PROSPECTUS SUPPLEMENT
April 23, 2007
To Prospectus dated April 4, 2007

HOME PROPERTIES, INC.

1,697,897 Shares of Common Stock

This prospectus supplement updates and supplements the prospectus of Home Properties, Inc. (referred to as "Home Properties," "we" or "us"), dated April 4, 2007 (which we refer to as the prospectus).

Our operating partnership, Home Properties, L.P., in October, 2006, issued \$200 million of its 4.125% senior exchangeable notes due 2026. We guaranteed those notes. Holders may exchange their notes into cash or a combination of cash and common stock, at our option, at any time on or after October 1, 2026, but prior to the close of business on the second business day immediately preceding November 1, 2026, and also under the following circumstances: (i) if the closing sale price of our common stock reaches a specified threshold over a specified time period; (ii) if the notes have been called for redemption; or (iii) upon the occurrence of certain other specified events. Upon an exchange of notes, the operating partnership will deliver cash for the lesser of the exchange value and the principal amount of the notes and, at our option, cash or shares of Home Properties' common stock for the exchange value in excess of the principal amount of the notes. The exchange value will be based on the exchange rate and the then-trading price of the common shares. The initial exchange rate is 13.6357 shares of Home Properties' common stock per \$1,000 principal amount of notes (equivalent to an initial exchange price of approximately \$73.34 per common shares). The initial exchange rate is subject to adjustment in certain circumstances. The number of shares registered under this prospectus supplement assumes that the initial exchange rate has been adjusted to the maximum provided for under the indenture pursuant to which the notes were issued (\$16.0901 shares per \$1,000). This prospectus supplement supplements the prospectus with respect to the resale by the selling securities holders of the shares of common stock which we may issue to the selling securities holders upon exchange of the notes.

The notes were sold to qualified institutional buyers in accordance with Rule 144A under the Securities Act of 1933. The notes and the shares of common

stock have not been registered under the Securities Act of 1933, or any state securities laws, and, unless so registered, may not be offered or sold in the United States except pursuant to an exemption from the registration requirements of the Securities Act of 1933 and applicable state laws. Certain of the holders of the notes have requested that we include shares of common stock which such holders may acquire upon exchange of their notes for resale pursuant to this prospectus supplement.

If the selling securities holders listed below receive common stock, they may from time to time offer and sell the common stock on the New York Stock Exchange or otherwise and they may sell the common shares at market prices or at negotiated prices. They may sell the common stock in ordinary brokerage transactions, in block transactions, in privately negotiated transactions, pursuant to Rule 144 under the Securities Act of 1933 or otherwise. If the holders sell the common stock through brokers, they expect to pay customary brokerage commissions and charges.

We will not receive any of the proceeds if any selling securities holder sells any of its common stock. However, we have agreed to pay expenses of the registration. Our registration of the common stock and issuance of the prospectus and this prospectus supplement with respect thereto does not necessarily mean that the holders of the notes will exchange them or, if they do exchange them, that the exchange value will exceed the principal amount of the notes; that we will elect to pay any such excess with shares of common stock; or that the selling securities holders will elect to sell any such shares.

This prospectus supplements information contained in the prospectus. This prospectus supplement should be read in conjunction with the prospectus, and is qualified by reference to the prospectus. This prospectus supplement is not complete without, and may only be delivered or utilized in connection with, the prospectus, including any amendments or supplements thereto. The prospectus and this prospectus supplement form a part of a registration statement filed by us with the Securities and Exchange Commission.

Our common stock is listed on the New York Stock Exchange under the symbol "HME."

Investing in our common stock involves various risks. See "Risk Factors" beginning on page 1 of the prospectus.

NEITHER THE SECURITIES AND EXCHANGE COMMISSION NOR ANY STATE SECURITIES COMMISSION HAS APPROVED OR DISAPPROVED OF THESE SECURITIES OR PASSED UPON THE ADEQUACY OR ACCURACY OF THIS PROSPECTUS SUPPLEMENT. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENSE.

This prospectus supplement, together with the prospectus, constitutes the offer of 1,697,897 shares of our common stock issuable upon exchange of notes by the selling securities holders.

The date of this prospectus supplement is April 23, 2007

SELLING SECURITIES HOLDERS

The selling securities holders may from time to time offer and sell pursuant to this prospectus supplement and the prospectus any and all of the shares of our common stock issuable upon exchange of the notes. Our registration of the shares of common stock issuable upon exchange of the notes does not

necessarily mean that the holders of the notes will exchange them or, if they do exchange them, that the exchange value will exceed the principal amount of the notes; that we will elect to pay any such excess with shares of common stock; or that the selling securities holders will elect to sell any such shares of common stock they may receive upon an exchange. In connection with the offer and sale of the notes, we agreed to register the shares of common stock for resale by the holders. We will not receive any of the proceeds of any sale of our common stock by any selling securities holder.

The following table sets forth information with respect to the selling securities holders and the common stock that may be offered from time to time by each selling securities holder pursuant to this prospectus supplement and the prospectus. The information in the table below is based on information provided by or on behalf of the selling securities holders on or prior to April 16, 2007, and may change over time. In particular, the selling securities holders identified below may have sold, transferred or otherwise disposed of all or a portion of their notes since the date on which they provided the information to us in transactions exempt from the registration requirements of the Securities Act of 1933. No notes have been exchanged as of the date of this prospectus supplement. We may determine not to issue shares of common stock in exchange for notes tendered for exchange and, instead, pay the excess, if any, of the exchange price over the principal amount of the exchanged notes in cash. The selling securities holders may offer all, some or none of the common stock issuable upon exchange of the notes.

We have assumed for purposes of the table below that the selling securities holders will exchange all of their notes, that we will issue shares of common stock for the excess of the exchange value over the principal amount of the note, that the exchange value is the maximum provided for under the indenture (16.0901 shares per \$1,000), and that the selling securities holders will sell all of such shares of common stock pursuant to this prospectus supplement and the prospectus. We have also assumed that any other shares of our common stock beneficially owned by the selling securities holders will continue to be beneficially owned.

Based upon the information provided by the selling securities holders, none of the selling securities holders named below would, upon issuance of the maximum number of shares issuable upon exchange of the notes, holds in excess of 1% of our outstanding common stock. The percentage of common stock beneficially owned by each selling securities holder is based on 33,198,569 shares of common stock outstanding as of March 31, 2007.

To our knowledge, none of the selling securities holders has, or within the past three years has had, any position, office or other material relationship with us or any of our predecessors or affiliates.
