PROXY STATEMENT
FOR
MEETING OF STOCKHOLDERS
TUESDAY, MAY 22, 2007**

INTRODUCTION

The annual meeting of stockholders (the Meeting) of PGT, Inc, a Delaware corporation (the Company or PGT) will be held on May 22, 2007, beginning at 12:00 p.m., local time, at Roosevelt Hotel, Madison Avenue at 45th Street, New York, NY 10017. We encourage all of our stockholders to vote at the Meeting, and we hope that the information contained in this document will help you decide how you wish to vote at the Meeting.

The Board of Directors does not intend to bring any matter before the Meeting except as specifically indicated in the notice and does not know of anyone else who intends to do so. If any other matters properly come before the Meeting, however, the persons named in the enclosed proxy, or their duly constituted substitutes acting at the Meeting, will be authorized to vote or otherwise act thereon in accordance with their judgment on such matters. If the enclosed proxy is properly executed and returned to, and received by, the Company prior to voting at the Meeting, the shares represented thereby will be voted in accordance with the instructions marked thereon. In the absence of instructions, the shares will be voted FOR Proposal One, the nominees of the Board of Directors in the election of the three directors whose terms of office will extend until the 2010 annual meeting of stockholders and until their respective successors are duly elected and qualified; and FOR Proposal Two, the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the 2007 fiscal year. Any proxy may be revoked at any time before its exercise by notifying the Secretary of PGT in writing, by delivering a duly executed proxy bearing a later date, or by attending the Meeting and voting in person.

THE MEETING OF STOCKHOLDERS

Why did I receive these proxy materials?

We are furnishing this proxy statement in connection with the solicitation by the Company's Board of Directors of proxies to be voted at the Meeting and at any adjournment or postponement. At the Meeting, stockholders will act upon the following proposals:

To elect three directors to the Board of Directors to serve until our 2010 annual meeting of stockholders or until their successors are duly elected and qualified,

To ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the 2007 fiscal year, and

To act on any other matter that may properly come before the Meeting.

These proxy solicitation materials are being sent to our stockholders on or about April 20, 2007.

What do I need to attend the meeting?

Attendance at the Meeting is limited to stockholders. Registration will begin at 11:00 a.m. local time, and each stockholder will be asked to present a valid form of personal identification. Cameras, recording devices and other electronic devices will not be permitted at the meeting. Additional rules of conduct regarding the Meeting will be

provided at the Meeting.

Who is entitled to vote at the meeting?

The Board of Directors has determined that those stockholders who are recorded in our record books as owning shares of PGT common stock as of the close of business on April 9, 2007, are entitled to receive

Table of Contents

notice of and to vote at the Meeting. As of the record date, there were 27,003,686 shares of PGT common stock issued and outstanding. Your shares may be (i) held directly in your name as the stockholder of record and/or (ii) held for you as the beneficial owner through a stockbroker, bank or other nominee. Our common stock is our only class of outstanding voting securities. Each share of common stock is entitled to one vote on each matter properly brought before the Meeting. There are no dissenters' rights of appraisal in connection with any stockholder vote to be taken at the Meeting.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Most of our stockholders hold their shares through a stockbroker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record

If your shares are registered directly in your name with our transfer agent, LaSalle Bank, N.A., you are considered, with respect to those shares, the stockholder of record, and these proxy materials are being sent directly to you by us. As the stockholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the Meeting. We have enclosed or sent a proxy card for you to use.

Beneficial Owner

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker, bank or nominee which is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker on how to vote your shares and are also invited to attend the Meeting. However, because you are not the stockholder of record, you may not vote these shares in person at the Meeting unless you obtain a signed proxy from the record holder giving you the right to vote the shares. Your broker, bank or nominee has enclosed or provided a voting instruction card for you to use in directing the broker or nominee how to vote your shares. If you do not provide the stockholder of record with voting instructions, your shares may constitute broker non-votes. The effect of broker non-votes is more specifically described in "What vote is required to approve each item?" below.

How can I vote my shares in person at the meeting?

Shares of PGT common stock held directly in your name as the stockholder of record may be voted in person at the Meeting.

SHARES HELD BENEFICIALLY IN STREET NAME MAY BE VOTED IN PERSON BY YOU ONLY IF YOU OBTAIN A SIGNED PROXY FROM THE RECORD HOLDER GIVING YOU THE RIGHT TO VOTE THE SHARES.

EVEN IF YOU CURRENTLY PLAN TO ATTEND THE MEETING, WE RECOMMEND THAT YOU ALSO SUBMIT YOUR PROXY AS DESCRIBED BELOW SO THAT YOUR VOTE WILL BE COUNTED IF YOU LATER DECIDE NOT TO ATTEND THE MEETING.

How can I vote my shares without attending the meeting?

Edgar Filing: PGT, Inc. - Form DEF 14A

Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct your vote without attending the Meeting. You may vote by granting a proxy or, for shares held in street name, by submitting voting instructions to your broker, bank or nominee.

Please refer to the summary instructions below or, for shares held in street name, the voting instruction card included by your broker, bank or nominee.

BY INTERNET OR TELEPHONE If you hold shares through a broker or other nominee in street name, you may be able to vote by the internet or telephone as permitted by your broker or nominee. The

Table of Contents

availability of internet and telephone voting for beneficial owners will depend on the voting processes of your broker, bank or other holder of record. Therefore, we recommend that you follow the voting instructions you receive.

BY MAIL You may do this by marking, signing and dating your proxy card or, for shares held in street name, the voting instruction card included by your broker, bank or nominee and mailing it in the accompanying enclosed, pre-addressed envelope. If you provide specific voting instructions, your shares will be voted as you instruct. If the pre-addressed envelope is missing, please mail your completed proxy card to Innisfree M&A Incorporated, 501 Madison Avenue, 20th Floor, New York, NY 10022.

If you cast your vote in either of the ways set forth above, your shares of PGT common stock will be voted in accordance with your voting instructions, unless you validly revoke your proxy. We do not currently anticipate that any other matters will be presented for action at the Meeting. If any other matters are properly presented for action, the persons named on your proxy will vote your shares of PGT common stock on these other matters in their discretion, under the discretionary authority you have granted to them in your proxy.

IF YOUR PROPERLY EXECUTED PROXY DOES NOT SPECIFY HOW YOUR SHARES ARE TO BE VOTED, YOUR SHARES OF PGT COMMON STOCK WILL BE VOTED FOR THE ELECTION OF EACH NOMINEE NAMED UNDER THE SECTION OF THIS DOCUMENT CAPTIONED ELECTION OF DIRECTORS, AND WILL BE VOTED FOR THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG, LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE 2007 FISCAL YEAR, AND WILL BE COUNTED AS ABSTENTIONS WITH REGARDS TO ANY STOCKHOLDER PROPOSAL. UNDER DELAWARE LAW, ABSTENTIONS HAVE THE SAME EFFECT AS A VOTE AGAINST THE PROPOSAL.

Can I change my vote after I submit my proxy?

Yes. Even after you have submitted your proxy, you may change your vote at any time prior to the close of voting at the Meeting by:

filing with our Secretary at 1070 Technology Drive, North Venice, Florida 34275 a signed, original written notice of revocation dated later than the proxy you submitted,

submitting a duly executed proxy bearing a later date, or

attending the Meeting and voting in person.

In order to revoke your proxy, we must receive an original notice of revocation of your proxy at the address above sent by U.S. mail or overnight courier. You may not revoke your proxy by any other means. If you grant a proxy, you are not prevented from attending the Meeting and voting in person. However, your attendance at the Meeting will not by itself revoke a proxy that you have previously granted; you must vote in person at the Meeting to revoke your proxy.

If your shares of PGT common stock are held in a stock brokerage account or by a bank or other nominee, you may revoke your proxy by following the instructions provided by your broker, bank or nominee.

All shares of PGT common stock that have been properly voted and not revoked will be voted at the Meeting.

Is there a list of stockholders entitled to vote at the Meeting?

A complete list of stockholders entitled to vote at the Meeting will be open for examination by PGT stockholders for any purpose germane to the Meeting, during regular business hours, for a period of ten days prior to the meeting, at the Company's principal place of business and at the Meeting.

What constitutes a quorum to transact business at the Meeting?

Before any business may be transacted at the Meeting, a quorum must be present. The presence at the Meeting, in person or by proxy, of the holders of a majority of the shares of PGT common stock outstanding and entitled to vote on the record date will constitute a quorum. At the close of business on the record date, 27,003,686 shares of our common stock were issued and outstanding. Proxies received but marked as

Table of Contents

abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the Meeting for purposes of a quorum.

What is the recommendation of the Board of Directors?

Our Board of Directors recommends a vote FOR the election of each of our three nominees to the Board of Directors to serve until our 2010 annual meeting of stockholders and recommends a vote FOR the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the 2007 fiscal year.

Unless you give other instructions either via your proxy card or your electronic vote, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of our Board of Directors.

With respect to any other matter that properly comes before the Meeting, the proxy holders will vote in accordance with their judgment on such matter.

What vote is required to approve each item?

Election of directors named in Proposal One are elected by a plurality of the votes present in person or represented by proxy and entitled to vote, and the director nominees who receive the greatest number of votes at the Meeting (up to the number of directors to be elected) will be elected. You may vote FOR or WITHHELD with respect to election of directors. Shares will be voted, if authority to do so is not withheld, for election of the Board of Directors' nominees named in Proposal One. Only votes FOR or WITHHELD are counted in determining whether a plurality has been cast in favor of a director. Broker non-votes, if any, will not affect the outcome of the vote on the election of directors.

The affirmative vote of at least a majority of our issued and outstanding common stock present, in person or by proxy, and entitled to vote at the Meeting will be required to ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the 2007 fiscal year.

The affirmative vote of at least a majority of our issued and outstanding common stock present, in person or by proxy, and entitled to vote at the Meeting will be required to approve any stockholder proposal unless otherwise required by our Amended and Restated Certificate of Incorporation, our Amended and Restated By-laws or Delaware law. Under applicable Delaware law, in determining whether any stockholder proposal has received the requisite number of affirmative votes, abstentions and broker non-votes will be counted and will have the same effect as a vote against any stockholder proposal.

A broker non-vote occurs when a bank, broker or other holder of record holding shares for a beneficial owner does not vote on a particular proposal because that holder does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. If you are a beneficial owner, your bank, broker or other holder of record is permitted to vote your shares on the election of directors even if the record holder does not receive voting instructions from you. Absent instructions from you, the record holder may not vote on any non-discretionary matter which includes any stockholder proposal. Without your voting instructions, a broker non-vote will occur. An abstention will occur at the Meeting if your shares of PGT common stock are deemed to be present at the Meeting, either because you attend the Meeting or because you have properly completed and returned a proxy, but you do not vote on any proposal or other matter which is required to be voted on by our stockholders at the Meeting. You should consult your broker if you have questions about this.

What does it mean if I receive more than one proxy or voting instruction card?

It means your shares are registered differently or are in more than one account. Please provide voting instructions for all proxy and voting instruction cards you receive.

Table of Contents

Where can I find the voting results of the meeting?

We will announce preliminary voting results at the Meeting and publish final results in our quarterly report on Form 10-Q for the second quarter of fiscal year 2007.

Who will count the votes?

A representative of LaSalle Bank, our transfer agent, will both tabulate the votes and serve as the inspector of election.

Who will pay for the cost of this proxy solicitation?

We are making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. To assist us in soliciting proxies, we have retained Innisfree M&A Incorporated, a proxy solicitation firm, and we have agreed to pay Innisfree M&A Incorporated a fee of \$8,000, and all reasonable out-of-pocket expenses incurred by it in connection with the provision of its services. We will request banks, brokers, nominees, custodians and other fiduciaries, who hold shares of PGT common stock in street name, to forward these proxy solicitation materials to the beneficial owners of those shares and we will reimburse them the reasonable out-of-pocket expenses they incur in doing so.

How can I access the Company's proxy materials and annual report electronically?

A copy of our Annual Report on Form 10-K for the fiscal year ended December 30, 2006 is being mailed concurrently with this proxy statement to all stockholders entitled to notice of and to vote at the Meeting. A copy of our Annual Report on Form 10-K and these proxy materials are available without charge on the Investor Relations section of our Company website at www.pgtinc.com under the heading Corporate Governance. The Company's Amended and Restated By-laws provide that, in order for a stockholder to propose any matter for consideration at an annual meeting of the Company other than matters set forth in the Notice of Meeting, such stockholder must have given timely prior written notice to the Secretary of the Company of such stockholder's intention to bring such business before the meeting. To be timely for the 2008 Annual Meeting of Stockholders, notice must be received by the Company not less than ninety days nor more than one hundred twenty days prior to May 22, 2008, which will be the anniversary date of the prior year's meeting (or if the meeting date for the 2008 annual meeting is not within thirty days before or after the anniversary date of the prior year's meeting, then not later than the tenth day following the first to occur of the day on which the notice of the date of the meeting is mailed or public disclosure thereof is made). Such notice must contain certain information about such business and the stockholder who proposes to bring the business before the meeting, including a brief description of the business the stockholder proposes to bring before the meeting, the reasons for conducting such business at the annual meeting, the name and address of the stockholder, the class and number of shares of common stock beneficially owned by such stockholder, and any material interest of such stockholder in the business so proposed. PROPOSAL ONE

ELECTION OF DIRECTORS

There are currently nine members of our Board of Directors. Pursuant to the Company's Amended and Restated Certificate of Incorporation, the Board is classified, which means it is divided into three classes of directors based on the expiration of their terms. Under the classified board arrangement, directors are elected to terms that expire on the annual meeting date three years following the annual meeting at which they were elected, and the terms are staggered so that the terms of approximately one-third of the directors expire each year. At the Meeting, our stockholders will elect three directors to hold office until the 2010 annual meeting of stockholders and until their respective successors have been duly elected and qualified. Accordingly, this Proposal I, seeks the election of three directors (Messrs. Alexander R. Castaldi, M. Joseph McHugh, and Randy L. White., as Class I directors) whose terms expire in 2007.

The Board of Directors has nominated Messrs. Castaldi, McHugh, and White to serve again as Class I directors until the 2010 annual meeting of stockholders and until their respective successors have been duly elected and qualified. Each nominee has consented to continue to serve as a director if elected at the Meeting. Should a nominee become unavailable to accept election as a director, the persons named in the enclosed proxy will vote the shares that such proxy represents for the election of such other person as the Board of Directors may nominate. We have no reason to believe that any of the nominees will be unable to serve.

THE BOARD OF DIRECTORS RECOMMENDS VOTING FOR THE ELECTION OF THE THREE CLASS I DIRECTOR NOMINEES.

INFORMATION REGARDING THE BOARD AND ITS COMMITTEES

Board Purpose and Structure

The mission of the Board of Directors is to provide strategic guidance to the Company's management, to monitor the performance and ethical behavior of the Company's management, and to maximize the long-term financial return to the Company's stockholders, while considering and appropriately balancing the interests of other stakeholders and constituencies. The Board is comprised of nine directors.

Director Independence

The Board of Directors applies standards in affirmatively determining whether a director is independent, in compliance with the rules of NASDAQ Marketplace Rules (the "NASDAQ Rules"). The Board of Directors, in applying the above-referenced standards, has affirmatively determined that Messrs. Feintuch and McHugh also are independent directors. As part of the Board's process in making such determination, it also determined that each such director has no other material relationship with the Company that could interfere with his ability to exercise independent judgment.

In addition, our Board of Directors has affirmatively determined that Messrs. Feintuch and McHugh also are independent under the SEC's standards for independent audit committee members.

In addition to Messrs. Feintuch and McHugh, our Board of Directors includes: one management director, Mr. Hershberger, who is the Company's President and CEO; four directors (Chairman Levy and Messrs. Castaldi, Frank and Milgrim) who are affiliated with our majority stockholder; and Messrs. Sherman and White.

Table of Contents

As part of its annual evaluation of director independence, the Board examined whether any transactions or relationships exist currently (or existed during the past three years), between each independent director and the Company, its subsidiaries, affiliates, equity investors, or independent auditors and the nature of those relationships under the relevant NASDAQ and SEC standards. The Board also examined whether there are (or have been within the past year) any transactions or relationships between each independent director and any executive officer of PGT or its affiliates. As a result of this evaluation, the Board has affirmatively determined that each independent director is independent under those criterion. Independent directors meet in regularly scheduled executive sessions outside the presence of other directors and management representatives. Interested parties, including stockholders, may communicate with the Chairman of the Board of Directors or the independent directors as a group through the process described in this proxy statement under the heading Corporate Governance Policy on Stockholder-Director Communications.

Board Meetings and Attendance

We became a public company on June 27, 2006. In 2006, including both regularly scheduled and special meetings, our Board of Directors met a total of seven times, and the Audit Committee met a total of three times. During 2006, all of the meetings of the Board of Directors were attended by 100% of the Company's directors, and 100% of the members of the Audit Committee attended all of the meetings of the Audit Committee held during the period in which they served on such committee. Pursuant to the PGT, Inc. Policy on Director Attendance at Annual Meetings of Stockholders, which can be obtained without charge on the Investor Relations section of our Company website at www.pgtinc.com under the heading Corporate Governance, all directors are strongly encouraged to attend the annual meeting in person. Any director who is unable to attend an Annual Meeting of Stockholders is expected to notify the Chairman of the Board in advance of such meeting.

Controlled Company Exemption and Committees

As of the date hereof, we continue to be a Controlled Company for purposes of Rule 4350(c)(5) of the NASDAQ Rules by virtue of the fact that our majority stockholder continues to hold approximately 53% of the voting power of our common stock. As a Controlled Company, we are exempt from the provisions of the NASDAQ Rules that require us to have a Board of Directors comprised of a majority of independent directors and to maintain a compensation and a nominating committee. Accordingly, the Audit Committee is the only standing committee of the Board. The Board believes that in light of its current status as a Controlled Company and its adoption of the Policy on the Director Nomination Process, it has in place adequate processes to identify, evaluate, select and nominate qualified director candidates. If we cease to be a Controlled Company under the NASDAQ Rules, we will come into full compliance with all of the requirements thereof within the applicable transition periods provided for by the NASDAQ Rules.

Audit Committee

The Audit Committee's purpose is to assist the Board of Directors in fulfilling its responsibilities with respect to the oversight of the accounting and financial reporting practices of PGT, including oversight of the integrity of our financial statements and compliance with legal and regulatory requirements, and the qualifications, independence and performance of our independent registered public accounting firm. The Audit Committee is also charged with preparation of an audit committee report, retention and termination of our independent registered public accounting firm, annual review of the report of our independent registered public accounting firm, and discussion with our independent registered public accounting firm of the audited and quarterly financial statements of PGT and any audit problems or difficulties and management's response thereto. The Audit Committee charter, adopted by our Board of Directors on June 2, 2006, can be obtained without charge on the Investor Relations section of our Company website at www.pgtinc.com under the heading Corporate Governance.

The Audit Committee is comprised of two independent directors (as that term is defined by the NASDAQ Rules and SEC regulations), Messrs. Feintuch and McHugh, as well as Mr. Castaldi, who is affiliated with our majority stockholder. Mr. McHugh serves as the Chairman of the Audit Committee. The Audit Committee met three times during 2006. During each meeting, the Audit Committee met privately with the Company's independent registered public accounting firm. The Board of Directors has: (i) affirmatively determined that all Audit Committee

members are financially literate and possess financial sophistication as defined by the NASDAQ Rules; (ii) has designated Messrs. McHugh and Castaldi, as audit committee financial experts under the SEC's guidelines; and (iii) determined that Messrs. McHugh and Feintuch meet the independence standards of both the SEC rules and the NASDAQ Rules for Audit Committee members. Additionally, the Board determined that, given his financial experience and knowledge of the Company, the service of Mr. Castaldi on the Audit Committee is in the best interests of the Company and its stockholders.

Information on the Compensation of Directors

In connection with the Company's initial public offering of its common stock, on June 2, 2006, our Board of Directors approved, for all non-management directors, other than those affiliated with our majority stockholder (currently Messrs. Feintuch, McHugh, Sherman, and White), the following compensation: (i) an annual cash retainer of \$40,000; (ii) a grant under the Company's 2006 Equity Incentive Plan of restricted shares of common stock with a value at the time of issuance of approximately \$40,000 per year for each year of service as a director; (iii) a fee of \$1,000 per day for each meeting of the Board of Directors (or committee thereof) attended; (iv) an annual cash retainer of \$5,000 for each committee on which they serve; and (v) reimbursement of reasonable travel expenses. We have not paid, and currently do not intend to pay, compensation to individuals serving on our Board who are employees or affiliates of the Company for their service as directors.

No Material Proceedings

As of March 21, 2007, there were no material proceedings to which any of our directors, executive officers or affiliates, or any owner of record or beneficially of more than five percent of our common stock (or their associates), is a party adverse to the Company or any of its subsidiaries or has a material interest adverse to the Company or any of its subsidiaries.

CORPORATE GOVERNANCE

We are committed to conducting our business in a way that reflects best practices, as well as the highest standards of legal and ethical conduct. We want to be a company of integrity and to be perceived as such by everyone who comes in contact with us. To that end, the Board of Directors has approved a comprehensive system of corporate governance documents. These documents meet or exceed the requirements established by the NASDAQ Rules and by the SEC and are reviewed periodically and updated as necessary to reflect changes in regulatory requirements and evolving oversight practices. These policies embody the principles, policies, processes, and practices followed by the Board, executive officers and employees in governing the Company, and serve as a flexible framework for sound corporate governance.

Code of Business Conduct and Ethics

Properly reflecting PGT's desire and commitment to conducting business in the highest ethical and legal standards, on June 2, 2006 our Board of Directors adopted: (i) a Code of Business Conduct and Ethics that applies to the Company's directors, officers and employees, and (ii) a Supplemental Code of Ethics for our Chief Executive Officer, President, and Senior Financial Officers. Our Corporate Counsel, in conjunction with representatives from our Human Resources and Accounting departments, oversees and administers both our Code of Business Conduct and Ethics and Supplemental Code of Ethics.

The Company's Code of Business Conduct and Ethics includes provisions ranging from restrictions on gifts and respect for colleagues to conflicts of interest and insider trading. Upon employment with the Company, all employees are required to affirm in writing their acceptance of the code. Copies of the code can be obtained without charge on

the Investor Relations section of our Company website at www.pgtinc.com under the heading Corporate Governance or by written request to the Company at the address appearing on the first page of this proxy statement to the attention of Director of Investor Relations.

Violations of our Supplemental Code of Ethics may be reported to the Audit Committee. Copies of the code and any waiver or amendment to such code can be obtained without charge on the Investor Relations

section of our Company website at www.pgtinc.com under the heading "Corporate Governance" or by written request to the Company at the address appearing on the first page of this proxy statement to the attention of Director of Investor Relations.

Our employees are encouraged to anonymously report any suspected violations of laws, regulations, unethical business practices, and/or the Code of Business Conduct and Ethics, via a web-based reporting system or a continuously monitored hotline.

Within five business days of: (i) any amendment to our Code of Business Conduct and Ethics or our Supplemental Code of Ethics, or (ii) the grant of any waiver, including an implicit waiver, from a provision of one of these policies to one of these officers that relates to one or more of the items set forth in Item 406(b) of Regulation S-K, we will provide information regarding any such amendment or waiver (including the nature of any waiver, the name of the person to whom the waiver was granted and the date of the waiver) on the Investor Relations section of our Company website at www.pgtinc.com under the heading "Corporate Governance". In addition, we will disclose any amendments and waivers to our Code of Business Conduct and Ethics and our Supplemental Code of Ethics as required by the NASDAQ Rules and the SEC regulations.

Director Nomination Process

By-law Provisions for Stockholder Recommendations for Director Candidates

PGT, Inc.'s Amended and Restated By-laws provide that no director may be nominated by a stockholder for election at an annual meeting unless the stockholder (i) has delivered to the Secretary within the time limits described in the By-laws a written notice containing the information specified in the By-laws and (ii) was a stockholder of record at the time such notice was delivered to the Secretary. Accordingly, in order for a stockholder's nomination of a person for election to the Board of Directors to be considered by the stockholders at the 2008 annual meeting in accordance with the Company's By-laws, the required written notice must be received by our Secretary on or after January 23, 2008 but no later than February 22, 2008. Only individuals who are nominated in accordance with the procedures set forth in the By-laws are eligible to stand for election as directors at a meeting of stockholders and to serve as directors. A copy of the Company's Amended and Restated By-laws can be obtained without charge on the Investor Relations section of our Company website at www.pgtinc.com under the heading "Corporate Governance" or by written request to the Secretary, 1070 Technology Drive, North Venice, Florida 34275.

A current copy of the Policy on Stockholder Recommendations for Director Candidates and Stockholder-Director Communications is available on the Corporate Governance section of our website. To have a candidate considered by the Board, a stockholder must submit the recommendation in writing and must include the following information:

Whether the stockholder intends to appear in person or by proxy at the meeting to make the nomination;

Any other information relating to either the stockholder or the candidate that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder.

The stockholder recommendation and information described above must be sent to the Secretary at 1070 Technology Drive, North Venice, Florida 34275 and must be delivered to or mailed and received by the Secretary (i) in the case of an annual meeting, not less than ninety (90) days nor more than one hundred twenty (120) days prior to the anniversary date of the immediately preceding annual meeting of stockholders; however, in the event that the annual meeting is called for a date that is not within thirty (30) days before or after such anniversary date, notice by the stockholder in order to be timely must be so received not later than the close of business on the tenth (10th) day following the day on which such notice of the date of the annual meeting was mailed or such public disclosure of the date of the annual meeting was made, whichever first occurs; and (ii) in the case of a special meeting of stockholders called for the purpose of electing directors, not later than the close of business on the tenth (10th) day following the day on which notice of the date of the special meeting was mailed or public disclosure of the date of the special meeting was made, whichever first occurs.

The policy also describes the process for stockholders to send communications to the Board. Stockholders, and other interested parties, may contact any member (or all members) of the Board (including the non-management directors as a group, any Board committee or any chair of any such committee) by mail, electronically or by calling the Company's independent, toll-free Compliance Line. To communicate with the Board of Directors, any individual directors or any group or committee of directors, correspondence should be addressed to the Board of Directors or any such individual directors or group or committee of directors by either name or title. All such correspondence should be sent c/o Secretary at 1070 Technology Drive, North Venice, Florida 34275. All communications received as set forth above will be opened by the office of our Corporate Counsel for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service, or patently offensive material will be forwarded promptly to the addressee. In the case of communications to the Board or any group or committee of directors, the Corporate Counsel's office will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the envelope or e-mail is addressed.

Policy Regarding Processes for Identifying and Evaluating Director Nominees

The Board of Directors has also adopted a Policy Regarding Processes for Identifying and Evaluating Director Nominees that describes the process followed by the Board to identify, evaluate, select and nominate director candidates. A copy of the Policy on the Director Nomination Process is available without charge on the Investor Relations section of our Company website at www.pgtinc.com under the heading Corporate Governance.

The Board of Directors believes that the minimum qualifications for serving as a director of the Company are that a nominee demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board's oversight of the business and affairs of the Company and have a record and reputation for honest and ethical conduct in both his or her professional and personal activities. Nominees for director shall be those people who the Board believes, after taking into account, among other things, their skills, expertise, integrity, character, judgment, age, independence, corporate experience, length of service, conflicts of interest and commitments, including, among other things, service on the boards (or comparable governing bodies) of other public companies, private business companies, charities, civic bodies or similar organizations and other qualities, will enhance the Board's ability to manage and direct, in an effective manner, the affairs and business of the Company, including, when applicable, to enhance the ability of committees of the Board to fulfill their duties and satisfy any independence requirements

imposed by law, regulation or the NASDAQ Rules.

The Board will identify potential nominees by asking current directors and executive officers to notify the Board if they become aware of persons meeting the criterion described above or by engaging a firm or firms that specialize in identifying director candidates. The Board also will consider candidates recommended by stockholders as described above.

Table of Contents

Notwithstanding the foregoing, so long as the Company continues to be a Controlled Company (within the meaning of NASDAQ Rule 4350(c)(5)), the Board will be guided by the recommendations of the Company's majority stockholder in its nomination process.

Auditor Services Pre-Approval Policy

The charter of the Audit Committee, available on the Corporate Governance section of our web site, tasks the Audit Committee with the responsibility of appointing, compensating, retaining and overseeing the work of the Company's independent registered public accounting firm, and defines the principles and procedures followed by the Audit Committee in overseeing the annual audit, quarterly reviews, financial reporting process and internal controls.

The Audit Committee is responsible for pre-approving all audit services and permitted non-audit services (including the fees and retention terms) to be performed for us by Ernst & Young LLP prior to their engagement for such services. The Audit Committee has adopted a pre-approval policy pursuant to which the Audit Committee establishes detailed pre-approved categories of non-audit services that may be performed by Ernst & Young LLP during the fiscal year, subject to dollar limitations set by the Audit Committee. All of the fees paid to Ernst & Young LLP under the categories Audit-Related, Tax and All Other were pre-approved by the Audit Committee, and none of such fees were approved in reliance on the de minimis exception established by the Securities and Exchange Commission.

In accordance with the Sarbanes-Oxley Act of 2002, the Audit Committee also has established procedures for the receipt, retention, and treatment of complaints regarding accounting, internal accounting controls, or auditing matters and for the confidential, anonymous submission by our employees of concerns regarding accounting or auditing matters.

PROPOSAL TWO

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has re-appointed Ernst & Young LLP, independent registered public accounting firm, to audit the consolidated financial statements of the Company for the fiscal year ending December 29, 2007. As a matter of good corporate governance, the Company's stockholders will be requested to ratify the Audit Committee's selection at the Meeting. Ernst & Young LLP has audited the Company's consolidated financial statements since 2001.

Although there is no requirement that Ernst & Young LLP's appointment be terminated if the ratification fails, the Audit Committee will consider the appointment of other independent registered public accounting firms if the stockholders choose not to ratify the appointment of Ernst & Young LLP. The Audit Committee may terminate the appointment of Ernst & Young LLP as our independent registered public accounting firm without the approval of the stockholders whenever the Audit Committee deems such termination appropriate.

Amounts paid by us to Ernst & Young LLP for audit and non-audit services rendered in 2006 and 2005 are disclosed on page 30.

Representatives of Ernst & Young LLP are expected to be present at the Meeting, will be afforded the opportunity to make a statement if they desire to do so, and are expected to be available to respond to appropriate questions.

The Company has been advised by Ernst & Young LLP that neither the firm, nor any member of the firm, has any financial interest, direct or indirect, in any capacity in the Company or its subsidiaries.

The Audit Committee negotiates the annual audit fee directly with the Company's independent auditors. The Audit Committee also establishes pre-approved limits for which the Company's management can engage the Company's independent auditors for specific services. Any work which exceeds these pre-approved limits in a quarter requires the advance approval of the Audit Committee. Each quarter the Audit Committee reviews

and approves all work done by the independent auditors during the previous quarter and establishes any pre-approved limits for the current quarter. All fees for fiscal 2006 were approved by the Audit Committee.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers, directors, and persons who beneficially own more than 10% of a registered class of our equity securities, to file with the SEC reports of

ownership and changes in ownership of PGT equity securities. Executive officers, directors, and beneficial owners of greater than 10% of our outstanding securities are required by SEC regulations to provide us with copies of all Section 16(a) forms that they file. Based solely on review of the copies of such forms furnished to us and written representations from our executive officers and directors that no other reports were required, we believe that for the period from June 27, 2006, the date on which we became subject to Section 16(a), through December 30, 2006, all of our executive officers, directors and greater than 10% beneficial owners complied with all Section 16(a) filing requirements applicable to them.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

In the discussion that follows, we provide an overview and analysis of our compensation program and policies, the material compensation decisions we have made under those programs and policies with respect to our top executive officers, and the material factors that we considered in making those decisions. The persons who served as our Chief Executive Officer and Chief Financial Officer during 2006, as well as the other individuals named in the Summary Compensation Table, are referred to as the named executive officers throughout this proxy statement.

Compensation Philosophy and Objectives

PGT believes that the quality, skills and dedication of its named executive officers whose compensation is individually reported in this proxy statement are critical factors affecting the long-term stockholder value of PGT. We also believe that successful compensation programs for executive officers and other key employees, including the named executive officers, must further three primary objectives:

ensuring that compensation is aligned with the enhancement of stockholder value;

attracting and retaining quality personnel by providing rewards, including competitive salaries and benefits, for exemplary company and individual performance; and

providing incentives for future performance.

All compensation policies and decisions are designed to reward employees, including the named executive officers, who demonstrate the capacity to make a significant contribution to our financial and operational performance, thereby furthering the first primary objective referred to above. Key factors that impact each individual's compensation include:

the nature, scope and level of the individual's responsibilities;

PGT's overall performance and profitability, which we primarily measure on an annual basis through net sales, earnings per share and return on operating investment and over the long-term through stock price increases and total return to stockholders; and

the employee's performance compared to specified goals and objectives (which, in the case of the named executive officers, primarily relate to their effectiveness in leading our initiatives to increase sales, productivity, cash flow, income and revenue growth and the value we provide to our stockholders, customers, employees and suppliers).

Compensation to our named executive officers is intended to be competitive with that of similar companies with comparable sales. As part of our assessment, PGT, like other companies, looks to the compensation paid to individuals with similar responsibilities at peer companies. Because peer selection is somewhat difficult due to the lack of publicly-traded companies with which we compete and the lack of available data for privately-held competitors, we focus primarily on compensation levels within our relevant labor market to ensure that PGT's compensation arrangements are in line with companies of its size, attract and retain executive talent and align each executive's interests with those of the stockholders.

Based on our assessment of, among other things, general industry survey data of companies of similar size, we believe our total direct annual compensation to senior management (including our named executive officers), including total cash compensation and the annualized expected value of long-term incentive awards but excluding the cash payment to holders of stock options discussed below under the heading Other Compensation - Cash Payment to Option Holders on page 20, is generally at or below the level of total direct compensation for our peer group.

Table of Contents

Roles and Responsibilities

Each of our Board of Directors, management, and an independent compensation consultant retained by the Company is involved in the development and evaluation of our executive compensation programs. In general, the roles are discussed below; additional details regarding the roles of each are discussed throughout this Compensation Discussion and Analysis section.

Board of Directors. As discussed above under Information Regarding the Board and its Committees Controlled Company Exemption and Committees on page 9, we do not have a Compensation Committee. As such, the Board maintains direct authority and responsibility for the review, evaluation and approval of the compensation structure and pay levels for all of our executive officers. The Board also conducts an annual review and approval of the Chief Executive Officer's annual compensation, including an evaluation of his performance, corporate goals and objectives relevant to his compensation, and his compensation under various circumstances, including upon retirement and upon a change in control.

Management. Our senior leadership team (which includes representation from each of the Company's major functional areas) sets our strategic business and operational objectives and strives to design and develop compensation programs that motivate executives' behaviors consistent with such objectives. In collaboration with the Board of Directors and considering information provided by the compensation consultant, our Chief Executive Officer, Chief Financial Officer and Vice President - Human Resources coordinate the annual review of the compensation programs for the executive officers. Such review includes an evaluation of individual and company performance, competitive practices and trends, and various compensation issues. Based on the outcomes of this review, management makes recommendations to the Board of Directors regarding the compensation of each of the executive officers, other than the Chief Executive Officer.

Compensation Consultant. In 2006, the Company retained the services of Towers Perrin, a compensation consultant, to assist with compensation matters. The role of the consultant was to advise management and the Board of Directors in the executive compensation design process, provide independent compensation data and analysis to facilitate the annual review of the programs, and advise the Board of Directors in their oversight role. The compensation consultant attended meetings with our Board of Directors and management as needed. Specifically, Towers Perrin analyzed PGT's then-current incentive compensation arrangements for PGT's management team, including each of the named executive officers; and utilized an appropriate group of peer companies to use in recommending an appropriate structure for incentive compensation, including a long-term incentive plan through which the interests of management are directly aligned with those of our stockholders and consistent with PGT's status as a publicly-traded company.

Elements of Executive Compensation in 2006

We believe executive compensation should include the following four components:

Annual Base Salary. Our objectives are to target annual base salary at the market weighted average and to make it competitive, when taken in conjunction with the other compensatory elements, to attract and retain executives.

Annual Cash Incentive Opportunity. PGT uses annual cash incentives to reward certain employees, including each of the named executive officers, for the achievement of annual company and individual performance objectives.

Long Term Equity-Based Incentives. PGT utilizes long term equity-based incentives, principally grants of restricted stock and stock options, to foster a focus on the long-term best interests of PGT and its stockholders, thereby aligning the interests of the executives with those of the stockholders.

Executive Benefits and Perquisites. The Company provides modest benefits and perquisites to executive officers. As the Company seeks to maintain an egalitarian culture in its facilities and

Table of Contents

operations, our executive compensation program remains relatively free of executive benefits and perquisites. Such benefits and perquisites which do exist, however, are described below.

The Board considered each of these components within the context of a total rewards framework. The proportion of compensation allocated to each of these components is generally designed to be consistent with competitive practices within our industry and the markets in which we compete for executive talent. We believe that the appropriate balance of these components aligns the interests of executives with our stockholders and facilitates the creation of value for stockholders.

Annual Base Salary

Our Board of Directors considers separately from other employees the salary and annual cash incentive of the chief executive officer. In determining his annual compensation, our Board of Directors considers the highly competitive industry in which we operate and the unique experience he brings to the position as well as his contributions to our long-term performance.

For our other named executive officers, our chief executive officer provides our Board of Directors with recommendations regarding compensation. Our Board of Directors reviews such recommendations and approves annual compensation for named executive officers, consisting of base salary and target annual cash incentive (discussed below), on an annual basis. Our Board of Directors may request additional information and analysis and ultimately determines in its discretion, based on its own analysis and judgment and the recommendations of the chief executive officer, whether to approve any recommended changes in compensation.

Our goal is to pay each named executive officer a base salary sufficient to remain competitive in the market. Mr. Hershberger's base salary was \$325,000 per year; which was not increased from the prior year. Mr. Jackson's base salary was \$260,000 per year; which was not increased from the prior year. Effective November 5, 2006, the salaries of the other named executive officers were increased as follows: Ms. Gavit's base salary was increased by \$18,000 to \$185,000 per year, Mr. Varnadore's base salary was increased by \$18,000 to \$185,000 per year, and Mr. McCutcheon's base salary was increased by \$18,000 to \$185,000 per year. These salary increases were largely reflective of our perception of individual performance, competitiveness of salary in the marketplace and inflation adjustments. Base salary paid to the named executive officers in 2006 constituted approximately the following percentages of their total compensation as set forth in the Summary Compensation Table: Mr. Hershberger: 12.4%; Mr. Jackson: 21.2%; Ms. Gavit: 3.7%; Mr. Varnadore: 8.2%; and Mr. McCutcheon: 3.5%. However, excluding compensation received in connection with a cash payment to holders of stock options, as discussed below under the heading *Other Compensation - Cash Payment to Option Holders* on page 20, base salary paid to the named executive officers in 2006 constituted approximately the following percentages of their total compensation: Mr. Hershberger: 79.7%; Mr. Jackson: 42.6%; Ms. Gavit: 85.4%; Mr. Varnadore: 85.1%; and Mr. McCutcheon: 85.1%.

Annual Cash Incentive Opportunity

In order to provide incentives for future annual performance, we believe that a substantial portion of each named executive officer's compensation should be in the form of a cash incentive, the value of which is based upon the achievement of specific, pre-set financial results measured over the current fiscal year. Accordingly, our policy is to allocate an amount equal to a target range of 30% to 50% of a named executive officer's annual base salary to performance based cash incentive awards. On March 7, 2007, our Board of Directors approved the general terms of the 2007 Annual Incentive Plan, or 2007 AIP, which is applicable to key employees of PGT and its operating subsidiary, including each of the named executive officers. On that date, our Board of Directors also authorized payment of cash incentives, at a level consistent with previously established financial goals as measured at the end of the 2006 fiscal year, to participants in the 2006 Annual Incentive Plan, or 2006 AIP, including each of the named

executive officers. Any cash incentives paid in accordance with the 2006 AIP and the 2007 AIP are contingent upon the achievement of certain specified performance goals.

Table of Contents

Our Board of Directors established annual cash incentive targets as a percentage of salary under the 2006 AIP for each named executive officer. As a percentage of base salary, these targets were 50% for Mr. Hershberger, 45% for Mr. Jackson, 30% for Ms. Gavit, 30% for Mr. Varnadore and 30% for Mr. McCutcheon, respectively. The 2006 AIP was based, and the 2007 AIP is based, on an opportunity of which:

40% is based on net sales,

40% is based on earnings per share, and

20% is based on return on operating investment.

If PGT achieves less than 100% of its target for net sales, earnings per share, or return on operating investment, provided it meets predetermined threshold levels of performance, the corresponding percentage of the opportunity based on such respective measurement will be reduced according to a predetermined formula. Conversely, if PGT achieves greater than 100% of its target for net sales, earnings per share, or return on operating investment, the corresponding percentage of the opportunity based on such respective measurement will be increased, to a maximum of 200%, according to a predetermined formula. Specific targets, for each of the above, are set so they can only be achieved through performance that exceeds that which is generally expected in the current economic and industrial environment. As such, company-wide performance at these targeted levels, which is required for an executive officer to obtain his/her target annual cash incentive, is challenging.

Our Board of Directors, in its sole discretion, administered the 2006 AIP and administers the 2007 AIP, had and has the right to modify the awards and the terms of such plans, and, based on achievement of individual objectives or performance, among other things, determines final awards.

As stated above, at its meeting on March 7, 2007, the Board of Directors approved the specific cash incentives, based on the Company's performance relative to each of the previously discussed criterion, each of which was below target levels, to be paid to participants in the 2006 AIP and directed that payment of such cash incentives be made on or before March 15, 2007. The named executive officers were awarded the following cash incentives for 2006: Mr. Hershberger, \$76,700; Mr. Jackson, \$55,224; Ms. Gavit, \$23,990; Mr. Varnadore, \$23,990; and Mr. McCutcheon, \$23,990.

Annual cash incentives paid to named executive officers for 2006 constituted approximately the following percentages of their total compensation as set forth in the Summary Compensation Table: Mr. Hershberger: 2.9%; Mr. Jackson: 4.5%; Ms. Gavit: 0.5%; Mr. Varnadore: 1.2%; and Mr. McCutcheon: 0.5%. However, excluding compensation received in connection with a cash payment to holders of stock options, as discussed below under the heading "Other Compensation - Cash Payment to Option Holders" on page 20, annual cash incentives paid to the named executive officers in 2006 constituted approximately the following percentages of their total compensation: Mr. Hershberger: 18.8%; Mr. Jackson: 9.0%; Ms. Gavit: 12.1%; Mr. Varnadore: 12.1%; and Mr. McCutcheon: 12.1%.

Long-Term Equity-Based Incentives

We believe the best way to align the interests of the named executive officers and our stockholders is for such officers to own a meaningful amount of our common stock. In order to reach this objective and to retain our executives, we grant equity-based awards to named executive officers under the long-term incentive portion of our 2006 Equity Incentive Plan.

Long-term incentive compensation, rather than reflecting a single year's results, is intended to reward performance over the long term. Our practice is to structure this long-term incentive compensation in the form of options and restricted stock granted under the Company's Long-Term Incentive Plan, or LTIP. All outstanding options have an exercise price equal to the fair market value of the common stock on the date of grant. Options granted to officers and employees have been granted on, or shortly after, the date that PGT's Board of Directors authorized the grant of the option.

In 2007, stock options granted pursuant to the Company's LTIP were authorized by our Board of Directors and granted three market days after the Company released its fiscal year earnings. From time to

Table of Contents

time, options and restricted stock have been granted to officers on the respective dates of commencement of their employment with the Company, and restricted stock has been granted to non-management directors, other than those affiliated with our majority stockholder, in connection with commencement of service on the Board.

Restricted stock and options create a strong link between executive compensation and stockholder return and contribute to the ability of our executives to develop a meaningful ownership interest in PGT. In order to allow executive officers to benefit from increases in common stock values and thus provide such officers a continuing incentive to achieve results beneficial to the stockholders, we generally award restricted stock and options on an annual basis on terms providing for vesting over a period of time. In comparison with stock option awards, restricted stock awards are less dilutive and still closely align the interests of the named executive officers with those of our stockholders.

On February 26, 2007, our Board authorized grants to certain members of management under our LTIP, including grants to Mr. Jackson. At such time, the Board granted 36,812 options and 7,838 shares of restricted stock to Mr. Jackson, of which 18,406 options vest ratably over a three year period, 18,406 options vest ratably over a two year period, 3,919 shares of restricted stock cliff-vest on the second anniversary of the date of grant, and 3,919 shares of restricted stock cliff-vest on the third anniversary of the date of grant. The value of the awards is reflected in the table Grants of Plan Based Awards for 2006 below. Consistent with the formula established in the Company's LTIP, the value of equity awards granted to certain employees pursuant to the Company's LTIP on February 26, 2007, including the grant to Mr. Jackson discussed immediately above, was allocated 65% to stock options and 35% to restricted stock.

As noted above, our executives' total compensation opportunity is heavily weighted to maximize stockholder value creation. Mr. Jackson's grant helps more closely align his interests with those of our stockholders. Because our other named executive officers beneficially own significant amounts of equity, our Board chose to not make grants to them in 2007. Our Board continues to expect the LTIP to provide executives incentives for maximizing both short-term performance and long-term stockholder value creation. In addition, the vesting periods under the LTIP provide an incentive for the executives to commit to long-term employment with the Company.

Executive Benefits and Perquisites

Our executive compensation program remains relatively free of executive benefits and perquisites. Generally, benefits and perquisites available to executive officers are available to all employees on similar terms.

The Company does not provide its executive officers separate dining or other facilities, company cars, club dues, or other similar perquisites. Company-provided air travel for executive officers is for business purposes only. The Company's use of non-commercial aircraft on a rental basis is limited to appropriate business-only travel. The Company's health care, insurance, 401(k) plan, and other welfare and employee-benefit programs are the same for all eligible employees, including the named executive officers. In certain situations, we provide our named executive officers with expense reimbursement relating to relocation. Additionally, the Company does, within certain limits, provide product free of charge to executive officers for installation in their respective primary residences. The Company does not, however, pay for the cost of installing such product. No named executive officer received product under this program in fiscal year 2006.

We provide the above-described executive benefits and perquisites in order to attract and retain our named executive officers by offering compensation opportunities that are competitive with those offered by similarly situated public companies. However, such executive benefits and perquisites represent a relatively small portion of their total compensation. The value of benefits and perquisites provided are presented in the All Other Compensation column (and described in the related footnotes) of the Summary Compensation Table.

Other Compensation

Cash Payment to Option Holders. In February of 2006, in connection with a special cash dividend of approximately \$83.5 million to our stockholders, our Board of Directors approved an approximately \$26.9 million

Table of Contents

cash payment (including applicable payroll taxes of \$0.5 million) to holders of our stock options, including each of our named executive officers. The Board of Directors exercised its discretion and did not adjust option exercise prices in conjunction with this dividend, and this payment was made to all holders of stock options to prevent them from being disadvantaged from the reduction in PGT's stock price due to the payment of the special cash dividend. The value of this payment to named executive officers is presented in the "All Other Compensation" column (and described in the related footnotes) of the Summary Compensation Table.

Retirement/Post-Employment Benefits. The Company does not provide any retirement programs, pension benefits or deferred compensation plans to its named executive officers other than its 401(k) plan, which is available to all employees.

Equity Grant Practices. The Board's plan is to grant annual equity awards to all eligible employees, including the named executive officers, following the release of earnings in February of each year to ensure that the most current information regarding the Company's financial position is properly reflected in the fair market value for all such equity grants. We do not engage in the practice of timing equity grants prior to the release of material non-public information. Through February 2006, we utilized the closing price on the day before the grant date to establish the fair market value for equity grants and the exercise price of stock options under our equity plans. In response to SEC guidance issued with the new executive compensation rules, the Board determined that the fair market value of future equity grants will be the closing price on the grant date.

Employment Agreements

We have entered into employment agreements with each of our named executive officers. Each of these agreements has a term of three years, with automatic one-year renewals commencing on the first anniversary of the effective date of the employment agreement. In addition to providing for an annual base salary and employee benefits, these agreements provide, among other things, that the executive is eligible for an annual performance incentive, as determined by the President of the Company and the Board of Directors, in their discretion. The executive must be

employed at the time such cash incentive is awarded and paid by the Company.

Under each of these employment agreements, in the event that (i) the executive's employment is terminated by PGT without cause (as defined in the employment agreement) or (ii) the executive terminates his/her employment for Good Reason, defined as (a) a material adverse diminution of his/her duties or responsibilities to which he/she has not agreed in writing, (b) the assignment of the executive to a location outside of a fifty (50) mile radius from the Company's current headquarters, or (c) conduct on the part of the Company amounting to fraud against the executive; in addition to the benefits otherwise due to the executive and as otherwise required by law, the executive is entitled to continuation of his/her base salary for twelve months after the date of termination. Should the executive terminate his/her employment other than for the reasons set forth above in clause (ii), the Company will continue to pay such executive's salary for the shorter of thirty days or the notice period provided by the executive with respect to his/her termination. In addition, under each of these employment agreements, in the event that the executive's employment is terminated by his

or her death or disability (as defined in the employment agreement), in addition to the benefits otherwise due to him or her, the Company will pay to the executive (or, in the case of death, to his or her designated beneficiary) his/her base salary for a period of six months.

During the executive's employment with us and at all times thereafter, he/she may not disclose confidential information. During the executive's employment with us and for two years thereafter, unless the employment agreement is terminated by us without cause or by him/her for the reasons set forth in the paragraph above in clause (ii), in which case the period will be the duration of the executive's employment with us and for one year thereafter (except in the case of Mr. Hershberger, for whom the period is two years thereafter), the executive may not directly or indirectly compete with the Company. In addition, the executive may not solicit any employees or agents of the Company or any suppliers or contractors of the Company to terminate or adversely change their relationships with us.

Summary of Termination Payments and Benefits

The following table summarizes the value of the termination payments and benefits that our named executive officers would receive if they had terminated employment on December 30, 2006 under the circumstances shown. The amounts shown in the table exclude distributions under our 401(k) retirement plan and any additional benefits that are generally available to all of our salaried employees.

Director Compensation

As previously discussed under Information Regarding the Board and its Committees-Information on the Compensation of Directors, in connection with the Company's initial public offering of its common stock, on June 2, 2006, our Board of Directors approved, for all non-management directors, other than those affiliated with our majority stockholder, (currently Messrs. Feintuch, McHugh, Sherman, and White) the following compensation: (i) an annual cash retainer of \$40,000; (ii) a grant under the Company's 2006 Equity Incentive Plan of restricted shares of common stock with a value at the time of issuance of approximately \$40,000 per year for each year of service as a director; (iii) a fee of \$1,000 per day for each meeting of the Board of Directors (or committee thereof) attended; (iv) an annual cash retainer of \$5,000 for each committee on which they serve; and (v) reimbursement of reasonable travel expenses. We have not paid, and currently do not intend to pay, compensation to individuals serving on our Board who are employees or affiliates of the Company for their service as directors. Mr. Hershberger, and directors who are affiliated with our majority stockholder, (currently Messrs. Levy, Castaldi, Frank, and Milgrim) receive no compensation for serving as a director of PGT nor for serving on any committees of our Board. They are, however, reimbursed for their reasonable travel expenses.

IMPACT OF TAX TREATMENTS ON COMPENSATION

Section 162(m) of the Internal Revenue Code limits the tax deduction for public companies to \$1 million for compensation paid to a company's chief executive officer or any of the four other most highly compensated executive officers. Qualifying performance-based compensation is not subject to the deduction limit if Internal Revenue Code requirements are met. We believe that stock options granted under our long-term incentive plans would qualify as performance-based compensation. While such stock options vest over a specified period of time contingent upon the option holder's continued employment with the Company, such stock options only have value if the Company's performance results in a stock price higher than the price on the date of grant. In addition, we believe that annual cash incentive awards would qualify as performance-based compensation. In contrast, restricted stock awards, do not qualify as performance-based compensation because they have immediate value (at a minimum, once the restrictions are released) irrespective of the Company's performance.

While we seek to take advantage of favorable tax treatment for executive compensation where appropriate, the primary drivers for determining the amount and form of executive compensation must be the retention and motivation of superior executive talent rather than tax-based considerations.

COMPENSATION COMMITTEE REPORT

As discussed above under "Information Regarding the Board and its Committees - Controlled Company Exemption and Committees" on page 9, we do not have a Compensation Committee. As such, the Board of Directors has reviewed and discussed with management the Compensation Discussion and Analysis included in this proxy statement. Based on this review and these discussions, the Board has determined that the Compensation Discussion and Analysis be included in this proxy statement and in PGT's annual report on Form 10-K for the fiscal year ended December 30, 2006.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

In 2006, the full Board of Directors of PGT determined and oversaw executive and director compensation for the Company. Other than Rodney Hershberger, who is the Chief Executive Officer and President of the Company, and Randy L. White who served as President of the Company until he resigned in 2005, none of the members of the Board of Directors were officers or employees of PGT, Inc. or any of its subsidiaries during the last fiscal year, or at any other time, or had any relationship with the Company requiring disclosure under Item 404 of Regulation S-K. None of the members of the Board of Directors were executive officers of another entity on whose compensation committee or

Board of Directors an executive officer of the Company served.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company's Code of Business Conduct and Ethics and its Supplemental Code of Ethics, both of which are in writing, provide guidelines for identifying, reviewing, approving, and ratifying related party transactions. Related party transactions include those transactions that create an actual, apparent, or potential conflict of interest. Related party transactions involving the Company's Chief Executive Officer, President, Chief Financial Officer, or Controller (or persons forming similar functions) must be submitted to the General

Table of Contents

Counsel for review. If the General Counsel determines that an actual or apparent conflict of interest exists, the transaction must be submitted to the Audit Committee for approval. The directors and executive officers, as well as all other employees of the Company, must obtain a waiver for any activity that violates the Company's Code of Business Conduct and Ethics. The Company's compliance committee is responsible for the administration of the Code of Business Conduct. However, only the Audit Committee may waive any violation of this code by directors or executive officers.

In the ordinary course of business and on terms no less favorable to us than we could obtain from unaffiliated third parties, in 2006 we sold \$4.9 million in windows and related products to Builders FirstSource, Inc. Builders FirstSource, Inc is controlled by an affiliate of JLL Partners, Inc. Another affiliate of JLL Partners, Inc. is the beneficial owner of more than five percent of the Company's outstanding common stock. From January 1, 2007 through February 28, 2007, we sold \$0.5 million in windows and related products to Builders FirstSource, Inc. We will most likely continue such sales in the foreseeable future. Floyd F. Sherman who serves as a director of PGT is the Chief Executive Officer and a director of Builders FirstSource, Inc. Paul S. Levy, Ramsey A. Frank, and Brett N. Milgrim who are directors of PGT are also directors of Builders FirstSource, Inc.

Except as discussed in the prior paragraph, since January 1, 2006, there has not been, nor is there currently proposed, any transaction or series of similar transactions to which we were or are to be a party in which the amount involved exceeds \$120,000 and in which any director, executive officer or holder of more than 5% of our common stock, or an immediate family member of any of the foregoing, had or will have a direct or indirect interest other than compensation arrangements.

AUDIT COMMITTEE REPORT

The Board of Directors has ultimate authority and responsibility for effective corporate governance, including the role of oversight of the management of PGT. The Audit Committee's purpose is to assist the Board of Directors in fulfilling its responsibilities to the Company and its stockholders by overseeing the accounting and financial reporting processes of PGT, the audits of PGT's consolidated financial statements, the qualifications, selection, and performance of the Company's independent registered public accounting firm. The Audit Committee operates under a written charter adopted by the Board of Directors on June 2, 2006, available without charge on the Investor Relations section of our Company website at www.pgtinc.com under the heading Corporate Governance.

The Board of Directors has determined that Messrs. McHugh and Feintuch are independent. Both of these members of the committee also satisfy the definition of independence for audit committee members contained in the NASDAQ Rules, as well as the SEC's additional independence requirement for audit committee members. In addition, the Board of Directors has determined that each of Messrs. McHugh and Castaldi is an audit committee financial expert as defined by SEC rules.

The Audit Committee members do not act as accountants or auditors for the Company. The Audit Committee relies on the expertise and knowledge of management and the independent auditor in carrying out its oversight responsibilities. Management has the primary responsibility for establishing and maintaining effective systems of internal and disclosure controls (including internal control over financial reporting), for preparing financial statements, and for the public reporting process. Ernst & Young LLP, PGT's independent auditor for 2006, is responsible for expressing opinions on the conformity of the company's audited financial statements with generally accepted accounting principles.

With respect to the fiscal year ended December 30, 2006, the Audit Committee, among other things: oversaw the integrity of the Company's financial statements and financial reporting processes, oversaw compliance with legal and regulatory requirements, reviewed the external auditors' qualifications and independence (including auditor rotation),

and evaluated the external auditors performance.

The Audit Committee has reviewed and discussed with management and Ernst & Young LLP the audited consolidated financial statements for the year ended December 30, 2006. The committee also discussed with Ernst & Young LLP all matters required to be discussed by Statement on Auditing Standards No. 61

(Communication with Audit Committees). In addition, the Audit Committee has received from Ernst & Young LLP the written disclosures required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee has had discussions with Ernst & Young LLP regarding its independence from the Company and its management.

Based on the reviews and discussions described above, the Audit Committee recommended to the Board of Directors, and the Board of Directors approved, inclusion of the audited consolidated financial statements for the fiscal year ended December 30, 2006 in our Annual Report on Form 10-K for 2006 for filing with the SEC. The Audit Committee and the Board of Directors have selected Ernst & Young LLP as the company's independent accountant for 2007.

Members of the Audit Committee

M. Joseph McHugh (Chairman)
Alexander R. Castaldi
Richard D. Feintuch

The Audit Committee Report does not constitute soliciting material, and shall not be deemed to be filed or incorporated by reference into any other filing of PGT under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that PGT specifically incorporates the Audit Committee Report by reference therein.

Auditor Attendance at the Meeting

Representatives of Ernst & Young LLP are expected to attend the Meeting, will have the opportunity to make a statement, if they desire, and will be available to respond to appropriate questions.

Principal Accountant Fees and Services

The Audit Committee of our Board of Directors is responsible for the appointment, oversight, and evaluation of our independent registered public accounting firm. The Audit Committee has the sole and direct authority to engage, appoint, and replace our independent auditors. In addition, the Audit Committee has established in its charter a policy that every engagement of the Company's independent registered public accounting firm to perform audit or permissible non-audit services on behalf of the Corporation or any of its subsidiaries requires pre-approval from the Audit Committee or its designee before such independent accounting firm is engaged to provide those services. Our independent registered public accounting firm may not be retained to perform the non-audit services specified in Section 10A(g) of the Exchange Act. Pursuant to the Audit Committee Charter, the Audit Committee reviews and, in its sole discretion, approves in advance the Corporation's independent auditors' annual engagement letter, including the proposed fees contained therein, as well as all audit and, as provided in the Sarbanes-Oxley Act of 2002 and the SEC rules and regulations promulgated thereunder, all permitted non-audit engagements and relationships between the Corporation and such independent auditors (which approval should be made after receiving input from the Corporation's management, if desired).

With respect to the audits for the year ended December 30, 2006 and December 31, 2005, the Audit Committee approved the audit services performed by Ernst & Young, LLP, as well as certain categories and types of audit-related, tax, and permitted non-audit services.
