**PROXY STATEMENT
OF

ROBERT G. STEVENS, AND
ELIOT M. FRIED**

To Our Fellow GSI Group Inc. Shareholders:

This Proxy Statement and the accompanying WHITE proxy card are being furnished to the shareholders of GSI Group Inc. (GSI), in connection with the solicitation of proxies by the Participants (as defined below), to be used at the upcoming special meeting of shareholders of GSI called for the purpose of electing directors, and at any adjournments, postponements or continuations thereof (the Special Meeting). The Special Meeting is scheduled to be held at [____], at [____].

[This Proxy Statement, as well as other proxy materials to be distributed by the Participants, are available free of charge online at [_____].]

The Participants are the five nominees to GSI s Board of Directors (the Board) comprised of Stephen W. Bershad, Robert G. Deuster, R. Douglas Norby, Robert G. Stevens, and Eliot M. Fried (each a Nominee).

At the Special Meeting, the Participants will seek the election to the Board of each Nominee. **Each Nominee has consented, if elected, to serve as a director.**

We strongly urge you to elect Stephen W. Bershad, Robert G. Deuster, R. Douglas Norby, Robert G. Stevens, and Eliot M. Fried, by signing, dating and returning the enclosed WHITE proxy card in the postage paid envelope provided to you with this Proxy Statement.

QUESTIONS AND ANSWERS ABOUT THE SPECIAL MEETING

Q. Why am I receiving this proxy statement?

A. This Proxy Statement and the accompanying WHITE proxy card are being furnished to shareholders of GSI in connection with the solicitation of proxies by the Participants, to be used at the upcoming Special Meeting for the purpose of electing directors, and at any adjournments, postponements or continuations thereof.

Q. What are you asking me to do?

A. We are asking you to sign, date and return the enclosed WHITE proxy card in the postage paid envelope provided to you with this Proxy Statement. By signing the enclosed WHITE proxy card, you will give us discretionary authority to vote cumulatively and to allocate votes among the Nominees in order to get the maximum number of Nominees elected unless authority to vote for any of them is withheld.

Q. Why are you soliciting my vote?

A. We are soliciting your vote because we believe that the current Board has not served the best interests of GSI's shareholders, and we do not have confidence in the ability of the current Board to improve GSI's financial and operating performance and enhance shareholder value. Without change to the current Board, we also fear that GSI's intrinsic value may further deteriorate under the continued stewardship of GSI's current executive management team.

Q. Who are the Nominees you are proposing to elect to the Board?

A. We are asking you to elect each of Stephen W. Bershad, Robert G. Deuster, R. Douglas Norby, Robert G. Stevens, and Eliot M. Fried as a director of GSI. The business experience of these highly qualified individuals is set forth in this proxy statement in the section entitled "Election of the Directors - The Nominees" on page 5, which we urge you to read.

Q. Who is eligible to vote at the Special Meeting?

A. Shareholders of record as of the close of business on [___] (the "Record Date"), are entitled to vote at the Special Meeting, except to the extent that you have transferred the ownership of any shares of GSI's Common Shares, no par value (the "Shares"), after the Record Date and the transferee of such Shares establishes proper ownership thereof and demands not later than ten days before the Special Meeting to be added to the list of shareholders entitled to vote at the Special Meeting, in which case such transferee will be entitled to vote such Shares.

Q. What vote of the shareholders is required to elect the Nominees to the Board?

- A. The candidates for election as directors who receive the greatest number of votes cast will be elected as directors. Thus, if the number of candidates nominated for director exceeds the number of positions to be filled, the candidates who receive the least number of votes shall be eliminated until the number of candidates remaining equals the number of positions to be filled.

In addition, the vote for the election of directors of the Nominees named in this Proxy Statement is cumulative. Thus, each shareholder entitled to vote in the election of directors has the right to cast an aggregate number of votes equal to the number of votes attached to the Shares held by such shareholder multiplied by the number of directors to be elected, and may cast all such votes in favor of a single candidate or distribute them among the candidates in any manner the shareholder decides.

Q. If I am going to attend the Special Meeting, should I return my WHITE proxy card(s)?

- A. Yes. Returning your signed and dated WHITE proxy card(s) ensures that your Shares will be represented and voted at the Special Meeting. You may revoke your proxy at any time prior to the vote at the Special Meeting by (i) delivering to Georgeson, Inc. at the address below a written notice, bearing a LATER date than the date of the proxy, stating that the proxy is revoked; (ii) delivering a duly executed WHITE proxy bearing a LATER date than the proxy delivered previously; or (iii) attending the Special Meeting, withdrawing the proxy, and voting in person. See Voting Procedures Revocation of Proxies on page 14.

Q. If my Shares are held in street name by my broker or bank, will my broker or bank vote my shares for me?

- A. Because brokers or banks holding Shares in street name may vote such Shares on the election of directors only if they are instructed on how to vote, failure to provide instructions will result in your Shares not being present at the meeting and not being voted on the election of directors.

Q. Are there dissenter s or appraisal rights?

- A. GSI s shareholders are not entitled to dissenter s or appraisal rights in connection with the Special Meeting.

Q. Who can help answer my questions about the Special Meeting?

- A. If you have any questions about giving your proxy or require assistance, please call:

ELECTION OF THE DIRECTORS

The Participants propose that the shareholders elect Stephen W. Bershad, Robert G. Deuster, R. Douglas Norby, Robert G. Stevens, and Eliot M. Fried, as directors of GSI at the Special Meeting. Each Nominee, if elected, would hold office until the next annual meeting of shareholders and until a successor has been duly elected and qualified, or as otherwise provided by GSI's By-Law (the Bylaws) or by New Brunswick law. If the Nominees are elected, they intend to appoint Mr. Bershad as Chairman of the Board.

We strongly urge you to elect Stephen W. Bershad, Robert G. Deuster, R. Douglas Norby, Robert G. Stevens, and Eliot M. Fried, by signing, dating and returning the enclosed WHITE proxy card in the postage paid envelope provided to you with this Proxy Statement. If you have signed the enclosed WHITE proxy card, you have given us discretionary authority to vote cumulatively and to allocate votes among the Nominees in order to get the maximum number of Nominees elected unless authority to vote for any of them is withheld.

The Nominees

Background information about each Nominee is set forth herein and in the Appendices attached hereto. Mr. Norby currently serves on the boards of directors of several semiconductor products companies, including STATS ChipPAC, Ltd., InvenSense, Inc., NEXX Systems, Inc., and Neterion, Inc., and Intellon Corporation. Intellon Corporation has announced that it is being acquired by Atheros Communications, Inc. with a closing scheduled for December 15, 2009. Mr. Fried is the lead director of Blount International, Inc., a manufacturer of industrial equipment products.

Background

On August 29, 2008, GSI acquired Excel Technology, Inc. (Excel) for approximately \$370 million, including related deal expenses. The purchase price and related deal expenses were paid for with approximately \$160 million of cash on hand and \$210 million of newly issued debt.

Subsequently, GSI failed to file its Quarterly Report on Form 10-Q for the quarterly period ended September 26, 2008, and on November 13, 2008, GSI was notified by The Nasdaq Stock Market (Nasdaq) that GSI was not in compliance with Nasdaq Marketplace Rule 4310(c)(14) (the Filings Rule). GSI was placed on a list of non-compliant Nasdaq companies.

On December 4, 2008, GSI announced that it had identified internal accounting errors in the recognition of revenue in the first and second fiscal quarters of 2008. As a result of the internal accounting errors, on December 3, 2008, the Audit Committee of the Board (the Audit Committee) determined that the previously issued financial statements contained in GSI s Quarterly Reports on Form 10-Q for the periods ended March 28, 2008 and June 27, 2008 should no longer be relied upon.

On December 12, 2008, GSI announced that it had received four letters from certain bondholders notifying GSI that by not filing its Quarterly Report on Form 10-Q for the quarterly period ended September 26, 2008, it had failed to comply with certain covenants contained in the indenture governing the debt issued to acquire Excel.

On February 2, 2009, GSI announced that it had identified additional internal accounting errors related to the recognition of revenue during 2007. The Audit Committee determined that the previously issued interim and annual historical financial statements for 2007 should no longer be relied upon.

On February 3, 2009, Mr. Bershad met with Dr. Sergio Edelstein, President and Chief Executive Officer of GSI, at GSI's offices to discuss Mr. Bershad's interest in GSI. Mr. Bershad and Dr. Edelstein generally discussed GSI's business and operations, including GSI's delinquency in its filings with the United States Securities and Exchange Commission (the "SEC"), GSI's long-term strategy and GSI's recent acquisition of Excel.

Also on February 3, 2009, GSI entered into a Termination and Change-In-Control Agreement (the "Termination Agreement") with Dr. Edelstein. The Termination Agreement provides that if Dr. Edelstein's employment is terminated by GSI after a change in control of GSI occurs, Dr. Edelstein would be entitled to receive certain compensation including a "golden parachute" payment.

On February 6, 2009, GSI entered into forbearance agreements with certain bondholders whereby such bondholders agreed to forbear from taking any action or exercising any remedies until February 27, 2009 for failure to comply with certain covenants contained in the indenture governing the debt issued to acquire Excel, in particular, as a result of GSI not filing its Quarterly Report on Form 10-Q for the quarterly period ended September 26, 2008.

GSI failed to file its Annual Report on Form 10-K for the year ended December 31, 2008, and on March 27, 2009, GSI was notified by Nasdaq that it was not in compliance with the Filings Rule.

On March 30, 2009, GSI announced that it had identified further internal accounting errors in the recognition of revenue during 2006. The Audit Committee determined that the previously issued interim and annual historical financial statements for 2006 should no longer be relied upon.

Between meeting with Dr. Edelstein on February 3, 2009 and April 23, 2009, Mr. Bershad had additional conversations with Dr. Edelstein, as well as with certain members of the Board, regarding GSI's business and operations. In addition, Mr. Bershad had conversations with certain of GSI's shareholders and bondholders regarding the prospects and operations of GSI as well as certain strategic, management and governance matters, including the composition of the Board. These conversations have been ongoing.

On April 23, 2009, Mr. Bershad met with Dr. Edelstein at GSI's offices to discuss Mr. Bershad's interest in obtaining representation on the Board. Dr. Edelstein agreed to bring Mr. Bershad's request to the attention of the Board. Between April 24 and April 27, 2009, Mr. Bershad had multiple conversations with Richard B. Black, Chairman of the Board, regarding his request. Mr. Black agreed to discuss Mr. Bershad's request with the full Board.

On May 6, 2009, GSI received a staff determination notice from Nasdaq stating that the Shares were subject to delisting since GSI was not in compliance with the filing requirements for continued listing.

GSI failed to file its Quarterly Report on Form 10-Q for the quarterly period ended April 3, 2009, and on May 14, 2009, GSI was notified that it was not in compliance with the Filings Rule.

On June 30, 2009, GSI announced that it had reached an agreement on a non-binding term sheet with certain beneficial owners holding greater than 75% of the outstanding aggregate principal amount of the debt issued in connection with the acquisition of Excel to restructure GSI's outstanding obligations under the debt. Pursuant to this term sheet, GSI would exchange the debt for (a) a new \$95 million secured loan, and (b) Shares representing 80% of GSI's fully diluted equity ownership.

GSI failed to file its Quarterly Report on Form 10-Q for the quarterly period ended July 3, 2009, and on August 14, 2009, GSI was notified that it was not in compliance with the filing requirements for continued listing.

On September 16, 2009, GSI was notified that it was not in compliance with the requirement for continued listing as set forth in Listing Rule 5450(a)(1) because the closing bid price per Share had been below \$1.00 per Share for thirty consecutive business days.

On November 4, 2009, GSI announced that its Shares had been delisted from Nasdaq because of GSI's non-compliance with Nasdaq's filing requirements.

On November 5, 2009, Mr. Bershad purchased enough Shares to make him the holder of 10.94% of GSI's outstanding Shares.

On November 9, 2009, Mr. Bershad delivered a Requisition of Meeting of Shareholders pursuant to the Act and GSI's Bylaws, requesting the Board call a meeting of shareholders for the purpose of electing directors.

GSI's last annual meeting of shareholders of GSI to elect directors was held on May 15, 2008. Under Subsection 85(1)(a) of the *Business Corporations Act* (New Brunswick) (the Act), the directors of GSI must call an annual meeting of shareholders not later than fifteen months after holding the last preceding annual meeting. Under the Act, therefore, the Board should have called an annual meeting by August 15, 2009.

GSI failed to file its Quarterly Report on Form 10-Q for the quarterly period ended October 2, 2009.

On November 13, 2009, Mr. Bershad delivered a letter to the Board to inform them that he had decided to submit a slate of directors at the Special Meeting. Further, Mr. Bershad informed the Board that it was his belief that the Board should not undertake any extraordinary transactions, e.g., materially altering the capital structure or governance of GSI, until after the shareholders have exercised their franchise to elect a Board at the Special Meeting. In particular, the Board should not take any action with respect to the composition of the Board or the debt conversion announced on June 30, 2009, regarding GSI's outstanding notes.

On November 20, 2009, Mr. Bershad sent a letter to GSI requesting a list of shareholders of GSI under section 19 of the Act.

Reasons for Our Solicitation

We are significant shareholders of GSI. As of December [___], 2009, the approximate mailing date in connection with the solicitation, the Participants own in the aggregate a total of

[5,213,088] Shares, representing approximately [10.95]% of the issued and outstanding Shares. As significant shareholders of GSI, the Participants have a vested financial interest in maximizing the value of GSI's Shares. Our interests are aligned with the interests of all shareholders.

We do not believe that the current Board has served the best interests of GSI's shareholders, and we do not have confidence in the ability of the current Board to improve GSI's financial and operating performance and enhance shareholder value. Without change to the current Board, we also fear that GSI's intrinsic value may further deteriorate under the continued stewardship of GSI's current executive management team.

Specifically, our primary concerns include the following:

Mismanagement of GSI's cash and capital structure, including spending approximately \$160 million of its cash and incurring hundreds of millions of dollars in debt for an overpriced acquisition;

The failure of GSI to file financial statements or otherwise communicate any meaningful financial information to shareholders for over 15 months; and

The restatement of GSI's financial statements since 2006.

We Do Not Believe the Current Board has Adequately Managed GSI's Cash Position or Capital Structure

According to GSI's Form 10-Q for the quarterly period ended June 27, 2008, GSI had over \$183 million of cash and cash equivalents and no debt on its balance sheet as of that date. On August 29, 2008, GSI announced that it had completed its acquisition of Excel. According to GSI's 8-K/A filed on October 10, 2008, GSI spent approximately \$370 million to complete the acquisition of Excel. To help finance the acquisition, GSI issued \$210 million of debt and used approximately \$160 million of cash on hand. In addition, GSI gave the bondholders penny warrants to acquire 14% of GSI's outstanding equity. Since its acquisition of Excel, GSI's balance sheet has gone from approximately \$183 million of cash on hand and no debt to approximately \$57 million of cash on hand and \$210 million of debt. In addition, GSI's market capitalization has gone from approximately \$325 million to approximately \$31 million, not including the equity issued to the bondholders as part of the debt offering.

Furthermore, because GSI has not filed financial statements for over 15 months, it appears that GSI may be in covenant default with the holders of this debt. Notwithstanding that GSI is apparently making interest payments on this debt, on June 30, 2009, GSI announced that it had entered into a non-binding term sheet to convert \$115 million of this debt into 80% of GSI's equity on a post-issuance basis. After this debt conversion, the bondholders would have approximately 82.5% of GSI's outstanding equity and GSI would still have \$95 million of debt.

We Are Concerned that GSI has not Filed Financial Statements in Over 15 Months

On November 6, 2008, GSI filed a Notification of Late Filing indicating that it could not file its Form 10-Q for the quarterly period ended September 26, 2008, because of delays in integrating GSI's financial reporting systems with those of Excel. Then, on December 4, 2008, GSI announced that it had identified errors in the recognition of revenue related to certain sales in the first and second fiscal quarters of 2008. On February 2, 2009, GSI announced additional revenue recognition errors from sales in 2007, leading the Audit Committee to conclude the previously issued financial statements for 2007 should no longer be relied on. On March 30, GSI announced additional revenue recognition errors from sales in 2006, leading the Audit Committee to conclude the previously issued financial statements for 2006 should no longer be relied on. These revenue recognition problems have resulted in GSI's failure to file any financial statements, or provide any meaningful financial or operation data to shareholders, for over 15 months.

We Are Concerned with the Board's Oversight of Management's Preparation of GSI's Financial Statements

The current members of the Board have been in office for each of the fiscal years under review and subject to being restated. On December 9, 2008, in response to a comment letter received from the SEC, GSI told the SEC that it is not in a position to disclose any assessments regarding the adequacy of previous disclosures regarding internal controls and disclosure controls and procedures. In other words, notwithstanding that GSI had previously disclosed that it had conducted an evaluation of effectiveness of disclosure controls and procedures as of the end of the period covered by each of the reports it filed during 2006, 2007 and 2008, and concluded that the disclosure controls and procedures of GSI were effective as of the end of the period covered by those reports, as of December 9, 2008, it was not in a position to assess the adequacy of those disclosures. Furthermore, GSI has been without a Chief Financial Officer since the CFO was terminated October 28, 2008.

The Participants believe that the time has come for a change in the stewardship of GSI. The Participants believe that the Board has completely failed in its oversight of management and GSI's operations over the past several years and that it is time to put in a Board with relevant past experience in managing a public company. We have nominated five highly qualified nominees who will constitute a majority and possibly the entire Board. The Participants, if elected, will aggressively pursue the following initiatives designed to restore shareholder value.

Appoint a new chief financial officer that has relevant experience and a proven track record to fill the void that exists at GSI and re-evaluate the executive management team;

Complete the restatement of GSI's financial statements and get GSI current on its filings; and

Negotiate a settlement with the current bondholders that does not result in giving away an additional 80% of GSI's equity.

The Nominees understand that, if elected as directors of GSI, each of them will have an obligation under New Brunswick law to discharge his duties as a director in good faith, consistent with his fiduciary duties to GSI.

There can be no assurance that the actions the Participants intend to take as described above will be implemented if they are elected or that the election of the Participants will improve GSI's business or otherwise enhance shareholder value. Your vote to elect the Participants will have the legal effect of replacing five of the incumbent directors of GSI, and possibly all of them if the Board does not run a slate, with the Participants. There can be no assurance that shareholder value will be maximized as a result of this solicitation or the election of the Participants.

Change in Control Triggers

If all of the Nominees are elected to the Board, it may result in change of control of GSI under the indenture governing the debt issued to acquire Excel. A change of control may require GSI to make an offer to repurchase all of the outstanding debt. The Participants will seek to mitigate any potential negative financial effects resulting from a change in control under the indenture, including by seeking to re-negotiate certain of its provisions, although the Participants cannot be certain of any future behavior of the bondholders. We believe that if a majority of the current Board approves the nomination for election of the Nominees as directors, then no change of control would occur under the indenture, and GSI would not be required to offer to repurchase the debt.

In addition, under Dr. Edelstein's Termination Agreement, if a change of control of GSI occurs and, subsequently, Dr. Edelstein is terminated under defined circumstances within 24 months, he would be entitled to receive certain compensation including a golden parachute payment. If all of the Nominees are elected to the Board, a change of control would occur under the Termination Agreement.

The Participants

The Participants beneficially own an aggregate of [5,213,088] Shares. Based upon [47,591,899] Shares outstanding as of the Record Date (as defined below), this represents beneficial ownership of approximately [10.95]% of the Shares outstanding. The Participants intend to vote such Shares FOR the election of the Participants.

Other than as disclosed in this Proxy Statement or in any of the Appendices attached hereto, (i) none of the Participants is, or was within the past year, a party to any contract, arrangement or understanding with any person with respect to any securities of GSI, including, but not limited to, joint ventures, loan or option arrangements, puts or calls, guarantees against loss or guarantees of profit, division of losses or profits, or the giving or withholding of proxies; (ii) none of the Participants owns any securities of GSI of record but not beneficially; (iii) none of the Participants owns beneficially any securities of GSI or of any parent or subsidiary of GSI; (iv) none of the associates of the Participants beneficially own any securities of GSI; (v) none of the Participants borrowed any funds for the purpose of acquiring or holding any securities of GSI; (vi) none of the Participants or their associates have engaged in or had a direct or indirect interest in any transaction, or series of similar transactions, since the beginning of GSI's last fiscal year, or any currently proposed transaction, or series of similar transactions, to which GSI or any of its subsidiaries was or is to be a party, in which the amount involved exceeds \$120,000; (vii) none of the Participants or their associates have any arrangement or understanding with any person with respect to (A) any future employment by GSI or its affiliates or (B) any future

transactions to which GSI or any of its affiliates will or may be a party; and (viii) none of the Participants or their associates have any material interest in the election of the Participants.

OTHER PROPOSALS

The Participants and their affiliates know of no other business to be presented at the Special Meeting. If any other matters should properly come before the Special Meeting, it is intended that the persons named on the enclosed WHITE proxy card will vote that WHITE proxy on such other matters in accordance with their judgment. The enclosed WHITE form of proxy confers discretionary authority on the person named therein with respect to amendments to or variations of matters identified in the Notice of Meeting and other matters that may properly come before the Special Meeting. At the date of this Proxy Statement, the Participants know of no such amendments, variations or other matters.

VOTING PROCEDURES

Each shareholder of record, as of the close of business on the Record Date, is entitled to notice of and to vote at the Special Meeting, except to the extent that such shareholder has transferred the ownership of any Shares after such date and the transferee of such Shares establishes proper ownership thereof and demands not later than ten days before the Special Meeting to be added to the list of shareholders entitled to vote at the meeting in which case such transferee will be entitled to vote such Shares. The failure of any shareholder to receive a notice of meeting of shareholders does not deprive the shareholder of a vote at the Special Meeting. As of the Record Date, there were [47,591,899] Shares outstanding.

No votes may be taken at the Special Meeting, other than to adjourn, unless a quorum has been constituted consisting of the representation of at least 33 1/3% of the outstanding shares as of the Record Date. Accordingly, based on [47,591,899] Shares outstanding as of the Record Date, the presence, in person or by proxy, of the holders of at least [15,848,102] Shares entitled to vote constitutes a quorum for transacting business at the Special Meeting.

If your Shares are held in the name of a brokerage firm, bank, bank nominee or other institution on the Record Date, only it can vote such Shares and only upon receipt of your specific instructions. Accordingly, please contact the person responsible for your account and instruct that person to execute the enclosed WHITE proxy card on your behalf as soon as possible.

Voting for the Election of Directors.

The Articles of Continuance of GSI provide that its Board is to be comprised of a minimum of five and a maximum of fifteen directors, as determined from time to time by resolution of the Board. As stated in the Definitive Proxy Statement for the 2008 annual meeting of shareholders (the 2008 Proxy Statement), the Board has resolved that the entire Board consist of seven directors. According to Section 10(1) of the Company's Bylaws, all directors then in office shall cease to hold office at the close of the meeting of shareholders at which directors are to be elected. The Participants are not aware if any other person will be nominated for director at the Special Meeting. If no other person is nominated, the Participants intend to reduce the size of

the Board by resolution to five members. However, if the number of candidates nominated for director exceeds the number of positions to be filled, under New Brunswick law and GSI's Bylaws, the candidates who receive the least number of votes shall be eliminated until the number of candidates remaining equals the number of positions to be filled.

The Participants believe that each Nominee elected will serve with the nominees of GSI's current Board, if any, that are elected. In such scenario, however, there is no assurance that all of the nominees of GSI's current Board, if any, that are elected will serve with each Nominee that is elected. Instead, all or some of such nominees of GSI's current Board may resign, in which case such nominees of GSI's current Board who are elected and choose not to resign, together with each Nominee that is elected, will constitute all of the members of the Board. Pursuant to the Bylaws, if there is a vacancy created by any such resignation, the remaining directors, if constituting a quorum, may appoint a qualified person to fill the vacancy for the remainder of the term. In the absence of a quorum, the remaining directors shall call a meeting of the shareholders to fill such vacancy. Again, however, the Participants intend to reduce the size of the Board by resolution to five members if only five directors are elected at the Special Meeting, or any other directors resign.

Pursuant to Section 10(3) of the Bylaws and Section 65(1) of the Act, the vote for the election of directors is cumulative. This means that each shareholder entitled to vote for the election of directors has the right to cast an aggregate number of votes equal to the number of votes attached to the Shares held by such shareholder multiplied by the number of directors to be elected, and may cast all such votes in favor of a single candidate or distribute them among the candidates in any manner the shareholder decides.

Shares represented by properly executed WHITE proxy cards will be voted at the Special Meeting as marked and, in the absence of specific instructions, will be voted FOR the election of the Nominees to the Board and in the discretion of the persons named as proxies on all other matters as may properly come before the Special Meeting. The Participants in this solicitation intend to vote all of their Shares in favor of the Nominees.

We are seeking your proxy for the election to the Board of Stephen W. Bershada, Robert G. Deuster, R. Douglas Norby, Robert G. Stevens, and Eliot M. Fried. We are soliciting the discretionary authority to cumulate votes, and the persons named as proxies on our WHITE proxy card will have the authority to cumulate votes at their discretion. We will use the authority granted to us by our WHITE proxy card to cumulate votes for the Nominees to assure that the maximum number of Nominees are elected to the Board. If we do not receive enough votes to elect all the Nominees, we will cumulate votes to first elect Mr. Bershada, and then to elect Messrs. Deuster, Fried, Stevens and Norby, in that order.

In order for your views to be represented at the Special Meeting, please mark, sign, date and return the WHITE proxy card in the enclosed postage prepaid envelope.

Abstentions and Broker Non-Votes

Abstentions will count as votes present for the purpose of determining whether a quorum is present. Abstentions will not be counted as votes cast in the election of directors. Because brokers or banks holding Shares in street name may vote such Shares on the election of directors only if they are instructed on how to vote, failure to provide instructions will result in your Shares not being present at the meeting and not being voted on the election of directors.

Consequently, there cannot be any broker non-votes occurring at the Special Meeting. It is very important that all shareholders vote their Shares, so please promptly complete and return the enclosed WHITE proxy card.

Whether or not you are able to attend the Special Meeting, you are urged to complete the enclosed WHITE proxy and return it in the enclosed self-addressed, prepaid envelope. All valid proxies received prior to the Special Meeting will be voted. If you specify a choice with respect to any item by marking the appropriate box on the WHITE proxy, the Shares will be voted in accordance with that specification. **If no specification is made, you have given us discretionary authority to vote cumulatively and to allocate votes among the Nominees in order to get the maximum number of Nominees elected.**

Revocation of Proxies

Any shareholder who has mailed a proxy card may revoke it, at any time prior to voting, by: (i) delivering to Georgeson, Inc. at the address below a written notice, bearing a LATER date than the date of the proxy, stating that the proxy is revoked; (ii) delivering a duly executed WHITE proxy bearing a LATER date than the proxy delivered previously; or (iii) attending the Special Meeting, withdrawing the proxy, and voting in person.

Although a revocation is effective if delivered to GSI, the Participants request that either the original or a copy of any revocation be mailed to Georgeson, Inc., so that the Participants will be aware of all revocations.

COST AND METHOD OF SOLICITATION

The Participants have retained Georgeson, Inc. (Georgeson) to conduct the solicitation, for which Georgeson is to receive a fee of up to \$[] and reimbursement for its reasonable out-of-pocket expenses. The Participants have agreed to indemnify Georgeson against certain liabilities and expenses. Insofar as indemnification for liabilities arising under the federal securities laws may be permitted to Georgeson pursuant to the foregoing provisions, we have been informed that in the opinion of the SEC, such indemnification is against public policy and is therefore unenforceable. As part of the solicitation, the Participants may communicate with shareholders by mail, courier services, Internet, advertising, telephone or telecopier or in person. It is anticipated that Georgeson will employ approximately [] persons to solicit proxies from shareholders for the Special Meeting. The total expenditures in furtherance of, or in connection with, the solicitation of proxies is approximately \$[] to date, and is estimated to be up to \$[] in total.

The Participants will pay all costs related to the solicitation of proxies and intend to seek reimbursement for all of the costs and expenses associated with the proxy solicitation without a shareholder vote in the event that the Participants are elected to the Board. Furthermore, pursuant to section 96(6) of the Act, unless otherwise resolved at the Special Meeting, the Participants may require GSI to reimburse the Participants the expenses reasonably incurred by them in requisitioning, calling and holding the meeting. The Participants intend to request reimbursement under the Act if available. GSI may then withhold rateably the amount the Participants were reimbursed from money due or to become due by way of fees or other remuneration to each director who was in default in not calling the meeting.

PROPOSALS

Pursuant to Rule 14a-8, proposals of shareholders intended for inclusion in next year's management proxy circular to be furnished to all shareholders entitled to vote at the next annual meeting of shareholders must be received at GSI's principal executive offices not less than 120 calendar days before the date of GSI's management proxy circular released to shareholders in connection with the previous year's annual meeting. However, if GSI does not hold an annual meeting the previous year, or if the date of the current year's annual meeting is changed by more than 30 days from the date of the previous year's meeting, then the deadline is a reasonable time before GSI begins to print and send its proxy materials. Shareholder proposals not intended for inclusion in next year's management proxy circular, but which are instead sought to be presented directly at next year's annual meeting, will be considered untimely if notice of the matter is not received by GSI (i) at least 45 days before the date on which GSI first sent its proxy materials for the prior year's annual meeting of shareholders, or (ii) if during the prior year GSI did not hold an annual meeting or, if the date of the meeting changed more than 30 days from the prior year, then a reasonable time before GSI sends its proxy materials.
