ITEM 4. DESCRIPTION OF SECURITIES.

Not applicable.

ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL.

Not applicable.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Article 2.02-1 of the Texas Business Corporation Act provides that any director or officer of a Texas corporation may be indemnified against judgments, penalties, fines, settlements and reasonable expenses actually incurred by him in connection with or in defending any action, suit or proceeding in which he is or is threatened to be made a named defendant by reason of his position as director or officer, provided that he conducted himself in good faith and reasonably believed that, in the case of conduct in his official capacity as director or officer, such conduct was in the corporation's best interests, or, in all other cases, that such conduct was not opposed to the corporation's best interests. In the case of any criminal proceeding, a director or officer may be indemnified only if he had no reasonable cause to believe his conduct was unlawful. If a director or officer is wholly successful, on the merits or otherwise, in connection with such a proceeding, such indemnification is mandatory.

3

Under the registrant's Restated Articles of Incorporation, as amended (the "Articles of Incorporation"), no director of the registrant will be liable to the registrant or any of its shareholders for monetary damages for an act or omission in the director's capacity as a director, except for liability (i) for any breach of the director's duty of loyalty to the registrant or its shareholders, (ii) for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law, (iii) for any transaction for which the director received an improper benefit, whether or not the benefit resulted from action taken within the scope of the director's office, (iv) for acts or omissions for which the liability of a director is expressly provided by statute, or (v) for acts related to an unlawful stock repurchase or dividend payment. The Articles of Incorporation further provide that, if the statutes of Texas are amended to further limit the liability of a director, then the liability of the registrant's directors will be limited to the fullest extent permitted by any such provision.

The registrant's by-laws provide for indemnification of officers and directors of the registrant and persons serving at the request of the registrant in such capacities for other business organizations against certain losses, costs, liabilities and expenses incurred by reason of their positions with the registrant or such other business organizations. The registrant also has policies insuring its officers and directors and certain officers and directors of its wholly-owned subsidiaries against certain liabilities for actions taken in such capacities, including liabilities under the Securities Act of 1933, as amended.

ITEM 9. UNDERTAKINGS.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
