Stockholders who execute proxies retain the right to revoke them in person at the Meeting, by written notice received by the Secretary of the Fund at any time before they are voted or by delivering a duly executed proxy bearing a later date. Proxies that are not revoked will be voted in accordance with the specifications thereon and, unless specified to the contrary, will be voted FOR each of the nominees for Director.

The close of business on March 5, 2010, has been fixed as the record date for the determination of Stockholders entitled to notice of and to vote at the Meeting. Each Stockholder is entitled to one vote for each full share and an appropriate fraction of a vote for each fractional share held.

On the record date there were 49,069,239 shares of the Fund's common stock outstanding.

In the event that a quorum is not present at the Meeting, the persons named as proxies may propose, without notice other than by announcement at the Meeting, one or more adjournments or postponements of the Meeting to a date not more than 120 days after the original record date to permit further solicitation of proxies or until a quorum shall attend. Any such adjournment will require the affirmative vote of a majority of those shares represented at the Meeting in person or by proxy. The persons named as proxies will vote those proxies that they are entitled to vote FOR or AGAINST any such proposal at their discretion. Under the By-Laws of the Fund, a quorum is constituted by the presence in person or by proxy of the holders of record of a majority of the outstanding shares of common stock of the Fund entitled to vote at the Meeting.

Votes cast by proxy or in person at the Meeting will be tabulated by the inspector of election appointed for the Meeting. The inspector of election will determine whether or not a quorum is present at the Meeting. The inspector of election will treat abstentions and broker non-votes (i.e., shares held by brokers or nominees, typically in street name, as to which proxies have been returned but (i) instructions have not been received from the beneficial owners or persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter) as present for purposes of determining a quorum.

For purposes of the election of Directors, abstentions and broker non-votes will not be considered votes cast and will not affect the plurality vote required for Directors. The persons named as proxies will have discretionary authority to vote all shares for which they serve as proxies, including abstentions and broker non-votes, on the adjournment of the Meeting, whether or not a quorum is present, to a date not more than 120 days after the original record date to permit further solicitation of proxies.

Stockholders who plan on attending the Meeting will be required to provide valid identification in order to gain admission.

The Board of Directors of the Fund knows of no business other than that discussed above that will be presented for consideration at the Meeting. If any other matter is properly presented, it is the intention of the persons named in the enclosed proxy to vote in accordance with their best judgment.

The Fund is a non-diversified, closed-end management investment company registered under the 1940 Act. The principal business address of the Fund is 345 Park Avenue, New York, New York 10154.

The date of this Proxy Statement is March 24, 2010.

PROPOSAL 1. ELECTION OF DIRECTORS**Background**

In accordance with the Fund's Charter, the Fund's Board of Directors is divided into three classes: Class I, Class II and Class III. At the Meeting, Stockholders will be asked to elect two Class III Directors, each to hold office until the 2013 Annual Meeting of Stockholders, or thereafter until his successor is elected and qualified. The terms of office of the Class II Directors expire at the Annual Meeting of Stockholders in 2011, or thereafter until their respective successors are duly elected and qualified. The terms of office of the Class I Directors expire at the Annual Meeting of Stockholders in 2012, or thereafter until their respective successors are duly elected and qualified. These staggered terms have the effect of limiting the ability of other entities or persons to acquire control of the Fund by delaying the replacement of a majority of the Board of Directors and could have the effect of depriving Stockholders of an opportunity to sell their shares at a premium over prevailing market prices by discouraging a third party from seeking to obtain control of the Fund.

The persons named in the accompanying form of proxy intend to vote at the Meeting (unless directed not to vote) FOR the election of the nominees listed below. Messrs. Melwani and Hardy are currently members of the Fund's Board of Directors. The nominees have consented to their being named in this proxy statement and have indicated that they will serve if elected. If a nominee should be unable to serve, the proxy will be voted for any other person determined by the persons named as proxies in their discretion.

As of March 5, 2010, the holdings of no Director or executive officer, nor the Directors and executive officers of the Fund as a group, represented more than 1% of the outstanding shares of the Fund's common stock. At March 5, 2010, no Director or nominee for election as Director who is not an interested person of the Fund as defined in the 1940 Act, nor any immediate family member of such persons, owned beneficially or of record any shares of Blackstone Advisors, the Fund's investment manager and administrator, Blackstone Fund Services India Private Limited (Blackstone India), the Fund's country advisor, or any person or entity (other than the Fund) directly or indirectly controlling, controlled by, or under common control with Blackstone Advisors and Blackstone India.

Responsibilities of the Board of Directors

The Board of Directors is responsible under applicable state law for overseeing generally the operation of the Fund. The Directors oversee the Fund's operations by, among other things, meeting at regularly scheduled meetings and as otherwise needed with the Fund's management and evaluating the performance of the Fund's service providers including Blackstone Advisors, Blackstone India and the Fund's custodian and the transfer agent. As part of this process, the Directors consult with the Fund's independent registered public accounting firm and the independent Directors consult with their own separate independent counsel.

The Directors regularly review the Fund's financial statements, performance and market price as well as the quality of the services being provided to the Fund. As part of this process, the Directors review

the Fund's fees and expenses to determine if they are reasonable and competitive in light of the services being received, while also ensuring that the Fund continues to have access to high quality services in the future. Based on these reviews, the Directors periodically make suggestions to the Fund's management and monitor to ensure that responsive action is taken. The Directors also monitor potential conflicts of interest among the Fund, Blackstone Advisors, Blackstone India and their affiliates and other funds and clients managed by Blackstone Advisors and Blackstone India to ensure that the Fund is managed in a manner that is in the best interest of the Fund's Stockholders.

The Board of Directors has four regularly scheduled meetings each year and additional meetings are scheduled as needed. Furthermore, the Board of Directors has a standing Audit Committee and a Nominating Committee, each composed entirely of Directors who are not interested persons of the Fund, Blackstone Advisors or its affiliates within the meaning of the 1940 Act, and who are independent as defined in the NYSE listing standards (Independent Directors).

The Board of Directors is currently comprised of eight Directors, six of whom are Independent Directors. Mr. Salacuse serves as chairman of the Board and is an Independent Director. The Independent Directors have separate legal counsel and regularly meet apart from management. In fulfilling their general oversight responsibility, the Directors regularly receive reports from Blackstone Advisors, Blackstone India, the Fund's Chief Compliance Officer (CCO) and counsel to the Fund and to the Independent Directors. The Board's role in risk oversight of the Fund reflects its responsibility under applicable state law to oversee generally, rather than to manage, the operations of the Fund. In line with this general oversight responsibility, the Board receives reports and makes regular inquiry at its quarterly meetings and as needed regarding the nature and extent of significant Fund risks (including investment, compliance and valuation risks) that potentially could have a materially adverse impact on the business operations, investment performance or reputation of the Fund, but relies upon the Fund's management (including its portfolio managers and Chief Compliance Officer, who reports directly to the Board), Blackstone Advisors and Blackstone India to assist it in identifying and understanding the nature and extent of such risks and determining that such risks are being effectively managed by the implementation of appropriate policies, procedures and controls. In addition to reports and other information received from Fund management, Blackstone Advisors and Blackstone India regarding the Fund's investment program and activities, the Board as part of its risk oversight efforts meets at its quarterly meetings and as needed with the Fund's Chief Compliance Officer to discuss, among other things, any issues regarding the policies, procedures and controls of the Fund. The Board may be assisted in performing aspects of its role in risk oversight by the Audit Committee and such other standing or special committees as may be established from time to time by the Board. Because the Chairman of the Board and the Chair of each of the Board's Audit and Nominating Committees is an Independent Director, the manner in which the Board administers its risk oversight efforts is not expected to have any significant impact on the Board's leadership structure. Based on a review of the Board and its functions, the Board has determined that the leadership structure of the Board of Directors, including its role in risk oversight, is appropriate given the characteristics and circumstances of the Fund.

Officers of the Fund

The executive officers of the Fund are chosen each year at the first meeting of the Board of Directors of the Fund following the Annual Meeting of Stockholders, to hold office until the meeting of the Board following the next Annual Meeting of Stockholders and until their successors are chosen and qualified. The current executive officers of the Fund are:

Audit Committee

The Fund's Audit Committee is composed entirely of Directors who are not interested persons of the fund, Blackstone Advisors or its affiliates within the meaning of the 1940 Act, and who are independent as defined in the NYSE listing standards. Currently, Messrs. Becker, Gelb, Hardy, Henry, Rubio and Salacuse are members of the Audit Committee. The Audit Committee convened two times during the fiscal year ended December 31, 2009. The principal functions of the Audit Committee are to appoint and retain the Fund's independent registered public accounting firm, to review with the independent registered public accounting firm the scope, performance and anticipated cost of their audit and to receive and consider a report from the independent registered public accounting firm concerning their conduct of the audit, including the form of the opinion proposed to be rendered and any comments or recommendations the independent registered public accounting firm might want to make in that connection. The Board has determined that Mr. Becker is an audit committee financial expert, as defined in Section 401(h) of Regulation S-K. The Fund adopted an Audit Committee Charter in February 2000, which was most recently amended in October 2009. The Audit Committee Charter states that no member of the Committee may serve on the audit committees of more than three public companies, including the Fund, unless the Board of Directors determines that such simultaneous service would not impair the ability of such member to serve on the Committee effectively. The Board of Directors has determined that the service by Messrs. Becker, Gelb and Salacuse on the audit committees of more than two other public companies does not impair each of their ability to serve effectively on the Fund's Audit Committee. The Fund's amended and restated Audit Committee Charter is attached hereto as Appendix A.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management or internal control. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the independent registered public accounting firm. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with generally accepted auditing standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Pursuant to the Fund's Audit Committee Pre-Approval Policy, the Audit Committee pre-approved all audit and non-audit services provided by PricewaterhouseCoopers LLP (PwC), the Fund's independent registered public accounting firm, to the Fund in 2009. As set forth in the Audit Committee Pre-Approval Policies, the Audit Committee has authorized the Chairman of the Audit Committee to pre-approve certain services to be performed by PwC, as necessary, between audit committee meetings which would then be presented to the full Audit Committee at its next regularly scheduled meeting. A representative of PwC will be available at the Meeting to answer appropriate questions and will have an opportunity to make a statement if he or she chooses to do so.

Nominating Committee

The Nominating Committee is composed entirely of Directors who are not interested persons of the Fund, Blackstone Advisors or its affiliates within the meaning of the 1940 Act, and who are independent as defined in the NYSE listing standards. Currently Messrs. Becker, Gelb, Hardy, Henry, Rubio and Salacuse are members of the Nominating Committee. This Committee met twice during the fiscal year ended December 31, 2009. The principal function of the Nominating Committee is to select and nominate persons for election as Directors of the Fund. The Fund adopted a Nominating Committee Charter on December 18, 2003, which is attached hereto as Appendix B.

The Nominating Committee identifies potential nominees through its network of contacts. While the Nominating Committee meets to discuss and consider such candidates' qualifications and then chooses a candidate by majority vote, the Nominating Committee does not have specific, minimum qualifications for nominees and has not established specific qualities or skills that it regards as necessary for one or more of the Fund's Directors to possess (other than any qualities or skills that may be required by applicable law, regulation or listing standard).

In identifying and evaluating nominees, the Nominating Committee considers factors it deems relevant which include: whether or not the person is an interested person as defined in the 1940 Act and whether the person is otherwise qualified under applicable laws and regulations to serve on the Board of Directors of the Fund; whether or not the person has any relationship that might impair his or her independence, such as any business, financial or family relationships with Fund management, the investment manager of the Fund, Fund service providers or their affiliates; whether or not the person serves on boards of, or is otherwise affiliated with, competing organizations or funds; and the character and integrity of the person and the contribution which the person can make to the Board. The Nominating Committee does not have a formal diversity policy but may also consider diversity of professional experience, education and skills when evaluating potential nominees. The Nominating Committee will accept nominations for the office of Director made by Fund Stockholders. Stockholders who wish to recommend a nominee should send nominations to the Secretary of the Fund which include biographical information and set forth the qualifications of the proposed nominee. There are no differences in the manner in which the Nominating Committee evaluates nominees based on whether such nominees are recommended by a Stockholder.

The Fund does not pay a fee to any third party or parties to identify or evaluate or assist in identifying or evaluating potential nominees. The Nominating Committee did not receive a recommended nominee from a Stockholder who beneficially owned, or a group of Stockholders who beneficially owned, more than 5% of the Fund's shares for at least one year as of the date the recommendation was made.

Board Meetings

During the fiscal year ended December 31, 2009, the Board of Directors held four regular meetings and three special meetings. Each Director attended at least 75% of the meetings of the Board or the committee(s) of the Board on which he served.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, and Section 30(h) of the 1940 Act in combination require the Fund's Directors and officers, persons who own more than ten percent of the Fund's common stock, and Blackstone Advisors and its directors and officers, to file reports of ownership and changes in ownership of the Fund's securities with the SEC and the NYSE. These persons and entities are required by SEC regulation to furnish the Fund with copies of all such forms they file.

Based solely on a review of those forms furnished to the Fund, the Fund believes that the Fund's Directors and officers, and Blackstone Advisors and its directors and officers, have complied with applicable filing requirements during the fiscal year ended December 31, 2009.

Report of the Audit Committee

The Audit Committee reports that it has: (i) reviewed and discussed the Fund's audited financial statements for the fiscal year ended December 31, 2009 with management; and (ii) discussed with PwC the matters required to be discussed by Statement on Auditing Standards No. 61 (SAS 61). SAS 61 requires the independent registered public accounting firm to communicate to the Audit Committee matters including, if applicable: (i) methods used to account for significant unusual transactions; (ii) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus; (iii) the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditor's conclusions regarding the reasonableness of those estimates; and (iv) disagreements with management over the application of accounting principles and certain other matters.

The Audit Committee also reports that it previously received written confirmation from PwC that it is independent and written disclosures regarding such independence as required by the Public Company Accounting Oversight Board Rule 3526 and discussed with PwC the independent registered public accounting firm's independence. In addition, the Audit Committee has reviewed the aggregate fees billed by PwC for professional services rendered to the Fund and for non-audit services provided to Blackstone Advisors, the Fund's investment manager, Blackstone India, the Fund's country adviser, and any entity controlling, controlled by or under common control with Blackstone Advisors or Blackstone India that provided services to the Fund. As part of this review, the Committee considered, in addition to other practices and requirements relating to selection of the Fund's independent registered public accounting firm, whether the provision of such non-audit services was compatible with maintaining the independence of PwC.

Based on the foregoing review and discussions, the Audit Committee presents this report to the Board of Directors and recommends that: (i) the Fund's audited financial statements for the fiscal year ended December 31, 2009 be included in the Fund's annual report to stockholders for such fiscal year and; (ii) such annual report be filed with the Securities and Exchange Commission and the New York Stock Exchange.

Required Vote

Directors are elected by a plurality of all the votes cast by the holders of shares of common stock of the Fund present in person or represented by proxy at a meeting with a quorum present. A plurality of the votes cast means the candidate must receive more votes than any other candidate for the same position, but not necessarily a majority of the votes cast. For purposes of the election of Directors, abstentions and broker non-votes will not be considered votes cast, and do not affect the plurality vote required for Directors.

Please note that unless otherwise instructed, the proxies will vote FOR each nominee for Director.

The Directors, including the independent Directors, recommend that Stockholders vote FOR each nominee for Director.

Independent Registered Public Accounting Firm

The Fund's Audit Committee has adopted written policies relating to the pre-approval of the audit and non-audit services performed by the Fund's independent registered public accounting firm. Unless a type of service to be provided by the independent registered public accounting firm has received general pre-approval, it requires specific pre-approval by the Audit Committee. Under the policies, on an annual basis, the Fund's Audit Committee reviews and pre-approves the services to be provided by the independent registered public accounting firm without having obtained specific pre-approval from the Audit Committee. In addition, the Audit Committee pre-approves any permitted non-audit services to be provided by the independent registered public accounting firm to Blackstone Advisors or any entity controlling, controlled by, or under common control with Blackstone Advisors if such services relate directly to the operations and financial reporting of the Fund. As set forth in the Audit Committee Pre-Approval Policies, the Audit Committee has authorized the Chairman of the Audit Committee to pre-approve certain services to be performed by PwC, as necessary, between audit committee meetings which would then be presented to the full Audit Committee at its next regularly scheduled meeting.

Audit Fees. The aggregate fees paid to PwC in connection with the annual audit of the Fund's financial statements and for services normally provided by PwC in connection with the statutory and regulatory filings of the Fund for the fiscal years ended December 31, 2008 and December 31, 2009 were \$97,566 and \$97,566, respectively, including out-of-pocket expenses.

Audit-Related Fees. The aggregate fees paid to PwC in connection with assurance and related services related to the annual audit of the Fund and for review of the Fund's financial statements, other than the Audit Fees described above, for the fiscal years ended December 31, 2008 and December 31, 2009 were \$0 and \$13,963, respectively.

Tax Fees. The aggregate fees paid for domestic and international tax-related services, including tax compliance, tax advice and tax planning, rendered by PwC to the Fund for the fiscal years ended December 31, 2008 and December 31, 2009 were \$79,695, and \$114,845, respectively.

All Other Fees. The aggregate fees billed for all other non-audit services rendered by PwC to the Fund for the fiscal years ended December 31, 2008 and December 31, 2009 were \$0 and \$0, respectively.

The aggregate non-audit fees billed by PwC for services rendered to the Fund, Blackstone Advisors, Blackstone India and any entity controlling, controlled by or under common control with the Fund, Blackstone Advisors or Blackstone India that provides ongoing services to the Fund for the fiscal years ended December 31, 2008 and December 31, 2009 were \$0 and \$0, respectively. The Audit Committee has determined that the provision of non-audit services is compatible with maintaining the independence of PwC.

None of the services described above, provided in the fiscal year ended December 31, 2009, were approved pursuant to the *de minimis* exception provided in Rule 2-01(c)(7)(i)(C) of Regulation S-X promulgated by the SEC.

Other Business

The Fund's Board of Directors does not know of any other matter that may come before the Meeting. If any other matter properly comes before the Meeting, it is the intention of the persons named in the proxy to vote the proxies in accordance with their judgment on that matter.

Stockholder Proposals

All proposals by Stockholders of the Fund that are intended to be presented at the Fund's next Annual Meeting of Stockholders, to be held in 2011, must be received by the Fund (addressed to The India Fund, Inc., 345 Park Avenue, New York, New York 10154) for inclusion in the Fund's proxy statement and proxy relating to that meeting no later than November 24, 2010. Any Stockholder who desires to bring a proposal for consideration at the Fund's year 2010 Annual Meeting of Stockholders without including such proposal in the Fund's proxy statement must deliver written notice thereof to the Secretary or Assistant Secretary of the Fund (addressed to The India Fund, Inc., 345 Park Avenue, New York, New York 10154) during the period from December 25, 2010 to January 24, 2011. However, if the Fund's 2011 Annual Meeting of Stockholders is held earlier than March 25, 2011 or later than June 23, 2011, such written notice must be delivered to the Secretary or Assistant Secretary of the Fund no earlier than 120 days before the date of the 2010 Annual Meeting of Stockholders and no later than the later of 90 days before the date of the 2011 Annual Meeting of Stockholders or 10 days following the public announcement of the date of the 2011 Annual Meeting of Stockholders.

Stockholder Communications with the Board of Directors

The Fund has adopted procedures by which Fund Stockholders may send communications to the Board of Directors. Stockholders may mail written communications to the Board to the attention of the Board of Directors of The India Fund, Inc., c/o the Fund's Chief Legal Officer, 345 Park Avenue, New York, New York 10154. Stockholder communications must (i) be in writing and be signed by the Stockholder and (ii) identify the number of shares held by the Stockholder. The Chief Legal Officer of the Fund is responsible for reviewing properly submitted Stockholder communications. The Chief Legal

Officer shall either (i) provide a copy of each properly submitted Stockholder communication to the Board at its next regularly scheduled board meeting or (ii) if the Chief Legal Officer determines that the communication requires more immediate attention, forward the communication to the Directors promptly after receipt. The Chief Legal Officer may, in good faith, determine that a Stockholder communication should not be provided to the Board because it does not reasonably relate to the Fund or its operations, management, activities, policies, service providers, Board, officers, Stockholders or other matters relating to an investment in the Fund or is otherwise ministerial in nature. These procedures shall not apply to (i) any communication from an officer or Director of the Fund, (ii) any communication from an employee or agent of the Fund, unless such communication is made solely in such employee's or agent's capacity as a Stockholder of the Fund, or (iii) any Stockholder proposal submitted pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended, or any communication made in connection with such a proposal.

The Fund does not have a formal policy regarding attendance by Directors at Annual Meetings of Stockholders.

Expenses of Proxy Solicitation

The costs of preparing, printing, assembling and mailing material in connection with this solicitation of proxies will be borne by the Fund, even if the proposals are not successful, as will all of the other costs in connection with the Meeting. **Proxies may also be solicited personally by Directors and officers of the Fund and by regular employees of Blackstone Advisors, its respective affiliates or other representatives of the Fund, and may be accomplished by telephone in addition to the use of mails.** Brokerage houses, banks and other fiduciaries may be requested to forward proxy solicitation material to their principals to obtain authorization for the execution of proxies, and they will be reimbursed by the Fund for out-of-pocket expenses incurred in this connection.

In addition, Georgeson Inc. ("Georgeson"), a proxy solicitation firm, has been retained to assist in the solicitation of the proxy vote. It is anticipated that Georgeson will be paid an amount estimated at \$5,000 plus reasonable out-of-pocket expenses. Therefore, expenses of the Meeting will include costs of (i) preparing, assembling and mailing material in connection with the solicitation, (ii) soliciting proxies by officers or employees, personally or by telephone or telegraph, (iii) reimbursing brokerage houses, banks and other fiduciaries and (iv) compensating the proxy solicitor.

Georgeson may call Stockholders to ask if they would be willing to have their votes recorded by telephone. The telephone voting procedure is designed to authenticate Stockholders' identities, to allow Stockholders to authorize the voting of their shares in accordance with their instructions and to confirm that their instructions have been recorded properly. A Stockholder voting by telephone would be asked for his or her social security number or other identifying information and would be given an opportunity to authorize proxies to vote his or her shares in accordance with his or her instructions. To ensure that the Stockholder's instructions have been recorded correctly, he or she will receive a confirmation of such instructions in the mail. The confirmation is a replica of the proxy card but with marks indicating how the Stockholder voted, along with a special toll-free number which will be available in the event the Stockholder wishes to change or revoke the vote. Although a Stockholder's vote may be taken by telephone, each Stockholder will receive a copy of this proxy statement and may vote by mailing the

enclosed proxy card. If you have any questions or need assistance in voting, please contact Georgeson at its toll-free number, 1-866-297-1264.

Please vote promptly by signing and dating the enclosed proxy card and returning it in the accompanying postage-paid return envelope or by following the instructions on the enclosed proxy card for voting by telephone or over the Internet.

AUDIT COMMITTEE CHARTER

December 18, 2003, as amended on November 8, 2005 and October 27, 2009

This charter sets forth the purpose, authority and responsibilities of the Audit Committee of each of the Board of Directors (the "Board") of the investment companies set forth above (each, a "Fund").

Purposes

The Audit Committee of the Board (the "Committee") has, as its primary purpose, oversight responsibility with respect to: (a) the adequacy of the Fund's accounting and financial reporting processes, policies and practices; (b) the integrity of the Fund's financial statements and the independent audit thereof; (c) the adequacy of the Fund's overall system of internal controls and, as appropriate, the internal controls of certain service providers; (d) the Fund's compliance with certain legal and regulatory requirements; (e) determining the qualification and independence of the Fund's independent auditors; and (f) the Fund's internal audit function, if any.

The function of the Committee is oversight; it is the responsibility of the Fund's investment adviser (the "Adviser") to maintain appropriate systems for accounting and internal control, and the independent auditors' responsibility to plan and carry out a proper audit.

Authority

The Committee has been duly established by the Board and shall have the resources and authority appropriate to discharge its responsibilities, including the authority to retain counsel and other experts or consultants at the expense of the Fund and approve the fees payable to such advisors and any other terms of their retention. The Committee has the authority and responsibility to retain and terminate the Fund's independent auditors. In connection therewith, the Committee must evaluate the independence of the Fund's independent auditors and receive the auditors' specific representations as to their independence.

Composition and Term of Committee Members

The Committee shall be comprised of the Directors who are "Independent," which term shall mean each Director (i) who is not an "interested person," as defined in the Investment Company Act of 1940, as amended, of the Fund; and (ii) who has not accepted directly or indirectly any consulting, advisory, or other compensatory fee from the Fund (other than fees for serving as a Director or member of the Committee or any other committee of the Board). The members of the Committee shall designate one member to serve as Chairman of the Committee.

No member of the Committee may serve on the audit committees of more than three public companies, including the Funds, unless the Board determines that such simultaneous service would not impair the ability of such member effectively to serve on the Committee.

Each member of the Committee shall be Independent, as defined in the New York Stock Exchange (the NYSE) Listed Company Manual § 303A, and shall be free of any relationship that, in the judgment of the Board, may interfere with the exercise of his or her independent judgment.

Each member of the Committee shall serve until a successor is appointed.

The Board shall determine whether: the Committee has at least one member who is an audit committee financial expert (ACFE), as such term is defined in the rules adopted under Section 407 of the Sarbanes-Oxley Act of 2002. The designation of a person as an ACFE is not intended to impose any greater responsibility or liability on that person than the responsibility and liability imposed on such person as a member of the Committee, nor does it decrease the duties and obligations of other Committee members or the Board. In addition, with respect to those Funds listed on the NYSE, each member of the Committee must be financially literate and at least one member of the Audit Committee must have accounting or related financial management expertise, as the Board of Directors interprets such qualifications in its business judgment under the NYSE listing requirements.

Meetings

The Committee shall meet on a regular basis, no less frequently than semi-annually, and is empowered to hold special meetings as circumstances require. Periodically, the Committee shall meet to discuss with management the Fund s annual audited financial statements and semi-annual financial statements. Periodically, the Committee should meet separately with management, the Fund s administrator and independent auditors to discuss any matters that the Committee or any of these persons or firms believe should be discussed privately. The Committee may request any officer or employee of the Adviser or the Fund s legal counsel (or counsel to the Independent Board members) or independent auditors to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee.

Minutes of each meeting will be taken and circulated to all members of the Committee in a timely manner.

Any action of the Committee requires the vote of a majority of the Committee members present, whether in person or otherwise, at the meeting at which such action is considered. At any meeting of the Committee, one member of the Committee shall constitute a quorum for the purpose of taking any action.

Duties and Powers and of the Committee

The duties and powers of the Committee include, but are not limited to, the following:

1. The Audit Committee shall receive, retain, investigate and act on complaints and concerns of Covered Persons³ (Reports) regarding:
 - (a) questionable accounting, internal accounting controls and auditing matters, including those regarding the circumvention or attempted circumvention of internal accounting controls or that would otherwise constitute a violation of the Fund s accounting policies (each an Accounting Allegation);
 - (b) compliance with legal and regulatory requirements (Legal Allegation); and
 - (c) retaliation against Covered Persons who make Accounting Allegations or Legal Allegations (Retaliatory Act).
2. In the discretion of the Audit Committee, responsibilities of the Audit Committee created by these procedures may be delegated to the Chairman of the Audit Committee.

B. Procedures for Receiving Reports

1. Any Report that is made directly to management, whether openly, confidentially or anonymously, shall be promptly reported to the Audit Committee.
2. Each Report forwarded to the Audit Committee by management and each Report that is made directly to the Audit Committee, whether openly, confidentially or anonymously, shall be reviewed by the Audit Committee, who may, in their discretion, consult with any member of management who is not the subject of the allegation and who may have appropriate expertise to assist the Audit Committee. The Audit Committee shall determine whether the Audit Committee or management should investigate the Report, taking into account the considerations set forth in Section C below.
 - (a) If the Audit Committee determines that management should investigate the Report, the Audit Committee shall notify the Fund s Chief Legal Officer in writing of that conclusion. investigation. The Audit Committee shall be free in its discretion to engage outside auditors, counsel or other experts to assist in the investigation and in the analysis of results.

C. Considerations Relative To Whether the Audit Committee or Management Should Investigate a Report

In determining whether management or the Audit Committee should investigate a Report, the Audit Committee shall consider, among any other factors that are appropriate under the circumstances, the following:

1. Who is the alleged wrongdoer? If an executive officer, senior financial officer or other high management official is alleged to have engaged in wrongdoing, that factor alone may militate in favor of the Audit Committee conducting the investigation.
2. How serious is the alleged wrongdoing? The more serious the alleged wrongdoing, the more appropriate that the Audit Committee should undertake the investigation. If the alleged wrongdoing would constitute a crime involving the integrity of the financial statements of the Fund, that factor alone may militate in favor of the Audit Committee conducting the investigation.
3. How credible is the allegation of wrongdoing? The more credible the allegation, the more appropriate that the Audit Committee should undertake the investigation. In assessing credibility, the Audit Committee should consider all facts surrounding the allegation, including but not limited to whether similar allegations have been made in the press or by analysts.

D. Protection of Whistleblowers

Consistent with the policies of the Fund, the Audit Committee shall not retaliate, and shall not tolerate any retaliation by management or any other person or group, directly or indirectly, against anyone who, in good faith, makes an Accounting Allegation or Legal Allegation, reports a Retaliatory Act or provides assistance to the Audit Committee, management or any other person or group, including any governmental, regulatory or law enforcement body, investigating a Report. The Audit Committee shall not, unless compelled by judicial or other legal process, reveal the identity of any person who makes an Accounting Allegation or Legal Allegation or reports a Retaliatory Act and who asks that his or her identity as the person who made such Report remain confidential and shall not make any effort, or tolerate any effort made by any other person or group, to ascertain the identity of any person who makes a Report anonymously.

E. Records

The Audit Committee shall retain for a period of seven years all records relating to any Accounting Allegation or Legal Allegation or report of a Retaliatory Act and to the investigation of any such Report.

F. Procedures for Making Complaints

NOMINATING COMMITTEE CHARTER

Organization

The Nominating Committee (the Committee) of each of The India Fund, Inc. and The Asia Tigers Fund, Inc. (each, a Fund) shall be composed solely of Directors who are not interested persons of the Fund as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the 1940 Act), and who are independent as defined in the New York Stock Exchange listing standards. The Board of Directors of the Fund (the Board) shall nominate the members of the Committee and shall designate the Chairman of the Committee. The Chairman shall preside at each meeting of the Committee.

Responsibilities

The Committee shall select and nominate persons for election as Directors of the Fund.

Identification and Evaluation of Potential Nominees

In identifying and evaluating a person as a potential nominee to serve as a Director of the Fund, the Committee should consider among other factors it may deem relevant:

whether or not the person is an interested person as defined in the 1940 Act and whether the person is otherwise qualified under applicable laws and regulations to serve as a Director or Independent Director of the Fund;

whether or not the person has any relationships that might impair his or her independence, such as any business, financial or family relationships with Fund management, the investment manager of the Fund, Fund service providers or their affiliates;

whether or not the person serves on boards of, or is otherwise affiliated with, competing financial service organizations or their related mutual fund complexes;

whether or not the person is willing to serve, and willing and able to commit the time necessary for the performance of the duties of a Director of the Fund;

the contribution which the person can make to the Board and the Fund, with consideration being given to the person's business and professional experience, education and such other factors as the Committee may consider relevant;

the character and integrity of the person; and

whether or not the selection and nomination of the person would be consistent with the requirements of the Fund's retirement policies.

While the Committee is solely responsible for the selection and nomination of the Fund's Directors, the Committee shall accept nominations for the office of Director made by Fund Stockholders as it deems appropriate. Stockholders who wish to recommend a nominee should send nominations to the Secretary of the Fund which include biographical information and set forth the qualifications of the proposed nominee.

Quorum

A majority of the members of the Committee shall constitute a quorum for the transaction of business, and the act of a majority of the members of the Committee present at any meeting at which there is quorum shall be the act of the Committee.

Nomination of Directors

After a determination by the Committee that a person should be selected and nominated as a Director of the Fund, the Committee shall present its recommendation to the full Board for its consideration.

Meetings

The Committee may meet either on its own or in conjunction with meetings of the Board. Meetings of the Committee may be held in person, video conference or by conference telephone. The Committee may take action by unanimous written consent in lieu of a meeting.
