**Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.**

(a) As previously reported in the Form 12b-25 filed by Retail Ventures, Inc. (the “Company”) with the Securities and Exchange Commission on December 11, 2009, in connection with the Company’s assumption after the end of its third quarter of the rights and obligations related to the Filene’s Basement defined benefit pension plan (the “Pension Plan”) (as a part of the registrant’s previously reported Settlement Agreement, dated as of September 25, 2009, with FB Liquidating Estate, Inc., formerly known as Filene’s Basement, Inc. , FB Services LLC and FB Leasing Services LLC (collectively, the “Debtors”), DSW Inc. and the Official Committee of Unsecured Creditors appointed in the Chapter 11 case for the Debtors ), the Company determined that it was necessary to restate the financial statements for its first two quarters of 2009, and to prepare the third quarter financial statements, to account for the Pension Plan in continuing operations rather than as a guarantee attributable to discontinued operations.

On December 14, 2009, the Audit Committee of the Board of Directors of the Company, following discussion with management and the Company’s independent registered public accountants, Deloitte & Touche LLP, concluded that the previously issued financial statements with respect to the Company’s first two quarters of 2009 should no longer be relied upon in view of the errors in such financial statements in accounting for the Pension Plan and because the restated financial statements for these periods would be included in amendments to the Company’s Forms 10-Q for the fiscal quarters ended May 2, 2009 and August 1, 2009, which amendments are being filed today with the Securities and Exchange Commission.
