All Veritas employees

As you may be aware , the Boards of Directors of both Veritas and PGS have agreed on amended terms of the merger, which is now anticipated to be completed late in the 3rd quarter or early in the 4th quarter of this year.

Since the merger announcement, both Dave Robson and Reidar Michaelson have stated that the new company will have a new name, logo, and graphics. We have been working together with PGS for several months to select this new name.

After a very lengthy process, and consideration of literally hundreds of names, the trade name and logo shown in the attached presentation files have been chosen in conjunction with PGS to be the new company's trade name and logo. Effective immediately upon completion of the merger later this year, all of the new company's worldwide operations will be conducted using this new trade name and logo.

Please see the enclosed attachments to view the new name and logo. (if you cannot open the .zip file, you should be able to view the .ppt file)

(See attached file: veritas\_pgs.ppt)

The new Cayman Islands company, which we have all referred to as "Caymanco" and which will acquire both Veritas and PGS, has been named VGS Inc., an acronym for the new trade name.

Further information and details regarding use of the logo, graphics, etc., will follow in the near future.
