Section 8 Other Events

Item 8.01. Other Events

Baltimore Litigation

Cambrex Corporation (the Company) is reporting that on August 24, 2007 the United States District Court, Southern District of New York, granted the Company's pending Motion for Summary Judgment (Motion) in the previously disclosed Baltimore Litigation Rubin Squared Inc. f/k/a Bio Science Contract Production Corp. v Cambrex Corporation. The Company's Motion had been pending since late 2006. The Baltimore Litigation arose from the Company's 2001 acquisition of the biopharmaceutical manufacturing business (Business) from Bio Science Contract Production Corp (Sellers). The Sellers had filed suit alleging that the Company failed to honor oral representations made during the negotiations on which the Sellers claimed to rely in deciding to sell the Business and as a result failed to pay additional consideration as provided in the purchase agreement. The Business, known as Cambrex Bio Science Baltimore, Inc., was sold to Lonza Group Limited on February 6, 2007 as part of a previously disclosed transaction.
