3. The transfer and listing of the certificate of payment:

(1) The certificate of payment will be transferred to the respective designated DTCC accounts of subscribers on March 31, 2017 and will be listed for trading on the same date. Please refer to the updated passbook of the securities agents.

(2) Shareholders who do not have a designated DTCC account shall liaise with President Securities Corporation, the Company's share registrar, to arrange transfer to such shareholder's securities accounts. A stamped Application for Transfer of Securities must be presented.

(3) Subscribers shall not request for delivery of the certificate of payment.

4. The shares represented by the certificate of payment will be issued in non-physical form in 30 days after the Company's registration of change of share capital is approved by relevant authorities. Upon such issuance, the certificate of payment will be canceled and replaced by the shares. Further announcement(s) in relation to such issuance will be made.

5. Notice is hereby given.

This announcement does not constitute an offer to sell or the solicitation of an offer to purchase any securities in the United States or any other jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. No securities may be offered or sold in the United States absent registration or an applicable exemption from registration requirements. Any public offering of securities to be made in the United States will be made by means of a prospectus that may be obtained from the Company. Such prospectus will contain detailed information about the Company and management, as well as financial statements. The Company has registered the rights offering portion of the offering in the United States. Otherwise, no public offering of securities is to be made by the Company in the United States.

Safe Harbor Notice:

This announcement contains "forward-looking statements" within the meaning of Section 27A of the United States Securities Act of 1933, as amended, and Section 21E of the United States Securities Exchange Act of 1934, as amended, including statements regarding our future results of operations and business prospects. Although these forward-looking statements, which may include statements regarding our future results of operations, financial condition or business prospects, are based on our own information and information from other sources we believe to be reliable, you should not place undue reliance on these forward-looking statements, which apply only as of the date of this press release. The words "anticipate," "believe," "estimate," "expect," "intend," "plan" and similar expressions, as they relate to us, are intended to identify these forward-looking statements in this press release. Our actual results of operations, financial condition or business prospects may differ materially from those expressed or implied in these forward-looking statements for a variety of reasons, including risks associated with cyclical and market conditions in the semiconductor or electronic industry; changes in our regulatory environment, including our ability to comply with new or stricter environmental regulations and to resolve environmental liabilities; demand for the outsourced semiconductor packaging, testing and electronic manufacturing services we offer and for such outsourced services generally; the highly competitive semiconductor or manufacturing industry we are involved in; our ability to introduce new technologies in order to remain competitive; international business activities; our business strategy; our future

expansion plans and capital expenditures; the uncertainties as to whether we can complete the acquisition of 100% of Siliconware Precision Industries Co., Ltd. shares not otherwise owned by ASE; the strained relationship between the Republic of China and the People's Republic of China; general economic and political conditions; the recent global economic crisis; possible disruptions in commercial activities caused by natural or human-induced disasters; fluctuations in foreign currency exchange rates; and other factors. For a discussion of these risks and other factors, please see the documents we file from time to time with the Securities and Exchange Commission, including our 2015 Annual Report on Form 20-F filed on April 29, 2016.
