Founders may terminate the merger agreement if, prior to the adoption of the agreement by the requisite vote of the Founders shareholders, the Founders board of directors determines to enter into another acquisition agreement with a

party other than Heartland if Founders has received a “superior proposal” from the other party, and Founders complies with applicable provisions of the merger agreement. If Founders terminates the agreement because of a superior proposal or if Heartland terminates the agreement because of a material breach by Founders of its obligation to recommend adoption of the

14

merger agreement or to refrain soliciting other offers to acquire Founders, Founders has agreed to pay Heartland a termination fee of \$1.2 million.

You have Dissenter's Rights under California General Corporation Law (Page 51)

Under Chapter 13 of the California General Corporation Law ("CGCL"), holders of Founders common stock who determine to dissent from, and do not vote in favor of, the merger may elect to have the "fair value" of their shares of Founders stock individually appraised and paid to them if the merger is completed and if they comply with the requirements of Chapter 13 of the CGCL, a copy of which is attached to this proxy statement/prospectus as Appendix B. See "The Merger-Notice of Dissenters' Rights."

Founders Special Meeting (Page 27)

The Founders special meeting will be held at Founders' main office located at 237 Higuera Street, San Luis Obispo, California, at 6:30 p.m. Pacific time, on Friday, January 27, 2017. At the Founders special meeting, holders of Founders common stock will be asked:

• to approve and adopt the merger agreement; and

• to approve the adjournment of the Founders special meeting, if necessary or appropriate, to solicit additional proxies.

Record Date. Founders shareholders may cast one vote at the Founders special meeting for each share of Founders common stock owned at the close of business on December 23, 2016. At that date, there were 1,270,817 shares of Founders common stock entitled to be voted at the special meeting.

The executive officers and directors of Founders have agreed to vote their shares in favor of the merger and the merger agreement. As of the record date for the Founders special meeting, directors and executive officers of Founders had the right to vote 376,153 shares or 29.6% of the outstanding shares of Founders common stock.

Required Vote. To approve and adopt the merger agreement, the holders of a majority of the outstanding shares of Founders common stock entitled to vote must vote in favor of the approval and adoption of the merger agreement. A Founders shareholder's failure to vote, a broker non-vote or an abstention will have the same effect as a vote against the approval and adoption of the merger agreement.

United States Federal Income Tax Consequences (Page 47)

Heartland and Founders intend that the merger will qualify as a "reorganization" within the meaning of Section 368(a) of the Internal Revenue Code, and it is a condition to Founders' obligation to complete the merger that it receive an opinion from Founders' special tax counsel, Katten Muchin Rosenman LLP, to the effect that the merger will so qualify. Accordingly, U.S. holders (as defined in the section entitled "The Merger-Material United States Federal Income Tax Consequences of the Merger" beginning on page 47 of this proxy statement/prospectus) of Founders common stock generally will not recognize gain or loss for U.S. federal income tax purposes upon the exchange of their shares of Founders common stock for Heartland common stock. U.S. holders who receive cash (other than cash received in lieu of a fractional share of Heartland common stock) and Heartland common stock will recognize gain, but will not recognize any loss, for U.S. federal income tax purposes in an amount equal to the lesser of (i) the amount of cash received (other than cash received in lieu of a fractional share of Heartland common stock) and (ii) the excess, if any, of (x) the sum of the amount of such cash and the fair market value of the Heartland common stock received in the merger, over (y) the U.S. holder's tax basis in the shares of Founders common stock surrendered in the merger. In addition, the U.S. holder will recognize gain or loss attributable to cash received in lieu of a fractional share of Heartland common stock. U.S. holders who receive only cash in the merger and U.S. holders who dissent and receive cash for their dissenting shares will recognize a taxable gain or loss. For a description of the material U.S. federal income tax consequences of the merger, see "The Merger-Material United States Federal Income Tax Consequences of the Merger" beginning on page 47. Founders shareholders are strongly urged to consult with their tax advisors concerning the U.S. federal income tax consequences of the merger to them, as well as the effects of state and local, foreign and other tax laws.

Comparative Per Share Data

The following table presents comparative historical per share data of Heartland and Founders and unaudited pro forma per share data that reflect the combination of Heartland and Founders using the purchase method of accounting.

The information listed as “equivalent pro forma” was obtained by multiplying the pro forma amounts by an exchange ratio of .5222, which is the exchange ratio on the date of this proxy statement/prospectus, based on the financial position of Founders at September 30, 2016 (assuming Founders adjusted tangible common equity of \$18.3 million), and the volume weighted average closing price of Heartland common stock for the 20 trading days ending December 6, 2016 of \$41.88. However, as explained in this proxy statement/prospectus, the exchange ratio may go up or down as the adjusted tangible common equity of Founders changes (including any changes due to income or loss prior to the closing date that would increase or decrease shareholders’ equity, and any changes in anticipated transaction expenses) and the market price of Heartland common stock changes.

We expect that Heartland and Founders will incur merger and integration charges as a result of combining Heartland and Founders. We also anticipate that the merger will provide the combined company with financial benefits that include reduced operating expenses and the opportunity to earn more revenue. The pro forma information, while helpful in illustrating the financial characteristics of the combined company under one set of assumptions, does not reflect these expenses or benefits and, accordingly, does not attempt to predict or suggest future results. It also does not necessarily reflect what the historical results of the combined company would have actually been had Heartland and Founders been combined as of the dates or for the periods presented.

Market Price Information

Heartland common stock is quoted on the NASDAQ Global Select Market under the symbol “HTLF.” Founders common stock is not listed on an exchange, but is thinly traded in the over the counter market or OTCBB Pink under the symbol “FBCP.” The following table sets forth the closing sale prices per share of Heartland common stock and Founders common stock on October 28, 2016, the last trading day before we announced the merger, and on December 6, 2016, and the equivalent price per share of Heartland common stock giving effect to the merger.

	Closing Sales Price			Equivalent Price per Share of Heartland Common Stock
	Heartland Common Stock	Founders Common Stock		
October 28, 2016	\$37.40	\$13.37		\$19.53
December 6, 2016	\$44.65	\$21.95		\$23.32

The “Equivalent Price per Share of Heartland Common Stock” at each specified date in the above table represents the product of the closing sales price of a share of Heartland common stock on that date multiplied by the estimated exchange ratio of .5222, which is the exchange ratio on the date of this proxy statement/prospectus, based on the financial position of Founders at September 30, 2016 (assuming Founders adjusted tangible common equity of \$18.3 million), and the volume weighted average closing price of Heartland common stock for the 20 trading days ending December 6, 2016 of \$41.88. Shareholders should obtain current market price quotations for shares of Heartland common stock prior to making any decisions with respect to the merger.

The market price of Heartland common stock will likely fluctuate between the date of this proxy statement/prospectus and the date on which the merger is completed and after the merger. Because the market price of Heartland common stock is subject to fluctuations, the exchange ratio is expected to change and the value of the shares of Heartland common stock Founders shareholders will receive in the merger may increase or decrease prior to and after the merger.

By voting to approve the merger agreement and the transactions contemplated by it, and electing to receive shares of Heartland common stock as consideration for shares of Founders common stock, holders of Founders common stock will be choosing to invest in Heartland because they will receive Heartland common stock in exchange for their shares of Founders common stock. An investment in Heartland's common stock involves significant risk. In addition to the other information included in this proxy statement/prospectus, including the matters addressed under the caption "Forward-Looking Statements" beginning on page 26, Founders shareholders should carefully consider the matters described under the caption "Risk Factors" beginning on page 24 when determining whether (i) to approve the merger agreement and the transactions it contemplates, and (ii) to make a stock election.

Tangible book value per common share is total common stockholders' equity less goodwill and intangible assets, net, divided by common shares outstanding. This financial measure was not determined in accordance with U.S. Generally Accepted Accounting Principles ("GAAP"), but has been included as it is considered to be a critical metric with which to analyze and evaluate financial condition and capital strength. This measure should not be considered a substitute for operating results determined in accordance with GAAP. See Reconciliation of Tangible Book Value Per Common Share (non GAAP) on page 21.

RISK FACTORS

By voting in favor of the merger and making a stock election, you will be choosing to invest in Heartland's common stock. In addition to the information contained elsewhere in this proxy statement/prospectus or incorporated in this proxy statement/prospectus by reference, as a shareholder of Founders, you should carefully consider the following factors in making your decision as to how to vote on the merger.

Risks Relating to the Merger

The merger consideration is subject to adjustment for changes in the adjusted tangible common equity of Founders. The amount of cash and the number of shares of Heartland common stock that will be issued in the merger may be dependent upon the adjusted tangible common equity of Founders as of the last business day of the month preceding the closing date of the merger, and the aggregate merger consideration is reduced or increased by up to \$5.0 million to the extent that the adjusted tangible common equity of Founders is less than \$18.3 million or greater than \$18.6 million. The adjusted tangible common equity of Founders at September 30, 2016 was approximately \$18.3 million. Changes in adjusted tangible common equity may result from ordinary business conditions that impact the interest and non-interest income of Founders, unanticipated transaction expenses, or more general market and economic conditions that impact Founders operations. If the adjusted tangible common equity of Founders declines before the end of the month preceding the closing date, the merger consideration received by Founders shareholders and option holders may be reduced.

Because of the formula for determining the merger consideration, and because the market price of Heartland common stock may fluctuate, a Founders shareholder or option holder cannot be sure of the value of the merger consideration, or the number of shares of Heartland common stock, that he or she will receive.

Upon completion of the merger, shares of Founders common stock will be converted into shares of Heartland common stock, cash, or a combination of shares of Heartland common stock and cash, and each stock option to purchase shares of Founders common stock that is outstanding, vested and unexercised immediately prior to the effective time of the merger will be converted into cash. The total value of the consideration will depend upon Founders' final adjusted tangible common equity, and the number of shares of Heartland common stock received will further depend upon the volume weighted average closing price of Heartland common stock during the 20 trading day measurement period ending on, and including, the fifth business day prior to the closing date of the merger. Changes in the trading price of Heartland common stock may result from a variety of factors, including, changes in Heartland's business, operations and prospects, and regulatory actions. When you vote or decide whether to exercise dissenter's rights, you will not know either the number or the exact value of the shares of Heartland common stock, or the amount of cash, that you will receive in the merger. You are urged to obtain current market quotations for Heartland common stock and to consult with your financial advisors before you vote on the merger or decide to exercise dissenters' rights. The interests of Founders management and directors may be different from those of other shareholders.

Management and director interests in the merger may cause them to view the merger proposal differently than you may view it. The board of directors of Founders was aware of these interests at the time it approved the merger. Heartland and its wholly-owned subsidiary Premier Valley Bank negotiated a new employment agreement with Thomas J. Sherman, the President and Chief Executive Officer of Founders and Founders Community Bank, that would supersede his existing change in control agreement if the merger is completed. Mr. Sherman's employment agreement provides that Premier Valley Bank will employ Mr. Sherman for a minimum two-year term. The employment agreement provides for a base salary of \$200,000, a retention bonus of \$200,000 payable in equal monthly installments for 24 months following the completion of the merger, a performance-based bonus of up to 30% of base salary, equity awards from Heartland, severance payments and other benefits. Mr. Sherman will be subject to one-year noncompete and nonsolicitation covenants following termination of his employment.

Mr. Sherman's existing change in control agreement with Founders Community Bank provides him with the right to receive severance payments if his employment is terminated by Founders Community Bank other than for death, disability, retirement or for "cause," or by him for "good reason" (as those terms are defined in the change in control agreement) within two years following the consummation of a change in control. The severance payments would be equal to his total accrued compensation from Founders Community Bank during the 24 months prior to termination of employment, including salary, bonus, insurance premiums and employer matching contributions under Founders'

401(k) plan. Because the change in control

24

agreement will be superseded by Mr. Sherman's new employment agreement, he will not receive any severance payments under the change in control agreement if the merger is completed.

Mr. Sherman and other members of management hold unvested employee stock options to acquire shares of Founders common stock that will become fully vested upon completion of the merger. However, upon completion of the merger, Founders directors including Mr. Sherman have agreed to terminate stock options that were earned for their board service and that were scheduled to vest on or after April 1, 2017.

Upon completion of the merger, Mr. Sherman and two other Founders directors, J. Todd Mirolla and D. Michael Patrick, will be appointed to the board of Premier Valley Bank.

Mr. Sherman and all other present and former directors and officers of Founders and Founders Community Bank will be entitled to ongoing indemnification rights provided for in the charter documents of the respective entities as of the date of the merger agreement, or as required under applicable law, until the expiration of the applicable statute of limitations. Furthermore, Heartland will pay for a "tail" insurance policy with a claims period of at least six years from and after the effective time of the merger with respect to directors' and officers' liability insurance and fiduciary liability insurance. The policy will provide coverage at least as favorable as Founders' and Founders Community Bank's existing policies with respect to matters existing or occurring at or prior to the effective time of the merger. The merger is subject to certain closing conditions that, if not satisfied or waived, will result in the merger not being completed, which may cause the prices of Heartland common stock and the value of Founders common stock to decline.

Consummation of the merger is subject to customary conditions to closing in addition to the receipt of the required regulatory approvals and approval of the Founders shareholders of the merger agreement. If any condition to the merger is not satisfied or waived, the merger will not be completed. In addition, Heartland and Founders may terminate the merger agreement under certain circumstances even if the merger agreement is approved by Founders shareholders, including a situation in which the merger has not been completed on or before June 30, 2017. If the merger is not completed, the trading price of Heartland common stock on the NASDAQ Global Select Market may decline to the extent that the current price reflects a market assumption that the merger will be completed, and the continued operations of Founders may be impaired because of costs, departure of employees and customers, or other dislocation caused by the pending merger. In addition, neither company would realize any of the expected benefits of having completed the merger. For more information on closing conditions to the merger agreement, see "The Merger Agreement-Conditions to Completion of the Merger" beginning on page 57.

The shares of Heartland common stock to be received by Founders shareholders as a result of the merger will have different rights than shares of Founders.

Upon completion of the merger, Founders shareholders may become Heartland stockholders and their rights as stockholders will be governed by the Heartland certificate of incorporation and bylaws and Delaware law. The rights associated with Founders common stock are different from the rights associated with Heartland common stock. See "Comparison of Shareholders' Rights" beginning on page 63.

Post-Merger Risks

Difficulties in combining the operations of Founders and Heartland may prevent the combined company from achieving the expected benefits from its acquisition.

Heartland may experience difficulty fully achieving the strategic objectives and operating efficiencies it hopes to achieve in the merger. The success of the merger will depend on a number of factors, including Heartland's ability to:

- integrate the operations of Founders into Heartland;
- maintain existing relationships with depositors so as to minimize withdrawals of deposits after the merger;
- maintain and enhance existing relationships with borrowers;
- control incremental non-interest expense so as to maintain overall operating efficiencies;
- retain and attract qualified personnel; and
- compete effectively in the communities served by Founders and in nearby communities.

These factors could contribute to the combined company not achieving the expected benefits from the merger within the desired time frames, if at all.

Heartland, as the surviving company from the merger, and its stockholders, including the former shareholders of Founders, will be subjected to special risks if it effects future acquisitions.

Heartland intends to continue to investigate strategic acquisitions of other banks after the merger. Acquiring other banks and businesses will involve risks commonly associated with acquisitions, including:

- potential exposure to liabilities of any banks or other businesses acquired;
- difficulty and expense of integrating the operations and personnel of any banks or other businesses acquired;
- possible increases in leverage resulting from borrowings needed to finance an acquisition or augment regulatory capital;
- potential disruption to Heartland's business;
- potential diversion of the time and attention of Heartland's management; and
- impairment of relationships with and the possible loss of key employees and customers of any banks or other businesses acquired by Heartland.

FORWARD-LOOKING STATEMENTS

Heartland and Founders have made forward-looking statements in this document (and in documents to which they refer you in this document) that are subject to risks and uncertainties. These forward-looking statements include information about possible or assumed future results of Heartland's or Founders' operations or the performance of Heartland or Founders after the merger is completed. When Heartland or Founders use any of the words "believes," "expects," "anticipates," "plans," "intends," "estimates," "may," "will," "would," "could," "should" or similar expressions, the forward-looking statements. Many events or factors could affect the future financial results and performance of Heartland or Founders after the merger and could cause those results or performance to differ materially from those expressed in its forward-looking statements. For Heartland, these risks are described in detail in Heartland's Annual Report on Form 10-K, which is incorporated by reference into this proxy statement/prospectus. These risks include, but are not limited to, the following:

• The strength of the U.S. economy in general and the strength of the local economies in which Heartland or Founders conduct their operations, which may be less favorable than expected and may result in, among other things, a deterioration in the credit quality and value of their assets.

• The economic impact of past and any future terrorist threats and attacks, acts of war or threats thereof, and the response of the United States to any such threats and attacks.

• The effects of, and changes in, federal, state and local laws, regulations and policies affecting banking, securities, insurance and monetary and financial matters.

• The effects of changes in interest rates (including the effects of changes in the rate of prepayment of loans) and the policies of the Federal Reserve Board.

• Heartland's or Founders' ability to compete with other financial institutions as effectively as it currently intends due to increases in competitive pressures in the financial services sector.

• Heartland's or Founders' ability to obtain new customers and to retain existing customers.

• The timely development and acceptance of products and services, including products and services offered through alternative delivery channels such as the internet.

• Technological changes implemented by Heartland, by Founders and by other parties, including third party vendors, which may be more difficult or more expensive than anticipated or which may have unforeseen consequences to Heartland, Founders and their customers.

• Heartland's or Founders' ability to develop and maintain secure and reliable electronic delivery systems.

• Heartland's or Founders' ability to retain key executives and employees, including executives and employees of Founders and Founders Community Bank, and the difficulty that Heartland or Founders may experience in replacing in an effective manner key executives and employees.

• Consumer spending and saving habits that may change in a manner that adversely affects Heartland's or Founders' business.

•

Business combinations and the integration of acquired businesses that may be more difficult or expensive than expected.

- Changes in accounting policies and practices, as may be adopted by state and federal regulatory agencies and the Financial Accounting Standards Board.

• Other factors discussed in, or incorporated by reference in, the “Risk Factors” section of this proxy statement/prospectus.

These risks and uncertainties should be considered in evaluating forward-looking statements, and undue reliance should not be placed on such statements.

Any forward-looking earnings estimates included or incorporated by reference in this proxy statement/prospectus have not been examined or compiled by Heartland's or Founders' independent public accountants, nor have their accountants applied any procedures to these estimates. The forward-looking statements included or incorporated by reference in this proxy statement/prospectus are made only as of the date of this proxy statement/prospectus, and we undertake no obligation to update any statement in light of new information or future events. Further information concerning Heartland and its business, including additional factors that could materially affect Heartland's financial results, is included in Heartland's filings with the SEC. THE FOUNDERS SPECIAL MEETING

Date, Time and Place

The Founders special meeting will be held at Founders' main office located at 237 Higuera Street, San Luis Obispo, California, at 6:30 p.m. Pacific time, on Friday, January 27, 2017.

Matters to be Considered

At the Founders special meeting, holders of Founders common stock will be asked to:

- approve and adopt the merger agreement; and
- approve the adjournment of the Founders special meeting, if necessary or appropriate, to solicit additional proxies.

Proxies

You should complete and return the proxy form accompanying this document to ensure that your vote is counted at the Founders special meeting, regardless of whether you plan to attend the Founders special meeting. If your shares of Founders common stock are held in nominee or "street name," you will receive separate voting instructions from your broker or nominee with your proxy materials. You can revoke the proxy at any time before the vote is taken at the Founders special meeting. Your presence at the meeting will not automatically revoke your proxy. You may revoke your proxy at any time prior to the voting of such proxy on any matter (without, however, affecting any vote taken prior to such revocation) by (i) filing with the Secretary of Founders a written notice of revocation, (ii) delivering to Founders a duly executed proxy bearing a later date, or (iii) attending the meeting and providing written or oral notice of revocation with the presiding officer during the meeting (at which point you may vote in person). All written notices of revocation and other communications with respect to revocation of proxies in connection with the Founders special meeting should be addressed as follows:

Cindy Magliari

Executive Vice President and Chief Financial Officer

Founders Bancorp

237 Higuera Street

San Luis Obispo, CA 93401

If your shares are held in street name, you should follow the instructions of your broker regarding the revocation of proxies.

All shares of Founders common stock represented by valid proxies received through this solicitation, and that are not revoked, will be voted in accordance with the instructions on the proxy form. If you make no specification on your proxy form as to how you want your shares of Founders common stock voted before signing and returning it, your proxy will be voted "FOR" approval and adoption of the merger agreement and "FOR" the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies.

Solicitation of Proxies

Founders will bear the entire cost of soliciting proxies from you. In addition to solicitation of proxies by mail, Founders will request that banks, brokers and other record holders send proxies and proxy material to the beneficial owners of Founders common stock and secure their voting instructions, if necessary. Founders will reimburse the record holders for their reasonable expenses in taking those actions. If necessary, Founders may also use several of its regular employees, who will not

be specially compensated, to solicit proxies from holders of Founders common stock, either personally or by telephone, facsimile or letter.

Record Date

The Founders board of directors has fixed the close of business on December 23, 2016 as the record date for determining the holders of Founders common stock entitled to receive notice of and to vote at the Founders special meeting. At that time, 1,270,817 shares of Founders common stock were outstanding. As of such date there were approximately 219 holders of record of common stock. As of the record date, directors and executive officers of Founders had the right to vote 376,153 shares of Founders common stock, representing approximately 29.6% of the shares entitled to vote at the Founders special meeting. All of the executive officers and directors of Founders have agreed to vote their shares in favor of the merger and the merger agreement.

Quorum and Vote Required

The presence, in person or by properly executed proxy, of the holders of a majority of the shares of Founders entitled to vote at the meeting is necessary to constitute a quorum at the special meeting. Abstentions and broker non-votes will be counted solely for the purpose of determining whether a quorum is present.

Approval and adoption of the merger agreement requires the affirmative vote of the holders of a majority of the outstanding shares of Founders common stock. Approval of the proposal relating to the adjournment of the special meeting, if necessary or appropriate, to solicit additional proxies requires the affirmative vote of a majority of the shares represented in person or by proxy at the special meeting. You are entitled to one vote for each share of Founders common stock you held as of the record date.

Because the affirmative vote of the holders of a majority of the outstanding shares of Founders common stock is required to approve and adopt the merger agreement, the failure to vote by proxy or in person will have the same effect as a vote against the merger agreement. Abstentions and broker non-votes also will have the same effect as a vote against the merger. Accordingly, the Founders board of directors urges holders of Founders common stock to complete, date and sign the accompanying proxy form and return it promptly in the enclosed postage-paid envelope. Abstentions, failures to vote and broker non-votes will have no effect on the vote to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies.

Other Business

Founders is not currently aware of any business to be acted upon at the special meeting other than the matters discussed in this document.

THE MERGER

The following discussion contains material information pertaining to the merger. This discussion is a summary only and may not contain all of the information that is important to you. A copy of the merger agreement is attached to this proxy statement/prospectus as Appendix A and is incorporated herein by reference. We encourage you to read and review the merger agreement in its entirety as well as the discussion in this document.

Structure

The merger agreement provides that Founders will be merged with and into Heartland. At the effective time of the merger, shares of Founders common stock outstanding prior to the merger will be converted into the right to receive shares of Heartland common stock, cash, or a combination of shares of Heartland common stock and cash, based on the election of each Founders shareholder, but subject to certain proration procedures. Shares of Founders common stock issued and outstanding immediately prior to the merger will be cancelled and represent only the right to receive this consideration at the effective time of the merger. In addition, each option to purchase shares of Founders common stock that is outstanding, vested and unexercised immediately prior to the effective time will be cancelled in exchange for the right to receive from Heartland a single lump sum cash payment.

Immediately after the effective time of the merger, Founders Community Bank, the wholly-owned banking subsidiary of Founders, will be merged into Premier Valley Bank, Heartland's wholly-owned banking subsidiary in California. The Founders Community Bank branches will continue to operate under the Founders Community Bank name as a division of Premier Valley Bank.

Background of the Merger

The following chronology summarizes certain key meetings and events that led to Founders entering into the merger agreement. In this process, executives, board members and other representatives of Founders held many conversations, both by telephone and in-person, about possible strategic alternatives to continuing as an independent company. The chronology below covers certain key events leading up to the execution of the merger agreement but does not purport to catalogue every conversation among representatives of Founders and Heartland, or between Founders or Heartland and other parties.

From time to time, the board of directors of Founders has considered strategic opportunities to continue building shareholder value, including acquiring other financial institutions, a merger of equals, or being acquired by a larger financial institution in an effort to better manage, among other things, the increasing regulatory burden and compliance costs and to seek better efficiencies and economies of scale. From time to time, the board has also analyzed Founders' prospects if the company remained independent, including the need for raising additional capital to support growth initiatives. The Founders board of directors considered the challenges facing the community banking industry, including the need for additional scale in order to offset increasing regulatory expenses, a continued low interest rate environment, and the need to attract and retain talented banking professionals to properly manage the business. The Founders board of directors also considered the benefits of greater liquidity for Founders' shareholders. In light of the headwinds facing the community banking industry, at its April 2016 meeting, the Founders board of directors authorized Thomas J. Sherman, President and Chief Executive Officer of Founders, to begin exploring the acquisition of Founders by a larger financial institution. Mr. Sherman was authorized to explore such possibilities with the assistance of Davidson, Founders' financial advisor.

Davidson was aware of Heartland's desire to continue to expand its California operations, and facilitated an introduction of the two companies. On May 13, 2016, a meeting took place whereby Heartland representatives met with Mr. Sherman and representatives of Davidson in San Luis Obispo, California to discuss the banking environment and learn more about Founders and Heartland, as the case may be. These conversations were informal in nature and did not include any discussion of an acquisition proposal from Heartland, but Heartland representatives did express their potential interest in acquisition discussions with Founders, if and when the Founders board was ready to explore a merger. Heartland and Founders entered into a mutual non-disclosure agreement on May 16, 2016 and agreed for Founders to provide Heartland with select preliminary due diligence information.

On June 16, 2016, a meeting was convened in Fresno, California among Heartland representatives, Mr. Sherman and Davidson representatives for continued due diligence discussions with focus on the financial performance, operations

and overall strategy of Founders Community Bank. The parties also discussed Heartland's decentralized operating model, the potential pro forma operational structure of Founders Community Bank and Premier Valley Bank (with Founders Community Bank retaining its brand name), and what role, if any, would be provided to Mr. Sherman in a combined company. Pricing or transaction structure was not discussed.

On July 15, 2016, Heartland provided a non-binding indication of interest letter to the Founders board of directors. The proposed terms included, among other things, (a) consideration per share of \$20.50, or \$27.7 million in aggregate, (b) a consideration mixture of 80% stock and 20% cash, (c) a variable exchange ratio with 15% collars, (d) the desire to enter into an employment agreement with Mr. Sherman for a minimum of 2 years, and (e) 60 days of exclusivity. On July 23, 2016, the Founders board of directors held a special meeting to discuss Heartland's proposal. At the meeting, Stuart I Moore Attorneys at Law ("Stuart I Moore"), legal counsel for Founders, discussed director duties in a merger context and various procedural steps in the process. The board also activated its M&A Committee, composed of J. Todd Mirolla, Richard H. Porter and Fred Russell, who were all directors of Founders. The M&A Committee was charged with further evaluation of the offer from Heartland and to provide guidance and oversight to Davidson for reaching out to other parties that may have had an interest in merger discussions with Founders. Discussion at the meeting focused on a need to increase the proposed price as well as for any interested party to provide an opportunity for Founders shareholders to choose between a non-taxable stock-for-stock exchange or a taxable cash alternative. The board recognized that the 20% cash portion of the Heartland proposal might be inadequate to satisfy its shareholders' preference for cash.

On July 27, 2016, the Founders board of directors held another special meeting, with Stuart I Moore attending, and reviewed materials prepared by Davidson. The board received a report from the M&A Committee and from Stuart I Moore regarding the discussions with Heartland, the Heartland indication of interest letter and the overall M&A market for community banks. At the meeting, the board authorized Davidson to explore whether there were other possible buyers for Founders.

On August 19, 2016, the M&A Committee and Stuart I Moore met to discuss additional information from Davidson regarding potential buyers of Founders.

On August 23, 2016, Founders executed an engagement letter with Davidson, among other things, to provide advisory services to the Founders board of directors and render a fairness opinion in connection with a proposed transaction, among other things. The Founders' M&A Committee instructed Davidson to develop a list of other potential parties who might have an interest in acquiring Founders. After reviewing the list of potential parties, the M&A Committee instructed Davidson to begin contacting these parties and to execute non-disclosure agreements ("NDAs") where appropriate. In late August and early September 2016, Davidson reached out to 24 parties (including Heartland) to discuss interest in a potential acquisition of Founders. There were five parties (in addition to Heartland) that decided to execute an NDA. After executing the NDA, the parties received access to a secure online data room with confidential due diligence information on Founders and its operations. Each of these five parties delivered a non-binding indication of interest letter on or prior to the proposal due date of September 16, 2016.

Also during this period, the M&A Committee, Stuart I Moore and Davidson held a number of discussions concerning comments on Heartland's written proposal. On September 6, 2016, a list of comments was provided to Heartland by Davidson. On September 14, 2016, Heartland submitted a revised indication of interest letter which included an increased offer of \$20.82 per share, or \$28.0 million in the aggregate, consisting of 70% stock and 30% cash.

On September 16, 2016, the board of directors held a meeting with representatives of Davidson and Stuart I Moore, at which the Davidson representatives presented the six indications of interest and supporting analysis for the board to review and discuss. In addition to Heartland's revised proposal of \$20.82, the other five indications of interest included prices per share as follows: Party A of \$16.27 to \$16.91 (provided as a range), Party B of \$19.00, Party C of \$20.50, Party D of \$21.50 and Party E of \$21.50 (as revised after Party E was informed that Founders had received offers higher than Party E's initial proposal). Among other topics, the board discussed the different issues to address amongst these proposals, including the price, consideration mix (i.e., liquidity of the stock consideration, the cash components and the taxable nature of a 100% cash transaction), and the acquiror's execution risk (potential regulatory issues and acquisition experience). The two highest proposals were from Party D and Party E. The proposal from Party D was for \$21.50 per share, and a choice between 100% cash consideration or a consideration mix of 50% stock and 50% cash. However, upon analysis, it was determined that Party D's stock was not widely traded and would not provide as much liquidity as would an investment in Heartland common stock. The proposal from Party E was for \$21.50 per share and 100% cash consideration. Thus, both of the proposals of Parties D and E were deemed to be economically equivalent, with each presenting execution risks which appeared higher than Heartland's as well as the impact of a total taxable

transaction to the Founders' shareholders.

On September 17, 2016, the board of directors held a meeting with Stuart I Moore to continue discussing the six parties who submitted indications of interest. Following the meeting, the board of directors asked Davidson to provide additional analysis on Heartland at the next board meeting and for Stuart I Moore to further discuss with Heartland its willingness to increase its price in light of Mr. Sherman's decision to forego his change in control payment due under his change in control agreement in the event of a merger.

30

On September 18, 2016, Stuart | Moore spoke with Heartland's financial advisor and a representative of Heartland about Heartland's offer. Heartland indicated a willingness to increase its offer to \$21.48 per share in light of Mr. Sherman's proposed waiver of his change in control payment and if Founders' transaction expense budget was reduced.

On September 19, 2016, the board of directors held a meeting with Stuart | Moore and representatives of Davidson to continue discussing the Heartland offer and, among other topics, the differences between a fixed versus variable exchange ratio, collars to the exchange ratio, an overview of Heartland's franchise, and potential next steps if the board were to select one party or multiple parties with which to continue negotiations. The discussion regarding the overview of Heartland's franchise included a presentation from Davidson representatives to the Founders board, with analysis of Heartland's financial performance trends, stock market performance, trading valuation compared to peers, historical dividend payments, history of M&A transactions, detail on Heartland's largest shareholders, and background on the Heartland management team and corporate structure. The Founders board of directors also discussed the available analyst research reports published on Heartland.

The Founders board met again on September 20, 2016. After lengthy discussion and deliberation, the board of directors approved a motion by a unanimous vote to inform Heartland that Founders was prepared to enter into exclusive negotiations if Heartland would increase its offer to \$21.71 per share plus an increase of \$0.16 per share in exchange for the cancellation of certain stock options held by board members prior to the closing of a merger. Stuart | Moore communicated this position to Heartland on September 20, 2016.

On September 21, 2016, Heartland increased its offer to \$21.62 per share. Negotiations were held throughout the day. Ultimately, Heartland increased its offer to \$21.87 per share (subject to possible adjustments) and indicated this proposal was its best and final offer.

On September 22, 2016, Heartland presented a revised indication of interest letter which included consideration to Founders shareholders of \$21.87 per share, or \$29.1 million in aggregate, in the form of 70% stock and 30% cash. The exchange ratio would be variable and determined based on Heartland's volume weighted average closing price for the 20 trading days ending five business days prior to closing, subject to 15% collars set at the time of executing the definitive agreement. The indication of interest letter also included potential adjustments to the merger consideration payable to Founders shareholders in the following scenarios: (a) the consideration would decrease by the amount by which Founders adjusted tangible common equity at closing was less than \$18.3 million, if any, (b) the consideration would increase by the amount by which Founders adjusted tangible common equity at closing was greater than \$18.6 million, if any, and (c) the consideration would decrease by the amount by which Founders transaction expenses was greater than \$1.6 million, if any. The board of directors met by conference call and reviewed the revised indication of interest letter from Heartland with Stuart | Moore. The board approved the revised offer and authorized the execution of Heartland's indication of interest letter.

On September 23, 2016, Founders executed the non-binding indication of interest letter with Heartland, which included a 40- day period of exclusivity. The other parties were notified that their offers were not accepted.

On September 26, 2016, Heartland provided Founders with a further due diligence request list, and subsequently, Founders management began uploading additional due diligence information into the online data room for Heartland to review.

Founders received the initial draft of the merger agreement on October 7, 2016. Heartland and Founders exchanged various drafts and negotiated the merger agreement and its ancillary agreements throughout October 2016.

On October 11, 2016, Davidson sent a reverse due diligence request list to Heartland. Heartland began uploading due diligence information into an online data room for the review of Founders, Stuart | Moore and Davidson.

At a Heartland board meeting held on October 18, 2016, the directors received a detailed report from management regarding Founders and Founders Community Bank, including information about their businesses, operations, financial results and condition, and the locations of their banking centers. Management also reviewed the terms on which management proposed that Heartland acquire Founders. After an in-depth discussion of Founders and Founders Community Bank and the proposed terms of the acquisition, the Heartland board concluded that the acquisition of Founders would significantly augment Heartland's California franchise and was in the best interest of Heartland and its stockholders. Accordingly, the board unanimously gave preliminary approval for Heartland's acquisition of Founders,

and authorized management to continue and complete negotiations regarding the definitive merger agreement with Founders.

31

On October 20, 2016, Heartland provided Founders and Mr. Sherman the first draft of an employment agreement for Mr. Sherman's employment by Premier Valley Bank upon closing of the merger. Mr. Sherman and Heartland separately negotiated his employment agreement.

On or about October 24, 2016, management of Heartland distributed a copy of the then-current draft of the merger agreement between Heartland and Founders to the members of the Heartland board of directors. Effective October 26, 2016, the directors by written action unanimously approved the merger, the merger agreement and the transactions contemplated by the merger agreement.

On October 26, 2016, a conference call was held to conduct reverse due diligence, which included participants from Founders, Davidson and Stuart | Moore to ask questions of Heartland. Participants on the call from Heartland's executive management team included the following officers: Lynn B. Fuller, Chairman and Chief Executive Officer; Bryan R. McKeag, Executive Vice President and Chief Financial Officer; Brian J. Fox, Executive Vice President, Operations; and J. Daniel Patten, Executive Vice President, Finance and Corporate Strategy.

On October 29, 2016, the board of directors of Founders held a special board meeting for purposes of considering the final version of the merger agreement and related ancillary agreements. At that meeting, the Founders board of directors thoroughly discussed and considered the terms and conditions of the merger and the merger agreement. Stuart | Moore again advised the Founders board of directors respecting its duties in connection with the transaction and reviewed the final changes made to the merger agreement and related ancillary agreements. Representatives of Davidson reviewed the financial aspects of the proposed merger, and Davidson rendered an opinion to the Founders board of directors to the effect that, as of October 29, 2016 and subject to the assumptions made, matters considered and qualifications and limitations on the review undertaken by Davidson as set forth in its opinion, the consideration to be paid to the holders of the Founders common stock in the transaction was fair, from a financial point of view, to the holders of Founders common stock. After deliberation, the Founders board of directors voted unanimously to approve the merger agreement and the transactions contemplated by the merger agreement, and authorized Founders management to execute the merger agreement.

Later on October 29, 2016, Founders and Heartland executed the merger agreement and all related ancillary agreements. Prior to the opening of the NASDAQ Global Select Market on October 31, 2016, Heartland and Founders issued a joint press release announcing the execution of the merger agreement and the terms of the proposed merger. Founders' Reasons for the Merger

After carefully considering all of its options, and cognizant of its fiduciary duty to shareholders, the current competitive and regulatory environment, and a number of other factors discussed in this proxy statement/prospectus, Founders' board of directors unanimously recommended that Founders shareholders approve the merger agreement, determining that the merger, on the terms provided in the merger agreement, is Founders' best option to realize reasonable value for its shareholders in today's challenging and uncertain banking market.

In reaching its conclusion to approve the merger and recommend adoption of the merger agreement to the Founders shareholders, Founders' board of directors considered an analysis and opinion of Davidson as to the fairness, from a financial point of view, to Founders' shareholders of the consideration offered by Heartland, and consulted with Founders' legal counsel Stuart | Moore as to the board's legal duties and the terms of the merger agreement and ancillary agreements. All material factors considered by the Founders board of directors have been disclosed in this proxy statement/prospectus. In approving the merger agreement, the board of directors of Founders considered a number of factors, including the following, without assigning any specific or relative weights to the factors:

- the lack of opportunities to expand by acquisition of suitable smaller institutions, or through a merger of equals, on terms as advantageous to Founders shareholders as the proposed merger with Heartland;
- the current and prospective economic, regulatory and competitive environment facing the financial services industry generally, and Founders in particular, including the continued rapid consolidation in the financial services industry and the competitive effects of increased consolidation and regulatory burdens on relatively smaller financial institutions such as Founders;
- the advantages of being part of a larger financial institution, such as Heartland, and its banking subsidiary Premier Valley Bank, including the potential for operating efficiencies, the effect of a higher lending limit with respect to Founders Community Bank's customers, and the generally higher trading multiples of the stock of larger financial

institutions;
the need for greater liquidity for Founders shareholders;

32

the belief, as of the date of the merger agreement, the merger consideration represents a fair price to Founders shareholders, including the relationship of the merger consideration to the book value of Founders common stock and the earnings of Founders;

Heartland's offer of a mix of cash and Heartland common stock as merger consideration, and the ability of Founders shareholders to elect their preferred form of consideration, subject to the overall limits of 30% of the merger consideration paid to shareholders to be paid in cash and 70% to be in paid in Heartland common stock;

the tax-free nature of the exchange of shares of Heartland common stock for shares of Founders common stock, as part of the merger consideration;

the value of Heartland common stock, including the liquidity of Heartland common stock given its listing on the NASDAQ Global Select Market and information concerning the financial performance and condition, business operations, capital levels, asset quality, loan portfolio breakdown, and prospects of Heartland and Premier Valley Bank, including the stability of Heartland's management team and Heartland's positive financial performance trends;

the terms of the offers competing with Heartland's offer;

the prices paid and the terms of other recent comparable combinations of banks and bank holding companies; results that could be expected to be obtained by Founders if it continued to operate independently, and the likely benefits to Founders shareholders of such course, as compared with the value of the merger consideration being offered by Heartland;

the impact of succession planning on Founders and Founders Community Bank;

the ability of Heartland's management team to successfully integrate and operate the business of the combined company after the merger, as evidenced by the success of Heartland in completing and integrating previous mergers of community banks;

the financial presentation made on October 29, 2016 by representatives of Davidson to the Founders board of directors;

the opinion, dated October 29, 2016, of Davidson to the Founders board of directors as to the fairness, as of that date, from a financial point of view, to the holders of Founders common stock of the merger consideration in the proposed merger, as more fully described below under the caption "Opinion of Financial Advisor to Founders;"

the likelihood that the merger will be completed on a timely basis, including the likelihood that the merger will receive all necessary regulatory approvals in a timely manner;

the absence of any unrealistic closing conditions based on the financial performance of Founders between signing and closing of the transaction;

the anticipated impact on the communities served by Founders Community Bank, and the increased ability to serve the communities and its customer base through a larger branch network;

the possible effects of the merger on Founders Community Bank's employees and customers; and

opportunities for advancement available to Founders Community Bank's employees at a larger financial institution such as Heartland.

The Founders board of directors also considered the potential adverse consequences of the proposed merger, including:

the interests of Founders' and Founders Community Bank's officers and directors with respect to the merger apart from their interests as holders of Founders common stock, and the risk that these interests might influence their decision with respect to the merger;

the merger agreement's restrictions on Founders' ability to solicit or engage in discussions or negotiations with third parties, and the effect of a termination fee in favor of Heartland, including the risk that the termination fee might discourage third parties from proposing an alternative transaction that may be more advantageous to Founders' shareholders;

the possibility that the merger and the related integration process could disrupt Founders' on-going business and result in the loss of customers and the fact that Founders' officers and employees will have to focus extensively on actions required to complete the merger, which will divert their attention from Founders' business, and that Founders will incur substantial transaction costs even if the merger is not consummated;

- the costs already incurred by Founders in connection with the merger process;
- the potential reaction of Founders Community Bank's customers to Heartland and Premier Valley Bank;
- employee attrition and the potential effect on business and customer relationships;
- the fact that, while the merger is pending, Founders will be subject to certain limited restrictions on how it conducts business which could delay or prevent Founders from pursuing business opportunities or preclude it from taking actions that would be advisable if it was to remain independent;
- the possible effects on Founders should the parties fail to complete the merger, including the possible effects on the price of Founders common stock, and the associated business and opportunity costs;

the risk that Founders cannot meet one or more of the closing conditions that operate in favor of Heartland, and that therefore the merger may not close; and

the possible downside risk of Heartland's stock performance and the risk of price volatility given that Founders does not have the right to terminate the merger if the price of the Heartland common stock falls below a stated price.

Taking into account these potential adverse consequences of the merger, and based on the reasons for the merger stated above, the Founders board of directors believes that the merger is in the best interest of Founders and the Founders shareholders and unanimously recommends that the Founders shareholders vote "FOR" approval of the merger agreement.

Opinion of Financial Advisor to Founders

On August 23, 2016, Founders entered into an engagement letter with Davidson to render financial advisory and investment banking services to Founders. As part of its engagement, Davidson agreed to assist Founders in analyzing, structuring, negotiating and, if appropriate, effecting a transaction between Founders and Heartland. Davidson also agreed to provide the Founders board of directors with an opinion as to the fairness, from a financial point of view, of the consideration to be paid to the holders of Founders common stock in the proposed merger. Founders engaged Davidson because Davidson is a nationally recognized investment banking firm with substantial experience in transactions similar to the merger and is familiar with Founders and its business. As part of its investment banking business, Davidson is continually engaged in the valuation of financial institutions and their securities in connection with mergers and acquisitions and other corporate transactions.

On October 29, 2016, the Founders board of directors held a meeting to evaluate the proposed merger. At this meeting, Davidson reviewed the financial aspects of the proposed merger and rendered an opinion to the Founders board of directors that, as of such date and based upon and subject to assumptions made, procedures followed, matters considered and limitations on the review undertaken, the consideration to be paid to the holders of Founders common stock was fair, from a financial point of view, to such holders.

The full text of Davidson's written opinion, dated October 29, 2016, is attached as Appendix C to this proxy statement/prospectus and is incorporated herein by reference. The description of the opinion set forth herein is qualified in its entirety by reference to the full text of such opinion. Founders' shareholders are urged to read the opinion in its entirety.

Davidson's opinion speaks only as of the date of the opinion and Davidson undertakes no obligation to revise or update its opinion. The opinion is directed to the Founders board of directors and addresses only the fairness, from a financial point of view, of the consideration to be paid to the holders of Founders common stock in the proposed merger. The opinion does not address, and Davidson expresses no view or opinion with respect to, (i) the underlying business decision of Founders to engage in or proceed with the merger, (ii) the relative merits or effect of the merger as compared to any strategic alternatives or business strategies or combinations that may be or may have been available to or contemplated by Founders or Founders' board of directors, or (iii) any legal, regulatory, accounting, tax or similar matters relating to Founders, its shareholders or relating to or arising out of the merger. The opinion expresses no view or opinion as to any terms or other aspects of the merger. Founders and Heartland determined the consideration through the negotiation process. The opinion does not constitute a recommendation to any Founders shareholder as to how such shareholder should vote at the Founders special meeting on the merger or any related matter. The opinion does not express any view as to the fairness of the amount or nature of the compensation to any of Founders' or Heartland's officers, directors or employees, or any class of such persons, relative to the merger consideration. The opinion has been reviewed and approved by Davidson's Fairness Opinion Committee in conformity with its policies and procedures established under the requirements of Rule 5150 of the Financial Industry Regulatory Authority. Davidson has reviewed this proxy statement/prospectus and consented to the inclusion of its opinion to the Founders board of directors as Appendix C to this proxy statement/prospectus and to the references to Davidson and its opinion contained herein.

In connection with rendering its opinion, Davidson reviewed, analyzed and relied upon material bearing upon the merger and the financial and operating condition of Founders and Heartland, including among other things, the following:

a draft of the merger agreement, dated October 27, 2016;
certain financial statements and other historical financial and business information about Founders and Heartland
made available to Davidson from published sources and/or from the internal records of Founders and Heartland that
we deemed relevant;

34

financial projections for Founders for the years ending December 31, 2016, December 31, 2017 and December 31, 2018 and an estimated long-term growth rate for the years thereafter, in each case as discussed with, and confirmed by, senior management of Founders;

certain publicly available analyst consensus “street estimates” for Heartland for the years ending December 31, 2016, December 31, 2017 and December 31, 2018 and an estimated long-term growth rate for the years thereafter, in each case as discussed with, and confirmed by, senior management of Heartland;

the current market environment generally and the banking environment in particular;

the financial terms of certain other transactions in the financial institutions industry, to the extent publicly available;

the market and trading characteristics of public companies and public bank holding companies in particular;

the pro forma financial impact of the merger, taking into consideration the amounts and timing of the transaction costs and cost savings;

the net present value of Founders with consideration of projected financial results;

the net present value of Heartland with consideration of projected financial results;

the net present value of Heartland, on a pro forma basis with the pro forma financial impact of the merger, with consideration of projected financial results; and

such other financial studies, analyses and investigations and financial, economic and market criteria and other information as Davidson considered relevant, including discussions with management and other representatives and advisors of Founders and Heartland concerning the business, financial condition, results of operations and prospects of Founders and Heartland.

In arriving at its opinion, Davidson has assumed and relied upon the accuracy and completeness of all information supplied or otherwise made available to Davidson, discussed with or reviewed by or for Davidson, or publicly available, and Davidson has not assumed responsibility for independently verifying such information or undertaken an independent evaluation or appraisal of any of the assets or liabilities (contingent or otherwise) of Founders or Heartland, nor did Davidson make an independent appraisal or analysis of Founders or Heartland with respect to the merger. In addition, Davidson has not assumed any obligation to conduct, nor has Davidson conducted, any physical inspection of the properties or facilities of Founders or Heartland. Davidson has further relied on the assurances of management of Founders and Heartland that they are not aware of any facts or circumstances that would make any of such information inaccurate or misleading. Davidson did not make an independent evaluation or appraisal of the specific assets or liabilities, including the amount of any fair value adjustments per FASB 141(R). Davidson did not make an independent evaluation of the adequacy of the allowance for loan losses of Founders or Heartland nor has Davidson reviewed any individual credit files relating to Founders or Heartland. Davidson has assumed that the respective allowances for loan losses for both Founders and Heartland are adequate to cover such losses and will be adequate on a pro forma basis for the combined entity. Davidson has assumed that there has been no material change in Founders’ or Heartland’s assets, financial condition, results of operations, business or prospects since the date of the most recent financial statements provided to Davidson. Davidson has assumed in all respects material to its analysis that Founders and Heartland will remain as going concerns for all periods relevant to its analysis. Davidson has also assumed in all respects material to its analysis that all of the representations and warranties contained in the merger agreement and all related agreements are true and correct, that each party to such agreements will perform all of the covenants required to be performed by such party under such agreements and that the conditions precedent in the merger agreement are not waived. Davidson has assumed that in the course of obtaining the necessary regulatory or other consents or approvals (contractual or otherwise) for the merger, no restrictions, including any divestiture requirements or amendment or modifications, will be imposed that will have a material adverse effect on the contemplated benefits of the merger. Davidson’s opinion is necessarily based upon information available to Davidson and economic, market, financial and other conditions as they exist and can be evaluated on the date the fairness opinion letter was delivered to Founders’ board of directors.

Set forth below is a summary of the material financial analyses performed by Davidson in connection with rendering its opinion. The summary of the analyses of Davidson set forth below is not a complete description of the analysis underlying its opinion, and the order in which these analyses are described below is not indicative of any relative

weight or importance given to those analyses by Davidson. The following summaries of financial analyses include information presented in tabular format. You should read these tables together with the full text of the summary financial analyses, as the tables alone are not a complete description of the analyses.

Unless otherwise indicated, the following quantitative information, to the extent it is based on market data, is based on market data as of October 28, 2016, the last trading day prior to the date on which Davidson delivered the fairness opinion letter to the Founders board of directors, and is not necessarily indicative of market conditions after such date.

Summary of Proposal

Davidson reviewed the financial terms of the proposed merger. As described in the merger agreement, each outstanding common share of Founders will be converted into the right to receive the aggregate merger consideration per share at the closing date, which is estimated as \$21.87 for purposes of the analysis herein. Founders shareholders can elect to receive the aggregate merger consideration per share in the form of Heartland common stock, cash or a mixture thereof, subject to the election procedures in the merger agreement. For those shares of Founders common stock subject to a stock election, an “exchange ratio” will be calculated prior to the closing date to determine the number of shares of Heartland common stock issued for each share of Founders common stock, which will be the quotient of (i) the aggregate merger consideration per share divided by (ii) the volume weighted average closing price of Heartland common stock during the 20 trading days ending on, and including, the fifth business day prior to the closing of the merger, provided that the average stock price of Heartland is between \$31.62 and \$42.78. Based upon Heartland’s volume weighted average closing price for the 20 trading days ending on October 27, 2016 of \$37.20 and aggregate merger consideration per share of \$21.87, Davidson calculated an exchange ratio of 0.5879. The terms and conditions of the merger are more fully described in the merger agreement. Based upon financial information as of or for the 12-month period ended September 30, 2016, Davidson calculated the following transaction ratios:

Transaction Ratios

Transaction Price / Last 12 Months Earnings Per Share	22.4x
Transaction Price / Book Value Per Share	151.7%
Transaction Price / Tangible Book Value Per Share	151.7%
Transaction Price / Last 12 Months Net Income	23.5x
Transaction Price / Book Value (Aggregate)	159.0%
Transaction Price / Tangible Book Value (Aggregate)	159.0%
Tangible Book Premium / Core Deposits (1)	6.61%

Net Present Value Analysis for Founders

Davidson performed an analysis that estimated the net present value per share of Founders common stock under various circumstances. The analysis assumed: (i) Founders performed in accordance with management's financial forecasts for the years ending December 31, 2016, December 31, 2017 and December 31, 2018; and (ii) an estimated long-term growth rate for the years thereafter, as discussed with and confirmed by Founders management. To approximate the terminal value of Founders common stock at December 31, 2021, Davidson applied price to earnings multiples of 13.0x to 20.0x and multiples of tangible book value ranging from 130.0% to 200.0%. The income streams and terminal values were then discounted to present values using different discount rates ranging from 9.00% to 15.00% chosen to reflect different assumptions regarding required rates of return of holders or prospective buyers of Founders common stock. In evaluating the discount rate, Davidson used the capital asset pricing model.

At the October 29, 2016 Founders board of directors meeting, Davidson noted that the net present value analysis is a widely used valuation methodology, but the results of such methodology are highly dependent upon the numerous assumptions that must be made, and the results thereof are not necessarily indicative of actual values or future results. As illustrated in the following tables, the analysis indicates an imputed range of values per share of Founders common stock of \$13.25 to \$27.02 when applying the price to earnings multiples to the financial forecasts and \$14.45 to \$29.46 when applying the multiples of tangible book value to the financial forecasts.

Davidson also considered and discussed with the Founders board of directors how this analysis would be affected by changes in the underlying assumptions, including variations with respect to net income. To illustrate this impact, Davidson performed a similar analysis assuming Founders estimated earnings per share in 2021 varied from 20% above projections to 20% below projections. This analysis resulted in the following range of per share values for Founders common stock, using the same price to earnings multiples of 13.0x to 20.0x and a discount rate of 12.00%.

Net Present Value Analysis for Heartland

Davidson performed an analysis that estimated the net present value per share of Heartland common stock under various circumstances. The analysis assumed: (i) Heartland performed in accordance with average FactSet Research Systems, Inc. consensus earnings estimates for the years ending December 31, 2016, December 31, 2017 and December 31, 2018, and (ii) an estimated long-term growth rate for the years thereafter, as discussed with and confirmed by Heartland management. To approximate the terminal value of Heartland common stock at December 31, 2021, Davidson applied price to earnings multiples of 11.0x to 18.0x and multiples of tangible book value ranging from 130.0% to 200.0%. The income streams and terminal values were then discounted to present values using different discount rates ranging from 8.00% to 12.00% chosen to reflect different assumptions regarding required rates of return of holders or prospective buyers of Heartland's common stock. In evaluating the discount rate, Davidson used the capital asset pricing model.

At the October 29, 2016 Founders board of directors meeting, Davidson noted that the net present value analysis is a widely used valuation methodology, but the results of such methodology are highly dependent upon the numerous assumptions that must be made, and the results thereof are not necessarily indicative of actual values or future results. As illustrated in the following tables, the analysis indicates an imputed range of values per share of Heartland common stock of \$27.57 to \$53.31 when applying the price to earnings multiples to the financial forecasts and \$30.33 to \$55.36 when applying the multiples of tangible book value to the financial forecasts.

Davidson also considered and discussed with the Founders board of directors how this analysis would be affected by changes in the underlying assumptions, including variations with respect to net income. To illustrate this impact, Davidson performed a similar analysis assuming Heartland estimated earnings per share in 2021 varied from 20.0% above projections to 20.0% below projections. This analysis resulted in the following range of per share values for Heartland common stock, using the same price to earnings multiples of 11.0x to 18.0x and a discount rate of 10.00%.

Net Present Value Analysis for Pro Forma Heartland

Davidson performed an analysis that estimated the net present value per share of Founders common stock under various circumstances, including the impact of the merger with Heartland. The analysis assumed (i) Heartland performed in accordance with average FactSet Research Systems, Inc. consensus earnings estimates for the years ending December 31, 2016, December 31, 2017 and December 31, 2018, and (ii) an estimated long-term growth rate for the years thereafter, as discussed with and confirmed by Heartland management; and (iii) the pro forma financial impact of the merger between Heartland and Founders including the cost savings estimates, purchase accounting adjustments and transaction expenses, as discussed with and confirmed by Heartland management. The analysis assumed (i) Founders performed in accordance with management's financial forecasts for the years ending December 31, 2016, December 31, 2017 and December 31, 2018, and (ii) an estimated long-term growth rate for the years thereafter, as discussed with and confirmed by Founders management. Financial Impact Analysis

Davidson performed pro forma merger analyses that combined projected income statement and balance sheet information of Founders and Heartland. Assumptions regarding the accounting treatment, acquisition adjustments and cost savings were used to calculate the financial impact that the merger would have on certain projected financial results of Heartland. In the course of this analysis, Davidson used the financial forecast for Founders for the years ending December 31, 2016, December 31, 2017 and December 31, 2018 as discussed with and confirmed by Founders management, and used the average FactSet Research Systems, Inc. consensus earnings estimates for Heartland for the years ending December 31, 2016, December 31, 2017 and December 31, 2018. This analysis indicated that the merger is expected to be accretive to Heartland's estimated earnings per share beginning in 2017, after excluding non-recurring transaction-related expenses. The analysis also indicated that the merger is expected to be dilutive to tangible book value per share for Heartland and that Heartland would maintain capital ratios in excess of those required for Heartland to be considered well-capitalized under existing regulations. For all of the above analyses, the actual results achieved by Founders and Heartland prior to and following the merger will vary from the projected results, and the variations may be material.

Davidson prepared its analyses for purposes of providing its opinion to the Founders board of directors as to the fairness, from a financial point of view, to Founders of the consideration to be paid to the holders of the Founders common stock in the proposed merger and to assist the Founders board of directors in analyzing the proposed merger. The analyses do not purport to be appraisals or necessarily reflect the prices at which businesses or securities actually may be sold. Analyses based upon forecasts of future results are not necessarily indicative of actual future results, which may be significantly more or less favorable than those suggested by these analyses. Because these analyses are inherently subject to uncertainty, being based upon numerous factors or events beyond the control of the parties and their respective advisors, none of Founders, Heartland or Davidson nor any other person assumes responsibility if

future results are materially different from those forecasted.

Davidson's opinion was one of many factors considered by the Founders board of directors in its evaluation of the merger and should not be viewed as determinative of the views of the board of directors of Founders or management with respect to the merger or the merger consideration.

Davidson and its affiliates, as part of their investment banking business, are continually engaged in performing financial analyses with respect to businesses and their securities in connection with mergers and acquisitions, negotiated underwritings, competitive biddings, secondary distributions of listed and unlisted securities, private placements and other transactions. Davidson acted as financial advisor to Founders in connection with, and participated in certain of the negotiations leading to the merger. Davidson is a full service securities firm engaged, either directly or through its affiliates, in securities trading, investment management, financial planning and benefits counseling, financing and brokerage activities for both companies and individuals. In the ordinary course of these activities, Davidson and its affiliates may provide such services to Founders, Heartland and their respective affiliates, may actively trade the debt and equity securities (or related derivative securities) of Founders and Heartland for their own account and for the accounts of their customers and may at any time hold long and short positions of such securities. Founders selected Davidson as its financial advisor because it is a recognized investment banking firm that has substantial experience in transactions similar to the merger. Pursuant to a letter agreement dated August 23, 2016, Founders engaged Davidson as its financial advisor in connection with the contemplated transaction. Pursuant to the terms of the engagement letter, Founders agreed to pay Davidson a cash fee of \$75,000 concurrently with the rendering of its opinion. Founders will pay to Davidson at the time of closing of the merger a contingent cash fee equal to \$250,000. Founders has also agreed to reimburse Davidson for all reasonable out-of-pocket expenses, including fees of counsel, and to indemnify Davidson and certain related persons against specified liabilities, including liabilities under the federal securities laws, relating to or arising out of its engagement.

Please be advised that during the two years preceding the date of this letter, neither Davidson nor its affiliates have had any other material financial advisory or other material commercial or investment banking relationships with Founders or Heartland.

Founders' Management and Directors Have Interests in the Merger

In considering the recommendation of Founders' board of directors to approve the merger agreement, you should be aware that Founders' management has interests in the merger and has arrangements that are different from, or in addition to, those of Founders shareholders generally. Founders' board of directors was aware of these interests and considered them, among other matters, in reaching its decisions to approve the merger agreement and to recommend that Founders shareholders vote in favor of the merger agreement.

Heartland and its wholly-owned subsidiary Premier Valley Bank negotiated a new employment agreement with Thomas J. Sherman, the President and Chief Executive Officer of Founders and Founders Community Bank, that would supersede his existing change in control agreement if the merger is completed. Mr. Sherman's employment agreement provides that Premier Valley Bank will employ Mr. Sherman for a minimum two-year term. The employment agreement provides for a base salary of \$200,000, a retention bonus of \$200,000 payable in equal monthly installments for 24 months following the completion of the merger, a performance-based bonus of up to 30% of base salary, equity awards from Heartland, severance payments and other benefits. Mr. Sherman will be subject to one-year noncompete and nonsolicitation covenants following termination of his employment.

Mr. Sherman's existing change in control agreement with Founders Community Bank provides him with the right to receive severance payments if his employment is terminated by Founders Community Bank other than for death, disability, retirement or for "cause," or by him for "good reason" (as those terms are defined in the change in control agreement) within two years following the consummation of a change in control. The severance payments would be equal to his total accrued compensation from Founders Community Bank during the 24 months prior to termination of employment, including salary, bonus, insurance premiums and employer matching contributions under Founders' 401(k) plan. Because the change in control agreement will be superseded by Mr. Sherman's new employment agreement, he will not receive any severance payments under the change in control agreement if the merger is completed.

Mr. Sherman and other members of management hold unvested employee stock options to acquire shares of Founders common stock that will become fully vested upon completion of the merger. However, upon completion of the merger, Founders directors including Mr. Sherman have agreed to terminate stock options that were earned for their board service and that were scheduled to vest on or after April 1, 2017.

Upon completion of the merger, Mr. Sherman and two other Founders directors, J. Todd Mirolla and D. Michael Patrick, will be appointed to the board of Premier Valley Bank.

Mr. Sherman and all other present and former directors and officers of Founders and Founders Community Bank will be entitled to ongoing indemnification rights provided for in the charter documents of the respective entities as of the date of the merger agreement, or as required under applicable law, until the expiration of the applicable statute of limitations. Furthermore, Heartland will pay for a “tail” insurance policy with a claims period of at least six years from and after the effective time of the merger with respect to directors’ and officers’ liability insurance and fiduciary liability insurance. The policy will provide coverage at least as favorable as Founders’ and Founders Community Bank’s existing policies with respect to matters existing or occurring at or prior to the effective time of the merger.

Regulatory Matters

General. Heartland and Founders have agreed to use all reasonable efforts to obtain all regulatory approvals required to complete the transactions contemplated by the merger agreement. These approvals require applications with the FDIC under the Bank Merger Act and with the Division of Financial Institutions of the California Department of Business Oversight under the California Financial Code. Heartland and Founders have completed, or will complete, the filing of applications and notifications to obtain the required regulatory approvals.

Under Section 225.12(d)(2) of the Federal Reserve Board’s regulations (12 C.F.R. 225.12(d)(2)), the prior approval of the Federal Reserve Board is not required in connection with the acquisition by a bank holding company of another bank holding company if the subsidiary banks of both bank holding companies are merged with each other simultaneously with the holding company acquisition. In addition, the bank to be acquired may not be operated by the acquiring bank holding company as a separate entity. The transaction must also satisfy certain other requirements, including that the bank merger require the prior approval of a federal supervisory agency under the Bank Merger Act. We believe that the transactions contemplated by the merger agreement satisfy the requirements of Section 225.12(d)(2), and have filed a required notification with the Federal Reserve Board seeking the waiver contemplated by Section 225.12(d)(2) from an application under the Bank Holding Company Act.

We are not aware of any material governmental approvals or actions that are required for completion of the merger other than those described above. It is presently contemplated that if any such additional government approvals or actions are required, those approvals or actions will be sought.

Timing. A transaction approved pursuant to the Bank Holding Company Act or the Bank Merger Act may not be completed until 30 days after approval is received, during which time the Antitrust Division of the U.S. Department of Justice may challenge the merger. The commencement of an antitrust action would stay the effectiveness of an approval unless a court specifically ordered otherwise. With the consent of the Antitrust Division, the waiting period may be reduced to no less than 15 days.

Heartland and Founders believe that neither the merger, nor the merger of their bank subsidiaries, raises significant regulatory concerns and that they will be able to obtain all requisite regulatory approvals on a timely basis without the imposition of any condition that could reasonably be expected to have a material adverse effect on Founders or Heartland. However, we cannot assure you that all of the regulatory approvals described above will be obtained, and, if obtained, we cannot assure you as to the date of any approvals or the absence of any litigation challenging such approvals. Likewise, we cannot assure you that the Antitrust Division or any state attorney general will not attempt to challenge the merger on antitrust grounds, and, if such a challenge is made, we cannot assure you as to its result.

Material United States Federal Income Tax Consequences of the Merger

General

The following discussion describes the material United States federal income tax consequences of the merger to U.S. holders of Founders common stock who exchange shares of Founders common stock for shares of Heartland common stock, cash, or a combination of shares of Heartland common stock and cash pursuant to the merger. For purposes of this discussion, a “U.S. holder” is a beneficial owner of Founders common stock that for U.S. federal income tax purposes is:

• a citizen or individual resident of the United States;

• a corporation, or an entity treated as a corporation for U.S. federal income tax purposes, created or organized in or under the laws of the United States or any state or political subdivision thereof;

a trust that (1) is subject to (A) the primary supervision of a court within the United States and (B) the authority of one or more United States persons to control all substantial decisions of the trust or (2) has a valid election in effect under applicable U.S. Treasury Regulations to be treated as a United States person; or

an estate that is subject to U.S. federal income tax on its income regardless of its source.

If a partnership (including for this purpose any entity treated as a partnership for U.S. federal income tax purposes) holds Founders common stock, the tax treatment of a partner generally will depend on the status of the partner and the activities of the partnership. A Founders shareholder which is a partnership should consult its tax advisor concerning the tax consequences of the merger.

Founders shareholders that are not U.S. holders may have different tax consequences than those described below, and are urged to consult their tax advisors about the tax treatment of the merger to them under U.S. and non-U.S. laws. This discussion addresses only those Founders shareholders that hold their Founders common stock as a capital asset within the meaning of Section 1221 of the Code, and does not address all the U.S. federal income tax consequences that may be relevant to particular Founders shareholders in light of their individual circumstances or to Founders shareholders that are subject to special rules, such as:

financial institutions;

pass-through entities or investors in pass-through entities;

insurance companies;

tax-exempt organizations;

dealers in securities;

traders in securities that elect to use a mark-to-market method of accounting;

persons owning 5% or more of Founders common stock or that are affiliates of Founders;

persons that hold Founders common stock as part of a straddle, hedge, constructive sale or conversion transaction;

certain expatriates or persons that have a functional currency other than the U.S. dollar;

persons who are not U.S. holders; and

shareholders who acquired their shares of Founders common stock through the exercise of an employee stock option or otherwise as compensation or through a tax-qualified retirement plan.

In addition, the discussion does not address any alternative minimum tax or any state, local or foreign tax consequences of the merger, nor does it address any tax consequences arising under the unearned income Medicare contribution tax.

The following discussion is based on the Internal Revenue Code, its legislative history, existing and proposed regulations thereunder, and published rulings and decisions, all as currently in effect as of the date hereof, and all of which are subject to change, possibly with retroactive effect. Any such change could affect the continuing validity of this discussion.

The obligation of Founders to complete the merger is conditioned upon the receipt of an opinion from Founders' special tax counsel, Katten Muchin Rosenman LLP, that for U.S. federal income tax purposes, the merger will qualify as a "reorganization" within the meaning of Section 368(a) of the Internal Revenue Code. Founders does not currently

intend to waive this opinion condition to its obligation to complete the merger.

The following discussion, subject to the limitations and qualifications described herein, constitutes the opinion of Katten Muchin Rosenman LLP as to the material U.S. federal income tax consequences of the merger applicable to a U.S. holder of Founders common stock that exchanges Founders common stock in the merger, to the extent such discussion sets forth statements of U.S. federal income tax law or legal conclusions with respect thereto. The opinion of counsel does not

48

address any state, local or foreign tax consequences of the merger. It is based on certain assumptions and representations as to factual matters by Heartland and Founders, and cannot be relied upon if any of the assumptions or representations are inaccurate as of the date hereof or the effective time of the merger. In addition, the opinion is based on current law and cannot be relied upon if current law changes with retroactive effect. The opinion of counsel is not binding upon the Internal Revenue Service or the courts, and there is no assurance that the Internal Revenue Service or a court will not take a contrary position. Neither Heartland nor Founders has requested, and neither Heartland nor Founders intends to request, any ruling from the Internal Revenue Service as to the U.S. federal income tax consequences of the merger.

A Founders shareholder may not necessarily receive cash and/or shares of Heartland common stock in the proportion(s) that such shareholder has elected. Accordingly, it may not be possible for holders of Founders common stock to determine the specific tax consequences of the merger to them at the time they submit their election form. Founders shareholders are urged to consult their tax advisors as to the particular U.S. federal income tax consequences of the merger to them, as well as any tax consequences arising under any state, local and non-U.S. tax laws or any other U.S. federal tax laws.

Based on and subject to the foregoing, in accordance with the intended qualification of the merger as a “reorganization” within the meaning of Section 368(a) of the Code, the following material U.S. federal income tax consequences will result to a U.S. holder upon the exchange of its Founders common stock in the merger:

A U.S. holder receiving only cash in the merger will recognize gain or loss, determined separately for each identifiable block of shares of Founders common stock (generally, Founders common stock acquired at the same cost in a single transaction) exchanged by the U.S. holder in the merger, equal to the difference between the amount of cash received in the merger with respect to such block and the U.S. holder’s tax basis in the shares of Founders common stock in such block. Such gain or loss generally will be capital gain, and will be long-term capital gain if, as of the effective date of the merger, the applicable shares of Founders common stock were held for more than one year, unless the receipt of cash has the effect of a distribution of a dividend under the provisions of the Internal Revenue Code, as discussed below, in which case such gain will be treated as dividend income rather than capital gain.

Ignoring any cash received in lieu of a fractional share of Heartland common stock (which is discussed below), a U.S. holder receiving only shares of Heartland common stock in the merger will not recognize gain or loss in the merger.

A U.S. holder receiving cash and shares of Heartland common stock in exchange for each identifiable block of Founders common stock exchanged by the U.S. holder in the merger generally will recognize gain (but not loss), determined separately with respect to such block, in an amount equal to the lesser of (i) the amount of cash received with respect to such block, excluding any cash received in lieu of a fractional share of Heartland common stock (which is discussed below), and (ii) the excess, if any, of (a) the sum of the amount of such cash and the fair market value of the Heartland common stock received with respect to such block over (b) the U.S. holder’s tax basis in the shares of Founders common stock in such block. Any gain recognized generally will be capital gain, and will be long-term capital gain if, as of the effective date of the merger, the shares of Founders common stock in such block were held for more than one year, unless the receipt of cash has the effect of a distribution of a dividend under the provisions of the Internal Revenue Code, in which case such gain will be treated as dividend income rather than capital gain. The Internal Revenue Service has indicated in rulings that any reduction in the interest of a shareholder that owns a small number of shares in a publicly and widely held corporation and that exercises no control over corporate affairs would result in capital gain as opposed to dividend treatment. Because the possibility of dividend treatment depends primarily upon a U.S. holder’s particular circumstances, including the application of constructive ownership rules, U.S. holders should consult their tax advisors regarding this possibility.

▲ U.S. holder generally will have an aggregate tax basis in the shares of Heartland common stock (if any) received by the U.S. holder with respect to each identifiable block of shares of Founders common stock exchanged by the U.S. holder in the merger (including any fractional share of Heartland common stock deemed received and redeemed for cash, as discussed below) equal to the U.S. holder’s aggregate tax basis in the shares of Founders common stock in

such block, reduced by the amount of cash (if any) received with respect to such block (other than cash received in lieu of a fractional share of Heartland common stock) and increased by the amount of any gain recognized by the U.S. holder (including, but not limited to, any portion of such gain that is treated as

dividend income, but excluding any gain recognized with respect to cash received in lieu of a fractional share of Heartland common stock) with respect to such block.

The holding period of the shares of Heartland common stock (if any) received by a U.S. holder with respect to each identifiable block of shares of Founders common stock exchanged in the merger (including any fractional share of Heartland common stock deemed received and redeemed for cash, as discussed below) will include the holding period of the shares of Founders common stock in such block.

Cash received by a U.S. holder in lieu of a fractional share of Heartland common stock in the merger will be treated as if such fractional share had been issued and then redeemed by Heartland. Subject to the discussion above regarding possible dividend treatment, a U.S. holder generally will recognize capital gain or loss with respect to cash received in lieu of a fractional share, measured by the difference, if any, between the amount of cash received and the tax basis in such fractional share (determined as described above). Any gain or loss recognized generally will be long-term capital gain or loss if, as of the effective date of the merger, the shares of Founders common stock in the block of shares of Founders common stock exchanged in the merger were held for more than one year. The deductibility of capital losses is subject to limitations.

Backup Withholding and Information Reporting

U.S. holders may be subject to information reporting and backup withholding on any cash payments they receive in the merger, including cash in lieu of fractional shares of Heartland common stock. Payments will not be subject to backup withholding if the U.S. holder (i) is a corporation or comes within certain other exempt categories and, when required, demonstrates this fact or (ii) provides Heartland or the Exchange Agent, as appropriate, with a properly completed Internal Revenue Service Form W-9 (or its successor form) certifying that the U.S. holder is a U.S. person, the taxpayer identification number provided is correct and the U.S. holder is not subject to backup withholding. The taxpayer identification number of an individual is his or her Social Security number. Any amounts withheld from payments to a U.S. holder under the backup withholding rules are not additional tax and will be allowed as a refund or credit against the U.S. holder's U.S. federal income tax liability, provided the required information is timely furnished by the U.S. holder to the Internal Revenue Service.

The discussion of the material U.S. federal income tax consequences set forth above is intended to provide only a general summary, and is not intended to be a complete analysis or description of all potential U.S. federal income tax consequences of the merger. Moreover, the discussion set forth above does not address tax consequences that may vary with, or are dependent on, individual circumstances. In addition, the discussion set forth above does not address any non-income tax or any foreign, state or local tax consequences of the merger and does not address the tax consequences of any transaction other than the merger.

Accounting Treatment

The merger will be accounted for as a "purchase" by Heartland of Founders, as that term is used under GAAP, for accounting and financial reporting purposes. As a result, the historical financial statements of Heartland will continue to be the historical financial statements of Heartland following the completion of the merger. The assets (including identifiable intangible assets) and liabilities (including executory contracts and other commitments) of Founders as of the effective time of the merger will be recorded at their respective fair values and added to those of Heartland. Any excess of purchase price over the net fair values of Founders assets and liabilities is recorded as goodwill (excess purchase price). Financial statements of Heartland issued after the merger will reflect such fair values and will not be restated retroactively to reflect the historical financial position or results of operations of Founders. The results of operations of Founders will be included in the results of operations of Heartland beginning on the effective date of the merger.

Board of Directors and Management of Heartland Following Completion of the Merger

The composition of Heartland's board of directors and its senior management will not be changed as a result of the merger. Information about the current Heartland directors and executive officers can be found in Heartland's proxy statement filed with the SEC on April 6, 2016. See "Where You Can Find More Information" on page 72.

Fractional Shares

Heartland will not issue any fractional shares of Heartland common stock. Instead, a Founders shareholder who would otherwise have received a fraction of a share of Heartland common stock will receive an amount of cash equal to the fraction of a share of Heartland common stock to which such holder would otherwise be entitled multiplied by the volume

50

weighted average closing price of Heartland common stock on the 20 trading days ending five days before the closing date of the merger.

Public Trading Markets

Heartland common stock is quoted on the NASDAQ Global Select Market under the symbol "HTLF." The shares of Heartland common stock to be issued in connection with the merger will be freely transferable under the applicable securities laws, except for shares issued to any shareholder who may be deemed to be an affiliate of Heartland.

Notice of Dissenters' Rights

Sections 1300 to 1313 of the CGCL provide that any Founders shareholder may dissent from the merger and obtain payment of the "fair value" of his or her dissenting shares as determined in accordance with Section 1300 of the CGCL, provided that such shareholder complies with all of the provisions of Sections 1300 to 1313 of the CGCL. Fair value for such purposes will be measured as of the day of, but immediately prior to announcement of the merger, excluding any appreciation or depreciation in consequence of the proposed merger with Heartland.

The following is a brief summary of Sections 1300 to 1313 of the CGCL, which set forth the procedures for demanding statutory dissenters' rights. The full text of Sections 1300 to 1313 is attached to this proxy statement/prospectus as Appendix B, and we incorporate that text into this proxy statement/prospectus by reference. To be entitled to exercise dissenters' rights, a Founders shareholder must not vote in favor of the merger agreement, must demand that Founders purchase his or her dissenting shares, and must deliver written notice to Founders of such shareholder's intent to demand payment for his or her dissenting shares if the merger is effectuated. This demand must be received by Founders no later than 30 days after the date on which notice of shareholder approval of the merger agreement is sent to potential dissenters. It should include the number and class of shares of record that the shareholder demands that Founders purchase and a statement of what the shareholder claims to be the fair market value of such shares.

Should the Founders shareholders approve the merger, within ten days of this approval, Founders must deliver a written dissenters' notice to those shareholders who meet the above criteria. This notice will include Founders' determination of fair market value of each share of common stock as of the date of, but immediately prior to, the initial announcement of the merger, or October 31, 2016, as well as a brief description of the procedure to be followed by any shareholders wishing to exercise their dissenters' rights. Founders' Board of Directors has determined that the fair market value of each share of common stock was \$13.37 on October 31, 2016. A dissenting shareholder must deliver his or her certificates for shares of Founders common stock to the principal office or the office of any transfer agent of Founders within 30 days of Founders mailing the written dissenters' notice. A shareholder who does not demand payment or deposit his or her certificates within such 30-day period will not be entitled to payment for his or her shares under the dissenters' rights sections of the CGCL and will instead be entitled to receive the merger consideration.

If both Founders and a dissenting shareholder agree (i) that the shares are dissenting shares, and (ii) upon the fair market value of the dissenting shares, the dissenting shareholder will be entitled to the agreed upon price with interest. Interest begins to accrue when Premier Valley Bank and the dissenting shareholder determine the fair market value. If Founders and the dissenting shareholder disagree over whether the shares are dissenting shares or as to their fair market value, then the shareholder demanding purchase of shares may ask the court to settle one or both disputes. This must be done within six months of Founders mailing notice of shareholders' approval of the merger agreement. The court may determine the status of the shares as dissenting shares, as well as their fair market value, or the court may appoint impartial appraisers to determine the fair market value of the shares.

Founders must pay the agreed upon or court imposed fair market value amount to the dissenting shareholders, subject to the surrender of any stock certificates, within 30 days of the fair market value determination or within 30 days of completion of the merger, whichever is later.

Failure to comply strictly with all of the procedures set forth in Sections 1300 to 1313 of the CGCL will result in the loss of a shareholder's dissenters' rights. Consequently, any shareholder wishing to exercise dissenters' rights is urged to consult legal counsel before attempting to exercise such rights.

Shareholders considering the exercise of dissenters' rights should be aware that the "fair value" of their shares as determined under Sections 1300 to 1313 could be more than, the same as or less than the merger consideration they would receive under the merger agreement if they did not dissent.

One condition to Heartland's obligation to complete the merger is that the total number of dissenting shares of Founders common stock cannot be more than 12% of the number of outstanding shares of Founders common stock.

THE MERGER AGREEMENT

The following section describes material provisions of the merger agreement, which is attached as Appendix A to this proxy statement/prospectus and which is incorporated herein by reference into this document. The rights and obligations of the parties are governed by the express terms and conditions of the merger agreement and not by this summary or any other information contained in this document. We urge you to read the merger agreement carefully and in its entirety.

The Merger

Pursuant to the merger agreement, and upon the filing of a Certificate of Merger with the Secretary of State of Delaware, Founders will merge with and into Heartland, with Heartland as the surviving corporation. Upon the completion of the merger, shares of Founders common stock, other than shares held by either Heartland or Founders and shares held by Founders' shareholders who properly assert their dissenters' rights, will be automatically converted into the right to receive shares of Heartland common stock, cash, or a combination of shares of Heartland common stock and cash.

Purchase Price and Calculation of Merger Consideration

Total Purchase Price

Upon completion of the merger, Founders shareholders will receive cash, Heartland common stock, or a combination of cash and Heartland common stock, for their shares of Founders common stock. Shareholders will be able to make an election as to the form of merger consideration that they will receive, but their election may be changed if shareholders elect to receive more than 30% of the aggregate merger consideration paid to shareholders in the form of cash or more than 70% of the aggregate merger consideration paid to shareholders in the form of Heartland common stock. The amount of merger consideration that Founders shareholders will receive is dependent upon the adjusted tangible common equity of Founders as of the closing date of the merger, and if they receive shares of Heartland common stock as part of the merger consideration, the number of shares they receive is dependent on the trading price of Heartland common stock.

The aggregate merger consideration assigned by the merger agreement to Founders common stock and options is equal to \$29.1 million, but this amount will be decreased to the extent the transaction expenses of Founders exceed \$1.6 million. The aggregate merger consideration will also be decreased or increased dollar for dollar, by up to \$5.0 million to the extent that the adjusted tangible common equity of Founders is less than \$18.3 million or greater than \$18.6 million, respectively, as of the last business day of the month preceding the closing date of the merger. If such calculation were made as of September 30, 2016, the adjusted tangible common equity of Founders would have been approximately \$18.3 million. Based upon the number of shares of Founders common stock outstanding on September 30, 2016, and assuming no adjustment in the aggregate merger consideration, approximately 95.4% of the aggregate merger consideration would be paid to holders of Founders common stock, or a total of approximately \$27.8 million. The remainder of the aggregate merger consideration (approximately \$1.3 million) would be paid in cash to holders of Founders stock options.

The merger agreement defines "adjusted tangible common equity" as (a) the sum of (i) the total stockholders' equity of Founders, determined in accordance with GAAP as of the close of business on the last business day of the month immediately preceding the month in which the merger becomes effective (the "Determination Date"), as adjusted to reflect a reasonable projection of the operations of Founders through the effective time of the merger, and (ii) Founders' transaction expenses paid or accrued as of the Determination Date, less (b) the sum of (i) the value of intangible assets determined as of the close of business on the Determination Date as adjusted to reflect a reasonable projection of the operations of Founders through the effective time of the merger, and (ii) the aggregate "option exercise proceeds" (as defined below) received by Founders through the close of business on the Determination Date. For purposes of the foregoing definition, "a reasonable projection of operations" will be based on the average monthly operations of Founders during the period from June 30, 2016 through the Determination Date.

The merger agreement further defines "option exercise proceeds" as the sum of (a) the aggregate cash proceeds received by Founders upon the exercise of any Founders stock options between the date of the merger agreement and the effective time of the merger, and (b) the aggregate cash proceeds that would have been received by Founders upon

exercise of any Founders stock options that remain unexercised and outstanding as of the effective time of the merger.

Calculation of Stock Consideration and Cash Consideration

At the date of this proxy statement/prospectus, Founders had 1,270,817 shares of common stock outstanding.

Assuming no adjustment in the aggregate merger consideration or increase in Founders shares outstanding, this would result in

53

aggregate merger consideration of \$21.87 per share of Founders common stock, payable in cash, Heartland common stock, or a combination of cash and Heartland common stock. The merger agreement provides that:

For Founders shareholders who elect to receive, or are otherwise allocated, cash in exchange for some or all of their shares of Founders common stock, \$21.87 in cash will be paid in exchange for each such share of Founders common stock.

For Founders shareholders who elect to receive, or are otherwise allocated, shares of Heartland common stock in exchange for some or all of their shares of Founders common stock, the number of shares of Heartland common stock that will be issued in exchange for each share of Founders common stock will be determined by dividing the aggregate merger consideration per share by the volume weighted average closing price of Heartland common stock on the NASDAQ Global Select Market during the 20 trading days ending on, and including, the fifth business day prior to the closing date of the merger, provided this volume weighted average closing price will be fixed at \$31.62 if it is less than \$31.62 and at \$42.78 if it is more than \$42.78.

Using a volume weighted average closing price of \$41.88 as of December 6, 2016, the holder would receive .5222 shares of Heartland common stock for such share of Founders common stock. If the volume weighted average closing price of Heartland common stock is \$31.62 or below, Heartland would issue .6917 shares of Heartland common stock for each share of Founders common stock. If the volume weighted average closing price of Heartland common stock is \$42.78 or above, Heartland would issue .5112 shares of Heartland common stock for each share of Founders common stock.

Merger Consideration Example

The following table illustrates scenarios for changes to the volume weighted average closing price of Heartland common stock used to determine the exchange ratio, ranging from 30% above to 30% below \$37.20 per share which is the mid-point between the collars of \$42.78 and \$31.62. The table illustrates the impact on the exchange ratio, cash consideration per share and aggregate merger consideration, depending upon the volume weighted average closing price of Heartland common stock. As shown in the table, if the volume weighted average closing price of Heartland common stock reached either the upper or lower collars of \$42.78 and \$31.62 per share, the exchange ratio would become fixed at 0.5112 if the share price is above \$42.78 or 0.6917 if the share price is below \$31.62, respectively. The following table assumes there are 1,270,817 shares of Founders common stock outstanding as of the closing date. The table reflects that the merger consideration paid will consist of whole shares of Heartland common stock. The table does not reflect the cash totaling \$1,345,000 payable to holders of Founders stock options to cancel such options and the cash paid in lieu of fractional shares of Heartland common stock.

Heartland Volume Weighted Average Closing Price		Exchange Ratio(1)	Consideration Per Share Based on Shareholder Election			Aggregate Consideration (In thousands) (2)(3)		
%	Per Share		100% Stock	100% Cash	70% Stock / 30% Cash	Stock	Cash	Total
30.0	% \$48.36	0.5112	\$24.72	\$21.87	\$23.87	\$21,990	\$8,338	\$30,328
20.0	% 44.64	0.5112	22.82	21.87	22.54	20,300	8,338	28,638
15.0	% 42.78	0.5112	21.87	21.87	21.87	19,455	8,338	27,793

(15.0)	% 31.62	0.6917	21.87	21.87	21.87	19,455	8,338	27,793

(30.0)%	26.04	0.6917	18.01	21.87	19.17	16,021	8,338	24,359

(1) Exchange ratio has been rounded to the nearest ten-thousandth.

(2) Excludes \$1,345,000, which is the aggregate cash amount payable to holders of outstanding Founders options.

(3) Assumes no adjustment resulting from the amount of Founders' transaction-related expenses or for increases or decreases in Founders adjusted tangible common equity.

For a Founders shareholder electing 100% cash, the cash consideration per share of Founders common stock is \$21.87 if no adjustments to the aggregate merger consideration are made and outstanding shares of Founders common stock do not

increase. For a Founders shareholder electing 100% stock, the implied value of the stock consideration per share of Founders common stock is \$21.87 based on the variable exchange ratio if the volume weighted average closing price of Heartland common stock remains within the collars, no adjustments to the aggregate merger consideration are made, and shares of Founders common stock outstanding do not increase. However, if the volume weighted average closing price of Heartland common stock is greater than the upper collar of \$42.78 or less than the lower collar of \$31.62, the exchange ratio becomes fixed, although the value of the stock component of the consideration will fluctuate depending on the volume weighted average closing price of Heartland common stock. Further, the aggregate merger consideration will be decreased to the extent the transaction expenses of Founders exceed \$1.6 million, and the aggregate merger consideration may be adjusted either up or down by up to \$5.0 million to the extent that the adjusted tangible common equity of Founders is less than \$18.3 million or greater than \$18.6 million, respectively, on the last business day of the month preceding the closing date of the merger.

The actual consideration received will be different from the amounts set forth above, because the adjusted tangible common equity of Founders and the market price for Heartland common stock will fluctuate prior to the completion of the merger. In addition, because the merger consideration is set by a predetermined formula and it is impossible to predict what elections different Founders shareholders will make, there is no assurance that you will receive precisely the form of consideration that you elect.

Election of Merger Consideration

In exchange for their shares of Founders common stock, Founders shareholders may elect to receive only cash (a cash election), only shares of Heartland common stock (a stock election), or cash with respect to some shares and Heartland common stock for the remaining shares (a mixed election). All Founders shareholders who assert dissenter rights will be deemed to have elected cash.

Despite each Founders shareholder's ability to make an election on the form of consideration that they will receive, the merger agreement requires that, of the aggregate merger consideration paid to shareholders, 30% will be paid in cash and 70% will be paid by delivery of Heartland common stock.

If the total amount of cash that Founders shareholders elect to receive is more than 30% of the aggregate merger consideration paid to Founders shareholders, then a sufficient number of shares of Founders common stock subject to a cash election will be converted on a pro rata basis (excluding dissenting shares) into shares subject to a stock election, so that the 30% of the aggregate merger consideration paid to Founders shareholders will be paid in cash. Any dissenting shares will be deemed cash election shares.

Similarly, if the Heartland common stock that Founders shareholders elect to receive is more than 70% of the aggregate merger consideration paid to Founders shareholders, then a sufficient number of shares of Founders common stock subject to a stock election will be converted on a pro rata basis into shares subject to a cash election, so that 70% of the aggregate merger consideration paid to Founders shareholders will be paid in shares of Heartland common stock.

Shares of Founders common stock subject to no election will be treated as cash election shares or stock election shares so as to minimize the amount of any cash or stock proration.

Example: If Founders shareholders make stock elections totaling 80% of the aggregate merger consideration, cash elections (including dissenting shares) totaling 5% of the aggregate merger consideration, and 15% of the aggregate merger consideration is subject to no election, then:

- All shares subject to a cash election will receive cash;
- All shares subject to no election will receive cash; and
- All shares subject to a stock election will receive 87.5% of the consideration in Heartland common stock and 12.5% of the consideration in cash.

Example: If Founders shareholders make cash elections (including dissenting shares) totaling 80% of the aggregate merger consideration, stock elections totaling 5% of the aggregate merger consideration, and 15% of the aggregate merger consideration is subject to no election, then:

All shares subject to a cash election will receive 62.5% of the consideration in Heartland common stock and 37.5% of the consideration in cash;

All shares subject to no election will receive stock; and

▲All shares subject to a stock election will receive stock.

Election Procedures

You are not being asked to make an election to receive cash, shares of Heartland common stock or a combination of cash and shares of Heartland common stock in exchange for your shares of Founders common stock through this proxy statement/prospectus. Instead, you will receive a separate communication through which you may make this election, as described below, and through which you may exchange your Founders stock certificates, as described under “The Merger Agreement-Surrender of Stock Certificates.”

If you are a Founders shareholder of record on December 23, 2016 (the record date for the special meeting of Founders shareholders to approve the merger), you are being mailed election materials by the Exchange Agent to permit you to make an election regarding the type of consideration you will receive for your shares of Founders common stock. If you hold your Founders shares in nominee or “street name,” your broker or nominee will receive these election materials and will communicate with you as to how to make the election.

If you wish to elect the type of merger consideration you will receive in the merger, you should carefully review and follow the instructions that are set forth in the election materials. If you hold your shares of Founders common stock in “street name” or through a bank, broker or other nominee, you should follow the instructions of the bank, broker or other nominee for making an election with respect to shares of Founders common stock. Shares of Founders common stock as to which the holder has not made a valid election prior to the election deadline will be treated as non-election shares.

To make an effective election, you, your bank, broker or other nominee must submit a properly completed election form to the Exchange Agent, on or before the election deadline 5:00 p.m., Pacific Time, on January 23, 2017. You may change your election prior to the election deadline by written notice accompanied by a properly completed and signed, revised election form received by the Exchange Agent prior to the election deadline. All elections will be revoked automatically if the merger is not approved or the merger agreement is otherwise terminated. The determination of the Exchange Agent will be binding as to whether an election has been properly made or revoked. If it is determined by the Exchange Agent that any purported cash election or stock election was not properly made, the purported election will be deemed to be of no force or effect, and the Founders shareholder making the purported election will be deemed not to have made an election for these purposes, unless a proper election is subsequently made on a timely basis.

The Exchange Agent will make all computations as to the proration contemplated by the merger agreement and any such computation will be conclusive and binding on Founders shareholders.

Surrender of Stock Certificates

Please do not send us your Founders stock certificates at this time.

Simultaneously with, or as soon as practicable after the mailing of this proxy statement/prospectus, each holder of a Founders stock certificate will receive transmittal materials for use in exchanging the Founders stock certificates for cash, certificates representing shares of Heartland common stock or a combination of cash and certificates representing shares of Heartland common stock. If a Founders shareholder elects to receive Heartland common stock as part of their merger consideration, in accordance with the procedures described under the caption “The Merger Agreement-Election Procedures,” Heartland will deliver certificates or a book entry notification for Heartland common stock to the holder of Founders common stock once Heartland receives the properly completed transmittal materials and certificates representing such holder’s shares of Founders common stock. Once you have tendered your Founders stock certificates to the Exchange Agent, you will not be able to transfer the shares represented by those stock certificates until the merger is completed, unless you revoke your election by written notice to the Exchange Agent that is received prior to the election deadline described under the caption “The Merger Agreement-Election Procedures.” Founders stock certificates may be exchanged for Heartland stock certificates until such time that the stock certificates would otherwise escheat to or become the property of any governmental unit or agency. At the end of this period, all unclaimed Heartland stock certificates will become (to the extent permitted by abandoned property and any other applicable law) the property of Heartland.

If your Founders stock certificate has been lost, stolen or destroyed you may receive a Heartland stock certificate upon the making of an affidavit regarding the loss, theft or destruction of the Founders stock certificate. Heartland's transfer agent

56

may require you to post a bond in a reasonable amount as an indemnity against any claim that may be made against the transfer agent or Heartland with respect to the lost, stolen or destroyed Founders stock certificate.

None of Heartland, Heartland's transfer agent, Founders, or any other person, will be liable to any former holder of Founders common stock for any amount properly delivered to a public official pursuant to applicable abandoned property, escheat or similar laws.

Effect on Founders Stock Options

At the effective time of the merger, each option to purchase shares of Founders common stock that is outstanding, vested and unexercised immediately prior to the effective time will be cancelled in exchange for the right to receive from Heartland a single lump sum cash payment equal to the product of (a) the number of shares of Founders common stock subject to such stock option, and (b) the excess of the aggregate merger consideration per share over the exercise price per share of such stock option, less any applicable withholding taxes. All Founders stock options will terminate at the effective time of the merger, and the surrender of a Founders stock option to Heartland in exchange for the stock option consideration will be deemed a release of any and all rights the option holder had or may have had in respect of such stock option.

At the effective time of the merger, stock options held by Founders' directors, and scheduled to vest on or after April 1, 2017, will be cancelled pursuant to amendments to certain stock option agreements entered into by Founders' directors on October 29, 2016. As a result, Founders' directors will not receive the stock option consideration described above with respect to such cancelled stock options.

Completion of the Merger

Unless the parties agree otherwise, the completion of the merger will take place at a time and place to be agreed upon by the parties as soon as practicable after all closing conditions have been satisfied or waived.

To effect the merger, Heartland will file a Certificate of Merger with the Secretary of State of Delaware and Founders will file a Certificate of Merger with the Secretary of State of California. The merger will become effective upon the filing of a Certificate of Merger with the Secretary of State of Delaware. We currently expect to complete the merger in the first quarter of 2017, subject to receipt of required shareholder and regulatory approvals.

Immediately after the effective time of the merger, Founders Community Bank, the wholly-owned banking subsidiary of Founders, will be merged with and into Premier Valley Bank, Heartland's wholly-owned banking subsidiary in California. The Founders Community Bank branches will continue to operate under the Founders Community Bank name as a division of Premier Valley Bank.

Conditions to Completion of the Merger

Founders' and Heartland's respective obligations to complete the merger are subject to the fulfillment or waiver of certain conditions, including:

- the approval and adoption of the merger agreement by the holders of a majority of the outstanding shares of Founders common stock entitled to vote;
- the receipt of governmental and regulatory approvals required to complete the merger;
- the absence of any injunction or order, or any law or regulation, that would impair the merger;
- the absence of any governmental action which would reasonably be expected to result in restraining or prohibiting the merger, prohibiting Heartland's ownership of the business or assets of Founders or Founders Community Bank or requiring a divestiture by Heartland of the business or assets of Founders or Founders Community Bank;
- the merger agreement having not been terminated; and
- the effectiveness of this registration statement with respect to the Heartland common stock to be issued in connection with the merger.

Heartland's obligation to complete the merger is subject to the requirement that the total number of dissenting shares cannot be more than 12% of the number of outstanding shares of Founders common stock. Founders' obligation to complete the merger is also subject to the conditions that there has been no change in control of Heartland prior to the closing date of the merger and that an opinion of counsel as to the tax consequences of the merger has been delivered.

No Solicitation

Founders has agreed that it will not, and will cause Founders Community Bank not to, and will use its best efforts to cause Founders' and Founders Community Bank's officers, directors, employees, agents and authorized representatives not to, directly or indirectly:

solicit, initiate, encourage, induce or facilitate the making, submission or announcement of any inquiries or proposals with respect to any "acquisition proposal" (as defined below), or take any action that would reasonably be expected to lead to an acquisition proposal;

- furnish any information regarding Founders or Founders Community Bank to any person in connection with or in response to an acquisition proposal, or an inquiry or indication of interest letter that would reasonably be expected to lead to an acquisition proposal;

engage in any discussions or negotiations regarding any acquisition proposal, or that could reasonably be expected to lead to any acquisition proposal;

approve, endorse or recommend any acquisition proposal; or

enter into a letter of intent or similar document or any contract contemplating or otherwise relating to any acquisition transaction.

However, prior to approval of the merger agreement by holders of a majority of the outstanding shares of Founders Common Stock entitled to vote, Founders may furnish nonpublic information regarding Founders to, or enter into discussions or negotiations with, any person in response to a "superior proposal" (as defined below) that is submitted to Founders by such person (and not withdrawn) if (1) neither Founders nor Founders Bank nor any their respective representatives have violated any of the restrictions described above, (2) the board of directors of Founders concludes in good faith, after having consulted with outside counsel, that failure to do so would result in a breach of its fiduciary duties to the holders of Founders common stock, (3) at least two business days prior to furnishing any such nonpublic information to, or entering into discussions with, such person, Founders gives Heartland written notice of the identity of such person and of Founders' intention to furnish nonpublic information to, or enter into discussions with, such person, and Founders receives from such person an executed confidentiality agreement and (4) at least two business days prior to furnishing any such nonpublic information to such person, Founders furnishes such nonpublic information to Heartland.

Founders has also agreed:

- to notify Heartland promptly (and in any event within 24 hours) of any request for information relating to an acquisition proposal and to provide Heartland with relevant information regarding the acquisition proposal or request;
- to keep Heartland fully informed of the status of any such acquisition proposal (including any modifications or proposed modifications);

- to cease immediately and cause to be terminated any existing discussions with any persons regarding an acquisition proposal; and

to not release or permit the release of any third party from, or permit any waiver under, any confidentiality, "standstill" or similar agreement to which Founders or Founders Community Bank is a party, and to enforce each such agreement at the request of Heartland.

The merger agreement defines "acquisition proposal" as any offer, proposal, inquiry or indication of interest letter (other than by Heartland) contemplating or otherwise relating to any transaction or series of transactions involving (a) any merger, consolidation, share exchange, business combination, issuance of securities, acquisition of securities, tender offer, exchange offer or other similar transaction (i) in which Founders or Founders Community Bank is a constituent corporation, (ii) in which a person or "group" (as defined in the Securities Exchange Act of 1934, as amended, and the rules promulgated thereunder) of persons directly or indirectly acquires beneficial or record ownership of securities representing more than 15% of the outstanding securities of any class of voting securities of Founders or Founders Community Bank or (iii) in which Founders or Founders Community Bank issues or sells securities representing more than 20% of the outstanding securities of any class of voting securities of Founders or Founders Community Bank; or

(b) any sale (other than sales in the ordinary course of business), lease (other than in the ordinary course of business), exchange, transfer (other than in the ordinary course of business), license (other than nonexclusive licenses in the ordinary course of business), acquisition or disposition of any business or businesses or assets that constitute or account for 20% or more of the consolidated net revenues, net income or assets of Founders or Founders Community Bank.

The merger agreement defines “superior proposal” as any acquisition proposal by a third party on terms which the board of directors of Founders determines in its good faith judgment, after consultation with, and receipt of written advice

from, its financial advisors (which advice will be communicated to Heartland), to be more favorable from a financial point of view to its shareholders than the merger and the other transactions contemplated hereby, after taking into account the likelihood of consummation of such transaction on the terms set forth therein, taking into account all legal, financial (including the financing terms of any such proposal), regulatory and other aspects of such proposal, and any other relevant factors permitted under applicable law.

Termination, Termination Fee and Payment of Expenses

Founders and Heartland may agree in writing to terminate the merger agreement before completing the merger, even after approval and adoption of the merger agreement by the Founders shareholders, if a majority of the board of directors of each of Founders and Heartland votes to do so.

In addition, either Heartland or Founders may decide to terminate the merger agreement in various circumstances, including the following:

- if there is a law or governmental order that prohibits the merger;
- if a governmental entity has denied the approval of the merger and such denial is final and non-appealable;
- if the other party has or will have breached any representation, warranty or agreement in any material respect and such breach cannot be or is not cured within 30 days after written notice of the breach, or if satisfaction of any closing condition by the other party is or becomes impossible;
- if the merger has not been completed by June 30, 2017, unless the failure to complete the merger is due to the party seeking to terminate the agreement; or
- if holders of shares representing a majority of the outstanding shares of Founders common stock entitled to vote fail to approve the merger at the special meeting.

Founders may terminate the merger agreement if, prior to the adoption of the agreement by the requisite vote of the Founders shareholders, the Founders board of directors determines to enter into an agreement to effect a “superior proposal” (as defined above), and Founders complies with applicable provisions of the merger agreement. If Founders terminates the agreement because of a superior proposal, or if Heartland terminates the agreement because the Founders board does not fulfill its obligation to recommend that Founders shareholders adopt the merger agreement, or Founders or Founders Community Bank does not refrain from soliciting acquisition proposals, Founders has agreed to pay Heartland a termination fee of \$1.2 million, in lieu of any expense reimbursement described in the next paragraph, as the sole and exclusive remedy of Heartland.

Founders must pay to Heartland up to \$1.0 million of all out-of-pocket expenses incurred by Heartland in connection with the consummation of the merger, if the merger agreement is terminated because of the circumstances described in the previous paragraph, the merger agreement has not been adopted by the requisite vote of the shareholders of Founders at the special meeting, or because Founders has breached a representation, warranty or agreement contained in the merger agreement in any material respect, and such breach cannot be cured in a 30-day period.

Heartland must pay to Founders up to \$1.0 million of all out-of-pocket expenses incurred by Founders in connection with the consummation of the merger, if the merger agreement is terminated because Heartland has breached a representation, warranty or agreement contained in the merger agreement in any material respect, and such breach cannot be cured in a 30-day period.

Otherwise, if the merger agreement is terminated and abandoned for any reason other than fraud, willful misconduct or material breach, it will become void and there will be no liability on the part of Heartland, Founders or their respective representatives, except that designated provisions of the merger agreement will survive the termination, including provisions relating to the payment of expenses and/or a termination fee in the circumstances described above.

Other Covenants and Agreements

Founders has undertaken customary covenants that place restrictions on it and Founders Community Bank until the completion of the merger. In general, each of Founders and Founders Community Bank will conduct its business in the ordinary course and in accordance with all applicable law; preserve its business organization and the goodwill; use commercially reasonable efforts to keep available the services of its officers, employees and consultants; and maintain satisfactory relationships with vendors, customers and others having business relationships with it.

Founders has further agreed that, except with Heartland's prior written consent, Founders will not, and will cause Founders Community Bank not to, among other things, undertake any of the following actions:

59

- amend its articles of incorporation or bylaws;
- issue any of its equity securities, securities convertible into or exchangeable for its equity securities, warrants, options or other rights to acquire its equity securities, or any bonds or other securities, except deposit and other bank obligations in the ordinary course of business and except for common stock issuable upon exercise of outstanding options;

- hire any additional employees such that the total number of full-time equivalent employees of Founders and Founders Community Bank will exceed 50; or

Size of Board of Directors

Heartland

The DGCL provides that the board of directors of a business corporation shall consist of one or more members, each of whom shall be a natural person, and that the number of directors shall be fixed by, or in the manner provided in, the bylaws, unless the certificate of incorporation fixes the number of directors, in which case a change shall be made only by amendment.

Heartland's certificate of incorporation provides that the number of directors shall not be less than three nor more than nine.

Founders

The CGCL provides that the number of directors on the board of directors of a business corporation shall be specified or fixed in accordance with the articles of incorporation or bylaws. The California Financial Code, however, provides that a California corporation authorized to engage in banking must have a board of no fewer than five and no more than 25 members.

Founders' bylaws provide that the number of directors may not be less than six nor more than eleven, and provides that a majority of the full board, or a majority of the shareholders, may fix the number within this range.

Qualifications of Directors

Heartland

The DGCL provides that directors need not be stockholders unless otherwise required by the certificate of incorporation or the bylaws, and that other qualifications of directors may be prescribed in the certificate of incorporation or the bylaws.

Founders

Under the CGCL, a director is not required to be a resident of the state of California or a shareholder of the corporation unless otherwise required by the articles of incorporation or bylaws.

Founders' bylaws provide that no person shall serve as a director who is (i) a director, officer, employee, agent, nominee, material

Heartland's bylaws provide that directors need not be residents of Delaware or the United States or stockholders of the corporation. Heartland's certificate of incorporation and bylaws provide that a person shall not be eligible for election to the board of directors if such person is seventy (70) years of age or older on the date of such election, provided, however, that such restriction does not apply to any incumbent directors who attained the age of sixty-five (65) years prior to January 1, 1993.

consulting accountant, analyst, attorney or policy decision maker for any other financial institution, lender or bank holding company or affiliate or subsidiary thereof or (ii) who has been or is the assignee or nominee of anyone who has any contact, arrangement or understanding with any of these other entities or individuals, pursuant to which the person could be called upon to reveal or in any way utilize information obtained as a director. The Founders board may in its sole discretion permit a person who does not satisfy one or more of these qualifications to serve as a director if the board determines that such action will not compromise the business plan or strategic focus of Founders.

Filling Vacancies on the Board

Heartland

The DGCL provides that, unless the certificate of incorporation or bylaws provide otherwise, a majority of the directors then in office (although less than a quorum) or the sole remaining director may fill any vacancy on the board of directors including newly created directorships resulting from an increase in the number of directors.

Heartland's bylaws provide that vacancies may be filled by the vote of a majority of the remaining directors then in office, although less than a quorum, by the nominating and compensation committee, or by the sole remaining director.

Founders

The CGCL provides that a vacancy on the board may be filled by approval of the board (although less than a quorum). If the directors do not fill a vacancy on the board, the shareholders may elect a director at any time to fill such a vacancy. Unless the articles of incorporation or a bylaw adopted by the shareholders provide that the board may fill vacancies occurring in the board due to removal of directors, such vacancies shall be filled by approval of the shareholders.

Founders' bylaws are consistent with the CGCL and allow vacancies resulting from removal to be filled by the board.

Removal of Directors

Heartland

Under the DGCL, directors may be removed, with or without cause, by the holders of a majority of the shares entitled to vote on their election; however, in the case of a corporation whose board is classified, stockholders may effect such removal only for cause unless the certificate of incorporation otherwise provides.

Heartland's certificate of incorporation provides that a director may only be removed for cause and by an affirmative vote of 70% of the outstanding shares entitled to vote generally in the election of directors at an annual meeting of stockholders or a meeting of the stockholders called for that purpose.

Founders

Under the CGCL, shareholders of a corporation may remove a director with or without cause, if removal is approved by the outstanding shares. No director may be removed when the votes cast against removal would be sufficient to elect the director if voted cumulatively at an election at which the same total number of votes was cast and the entire number of directors authorized at the time of the director's most recent election were then being elected.

Founders' bylaws are consistent with the CGCL and also provide that the board may remove a director convicted of a felony or declared to be of unsound mind.

Nomination of Directors for Election

Heartland

If a stockholder wishes to nominate a person for election as director, the stockholder must give timely notice in proper written form to the Secretary of Heartland. To be timely, such stockholder notice must be received by the Secretary at Heartland's principal executive offices not later than the close of business on the 30th day nor earlier than the opening of business on the 75th day before the meeting; provided, however, that in the event the notice of the meeting is given less than 40 days before the meeting, notice must be received not later than 10 days after the date that notice of the meeting was given. To be in proper written form, such stockholder's notice must be in writing and contain information regarding the nominee to the board

Founders

Founders' bylaws provide that nominations for election to the board by shareholders may be made by any shareholder entitled to vote at election of directors by notice not more than 60 nor less than 21 days before the meeting. The notice must include (i) the name and residence address of, and number of Founders shares held by, the proposing shareholder, (ii) the name, address, and principal occupation of, and number of Founders shares and shares of other financial institutions held by, the nominee, (iii) whether the nominee has been convicted of a criminal offense involving dishonesty or a breach of trust, or been declared or filed for bankruptcy, and (iv) confirmation that the nominee meets the director

of directors and the stockholder bringing the nomination and other information specified in Heartland's bylaws. qualifications described above.

Fiduciary Duty of Directors

Heartland

Directors of Delaware have fiduciary obligations to act in accordance with the so-called duties of "due care" and "loyalty." The duty of care requires that the directors act in an informed and deliberative manner and to inform themselves, prior to making a business decision, of all material information reasonably available to them. The duty of loyalty requires the directors to act in good faith, not out of self-interest and in a manner that the directors reasonably believe to be in the best interests of the corporation.

Founders

Under the CGCL, directors have fiduciary obligations to serve in a manner that they believe to be in the best interests of the corporation and its shareholders. This standard requires reasonable inquiry, as an ordinarily prudent person in a like position would use under similar circumstances.

Anti-Takeover Provisions

Heartland

The DGCL generally prohibits certain Delaware corporations from engaging in any “business combination” with any “interested stockholder” for a period of three years following the time that the stockholder became an interested stockholder unless:

- the board of directors approves either the business combination or the transaction that resulted in the stockholder becoming an interested stockholder prior to the stockholder becoming an interested stockholder;
- * the interested stockholder acquires at least 85% of the voting stock (excluding shares held by officers, * directors and certain employee stock plans) of the corporation in the transaction that causes the stockholder to become an interested stockholder; or
- the business combination is approved by the board of directors and authorized at an annual or special meeting * of stockholders by the affirmative vote of at least two-thirds of the outstanding voting stock (excluding stock owned by the interested stockholder).

The DGCL generally defines “business combination” to include merger; sale or other disposition to the interested stockholder of 10% or more of the assets of the corporation; subject to specified exceptions, a transaction by the corporation that results in an increase in the stock of the corporation owned by the interested stockholder; and other financial benefits provided to the interested stockholder by or through the corporation.

Generally, the DGCL defines an “interested stockholder” as (i) any person owning 15% or more of the outstanding voting stock of the corporation, or (ii) any affiliate or associate of the corporation that owned 15% or more of the voting stock of the corporation during the past three years.

Shareholder Meeting

Heartland

Annual Meetings. Under Heartland’s bylaws an annual meeting of the stockholders must be held on the Wednesday following the third Tuesday of May each year or on such other date as the board of directors may determine.

Special Meetings. Under the DGCL, a special meeting may be called by the board of directors or by other persons authorized by the certificate of incorporation or the bylaws. Heartland’s bylaws provide that special meetings of the stockholders may be called by the chairman of the board, the vice chairman of the board, the

Founders

The CGCL has no express anti-takeover provisions. Nevertheless, the California Financial Code and the Change in Bank Control Act would impose significant restrictions, and would require prior application to the California Department of Business Oversight as well as the FDIC.

Founders

Annual Meetings. Under Founders’ bylaws an annual meeting of shareholders must be held annually at its main office at such time and date as the board of directors may determine.

Special Meetings. Under the CGCL, the board of directors, the chairperson of the board and holders of at least 10% of all votes entitled to be cast on any issue proposed to be considered at the proposed special meeting, may call a special

president, the board, or at the written request of stockholders representing a majority of outstanding voting shares.

meeting of shareholders. Founders' bylaws are consistent with the CGCL.

Submission of Shareholder Proposals

Heartland

Heartland's bylaws provide that a stockholder must give notice to the secretary of Heartland not less than 30 days nor more than 75 days prior to the date of the originally scheduled meeting in order to bring business before an annual meeting. The notice must set forth as to each matter the stockholder proposes to bring before the meeting: (i) a description of the proposal and the reasons for the proposal; (ii) the name and address of the proposing stockholder; (iii) the number of shares of Heartland's common stock beneficially owned by the stockholder; and (iv) any interest of the stockholder in the proposal.

Founders

Founders' bylaws do not specify procedures with respect to business that may be brought by a shareholder at a meeting of shareholders.

Notice of Shareholder Meetings

Heartland

Heartland's bylaws provide that it shall notify stockholders of the place, date, and time of a meeting not less than 10 nor more than 60 days before the date of the meeting or in the case of a merger or consolidation of Heartland requiring stockholder approval or a sale, lease or exchange of all or substantially all of Heartland's property and assets, not less than 20 nor more than 60 days before the date of meeting. If the notice is for a meeting other than the annual meeting, the notice shall also specify the purpose or purposes for which the meeting is called.

Founders

Founders' bylaws provide that it shall notify those shareholders entitled to vote of the date, time and place of each shareholders meeting not less than 10 nor more than 60 days before the meeting date.

Shareholder Vote Required for Mergers and Sales

Heartland

The DGCL generally requires that a merger or consolidation or sale, lease or exchange of all or substantially all of a corporation's property and assets be approved by the directors and by a majority of the outstanding stock entitled to vote thereon. Under the DGCL, a surviving corporation need not obtain stockholder approval for a merger if (i) the merger agreement does not amend the certificate of incorporation of the surviving corporation; (ii) each share of the surviving corporation's stock outstanding prior to the merger remains outstanding in identical form after the merger; or (iii) either no shares of common stock of the surviving corporation are to be issued in the merger, or, if common stock will be issued, it will not increase the number of shares of common stock outstanding prior to the merger by more than 20%.

Founders

The CGCL requires an agreement of merger to be approved by the affirmative vote of a majority of the outstanding shares of each class entitled to vote. Neither Founders' Articles of Bylaws provide for any special voting requirements for mergers or sales.

In addition, the DGCL permits the merger of one corporation, of which at least 90% of the outstanding shares of each class is owned by another corporation, with or into the other corporation, without shareholder approval of either corporation.

Heartland's certificate of incorporation provides that a merger or consolidation or a sale, lease or exchange of all or substantially all of Heartland's property and assets requires the affirmative vote of 70% of Heartland's voting shares unless such transaction (i) is approved by resolution adopted by not less than 66-2/3% of Heartland's board of directors, (ii) is with a corporation of which the majority of the outstanding shares are owned by Heartland, or (iii) does not require stockholder approval pursuant to the DGCL.

Distributions

Heartland

The DGCL allows the board of directors to declare and pay dividends and other distributions to stockholders either out of surplus, or out of net profits for the current or preceding fiscal year in which the dividend is declared. A distribution out of net profits is not permitted if a corporation's capital is less than the accumulated preference of preference shares, until the deficiency has been repaired.

In addition to the restrictions discussed above, Heartland's ability to pay dividends to its stockholders may be affected by rules, regulations and policies of the Federal Reserve applicable to bank holding companies.

Under the certificate of designations of the Senior Non-Cumulative Perpetual Convertible Preferred Stock, Series D, Heartland is prohibited from paying dividends on any shares of parity stock or junior stock (other than a dividend payable solely in shares of junior stock) or redeeming shares of party stock or junior stock if it has failed to pay dividends on such series D preferred stock.

Dissenters' Rights of Appraisal

Heartland

Under the DGCL, stockholders have appraisal rights in connection with mergers and consolidations, provided the stockholder complies with certain procedural requirements of the DGCL. However, this right to demand appraisal does not apply to shares of any class or series of stock if, at the record date fixed to determine the stockholders entitled to receive notice of and to vote:

- the shares are
- * listed on a national securities exchange; or
- *

Under the CGCL, a shareholder may dissent from, and obtain payment of the fair value of his or her shares in the event of reorganizations requiring shareholder approval. However, this right to dissent does not apply to: (i) the holders of shares of any class or series if the shares of the class or series are registered on a national securities exchange; (ii) the holders of any shares to which there exists any restriction on transfer imposed by the corporation or by any law or regulation; and (iii) the holders of any shares where the holder of those shares is required, by the terms of the reorganization or short-form merger, to accept for the shares anything except shares of any other corporation listed on the national securities exchange, cash in lieu of shares or any combination of shares and cash in lieu of shares.

Founders

Founders, as a non-banking California corporation, is subject to the restrictions under Section 500 of the CGCL on its ability to pay dividends to shareholders. Generally, a California corporation may not pay dividends unless:

- the retained earnings of the corporation immediately prior to the
- * distribution exceeds the amount of the distribution plus the preferential dividends arrears amount, if any; or
- Immediately after the distribution, the value of the corporation's assets would
- * equal or exceed the sum of its total liabilities plus the preferential rights amount.

the shares are held
of record by more
than 2,000
stockholders.

Further no appraisal
rights are available
for shares of stock
of a constituent
corporation
surviving a merger
if the merger does
not require a vote of
the stockholders of
the surviving
corporation.

Regardless of the
above, appraisal
rights are available
for the shares of any
class or series of
stock if the holders
are required by the
terms of an
agreement of
merger or
consolidation to
accept for their
stock anything other
than:

Founders' shareholders are entitled to dissenters' rights in the merger.

- * shares of stock of the corporation surviving or resulting from the merger or consolidation;
- * shares of stock of any other corporation which, at the effective date of the merger or consolidation, will be listed on a national securities exchange, or held of record by more than 2,000 stockholders;
- * cash in lieu of fractional shares of the corporations described in either of the above; or
- * any combination of the shares of stock and cash in lieu of fractional shares described in any of the three above.

Shareholder Class Voting Rights

Heartland

The DGCL provides that unless otherwise provided in a corporation's certificate of incorporation, each stockholder is entitled to one vote for each share of capital stock held by such stockholder.

Heartland's certificate of incorporation provides that the Series A Junior Participating Preferred Stock shall have the right to vote with the common stock and shall have no other special voting rights unless Heartland fails to pay 6 consecutive quarterly dividends, in which case, the Series A may elect 2 additional directors to the board of directors which directors will hold office until Heartland pays such dividends. The Series B and Series C preferred stock have no voting rights except (i) on failure of Heartland to pay 6 quarterly dividends (in which case such holders may elect 2 additional directors to the board of directors which directors will hold office until Heartland pays such dividends), and (ii) a 66 2-3% affirmative class vote shall be required for authorization of any senior preferred stock, amendment to the terms of the preferred stock, any share exchange or reclassification involving the preferred stock or merger or consolidation of Heartland with another entity unless such preferred shares remain outstanding or converted into equivalent securities. The Senior Non-Cumulative Perpetual Convertible Preferred Stock, Series D, shall have the right to vote with the common stock on a converted basis and as a single class upon any amendment to the certificate of incorporation that would adversely affect their powers, preferences or special rights.

Founders

Under the CGCL, except as may be otherwise provided in the articles, each outstanding share, regardless of class, is entitled to one vote on each matter submitted to a vote of shareholders. All shares of any one class have the same voting rights, preferences, privileges and restrictions, unless the class is divided into series. If a class is divided into series, all the shares of any one series shall have the same voting rights and other rights, preferences, privileges and restrictions.

Although the Founders' articles of incorporation authorize preferred stock, Founders has not established the voting rights, terms or preferences of any class of preferred stock and no shares are outstanding.

Indemnification

Heartland

A Delaware corporation is required to indemnify a present or former director or officer against expenses actually and reasonably incurred in an action that such person successfully defends on the merits or otherwise.

A corporation may indemnify any director, officer, employee or agent who is or is threatened to be made a party to a non-derivative proceeding against expenses, judgments and settlements incurred in connection with the proceeding, provided the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation and, in the case of a criminal proceeding, had no reasonable cause to believe the conduct was unlawful. A director, officer, employee or agent made or threatened to be made a party to a derivative action can be indemnified to the same extent, except that indemnification is not permitted with respect to claims in which the person has been adjudged liable to the corporation unless the court determines to allow indemnity for expenses.

Any permissive indemnification of a present or former director, officer, employee or agent, unless ordered by a court, shall be made by the corporation upon a determination by: (i) a majority vote of the disinterested directors even though less than a quorum; (ii) a committee of disinterested directors, designated by a majority vote of such directors even though less than a quorum; (iii) independent legal counsel in a written opinion; or (iv) the stockholders. The statutory rights regarding indemnification are not exclusive.

Heartland's bylaws provide that Heartland shall indemnify a director or officer made party to a proceeding by reason of the fact that he or she is or was a director or officer of the corporation against expenses, judgments, fines and settlements in the circumstances that the Delaware statute allows, and under the authority of one of the groups specified above, excluding independent legal counsel.

Limitations on Directors' Liability

Heartland

Under the DGCL, a Delaware corporation's certificate of incorporation may eliminate director liability for all acts except: (i) an act or omission not in good faith or that involves intentional misconduct or knowing violation of the law; (ii) a breach of the duty of loyalty; (iii) improper personal benefits; or (iv) certain unlawful distributions. Heartland's certificate of incorporation contains such an

Founders

The CGCL allows a corporation to indemnify any agent of the corporation against expenses and other amounts actually and reasonably incurred in a proceeding if the agent acted in good faith and in a manner the agent reasonably believed to be in the best interests of the corporation and, in the case of a criminal proceeding, had no reasonable cause to believe the conduct of the person was unlawful, provided that indemnification may not be made: (i) in a derivative claim against the agent, unless the court shall determine that the person is fairly and reasonably entitled to indemnity for expenses; (ii) of amounts and expenses paid in settling or otherwise disposing of a pending action without court approval.

Any indemnification can be made only after a determination that indemnification of the agent is by: (i) a majority vote of disinterested directors (provided they constitute a quorum); (ii) by independent legal counsel in a written opinion; (iii) by shareholders (with the shares owned by the person to be indemnified not being entitled to vote); or (iv) by the court.

Expenses incurred in defending any proceeding may be advanced by the corporation prior to the final disposition of the proceeding upon receipt of an undertaking by or on behalf of the agent to repay that amount if it shall be determined ultimately that the agent is not entitled to be indemnified.

The Founders articles and bylaws generally provide for indemnity of agents to the maximum extent permitted by California law.

Founders

Under the CGCL, director liability for monetary damages may be eliminated or limited in the articles of incorporation, except for certain enumerated actions such as actions and omissions that a director believes to be contrary to the best interests of the corporation or its shareholders or actions taken in the absence of good faith. Both Founders' articles of incorporation and bylaws

exculpatory provision.

contain such an exculpatory provision.

Amendment of Certificate or Articles of Incorporation

Heartland

Under the DGCL and unless the certificate requires a greater value, amendment to the Certificate of Incorporation may be adopted by holders of a majority of the voting shares at a meeting at which a quorum is present, provided that, a class of stockholders has the right to vote separately on an amendment if it would: (i) increase or decrease the aggregate number of authorized shares of the class; (ii) increase or decrease the par value of the shares of the class; or (iii) adversely change the powers, preferences, or special rights of the shares of the class.

The Heartland certificate of incorporation provides that the provisions regarding (i) amendment to bylaws and certificate of incorporation, (ii) the size, qualifications and classes of the board of directors, (iii) additional voting requirements, (iv) business combinations with interested stockholders, and (v) stockholder action by written consent, shall not be amended, changed or repealed unless approved by the affirmative vote of the holders of shares having at least 70% of the voting power of all outstanding stock entitled to vote thereon, unless such amendment, change or repeal was approved by at least 66-2/3% of the directors.

Amendment of Bylaws

Heartland

Under the DGCL, stockholders entitled to vote have the power to adopt, amend or repeal bylaws. In addition, a corporation may, in its certificate of incorporation, confer such power upon the board of directors.

However, the stockholders always retain the power to adopt, amend or repeal the bylaws, even though the board of directors may also be delegated such power.

Heartland's certificate of incorporation and bylaws provide that the bylaws also may be amended, altered or repealed by (i) the stockholders, provided such amendment, alteration or repeal is approved by the affirmative vote of holders of not less than 70% of the outstanding shares of stock entitled to vote at an election of directors, or (ii) the affirmative vote of not less than 66 2/3% of the directors.

Shareholder Inspection Rights

Heartland

Under the DGCL, every stockholder of record has the right to inspect, upon written demand under oath stating the stockholder's purpose for inspection, in person or by agent or attorney, the corporation's stock ledger, stockholder list, its other books and records and, subject to certain restrictions, the books and records of a subsidiary of the corporation.

Founders

Under the CGCL, a shareholder holding at least 5% in the aggregate of the outstanding voting shares of a corporation, shall have the absolute right to inspect and copy the record of shareholders' names and addresses and shareholdings or obtain from a transfer agent a list of the shareholders' names, addresses, and shareholdings, who are entitled to vote for the election of directors. Founders' bylaws provide for this right upon five business days' prior written demand.

Founders

Under the CGCL, and subject certain provisions relating to class voting rights if there are multiple classes of shares outstanding, amendments may be adopted if approved by the board and approved by the affirmative vote of a majority of the outstanding voting shares.

Founders

Under the CGCL, bylaws may be amended by approval of the outstanding shares or by the approval of the board. The articles or bylaws may restrict or eliminate the power of the board to amend the bylaws.

ARTICLE 2

MERGER

2.1 The Merger. Under the terms of this Agreement and subject to the satisfaction or waiver of the conditions set forth in Article 7, at the Effective Time, Founders will be merged with and into Heartland. Heartland, in its capacity as the corporation surviving the Merger, is sometimes referred to herein as the “Surviving Corporation.” The Merger will be

effected pursuant to the provisions of, and with the effect provided in, Section 252 of the Delaware General Corporation Law (the “DGCL”) and Chapter 11 of the California General Corporation Law (the “CGCL”).

A-8

2.2 Effect of Merger.

(a) At the Effective Time, Founders will be merged with and into Heartland, and the separate existence of Founders will cease. The Charter and the Bylaws of Heartland, as in effect immediately prior to the Effective Time, will be the Charter and the Bylaws of the Surviving Corporation, until the same may be amended as provided therein and in accordance with applicable Law. The directors and officers of Heartland immediately prior to the Effective Time will be the directors and officers of the Surviving Corporation, in each case until their respective successors are duly elected or appointed and shall qualify.

(b) At the Effective Time and thereafter, the Surviving Corporation will be responsible and liable for all the Liabilities, Indebtedness and penalties of each of Heartland and Founders.

(c) At the Effective Time and thereafter, the Surviving Corporation will possess all the rights, privileges, immunities and franchises, of a public as well as of a private nature, of each of Heartland and Founders; all property, real, personal and mixed, and all Indebtedness due on whatever account, and all and every other interest, of or belonging to or due to each of Heartland and Founders, will be taken and deemed to be transferred to and vested in the Surviving Corporation without further act or deed; and the title to any real estate or any interest therein, vested in Heartland or Founders, will not revert or be in any way impaired by reason of the Merger.

(d) To effect the Merger, the parties hereto will cause a Certificate of Merger substantially in the form attached hereto as Exhibit B (the "Delaware Certificate of Merger") and a Certificate of Merger in the form required by the Secretary of State of California (the "California Certificate of Merger") relating to the Merger to be filed with the Secretary of State of Delaware and the Secretary of State of California, respectively. The Merger will become effective upon the filing of the Delaware Certificate of Merger. As used herein, the term "Effective Date" will mean the date on which the Merger will become effective as provided in the preceding sentence, and the term "Effective Time" will mean the time on the Effective Date when the Merger will become effective. The Effective Date and the Effective Time will take place on the Closing Date.

2.3 Conversion of Founders Common Stock.

(a) To effectuate the Merger, at the Effective Time, and without any further action of Heartland, Founders or any holder of Founders Common Stock, subject to Section 2.6, each issued and outstanding share of Founders Common Stock (other than shares to be canceled pursuant to 2.3(c) and Dissenting Shares) will be converted into, and will be canceled in exchange for, the right to receive, at the election of the holder thereof as provided in Section 2.6, the Aggregate Merger Consideration Per Share in the form of cash, Heartland Common Stock or a combination thereof.

(b) No fractional shares of Heartland Common Stock will be issued for Converted Common Shares, and in lieu of any fractional share, Heartland will pay to each holder of Converted Common Shares who otherwise would be entitled to receive a fractional share of Heartland Common Stock, an amount of cash (without interest) equal to the product of (i) the Average Closing Price multiplied by (ii) the fractional share interest to which such holder would otherwise be entitled (the "Fractional Share Amount").

(c) Each share of Founders Common Stock held as treasury stock of Founders or held directly or indirectly by Heartland, other than shares held in a fiduciary capacity or in satisfaction of Indebtedness previously contracted, will be canceled, retired and cease to exist, and no exchange or payment will be made with respect thereto.

2.4 Adjustments to Heartland Common Stock. If, between the date hereof and the Effective Time, shares of Heartland Common Stock will be changed into a different number of shares or a different class of shares by reason of any reclassification, recapitalization, split-up, combination, exchange of shares or readjustment, or if a stock dividend

thereon will be declared with a record date within such period, then the number of shares of Heartland Common Stock issued to holders of Converted Common Shares at the Effective Time pursuant to this Agreement will be appropriately and proportionately adjusted so that the number of such shares of Heartland Common Stock (or such class of shares into which shares of Heartland Common Stock have been changed) that will be issued in exchange for the Converted Common Shares will equal the number of such shares that the holders of Converted Common Shares would have received pursuant to such classification, recapitalization, split-up, combination, exchange of shares, readjustment or stock dividend had the record date therefor been immediately following the Effective Time.

A-9

2.5 Rights of Holders of Founders Common Stock; Capital Stock of Heartland.

(a) At and after the Effective Time and until surrendered for exchange, each outstanding stock certificate which immediately prior to the Effective Time represented the Converted Common Shares will be deemed for all purposes to evidence the right to receive the Merger Consideration for the Converted Common Shares, and the record holder of such outstanding stock certificate will, after the Effective Time, be entitled to vote the shares of Heartland Common Stock into which such shares of Founders Common Stock will have been converted on any matters on which the holders of record of Heartland Common Stock, as of any date subsequent to the Effective Time, will be entitled to vote. In any matters relating to such stock certificates, Heartland may rely conclusively upon the record of shareholders maintained by Founders containing the names and addresses of the holders of record of Founders Common Stock at the Effective Time.

(b) At and after the Effective Time, each share of capital stock of Heartland issued and outstanding immediately prior to the Effective Time will remain an issued and existing share of capital stock of the Surviving Corporation and will not be affected by the Merger.

2.6 Stock Elections and Cash Elections; Election Procedures.

The Exchange Agent will effect the allocation among holders of Founders Common Stock of rights to receive the Aggregate Merger Consideration Per Share in the form of cash, Heartland Common Stock or a combination thereof in the Merger as follows:

(a) Cash Election. Each record holder of shares of Founders Common Stock immediately prior to the Effective Time will be entitled to elect to receive cash for all or any part of such holder's shares of Founders Common Stock (a "Cash Election"). Shares of Founders Common Stock as to which a Cash Election has been made (including pursuant to a Mixed Election) are referred to herein as "Cash Election Shares." Any Dissenting Shares will be deemed to be Cash Election Shares and, with respect to such shares, the holders thereof will in no event be classified as holders of Reallocated Stock Shares. The number of Cash Election Shares times the Aggregate Merger Consideration Per Share may not exceed the Targeted Cash Consideration.

(b) Cash Election Shares.

(i) If the amount equal to (x) the number of Cash Election Shares, multiplied by (y) the Aggregate Merger Consideration Per Share is less than or equal to the Targeted Cash Consideration, then each Cash Election Share (subject to Section 2.8 with respect to Dissenting Shares) will be converted into the right to receive the Aggregate Merger Consideration Per Share in cash.

(ii) If the amount equal to (x) the number of Cash Election Shares, multiplied by (y) the Aggregate Merger Consideration Per Share is more than the Targeted Cash Consideration, then the Exchange Agent will convert on a pro rata basis a sufficient number of Cash Election Shares (excluding any Dissenting Shares) ("Reallocated Stock Shares") such that the product of (A) the number of remaining Cash Election Shares (including Dissenting Shares) multiplied by (B) the Aggregate Merger Consideration Per Share equals the Targeted Cash Consideration, and each Reallocated Stock Share will be converted into the right to receive the number of shares of Heartland Common Stock determined by dividing (X) the Aggregate Merger Consideration Per Share, by (Y) the Average Closing Price; and each Cash Election Share (subject to Section 2.8 with respect to Dissenting Shares) which is not a Reallocated Stock Share will be converted into the right to receive the Aggregate Merger Consideration Per Share in cash.

(c) Stock Election. Each record holder of shares of Founders Common Stock immediately prior to the Effective Time will be entitled to elect to receive shares of Heartland Common Stock for all or any part of such holder's shares of

Founders Common Stock (a “Stock Election”). Shares of Founders Common Stock as to which a Stock Election has been made (including pursuant to a Mixed Election) are referred to herein as “Stock Election Shares.” The number of Stock Election Shares times the Aggregate Merger Consideration Per Share may not exceed the Targeted Stock Consideration.

(d) Stock Election Shares.

(i) If the amount equal to (x) the number of Stock Election Shares, multiplied by (y) the Aggregate Merger Consideration Per Share is equal to or less than the Targeted Stock Consideration, then each Stock Election Share will be converted into the right to receive the number of shares of Heartland Common Stock determined by dividing (A) the Aggregate Merger Consideration Per Share, by (B) the Average Closing Price.

A-10

(ii) If the number of Stock Election Shares times the Aggregate Merger Consideration Per Share is more than the Targeted Stock Consideration, then the Exchange Agent will convert on a pro rata basis a sufficient number of Stock Election Shares (“Reallocated Cash Shares”) such that (x) the number of remaining Stock Election Shares, multiplied by (y) the Aggregate Merger Consideration Per Share equals the Targeted Stock Consideration, and each Reallocated Cash Share will be converted into the right to receive the Aggregate Merger Consideration Per Share in cash; and each Stock Election Share which is not a Reallocated Cash Share will be converted into the right to receive the number of shares of Heartland Common Stock determined by dividing (A) the Aggregate Merger Consideration Per Share by (B) the Average Closing Price.

(e) Mixed Election. With respect to each holder of shares of Founders Common Stock who elects to receive cash with respect to some of such holder’s shares of Founders Common Stock and shares of Heartland Common Stock with respect to such holder’s remaining shares of Founders Common Stock (a “Mixed Election”), each share of Founders Common Stock that such holder elects to be converted into the right to receive the Aggregate Merger Consideration Per Share in cash will be treated as a Cash Election Share, and each share that such holder elects to be converted into the right to receive the number of shares of Heartland Common Stock determined by dividing (i) the Aggregate Merger Consideration Per Share by (ii) the Average Closing Price will be treated as a Stock Election Share.

(f) No Election Shares. If a shareholder either (i) does not submit a properly completed Election Form in a timely fashion, (ii) revokes an Election Form prior to the Election Deadline and does not resubmit a properly completed Election Form prior to the Election Deadline, or (iii) fails to perfect his, her or its right to dissent under applicable Law, the shares of Founders Common Stock held by such shareholder will be designated “No Election Shares.” “No Election Shares” will be deemed not subject to a Cash Election, a Stock Election or a Mixed Election. If Heartland or the Exchange Agent will determine that any purported Election was not properly made, the shares of Founders Common Stock subject to such improperly made Election will be treated as “No Election Shares.” “No Election Shares” will be treated as Cash Election Shares or Stock Election Shares, as Heartland will determine so as to minimize the amount of cash to be received by holders making Stock Elections and the amount of Heartland Common Stock to be received by holders making Cash Elections.

(g) Election Form and Letter of Transmittal. An election form (an “Election Form”), a letter of transmittal (a “Letter of Transmittal”) (which will specify that delivery will be effected, and the risk of loss and title to the certificates theretofore representing shares of Founders Common Stock will pass, only upon delivery of such certificates to Heartland (or a paying agent appointed by Heartland), and instructions for use in submitting a Cash Election, a Stock Election or a Mixed Election and effecting the surrender of the certificates for Founders Common Stock, as the case may be, will be mailed to each holder of record of shares of Founders Common Stock as of the record date for the Shareholder Meeting simultaneously with, or as soon as practicable after, the mailing of the Prospectus/Proxy Statement, and in any event at least twenty (20) Business Days prior to the date on which the Election Deadline occurs. Each Election Form will permit the holder of shares of Founders Common Stock (or in the case of nominee record holders, the beneficial owner through proper instructions and documentation) to make a Cash Election, a Stock Election or a Mixed Election, or to indicate that the holder makes no such election with respect to such holder’s shares of Founders Common Stock. Heartland will make available one or more Election Forms and Letters of Transmittal as may be reasonably requested by all Persons who become holders (or beneficial owners) of shares of Founders Common Stock after the record date for the Shareholder Meeting and prior to the Election Deadline, and Founders will provide the Exchange Agent with all information reasonably necessary for it to perform its obligations as specified herein.

(h) Effective Election. Any Cash Election, Stock Election or Mixed Election will have been properly made only if the Exchange Agent has actually received a properly completed Election Form by the Election Deadline. Any Election Form may be revoked or changed by a holder of shares of Founders Common Stock as of the record date for the Shareholder Meeting (or any other Person to whom shares of Founders Common Stock are transferred after such

record date) by submitting such Election Form to the Exchange Agent only if such Election Form is actually received by the Exchange Agent at or prior to the Election Deadline. The Exchange Agent will have reasonable discretion to determine when any election, modification or revocation is received, whether any such election, modification or revocation has been properly made and to disregard immaterial defects in any Election Form. Any good faith decisions of the Exchange Agent regarding such matters will be binding and conclusive. Neither Heartland nor the Exchange Agent will be under any obligation to notify any Person of any defect in an Election Form.

(i)Pro Rations. The calculations necessary for the pro rations required by Sections 2.6(b) and (d) initially will be prepared by the Exchange Agent. Any calculation relating to a portion of a share of Founders Common Stock will be rounded to the nearest ten-thousandth of a share, and any cash payment will be rounded to the nearest cent. Heartland and Founders mutually will agree that the calculations made by the Exchange Agent are correct. If Heartland and Founders disagree on whether any of the calculations of the Exchange Agent are correct, the parties will use all reasonable efforts to resolve any such disagreement to permit the Closing to occur on the scheduled Effective Date.

A-11

(j)Tax Adjustment. Notwithstanding anything in this Section 2.6 to the contrary, the sum of (i) the aggregate amount of cash that will be issued to holders of Founders Common Stock in the Merger, (ii) any cash amounts to be paid as Fractional Share Amounts pursuant to Section 2.3(b), (iii) any cash amounts to be paid for Dissenting Shares pursuant to Section 2.8 (assuming for purposes of such calculation that the cash to be paid for each Dissenting Share is equal to the Aggregate Merger Consideration Per Share), (iv) any other amounts paid by Heartland, Founders or their Affiliates to or on behalf of any shareholder of Founders in connection with the sale, redemption or other disposition of any shares of capital stock of Founders in connection with the Merger for purposes of Treasury Regulation Sections 1.368-1(e), and (v) the amount of any dividend distributed by Founders (other than ordinary and regular dividends distributed in accordance with Founders' historic practice) prior to and in connection with the Merger for purposes of Treasury Regulation Section 1.368-1(e) (the sum of such amounts, the "Aggregate Cash Amount") will not exceed 60% of the Aggregate Merger Consideration. If the Aggregate Cash Amount would exceed 60% of the Aggregate Merger Consideration, Heartland may, but will not be required to, either increase the number of shares of Heartland Common Stock issued in the Merger or increase the Stock Election Shares and correspondingly decrease the Cash Election Shares, so that the Aggregate Cash Amount does not exceed 60% of the Aggregate Merger Consideration.

2.7 Payment and Exchange of Certificates.

(a)Payment of Merger Consideration; Exchange of Certificates. Within ten (10) Business Days after the latest to occur of (a) the Closing or (b) the delivery of the Election Form to the Exchange Agent and surrender to Heartland or to a paying agent appointed by Heartland of any certificate which prior to the Effective Date represented a Converted Common Share, Heartland or such paying agent will distribute to the Person in whose name such certificate is registered, the Merger Consideration as adjusted by the Stock Elections, Cash Elections and Mixed Elections received by the Exchange Agent prior to the Closing Date and, if applicable, cash in the amount of any Fractional Share Amount.

(b)Failure to Surrender Certificates. If outstanding certificates formerly representing Converted Common Shares are not surrendered prior to the date on which the Merger Consideration to which any holder of such shares is entitled as a result of the Merger would otherwise escheat to or become the property of any Governmental Entity, the unclaimed Merger Consideration will, to the extent permitted by abandoned property and any other applicable Law, become the property of Heartland (and to the extent not in Heartland's possession will be paid over to Heartland), free and clear of any and all claims or interest of any Person. Notwithstanding the foregoing, neither Heartland nor any other Person will be liable to any former holder of capital stock of Founders for any amount delivered to a public official pursuant to applicable abandoned property, escheat or other similar Laws.

(c)Lost Certificates. In the event that any certificate representing Founders Common Stock will have been lost, stolen or destroyed, Heartland will issue and pay in exchange for such lost, stolen or destroyed certificate, upon the making of an affidavit of that fact by the holder thereof in form satisfactory to Heartland's paying agent, the Merger Consideration; provided, however, that Heartland or Heartland's paying agent may, as a condition precedent to the issuance and payment of the Merger Consideration to which the holder of such certificate is entitled as a result of the Merger, require the owner of such lost, stolen or destroyed certificate to deliver a bond in such sum as it may direct as indemnity against any claim that may be made against Heartland, Founders or any other party with respect to the certificate alleged to have been lost, stolen or destroyed.

(d)Dividends. Until outstanding certificates formerly representing Converted Common Shares are surrendered as provided in Section 2.7(a) and (c), no dividend or distribution payable to holders of record of shares of Heartland Common Stock will be paid to any holder of such outstanding certificates, but upon surrender of such outstanding certificates by such holder there will be paid to such holder the amount of any dividends or distributions (without interest) theretofore paid with respect to such whole shares of Heartland Common Stock, but not paid to such holder,

and which dividends or distributions had a record date occurring on or subsequent to the Effective Time.

(e) Full Satisfaction. All Merger Consideration issued and paid upon the surrender for exchange of Converted Common Shares in accordance with the terms and conditions of this Agreement will be deemed to have been issued and paid in full satisfaction of all rights pertaining to such Converted Common Shares.

2.8 Dissenting Shares.

(a) Notwithstanding any provision of this Agreement to the contrary, any shares of Founders Common Stock held by a Person (a "Dissenting Shareholder") who has demanded and perfected a demand for purchase of his, her or its shares of Founders Common Stock at fair market value in accordance with Chapter 13 of the CGCL and, as of the Effective Time, has neither effectively withdrawn nor lost his, her or its right to such demand will not represent a right to receive Merger

A-12

Consideration pursuant to Section 2.3(a), but in lieu thereof the holder thereof will be entitled to only such rights as are granted by Chapter 13 of the CGCL.

(b) Notwithstanding the provisions of Section 2.8(a), if any Dissenting Shareholder demanding purchase of such Dissenting Shareholder's shares of Founders Common Stock ("Dissenting Shares") under Chapter 13 of the CGCL will effectively withdraw or lose (through failure to perfect or otherwise) such Dissenting Shareholder's right to demand such purchase, then, as of the Effective Time or the time of such withdrawal or loss, whichever occurs later, the Dissenting Shares will automatically be converted into and represent only the right to receive the Merger Consideration as provided in Section 2.3(a) upon surrender of the certificate or certificates representing such Dissenting Shares, without any interest thereon.

(c) Founders will give Heartland prompt notice of any demands by a Dissenting Shareholder for purchase of his, her or its shares of Founders Common Stock at fair market value, or notices of intent to demand such payment received by Founders pursuant to Chapter 13 of the CGCL, and Heartland will have the right, at its expense, to direct in all negotiations and proceedings with respect to such demands. Founders will not, except with the prior written consent of Heartland or as otherwise required by Law, make any payment with respect to, or settle, or offer to settle, any such demands.

2.9 Founders Stock Options. At the Effective Time, each option to purchase shares of Founders Common Stock (a "Founders Stock Option") which is outstanding, vested and unexercised immediately prior to the Effective Time will be cancelled in exchange for the right to receive from Heartland a single lump sum cash payment equal to the product of (a) the number of shares of Founders Common Stock subject to such Founders Stock Option immediately prior to the Effective Time, and (b) the excess of the Aggregate Merger Consideration Per Share over the exercise price per share of such Founders Stock Option (the "Option Consideration"), less any applicable Taxes required to be withheld with respect to such payment in accordance with Section 2.11. Founders agrees to deliver the notification required by Section 11(b)(i) of the Founders Stock Option Plan to all holders of Founders Stock Options in accordance with the terms of such Section 11(b)(i). From and after the Effective Time, other than as expressly set forth in this Section 2.9, no holder of a Founders Stock Option will have any other rights with respect to such Founders Stock Option or the Founders Stock Option Plan other than to receive other than the Option Consideration. Subject to the foregoing, all Founders Stock Options will terminate at the Effective Time, and the surrender of a Founders Stock Option to Heartland in exchange for the Option Consideration will be deemed a release of any and all rights the option holder had or may have had in respect of such Founders Stock Option or the Founders Stock Option Plan.

2.10 The Closing. The closing of the transactions contemplated by this Agreement (the "Closing") will take place at the offices of Heartland located at 1398 Central Avenue, Dubuque, Iowa, or at a location otherwise agreed upon by Founders and Heartland. The Closing will take place as soon as practicable once the conditions in Article 7 have been satisfied or waived but in any event within ten (10) Business Days after the date on which all such conditions have been satisfied or waived, unless the parties otherwise agree (the "Closing Date"). The failure of the Closing will not ipso facto result in termination of this Agreement and will not relieve any party of any obligation under this Agreement.

(a) Subject to the conditions set forth in this Agreement, on the Closing Date, Founders will deliver to Heartland:

(i) the certificate of Founders, dated the Closing Date, required by Section 7.3(c);

(ii) the certificate of Founders, dated the Closing Date, required by Section 7.3(d);

Dissenting Shares;

(iv) a copy of the text of the resolutions adopted by the Board of Directors of Founders authorizing the execution, delivery and performance of this Agreement, certified by an appropriate officer of Founders;

(v) a copy of the text of the resolutions adopted by the shareholders of Founders approving the Merger, certified by an appropriate officer of Founders

 - (xiv) such other certificates, documents and instruments that Heartland reasonably requests for the purpose of (1) evidencing the accuracy of Founders' representations and warranties, (2) evidencing the performance and compliance by Founders with agreements contained in this Agreement, (3) evidencing the satisfaction of any condition referred to in Section 7.3 or (4) otherwise facilitating the consummation of the transactions contemplated by this Agreement.
- (b) Subject to the conditions set forth in this Agreement, on the Closing Date, Heartland will deliver to Founders:
- (i) the certificate of Heartland, dated the Closing Date, required by Section 7.2(c);

 - (iii) such other certificates, documents and instruments that Founders reasonably requests for the purpose of (1) evidencing the accuracy of Heartland's representations and warranties, (2) evidencing the performance and compliance by Heartland with agreements contained in this Agreement, (3) evidencing the satisfaction of any condition referred to in Section 7.2 or (4) otherwise facilitating the consummation of the transactions contemplated by this Agreement.

2.11 Withholding. Heartland or its paying agent will be entitled to deduct and withhold, from the Cash Consideration Per Share and the Option Consideration otherwise payable pursuant to this Agreement, any amounts as are required to be withheld or deducted with respect to such consideration under any applicable provisions of all Laws relating to Taxes (including the Code). To the extent that amounts are so withheld and timely remitted to the appropriate Governmental Entity, such withheld amounts will be treated for all purposes of this Agreement as having been paid to the holder of Founders Stock Options or Founders Common Stock in respect of which such deduction and withholding was made.

2.12 Tax-Free Reorganization. The acquisition contemplated by this Agreement is intended to be a reorganization within the meaning of Section 368(a)(1) of the Code and this Agreement is intended to be a "plan of reorganization" within the meaning of the Treasury Regulations promulgated under Section 368 of the Code. Each party to this Agreement agrees to treat this acquisition as a reorganization within the meaning of Section 368(a)(1) of the Code and agrees to treat this Agreement as a "plan of reorganization" within the meaning of the Treasury Regulations under Section 368 of the Code, unless and until there is a determination, within the meaning of Section 1313 of the Code, that such treatment is not correct.

2.13 Additional Actions. If, at any time after the Effective Time, Heartland will consider or be advised that any deeds, bills of sale, assignments or assurances or any other acts or things are necessary, desirable or proper to: (a) vest, perfect or confirm, of record or otherwise, in Heartland its right, title or interest in or to or under any of the rights, privileges, powers, franchises, properties or assets of Founders or Founders Bank; or (b) otherwise carry out the purposes of this Agreement, Heartland and its proper officers and directors or their designees will be authorized to execute and deliver, in the name and on behalf of either of Founders or Founders Bank all such deeds, bills of sale, assignments and assurances and to do, in the name and on behalf of Founders or Founders Bank, all such other acts and things as may be necessary, desirable or proper to vest, perfect or confirm Heartland's right, title or interest in or to or under any of the rights, privileges, powers, franchises, properties or assets of Founders or Founders Bank and otherwise to carry out the purposes of this Agreement.

A-16

3.10 Litigation. (c) Each of Founders and Heartland will be liable for 50% of any transfer, value added, excise, stock transfer, stamp, recording, registration and any similar Taxes that become payable in connection with the Merger and other transactions contemplated hereby ("Transfer Taxes"). (d) Founders, Founders Bank and Heartland will cooperate fully, as and to the extent reasonably requested by the other party, in connection with the filing of Returns pursuant to this Section 5.7 and in connection with any audit, litigation or other proceeding with respect to Taxes. Such cooperation will include the retention and (upon the other party's reasonable request) the provision of records and information (including making such records and information

available for copying) which are reasonably relevant to any such audit, litigation or other proceeding, the timely provision to the other party of powers of attorney or similar authorizations necessary to carry out the purposes of this Section 5.7, and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder. 5.8No Solicitation.

(a)Neither Founders nor Founders Bank will, and they will each use their best efforts to cause their officers, directors, employees agents and authorized representatives (“Representatives”) not to, directly or indirectly, (i) solicit, initiate,

A-37

encourage, induce or facilitate the making, submission or announcement of any Acquisition Proposal or take any action that would reasonably be expected to lead to an Acquisition Proposal, (ii) furnish any information regarding Founders or Founders Bank to any Person in connection with or in response to an Acquisition Proposal or an inquiry or indication of interest that would reasonably be expected to lead to an Acquisition Proposal, (iii) engage in discussions or negotiations with any Person with respect to any Acquisition Proposal or that would reasonably be expected to lead to an Acquisition Proposal, (iv) approve, endorse or recommend any Acquisition Proposal or (v) enter into any letter of intent or similar document or any Contract contemplating or otherwise relating to any Acquisition Transaction; provided, however, that prior to the adoption of this Agreement by the Required Founders Shareholder Vote, this Section 5.8(a) will not prohibit Founders from furnishing nonpublic information regarding Founders to, or entering into discussions or negotiations with, any Person in response to a Superior Proposal that is submitted to Founders by such Person (and not withdrawn) if (1) neither Founders nor Founders Bank nor any their respective Representatives have violated any of the restrictions set forth in this Section 5.8(a), (2) the Board of Directors of Founders concludes in good faith, after having consulted with and considered the advice of outside counsel to Founders, that failure to do so would result in a breach of its fiduciary duties to the holders of Founders Common Stock, (3) at least two business days prior to furnishing any such nonpublic information to, or entering into discussions with, such Person, Founders gives Heartland written notice of the identity of such Person and of Founders' intention to furnish nonpublic information to, or enter into discussions with, such Person, and Founders receives from such Person an executed confidentiality agreement containing customary limitations on the use and disclosure of all nonpublic written and oral information furnished to such Person by or on behalf of Founders and (4) at least two business days prior to furnishing any such nonpublic information to such Person, Founders furnishes such nonpublic information to Heartland (to the extent such nonpublic information has not been previously furnished by the Founders to Heartland). Without limiting the generality of the foregoing, Founders acknowledges and agrees that any violation of or the taking of any action inconsistent with any of the restrictions set forth in the preceding sentence by Founders, Founders Bank or any Representative will be deemed to constitute a breach of this Section 5.8(a) by Founders.

(b) Founders will promptly (and in no event later than 24 hours after receipt of any Acquisition Proposal, any inquiry or indication of interest that could lead to an Acquisition Proposal or any request for nonpublic information) advise Heartland orally and in writing of any Acquisition Proposal, any inquiry or indication of interest that could lead to an Acquisition Proposal or any request for nonpublic information relating to Founders or Founders Bank (including the identity of the Person making or submitting such Acquisition Proposal, inquiry, indication of interest or request, and the terms thereof) that is made or submitted by any Person prior to the Closing Date. Founders will keep Heartland fully informed with respect to the status of any such Acquisition Proposal, inquiry, indication of interest or request and any modification or proposed modification thereto.

(c) Founders and Founders Bank will immediately cease and cause to be terminated any existing discussions with any Person that relate to any Acquisition Proposal.

(d) Founders will not release or permit the release of any Person from, or waive or permit the waiver of any provision of, any confidentiality, "standstill" or similar agreement to which Founders or Founders Bank is a party, and will enforce or cause to be enforced each such agreement at the request of Heartland.

5.10 Maintenance of Allowance for Loan and Lease Losses. Founders will cause Founders Bank to maintain the ALLL of Founders Bank in compliance with GAAP and Regulatory Accounting Principles and Founders Bank's existing methodology for determining the adequacy of the ALLL, as well as the standards established by all applicable Governmental Entities and the Financial Accounting Standards Board. Founders agrees that the ALLL of Founders

Bank will be adequate under all standards, and that the ALLL will be consistent with the historical loss experience of Founders Bank. Without limiting the generality of the foregoing, Founders will not permit Founders Bank to reverse any amount of its previously established ALLL.

5.11 Sale of Heartland or Premier Valley Assets. From the date of this Agreement to the Effective Time, unless Founders will otherwise agree in writing or as otherwise expressly contemplated or permitted by other provisions of this Agreement, Heartland will not enter into or complete, or allow Premier Valley to enter into or complete, any transaction providing for the sale of all or substantially all of the assets of Heartland or Premier Valley, as the case may be, without making necessary and appropriate provision in the Contracts relating to such transaction for the Person acquiring such assets to assume the obligations of Heartland hereunder or Premier Valley under the Bank Merger Agreement, as the case may be.

A-38

ARTICLE 6

ADDITIONAL COVENANTS AND AGREEMENTS

6.1 The Bank Merger. To the extent not previously approved, Founders will cause the Board of Directors of Founders Bank to approve the Bank Merger Agreement and the Bank Merger within three business days of execution of this Agreement, and will vote all of the shares of Founders Bank Common Stock held by Founders in favor of approval of the Bank Merger Agreement and the Bank Merger. For the avoidance of doubt, the Bank Merger will occur simultaneously with, or immediately after, the Merger, and will be conditioned upon regulatory approval and upon the Required Founders Shareholder Vote.

6.2 Filings and Regulatory Approvals. Heartland and Founders will use all commercially reasonable efforts and will cooperate with each other in the preparation and filing of, and Heartland will file, within forty (40) days from the date of this Agreement, all applications or other documents required to obtain Regulatory Approvals and consents from the FDIC and the CDFI for the Bank Merger under the Bank Merger Act, and notification, or approval, if required, of the FRB of the Merger under the Bank Holding Company Act, and any other applicable Governmental Entities, and Heartland will provide copies of the confidential and non-confidential portions of such applications, filings and related correspondence (both to and from any Governmental Entity) to Founders. Each party will keep the other party apprised of the status of matters relating to completion of the transactions contemplated by this Agreement and will advise such other party upon receiving any material written communication from any Governmental Entity whose consent or approval is required for consummation of the transactions contemplated by this Agreement. Prior to filing each application, registration statement or other document with the applicable Governmental Entity, each party will provide the other party with an opportunity to review and comment on the non-confidential portions of each such application, registration statement or other document and will discuss with the other party which portions of this Agreement will be designated as confidential portions of such applications. Each party will use all commercially reasonable efforts and will cooperate with the other party in taking any other actions necessary to obtain such regulatory or other approvals and consents, including participating in any required hearings or proceedings. Subject to the terms and conditions herein provided, each party will use all commercially reasonable efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable to consummate and make effective as promptly as practicable the transactions contemplated by this Agreement. Heartland will pay, or will cause to be paid, any applicable fees and expenses in connection with the preparation and filing of such regulatory filings necessary to obtain the Regulatory Approvals.

6.3 Title Insurance and Surveys.

(a) In preparation for the Closing, as soon as reasonably possible and in no event later than December 31, 2016, Founders will furnish to Heartland, at Founders' expense, with respect to each parcel of Owned Real Property, a title commitment with respect to a title policy conforming to be a CLTA Form Owner's Policy of Title Insurance, issued by a title insurer satisfactory to Heartland insuring marketable fee title in Heartland as of the Closing, subject only to Permitted Encumbrances.

(b) If (i) any title commitment or other evidence of title, or search of the appropriate real estate records, discloses that any party other than Founders or Founders Bank has title to any of the Owned Real Property or (ii) any title exception is disclosed in Schedule B to any title commitment that is not one of the Permitted Encumbrances or not one that Founders specifies when delivering the title commitment to Heartland that Founders will cause to be deleted from the title commitment concurrently with the Closing, including (A) any exceptions that pertain to Encumbrances securing any loans, and (B) any exceptions that Heartland reasonably believes could materially and adversely affect Heartland's use and enjoyment of the Owned Real Property described therein (a "Title Objection"), Heartland will notify Founders in writing of such matters within thirty (30) Business Days after receiving all of the title commitments for the Owned Real Property. Founders will use reasonable commercial efforts to cure each Title Objection (other than by payment

of money) and take reasonable steps required by the title insurer to eliminate each Title Objection as an exception to the title commitment, or in the event it cannot so eliminate such Title Objection, to procure from the title insurer, at Heartland's direction and but at Founders' expense, title insurance coverage over such Title Objection on terms acceptable to Founders and Heartland. Matters not objected to by Heartland or that are insured in the manner above will be deemed to be acceptable to Heartland.

6.4 Shareholder Approval; Registration Statement.

(a) Founders will call a meeting of its shareholders (the "Shareholder Meeting") for the purpose of voting upon this Agreement and the Merger, and will schedule such meeting based on consultation with Heartland as soon as practicable after the Registration Statement is declared effective. The Board of Directors of Founders will recommend that the shareholders approve this Agreement and the Merger (the "Board Recommendation"), and will use its best efforts (including

A-39

soliciting proxies for such approval) to obtain the Required Founders Shareholder Vote. The Board Recommendation may not be withdrawn or modified in a manner adverse to Heartland, and no resolution by the Board of Directors of Founders or any committee thereof to withdraw or modify the Board Recommendation in a manner adverse to Founders may be adopted; provided, however, that notwithstanding the foregoing, prior to the adoption of this Agreement by the Required Founders Shareholder Vote, the Board of Directors of Founders may withdraw, qualify or modify the Board Recommendation or approve, adopt, recommend or otherwise declare advisable any Superior Proposal made after the date hereof and not solicited, initiated or encouraged in breach of Section 5.8 if the Board of Directors of Founders determines in good faith, after consultation with outside counsel, that failure to do so would be likely to result in a breach of fiduciary duties under applicable law (a “Change of Board Recommendation”). In determining whether to make a Change of Board Recommendation in response to a Superior Proposal or otherwise, the Board of Directors of Founders will take into account any changes to the terms of this Agreement proposed by Heartland or any other information provided by Heartland in response to such notice.

(b)For the purposes of (i) holding the Shareholder Meeting and (ii) registering Heartland Common Stock to be issued to shareholders of Founders in connection with the Merger with the SEC and with applicable state securities authorities, Heartland will prepare, with the cooperation of Founders (which will, for the avoidance of doubt, be given the opportunity to participate in the preparation of the Registration Statement and will have the right to approve the content of the Registration Statement relating to Founders and Founders Bank (which approval will not be unreasonably withheld) and comment on the other content of the Registration Statement), a registration statement on Form S 4 (such registration statement, together with all and any amendments and supplements thereto, being herein referred to as the “Registration Statement”), which will include a prospectus/proxy statement satisfying all applicable requirements of the Securities Act, the Exchange Act and applicable Blue Sky Laws (such prospectus/proxy statement, together with any and all amendments or supplements thereto, being herein referred to as the “Prospectus/Proxy Statement”).

(c)Heartland will furnish such information concerning Heartland as is necessary in order to cause the Prospectus/Proxy Statement and the Registration Statement, insofar as they relate to Heartland, to be prepared in accordance with Section 6.4(b). Heartland agrees promptly to notify Founders if at any time prior to the Shareholder Meeting any information provided by Heartland in the Prospectus/Proxy Statement becomes incorrect or incomplete in any material respect, and to provide the information needed to correct such inaccuracy or omission.

(d)Founders will promptly furnish Heartland with such information concerning Founders and Founders Bank as is necessary in order to cause the Prospectus/Proxy Statement and the Registration Statement, insofar as they relate to Founders and Founders Bank, to be prepared in accordance with Section 6.4(b), including the opinion of counsel as to Tax matters required to be filed as an exhibit thereto. Founders agrees promptly to notify Heartland if at any time prior to the Shareholder Meeting any information provided by Founders in the Prospectus/Proxy Statement becomes incorrect or incomplete in any material respect, and to provide Heartland with the information needed to correct such inaccuracy or omission.

(e)Heartland will file the Registration Statement with the SEC and applicable state securities agencies no later than fifty (50) days after receipt from Founders of all information needed from Founders for such filings. Heartland will use commercially reasonable efforts to cause (i) the Registration Statement to become effective under the Securities Act and applicable Blue Sky Laws at the earliest practicable date; and (ii) the shares of Heartland Common Stock issuable to the shareholders of Founders to be authorized for listing on the NASDAQ Global Select Market or other national securities exchange. At the time the Registration Statement becomes effective, Heartland will use its commercially reasonable efforts to ensure that the Registration Statement complies in all material respects with the provisions of the Securities Act and applicable Blue Sky Laws. Founders hereby authorizes Heartland to utilize in the Registration Statement the information concerning Founders and Founders Bank provided to Heartland for the purpose of inclusion in the Prospectus/Proxy Statement. Heartland will advise Founders promptly when the

Registration Statement has become effective and of any supplements or amendments thereto, and Heartland will furnish Founders with copies of all such documents. Prior to the Effective Time or the termination of this Agreement, each party will consult with the other with respect to any material (other than the Prospectus/Proxy Statement) that might constitute a “prospectus” relating to the Merger within the meaning of the Securities Act.

(f) For a period of not less than two years after the date hereof (or such shorter period of time as may be applicable for Affiliates of Founders to sell shares of Heartland Common Stock in accordance with Rule 145 of the Securities Act), Heartland will use commercially reasonable efforts to file in a timely manner all reports with the SEC required to be filed by it pursuant to Section 13 and Section 15(d) of the Exchange Act (other than Current Reports on Form 8-K) and submit electronically and post on its corporate website, every Interactive Data File required to be submitted and posted pursuant to Rule 405 of Regulation S-T.

(g) None of the information relating to Heartland and its Subsidiaries that is provided by Heartland for inclusion in: (i) the Prospectus/Proxy Statement, any filings or approvals under applicable federal or state banking Laws or regulations

A-40

or state securities Laws, or any filing pursuant to the Securities Act will, at the time of mailing the Prospectus/Proxy Statement to Founders' shareholders, at the time of the Shareholder Meeting and at the Effective Time, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they are made, not misleading; and (ii) the Registration Statement will, at the time the Registration Statement and each amendment or supplement thereto, if any, becomes effective under the Securities Act, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading.

(h)Heartland will bear the costs of all SEC filing fees with respect to the Registration Statement and the costs of qualifying the shares of Heartland Common Stock under the Blue Sky Laws, to the extent necessary. Heartland will also bear the costs of all NASDAQ listing fees with respect to listing the shares of Heartland Common Stock on the NASDAQ Global Select Market or other national securities exchange pursuant to this Agreement. Heartland will bear all printing and mailing costs in connection with the preparation and mailing of the Prospectus/Proxy Statement to Founders shareholders. Heartland and Founders will each bear their own legal and accounting expenses in connection with the preparation of the Prospectus/Proxy Statement and the Registration Statement.

6.5Establishment of Accruals. If requested by Heartland, on the Business Day immediately prior to the Closing Date, Founders Bank will, consistent with GAAP, establish such additional accruals and reserves as Heartland indicates are necessary to conform Founders Bank's accounting and credit loss reserve practices and methods to those of Heartland (as such practices and methods are to be applied to Founders Bank from and after the Effective Time) and reflect Heartland's plans with respect to the conduct of Founders Bank's business following the Merger and to provide for the costs and expenses relating to the consummation by Founders Bank of the transactions contemplated by this Agreement; provided, however, that any such accruals and reserves will not affect the determination of Adjusted Tangible Common Equity. No such accruals or reserves will of itself constitute or be deemed to be a breach, violation or failure to satisfy any representation, warranty, covenant, condition or other provision or constitute grounds for termination of this Agreement or be an acknowledgment by Founders or Founders Bank (a) of any adverse circumstances for purposes of determining whether the conditions to Heartland's obligations under this Agreement have been satisfied; or (b) that such adjustment has any bearing on the Aggregate Merger Consideration. In no event will any accrual, reserve or other adjustment required or permitted by this Section 6.5 require any prior filing with any Governmental Entity or violate any Law, rule or order applicable to Founders or Founders Bank.

6.6Employee Matters.

(a)General. At the request of Heartland, Founders agrees to terminate any Plans as of the Effective Time on terms reasonably acceptable to Heartland. If any Plans are not so terminated, after the Effective Time, Heartland will have the right to continue, amend, merge or terminate any of such Plans in accordance with the terms thereof and subject to any limitation arising under applicable Law, including Tax qualification requirements. Founders agrees that, at the request of Heartland, Founders, Founders Bank and any Commonly Controlled Entity will cease to be a participating employer of, and will cease making contributions to or otherwise providing benefits under, any Plan, as of the Effective Time. If, after the Effective Time, there are any Plans for which the Surviving Company or any of its Subsidiaries continues to be a participating employer, Heartland will have the right to discontinue such participation in any of such Plans in accordance with the terms thereof and subject to any limitation arising under applicable Law. Until Heartland will take such action, however, such Plans will continue in force for the benefit of present and former employees of Founders or Founders Bank who have any present or future entitlement to benefits under any of the Plans ("Founders Employees").

(b)Limitation on Enforcement. This Agreement is an agreement solely between Founders and Heartland. Except for the indemnification rights provided in Section 6.9, nothing in this Agreement (including this Section 6.6, whether express or implied) confers upon any employee of Founders, Founders Bank or Heartland or any other Person, any

rights or remedies, including: (i) any right to employment or recall, (ii) any right to continued employment for any specified period, or (iii) any right to any particular compensation, benefit or aggregate of benefits, or any other term or condition of employment, of any kind or nature whatsoever. After the Closing Date, each Founders Employee will be eligible to participate in the health, vacation and other non-equity based employee benefit plans of Heartland or its Subsidiaries (the "Heartland Plans") to the same extent as similarly situated employees of Heartland and to the extent permitted by the applicable Heartland Plan or applicable Law; provided, however, that (a) nothing in this Section 6.6(b) or elsewhere in this Agreement will limit the right of Heartland or any of its Subsidiaries to amend or terminate a Heartland Plan at any time. With respect to the Heartland Plans, Heartland will, or will cause the Surviving Corporation or its Subsidiaries to: (i) with respect to each Heartland Plan that is a medical/prescription, dental or vision plan, (x) waive any exclusions for pre-existing conditions under such Heartland Plan that would result in a lack of coverage for any condition for which the applicable Founders Employee would have been entitled to coverage under the corresponding Plan in which such Founders Employee was an active participant immediately prior to his or her transfer to Heartland Plan; (y) waive any waiting period under such Heartland Plan, to the extent that such period exceeds

A-41

the corresponding waiting period under the corresponding Plan in which such Founders Employee was an active participant immediately prior to his or her transfer to Heartland Plan (after taking into account the service credit provided for herein for purposes of satisfying such waiting period); and (z) provided Founders' insurance company provides information related to the amount of such credit that is available to Heartland, provide each Founders Employee with credit for deductibles paid by such Founders Employee prior to his or her transfer to Heartland Plan (to the same extent such credit was given under the analogous Plan prior to such transfer) in satisfying any applicable deductible or out-of-pocket requirements under such Heartland Plan for the plan year that includes such transfer and (ii) fully recognize service of the Founders Employees with Founders or Founders Bank for purposes of eligibility to participate and vesting credit, and, solely with respect to vacation and severance benefits, benefit accrual in any Heartland Plan in which the Founders Employees are eligible to participate after the Closing Date, to the extent that such service was recognized for that purpose under the analogous Plan prior to such transfer. Heartland will extend coverage to Founders Employees for health care, dependent care and limited purpose health care flexible spending accounts established under Section 125 of the Code to the same extent as available to similarly situated employees of Heartland to the extent permitted by such Heartland Plans and applicable Law. Heartland will give effect to any elections made by Founders Employees with respect to such accounts under any Founders or Founders Bank flexible benefits cafeteria plan to the extent permitted by such Heartland Plan and applicable Law. Founders Employees will be credited with amounts available for reimbursement equal to such amounts as were credited under any Founders or Founders Bank flexible benefits cafeteria plan to the extent permitted by such Heartland Plan and applicable Law. The foregoing will not apply to the extent it would result in duplication of benefits.

(c)Terminated Founders Employees. To the extent that Heartland terminates the employment of any Founders Employee without "cause," as that term is defined in the sole discretion of Heartland, at, or within six months after, the Effective Time, and such Founders Employee is not otherwise entitled to severance benefits under a separate contractual obligation with Founders in effect on the date of this Agreement, Heartland will offer such Founders Employee severance benefits equal to one week of base compensation for each full year of service to Founders or Founders Bank, with a minimum of two and a maximum of 12 weeks of severance pay, on terms and conditions to be established in the reasonable discretion of Heartland.

6.7Tax Treatment. None of Founders, Founders Bank or Heartland will take any action which would disqualify the Merger as a "reorganization" within the meaning of Section 368(a)(1) of the Code.

6.8Updated Schedules. On a date 15 Business Days prior to the Effective Date and on the Effective Date, Founders will modify any Schedule to this Agreement or add any Schedule or Schedules for the purpose of making the representations and warranties to which any such Schedule relates true and correct in all material respects as of such date, whether to correct any misstatement or omission in any Schedule or to reflect any additional information obtained by Founders subsequent to the date any Schedule was previously delivered by Founders to Heartland. Notwithstanding the foregoing, any updated Schedule will not have the effect of making any representation or warranty contained in this Agreement true and correct in all material respects for purposes of Section 7.3(a).

6.9Indemnification; Directors' and Officers' Insurance.

(a)Heartland agrees that all rights of the present and former directors and officers of Founders and Founders Bank to indemnification provided for in the Charter or Bylaws of Founders or Founders Bank, as applicable, as in effect on the date hereof, or required under any applicable Law (including rights to advancement of expenses and exculpation) and that all rights of the present and former employees of Founders and Founders Bank to indemnification (but only to the extent such rights to indemnification are required by the Laws of California), will survive the Merger and continue in full force and effect until expiration of the applicable statute of limitations (each such director, officer and employee being sometimes hereinafter be referred to as an "Indemnified Party"). Without limiting the generality of the foregoing, Heartland agrees that, following the Effective Time, the Surviving Corporation will indemnify any Person made a

party to any proceeding by reason of the fact that such person was a director, officer or employee of Founders or Founders Bank at or prior to the Effective Time to the fullest extent provided in, and will advance expenses in accordance with, the Charter and Bylaws of Founders or Founders Bank, as applicable, in the form previously provided to Heartland and effective as of the date of this Agreement, in each case subject to all the limitations set forth in such Charter and Bylaws and applicable Law. Notwithstanding anything to the contrary contained in this Section 6.9, nothing contained in this Agreement will require Heartland to indemnify, defend or hold harmless any Indemnified Party to a greater extent than Founders or Founders Bank may, as of the date of this Agreement, indemnify, defend and hold harmless such Indemnified Party, and any such indemnification provided pursuant to this Section 6.9 will be provided only to the extent that such indemnification is permitted by any applicable federal or state Laws.

(b) Prior to the Effective Time, Founders will or, if Founders is unable to, Heartland as of the Effective Time will, obtain a “tail” insurance policy with a claims period of at least six (6) years from and after the Effective Time with respect

A-42

to directors' and officers' liability insurance and fiduciary liability insurance (collectively, "D&O Insurance") with benefits and levels of coverage at least as favorable to the Indemnified Parties as Founders and Founders Bank's existing policies with respect to matters existing or occurring at or prior to the Effective Time (including in connection with this Agreement or the transactions or actions contemplated hereby). Heartland will pay the premium for such D&O Insurance tail policy; provided, however, that in no event will Heartland be required to expend more than 200% of the current amount expended on an annual basis by Founders and Founders Bank to procure their existing D&O Insurance policies. If Founders or Heartland for any reason is unable to obtain such tail D&O Insurance policy on or prior to the Effective Time, Heartland will obtain as much as comparable D&O Insurance as is available at a cost in the aggregate for such six-year period up to 200% of the current annual premium expended by Founders and Founders Bank for their existing D&O Insurance policies.

(c)The provisions of this Section 6.9 are intended to be for the benefit of, and will be enforceable by, each Indemnified Party as if he or she were a party to this Agreement. The indemnification rights provided to each Indemnified Party pursuant hereto will be in addition to all other indemnification rights provided to such Indemnified Party under any Contract between Founders or Founders Bank and such Indemnified Party.

6.10Notice of Developments by Heartland. Heartland will promptly notify Founders in writing if Heartland should discover that any representation or warranty made by it in this Agreement was when made, has subsequently become or will be on the Closing Date untrue, inaccurate or misleading in any material respect. No disclosure pursuant to this Section 6.10 will be deemed to prevent or cure any inaccuracy, misrepresentation, breach of warranty or breach of agreement.

6.11Determination of Adjusted Tangible Common Equity. As soon as practicable after the Determination Date, Founders will prepare the Founders Determination Date Balance Sheet. Within five (5) Business Days following the Determination Date, Founders will prepare and deliver to Heartland its good faith determination of (a) the Adjusted Tangible Common Equity, together with reasonable support therefor (including the Founders Determination Date Balance Sheet), and (b) the Founders Determination Date Transaction Expenses, together with reasonable support therefor. If Founders and Heartland agree on the amount of the Adjusted Tangible Common Equity, such amount will be final and conclusive. If Heartland and Founders disagree as to such calculations and are unable to reconcile their differences in writing within five (5) Business Days, unless otherwise agreed upon by the parties, the items in dispute will be submitted to a mutually acceptable independent national accounting firm in the United States for final determination, and the calculations will be deemed adjusted in accordance with the determination of the independent accounting firm and will become binding, final and conclusive upon all of the parties hereto. The independent accounting firm will consider only the items in dispute and will be instructed to act within five (5) Business Days (or such longer period as Founders and Heartland may agree) to resolve all items in dispute. Founders and Heartland will share equally the payment of reasonable fees and expenses of the independent accounting firm.

A-43

(d)Governmental Action. There will not be any action taken, or any statute, rule, regulation, judgment, order or injunction proposed, enacted, entered, enforced, promulgated, issued or deemed applicable to the transactions contemplated hereby by any Governmental Entity which would reasonably be expected to result, directly or indirectly, in (i) restraining or prohibiting the consummation of the transactions contemplated hereby or obtaining material damages from Founders, Founders Bank, Heartland or any of Heartland's Subsidiaries in connection with the transactions contemplated hereby, (ii) prohibiting direct or indirect ownership or operation by Heartland of all or a material portion of the business or assets of Founders or Founders Bank or of Heartland or any of its Subsidiaries, or to compelling Heartland or any of its Subsidiaries or Founders or Founders Bank to dispose of or to hold separately all or a material portion of the business or assets of Heartland or any of its Subsidiaries or of Founders or Founders Bank, as a result of the transactions contemplated hereby, or (iii) requiring direct or indirect divestiture by Heartland of any of its business or assets or of the business or assets of Founders or Founders Bank.

(f)Legal Opinion. Founders will have received an opinion of Katten Muchin Rosenman LLP, special tax counsel to Founders, that, based on the terms of this Agreement and on the basis of certain facts, representations and assumptions set forth in such opinion, the Merger will qualify as a reorganization under Section 368(a)(1) of the Code. In rendering such opinion, such counsel may require and rely upon and may incorporate by reference representations and covenants, including those contained in certificates of officers or directors of Founders, Heartland and others.

A-44

A-46

8.3Expenses. Except as otherwise provided in this Agreement, all Expenses incurred in connection with this Agreement and the transactions contemplated by this Agreement will be paid by the party incurring such Expenses, whether or not the Merger is consummated. Notwithstanding the foregoing, if this Agreement is terminated pursuant to Sections 8.1(d)(iii), 8.1(e)(ii) or 8.1(e)(iii), or for any of the reasons set forth in Section 8.4, then Founders will pay to Heartland, within five Business Days of presentation by Heartland of reasonably detailed invoices for the same, all Expenses reasonably incurred by Heartland, and, if this Agreement is terminated pursuant to Section 8.1(d)(ii), then Heartland will pay to Founders, within five Business Days of presentation by Founders of reasonably detailed invoices for the same, all Expenses reasonably incurred by Founders; provided, however, that the amount of each of the party's obligation to pay the other party's Expenses pursuant to this Section 8.3 will not exceed \$1,000,000 in the aggregate. 9.3 Assignment. Neither this Agreement nor any of the rights, interests or obligations under this Agreement may be assigned by any party to this Agreement without the prior written consent of the other parties to this Agreement, except that Heartland may assign any of its rights under this Agreement to Premier Valley, so long as Heartland remains responsible for the performance of all of its obligations under this Agreement. Subject to the foregoing, this Agreement and all of the provisions of this Agreement will be binding upon and inure to the benefit of the parties to this Agreement and their respective successors and permitted assigns.

9.4 No Third Party Beneficiaries. Except as provided in Section 6.9, nothing expressed or referred to in this Agreement confers any rights or remedies upon any Person that is not a party or permitted assign of a party to this Agreement.

9.5 Schedules. The Schedules correspond to the specific sections contained in this Agreement; provided, however, that a Schedule relating to a certain section may incorporate by reference disclosures made in other Schedules; further provided, however, that any disclosure with respect to a particular Schedule will be deemed adequately disclosed in other Schedules to the extent it is readily apparent from the nature of the disclosure that such disclosure also applies to such other Schedules. Nothing in a Schedule is deemed adequate to disclose an exception to a representation or warranty made in this Agreement unless the Schedule identifies the exception with particularity and describes the relevant facts in detail.

9.6 Interpretation. The headings contained in this Agreement are for reference purposes only and will not affect in any way the meaning or interpretation of this Agreement. References to Sections and Articles refer to Sections and Articles of this Agreement unless otherwise stated. Words such as “herein,” “hereinafter,” “hereof,” “hereto,” “hereby” and “hereunder,” and words of like import, unless the context requires otherwise, refer to this Agreement (including the Exhibits and Schedules hereto). As used in this Agreement, the masculine, feminine and neuter genders will be deemed to include the others if the context requires. Any singular term in this Agreement will be deemed to include the plural, and any plural term the singular if the context requires. Whenever the words “include”, “includes” or “including” are used in this Agreement, they will be deemed to be followed by the words “but not limited to,” whether or not they are in fact followed by those words or words of like import. “Writing”, “written” and comparable terms refer to printing, typing and other means of reproducing words (including electronic media) in a visible form. Any reference to any money or currency or use of “\$” will be in U.S. dollars. Except as the context may otherwise require, references to any Contract are to that Contract as amended, modified or supplemented from time to time in accordance with the terms hereof and thereof; provided that with respect to any Contract listed on any Schedules hereto, all such amendments, modifications or supplements must also be listed in the appropriate Schedule. References to a statute will be to such statute, as amended from time to time, and to the rules and regulations promulgated thereunder. References to any Person include the successors and permitted assigns of that Person. References from or through any date mean, unless otherwise specified, from and including or through and including, respectively.

9.7 Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Agreement will remain in full force and effect and will in no way be affected, impaired or invalidated, and the parties will negotiate in good faith to modify this Agreement and to preserve each party’s anticipated benefits under this Agreement.

9.8 Complete Agreement. This Agreement contains the complete agreement between the parties and supersedes any prior understandings, agreements or representations by or between the parties, written or oral. Each party hereto acknowledges that the other party has made no representations, warranties, agreements, undertakings or promises except for those expressly set forth in this Agreement or in agreements referred to herein that survive the execution and delivery of this Agreement.

9.9 Governing Law. THE DOMESTIC LAW, WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES, OF THE STATE OF CALIFORNIA WILL GOVERN ALL QUESTIONS CONCERNING THE CONSTRUCTION, VALIDITY AND INTERPRETATION OF THIS AGREEMENT AND THE PERFORMANCE OF THE OBLIGATIONS IMPOSED BY THIS AGREEMENT.

9.10 Venue. The parties hereby irrevocably submit to the jurisdiction of the federal courts of the United States of America located in the Central District of the State of California solely in respect of the interpretation and enforcement of the provisions of this Agreement and of the documents referred to in this Agreement, and in respect of the transactions contemplated hereby and thereby, and hereby waive, and agree not to assert, as a defense in any Litigation relating to the

A-49

interpretation or enforcement hereof or of any such documents, that it is not subject thereto or that such Litigation may not be brought or is not maintainable in such courts or that the venue thereof may not be appropriate or that this Agreement or any such document may not be enforced in or by such courts. The parties hereto irrevocably agree that all claims with respect to such Litigation will be heard and determined in such California federal courts. The parties hereby consent to and grant any such courts jurisdiction over such parties and over the subject matter of such dispute, and agree that mailing of process or other papers in connection with any such action or proceeding in the manner provided in Section 9.2 or in such other manner as may be permitted by law, will be valid and sufficient service thereof.

9.11 Specific Performance. Each of the parties acknowledges and agrees that the subject matter of this Agreement, including the business, assets and properties of Founders and Founders Bank, is unique, that the other party would be damaged irreparably in the event any of the provisions of this Agreement are not performed in accordance with their specific terms or otherwise are breached, and that the remedies at Law would not be adequate to compensate such other parties not in default or in breach. Accordingly, each of the parties agrees that the other party will be entitled to an injunction or injunctions to prevent breaches of the provisions of this Agreement and to enforce specifically this Agreement and the terms and provisions of this Agreement in addition to any other remedy to which they may be entitled, at Law or in equity (without any requirement that such party provide any bond or other security). The parties waive any defense that a remedy at Law is adequate and any requirement to post bond or provide similar security in connection with actions instituted for injunctive relief or specific performance of this Agreement.

9.12 Waiver of Jury Trial. EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY THAT MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE IT IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (I) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (II) IT UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF SUCH WAIVER, (III) IT MAKES SUCH WAIVER VOLUNTARILY AND (IV) IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVER AND CERTIFICATIONS IN THIS SECTION 9.12.

9.13 Investigation of Representations, Warranties and Covenants. No investigation made by or on behalf of the parties hereto or the results of any such investigation will constitute a waiver of any representation, warranty or covenant of any other party.

9.14 No Survival of Representations. APPENDIX B

CALIFORNIA DISSENTERS' RIGHTS STATUTE

Chapter 13 of the California Corporations Code: Dissenters' Rights

§ 1300.

(a) If the approval of the outstanding shares (Section 152) of a corporation is required for a reorganization under subdivisions (a) and (b) or subdivision (e) or (f) of Section 1201, each shareholder of the corporation entitled to vote on the transaction and each shareholder of a subsidiary corporation in a short-form merger may, by complying with this chapter, require the corporation in which the shareholder holds shares to purchase for cash at their fair market value the shares owned by the shareholder which are dissenting shares as defined in subdivision (b). The fair market value shall be determined as of the day of, and immediately prior to, the first announcement of the terms of the proposed reorganization or short-form merger, excluding any appreciation or depreciation in consequence of the proposed reorganization or short-form merger, as adjusted for any stock split, reverse stock split, or share dividend that becomes effective thereafter.

(b) As used in this chapter, "dissenting shares" means shares to which all of the following apply:

(1) That were not, immediately prior to the reorganization or short-form merger, listed on any national securities exchange certified by the Commissioner of Corporations under subdivision (o) of Section 25100, and the notice of meeting of shareholders to act upon the reorganization summarizes this section and Sections 1301, 1302, 1303 and 1304; provided, however, that this provision does not apply to any shares with respect to which there exists any restriction on transfer imposed by the corporation or by any law or regulation; and provided, further, that this provision does not apply to any shares where the holder of those shares is required, by the terms of the reorganization or short-form merger, to accept for the shares anything except: (A) shares of any other corporation, which shares, at the time the reorganization or short-form merger is effective, are listed on any national securities exchange certified by the Commissioner of Corporations under subdivision (o) of Section 25100; (B) cash in lieu of fractional shares described in the foregoing subparagraph (A); or (C) any combination of the shares and cash in lieu of fractional shares described in the foregoing subparagraphs (A) and (B).

(2) That were outstanding on the date for the determination of shareholders entitled to vote on the reorganization and (A) were not voted in favor of the reorganization or, (B) if described in paragraph (1), were voted against the reorganization, or were held of record on the effective date of a short-form merger; provided, however, that subparagraph (A) rather than subparagraph (B) of this paragraph applies in any case where the approval required by Section 1201 is sought by written consent rather than at a meeting.

(3) That the dissenting shareholder has demanded that the corporation purchase at their fair market value, in accordance with Section 1301.

(4) That the dissenting shareholder has submitted for endorsement, in accordance with Section 1302.

(c) As used in this chapter, "dissenting shareholder" means the recordholder of dissenting shares and includes a transferee of record.

§ 1301.

(a) If, in the case of a reorganization, any shareholders of a corporation have a right under Section 1300, subject to compliance with paragraphs (3) and (4) of subdivision (b) thereof, to require the corporation to purchase their shares for cash, that corporation shall mail to each of those shareholders a notice of the approval of the reorganization by its outstanding shares (Section 152) within 10 days after the date of that approval, accompanied by a copy of Sections 1300, 1302, 1303, and 1304 and this section, a statement of the price determined by the corporation to represent the fair market value of the dissenting shares, and a brief description of the procedure to be followed if the shareholder desires to exercise the shareholder's right under those sections. The statement of price constitutes an offer by the corporation to purchase at the price stated any dissenting shares as defined in subdivision (b) of Section 1300, unless they lose their status as dissenting shares under Section 1309.

(b) Any shareholder who has a right to require the corporation to purchase the shareholder's shares for cash under Section 1300, subject to compliance with paragraphs (3) and (4) of subdivision (b) thereof, and who desires the

corporation to purchase shares shall make written demand upon the corporation for the purchase of those shares and payment to the

B-1

shareholder in cash of their fair market value. The demand is not effective for any purpose unless it is received by the corporation or any transfer agent thereof (1) in the case of shares described in subdivision (b) of Section 1300, not later than the date of the shareholders' meeting to vote upon the reorganization, or (2) in any other case, within 30 days after the date on which the notice of the approval by the outstanding shares pursuant to subdivision (a) or the notice pursuant to subdivision (h) of Section 1110 was mailed to the shareholder.

(c) The demand shall state the number and class of the shares held of record by the shareholder which the shareholder demands that the corporation purchase and shall contain a statement of what the shareholder claims to be the fair market value of those shares as determined pursuant to subdivision (a) of Section 1300. The statement of fair market value constitutes an offer by the shareholder to sell the shares at that price.

§ 1302.

Within 30 days after the date on which notice of the approval by the outstanding shares or the notice pursuant to subdivision (h) of Section 1110 was mailed to the shareholder, the shareholder shall submit to the corporation at its principal office or at the office of any transfer agent thereof, (a) if the shares are certificated securities, the shareholder's certificates representing any shares which the shareholder demands that the corporation purchase, to be stamped or endorsed with a statement that the shares are dissenting shares or to be exchanged for certificates of appropriate denomination so stamped or endorsed or (b) if the shares are uncertificated securities, written notice of the number of shares which the shareholder demands that the corporation purchase. Upon subsequent transfers of the dissenting shares on the books of the corporation, the new certificates, initial transaction statement, and other written statements issued therefor shall bear a like statement, together with the name of the original dissenting holder of the shares.

§ 1303.

(a) If the corporation and the shareholder agree that the shares are dissenting shares and agree upon the price of the shares, the dissenting shareholder is entitled to the agreed price with interest thereon at the legal rate on judgments from the date of the agreement. Any agreements fixing the fair market value of any dissenting shares as between the corporation and the holders thereof shall be filed with the secretary of the corporation.

(b) Subject to the provisions of Section 1306, payment of the fair market value of dissenting shares shall be made within 30 days after the amount thereof has been agreed or within 30 days after any statutory or contractual conditions to the reorganization are satisfied, whichever is later, and in the case of certificated securities, subject to surrender of the certificates therefor, unless provided otherwise by agreement.

§ 1304.

(a) If the corporation denies that the shares are dissenting shares, or the corporation and the shareholder fail to agree upon the fair market value of the shares, then the shareholder demanding purchase of such shares as dissenting shares or any interested corporation, within six months after the date on which notice of the approval by the outstanding shares (Section 152) or notice pursuant to subdivision (h) of Section 1110 was mailed to the shareholder, but not thereafter, may file a complaint in the superior court of the proper county praying the court to determine whether the shares are dissenting shares or the fair market value of the dissenting shares or both or may intervene in any action pending on such a complaint.

(b) Two or more dissenting shareholders may join as plaintiffs or be joined as defendants in any such action and two or more such actions may be consolidated.

(c) On the trial of the action, the court shall determine the issues. If the status of the shares as dissenting shares is in issue, the court shall first determine that issue. If the fair market value of the dissenting shares is in issue, the court shall determine, or shall appoint one or more impartial appraisers to determine, the fair market value of the shares.

§ 1305.

(a) If the court appoints an appraiser or appraisers, they shall proceed forthwith to determine the fair market value per share. Within the time fixed by the court, the appraisers, or a majority of them, shall make and file a report in the office of the clerk of the court. Thereupon, on the motion of any party, the report shall be submitted to the court and considered on such evidence as the court considers relevant. If the court finds the report reasonable, the court may confirm it.

(b) If a majority of the appraisers appointed fail to make and file a report within 10 days from the date of their appointment or within such further time as may be allowed by the court or the report is not confirmed by the court, the court shall determine the fair market value of the dissenting shares.

(c) Subject to the provisions of Section 1306, judgment shall be rendered against the corporation for payment of an amount equal to the fair market value of each dissenting share multiplied by the number of dissenting shares which any dissenting shareholder who is a party, or who has intervened, is entitled to require the corporation to purchase, with interest thereon at the legal rate from the date on which judgment was entered.

(d) Any such judgment shall be payable forthwith with respect to uncertificated securities and, with respect to certificated securities, only upon the endorsement and delivery to the corporation of the certificates for the shares described in the judgment. Any party may appeal from the judgment.

(e) The costs of the action, including reasonable compensation to the appraisers to be fixed by the court, shall be assessed or apportioned as the court considers equitable, but, if the appraisal exceeds the price offered by the corporation, the corporation shall pay the costs (including in the discretion of the court attorneys' fees, fees of expert witnesses and interest at the legal rate on judgments from the date of compliance with Sections 1300, 1301 and 1302 if the value awarded by the court for the shares is more than 125 percent of the price offered by the corporation under subdivision (a) of Section 1301).

§ 1306.

To the extent that the provisions of Chapter 5 prevent the payment to any holders of dissenting shares of their fair market value, they shall become creditors of the corporation for the amount thereof together with interest at the legal rate on judgments until the date of payment, but subordinate to all other creditors in any liquidation proceeding, such debt to be payable when permissible under the provisions of Chapter 5.

§ 1307.

Cash dividends declared and paid by the corporation upon the dissenting shares after the date of approval of the reorganization by the outstanding shares (Section 152) and prior to payment for the shares by the corporation shall be credited against the total amount to be paid by the corporation therefor.

§ 1308.

Except as expressly limited in this chapter, holders of dissenting shares continue to have all the rights and privileges incident to their shares, until the fair market value of their shares is agreed upon or determined. A dissenting shareholder may not withdraw a demand for payment unless the corporation consents thereto.

§ 1309.

Dissenting shares lose their status as dissenting shares and the holders thereof cease to be dissenting shareholders and cease to be entitled to require the corporation to purchase their shares upon the happening of any of the following:

(a) The corporation abandons the reorganization. Upon abandonment of the reorganization, the corporation shall pay on demand to any dissenting shareholder who has initiated proceedings in good faith under this chapter all necessary expenses incurred in such proceedings and reasonable attorneys' fees.

(b) The shares are transferred prior to their submission for endorsement in accordance with Section 1302 or are surrendered for conversion into shares of another class in accordance with the articles.

(c) The dissenting shareholder and the corporation do not agree upon the status of the shares as dissenting shares or upon the purchase price of the shares, and neither files a complaint or intervenes in a pending action as provided in Section 1304, within six months after the date on which notice of the approval by the outstanding shares or notice pursuant to subdivision (h) of Section 1110 was mailed to the shareholder.

(d) The dissenting shareholder, with the consent of the corporation, withdraws the shareholder's demand for purchase of the dissenting shares.

§ 1310.

If litigation is instituted to test the sufficiency or regularity of the votes of the shareholders in authorizing a reorganization, any proceedings under Sections 1304 and 1305 shall be suspended until final determination of such litigation.

§ 1311.

This chapter, except Section 1312, does not apply to classes of shares whose terms and provisions specifically set forth the amount to be paid in respect to such shares in the event of a reorganization or merger.

§ 1312.

(a) No shareholder of a corporation who has a right under this chapter to demand payment of cash for the shares held by the shareholder shall have any right at law or in equity to attack the validity of the reorganization or short-form merger, or to have the reorganization or short-form merger set aside or rescinded, except in an action to test whether the number of shares required to authorize or approve the reorganization have been legally voted in favor thereof; but any holder of shares of a class whose terms and provisions specifically set forth the amount to be paid in respect to them in the event of a reorganization or short-form merger is entitled to payment in accordance with those terms and provisions or, if the principal terms of the reorganization are approved pursuant to subdivision (b) of Section 1202, is entitled to payment in accordance with the terms and provisions of the approved reorganization.

(b) If one of the parties to a reorganization or short-form merger is directly or indirectly controlled by, or under common control with, another party to the reorganization or short-form merger, subdivision (a) shall not apply to any shareholder of such party who has not demanded payment of cash for such shareholder's shares pursuant to this chapter; but if the shareholder institutes any action to attack the validity of the reorganization or short-form merger or to have the reorganization or short-form merger set aside or rescinded, the shareholder shall not thereafter have any right to demand payment of cash for the shareholder's shares pursuant to this chapter. The court in any action attacking the validity of the reorganization or short-form merger or to have the reorganization or short-form merger set aside or rescinded shall not restrain or enjoin the consummation of the transaction except upon 10 days' prior notice to the corporation and upon a determination by the court that clearly no other remedy will adequately protect the complaining shareholder or the class of shareholders of which such shareholder is a member.

(c) If one of the parties to a reorganization or short-form merger is directly or indirectly controlled by, or under common control with, another party to the reorganization or short-form merger, in any action to attack the validity of the reorganization or short-form merger or to have the reorganization or short-form merger set aside or rescinded, (1) a party to a reorganization or short-form merger which controls another party to the reorganization or short-form merger shall have the burden of proving that the transaction is just and reasonable as to the shareholders of the controlled party, and (2) a person who controls two or more parties to a reorganization shall have the burden of proving that the transaction is just and reasonable as to the shareholders of any party so controlled.

§ 1313.

A conversion pursuant to Chapter 11.5 (commencing with Section 1150) shall be deemed to constitute a reorganization for purposes of applying the provisions of this chapter, in accordance with and to the extent provided in Section 1159.

APPENDIX C

October 29, 2016

Board of Directors
Founders Bancorp
237 Higuera Street
San Luis Obispo, CA 93401

Members of the Board:

We understand that Founders Bancorp (the “Company”) proposes to enter into an Agreement and Plan of Merger (the “Agreement”) with Heartland Financial USA, Inc. (“Parent”), pursuant to which, among other things, the Company will merge with and into Parent (the “Transaction”) and each outstanding share of the common stock, par value \$1.00 per share, of the Company (the “Company Common Stock”) will be converted into the right to receive the Aggregate Merger Consideration Per Share in the form of cash, shares of common stock of Parent or a combination thereof (the “Consideration”). The Aggregate Merger Consideration Per Share is determined by (i) the Aggregate Merger Consideration, divided by (ii) the Fully Diluted Shares Outstanding. The Aggregate Merger Consideration means (a) the sum of (i) \$29,137,000, and (ii) the Option Exercise Proceeds, less (b) the amount, if any, by which Transaction Expenses exceed \$1,600,000; provided, however, that (1) if the Adjusted Tangible Common Equity is less than \$18,300,000, then the Aggregate Merger Consideration will be equal to (A) the amount determined in accordance with the foregoing formula, less (B) the amount by which the Adjusted Tangible Common Equity is below \$18,300,000 (but in no event will such amount referred to in this clause (B) be greater than \$5,000,000), and (2) if the Adjusted Tangible Common Equity is greater than \$18,600,000, then the Aggregate Merger Consideration will be equal to (x) the amount determined in accordance with the foregoing formula, plus (y) the amount by which the Adjusted Tangible Common Equity exceeds \$18,600,000 (but in no event will such amount referred to in this clause (y) be greater than \$5,000,000).

The Aggregate Merger Consideration Per Share is subject to adjustments pursuant to the determination of Aggregate Merger Consideration, as defined in the Agreement, as to which adjustments we express no opinion. The terms and conditions of the Transaction are more fully set forth in the Agreement. We have been advised that the Transaction will qualify as a tax-free reorganization for U.S. federal income tax purposes.

Capitalized terms used herein without definition have the respective meanings ascribed to them in the Agreement.

You have requested our opinion as to the fairness, from a financial point of view, to the holders of the Company Common Stock of the Consideration to be paid to such holders in the proposed Transaction.

In connection with preparing our opinion, we have reviewed, among other things:

(i) a draft of the Agreement, dated October 27, 2016;

certain financial statements and other historical financial and business information about Parent and the Company (ii) made available to us from published sources and/or from the internal records of Parent and the Company that we deemed relevant;

financial projections for the Company for the years ending December 31, 2016, December 31, 2017 and (iii) December 31, 2018 and estimated long-term growth rate for the years thereafter, in each case as discussed with, and confirmed by, senior management of the Company;

(iv) certain publicly available analyst consensus “street estimates” for Parent for the years ending December 31, 2016, December 31, 2017 and December 31, 2018 and estimated long-term growth rate

C-1

for the years thereafter, in each case as discussed with, and confirmed by, senior management of the Parent;

(v) the current market environment generally and the banking environment in particular;

(vi) the financial terms of certain other transactions in the financial institutions industry, to the extent publicly available;

(vii) the market and trading characteristics of public companies and public bank holding companies in particular;

(viii) the pro forma financial impact of the Transaction, taking into consideration the amounts and timing of the transaction costs and cost savings;

(ix) the net present value of the Company with consideration of projected financial results;

(x) the net present value of Parent with consideration of projected financial results;

(xi) the net present value of Parent, on a pro forma basis with the pro forma financial impact of the Transaction, with consideration of projected financial results; and

(xii) such other financial studies, analyses and investigations and financial, economic and market criteria and other information as we considered relevant including discussions with management and other representatives and advisors of the Parent and the Company concerning the business, financial condition, results of operations and prospects of the Parent and the Company.

In arriving at our opinion, we have, with your consent, assumed and relied upon the accuracy and completeness of all information that was publicly available or supplied or otherwise made available to, discussed with or reviewed by or for us. We have not independently verified (nor have we assumed responsibility for independently verifying) such information or its accuracy or completeness. We have not undertaken or been provided with any independent evaluation or appraisal of any of the assets or liabilities (contingent or otherwise) of the Company, and we did not make an independent appraisal or analysis of the Company with respect to the Transaction. In addition, we have not assumed any obligation to conduct, nor have we conducted, any physical inspection of the properties or facilities of the Company, and have not been provided with any reports of such physical inspections. We have assumed that there has been no material change in the Company's business, assets, financial condition, results of operations, cash flows or prospects since the date of the most recent financial statements provided to us, and that neither the Company nor Parent is party to any material pending transaction, including without limitation any financing, recapitalization, acquisition or merger, divestiture or spin-off, other than the Transaction.

With respect to the financial forecasts and other analyses (including information relating to certain pro forma financial effects of, and strategic implications and operational benefits anticipated to result from, the Transaction) provided to or otherwise reviewed by or for or discussed with us, we have been advised by management of the Company, and have assumed with your consent, that such forecasts and other analyses were reasonably prepared on bases reflecting the best currently available estimates and good faith judgments of management of the Company as to the future financial performance of the Company and the other matters covered thereby, and that the financial results (including the potential strategic implications and operational benefits anticipated to result from the Transaction) reflected in such forecasts and analyses will be realized in the amounts and at the times projected. We assume no responsibility for and express no opinion as to these forecasts and analyses or the assumptions on which they were based. We have relied on the assurances of management of the Company that they are not aware of any facts or circumstances that would make any of such information, forecasts or analyses inaccurate or misleading.

We are not experts in the evaluation of loan and lease portfolios, classified loans or other real estate owned or in assessing the adequacy of the allowance for loan losses with respect thereto, and we did not make an independent

C-2

evaluation or appraisal thereof, or of any other specific assets, the collateral securing assets or the liabilities (contingent or otherwise) of the Company or Parent or any of their respective subsidiaries. We have not reviewed any individual loan or credit files relating to the Company or Parent. We have assumed, with your consent, that the respective allowances for loan and lease losses for both the Company and Parent are adequate to cover such losses and will be adequate on a pro forma basis for the combined entity. We did not make an independent evaluation of the quality of the Company's or Parent's deposit base, nor have we independently evaluated potential deposit concentrations or the deposit composition of the Company or Parent. We did not make an independent evaluation of the quality of the Company's or Parent's investment securities portfolio, nor have we independently evaluated potential concentrations in the investment securities portfolio of the Company or Parent.

We have assumed that all of the representations and warranties contained in the Agreement and all related agreements are true and correct in all respects material to our analysis, and that the Transaction will be consummated in accordance with the terms of the Agreement, without waiver, modification or amendment of any term, condition or covenant thereof the effect of which would be in any respect material to our analysis. We also have assumed that all material governmental, regulatory or other consents, approvals, and waivers necessary for the consummation of the Transaction will be obtained without any material adverse effect on the Company or the contemplated benefits of the Transaction. Further, we have assumed that the executed Agreement will not differ in any material respect from the draft Agreement, dated October 27, 2016, reviewed by us.

We have assumed in all respects material to our analysis that the Company will remain as a going concern for all periods relevant to our analysis. We express no opinion regarding the liquidation value of the Company or any other entity.

Our opinion is limited to the fairness, from a financial point of view, of the Consideration to be paid to the holders of the Company Common Stock in the proposed Transaction. We do not express any view on, and our opinion does not address, any other term or aspect of the Agreement or Transaction (including, without limitation, the form or structure of the Transaction) or any term or aspect of any other agreement or instrument contemplated by the Agreement or entered into in connection with the Transaction, including the fairness of the Transaction to, or any consideration received in connection therewith by, the holders of any other class of securities, creditors or other constituencies of the Company, or as to the underlying decision by the Company to engage in the Transaction. Furthermore, we express no opinion with respect to the amount or nature of any compensation to any officers, directors or employees of the Company, or any class of such persons, relative to the Consideration to be paid to the holders of the Company Common Stock in the Transaction, or with respect to the fairness of any such compensation.

We express no view as to, and our opinion does not address, the relative merits of the Transaction as compared to any alternative business transactions or strategies, or whether such alternative transactions or strategies could be achieved or are available. In addition, our opinion does not address any legal, regulatory, tax or accounting matters, as to which we understand that the Company obtained such advice as it deemed necessary from qualified professionals.

We do not express any opinion as to the value of any asset of the Company whether at current market prices or in the future, or as to the price at which the Company or its assets could be sold in the future. We also express no opinion as to the price at which the Company Common Stock or Parent will trade following announcement of the Transaction or at any future time.

We have not evaluated the solvency or fair value of the Company or Parent under any state, federal or other laws relating to bankruptcy, insolvency or similar matters. This opinion is not a solvency opinion and does not in any way address the solvency or financial condition of the Parent. We are not expressing any opinion as to the impact of the Transaction on the solvency or viability of the Company or Parent or the ability of the Company or Parent to pay their respective obligations when they come due.

We have acted as the Company's financial advisor in connection with the Transaction and will receive a fee for our services, a portion of which is payable upon the rendering of this opinion and a significant portion of which is

C-3

contingent upon consummation of the Transaction. In addition, the Company has agreed to reimburse our reasonable expenses and indemnify us against certain liabilities arising out of our engagement.

Please be advised that during the two years preceding the date of this letter, neither we nor our affiliates have had any other material financial advisory or other material commercial or investment banking relationships with the Company or the Parent.

In the ordinary course of our business, D.A. Davidson & Co. and its affiliates may actively trade or hold securities of the Company or Parent for our own accounts or for the accounts of our customers and, accordingly, may at any time hold long or short positions in such securities. We may seek to provide investment banking or other financial services to the Company or Parent in the future for which we would expect to receive compensation.

This fairness opinion was reviewed and approved by a D.A. Davidson & Co. Fairness Opinion Committee.

It is understood that this letter is for the information of the Board of Directors of the Company in connection with and for the purposes of its consideration of the Transaction. This opinion is not intended to be and does not constitute a recommendation as to how the shareholders of the Company should vote or act with respect to the Transaction or any matter relating thereto.

This opinion is for the information of the Board of Directors of the Company and shall not be disclosed, referred to, published or otherwise used (in whole or in part), nor shall any public references to us be made, without our prior written consent, except that a copy of this opinion may be included in its entirety in any regulatory filing that the Company is required to make in connection with the Transaction if such inclusion is required by applicable law.

Our opinion is necessarily based on economic, market and other conditions as in effect on, and the information made available to us as of, the date hereof. Events occurring after the date hereof may affect this opinion and the assumptions used in preparing it, and we do not assume any obligation to update, revise or reaffirm this opinion.

Based upon and subject to the foregoing, it is our opinion that, as of the date hereof, the Consideration to be paid to the holders of the Company Common Stock in the Transaction is fair, from a financial point of view, to such holders.

Very truly yours,

/s/ D.A. Davidson & Co.

PART II
INFORMATION NOT REQUIRED IN PROSPECTUS

Item 20. Indemnification of Directors and Officers.

Heartland is incorporated under the laws of the State of Delaware. Section 145 of the General Corporation Law of the State of Delaware, or DGCL, empowers a Delaware corporation to indemnify any persons who are, or are threatened to be made, parties to any threatened, pending or completed legal action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person is or was an officer or director of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided that such officer or director acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the corporation's best interests, and, for criminal proceedings, had no reasonable cause to believe his or her conduct was illegal. A Delaware corporation may indemnify officers and directors against expenses (including attorneys' fees) in connection with the defense or settlement of an action by or in the right of the corporation under the same conditions, except that no indemnification is permitted without judicial approval if the officer or director is adjudged to be liable to the corporation. Where an officer or director is successful on the merits or otherwise in the defense of any action referred to above, the corporation must indemnify him or her against the expenses which such officer or director actually and reasonably incurred.

As permitted by Delaware law, Heartland has included in its certificate of incorporation a provision to eliminate the personal liability of our directors for monetary damages for breach of their fiduciary duties as directors, subject to certain limitations. In addition, Heartland's certificate of incorporation and bylaws provide that it is required to indemnify its officers and directors under certain circumstances, including those circumstances in which indemnification would otherwise be discretionary and Heartland may advance expenses to its officers and directors as incurred in connection with proceedings against them for which they may be indemnified.

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), 424(b)(5), or 424(b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), 415(a)(1)(vii), or 415(a)(1)(x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of the securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(6) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
