PROXY STATEMENT

Edgar Filing: SmartPros Ltd. - Form DEF 14A

FOR ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON THURSDAY, JUNE 14, 2007

This Proxy Statement is furnished to the stockholders of SmartPros Ltd., a Delaware corporation ("SmartPros"), in connection with the solicitation by the Board of Directors (our "Board") of proxies to be used at the 2007 Annual Meeting of Stockholders of SmartPros to be held at the Comfort Inn, 20 Saw Mill River Road, Hawthorne, New York 10532, on Thursday, June 14, 2007, at 10:00 A.M. Eastern Time, and at any adjournments thereof (the "Annual Meeting"). The approximate date on which this Statement and the accompanying proxy will be mailed to stockholders is May 3, 2007.

THE VOTING & VOTE REQUIRED

RECORD DATE AND QUORUM

Only stockholders of record at the close of business on April 19, 2007 (the "Record Date"), are entitled to notice of and vote at the Annual Meeting. On the Record Date, there were 4,875,774 outstanding shares of common stock, par value \$.0001 per share, ("Common Stock"). Each share of Common Stock is entitled to one vote. Shares represented by each properly executed, unrevoked proxy received in time for the meeting will be voted as specified. Shares of Common Stock were the only voting securities of SmartPros outstanding on the Record Date. A quorum will be present at the Annual Meeting if a majority of the shares of Common Stock outstanding on the Record Date are present at the meeting in person or by proxy.

VOTING OF PROXIES

The persons acting as proxies (the "Proxyholders") pursuant to the enclosed proxy will vote the shares represented as directed in the signed proxy. Unless otherwise directed in the proxy, the Proxyholders will vote the shares represented by the proxy: (i) for the election of the two Class III director nominees named in this Proxy Statement; (ii) for the appointment of the independent auditors for the year ending December 31, 2007, on an advisory basis; and (iii) in their discretion, on any other business that may come before the meeting and any adjournments of the meeting.

All votes will be tabulated by the inspector of election appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes. Under the SmartPros bylaws and Delaware law: (1) shares represented by proxies that reflect abstentions or "broker non-votes" (i.e., shares held by a broker or nominee that are represented at the meeting, but with respect to which such broker or nominee is not empowered to vote on a particular proposal) will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum; (2) there is no cumulative voting, and the director nominees receiving the highest number of votes, up to the number of directors to be elected, are elected and, accordingly, abstentions, broker non-votes and withholding of authority to vote will not affect the election of directors; and (3) proxies that reflect abstentions or non-votes will be treated as unvoted for purposes of determining approval of that proposal and will not be counted as votes for or against that proposal.

1

VOTING REQUIREMENTS

ELECTION OF DIRECTORS. The election of directors requires a plurality

Edgar Filing: SmartPros Ltd. - Form DEF 14A

of the votes cast for the election of directors. Accordingly, the directorships to be filled at the Annual Meeting will be filled by the nominees receiving the highest number of votes. In the election of directors, votes may be cast in favor of or withheld with respect to any or all nominees. Votes that are withheld will be excluded entirely from the vote and will have no effect on the outcome of the vote.

PROPOSAL 1 ELECTION OF DIRECTORS AND MANAGEMENT INFORMATION

Our Board currently consists of six members and is divided into three classes, with two Class I directors, two Class II directors and two Class III directors. Directors serve for three-year terms with one class of directors being elected by our stockholders at each annual meeting.

At the Annual Meeting, two Class III directors will be elected to serve until the annual meeting of stockholders in 2010 and until each director's successor is elected and qualified. Our Board has nominated Allen S. Greene and Leonard J. Stanley for election as the Class III directors. Mr. Greene presented Mr. Stanley's name to the Compensation and Nominating Committee for a seat on our Board. The accompanying form of proxy will be voted for the election of Messrs. Greene and Stanley as directors, unless the proxy contains contrary instructions. Management has no reason to believe that either Mr. Greene or Mr. Stanley will not be a candidate or will be unable to serve. However, in the event that either is unable or unwilling to serve as a director, the proxy will be voted for the election of such person or persons as shall be designated by our Board.

OUR BOARD RECOMMENDS A VOTE FOR THE ELECTION OF THE FOREGOING NOMINEES
AND PROXIES THAT ARE SIGNED AND RETURNED WILL BE SO VOTED

financial reporting matters. Our Board has adopted a written charter for the Audit Committee. The Audit Committee has discussed with Holtz Rubenstein Reminick LLP its independence from SmartPros and its management. Holtz Rubenstein Reminick LLP had full and free access to the Audit Committee. Based on its review and discussions, the Audit Committee recommended to our Board that the audited financial statements be included in the SmartPros Annual Report on Form 10-KSB.

AUDIT COMMITTEE:

Martin H. Lager

Joshua A. Weinreich

John J. Gorman

The chairman of the Compensation and Nominating Committee is Mr. Weinreich and the other members of the committee are Messrs. Gorman and Judson. The committee reviews and recommends the compensation and benefits payable to our officers, reviews general policy matters relating to employee compensation and benefits, and administers our various stock option plans and other incentive compensation arrangements. The committee also identifies individuals qualified to become members of our Board and makes recommendations to our Board of new nominees to be elected by stockholders or to be appointed to fill vacancies on our Board. The Compensation and Nominating Committee met two times in 2006. Prior to its official formation, members of the committee met on an unofficial basis to discuss committee matters. A copy of the Compensation and Nominating Committee Charter has been posted on our Web site at www.smartpros.com.

In identifying and recommending nominees for positions on our Board, the Compensation and Nominating Committee places primary emphasis on (i) a candidate's judgment, character, expertise, skills and knowledge useful to the oversight of our business; (ii) a candidate's business or other relevant experience; and (iii) the extent to which the interplay of the candidate's expertise, skills, knowledge and experience with that of other members of our Board will build a board of directors that is effective, collegial and responsive to our needs.

The Compensation and Nominating Committee will consider director candidates recommended by stockholders. In considering candidates submitted by stockholders, the committee will take into consideration the needs of our Board and the qualifications of the candidate. Under our bylaws to have a candidate considered by the committee, a stockholder must timely notify our Secretary, Karen Stolzar, by written notice delivered to, or mailed to and received at, our principal executive offices not less than thirty (30) days and not more than sixty (60) days prior to the scheduled annual meeting date, regardless of any postponements, deferrals or adjournments of that meeting to a later date; PROVIDED, HOWEVER, that if less than forty (40) days' notice or prior public disclosure of the date of the scheduled annual meeting is given or made, notice by the stockholder, to be timely, must be so delivered or received not later

Edgar Filing: SmartPros Ltd. - Form DEF 14A

than the close of business on the tenth (10th) day following the earlier of the day on which such

6

notice of the date of the scheduled annual meeting was mailed or the day on which such public disclosure was made. A stockholder's notice to the Secretary shall set forth (i) as to each person whom the stockholder proposes to nominate for election to our Board, all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to the Exchange Act, including, without limitation, such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected; (ii) the name and address of the stockholder making the nomination and any other stockholders known by such stockholder to be supporting such nomination; (iii) the class and number of shares of stock owned by the stockholder on the date of such stockholder's notice and by any other stockholders known by such stockholder to be supporting such nomination on the date of such stockholder's notice and (iv) any financial interest of the stockholder in such nomination.

The Compensation and Nominating Committee believes that the minimum qualifications for service as a director of SmartPros are that a nominee possess an ability, as demonstrated by recognized success in his or her field, to make meaningful contributions to our Board's oversight of our business and affairs and an impeccable reputation of integrity and competence in his or her personal or professional activities. The committee's evaluation of potential candidates shall be consistent with our Board's criteria for selecting new directors. Such criteria include an understanding of our business environment and the possession of such knowledge, skills, expertise and diversity of experience so as to enhance our Board's ability to manage and direct our affairs and business, including when applicable, to enhance the ability of committees of our Board to fulfill their duties and/or satisfy any independence requirements imposed by law, regulation or listing requirements. The committee may also receive suggestions from current members of our Board, executive officers or other sources, which may be either unsolicited or in response to requests from the committee for such candidates. In addition, the committee may also, from time to time, engage firms that specialize in identifying director candidates.

Once a person has been identified by the committee as a potential candidate, the committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the committee determines that the candidate warrants further consideration, the chairman or another member of the committee may contact the person. Generally, if the person expresses a willingness to be considered and to serve on our Board, the committee may request information from the candidate, review the person's accomplishments and qualifications and may conduct one or more interviews with the candidate. The committee will consider all such information in light of information regarding any other candidates that the committee might be evaluating for membership on our Board. In certain instances, the committee members may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments. The committee's evaluation process does not vary based on whether or not a candidate is recommended by a stockholder.

It is our policy that directors are invited and encouraged to attend the Annual Meeting.

AUDIT COMMITTEE PRE-APPROVAL POLICIES AND PROCEDURES

The Audit Committee charter provides that the Audit Committee will pre-approve audit services and non-audit services to be provided by our independent auditors before the accountant is engaged to render these services. The Audit Committee may consult with management in the decision-making process, but may not delegate this authority to management. The Audit Committee may delegate its authority to pre-approve services to one or more committee members, provided that the designees present the pre-approvals to the full committee at the next committee meeting.

COMMUNICATIONS WITH DIRECTORS

Our Board has established a process to receive communications from stockholders. Stockholders and other interested parties may contact any member (or all members) of our Board, or the non-management directors as a group, any Board committee or any chair of any such committee by mail or electronically. To communicate with our Board, any individual director or any group or committee of directors, correspondence should be addressed to our Board or any such individual directors or group or committee of directors by either name or title, care of the Secretary. All such correspondence should be sent to our principal executive offices or by e-mail to the Secretary at SECRETARY@SMARTPROS.COM. All communications received as set forth in the preceding paragraph will be opened by the Secretary for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service, patently offensive material or matters deemed inappropriate for our Board will be forwarded promptly to the addressee. In the case of communications to our Board or any group or committee of directors, the Secretary will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the envelope or e-mail is addressed.

PROPOSAL 2

ADVISORY APPROVAL OF THE APPOINTMENT OF INDEPENDENT AUDITORS

Holtz Rubenstein Reminick LLP has been our independent auditor since November 2004. Their audit report appears in our annual report for the fiscal year ended December 31, 2006. A representative of Holtz Rubenstein Reminick LLP will be at the Annual Meeting and will have an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

 (1) Includes \$10,920 and \$10,500 of fees billed for services rendered in connection with their review of our Form 10-QSBs for the quarters ended March 31, June 30, and September 30, 2006 and 2005, respectively.

8

Selection of the independent accountants is not required to be submitted to a vote of our stockholders for ratification. In addition, the Sarbanes-Oxley Act of 2002 requires the Audit Committee to be directly responsible for the appointment, compensation and oversight of the audit work of the independent auditors. The Audit Committee expects to appoint Holtz Rubenstein Reminick LLP to serve as independent auditors to conduct an audit of SmartPros' accounts for the 2007 fiscal year. However, our Board is submitting this matter to SmartPros stockholders as a matter of good corporate practice. If the stockholders fail to vote on an advisory basis in favor of the selection, the Audit Committee will take that into consideration when deciding whether to retain Holtz Rubenstein Reminick LLP, and may retain that firm or another without re-submitting the matter to the stockholders. Even if stockholders vote on an advisory basis in favor of the appointment, the Audit Committee may, in its discretion, direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in the best interests of SmartPros and the stockholders.

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THIS PROPOSAL
 AND PROXIES THAT ARE SIGNED AND RETURNED WILL BE SO VOTED
 UNLESS OTHERWISE INSTRUCTED

The employment agreement with Jack Fingerhut, dated as of October 1, 2005, is for a term of three years. Mr. Fingerhut's annual base salary for 2007 is \$200,000 subject to increases and bonuses awarded by the compensation committee. He is also entitled to participate in all of our employee benefit programs, including health and long-term disability insurance. In addition, he receives an annual car allowance. In the event his contract is terminated without cause (as defined), he will be entitled to the remaining base salary and fringe benefits under the contract and a bonus equal to the highest awarded in the last five years multiplied by the remaining term of his contract.

David M. Gebler's employment agreement expires March 31, 2008. Mr. Gebler's annual base salary is \$180,000 subject to increases and bonuses awarded by the compensation committee. In addition, Mr. Gebler is entitled to similar fringe benefits as our other senior executive officers. Mr. Gebler has rights similar to Mr. Fingerhut upon termination without cause.

On August 3, 2004, the Board authorized the issuance of 40,000 shares of common stock to Allen S. Greene, our chief executive officer for services rendered. The shares were issued to Mr. Greene on October 19, 2004. Of the

40,000 shares issued, 10,000 shares vested immediately upon grant and 10,000 shares vested on each of October 19, 2005 and 2006. The balance, 10,000 shares, will vest on October 19, 2007, assuming Mr. Greene is still employed by us on that date. Mr. Greene is deemed the owner of these shares as of the date of grant and, as such, will be entitled to vote them on all matters presented to stockholders for a vote and will be entitled to dividends, if any, payable on our common stock. If Mr. Greene terminates his employment with us voluntarily or we terminate him for "cause," as defined in his employment agreement, any unvested shares will be forfeited and will revert back to us. If Mr. Greene's employment with us is terminated without "cause," or if his employment is terminated as a result of his death or disability (as defined in his employment agreement), or if we experience a change in control (as defined in his employment agreement) any unvested shares will immediately vest.

In January 2007 the Compensation and Nominating Committee awarded certain executive officers restricted stock under the 1999 Stock Option Plan. The restricted stock awards were granted to those persons who the compensation committee believed were primarily responsible for our improved operational performance in 2006. The grants vest ratably over three years beginning with the date of grant. Messers. Greene, Fingerhut and Gebler received 5,250, 3,125 and 900 shares, respectively. The stock was valued at \$4.04 per share at date of issuance.

We maintain a 401(k) plan for our employees to which we have not made any matching contributions. We do not provide for any other retirement benefit for any of our employees, including executive officers.

In recognition of our performance in 2006, on January 29, 2007 the Compensation and Nominating Committee granted certain key employees an aggregate of 16,500 shares of restricted common stock. Since the grant related to services performed in 2006, the value of the stock was recorded as a 2006 expense. Each grantee is deemed to be the legal and beneficial owner of the shares included in his or her grant and has the right to vote those shares and receive the dividends on those shares. However, only one third of the shares vested immediately. Of the remaining two-thirds, one half will vest on January 29, 2008 and one half will vest on January 29, 2009. LIMITATION OF DIRECTORS' LIABILITY AND INDEMNIFICATION

Our certificate of incorporation limits the liability of individual directors for specified breaches of their fiduciary duty. The effect of this provision is to eliminate the liability of directors for monetary damages arising out of their failure, through negligent or grossly negligent conduct, to satisfy their duty

Edgar Filing: SmartPros Ltd. - Form DEF 14A

of care, which requires them to exercise informed business judgment. The liability of directors under the federal securities laws is not affected. A director may be liable for monetary damages only if a claimant can show receipt of financial benefit to which the director is not entitled, intentional infliction of harm on us or on our shareholders, a violation of Section 174 of the Delaware General Corporation Law (dealing with unlawful distributions to shareholders effected by vote of directors), and any amended or successor provision thereto, or an intentional violation of criminal law.

Our certificate of incorporation also provides that we will indemnify each of our directors or officers, and their heirs, administrators, successors and assigns against any and all expenses, including amounts paid upon judgments, counsel fees, and amounts paid or to be paid in settlement before or after suit is commenced, actually and necessarily incurred by such persons in connection with the defense or settlement of any claim, action, suit or proceeding, in which they, or any of them are made parties, or which may be asserted against them or any of them by reason of being, or having been, directors or officers of the corporation, except in relation to such matters in which such director or officer shall be adjudged to be liable for his own negligence or misconduct in the performance of his duty.

There is no pending litigation or proceeding involving any of our directors, officers, employees or agents in which we are required or permitted to provide indemnification, except as set forth under Certain Relationships and Related Party Transactions. We are also not aware of any threatened litigation or proceedings that may result in a claim for indemnification.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or controlling persons under our certificate of incorporation, we have been informed that, in the opinion of the Securities and Exchange Commission, indemnification is against public policy as expressed in the Securities Act and is unenforceable.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

To attract and retain the personnel necessary for our success, our Board and our stockholders adopted our 1999 Stock Option Plan. A total of 882,319 shares of common stock were reserved for issuance upon exercise of options or shares of restricted common stock granted under the plan. As of April 25, 2007 options covering 391,644 shares are issued and outstanding. The compensation committee of our Board administers the plan. The plan covers employees and others who perform services for us, which would include directors and consultants. The administrator of the plan, whether our Board or the compensation committee, determines who is eligible to receive these incentive stock options, how many options they will receive, the term of the options, the exercise price and other conditions relating to the exercise of the options. Stock options granted under the plan must be exercised within a maximum of 10 years from the date of grant at an exercise price that is not less than the fair market value of the common shares on the date of the grant. Options granted to stockholders owning more than 10% of our outstanding common shares must be exercised within five years from the date of grant and the exercise price must be at least 110% of the fair market value of the common shares on the date of the grant.

The following table sets forth information as of December 31, 2006, relating to all of our equity compensation arrangements.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In February 2002, we sold 2,000 shares of our Series A Convertible Preferred Stock to our President, William K. Grollman. The purchase price for these shares, \$200,000, was reflected in a secured promissory note in the original principal amount of \$200,000. The note accrued interest at the rate of 5.5% per annum and the entire principal amount and all accrued interest was paid in September 2006.

LEGAL PROCEEDINGS

SmartPros is not aware of any legal proceedings in which any director,

Edgar Filing: SmartPros Ltd. - Form DEF 14A

officer or affiliate of SmartPros, any beneficial owner of record of more than 5% of any class of voting securities of SmartPros, or any associate of any such director, officer, affiliate, or security holder is a party adverse to SmartPros or has a material interest adverse to SmartPros.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires SmartPros' officers and directors, and persons who own more than 10% of a registered class of the SmartPros' equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and greater than 10% stockholders are required by SEC regulations to furnish SmartPros with copies of all Section 16(a) forms they file.

To the best of our knowledge, based solely on review of the copies of such forms furnished to us, or written representations that no other forms were required, we believe that all Section 16(a) filing requirements applicable to our officers, directors and greater than 10% stockholders were complied with during 2006. With respect to any former directors, officers, and 10% stockholders, we do not have any knowledge of any known failures to comply with the filing requirements of Section 16(a).

MISCELLANEOUS

OTHER MATTERS

The management knows of no other business which will be presented for consideration at the Annual Meeting other than that stated in the notice of meeting.

STOCKHOLDER PROPOSALS

Stockholders interested in presenting a proposal for consideration at the annual meeting of stockholders in 2007 must follow the procedures found in Rule 14a-8 under the Exchange Act and our bylaws. To be eligible for inclusion in our 2008 proxy materials, all qualified proposals must be received by our Secretary no later than December 24, 2007. Stockholder proposals submitted thirty (30) or more, but less than sixty (60), days before the scheduled date for the 2007 annual meeting may be presented at the annual meeting if such proposal complies with our bylaws, but will not be included in our proxy materials; PROVIDED, HOWEVER, that if less than forty (40) days' notice or prior public disclosure of the date of the scheduled annual meeting is given or made, notice by the stockholder, to be timely, must be so delivered or received not later than the close of business on the tenth (10th) day following the earlier of the day on which such notice of the date of the scheduled annual meeting was mailed or the day on which such public disclosure was made. A stockholder's notice to the Secretary shall set forth (i) as to each person whom the stockholder proposes to nominate for election to our Board, all information

17

relating to such person that is required to be disclosed in solicitations of proxies for election of Directors in an election contest, or is otherwise required, in each case pursuant to the Exchange Act including, without limitation, such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected; (ii) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting and, if such business includes a proposal or nomination to amend our bylaws, the language of the proposed amendment; (iii) the name and address of the stockholder making the proposal or nomination and any other stockholders known by such stockholder to

Edgar Filing: SmartPros Ltd. - Form DEF 14A

be supporting such proposal; (iv) the class and number of shares of stock owned by the stockholder on the date of such stockholder's notice and by any other stockholders known by such stockholder to be supporting such proposal or nomination on the date of such stockholder's notice; and (v) any financial interest of the stockholder in such proposal or nomination.

SOLICITATION OF PROXIES

The cost of this proxy solicitation and any additional material relating to the meeting which may be furnished to the stockholders will be borne by us. In addition, solicitation by telephone, telegraph or other means may be made personally, without additional compensation, by our officers, directors and regular employees. We also will request brokers, dealers, banks and voting trustees and their nominees holding shares of record but not beneficially to forward proxy soliciting material to beneficial owners of such shares, and upon request, will reimburse them for their expenses in so doing.

HOUSEHOLDING

The SEC's rules permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for stockholders and cost savings for companies. Some brokers household proxy materials and annual reports, delivering a single proxy statement and annual report to multiple stockholders sharing an address, although each stockholder will receive a separate proxy card. Once you have received notice from your broker that they will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If at any time you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your broker. If you would like to receive a separate copy of this year's Proxy Statement or Annual Report from us directly, please contact us by writing to our Secretary, Karen Stolzar, at, our principal executive offices or calling her at 914-345-2620.

AVAILABILITY OF ANNUAL REPORT

We will provide without charge to each person being solicited by this Proxy Statement, on the written request of any such person, a copy of our Annual Report on Form 10-KSB for the year ended December 31, 2006, including the financial statements and financial statement schedules included therein. All such requests should be directed to our Secretary, Karen Stolzar, at our principal executive offices.

18

EVERY STOCKHOLDER, WHETHER OR NOT HE OR SHE EXPECTS TO ATTEND THE ANNUAL MEETING IN PERSON, IS URGED TO EXECUTE THE PROXY AND RETURN IT PROMPTLY IN THE ENCLOSED BUSINESS REPLY ENVELOPE.
