ANNUAL MEETING OF STOCKHOLDERS
MAY 2, 2002

PROXY STATEMENT

This proxy statement and form of proxy, which are first being mailed to stockholders on or about April 15, 2002, are furnished in connection with the solicitation of proxies on behalf of our Board of Directors, for use at our Annual Meeting of Stockholders to be held at the Ritz-Carlton Golf Resort, 2600 Tiburon Drive, Naples, Florida 34109, on Thursday, May 2, 2002, at 9:00 a.m., local time, and at any or all adjournments or postponements thereof. The address of our principal executive offices is Highway 412 West, Tontitown, Arkansas 72770 and our telephone number is (479) 361-9111.

Edgar Filing: PAM TRANSPORTATION SERVICES INC - Form PRE 14A

We are paying the costs of this solicitation. In addition to the mails, proxies may be solicited by our officers and regular employees, without remuneration, in person or by telephone or facsimile. It is anticipated that banks, brokerage houses and other custodians, nominees and fiduciaries will forward soliciting material to beneficial owners of stock entitled to vote at the meeting, and such persons will be reimbursed for the out-of-pocket expenses incurred by them in this connection.

Any proxy given pursuant to this solicitation may be revoked by any stockholder who attends the meeting and gives oral notice of his or her election to vote in person, without compliance with any other formalities. In addition, any proxy given pursuant to this solicitation may be revoked prior to the meeting by delivering to the Secretary of P.A.M. an instrument revoking it or a duly executed proxy for the same shares bearing a later date. Proxies which are returned properly executed and not revoked will be voted in accordance with the stockholder's directions specified thereon. Where no direction is specified, proxies will be voted FOR the approval of Agenda items 1, 3 and 4 and FOR the election of each of the nominees for director listed herein. Abstentions and broker non-votes will not be counted as votes either in favor of or against any proposal and, with respect to any proposal other than the election of directors, would have the effect of a vote against such proposal.

Only stockholders of record at the close of business on the record date of March 11, 2002 will be entitled to notice of and to vote at the Annual Meeting and any adjournments or postponements thereof. As of March 11, 2002, there were 8,626,957 shares of our common stock outstanding. Each share of common stock issued and outstanding on the record date is entitled to one vote.

AGENDA ITEM ONE PROPOSAL TO INCREASE THE SIZE OF THE BOARD OF DIRECTORS

Our Bylaws provide that the number of members of our Board of Directors shall be established from time to time by our stockholders. The number of members of the board is presently fixed at five. The Board recommends that stockholders adopt a resolution at the Annual Meeting increasing the size of the Board to eight members. The Board feels the addition of three new directors to the board will expand the level of knowledge and expertise of the Board as a whole, and allow the Board to better serve the stockholders of the company.

One of the three vacancies that would be created if this proposal is adopted would be filled at the Annual Meeting. The Board has nominated Manuel J. Moroun for election to the Board as a new director at the Annual Meeting, and information regarding Mr. Moroun appears below under the heading "Election of Directors." Two remaining vacancies, which are not proposed to be filled at the Annual Meeting, will provide the Board the ability to elect two new outside directors to the Board prior to next year's Annual Meeting without calling a special stockholders' meeting. The Board of Directors is presently seeking to identify two individuals to serve on the board, one of whom will replace Frederick P. Calderone on the company's Audit Committee. As discussed below under the heading "Election of Directors - Committees of the Board and Meetings," the board does not believe that Mr. Calderone is "independent" as defined by Nasdaq rules relating to audit committees, and the Board believes it to be in the best interests of the company to have an Audit Committee consisting solely of independent directors. If the stockholders approve this proposal, at such time the Board selects two new directors, the Board could, pursuant to Delaware law, elect such individuals to fill the remaining vacancies on the Board, and such individuals would then serve as directors until the next Annual Meeting of the company's stockholders.

Edgar Filing: PAM TRANSPORTATION SERVICES INC - Form PRE 14A

The proposal to increase the size of the Board requires the affirmative vote of holders of a majority of the shares represented at the Annual Meeting in person or by proxy.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS APPROVE THE PROPOSAL TO INCREASE THE SIZE OF THE BOARD OF DIRECTORS.

2

AGENDA ITEM TWO ELECTION OF DIRECTORS

Members of the Board of Directors of the company are elected annually to serve until the next annual meeting of stockholders or until their successors are elected and qualified. Directors are elected by a plurality of the votes of shares present in person or represented by proxy at the meeting and entitled to vote on the election of directors.

The following five individuals have been nominated by management for re-election to the Board of Directors:

Robert W. Weaver, age 51, is one of our co-founders. He has over 19 years of experience with our company and has served as our Chief Executive Officer since 1990.

Daniel C. Sullivan, age 61, has been a practicing attorney, specializing in transportation law, for more than ten years. Mr. Sullivan is currently a member of the firm of Sullivan, Hincks & Conway, Oak Brook, Illinois. Mr. Sullivan has served as a director since June 1986.

Matthew T. Moroun, age 29, has been a director and manager of Liberty Bell Agency, an insurance claims adjustment company, since 1994, and since 1995 has been Chairman of the Board of DuraRock Reinsurance, Ltd., a reinsurance company. Mr. Moroun has also served as a director of CenTra, Inc., a transportation holding company based in Warren, Michigan since 1993. Mr. Moroun has served as a director of P.A.M. since May 1992. Mr. Moroun is the son of Manuel J. Moroun, who is also a nominee for director if agenda item 1 is approved.

Charles F. Wilkins, age 63, retired in January 1995 after 34 years of employment with Ford Motor Company, and since January 1995 has been self-employed as a transportation consultant. He served in various positions with Ford Motor Company in transportation management, including three years of service as Traffic Manager in Europe. Mr. Wilkins retired from the position of Director, Transportation and Traffic Office, in which he had served since 1990. Mr. Wilkins has been a member of the National Motor Carrier Advisory Committee of the Federal Highway Administration and was previously active in the National Industrial Transportation League as Chairman of the Audit Committee and Third Vice Chairman. Mr. Wilkins is currently an associate member of the American Society of Transportation and Logistics and a member of the Council of Logistics Management. Mr. Wilkins has served as a director of P.A.M. since June 1995.

Frederick P. Calderone, age 51, has served as a Vice President of CenTra, Inc. for the past 15 years. Prior to joining CenTra, Mr. Calderone was a partner with Deloitte, Haskins, & Sells, Certified Public Accountants (now Deloitte & Touche LLP). Mr. Calderone is a certified public accountant and an attorney. Mr. Calderone has served as a director since May 1998.

Subject to the approval of the proposal to increase the size of the

Edgar Filing: PAM TRANSPORTATION SERVICES INC - Form PRE 14A

board from five members to eight members, the following individual is also nominated for election as a director at the Annual Meeting:

Manuel J. ("Matty") Moroun, 74, is the President and CEO of CenTra, Inc., a multi-faceted transportation conglomerate headquartered in Warren, Michigan. Mr. Moroun has been a principal stockholder and officer of CenTra and its predecessor companies since 1954, and its Chief Executive Officer since 1970. CenTra is one of the largest privately held transportation holding companies in the United States. Mr. Moroun is the father of Matthew T. Moroun, a director of the company who has been nominated for re-election at the Annual Meeting.

3

Proxies received will be voted for the director nominees named above, unless authority to do so is withheld. In the event any nominee is unable or declines to serve as a director at the time of the meeting, the persons named as proxies therein will have discretionary authority to vote the proxies for the election of such person or persons as may be nominated in substitution by the present Board of Directors. We are not aware of any current circumstances which would render any nominee named herein unable to serve if elected.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE ELECTION OF THE NOMINEES NAMED ABOVE.

Committees of the Board and Meetings

Our Board of Directors has the following standing committees:

(A) The Executive Committee, currently composed of Messrs. Weaver and Moroun, exercises the authority of the Board of Directors in accordance with our Bylaws between regular meetings of the Board. The Executive Committee did not meet during 2001.

(B) The Audit Committee, currently composed of Messrs. Sullivan, Wilkins and Calderone, reviews and makes recommendations to the Board of Directors on our audit procedures and independent auditors' report to management and recommends to the Board of Directors the appointment of our independent auditors. The Committee is currently composed of three non-employee directors, Daniel C. Sullivan, Charles F. Wilkins and Frederick P. Calderone. Messrs. Sullivan and Wilkins are each "independent" as defined in Rule 4200(a)(14) of the listing standards of the National Association of Securities Dealers. Mr. Calderone is not considered "independent," as he is presently an employee of CenTra, Inc., which is considered to be an affiliate of P.A.M. by virtue of the fact that CenTra's controlling stockholder, Matthew T. Moroun, is a director and the largest stockholder of the company. The Board of Directors believes that Mr. Calderone's present membership on the Audit Committee is appropriate because of his expertise in the areas of accounting and finance. The Board of Directors is searching for an additional director with significant accounting and finance expertise who would replace Mr. Calderone on the Audit Committee. The Board of Directors has adopted a written charter for the Audit Committee and is currently contemplating modifications to the charter to increase the oversight responsibilities of the Audit Committee. The Audit Committee held one meeting during 2001.

(C) The Compensation and Stock Option Committee, currently composed of Messrs. Sullivan, Wilkins and Calderone, reviews and makes recommendations to the Board of Directors with respect to compensation of our officers as well as assists the Board in the administration of our stock option plans. The Compensation and Stock Option Committee did not meet during 2001.

Edgar Filing: PAM TRANSPORTATION SERVICES INC - Form PRE 14A

The Board of Directors does not have a Directors Nominating Committee, that function being reserved to the entire Board.

During 2001, the Board of Directors held three meetings. Each incumbent director attended at least 75% of the aggregate of all meetings held by the Board of Directors and by committees of the Board on which the director served during the director's period of service.

Audit Committee Report

The Audit Committee (the "Committee") of the Board of Directors oversees our financial reporting process on behalf of the Board. Management has the primary responsibility for the financial statements and the reporting process, including systems and internal controls. In fulfilling its oversight responsibilities, the Committee reviewed and discussed our audited financial statements for the year ended December 31, 2001 with management and discussed with Arthur Andersen LLP, certified public

4

accountants, our independent auditors and accountants, the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU Section 380) with respect to those statements.

The Committee also received and reviewed the letter from Arthur Andersen LLP required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees) and discussed with Arthur Andersen LLP its independence in connection with its audit of our most recent financial statements. Based on this review and these discussions, the Committee recommended to the Board of Directors that these audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2001.

The information in the Audit Committee Report shall not be deemed to be soliciting material, or be filed with the Securities and Exchange Commission or subject to Regulation 14A or 14C or to liabilities of Section 18 of the Securities Act, nor shall it be deemed to be incorporated by reference into any filing under the Securities Act or the Exchange Act, except to the extent that we specifically incorporate these paragraphs by reference.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers and persons who own more than 10% of our outstanding common stock to file with the Securities and Exchange Commission reports of changes in ownership of our common stock held by such persons. Executive officers, directors and greater than 10% stockholders are also required to furnish us with copies of all forms they file under this regulation. To our knowledge, based solely on a review of the copies of such reports furnished to us and representations that no other reports were required, during the year ended December 31, 2001, our officers, directors and 10% stockholders complied with all Section 16(a) filing requirements applicable to them except that Mr. Moroun inadvertently failed to timely file a Form 4 relating to a

Edgar Filing: PAM TRANSPORTATION SERVICES INC - Form PRE 14A

purchase of the company's common stock, and Mr. Weaver inadvertently failed to file two Form 4's relating to his charitable donations of shares of common stock.

Employment Agreements

We entered into an employment agreement with Robert W. Weaver effective July 1, 1998, which will expire in July 2002. Mr. Weaver's present annual base salary pursuant to the agreement is \$400,000. Mr. Weaver was granted an option upon execution of the agreement to purchase 30,000 shares of common stock. Under the terms of the agreement, Mr. Weaver participates in bonus programs as authorized by the Board of Directors and is provided an automobile.

We have entered into a new three-year employment contract with Mr. Weaver that will become effective July 1, 2002 upon the expiration of the term of his present employment agreement. We have also entered into employment agreements with W. Clif Lawson, our Executive Vice President and Chief Operating Officer, and Larry J. Goddard, our Vice President of Finance and Chief Financial Officer, with terms commencing January 1, 2002 and ending on June 30, 2004 and December 31, 2004, respectively. Under these employment agreements, each of the

Edgar Filing: PAM TRANSPORTATION SERVICES INC - Form PRE 14A

executives receives a minimum annual base salary that increases throughout the term of his respective agreement. Mr. Weaver's base salary ranges from \$415,000 to \$445,000, Mr. Lawson's base salary ranges from \$214,000 to \$234,000, and Mr. Goddard's base salary ranges from \$175,000 to \$195,000. The base salaries may be increased at any time in the sole discretion of the Board of Directors, and the executives are also entitled to receive discretionary bonuses from time to time as may be determined by the Board. Each agreement provides that if the executive is

6

terminated due to medical disability, he shall continue to receive his then current base salary for a period of twelve months, and if the executive is terminated without cause, he will be entitled to receive all compensation due under the respective agreement for the remainder of the term of the agreement. Each agreement contains a three-year confidentiality provision and a one-year non-competition provision. Each agreement may be extended at the company's option for an additional one-year period. If the option is exercised, Messrs. Weaver, Lawson and Goddard will be entitled to annual base salaries during the extension period of \$460,000, \$244,000 and \$205,000, respectively.

Compensation Committee Interlocks and Insider Participation

Matthew T. Moroun, a member of the Compensation and Stock Option Committee of the Board of Directors and our largest stockholder, is the controlling stockholder and a director of CenTra, Inc., a transportation holding company based in Warren, Michigan. During 2001, certain subsidiaries of CenTra paid us a total of \$568,074 for transporting freight. We also made payments to certain subsidiaries of CenTra during 2001 in the aggregate amount of \$1,324,041. These payments related to tire purchases and road services (\$1,139,829), and other miscellaneous services or expenses (\$184,212).

We believe that each of the above transactions was entered into on terms as favorable to us as could have been obtained from unaffiliated third parties at the time such transactions were negotiated.

Fiscal Year-End Option Values

The following table sets forth information regarding the number and aggregate dollar value of unexercised options held by our executive officers at December 31, 2001. No options were granted to or exercised by any executive officers during 2001.

Name	Number of Securities Underlying Unexercised Options at Fiscal Year-End	Value of Unexercised In-the-Money Options at Fiscal Year-End(1)
-----	Exercisable / Unexercisable	Exercisable/Unexercisable
Robert W. Weaver	30,000/0	\$102,900/\$0
Larry J. Goddard	0/0	-
W. Clif Lawson	0/0	-

- (1) Dollar values were calculated by determining the difference between the fair market value (\$12.68 per share at December 31, 2001) and the options' respective exercise prices, multiplied by the number of shares underlying the respective options. An option is "in-the-money" if the market value of the common stock underlying the option exceeds the option's exercise

Edgar Filing: PAM TRANSPORTATION SERVICES INC - Form PRE 14A

price.

Compensation of Directors

We currently pay our non-employee directors \$6,000 per year and \$1,000 per Board or committee meeting attended, and reimburse them for their expenses in attending such meetings. Directors who are also employees of P.A.M. are not additionally compensated for their services as members of the Board of Directors.

Pursuant to automatic grant provisions under our Non-Qualified Stock Option Plan, on March 2 of each year, each non-employee director is granted an option to purchase 2,000 shares of our common

7

stock at an exercise price equal to the fair market value of our stock on the date of grant. During 2001, options were granted to our four non-employee directors, covering an aggregate of 8,000 shares of common stock at a per share exercise price of \$8.25.

Notwithstanding anything to the contrary set forth in any of our previous filings under the Securities Act of 1933 or the Securities Exchange Act of 1934 that might incorporate future filings, including this proxy statement, in whole or in part, the following Report of the Compensation and Stock Option Committee on Executive Compensation and the Stockholder Return Performance Graph shall not be incorporated by reference into any such filings.

REPORT OF THE COMPENSATION AND STOCK OPTION COMMITTEE ON EXECUTIVE COMPENSATION

In accordance with the Proxy Statement Rules of the Securities and Exchange Commission, the Compensation and Stock Option Committee of the Board of the Directors offers the following report regarding compensation policies for our executive officers and Chief Executive Officer with respect to compensation paid to such persons during the last fiscal year.

During 2001, the Compensation and Stock Option Committee of the Board of Directors was composed of Daniel C. Sullivan, Charles F. Wilkins, Frederick P. Calderone, each of whom is a non-employee director of P.A.M. It is the Committee's responsibility to review and make recommendations to the Board of Directors with respect to compensation of P.A.M.'s officers. In formulating its compensation policies and decisions, the Committee endeavors to provide a competitive compensation package that enables the company to attract and retain key executives and to integrate compensation programs with the company's annual and long-term business strategies and objectives and focus executive actions on the fulfillment of the objectives.

P.A.M.'s executive compensation program generally consists of base salary and annual incentive compensation through a cash bonus plan. Stock options are occasionally utilized in order to align executives' interests more closely with the interests of stockholders. The amount of such awards, if any, may be suggested from time to time by the Compensation and Stock Option Committee, subject to final action by the Board of Directors.

Robert W. Weaver, P.A.M.'s President and Chief Executive Officer, is presently employed pursuant to an employment agreement entered into on July 1, 1998. The initial term of the agreement expired June 30, 2001 and the company exercised its option to extend the term of the agreement for a one-year period, until June 30, 2002. During this one-year extension, Mr. Weaver's annual base

Edgar Filing: PAM TRANSPORTATION SERVICES INC - Form PRE 14A

salary is \$400,000. The company has also entered into a new three-year employment agreement with Mr. Weaver which will become effective July 1, 2002, and has entered into agreements with its two other executive officers, W. Clif Lawson, Executive Vice President and Chief Operating Officer, and Larry J. Goddard, Vice President and Chief Financial Officer. The terms of these agreements are described on page 6 under the caption "Employment Agreements."

The Board of Directors has adopted an Incentive Compensation Plan covering all employees (except employees who are participating in an existing cash bonus plan), including executive officers, which allows employees to earn annual bonuses, payable over a three-year period, based on the operating ratio and revenues of the company. The Board of Directors believes this program serves as an incentive to all participating employees (currently approximately 200 employees) to give greater effort on behalf of the company. During 2001, Messrs. Weaver, Lawson and Goddard accrued bonuses of \$131,810, \$68,930 and \$57,667, respectively, pursuant to the company's Incentive Compensation Plan.

8

The Committee believes that the total compensation of the company's executive officers has been competitive within the industry.

P.A.M.'s future compensation policies will be developed in light of the P.A.M.'s profitability and with the goal of rewarding members of management for their contributions to the company's success. It is the company's intention that the compensation to be paid to its executive officers will not exceed the present maximum allowable amount for purposes of deductibility set forth in the Internal Revenue Code.

AGENDA ITEM THREE PROPOSAL TO AMEND THE CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

Our Board of Directors has approved an amendment to our Certificate of Incorporation to increase the number of our authorized shares of common stock from 20,000,000 to 40,000,000.

The Board of Directors recommends that stockholders approve the proposal to amend the Certificate of Incorporation because it considers the proposal to be in the best long-term and short-term interests of P.A.M. and its stockholders and other constituencies. On March 25, 2002, 10,726,957 shares of common stock were issued and outstanding, approximately 90,000 shares were reserved for issuance under outstanding director and employee stock options, and 521,250 shares were subject to issuance not later than April 17, 2002 upon the exercise of an over-allotment option issued to underwriters in connection with our recently completed public offering of 3,475,000 shares of common stock. The proposed increase in the number of shares of authorized common stock will ensure that additional shares will be available, if needed, for issuance in connection with any possible future transactions approved by the Board of Directors, including, among others, stock splits, stock dividends, acquisitions, financings and other corporate purposes.

The Board of Directors believes that the availability of the additional shares of common stock for such purposes without delay or the necessity for a special stockholders' meeting (except as may be required by applicable law, regulatory authorities or Nasdaq rules) will be beneficial to the company by providing the Board with flexibility in considering and responding to future business opportunities and needs as they arise.

It should be noted that the availability of additional shares could render more difficult or discourage a third party attempt to gain control of the company. For example, additional shares of common stock could be issued and sold to purchasers who oppose a takeover bid that the Board believes is not in the best long-term and short-term interests of the company or could be issued to increase the aggregate number of outstanding shares of common stock and thereby dilute the interest of parties attempting to obtain control of the company. In connection with any issuance of shares of common stock, the Board of Directors is required to determine that such issuance would be in the best interests of the company. The Board of Directors is presently unaware of any specific effort to accumulate shares of the company's common stock or obtain control of the company, and the company does not have any immediate agreements, arrangements, commitments or understandings with respect to the issuance of any of the additional shares of common stock which would be authorized by the proposal to increase the number of authorized shares.

It is possible that shares of common stock may be issued at a time and under circumstances that may increase or decrease earnings per share and increase or decrease the book value per share of shares presently held.

The approval of the holders of a majority of the issued and outstanding shares of common stock is required for the adoption of the proposed amendment to the Certificate of Incorporation.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS APPROVE THE PROPOSED AMENDMENT TO THE CERTIFICATE OF INCORPORATION.

Edgar Filing: PAM TRANSPORTATION SERVICES INC - Form PRE 14A

OF THE COMPANY'S CERTIFICATE OF INCORPORATION AND ARTICLE XIII OF THE COMPANY'S BYLAWS

In 1987, the Board of Directors recommended and the company's stockholders approved a proposal to amend the company's Certificate of Incorporation to, among other things, add certain anti-takeover provisions. The amendment added new Articles 12 and 13 which contain provisions that generally render it more difficult for a person to acquire a significant portion of the company's common stock and thereafter cause the company to engage in a transaction with the person that the Board of Directors does not believe is in the best interests of the company.

Subsequent to the company's addition of Articles 12 and 13 to its Certificate of Incorporation, the State of Delaware enacted a new Section 203 to the Delaware General Corporation Law. Section 203 is an anti-takeover statute that contains provisions very similar to those contained in Article 12 of the company's Certificate of Incorporation. Section 203 automatically applied to any Delaware corporation in existence at the time of its enactment that had a class of voting stock listed on a national securities exchange, authorized for quotation on the Nasdaq Stock Market or held of record by more than 2,000 stockholders, unless the corporation adopted an amendment to its Bylaws expressly electing not to be covered by Section 203. Following the enactment of Section 203, the Board of Directors amended the company's Bylaws to add a new Article XIII, electing not to be subject to Section 203, principally because of the similarities between Article 12 and Section 203.

The Board of Directors now believes that it is in the best interests of the company to remove the anti-takeover provisions contained in Articles 12 and 13 of the company's Certificate of Incorporation and to amend the company's Bylaws to cause the company to be subject instead to the anti-takeover provisions of Section 203 of Delaware law. The Board believes that the provisions of Section 203 better accomplish the original intent of the Board in adopting the anti-takeover provisions now contained in the Certificate of Incorporation, and that reliance on Delaware law would provide more predictability in the event of a takeover attempt than would the provisions contained in the company's Certificate of Incorporation.

Comparison of Article 12 of the Certificate of Incorporation with Section 203 of Delaware Law

Both Article 12 of the Certificate of Incorporation and Section 203 of Delaware law contain anti-takeover provisions that generally render it difficult for a significant stockholder to cause the company to effect certain fundamental transactions, such as a merger with the stockholder, a sale of substantially all of the company's assets to the stockholder, or a liquidation of the company (such a transaction referred to in both Article 12 and Section 203 as a "Business Combination"), by requiring supermajority approval of the transaction by the company's stockholders, unless the Business Combination was approved by the company's stockholders prior to the significant stockholder acquiring a significant position in the stock of the company.

Subject to the exceptions described in the following paragraph, Article 12 requires the approval by stockholders owning 75% of the shares of the company's stock entitled to vote in the election of directors of any Business Combination involving an "Interested Person." Article 12 defines an "Interested Person" generally as any person who, together with his affiliates and

Edgar Filing: PAM TRANSPORTATION SERVICES INC - Form PRE 14A

associates, beneficially owns in excess of 5% of any class of stock of the company, excluding any person who was both a director of the company and a 5% stockholder on March 9, 1987.

By its terms, Article 12 does not apply to a Business Combination if the Board of Directors approved the subject transaction prior to the Interested Person becoming a 5% stockholder, or if the subject transaction was approved by the Board and a majority of the directors voting in favor of approval were directors prior to the Interested Person becoming a 5% stockholder.

Section 203 generally prohibits a Delaware corporation from engaging in any Business Combination with any "interested stockholder" (one who owns 15% or more of a corporation's outstanding voting stock), for a period of three years following the date that such stockholder became an interested stockholder, unless:

(i) prior to such date, the board of directors of the corporation approved either the business combination or the transaction which resulted in the stockholder becoming an interested stockholder,

(ii) upon consummation of the transaction which resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the time the transaction commenced, or

(iii) on or subsequent to such date, the business combination is approved by the board of directors and authorized at an annual or special meeting of stockholders, and not by written consent, by the affirmative vote of holders of at least 66 2/3% of the outstanding voting stock that is not owned by the interested stockholder.

Under both Article 12 of the Certificate of Incorporation and Section 203 of Delaware law, a party desiring to effect a Business Combination with the company is encouraged to negotiate with the Board of Directors prior to acquiring a substantial ownership interest in the company. The most significant differences between the two anti-takeover devices are as follows:

(i) under Article 12, a stockholder owning 5% or more of the shares of any class of the company's stock will generally be subject to the supermajority stockholder approval requirement, whereas under Section 203, the supermajority voting requirement generally applies to stockholders owning greater than 15% of the voting stock of the company;

(ii) under Section 203, the anti-takeover protections do not apply to a stockholder who has been an interested stockholder for a period of three years, whereas there is no such exemption under Article 12 for a long-time significant stockholder of the company; and

(iii) under Article 12, the approval of 75% of the shares entitled to elect directors is generally required to approve a business combination with an interested shareholder (including the shares held by the interested stockholder), whereas Section 203 generally requires the approval of 66 2/3% approval of stockholders other than the interested stockholder.

Edgar Filing: PAM TRANSPORTATION SERVICES INC - Form PRE 14A

Article 13 of the company's Certificate of Incorporation provides that, in addition to any approval required by Article 12 of the Certificate, the approval of holders of a majority of the shares of stock entitled to vote in the election of directors held by stockholders other than the interested stockholder is required to approve a Business Combination with the interested stockholder, unless certain criteria have been satisfied relating to the price to be received in the proposed transaction by stockholders other than the interested stockholder. Section 203 of Delaware law does not contain any comparable "fair price" provisions. The Board of Directors believes that Section 203 provides sufficient protection to the company and its stockholders, however, and believes it to be in the best interests of the company to delete Article 13 of the company's Certificate of Incorporation.

Article XIII of the Bylaws

As discussed above, Section 203 applies to any Delaware corporation in existence on the date of its enactment unless the corporation amended its Bylaws to specifically elect not to be subject to Section 203. In 1987, the company adopted such an amendment to its Bylaws, contained in Article XIII, specifically electing not to be subject to Section 203. The Board of Directors is now recommending that stockholders amend the Bylaws to delete Article XIII in its entirety and thus render the company subject to the anti-takeover provisions of Section 203.

Reasons for Proposed Repeal of Articles 12 and 13 and Election to be Covered by Section 203

The Board of Directors believes that Articles 12 and 13, on the one hand, and Section 203, on the other, provide similar protection for the company in the event of an attempt by a party to gain control of the company. The Board believes, however, it is in the best interests of the company to repeal Articles 12 and 13 and elect to instead be covered by Section 203 of Delaware law, for two primary reasons. First, the Board does not believe that the lack of an exemption from the coverage of Articles 12 and 13 for a long-time significant stockholder of the company furthers the original intent of those Articles of protecting against a takeover attempt by a person following a rapid accumulation of stock by that person. Second, the Board believes that it would be more desirable for the company to be governed by Delaware law rather than by Articles 12 and 13 because, while Articles 12 and 13 are unique to the company, Section 203 has been interpreted extensively by the courts and legal scholars. The Board believes that the existence of this significant body of case law and commentary on Section 203 would provide valuable guidance to the Board of Directors in making an informed judgment as to the application of the company's anti-takeover devices in the event a party attempted to gain control of the company in a transaction that the Board of Directors did not believe to be in the best interests of the company.

Stockholders should note that one effect of the approval of this proposal would be that Matthew T. Moroun, a director and the largest stockholder of the company, would no longer be subject to a supermajority voting requirement in the event that he proposed that the company engage in a Business Combination with him or one of his affiliates. This would be the result because, as described above, the anti-takeover protections of Section 203 do not apply to a stockholder who has been an interested stockholder for a period of three years (which Mr. Moroun has), while there is no such exemption under Article 12 for a long-time significant stockholder of the company. Mr. Moroun has advised the Board of Directors that he has no present intention to engage in such a transaction. Mr.

Edgar Filing: PAM TRANSPORTATION SERVICES INC - Form PRE 14A

Moroun abstained from the vote of the Board of Directors on this proposal, which was unanimously approved by the disinterested directors

The full text of Articles 12 and 13 of the Certificate of Incorporation is included as Exhibit A to this proxy statement, and the full text of Section 203 is included as Exhibit B to this proxy statement. The summary description of the terms of Articles 12 and 13 and Section 203 set forth above is qualified in its entirety by reference to Exhibit A and Exhibit B.

The proposal to delete Articles 12 and 13 of the Certificate of Incorporation and to delete Article XIII of the company's Bylaws, resulting in the company being governed by Section 203 of the Delaware General Corporation Law, requires the affirmative vote of holders of 75% of the issued and outstanding shares of common stock.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE TO APPROVE THIS PROPOSAL.

(2) The term "Interested Person" as used herein shall mean and include any individual, corporation, partnership or other person or entity which, together with its "affiliates" and "associates" (as those terms are defined in Rule 12b-2 of the General Rules and Regulations under the Securities Exchange Act of 1934, as amended, on March 9, 1987), "beneficially" owns (as this term is defined in Rule 13d-3 of the General Rules and Regulations under the Securities Exchange Act of 1934, as amended, on March 9, 1987) in the aggregate five percent (5%) or more of the outstanding shares of any class of stock of the corporation; provided, however, that the term "Interested Person" shall not include the following:

C. No amendment to this Amended and Restated Certificate of Incorporation shall amend, alter, change or repeal any of the provisions of this Article 12 unless such amendment, in addition to receiving any stockholder vote or consent required by the laws of the state of Delaware in effect at the time, shall receive the affirmative vote or consent of the holders of seventy-five percent (75%) of the outstanding shares of the stock of the corporation entitled to elect Directors.

A-2

Article 13

13. A. In addition to the requirements specified in Article 12, there shall be required for the approval, authorization or ratification of any "Business Combination," the affirmative vote or consent of a majority of all shares of stock entitled to vote on the matter considered separately for the purposes of this Article 13, which are not entitled to be voted directly or indirectly by such Interested Person; provided, however, that said a majority voting requirements shall not be applicable if all of the conditions specified in subparagraphs (1), (2), and (3) below are met.

- (1) The consideration to be received per share for any class of stock in such Business Combination by stockholders other than the Interested Person is payable in cash or other consideration, or a combination of both, and such consideration has a fair market value per share with respect to any such class of the corporation's stock of not less than either:
 - (a) the highest price (including the highest per share brokerage commissions, transfer tax and soliciting dealers fees) paid by the Interested Person in acquiring any of the corporation's stock of that class; or
 - (b) a price per share obtained by multiplying the aggregate earnings per share of stock of the corporation (appropriately adjusted for any subdivision of shares, stock dividend or combination of shares during the period for the four full consecutive fiscal quarters immediately preceding the record date for solicitation of votes or consents on such Business Combination by the figure obtained by dividing the highest per share price (including the highest per share brokerage commissions, transfer tax and soliciting dealers fees) paid by such Interested Person in acquiring any of the corporation's stock by the aggregate earnings per share of the corporation for the four full consecutive fiscal quarters immediately preceding the time when the Interested Person shall have become the beneficial owner of five percent (5%) or more of the outstanding shares of any class of stock of the corporation.

If any securities were issued by an Interested Person in exchange for stock of the corporation prior to the proposed Business

Combination, the fair market value of said securities at the time of issue shall be used in determining the per share price paid for said stock.

(2) After the Interested Person has become the beneficial owner of five percent (5%) or more of the outstanding shares of any class of stock of the corporation and prior to the consummation of such Business Combination, there

A-3

shall have been no reduction in the rate of dividends payable on any class of the corporation's stock which would result in a quarterly dividend rate per share which is less than the average quarterly dividend rate per share for such class for the four full consecutive fiscal quarters immediately preceding the time when the Interested Person shall have become the beneficial owner of said five percent (5%) or more of the outstanding shares of any class of stock of the corporation, unless such reduction in rate of dividends has been approved by three-fourths (3/4) of the entire membership of the Board of Directors of the corporation. For the purposes of this paragraph, "quarterly dividend rate per share" for any quarterly dividend shall be equal to the percentage said quarterly dividend per share bears to the earnings per share for the four full quarters immediately preceding the declaration of said quarterly dividend.

(3) The consideration to be received by stockholders other than the Interested Person shall be in cash or in the same form as the Interested Person has previously paid for shares of such class of stock; if the Interested Person has paid for shares of any class of any stock with varying forms of consideration, the form of consideration of such class of stock shall be either cash or the form used to acquire the largest number of shares of such class of stock previously acquired by such Interested Person.

B. For the purposes of this Article 13:

(1) The term "Business Combination" as used herein shall mean (a) any merger or consolidation of the corporation or any subsidiary of the corporation with or into any Interested Person (regardless of the identity of the surviving corporation); or (b) any sale, lease, exchange, transfer or other disposition of all or any substantial part of the assets of the corporation or any subsidiary of the corporation to any Interested Person for cash, real or personal property, including securities, or any combination thereof.

(a) Any individual, who, as of March 9, 1987, (i) was a

director of the corporation and (ii) together with his affiliates and associates "beneficially" owned (as this term is defined in Rule 13d-3 of the General Rules and Regulations under the Securities Exchange Act of 1934, as amended, on March 9, 1987) in the aggregate five percent (5%)

or more of the outstanding shares of any class of the stock of the corporation, or the estate, personal representative, heir or legatee of any such person which or who becomes the beneficial owner of five percent (5%) or more of the outstanding shares of any class of stock of the corporation by virtue of testamentary transfer or intestate succession from such person.

C. No amendment to this Amended and Restated Certificate of Incorporation shall amend, alter, change or repeal any of the provisions of this Article 13 unless such amendment, in addition to receiving any stockholder vote or consent required by the laws of the State of Delaware in effect at the time, shall receive the affirmative vote or consent of the holders of seventy-five percent (75%) of the outstanding shares of the stock of the corporation entitled to elect Directors.

APPENDIX B

SECTION 203 OF THE DELAWARE GENERAL CORPORATION LAW

Section 203. Business combinations with interested stockholders

(a) Notwithstanding any other provisions of this chapter, a corporation shall not engage in any business combination with any interested stockholder for a period of 3 years following the time that such stockholder became an interested stockholder, unless:

(1) Prior to such time the board of directors of the corporation approved either the business combination or the transaction which resulted in the stockholder becoming an interested stockholder;

(2) Upon consummation of the transaction which resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the time the transaction commenced, excluding for purposes of determining the number of shares outstanding those shares owned (i) by persons who are directors and also officers and (ii) employee stock plans in which employee participants do not have the right to determine confidentially whether shares held subject to the plan will be tendered in a tender or exchange offer; or

(3) At or subsequent to such time the business combination is approved by the board of directors and authorized at an annual or special meeting of stockholders, and not by written consent, by the affirmative vote of at least $66 \frac{2}{3}\%$ of the outstanding voting stock which is not owned by the interested stockholder.

Edgar Filing: PAM TRANSPORTATION SERVICES INC - Form PRE 14A

(b) The restrictions contained in this section shall not apply if:

(1) The corporation's original certificate of incorporation contains a provision expressly electing not to be governed by this section;

(2) The corporation, by action of its board of directors, adopts an amendment to its bylaws within 90 days of the effective date of this section, expressly electing not to be governed by this section, which amendment shall not be further amended by the board of directors;

(3) The corporation, by action of its stockholders, adopts an amendment to its certificate of incorporation or bylaws expressly electing not to be governed by this section; provided that, in addition to any other vote required by law, such amendment to the certificate of incorporation or bylaws must be approved by the affirmative vote of a majority of the shares entitled to vote. An amendment adopted pursuant to this paragraph shall be effective immediately in the case of a corporation that both (i) has never had a class of voting stock that falls within any of the 3 categories set out in subsection (b) (4) hereof, and (ii) has not elected by a provision in its original certificate of incorporation or any amendment thereto to be governed by this section. In all other cases, an amendment adopted pursuant to this paragraph shall not be effective until 12 months after the adoption of such amendment and shall not apply to any business combination between such corporation and any person who became an interested stockholder of such corporation on or prior to such adoption. A bylaw amendment adopted pursuant to this paragraph shall not be further amended by the board of directors;

(4) The corporation does not have a class of voting stock that is: (i) Listed on a national securities exchange; (ii) authorized for quotation on The NASDAQ Stock Market; or (iii) held of record by more than 2,000 stockholders, unless any of the foregoing results from action taken,

directly or indirectly, by an interested stockholder or from a transaction in which a person becomes an interested stockholder;

(5) A stockholder becomes an interested stockholder inadvertently and (i) as soon as practicable divests itself of ownership of sufficient shares so that the stockholder ceases to be an interested stockholder; and (ii) would not, at any time within the 3-year period immediately prior to a business combination between the corporation and such stockholder, have been an interested stockholder but for the inadvertent acquisition of ownership;

(6) The business combination is proposed prior to the consummation or abandonment of and subsequent to the earlier of the public announcement or the notice required hereunder of a proposed transaction which (i) constitutes one of the transactions described in the second sentence of this paragraph; (ii) is with or by a person who either was not an interested stockholder during the previous 3 years or who became an interested stockholder with the approval of the corporation's board of directors or during the period described in paragraph (7) of this subsection (b); and (iii) is approved or not opposed by a majority of the members of the board of directors then in office (but not less than 1) who were directors prior to any person becoming an interested stockholder during the previous 3 years or were recommended for election or elected to succeed such directors by a majority of such directors. The proposed

Edgar Filing: PAM TRANSPORTATION SERVICES INC - Form PRE 14A

transactions referred to in the preceding sentence are limited to (x) a merger or consolidation of the corporation (except for a merger in respect of which, pursuant to Section 251(f) of the chapter, no vote of the stockholders of the corporation is required); (y) a sale, lease, exchange, mortgage, pledge, transfer or other disposition (in 1 transaction or a series of transactions), whether as part of a dissolution or otherwise, of assets of the corporation or of any direct or indirect majority-owned subsidiary of the corporation (other than to any direct or indirect wholly-owned subsidiary or to the corporation) having an aggregate market value equal to 50% or more of either that aggregate market value of all of the assets of the corporation determined on a consolidated basis or the aggregate market value of all the outstanding stock of the corporation; or (z) a proposed tender or exchange offer for 50% or more of the outstanding voting stock of the corporation. The corporation shall give not less than 20 days' notice to all interested stockholders prior to the consummation of any of the transactions described in clause (x) or (y) of the second sentence of this paragraph; or

(7) The business combination is with an interested stockholder who became an interested stockholder at a time when the restrictions contained in this section did not apply by reason of any of paragraphs (1) through (4) of this subsection (b), provided, however, that this paragraph (7) shall not apply if, at the time such interested stockholder became an interested stockholder, the corporation's certificate of incorporation contained a provision authorized by the last sentence of this subsection (b) Notwithstanding paragraphs (1), (2), (3) and (4) of this subsection, a corporation may elect by a provision of its original certificate of incorporation or any amendment thereto to be governed by this section; provided that any such amendment to the certificate of incorporation shall not apply to restrict a business combination between the corporation and an interested stockholder of the corporation if the interested stockholder became such prior to the effective date of the amendment.

(c) As used in this section only, the term:

(1) "Affiliate" means a person that directly, or indirectly through 1 or more intermediaries, controls, or is controlled by, or is under common control with, another person.
