On May 3, 2018, the Board of Directors (the “Board”) of Advanced Energy Industries, Inc. (the “Company”) increased the size of the Board from seven directors to eight directors.

Appointment of Tina M. Donikowski to the Board of Directors

On May 3, 2018, the Board appointed Tina M. Donikowski to fill the vacancy created by the increase in the size of the Board and to serve until the Company’s 2019 Annual Meeting of Shareholders or until her successor is duly elected and qualified. Ms. Donikowski, age 59, retired from General Electric Company, a diversified industrial company, in October 2015 after 38 years with the company. She served in a number of senior positions during her career at General Electric Company, including most recently as Vice President, Global Locomotive Business, GE Transportation, from January 2013 until her retirement. She currently serves on the Board of Directors of Atlas Copco AB (STOCKHOLM: ATCO), a world-leading provider of sustainable productivity solutions based in Stockholm, Sweden, CIRCO International (NYSE: CIR), a leading provider of flow control solutions and other highly engineered products and subsystems used in energy, aerospace and industrial markets based in Burlington, Massachusetts, and Eriez Magnetics, a privately held manufacturer and designer of magnetic, vibratory, and metal detection applications based in Erie, Pennsylvania.
