Edgar Filing: AMEREN CORP - Form U-1/A

as previously amended by Amendment No. 1, filed March 22, 2001, is hereby further amended as follows:

Subsection 1.2 of Item 1 - Description of Proposed Transaction, is amended  
-----  
and restated to read as follows:

1.2 Requested Approval. Ameren Fuels requests authorization to provide  
-----  
fuel procurement and natural gas supply services to (including acting as agent for) Union Electric and CIPS. Such services, which are similar to those that Ameren Services currently provides to Union Electric and CIPS, would be provided "at cost" in accordance with Section 13(b) of the Act and Rules 90 and 91 thereunder. Ameren Fuels proposes to provide such services pursuant to the terms of the Fuel and Natural Gas Services Agreement (the "Agreement") filed herewith as Exhibit B. The Agreement includes provisions to protect the interests of Ameren's state utility regulators and the retail customers of Union Electric and CIPS.

The Agreement has been filed with the Missouri and Illinois public utilities commissions. Ameren Fuels will employ an accounting system that will enable it to identify, track and properly allocate direct and indirect costs associated with all of its activities.

Upon the commencement of services under the Agreement by Ameren Fuels, Ameren Services will discontinue rendering any fuel procurement and natural gas supply services to Union Electric and CIPS, and the service agreement between Ameren Services and Union Electric and CIPS will be appropriately modified.
