THE FIRST AMERICAN CORPORATION

We are a leading provider of business information, providing products and services in connection with the major economic events in a consumer's life. We provide information and related services in connection with:

- o Getting a job
o Renting an apartment
o Buying a car
o Buying a house, boat or airplane
o Arranging a mortgage
o Opening or buying a business
o Retirement

Our largest segment is title insurance. We entered this business in 1889. We have broad geographic coverage, with strong market shares in all the states and in many foreign countries. In the early 1990s, we began a more aggressive plan to develop and acquire operations that enable us to provide a range of title insurance, real estate-related services, and information services to major residential lenders and loan servicers. Given our strong relationships with these major lenders and the fact that in most refinance transactions the lender selects the title insurer, we believe we are well positioned from a competitive standpoint to benefit from an increase in refinancing activity.

During the last decade we have developed a complete set of real estate-related services. We now provide all information and services needed to close a home sale and a mortgage, including credit information, flood zone information and real estate tax information. We offer the broadest array of services and have the first or second largest market share in almost all the

## Edgar Filing: FIRST AMERICAN FINANCIAL CORP - Form S-3D

product categories.

During the last decade, we developed and purchased extensive databases used in producing our real estate-related products. Included are:

- o Data Trace, the nation's largest provider of title information systems;
- o Data Tree, the nation's largest database of image recorded documents; and
- o First American RES, the nation's largest provider of real estate property characteristic and valuation information.

Our expertise developed in producing real estate-related products led to our entry into businesses less sensitive to real estate cycles, such as tenant screening and pre-employment screening. Most significantly, we have developed a set of products used by auto lending and leasing companies to originate and service auto loans and leases. We are the nation's largest provider of specialized automotive credit reports. The revenues of our consumer information services segment have grown significantly during the past five years.

We have developed sophisticated systems to streamline the processes relating to title and real estate information. We have also built sophisticated electronic delivery systems.

### INFORMATION ABOUT THE PLAN

#### PURPOSE

---

1. What is the purpose of the Plan?

The purpose of the Plan is to promote long-term stock ownership among existing and new investors in the Company by providing a convenient method to purchase shares of First American common stock and reinvest cash dividends paid on such shares.

#### ADMINISTRATION

---

2. Who administers the Plan?

The Plan is administered by First American Trust, FSB ("FAT"), which serves as the Company's stock transfer agent, registrar and dividend disbursing agent. As Administrator, FAT acts as agent for Plan participants and keeps records, sends statements and performs other duties relating to the Plan.

Purchases and sales of First American common stock under the Plan are made by an independent broker-dealer acting as purchasing and selling agent for Plan participants.

3. How do I contact the Plan Administrator?

Written Inquiries: First American Trust, FSB  
Corporate Transfer Department  
421 N Main St  
Santa Ana, CA 92701

Telephone Inquiries: 1-800-894-4076

When communicating with the Administrator, you should have available your account number and taxpayer identification number.

## Edgar Filing: FIRST AMERICAN FINANCIAL CORP - Form S-3D

4. What kind of reports will be sent to participants in the Plan?

As a participant, you will receive a quarterly statement of account activity. The Administrator will also send transaction confirmation promptly after each sale of shares under the Plan. You should retain these statements and confirmations in order to establish the cost basis of shares purchased under the Plan for income tax and other purposes. In addition, each participant will receive all communications sent to all other shareholders, such as annual reports and proxy statements.

### ELIGIBILITY AND ENROLLMENT

---

5. How does a First American shareholder participate in the Plan?

If you are already a First American shareholder with certificated shares registered in your name, you may enroll in the Plan simply by completing and returning the enrollment form for existing First American shareholders.

6. I'm not currently a shareholder. Can I participate in the Plan?

Yes. If you currently hold no shares of First American common stock, you may enroll in the Plan by completing and returning an enrollment form for new investors and either making an initial investment of at least \$250.00 or authorizing automatic monthly deductions of at least \$50.00 from a qualified bank account.

7. I already own First American common shares, but they are held by my bank or broker and registered in "street name." How can I participate?

If you currently own First American common stock but they are held at a bank or broker in its name ("street name") you may participate in the Plan without making an initial investment into the Plan by instructing your agent to convert your First American common shares to certificate form, registered in your name. Once the shares are in

-5-

your name, you may request that the Administrator send you an enrollment package for existing First American shareholders.

As a Plan participant you may, if you wish, send your share certificates to the Administrator for safekeeping, but doing this is not mandatory. In order to sell certificated shares through the Plan, however, it is necessary for you to deposit the shares with the Administrator (see Questions 21 and 24 below).

8. Are there fees associated with enrollment?

There is no enrollment fee for existing holders of First American common shares. In all other cases there is a one-time \$10.00 enrollment fee. If you are not making an initial cash investment because you have signed up for automatic monthly deductions of \$50.00, you will need to include a \$10.00 check or money order made payable to "First American Trust" with your enrollment form. If your enrollment form is accompanied by an initial cash investment, the enrollment fee will be deducted from your initial investment (see Question 30 below).

### OPTIONAL CASH INVESTMENTS

Edgar Filing: FIRST AMERICAN FINANCIAL CORP - Form S-3D

---

9. What are the minimum and maximum amounts for optional cash investments?

Additional investments may be made in amounts of at least \$50.00 subject to a maximum of \$5,000.00 during any Quarter, including your initial investment, if any.

10. How do I make an optional cash investment?

You may send a check or money order payable in U.S. dollars to "First American Trust". Cash and third party checks are not allowed. Checks or money orders must be accompanied by the appropriate section of your account statement and mailed to: First American Trust, Corporate Transfer Dept., 421 N Main St, Santa Ana, CA 92701 (see Question 3).

11. Can I have optional cash investments automatically deducted from my bank account?

Yes. You can authorize monthly automatic deductions from an account at a financial institution that is a member of the National Automated Clearing House Association. The minimum amount for monthly deductions is \$50.00.

- o To initiate this service, you must send a completed "Automatic Deduction Service" form to the Administrator.
- o To change any aspect of the instruction, you must send a revised "Automatic Deduction Service" form to the Administrator.
- o To terminate the deductions, you must notify the Administrator in writing.

Initial set-up, changes and terminations to the automatic deduction instructions of a participant will be made as soon as practicable following receipt of directions from such participant. Once automatic deductions begin, funds will be deducted from your designated account on the 15th of each month, or the next business day if the 15th is not a business day, and invested within five business days.

12. Will I be charged fees for optional cash investments?

No.

13. How are payments with "insufficient funds" handled?

If the Administrator does not receive credit for a cash payment because of insufficient funds or incorrect draft information, the requested purchase will be deemed void, and the Administrator will immediately remove from your account any shares purchased upon the prior credit of such funds. The Administrator may also place a hold on the Plan account until an "insufficient funds" fee of \$20.00 is received from the participant, or may sell such shares to satisfy any uncollected amounts.

-6-

PURCHASE OF COMMON STOCK

---

14. What is the source of First American common shares purchased through the Plan?

## Edgar Filing: FIRST AMERICAN FINANCIAL CORP - Form S-3D

At First American's discretion, share purchases will be made by the Plan's purchasing agent either in the open market or directly from First American. Share purchases in the open market may be made on any stock exchange where First American common stock is traded or by negotiated transactions on such terms as the purchasing agent may reasonably determine. Neither First American nor any participant will have any authority or power to direct the date, time or price at which shares may be purchased by the purchasing agent.

15. When will shares be purchased?

Initial and optional investment purchases will be made within five business days following collection of the funds by the Administrator. No interest will be paid on amounts held by the Administrator pending investment. The Administrator may commingle each participant's funds with those of other participants for the purpose of executing purchases.

16. What is the price of shares purchased under the Plan?

The price per share paid by each participant for shares purchased in the open market will be the weighted average price incurred to purchase all shares acquired on that date. Shares purchased from First American will be purchased and credited to a participant's account at the average of the high and low sales prices of First American common stock as reported on the New York Stock Exchange Composite Tape on the date of purchase. No brokerage commissions will be incurred for shares purchased under the Plan.

Your account will be credited with the number of Plan shares purchased for you, in full and fractional shares, computed to three decimal places.

### CASH DIVIDENDS

-----

17. Must my dividends be reinvested automatically?

No. You may choose to reinvest dividends or you may choose to receive cash dividends. No commission will be charged in connection with the reinvestment of dividends.

As an option, you can choose to receive cash dividends on your certificated shares or on the shares held for you in the Plan. Should you elect to receive any cash dividends, the Administrator can deposit those dividends directly into a qualified bank account for you. To authorize direct deposit of dividends, contact the Administrator (see Question 3).

18. When will my dividends be reinvested and at what price?

The reinvestment of your dividends will be processed within five business days following the dividend payment date. The price of shares purchased will be as described in Question 16, above.

### STOCK SPLITS AND STOCK DIVIDENDS

-----

19. How would a stock split or stock dividend affect my account?

Any shares resulting from a stock split or stock dividend paid on shares held in your Plan account or held by you in certificate form will be credited to your Plan account balance. Of course, you may request a certificate at any time for any or all of your shares (see Question 27 above).

VOTING

---

20. How do I vote my Plan shares at shareholder meetings?

As a Plan participant, you will be sent a proxy statement in connection with each meeting of the Corporation's shareholders, together with a proxy card representing the shares held by the Administrator in your Plan account. This proxy card, when duly signed and returned, will be voted as you indicate. Fractional shares will be aggregated

-7-

and voted in accordance with the participants' directions. If the proxy card is not returned or if it is returned unsigned, the shares will not be voted.

SALE OF SHARES

---

21. How do I sell my Plan shares?

You may sell any number of whole shares held in your account by completing the appropriate section of your account statement and returning it to the Administrator. If the market value of the Plan shares is equal to or less than \$25,000 and you have authorized telephone transactions for your account, you may sell shares by telephoning the Corporate Transfer Dept. toll free at 1-800-894-4076. Requests for sales or terminations will generally be executed daily provided there is sufficient volume and the request is received on a business day when the relevant securities market is open.

If there is not sufficient volume, sales will be processed within five business days. Proceeds from the sale, less a per transaction fee of \$10.00 plus a brokerage commission of \$0.07 per share will be deducted from the proceeds of any shares, including fractional shares, sold through the Plan.

Please note that shares that you hold in certificate form must first be deposited into your Plan account before they can be sold (see Questions 23 and 24 below).

22. Is there a minimum number of shares that I must maintain in my account to keep it active?

No.

CUSTODIAL SERVICE

---

23. How does the custodial service work?

All shares of First American common stock that are purchased through the Plan will be held by the Administrator in an account registered in your name. A Plan participant who holds First American common stock certificates may also, at any time, deposit those certificates for safekeeping with the Administrator, and the shares represented by the deposited certificates will be included in the participant's Plan account balance.

24. How do I deposit my First American stock certificates with the

## Edgar Filing: FIRST AMERICAN FINANCIAL CORP - Form S-3D

Administrator?

To deposit shares into the Plan, you should send your certificates, by registered and insured mail, to the Administrator (see Question 3), with written instructions to deposit the shares represented by the certificates in your Plan account. The certificates should not be endorsed and the assignment section should not be completed.

25. Are there any charges associated with this custodial service?

No. There is no cost to you for having the Administrator hold the shares you purchased through the Plan, or for depositing stock certificates into your Plan account balance.

### ISSUANCE OF STOCK CERTIFICATES

---

26. Will stock certificates be issued for shares acquired through the Plan?

No. Stock certificates will not be issued for shares acquired through the Plan unless a specific request is made to the Administrator. The absence of stock certificates eliminates the risk of certificate loss, theft or destruction.

27. How do I request a stock certificate?

Certificates for full shares held in the Plan may be obtained, without charge, by writing to the Administrator and requesting the issuance of shares in certificate form.

### GIFTS AND TRANSFERS OF SHARES

---

28. Can I transfer shares that I hold in the Plan to someone else?

You may transfer shares held in the Plan to new or existing shareholders. If your transferee is not a current Plan participant your transferee must request an enrollment form from the Administrator (see Question 3). Your transferee must include the completed enrollment form and any applicable fee with the gift/transfer instructions.

29. Can I transfer shares that I hold in the Plan to a minor?

Yes. You can transfer shares to a minor. You will need to provide the name of the adult custodian who will be listed on the account. Once the minor has reached the age of majority the custodian's name can be removed. Additionally, gifts to minors are irrevocable. Shares may not be transferred from a custodial account to other custodial accounts or individuals until the minor has reached the age of majority and provides the Administrator with proper transfer instructions and proof of age.

### SERVICE FEES

---

30. What are the fees associated with participation in the Plan?

Participation in the Plan is subject to the payment of certain fees as outlined below:

Edgar Filing: FIRST AMERICAN FINANCIAL CORP - Form S-3D

One-Time Enrollment Fee(1).....	\$10.00
Sales Transaction Fee(2).....	\$10.00
Fee for returned check or rejected automatic deductions .....	\$20.00

- (1) Only applies to new shareholders.  
(2) Plus a \$0.07 per share trading fee.

WITHDRAWAL FROM THE PLAN

31. How do I close my Plan account?

You may terminate your participation in the Plan either by giving written notice to the Administrator or by completing the appropriate section of your account statement and returning it to the Administrator. Upon termination, you must elect either to receive a certificate for the number of whole shares held in your Plan account and a check for the value of any fractional share, or to sell all the shares in your Plan account (as described above in Question 21).

Any certificates issued upon termination will be issued in the name or names in which the account is registered, unless otherwise instructed. If the certificate is to be issued in a name other than the name or names on your Plan account, your signature (and that of any co-owner) on the instructions or stock power must be "Medallion Guaranteed" by a financial institution participating in the Medallion Guarantee program. No certificate will be issued for fractional shares.

The Administrator will process notices of termination and send proceeds to you as soon as practicable, without interest. If a notice of termination is received within three business days of a record date, but before the related dividend payment date, the termination will be processed as soon as practicable following the payment date. Thereafter, cash dividends will be paid out to the shareholder and not reinvested in First American common stock.

If you are an active participant in the Automatic Deduction Service and request that all shares be sold, be aware that you may have a purchase pending that will result in more shares being placed in your account after the original sale request has been completed. If this is the case, the Administrator will automatically sell these additional shares within five business days of the credit to your account and send you a second check for these proceeds. The \$10.00 sale fee will be waived in this circumstance, although the brokerage commission of \$0.07 per share will be charged.

AMENDMENT, MODIFICATION, SUSPENSION OR TERMINATION OF THE PLAN

32. Can the Plan be amended, modified, suspended or terminated?

First American reserves the right to amend, modify, suspend or terminate the Plan at any time. All participants will receive notice of any such suspension, modification or termination. Upon termination of the Plan by First American, certificates for whole shares held in a participant's

## Edgar Filing: FIRST AMERICAN FINANCIAL CORP - Form S-3D

account under the Plan will be issued and a cash payment will be made for any fractional shares.

### TAX MATTERS

---

33. What are the federal income tax consequences of participating in the Plan?

Cash dividends reinvested under the Plan will be taxable for U.S. Federal income tax purposes as having been received by a participant even though the participant has not actually received them in cash. Each participant will receive an annual statement from the Administrator indicating the amount of reinvested dividends reported to the U.S. Internal Revenue Service as dividend income.

A participant will not realize gain or loss for U.S. Federal income tax purposes upon a transfer of shares to the Plan or the withdrawal of whole shares from the Plan. Participants will, however, generally realize gain or loss upon the receipt of cash for fractional shares held in the Plan. Gain or loss will also be realized by the participant when whole shares are sold, either by the purchasing agent pursuant to the participant's request or by the participant after termination from the Plan. The amount of gain or loss will be the difference between the amount that the participant receives for the shares or fraction of a share sold and the participant's tax basis therefor. In order to determine the tax basis for shares or any fraction of a share credited to a participant's account, each participant should retain all account statements and transaction confirmations.

Plan participants who are non-resident aliens or non-U.S. corporations, partnerships or other entities generally are subject to a withholding tax on dividends paid on shares held in the Plan. The Administrator is required to withhold from dividends paid the appropriate amount determined in accordance with Internal Revenue Service regulations. Where applicable, this withholding tax is determined by treaty between the United States and the country in which the participant resides. In addition, dividends paid on shares in Plan accounts are subject to the "backup withholding" provisions of the Internal Revenue Code. Accordingly, the amount of any dividends, net of the applicable withholding tax, will be credited to participant Plan accounts for investment in additional shares of First American common stock.

The foregoing does not purport to be a comprehensive summary of all of the tax considerations that may be relevant to a participant in the Plan and does not constitute tax advice. The summary does not reflect every possible outcome that could result from participation in the Plan, and does not consider any possible tax consequences under various state, local, foreign or other tax laws. Each participant is urged to consult his or her own tax advisor regarding the tax consequences applicable to his or her particular situation before participating in the Plan or disposing of shares purchased under the Plan.

### LIMITATION OF LIABILITY

---

34. What are the responsibilities of First American and the Administrator under the Plan.

IF YOU CHOOSE TO PARTICIPATE IN THE PLAN, YOU SHOULD RECOGNIZE THAT NEITHER FIRST AMERICAN NOR THE ADMINISTRATOR CAN ASSURE YOU OF A PROFIT OR PROTECT YOU AGAINST A LOSS ON THE SHARES THAT YOU PURCHASE UNDER THE PLAN.

Neither First American nor the Administrator, in administering the Plan,

## Edgar Filing: FIRST AMERICAN FINANCIAL CORP - Form S-3D

will be liable for any act done in good faith or for any good faith omission to act, including without limitation any claim of liability arising out of failure to terminate a participant's account upon such participant's death, the price at which shares are purchased or sold for the participant's account, the times when purchases or sales are made or fluctuations in the market value of First American common stock. This limitation of liability will not constitute a waiver by any participant of his or her rights under the federal securities laws.

-10-

Although the Plan provides for the reinvestment of dividends, the declaration and payment of dividends will continue to be determined by the Board of Directors of First American in its discretion, depending upon future earnings, the financial condition of First American and other factors. The amount and timing of dividends may be changed, or the payment of dividends terminated, at any time without notice.

### USE OF PROCEEDS

First American will receive proceeds from the purchase of First American common shares through the plan only to the extent that such purchases are made directly from First American, and not from open market purchases by the Administrator. Any proceeds received by us (which cannot be estimated), will be used for general corporate purposes.

### LEGAL MATTERS

The validity of the common stock offered hereunder will be passed upon by White & Case LLP, 633 West Fifth Street, Los Angeles, California 90071.

Item 15. Indemnification of Directors and Officers.

Subject to certain limitations, Section 317 of the California Corporations Code provides in part that a corporation shall have the power to indemnify any person who was or is a party or is threatened to be made a party to any proceeding (other than an action by or in the right of the corporation to procure a judgment in its favor) by reason of the fact that the person is or was an agent (which term includes officers and directors) of the corporation,

## Edgar Filing: FIRST AMERICAN FINANCIAL CORP - Form S-3D

against expenses, judgments, fines, settlements, and other amounts actually and reasonably incurred in connection with the proceeding if that person acted in good faith and in a manner the person reasonably believed to be in the best interests of the corporation and, in the case of a criminal proceeding, had no reasonable cause to believe the conduct of the person was unlawful.

The California indemnification statute, as provided in Section 317 of the California Corporations Code (noted above), is nonexclusive and allows a corporation to expand the scope of indemnification provided, whether by provisions in its Bylaws or by agreement, to the extent authorized in the corporation's articles.

The Restated Articles of Incorporation of the Registrant provide that: "The liability of the directors of the Corporation for monetary damages shall be eliminated to the fullest extent permissible under California law." The effect of this provision is to exculpate directors from any liability to the Registrant, or anyone claiming on the Registrant's behalf, for breaches of the directors' duty of care. However, the provision does not eliminate or limit the liability of a director for actions taken in his capacity as an officer. In addition, the provision applies only to monetary damages and is not intended to impair the rights of parties suing on behalf of the Registrant to seek equitable remedies (such as actions to enjoin or rescind a transaction involving a breach of the directors' duty of care or loyalty).

The Bylaws of the Registrant provide that, subject to certain qualifications, "(i) The corporation shall indemnify its Officers and Directors to the fullest extent permitted by law, including those circumstances in which indemnification would otherwise be discretionary; (ii) the corporation is required to advance expenses to its Officers and Directors as incurred, including expenses relating to obtaining a determination that such Officers and Directors are entitled to indemnification, provided that they undertake to repay the amount advanced if it is ultimately determined that they are not entitled to indemnification; (iii) an Officer or Director may bring suit against the corporation if a claim for indemnification is not timely paid; (iv) the corporation may not retroactively amend this Section 1 in a way which is adverse to its Officers and Directors; (v) the provisions of subsections (i) through (iv) above shall apply to all past and present Officers and Directors of the corporation." "Officer" includes the following officers of the Registrant: Chairman of the Board, President, Vice President, Secretary, Assistant Secretary, Chief Financial Officer, Treasurer, Assistant Treasurer and such other officers as the board shall designate from

II-1

time to time. "Director" of the Registrant means any person appointed to serve on the Registrant's board of directors either by its shareholders or by the remaining board members.

Each of the Registrant's 1996 Stock Option Plan, 1997 Directors' Stock Plan, 401(k) Savings Plan, Pension Plan, Pension Restoration Plan and Employee Profit Sharing and Stock Ownership Plan (for purposes of this paragraph only, each individually, the "Plan") provides that, subject to certain conditions, the Registrant may, through the purchase of insurance or otherwise, indemnify each member of the Board (or board of directors of any affiliate), each member of the committee charged with administering the Plan, and any other employees to whom any responsibility with respect to the Plan is allocated or delegated, from and against any and all claims, losses, damages, and expenses, including attorneys' fees, and any liability, including any amounts paid in settlement with the Registrant's approval, arising from the individual's action or failure to act, except when the same is judicially determined to be attributable to the gross

## Edgar Filing: FIRST AMERICAN FINANCIAL CORP - Form S-3D

negligence or willful misconduct of such person.

The Registrant's Deferred Compensation Plan (for purposes of this paragraph only, the "Plan") provides that, "To the extent permitted by applicable state law, the Company shall indemnify and save harmless the Committee and each member thereof, the Board of Directors and any delegate of the Committee who is an employee of the Company against any and all expenses, liabilities and claims, including legal fees to defend against such liabilities and claims arising out of their discharge in good faith of responsibilities under or incident to the Plan, other than expenses and liabilities arising out of willful misconduct. This indemnity shall not preclude such further indemnities as may be available under insurance purchased by the Company or provided by the Company under any bylaw, agreement or otherwise, as such indemnities are permitted under state law."

Each of the Registrant's Management Supplemental Benefit Plan and Executive Supplemental Benefit Plan (for purposes of this paragraph only, each individually, the "Plan") provides that, subject to certain conditions, the Registrant may, through the purchase of insurance or otherwise, indemnify and hold harmless, to the extent permitted by law, the members of the Board of Directors and any other employees to whom any responsibility with respect to the administration of the Plan has been delegated against any and all costs, expenses and liabilities (including attorneys' fees) incurred by such parties in performing their duties and responsibilities under the Plan, provided that such party or parties were not guilty of willful misconduct.

The Registrant has a policy of liability insurance which insures its directors and officers against the cost of defense, settlement or payment of a judgment under certain circumstances.

Item 17. Undertakings.

The undersigned Registrant hereby undertakes:

(1) To file, during the period in which offers or sales are being made, a post-effective amendment to this Registration Statement to:

## Edgar Filing: FIRST AMERICAN FINANCIAL CORP - Form S-3D

(i) include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement; and

(iii) include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (1)(i) and (1)(ii) of this section do not apply if the registration statement is on Form S-3, Form S-8 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(5) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions described in Item 15 above, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
