BANCOLOMBIA: ADDITIONAL ANNOUNCEMENT

Medellin, Colombia, January 05, 2006

Mr. Ricardo Calvete Rangel, the attorney of Mr. Jorge Londono Saldarriaga, President of Bancolombia, S.A. ("Bancolombia"), was notified today of the resolution issued by the General Attorney's Office on January 4, 2007, which authorizes the prosecution of Mr. Jorge Londono Saldarriaga and Mr. Federico Ochoa B., Executive and Services Vice President of Bancolombia.

After reviewing the resolution, in our opinion, we find major flaws that we expect to be corrected immediately by the prosecutor and Mr. Jorge Londono Saldarriaga, through his attorney, will initiate the necessary actions and proceedings to correct the significant errors that the prosecutor has made.

The decision of the prosecutor does not affect the equity of Bancolombia or its solvency, its business and operations, or its obligations with its customers and clients.

During the acquisition and merger process, Bancolombia and its officers acted with the highest degree of loyalty and transparency, and the transactions conducted with the shareholders followed the requirements established by law.

Neither Bancolombia nor its officers have made any improper use of public funds, nor have they appropriated any such funds. On the contrary, all funds entrusted to Bancolombia by our clients have been managed with the highest degree of care.

Bancolombia's acts in the acquisition and merger process have been thoroughly analyzed at various judicial and administrative levels, including the Supreme Court of Justice, the State Council ("Consejo de Estado"), the Administrative Tribunal of Cundinamarca ("Tribunal Contencioso Administrativo de Cundinamarca"), the Superior Court of Bogota, the Superior Court of Medellin and three arbitration panels, and the former Superintendencies of Banking and Securities (currently the Superintendency of Finance of Colombia). These multiple levels of review have cleared Bancolombia and its officers and directors of the same fraud charges which are now being pressed by the prosecutor against these officers of Bancolombia. Indeed, the prosecutor's actions contradict previous decisions of the first and second instances of the same prosecutor.

The officers of Bancolombia, through their attorneys will continue to work on this matter with the highest diligence and will initiate all available judicial proceedings against the unexpected decision of the prosecutor.
