PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON JULY 19, 2007

This Proxy Statement of Bio-Reference Laboratories, Inc., a New Jersey corporation (the "Company") is first being mailed to Stockholders on or about June 14, 2007 in connection with the solicitation of proxies by the Company's Board of Directors to be used at the Annual Meeting of Stockholders of the Company to be held on Thursday, July 19, 2007 at 9:00 A.M. (local time) at the Sheraton Crossroads Hotel, Crossroads Corporate Center, Route 17 North, Mahwah, New Jersey 07495-0001. Accompanying this Proxy Statement is a Notice of Annual Meeting of Stockholders, a form of Proxy for the meeting and a copy of the Company's 2006 Annual Report containing financial statements and related data.

All proxies which are properly filled in, signed and returned to the Company prior to or at the Meeting will be voted in accordance with the instructions thereon. A proxy may be revoked by any stockholder giving the same prior to the exercise thereof by (a) written notice addressed to the Company's Chief Information Officer and delivered to the Company's principal offices prior to the commencement of the Meeting, (b) providing a signed proxy bearing a later date, or (c) appearing in person and voting at the Meeting. The Company intends to vote executed but unmarked proxies in favor of Proposal One. The Board has fixed the close of business on Thursday, June 7, 2007 as the record date for the determination of stockholders who are entitled to notice of, and to vote at the meeting or any adjournment thereof.

The expenses of preparing, assembling, printing and mailing the form of proxy and the material used in solicitation of proxies will be borne by the Company. In addition to the solicitation of proxies by use of the mails, the Company may utilize the services of some of its officers and regular employees (who will receive no additional compensation therefore) to solicit proxies personally, and by telephone. The Company has requested banks, brokers and other custodians, nominees and fiduciaries to forward copies of the proxy material to their principals and to request authority for the execution of proxies and will reimburse such persons for their services in doing so. The cost of such additional solicitation incurred otherwise than by use of the mails is estimated not to exceed \$10,000.

Edgar Filing: BIO REFERENCE LABORATORIES INC - Form DEF 14A

At the record date, the Company had 13,659,814 shares of its Common Stock, \$.01 par value (the "Common Stock") issued and outstanding, the holders of which are each entitled to one vote per share. The presence in person or by proxy of at least a majority of the outstanding Common Stock is necessary to constitute a quorum at the meeting. Broker nonvotes (that is, proxies from

brokers or nominees indicating that such persons have not received instructions from the beneficial owners or other persons entitled to vote shares on a particular matter as to which the broker or nominee does not have discretionary authority) will be counted for purposes of determining a quorum for the transaction of business at the Annual Meeting but will not be considered as votes for purposes of determining the outcome of a vote. Election of directors (Proposal One) requires the affirmative vote of a majority of the votes cast on the Proposal by the holders of Common Stock present in person or by proxy at the meeting.

The following table sets forth information as of June 7, 2007 with respect to the ownership of Common Stock by (i) each person known by the Company to be the beneficial owner of more than 5% of its outstanding Common Stock, (ii) each director of the Company, (iii) each executive officer of the Company, and (iv) all directors and executive officers as a group. The percentages have been calculated on the basis of treating as outstanding for a particular holder, all shares of Common Stock outstanding on said date owned by such holder and all shares of Common Stock issuable to such holder in the event of exercise of outstanding options and warrants owned by such holder at said date which are exercisable within 60 days of such date.

- (2) Includes 1,223,779 shares owned directly and 200,000 pledged shares. In lieu of an outright sale, on October 12, 2006, Dr. Grodman established a Rule 10b-5-1 Sales Plan (the "Sales Plan") with Bear Stearns & Co., Inc. ("Bear Stearns") to facilitate sales of a variable number of Dr. Grodman's shares of Common Stock (up to 200,000 shares) in variable pre-paid forward transactions ("Forward Transactions") at a minimum per share sale price as specified in the Sales Plan. In connection with the contemplated Forward Transactions, Dr. Grodman pledged 200,000 shares of his Common Stock to secure his obligation to deliver a maximum aggregate 200,000 shares of Common Stock to Bear Stearns on the final settlement dates. As prepayment for the pledge of these shares, Bear Stearns has agreed to pay Dr. Grodman an amount equal to 88.65% of the sales prices of any shares actually sold pursuant to the Sales Plan. The number of shares that Dr. Grodman will be obliged to deliver on the final settlement dates will vary based upon the market prices of the Common Stock on such settlement dates. Dr. Grodman will benefit from any excess in the market prices of the Common Stock at the final Settlement Dates, of up to 120% of the actual sales prices, by being able to deliver fewer shares. In December 2006, 5,700 shares were sold at a price of \$25 per share; 85,963 shares were sold at a price of \$25.37 per share and 54,643 shares were sold at a price of \$25.26 per share. Until the settlement dates, Dr. Grodman is deemed the beneficial owner of the pledged shares. Also includes 176,067 shares owned directly by Dr. Grodman's wife, Pam Grodman, and 48,000 shares owned by their minor children. Dr. Grodman disclaims beneficial ownership of these 224,067 shares.
- (3) Includes 290,516 shares owned directly and 100,000 pledged shares. In lieu of an outright sale, on September 30, 2005, Mr. Dubinett entered into a pre-paid variable forward sales contract ("Forward Contract") with Bear Stearns Bank plc ("Bear Stearns"). Pursuant to the Forward Contract, Mr. Dubinett pledged 100,000 of his shares of Common Stock to secure his obligation to deliver a maximum 100,000 shares of Common Stock to Bear Stearns on September 28, 2007 (the "Settlement Date"). Mr. Dubinett received a prepayment from Bear Stearns for his pledge of the 100,000 shares of \$1,374,400 or \$13.74 per share representing approximately 80% of the proceeds from the sale of 100,000 shares on September 28, 2005. On the Settlement Date, Mr. Dubinett will be obligated to deliver a variable number of shares to Bear Stearns based on the price of the Common Stock on the Settlement Date, up to a maximum 100,000 shares. Mr. Dubinett will benefit from any excess in the price of the Common Stock on the Settlement Date between \$17.18 per share up to a maximum \$24.052 per share by being able to deliver fewer shares. Until the Settlement Date, Mr. Dubinett is deemed the beneficial owner of the pledged shares.
- (4) Includes 232,567 shares owned directly and 13,000 shares owned by children who share Mr. Singer's household. Mr. Singer disclaims beneficial ownership of these 13,000 shares.
- (5) Paradigm Capital Management, LLC ("Paradigm") filed a Schedule 13G dated February 14, 2006 with the Securities and Exchange Commission on February 15, 2006 indicating its beneficial ownership of the above 805,800 shares. Paradigm stated in the Schedule 13G that the shares were acquired in the ordinary course of business; were not acquired and are not held for the purpose of or with the effect of changing or influencing the control of the Company, and were not acquired and are not held in connection with or as a participant in any transaction having that purpose or effect.

The Company's executive officers and directors and members of their immediate families owning and having the right to vote an aggregate 2,363,029 shares (20%) of the Company's outstanding Common Stock have stated their intention to vote their shares FOR the nominees proposed for election as directors (Proposal One).

ACTION TO BE TAKEN AT THE MEETING
ELECTION OF DIRECTORS
(PROPOSAL ONE)

The number of directors on the Company's Board of Directors is currently fixed at seven. The Company's Certificate of Incorporation divides the Board of Directors into three classes. The members of each class of directors serve for staggered three-year terms. The Board is comprised of two Class I directors (Dr. Grodman and Mr. Dubinett), two Class II directors (Mr. Singer and Mr. Elias) and three Class III directors (Mr. Benincasa, Mr. Lederman and Dr. Roglieri), whose terms expire upon the election and qualification of their successors at successive Annual Meetings to be held in 2007 (the Class I directors), 2008 (the Class II directors) and 2009 (the Class III directors). At each Annual Meeting of Stockholders, the directors comprising one of the classes are elected for a full term of three years.

Dr. Grodman and Mr. Dubinett (current Class I directors) are being proposed for re-election at this Annual Meeting of Stockholders, each to serve for a three-year term and until his successor is elected and qualifies. The shares represented by proxies will be voted in favor of the election as directors of Dr. Grodman and Mr. Dubinett who are the nominees of the Board of Directors for election, and authority to vote for their election as Class I directors shall be deemed granted unless specifically withheld. Management has no reason to believe that any of such nominees for the office of director will not be available for election as a director. However, should any of them become unwilling or unable to accept nomination for election, it is intended that the individuals named in the enclosed proxy may vote for the election of such other person or persons as the Board of Directors may recommend.

The following table sets forth certain information as of the record date with respect to each of the directors and executive officers of the Company.

determined by the Compensation Committee. The employment agreement contains provisions governing in the event of Dr. Grodman's partial or total disability and provides for termination for cause or in the event of Dr. Grodman's death. Dr. Grodman has the right to terminate the employment agreement in the event of a material change in his duties and responsibilities, the relocation of the Company's principal executive offices from Elmwood Park, New Jersey to a location more than fifty miles distant or a material breach of the employment agreement by the Company (including a reduction in Dr. Grodman's benefits under the agreement). In the event of a Change in Control of the Company, Dr. Grodman can elect to terminate the agreement. In that event, he will be entitled to be paid a lump sum Severance Payment equal to 2.99 times the average of his annual compensation paid by the Company for the five calendar years preceding the earlier of the calendar year in which the Change of Control occurred or the calendar year of the Date of Termination. See "Split-Dollar Life Insurance" as to the Endorsement Split-Dollar Life Insurance Agreement between the Company and Dr. Grodman.

Mr. Dubinett serves as Executive Vice President and Chief Operating Officer pursuant to an employment agreement which was extended in fiscal 2004 for two additional years beyond its October 31, 2004 termination date. Mr. Dubinett's minimum annual compensation under the extended agreement is equal to his annual compensation in fiscal 2002 and is subject to increases based on increases in the Consumer Price Index as well as to increases (including bonuses) at the discretion of the Compensation Committee. The agreement provides (i) typical health insurance coverage; (ii) the leasing of an automobile for his use; (iii) participation in fringe benefit, bonus, pension, profit sharing, and similar plans maintained for the Company's employees; (iv) disability benefits; (v) certain termination benefits; and (vi) in the event of termination due to a Change in Control of the Company, a Severance Payment equal to 2.99 times Mr. Dubinett's average annual compensation during the preceding five years. The Company has extended the employment agreement on the same terms and conditions through October 31, 2007. See "Split Dollar Life Insurance" as to the Endorsement Split Dollar Life Insurance Agreement between the Company and Mr. Dubinett.

10

Mr. Singer serves as Vice President and Chief Financial Officer pursuant to an employment agreement which was extended in fiscal 2004 for two additional years beyond its October 31, 2004 termination date. Mr. Singer's minimum annual compensation under the extended agreement is equal to his annual compensation in fiscal 2002 and is subject to increases based on increases in the Consumer Price Index as well as to increases (including bonuses) at the discretion of the Compensation Committee. The agreement provides (i) typical health insurance coverage; (ii) the leasing of an automobile for his use; (iii) participation in fringe benefit, bonus, pension, profit sharing, and similar plans maintained for the Company's employees; (iv) disability benefits; (v) certain termination benefits; and (vi) in the event of termination due to a Change in Control of the Company, a Severance Payment equal to 2.99 times Mr. Singer's average annual compensation during the preceding five years. The Company has extended the employment agreement on the same terms and conditions through October 31, 2007. See "Split-Dollar Life Insurance" as to the Endorsement Split-Dollar Life Insurance Agreement between the Company and Mr. Singer.

The Compensation Committee increased Dr. Grodman's, Mr. Dubinett's and Mr. Singer's minimum annual base compensation with respect to fiscal 2006 by 5% in each case over his fiscal 2005 annual base salary.

SPLIT-DOLLAR LIFE INSURANCE

Edgar Filing: BIO REFERENCE LABORATORIES INC - Form DEF 14A

Pursuant to the terms of their 1997 employment agreements, the Company had established split-dollar life insurance programs for each of its three Executive Officers. As a result of the passage of the Sarbanes Oxley Act of 2002 (signed into law on July 30, 2002), these three programs were modified. Pursuant to the modification, each of the three Executive Officers assigned ownership of his policies to the Company and new policies were issued to replace the prior policies with annual premiums under the new policies (\$70,000 under Dr. Grodman's policy and \$25,000 each under Messrs. Dubinett's and Singer's policies) being equal to the premiums paid under the replaced policies. The Company has now executed new "Endorsement Split-Dollar Life Insurance Agreements" with each of its three Executive Officers. Pursuant to the new agreements, the Company has agreed to continue to pay the annual premium on the policy on each officer's life during the period of his full-time employment by the Company. The Company is the sole owner of the policy and of its net cash surrender value, and in the event of the officer's death while serving as a full-time employee of the Company, the Company will be entitled to receive that amount of the death proceeds equal to its interest in the policy (the aggregate amount of premiums paid by the Company with respect to the policy less the amount of any loans, if any, from the Insurer to the Company against the cash value or policy proceeds, and less the aggregate amount of any premiums paid by the officer to the Company in reimbursement of premiums paid by the Company) and the balance of the death proceeds will be paid to the officer's designated beneficiaries. The premiums paid by the Company on the current policies and the prior policies aggregated approximately \$1,304,000 at October 31, 2006. At that date, the net cash surrender value of the three current policies aggregated approximately \$934,000 and is recorded on the books of the Company at that value.

STOCK OPTIONS

EMPLOYEE STOCK OPTION PLANS

THE 1989 PLAN

In July 1989, the Company's Board of Directors adopted the 1989 Employee Stock Option Plan (the "1989 Plan") which was approved by shareholders in November 1989. The 1989 Plan provided for the grant of options to purchase up to 666,667 shares of Common Stock. Under the terms of the 1989 Plan, options granted thereunder could be designated as options which qualify for incentive stock option treatment ("ISOs") under Section 422 of the Internal Revenue Code of 1986 ("the Code"), or options which do not so qualify ("NQOs").

Under the 1989 Plan, the exercise price of an option designated as an ISO could not be less than the fair market value of the Common Stock on the date the option was granted. However, in the event an option designated as an ISO was granted to a 10% shareholder (as defined in the 1989 Plan) such exercise price was required to be at least 110% of such fair market value. Exercise prices of NQOs could be less than such fair market value. The aggregate fair market value of shares subject to options granted to a participant which are designated as ISOs which first become exercisable in any calendar year could not exceed \$100,000. All options under the 1989 Plan were required to be granted before the Plan's July 1999 Termination Date so that no further options can be granted under the 1989 Plan.

During fiscal 2006, one employee exercised ISOs under the 1989 Plan and purchased an aggregate 5,000 shares at an exercise price of \$.71875 per share. As a result, at October 31, 2006, there were outstanding ISOs under the 1989 Plan exercisable to purchase an aggregate 1,000 shares at an exercise price of

Edgar Filing: BIO REFERENCE LABORATORIES INC - Form DEF 14A

\$.71875 per share.

THE 2000 PLAN

On August 25, 2000, the Board of Directors adopted the 2000 Employee Incentive Stock Option Plan (the "2000 Plan") reserving an aggregate 800,000 shares of Common Stock for issuance upon exercise of ISOs which may be granted under the 2000 Plan. Stockholders ratified the adoption of the 2000 Plan at the December 14, 2000 Annual Meeting of Stockholders. During fiscal 2006, eight employees exercised ISOs issued under the 2000 Plan and purchased an aggregate 245,500 shares at exercise prices ranging from \$1.688 to \$8.40 per share and no employee holding ISOs granted under the 2000 Plan terminated employment with the Company. As a result, at October 31, 2006, there were outstanding ISOs under the 2000 Plan exercisable to purchase an aggregate 230,100 shares at exercise prices ranging from \$5.52 to \$15.34 per share.

The 2000 Plan authorizes the grant of options which qualify for ISO treatment under Section 422 of the Code, to purchase up to a maximum aggregate 800,000 shares of the Company's Common Stock. Options may only be granted under the 2000 Plan to employees of the Company and its subsidiaries (including officers and directors who are also employees).

12

The 2000 Plan will be administered by the Board of Directors or by a Stock Option Committee designated by the Board of Directors. The Board or the Stock Option Committee, as the case may be, has the discretion to determine the eligible employees to whom, and the price (not less than the fair market value on the date of grant) at which options will be granted; the periods during which each option is exercisable; and the number of shares subject to each option. The Board or the Stock Option Committee has the authority to interpret the 2000 Plan and to establish and amend rules and regulations relating thereto.

The 2000 Plan provides that the exercise price of an option granted thereunder shall not be less than the fair market value of the Common Stock on the date the option is granted. However, in the event an option is granted under the 2000 Plan to a holder of 10% or more of the Company's outstanding Common Stock, the exercise price must be at least 110% of such fair market value. Under the 2000 Plan, options must be granted before the August 24, 2010 Termination Date. No option may have a term longer than ten years (limited to five years in the case of an option granted to a 10% or greater stockholder of the Company). The aggregate fair market value of the Company's Common Stock with respect to which options are exercisable for the first time by a grantee under the 2000 Plan during any calendar year cannot exceed \$100,000. Options granted under the 2000 Plan are non-transferable and must be exercised by an optionee, if at all, while employed by the Company or a subsidiary or within three months after termination of such optionee's employment due to retirement, or within one year of such termination if due to disability or death. The Board or the Stock Option Committee, as the case may be, may, in its sole discretion, cause the Company to lend money to or guaranty any obligation of an employee for the purpose of enabling such employee to exercise an option granted under the 2000 Plan provided that such loan or obligation cannot exceed fifty percent (50%) of the exercise price of such option.

THE 2003 PLAN

On June 3, 2003, the Board of Directors adopted the 2003 Employee Incentive Stock Option Plan (the "2003 Plan") reserving an aggregate 800,000 shares of Common Stock for issuance upon exercise of ISOs which may be granted under the 2003 Plan. Stockholders ratified the adoption of the 2003 Plan at the

Edgar Filing: BIO REFERENCE LABORATORIES INC - Form DEF 14A

July 31, 2003 Annual Meeting of Stockholders. During fiscal 2006, no ISOs were granted under the 2003 Plan; eleven employees exercised their ISOs and purchased an aggregate 56,500 shares at exercise prices ranging from \$12.22 to \$18.25 per share and no employees holding ISOs granted under the 2003 Plan terminated employment with the Company. As a result, at October 31, 2006, there were outstanding ISOs under the 2003 Plan exercisable to purchase an aggregate 357,958 shares at exercise prices ranging from \$12.22 to \$21.46 per share.

The 2003 Plan authorizes the grant of options which qualify for ISO treatment under Section 422 of the Code to purchase up to a minimum aggregate 800,000 shares of the Company's Common Stock. Options may only be granted under the 2003 Plan to employees of the Company and its subsidiaries (including those officers and directors who are also employees).

The 2003 Plan will be administered by the Board of Directors or by a Stock Option Committee designated by the Board of Directors. The Board or the Stock Option Committee, as

13

the case may be, has the discretion to determine the eligible employees to whom, and the prices (not less than the fair market value on the date of grant) at which options will be granted; the periods during which each option is exercisable; and the number of shares subject to each option. The Board or the Stock Option Committee has the authority to interpret the 2003 Plan and to establish and amend rules and regulations relating thereto.

The 2003 Plan provides that the exercise price of an option granted thereunder shall not be less than the fair market value of the Common Stock on the date the option is granted. However, in the event an option is granted under the 2003 Plan to a holder of 10% or more of the Company's outstanding Common Stock, the exercise price must be at least 110% of such fair market value.

Under the 2003 Plan, options must be granted before the June 2, 2013 Termination Date. No option may have a term longer than ten years (limited to five years in the case of an option granted to a 10% or greater stockholder of the Company). The aggregate fair market value of the Company's Common Stock with respect to which options are exercisable for the first time by a grantee under all of the Company's Stock Option Plans during any calendar year cannot exceed \$100,000. Options granted under the 2003 Plan are non-transferable and must be exercised by an optionee, if at all, while employed by the Company or a subsidiary or within three months after termination of such optionee's employment due to retirement, or within one year of such termination if due to disability or death. The Board or the Stock Option Committee, as the case may be, may, in its sole discretion, cause the Company to lend money to or guaranty any obligation of an employee for the purpose of enabling such employee to exercise an option granted under the 2003 Plan provided that such loan or obligation cannot exceed fifty percent (50%) of the exercise price of such option.

NON-QUALIFIED OPTIONS (NQOS) AND WARRANTS

At October 31, 2005, there were outstanding NQOs and Warrants owned by directors and members of the Scientific Advisory Board exercisable to purchase an aggregate 93,500 shares at exercise prices ranging from \$3.14 to \$13.70 per share. During fiscal 2006, NQOs exercisable to purchase 33,500 shares were exercised by four individuals. As a result, at October 31, 2006, there were outstanding NQOs and Warrants owned by directors and members of the Scientific Advisory Board exercisable to purchase an aggregate 60,000 shares at exercise prices ranging from \$6.80 to \$13.70 per share.

DIRECTORS' COMPENSATION

Directors who are not Company employees were each paid a \$13,750 per quarter director's fee during fiscal year 2006. Directors who chair a committee received an additional \$2,750 per quarter during fiscal year 2006.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The members of the Company's Compensation Committee are John Roglieri (Chairman), Joseph Benincasa, Harry Elias and Gary Lederman. None of such individuals has ever been an officer or an employee of the Company.

COMPENSATION COMMITTEE REPORT ON COMPENSATION

Through fiscal 2001, the Board of Directors, including the Company's three executive officers, were responsible for reviewing the compensation paid to the Company's executive officers, provided that none of the Company's executive officers could vote with respect to his own compensation package. In fiscal 2002, the Company established a Compensation Committee consisting of three non-employee directors, Morton L. Topfer (Chairman), Gary Lederman and John Roglieri. Mr. Topfer resigned as a director and as a member of the Compensation Committee in February 2004. In March 2004, Dr. Roglieri became the Chairman of the Compensation Committee and Mr. Elias was elected as a member of the Committee. Mr. Benincasa was elected as a member of the Committee in June 2005.

In May 1997, the Company executed an employment agreement with Dr.

Edgar Filing: BIO REFERENCE LABORATORIES INC - Form DEF 14A

Grodman which expired on October 31, 2004. Effective November 1, 2004, the Company executed a new seven year employment agreement with Dr. Grodman, the terms of which are described above. See

15

"Information Regarding Executive Compensation - Employment Agreements with Executive Officers."

In May 1997, the Company also executed employment agreements with Messrs. Dubinett and Singer (each expiring on October 31, 2002). During fiscal 2002, the Compensation Committee authorized extensions of both Messrs. Dubinett and Singer's contracts for two additional years, with the Company having the option to extend each agreement for two consecutive one-year periods in addition. In consideration for Messrs. Dubinett and Singer executing the extension agreements, the Company agreed that the base compensation during each extension year would not be less than the total cash compensation paid to such individual in fiscal 2002. The Company's option to extend Mr. Dubinett and Mr. Singer's employment agreements has been further extended for a third one-year period through fiscal 2007.

REPORT

During the summer of calendar year 2004 with the knowledge that Dr. Grodman's seven year employment agreement was due to expire in October 2004, the Compensation Committee commenced negotiations with Dr. Grodman for the terms of a new employment agreement. In the course of its negotiations, the Committee took into account among other factors as a barometer of Dr. Grodman's performance as the Company's chief executive officer, the substantial increase since 1997 in the Company's net revenues, operating income and the market price of the Common Stock. Another factor taken into account by the Committee was the compensation being paid to the chief executive officers of a peer group of nine other publicly owned clinical testing laboratories. The terms of Dr. Grodman's "split-dollar" insurance arrangement with the Company and the fact that the proposed new employment agreement did not provide Dr. Grodman with additional equity compensation was also taken into account. After discussion, each of the three members of the Compensation Committee at the time (Dr. Roglieri, Mr. Elias and Mr. Lederman) concluded that the terms of the proposed new employment agreement were fair to and in the best interests of the Company and its stockholders and that the proposed compensation thereunder was not excessive.

To provide incentives to Senior Management to increase profitability, the Compensation Committee adopted a Senior Management Incentive Bonus Plan for fiscal 2006 more fully described in footnote (a) above to the Summary Compensation Tables. A similar Incentive Bonus Plan for Senior Management has been adopted by the Compensation Committee with respect to fiscal 2007.

The Compensation Committee has determined that the base salaries paid with respect to fiscal 2006, and the terms of the extension agreements with Messrs. Dubinett and Singer, were reasonable in relationship to the services performed, the responsibilities assumed and the results obtained, and were in the best interests of the Company. In connection with Dr. Grodman's compensation, the Compensation Committee considered the Company's increase in net revenues, patients serviced, working capital and shareholders' equity in fiscal 2006 compared with the corresponding period in fiscal 2005. Furthermore, the compensation paid to Messrs. Grodman, Dubinett and Singer for fiscal 2006 comports with the Compensation Committee's perception of

16

base compensation levels of principal executives employed by other companies, both public and private.
