The Registrant, a small business issuer with limited resources, has been behind in filing its periodic reports since 2003. In an effort to become current the company has focused its attention and resources on completing its past due financial audits and filing a comprehensive Form 10-KSB covering the fiscal years ended 2003, 2004 and 2005. As a result, the Registrant is unable to file its Form 10-QSB for the first fiscal quarter of 2007 within the prescribed time period without unreasonable effort or expense. The Registrant is currently preparing its past due periodic reports for filing with the SEC.
