**Item 1.01 Entry into a Material Definitive Agreement.**

On August 14, 2003, we entered into a three-year European revolving trade accounts receivable financing facility for Euro 230 million or approximately \$273 million as of the fiscal year ended December 31, 2005 (the "European Program") with a financial institution that has an arrangement with an affiliated issuer of third-party commercial paper, which commercial paper program is in turn backstopped by a liquidity facility. The providers of this commercial paper backstop liquidity facility have extended their commitments thereunder through January 13, 2009; accordingly, the availability of financing under the European Program has been extended through such date.
