Weatherford has realigned its product and service line offerings into two groups: (1) Formation Evaluation & Well Construction and (2) Completion & Production. Our Formation Evaluation & Well Construction group will be headed by Mr. Nicholas Gee, who has been till now leading our Reservoir & Formation Evaluation product lines. Our Completion & Production group will be headed by Mr. Dharmesh Mehta, who has been till now leading our Production Systems product lines. Messrs. Gee and Mehta continue to report to our Senior Vice President and Chief Operating Officer, Mr. Peter Fontana.
