- (1) Beneficial ownership of the above referenced securities is being reported solely because the reporting person may be deemed to have beneficial ownership of such securities as a result of the Stockholders Agreement (as defined below) entered into with the beneficial owners of such securities, as described below. Neither the filing of this Schedule 13D nor any of its contents shall be deemed to constitute an admission by either filing person that it is the beneficial owner of any of the common stock referred to in this Schedule 13D for purposes of Section 13(d) of the Act, or for any other purpose, and such beneficial ownership is expressly disclaimed. Percentage of the class represented is based on 24,155,441 shares of Common Stock (as defined below) issued and outstanding as of May 6, 2010.

Table of Contents

Item 1. Security and Issuer

The principal executive offices of Stanley are located at 3101 Wilson Boulevard, Suite 700, Arlington, Virginia 22201. Stanley's telephone number at that address is (703) 684-1125.

Item 2. Identity and Background

(a) (c) This Schedule 13D is being filed jointly by the persons listed below, which persons are sometimes individually referred to as a Reporting Person and collectively as the Reporting Persons.

(i) CGI Group Inc. (CGI), a corporation organized under the laws of the Province of Québec, Canada, is an independent information technology and business process services provider with offices in Canada, the United States, Europe and Asia Pacific. The business address of CGI is 1130 Sherbrooke Street West, 7th Floor, Montreal, Québec, Canada H3A 2M8.

(ii) CGI-US (CGI-US), a Delaware corporation, is an indirect wholly-owned U.S. operating subsidiary of CGI. CGI-US provides end-to-end IT and business process services to the federal government. The business address of CGI-US is 12601 Fair Lakes Circle, Fairfax, Virginia 22033.

(d) Neither the Reporting Persons nor, to the knowledge of the Reporting Persons, any person identified on Schedule A during the last five years has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

(e) Neither the Reporting Persons nor, to the knowledge of the Reporting Persons, any person identified on Schedule A during the last five years was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree, or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws, except as described below.

(f) Except for Donna Morea, none of the directors and executive officers of CGI named in Schedule A are citizens of the United States. All such directors and executive officers are citizens of Canada, except for Bernard Bourigeaud who is a citizen of Belgium. Donna Morea is a citizen of the United States.

All of the directors and executive officers of CGI-US named in Schedule A are citizens of the United States, except for Michael E. Roach and R. David Anderson, who are citizens of Canada.

Set forth on Schedule A is the name and present principal occupation or employment, and the name, principal business and address of any corporation or other organization in which such employment is conducted, of each of the directors and executive officers of the Reporting Persons as of the date of this Schedule 13D.

Item 3. Source and Amount of Funds or Other Consideration

The Stockholders Agreement (as defined in Item 4 below) was entered into among CGI and CGI-US and the following directors, executive officers and stockholders of Stanley: Philip O. Nolan; William E. Karlson; George H. Wilson; Gregory M. Denkler; Brian J. Clark; Scott D. Chaplin; and James H. Brabston (collectively, the

Stockholders). The Stockholders entered into the Stockholders Agreement as an inducement to CGI and CGI-US to enter into the Merger Agreement (as defined in Item 4 below). The Stockholders Agreement Shares (as defined below) to which this Schedule 13D relates, have not been purchased by the Reporting Persons. The Reporting Persons have not paid additional consideration to the Stockholders in connection with the execution and delivery of the Stockholders Agreement and thus no funds were used for such purpose. For a description of the Stockholders Agreement, see Item 4 below, which description is incorporated by reference in response to this Item 3.

CGI estimates that the total amount of funds required to purchase all of the shares of Common Stock pursuant to the Offer (as defined in Item 4 below) and consummate the Merger (as defined in Item 4 below) is approximately

Table of Contents

\$1.07 billion, including related transaction fees and expenses. CGI will have sufficient funds to consummate the purchase of the shares of Common Stock in the Offer and the Merger, and will cause CGI Fairfax Corporation, a Delaware corporation and an indirect wholly-owned subsidiary of CGI (CGI-Fairfax), to have sufficient funds available to consummate such transactions. CGI expects to obtain the necessary funds from existing cash balances and CGI's existing credit facility.

Item 4. Purpose of Transaction

(a) (b) On May 6, 2010, CGI, CGI-US, CGI-Fairfax and Stanley entered into an Agreement and Plan of Merger (the Merger Agreement), that contemplates the acquisition of all outstanding shares of Common Stock. The Merger Agreement provides that CGI-Fairfax will commence a cash tender offer (the Offer) to purchase all outstanding shares of Common Stock at a price of \$37.50 per share (such price, or any other price per share that is paid in the Offer, referred to as the Offer Price), net to the seller in cash, without interest and less any required withholding taxes. Pursuant to the Merger Agreement, CGI-Fairfax will commence the Offer as promptly as practicable (but in no event later than 10 business days) after the date of the Merger Agreement. The obligation of CGI-Fairfax to accept for payment any shares of Common Stock in the Offer is subject to customary conditions set forth in the Merger Agreement, including that: (i) at least a majority of the outstanding shares of Common Stock (determined on a fully diluted basis) shall have been validly tendered and not withdrawn; (ii) expiration or termination of applicable waiting periods under the United States Hart-Scott-Rodino Antitrust Improvements Act; (iii) approval by the Committee on Foreign Investment in the United States; (iv) the Defense Security Service of the United States Department of Defense having approved a plan to operate Stanley's business pursuant to a foreign ownership, control or influence mitigation agreement that does not require a Material Limitation (as defined in the Merger Agreement); (v) 60 days having elapsed following notice to the United States Department of State Directorate of Defense Trade Controls of the Offer and the Merger pursuant to Section 122.4(b) of the International Traffic in Arms Regulations; and (vi) certain other conditions set forth in the Merger Agreement.

The Merger Agreement also provides that, after completion of the Offer, CGI-Fairfax will be merged with and into Stanley, with Stanley surviving the merger as a wholly-owned subsidiary of CGI-US (the Merger). Upon completion of the Merger, all remaining outstanding shares of Common Stock not tendered in the Offer (other than shares held by stockholders of Stanley, if any, who are entitled to and properly exercise appraisal rights under Delaware law) will be acquired for cash at the Offer Price (without interest thereon and less any required withholding taxes) on the terms and conditions set forth in the Merger Agreement.

As an inducement to CGI, CGI-US and CGI-Fairfax to enter into the Merger Agreement, the Stockholders entered into a Stockholders Agreement (the Stockholders Agreement) with CGI and CGI-US pursuant to which they have agreed, in their capacity as stockholders of Stanley, among other things, to tender or cause to be tendered to CGI-Fairfax in the Offer certain shares of Common Stock beneficially owned by them, as well as certain additional shares of Common Stock of which they may acquire beneficial ownership, in each case excluding restricted stock and shares underlying employee stock options prior to the time such employee stock options are exercised (the

Stockholders Agreement Shares). The Stockholders also have agreed to vote, or cause to be voted, all of their Stockholders Agreement Shares, among other things, (i) in favor of the adoption of the Merger Agreement, and (ii) against any other action, agreement or transaction that (A) could reasonably be expected to lead to a Company Takeover Proposal (as defined in the Merger Agreement), or (B) is intended or would reasonably be expected to materially impede, materially delay or prevent the Offer, the Merger or the transactions contemplated by the Merger Agreement. In addition, the Stockholders have agreed to waive any appraisal rights they may have under Delaware law.

The Stockholders Agreement terminates upon the earliest to occur of: (i) the effective time of the Merger; (ii) the termination of the Merger Agreement pursuant to its terms; (iii) the termination or expiration of the Offer without CGI-Fairfax purchasing all shares of Common Stock tendered pursuant to the Offer in accordance with its terms; or (iv) any amendment to the Merger Agreement or the Offer pursuant to which (A) the terms and conditions of the Offer are less favorable to the Stockholders than those set forth in the Merger Agreement on the date of the Stockholders Agreement or (B) the consideration paid to the Stockholders is less than the highest consideration paid to any other holder of Common Stock for shares tendered in the Offer.

Table of Contents

As of May 6, 2010, Stockholders Agreement Shares included an aggregate of 3,178,563 shares of Common Stock (excluding shares of restricted stock and shares underlying employee stock options prior to the time such employee stock options are exercised, which are not subject to the Stockholders Agreement).

The above descriptions of the Merger Agreement and the Stockholders Agreement are qualified in their entirety by reference to the full text of such agreements, which are incorporated by reference in this Item 4.

(c) Not applicable.

(d) The Merger Agreement provides that, upon the closing of the Offer, CGI, CGI-US or CGI-Fairfax are entitled to designate, from time to time, such number of directors of Stanley's board of directors (the Board) as will give CGI-Fairfax, subject to compliance with Section 14(f) of the Act and Rule 14f-1 thereunder, representation on the Board equal to at least that number of directors, rounded up to the next whole number, that is the product of (i) the total number of directors on the Board (giving effect to the directors elected or appointed pursuant to this sentence) multiplied by (ii) the percentage that (A) the number of shares of Common Stock owned by CGI and its subsidiaries (including shares of Common Stock accepted for payment pursuant to the Offer) bears to (B) the number of shares of Common Stock then outstanding; provided that until the effective time of the Merger the Board shall have at least three directors who will be independent for purposes of Rule 10A-3 under the Act (the Independent Directors). Stanley is obligated pursuant to the Merger Agreement to take all action requested by CGI or CGI-US necessary to effect any such election or appointment, including (i) increasing the size of the Board, or (ii) obtaining the resignation of such number of its current directors as is, in each case, necessary to enable such designees to be so elected or appointed to the Board in compliance with applicable law (including, to the extent applicable prior to the effective time of the Merger, Rule 10A-3 under the Act). Stanley is further obligated to take all action necessary to cause individuals designated by CGI or CGI-US to constitute the number of members, rounded up to the next whole number, on (A) each committee of the Board and (B) each board of directors of each Stanley subsidiary (and each committee thereof) that represents the same percentage as such individuals represent on the Board.

(e) Not applicable.

(f) If the transactions contemplated by the Merger Agreement are consummated, Stanley, as the surviving corporation in the Merger, will become a wholly-owned subsidiary of CGI-US.

(g) The Merger Agreement contains provisions that limit the ability of Stanley to engage in a transaction that would entail a change of control of Stanley (other than the transactions contemplated by the Merger Agreement) unless the Merger Agreement is terminated.

(h) If the transactions contemplated by the Merger Agreement are consummated, CGI-US will apply for delisting of the Common Stock from the New York Stock Exchange promptly after the consummation of the Merger.

(i) If the transactions contemplated by the Merger Agreement are consummated, the Common Stock will become eligible for termination of registration pursuant to Section 12(g)(4) of the Act.

(j) Other than as described above, the Reporting Persons currently have no plan or proposal which relates to, or may result in, any of the matters described in Items 4(a) - (i) of this Schedule 13D (although the Reporting Persons reserve the right to develop such plans).

Item 5. Interest in Securities of the Issuer

(a) (b) As described in Item 4(a) - (b) of this Schedule 13D, as a result of the Stockholders Agreement, the Reporting Persons share the power to vote or to direct the vote of the Stockholders Agreement Shares with respect to certain matters as set forth in the Stockholders Agreement. As of May 6, 2010, the Stockholders Agreement Shares represented in the aggregate approximately 13.2% of the issued and outstanding shares of Common Stock (based on 24,155,441 shares of Common Stock issued and outstanding as of May 6, 2010). The Reporting Persons, however, hereby disclaim beneficial ownership of such shares and this Schedule 13D shall not be construed as an admission that the Reporting Persons are, for any or all purposes, the beneficial owners of the securities covered by this Schedule 13D. Except as set forth in this Schedule 13D, no shares of Common Stock are beneficially owned by the

Table of Contents

Reporting Persons or, to the knowledge of the Reporting Persons, any person listed on Schedule A to this Schedule 13D. The principal business address for each such person is c/o Stanley, Inc. 3101 Wilson Boulevard, Suite 700, Arlington, Virginia 22201. To the knowledge of the Reporting Persons: (i) all such persons are citizens of the United States; (ii) during the last five years no such person has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors); and (iii) during the last five years no such person has been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree, or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.
