The Board believes that each Director's experience, qualifications, attributes and skills should be evaluated on an individual basis and in consideration of the perspective such Director brings to the entire Board, with no single Director, or particular factor, being indicative of Board effectiveness. However, the Board believes that Directors need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties; the Board believes that their members satisfy this standard. Experience relevant to having this ability may be achieved through a Director's educational background; business, professional training or practice, public service or academic positions; experience from service as a board member (including the Board) or as an executive of investment funds, public companies or significant private or non-profit entities or other organizations; and/or other life experiences. The charter for the Board's Nominating Committee contains certain other specific factors considered by the Nominating Committee in identifying and selecting Director candidates (as described below).

To assist them in evaluating matters under federal and state law, the Directors are counseled by their own independent legal counsel, who participates in Board meetings and interacts with R&A, and also may benefit from information provided by R&A's internal counsel; both Board and R&A's internal counsel have significant experience advising funds and fund board members. The Board and its committees have the ability to engage other experts as appropriate. The Board evaluates its performance on an annual basis.

#### **Board Composition and Leadership Structure**

The Investment Company Act requires that at least 40% of the Fund's Directors not be interested persons (as defined in the Investment Company Act) of the Fund and as such are not affiliated with R&A (Independent Directors). To rely on certain exemptive rules under the Investment Company Act, a majority of the Fund's Directors must be Independent Directors, and for certain important matters, such as the approval of investment advisory agreements or transactions with affiliates, the Investment Company Act or the rules thereunder require the approval of a majority of the Independent Directors. Currently, more than 75% of the Fund's Directors are Independent Directors. The Board does not have a chairman, but the President, an interested person of the Fund, acts as chairman at the Board meetings. The Independent Directors have not designated a lead Independent Director, but the Chairman of the Audit Committee, Mr. Mehlman, generally acts as chairman of meetings or executive sessions of the Independent Directors and, when appropriate, represents the views of the Independent Directors to management. The Board has determined that its leadership structure is appropriate in light of the services that Royce and its affiliates provide to the Fund and potential conflicts of interest that could arise from these relationships.

**Audit Committee Report**

The Board has a standing Audit Committee (the Audit Committee), which consists of the Independent Directors who also are independent as defined in the listing standards of the New York Stock Exchange. The current members of the Audit Committee are Patricia W. Chadwick, Richard M. Galkin, Stephen L. Isaacs, Arthur S. Mehlman, David L. Meister, G. Peter O'Brien, and Michael K. Shields. Mr. Mehlman serves as Chairman of the Audit Committee. Ms. Chadwick and Mr. Mehlman have been designated as Audit Committee Financial Experts, as defined under Securities and Exchange Commission (SEC) regulations.

The principal purposes of the Audit Committee are to (i) assist Board oversight of the (a) integrity of the Fund's financial statements; (b) independent accountants' qualifications and independence; and (c) performance of the Fund's independent accountants and (ii) prepare, or oversee the preparation of any audit committee report required by rules of the SEC to be included in the Fund's proxy statement for its annual meeting of stockholders. The Board has adopted an Audit Committee charter for the Fund which is attached to this Proxy Statement as Exhibit A.

The Audit Committee also has (i) received written disclosures and the letter required by Independence Standards Board Standard No. 1 from Tait, Weller & Baker (TW&B), the Fund's independent auditors for the fiscal year ended December 31, 2014, and (ii) discussed certain matters required to be discussed under the requirements of The Public Company Accounting Oversight Board with TW&B. The Audit Committee has considered whether the provision of non-audit services by the Fund's independent accountants is compatible with maintaining their independence.

At its meetings held on February 17, 2015 and February 24-25, 2015, the Audit Committee reviewed and discussed the audit of the Fund's financial statements as of December 31, 2014 and for the fiscal year then ended with Fund management and TW&B. Had any material concerns arisen during the course of the audit and the preparation of the audited financial statements mailed to stockholders and included in the Fund's 2014 Annual Report to Stockholders, the Audit Committee would have been notified by Fund management or TW&B. The Audit Committee received no such notifications. At those meetings, the Audit Committee recommended to the Board that the Fund's audited financial statements be included in the Fund's 2014 Annual Report to Stockholders.

**Nominating Committee**

The Board has a Nominating Committee (the Nominating Committee ) composed of the seven Independent Directors, namely Ms. Chadwick and Messrs. Galkin, Isaacs, Mehlman, Meister, O'Brien, and Shields. Messrs. Galkin and O'Brien serve as co-Chairmen of the Nominating Committee. The Board has adopted a Nominating Committee Charter which is attached to this Proxy Statement as Exhibit B.

The Nominating Committee is responsible for identifying and recommending to the Board individuals believed to be qualified to become Board members in the event that a position is vacated or created. The Nominating Committee will consider Director candidates recommended by stockholders. In considering potential nominees, the Nominating Committee will take into consideration (i) the contribution which the person can make to the Board, with consideration given to the person's business and professional experience, education and such other factors as the Committee may consider relevant, including but not limited to whether a potential nominee's personal and professional qualities and attributes would provide a beneficial diversity of skills, experience and/or perspective to the Board; (ii) the character and integrity of the person; (iii) whether or not the person is an interested person as defined in the Investment Company Act and whether the person is otherwise qualified under applicable laws and regulations to serve as a Director or Independent Director of the Fund; (iv) whether or not the person has any relationships that might impair his or her independence, such as any business, financial or family relationships with Fund management, the investment adviser of the Fund, Fund service providers or their affiliates; (v) whether or not the person is financially literate pursuant to the New York Stock Exchange's audit committee membership standards; (vi) whether or not the person serves on boards of, or is otherwise affiliated with, competing financial service organizations or their related investment company complexes; (vii) whether or not the person is willing to serve as, and willing and able to commit the time necessary for the performance of the duties of, a Director of the Fund; and (viii) whether or not the selection and nomination of the person would be in the best interest of the Fund in light of the requirements of the Fund's retirement policies. While the Nominating Committee does not have a formal policy regarding diversity, as noted above, it may consider the diversity of skills, experience and/or perspective a potential nominee will bring to the Board as part of its evaluation of the contribution such potential nominee will make to the Board. Such factors will be considered in light of the other factors described above and in the context of the Board's existing membership at the time such potential candidate is considered.

To have a candidate considered by the Nominating Committee, a stockholder must submit the recommendation in writing and must include biographical information and set forth the qualifications of the proposed nominee. The stockholder recommendation and information described above must be sent to the Fund's Secretary, John E. Denneen, c/o Royce Value Trust, Inc., 745 Fifth Avenue, New York, New York 10151.

Although the Board does not have a standing compensation committee, the Independent Directors review their compensation annually.

#### **Board's Oversight Role in Management**

The Board's role in management of the Fund is oversight. As is the case with virtually all investment companies (as distinguished from operating companies), service providers to the Fund, primarily R&A and its affiliates, have responsibility for the day-to-day management of the Fund, which includes responsibility for risk management (including management of investment performance and investment risk, valuation risk, issuer and counterparty credit risk, compliance risk and operational risk). As part of its oversight, the Board, acting at its scheduled meetings, or the Chairman of the Audit Committee, acting between Board meetings, regularly interacts with and receives reports from senior personnel of service providers, including the Fund's and R&A's Chief Compliance Officer and portfolio management personnel. The Audit Committee (which consists of the seven Independent Directors) meets during its scheduled meetings, and between meetings the Chairman of the Audit Committee maintains contact with the Fund's independent registered public accounting firm and the Fund's Treasurer. The Board also receives periodic presentations from senior personnel of R&A or its affiliates regarding risk management generally, as well as periodic presentations regarding specific operational, compliance or investment areas such as business continuity, anti-money laundering, personal trading, valuation, investment research and securities lending. The Board also receives reports from counsel to R&A and the Board's own independent legal counsel regarding regulatory, compliance and governance matters. The Board's oversight role does not make the Board a guarantor of the Fund's investments or activities.

#### **Committee and Board of Directors Meetings**

During the year ended December 31, 2014, the Board held seven meetings, the Audit Committee held four meetings, and the Nominating Committee did not hold any meetings. Each Director then in office attended 75% or more of the aggregate of the total number of meetings of the Board and the total number of meetings of the Audit Committee held during that year.

#### **Compensation of Directors**

For the year ended December 31, 2014, each Independent Director received a base fee of \$20,000 per year, plus \$1,100 for each in-person meeting of the Board attended. No Director received remuneration for services as a Director for the year ended December 31, 2014 in addition to or in lieu of this standard arrangement. Each Independent Director will continue to receive a base fee of \$20,000 per year, plus \$1,100 for each in-person meeting of the Board attended for the year ending December 31, 2015.

Such communications must be signed by the stockholder and identify the number of shares of Common Stock held by the stockholder. See Additional Information Stockholder Proposals herein.

**Director Attendance at Stockholder Meetings**

The Fund has no formal policy regarding Director attendance at stockholder meetings. None of the Fund's Independent Directors attended the 2014 Annual Meeting of Stockholders.

**Compliance with Section 16(a) of the Exchange Act**

Section 16(a) of the Exchange Act requires the officers and Directors of the Fund and persons who own more than ten percent of a registered class of the Fund's equity securities, to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the SEC and the New York Stock Exchange. Officers, Directors and greater than ten percent stockholders are required by SEC regulations to furnish the Fund with copies of all Forms 3, 4 and 5 they file.

Based solely on the Fund's review of the copies of such forms and amendments thereto, furnished to it during or with respect to its most recent fiscal year, and written representations from certain reporting persons that they were not required to file Form 5 with respect to the most recent fiscal year, the Fund believes that all of its officers, Directors, greater than ten percent beneficial owners and other persons subject to Section 16 of the Exchange Act due to the requirements of Section 30(h) of the Investment Company Act (i.e., any investment adviser or affiliated person of the Fund's investment adviser), have complied with all filing requirements applicable to them with respect to transactions in the Fund's shares during the Fund's most recent fiscal year.

As of July 17, 2015, no Independent Director or any of his immediate family members directly or indirectly owned any securities issued by Legg Mason or any of its affiliates (other than registered investment companies).

**Vote Required**

A quorum consists of stockholders representing a majority of the outstanding shares of Common Stock entitled to vote, who are present in person or by proxy, and a plurality of all of the votes cast at a meeting at which a quorum is present is sufficient to elect a Director.

**The Board of Directors of the Fund recommends that all stockholders vote FOR all Director nominees.**

**FEES PAID TO INDEPENDENT AUDITORS**

**Audit Fees**

The aggregate fees paid to TW&B in connection with the annual audit of the Fund's financial statements and for services normally provided by TW&B in connection with the statutory and regulatory filings of the Fund for the fiscal years ended December 31, 2013 and December 31, 2014 were \$42,500 and \$43,500, respectively, including out of pocket expenses.

**Audit Related Fees**

No fees were paid to TW&B in connection with assurance and related services related to the annual audit of the Fund and for review of the Fund's financial statements, other than the Audit Fees described above, for each of the fiscal years ended December 31, 2013 and December 31, 2014.

**Tax Fees**

The aggregate fees paid for tax-related services, including preparation of tax returns, tax compliance and tax advice, rendered by TW&B to the Fund for the fiscal years ended December 31, 2013 and December 31, 2014 were \$7,100 and \$7,200, respectively.

**All Other Fees**

There were no other fees billed for non-audit services rendered by TW&B to the Fund for the fiscal years ended December 31, 2013 and December 31, 2014. The aggregate non-audit fees billed by TW&B for services rendered to R&A and any entity controlling, controlled by, or under common control with R&A that provides ongoing services to the Fund for the fiscal years ended December 31, 2013 and December 31, 2014 were \$7,100 and \$7,200, respectively. The Audit Committee has determined that the provision of non-audit services is compatible with maintaining the independence of TW&B.

TW&B did not provide any other professional services to the Fund or R&A for the year ended December 31, 2014. No representatives of TW&B are expected to be present at the Meeting.

**Audit Committee's Pre-Approval Policies and Procedures**

The Audit Committee has adopted policies and procedures with regard to the pre-approval of audit and non-audit services. On an annual basis, at the December meeting of the Audit Committee, the independent auditors of the Fund will submit a schedule of proposed audit, audit-related, tax and other non-audit services to be rendered to the Fund and/or R&A and its affiliates for the following year that require pre-approval by the Audit Committee. Such schedule will include the maximum fees that can be paid for such services without further Audit Committee approval. Any subsequent revision to pre-approved services or fees will be considered at the next regularly scheduled Audit Committee meeting. Services not presented for pre-approval at the December meeting of the Audit Committee will be submitted to the Chief Financial Officer of the Fund for a determination that the proposed services fit within the independence guidelines and then considered for pre-approval at the next regularly scheduled Audit Committee meeting. A proposal to commence an engagement involving audit, audit-related or tax services prior to the next regularly scheduled Audit Committee meeting shall be made in writing by the Chief Financial Officer to all Audit Committee members and include a summary of the engagement, estimated maximum cost, the category of services and the rationale for engaging the Fund's independent auditor. Such proposed engagement can be pre-approved by any Audit Committee member who is an Independent Director. Pre-approval by the Chairman of the Audit Committee is required for a proposed engagement involving non-audit services other than audit-related or tax.

**Change in Independent Auditors**

At their February 2015 meetings, the Audit Committee recommended to the Board, and the Board approved, replacing TW&B as the Fund's independent registered public accounting firm with PricewaterhouseCoopers LLP ( PWC ). As a result, PWC will serve as the Fund's independent registered public accounting firm for the fiscal year ending December 31, 2015. The replacement of TW&B with PWC was not the result of any disagreements between TW&B and any of the Audit Committee, the Board, or R&A. During the two most recent fiscal years, TW&B's audit reports contained no adverse opinion or disclaimer of opinion; nor were the reports qualified or modified as to uncertainty, audit scope, or accounting principles. Further, there were no disagreements between the Fund and TW&B during such periods as to accounting principles or practices, financial statement disclosure, or audit scope, which, if not resolved to the satisfaction of TW&B, would have caused it to make reference to the disagreements in connection with its reports. Representatives of PWC are not expected to be present at the Meeting.

## ADDITIONAL INFORMATION

### **Postponement or Adjournment of Meeting; Other Matters**

In the event that sufficient votes in favor of Proposal 1 in the Notice of Annual Meeting of Stockholders are not received by the time scheduled for the Meeting, the persons named as proxies may propose one or more postponements or adjournments of the Meeting to permit further solicitation of proxies for such Proposal. Any such postponement or adjournment will require the affirmative vote of a majority of the shares present in person or by proxy at the session of the Meeting to be postponed or adjourned, as applicable. The persons named as proxies will vote in favor of such postponement or adjournment those proxies which they are entitled to vote in favor of the Proposal. They will vote against any such postponement or adjournment those proxies required to be voted against the Proposal.

While the Meeting has been called to transact any business that may properly come before it, the Directors know of no business other than the matter stated in the Notice of Annual Meeting of Stockholders. However, if any additional matter properly comes before the Meeting and on all matters incidental to the conduct of the Meeting, it is the intention of the persons named in the enclosed Proxy to vote the Proxy in accordance with their judgment on such matters.

The Fund expects that broker-dealer firms holding shares of the Fund in street name for the benefit of their customers and clients will request the instructions of such customers and clients on how to vote their shares on the Proposal before the Meeting. The Fund understands that, under the rules of the New York Stock Exchange, such broker-dealers may, without instructions from such customers and clients, grant authority to the proxies designated by the Fund to vote on the election of Directors if no instructions have been received prior to the date specified in the broker-dealer firm's request for voting instructions. Certain broker-dealer firms may exercise discretion over shares held in their name for which no instructions are received by voting such shares in the same proportion as they have voted shares for which they have received instructions.

The shares as to which the Proxies so designated are granted authority by broker-dealer firms to vote on the matters to be considered at the Meeting, the shares as to which broker-dealer firms have declined to vote ( broker non-votes ) and the shares as to which Proxies are returned by record stockholders but which are marked abstain on any matter will be included in the Fund's tabulation of the total number of votes present for purposes of determining whether the necessary quorum of stockholders exists. However, abstentions and broker non-votes will not be counted as votes cast. Therefore, abstentions and broker non-votes will not have an effect on the election of Directors.

Specifically, Fund management is responsible for: (1) the preparation, presentation and integrity of the Fund's financial statements; (2) the maintenance of appropriate accounting and financial reporting principles and policies; and (3) the maintenance of internal control over financial reporting and other procedures designed to assure compliance with accounting standards and related laws and regulations. The Fund's independent accountants are responsible for planning and carrying out an audit consistent with applicable legal and professional standards and the terms of their engagement letter. Nothing in this Charter shall be construed to reduce the responsibilities or liabilities of the Fund's service providers, including the Fund's independent accountants.

Although the Audit Committee is expected to review appropriately the matters that come before it, such review of a Fund's financial statements by the Audit Committee is not an audit, nor does the Committee's review substitute for the responsibilities of the Fund's management for preparing, or the Fund's independent accountants for auditing, the financial statements. Members of the Audit Committee are not employees of the Fund and, in serving on the Audit Committee, are not, and do not hold themselves out to be, acting as accountants or auditors. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct field work or other types of auditing or accounting reviews or procedures.

In discharging their duties, the members of the Audit Committee are entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by: (1) one or more officers of the Fund whom the Board reasonably believes to be reliable and competent in the matters presented; (2) legal counsel, public accountants, or other persons as to matters the Board reasonably believes are within the person's professional or expert competence; or (3) a committee of the Board.

The appropriate officers of the Fund shall provide or arrange to provide such information, data and services as the Audit Committee may request. The Audit Committee shall have the power and authority to take all action it believes necessary or appropriate to discharge its responsibilities, including the power and authority to retain independent counsel and other advisers. The Fund shall provide for appropriate funding, as determined by the Audit Committee as a committee of the Board, for payment of: (i) compensation to the Fund's independent accountants or any other accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review, or attest services for the Fund,

**CHARTER OF THE NOMINATING COMMITTEE  
OF THE BOARD OF DIRECTORS/TRUSTEES FOR  
THE ROYCE FUNDS LISTED IN APPENDIX A HERETO**

**ORGANIZATION**

The Nominating Committee (the **Committee**) of the Board of Directors/Trustees for the registered investment companies (each, a **Fund**) listed on Exhibit A attached hereto shall be composed solely of Directors/Trustees who are not **interested persons** of the Fund as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the **1940 Act**), and who are **independent** as defined in the applicable listing standards of the national securities exchange or national market quotation system (each, an **Exchange**) on which a Fund is listed or quoted (the **Independent Directors**). The Board of Directors/Trustees of the Fund (the **Board**) shall appoint the members of the Committee (which may or may not be all of the Independent Directors) and shall designate the Chairman of the Committee. The Committee shall have authority to retain its own counsel and other advisers the Committee deems appropriate and shall have the sole authority to approve the compensation and other terms of their retention.

**RESPONSIBILITIES**

The Committee shall identify individuals qualified to serve as Independent Directors of the Fund and shall recommend its nominees for consideration by the full Board.

**IDENTIFICATION AND EVALUATION OF POTENTIAL NOMINEES**

In identifying and evaluating a person as a potential nominee to serve as an Independent Director of the Fund, the Committee should consider among other factors it may deem relevant:

the contribution which the person can make to the Board, with consideration being given to the person's business and professional experience, education and such other factors as the Committee may consider relevant, including but not limited to whether a potential nominee's personal and professional qualities and attributes would provide a beneficial diversity of skills, experience and/or perspective to the Board;

Stockholders who wish to recommend a nominee should send nominations to the Secretary of the Fund which include biographical information and set forth the qualifications of the proposed nominee.

#### **QUORUM**

A majority of the members of the Committee shall constitute a quorum for the transaction of business, and the act of a majority of the members of the Committee present at any meeting at which there is quorum shall be the act of the Committee.
