### **Item 1.01 Entry into a Material Definitive Agreement**

On June 5, 2007, we entered into a commitment letter with Morgan Stanley Senior Funding, Inc. ("Morgan Stanley") regarding a five and one-half year, senior secured term loan facility in an aggregate principal amount of \$250,000,000 (the "Facility"). The proceeds of the Facility will be used for general corporate purposes.

Repayment of the Facility will be guaranteed by our subsidiaries and will be secured by liens on the equity interests of our subsidiaries, and a substantial portion of our other assets and the assets of our subsidiaries.

The loans must be prepaid with net cash proceeds of any non-ordinary course asset sales and certain insurance proceeds, as well as proceeds of certain incurrences of indebtedness. The loans may generally be prepaid at any time in whole or in part without premium or penalty.

The loans under the Facility will bear interest based on prevailing market rates plus an agreed-upon margin. The Facility will contain customary representations and warranties, as well as customary events of default and affirmative covenants. The Facility's negative covenants will be similar to those contained in the indenture governing our existing 9 5/8% Senior Notes, with certain customary modifications.

We expect to execute definitive documentation relating to the Facility shortly, and in any event prior to the end of July 2007.

On June 5, 2007, we issued a press release announcing the commitment letter. A copy of the press release is attached hereto as Exhibit 99.1.
