**Item 8.01 Other Events.**

In December 2007, the Financial Accounting Standard Board issued Statement of Financial Accounting Standards (*SFAS*) No. 160 Noncontrolling Interests in Consolidated Financial Statements – an Amendment of Accounting Research Bulletin No. 51. *SFAS* No. 160 changes the classification of noncontrolling interests, also referred to as minority interests, in the consolidated financial statements. This standard was effective for all fiscal years, and interim periods within those fiscal years, beginning on or after December 15, 2008. Early adoption was not permitted.

The Company adopted this standard effective January 1, 2009. The Company is filing as Exhibit 99.6 to this report the Consolidated Financial Statements of Holly Corporation as of December 31, 2008 and 2007, and for each of the three years ended December 31, 2008, which have been updated from the

financial statements included in the Company's Annual Report on Form 10-K for the year ended December 31, 2008, to reflect our retrospective application of this standard. As a result, all previous references to "minority interest" have been replaced with "noncontrolling interest." Additionally, net income attributable to the non-controlling interest in the Company's subsidiary Holly Energy Partners, L.P. is now presented as an adjustment to net income to arrive at "Net income attributable to Holly Corporation stockholders" in the Company's Consolidated Statements of Income. Prior to our adoption of this standard, this amount was presented as "Minority interests in earnings of Holly Energy Partners," a non-operating expense item before "Income before income taxes." Additionally, equity attributable to noncontrolling interests is now presented as a separate component of total equity in the Company's Consolidated Financial Statements. While this presentation differs from previous GAAP requirements, this standard did not affect our net income and equity attributable to Holly stockholders.
