CUSIP No. 281479105

The following constitutes Amendment No. 1 to the Schedule 13D filed by the undersigned (“Amendment No. 1”). This Amendment No. 1 amends the Schedule 13D as specifically set forth herein.

Item 2.

Identity and Background.

Item 2(b) is hereby amended and restated to read as follows:

- (b) The address of the principal business office of each of the Reporting Persons is 150 E Palmetto Park Road, Suite 800, Boca Raton, FL 33432.

Item 3.

Source and Amount of Funds or Other Consideration.

Item 3 is hereby amended and restated to read as follows:

The shares of Common Stock purchased by the Funds were purchased with working capital (which may, at any given time, include margin loans made by brokerage firms in the ordinary course of business) in open market purchases, except as otherwise noted. The aggregate purchase price of the 316,417 shares of Common Stock beneficially owned by the Funds is approximately \$3,086,711, including brokerage commissions.

Item 4.

Purpose of Transaction.

Item 4 is hereby amended to add the following:

On July 6, 2018, Red Oak Partners announced that it had delivered a letter to the Issuer’s board of directors (the “Board”) to express its intention to oppose the election of the incumbent Class II Board nominees and vote against the proposed management equity incentive plan at the Issuer’s 2018 annual meeting of shareholders (the “Annual Meeting”) scheduled to be held on July 24, 2018. Red Oak Partners called upon the Board in the letter to engage with shareholders to address concerns with the Issuer’s corporate governance practices, stale Board composition and misaligned management incentive plan proposal.

Red Oak Partners also stated in the letter its belief that Board refreshment is necessary due to the seniority and lengthy tenure of current directors and the low percentage of shares owned by Board members and management other than Chairman and CEO Randall White and his son Craig White. Red Oak Partners noted in the letter that the average age of independent directors is 75.5 years; the average tenure is fourteen years; and that there are no term or age limits on directors.

Red Oak Partners cited the Issuer’s poor revenue growth and financial performance in 2018 and stated its belief that the Board’s oversight has been ineffective, with a misallocation of capital and failed IT implementation causing both operational and sales disruption and a financing issue that led to operational disruption and management distraction. The letter further stated Red Oak Partners’ belief that inaccurate disclosures and misleading omissions in the Issuer’s 2018 definitive proxy statement regarding the share ownership of Common Stock held by custodians and record holders demonstrates that the Board and management lack fundamental public company knowledge and experience.

Red Oak Partners further stated in the letter its belief that the Issuer’s 2019 long term incentive stock plan is misaligned with the best interests of shareholders because it proposes to pay executives excessive compensation for underperforming margin and revenue guidance publicly disclosed by the Issuer previously. Red Oak Partners

expressed doubts that the Issuer's incentive plan was developed based on credible comparable analysis or a review of best practices and reserved its right to seek the production of the Issuer's compensation analysis through a books and records request under Delaware law.

Red Oak Partners stated that, despite several attempts to engage with the Board's lead independent director John Clerico, Mr. Clerico had not responded, and as a result of the Board's apparent disregard for reasonable governance and oversight Red Oak Partners intends to vote against the election of the Board's director nominees, Ron McDaniel and Dr. Kara Gae Neal, and against the approval of the 2019 long term incentive stock plan at the Annual Meeting.

CUSIP No. 281479105

Red Oak Partners concluded the letter by urging the Board to postpone the Annual Meeting and inviting the Board to engage with Red Oak Partners as the Issuer's largest outside shareholder to address significant concerns with governance, executive compensation and Board composition, including the separation of Chairman and CEO roles, updating the Bylaws to reflect current governance best practices and implementing a CEO succession plan. Such steps would, according to Red Oak Partners, bolster the Issuer's credibility as a public company and its trustworthiness as a value-driven investment in the marketplace.

Red Oak Partners notes that leading proxy advisory firm Institutional Shareholder Services Inc. ("ISS") has recently issued a report recommending that the Issuer's shareholders vote against the re-election of incumbent nominees Ron McDaniel and Dr. Kara Gae Neal at the upcoming Annual Meeting.

The foregoing description of the letter does not purport to be complete and is qualified in its entirety by reference to the full text of the letter, which is filed as Exhibit 99.2, and is incorporated herein by reference.

Item 5. Interest in Securities of the Issuer.
