INFORMATION REGARDING FINANCIAL STATEMENTS INCORPORATED BY REFERENCE INTO THIS REGISTRATION STATEMENT

The U.S. Government has indicted our former independent auditors, Arthur Andersen LLP, charging Arthur Andersen with federal obstruction of justice. It is possible that events arising out of the indictment may adversely affect the ability of Arthur Andersen to satisfy any claims against it including the ability of Arthur Andersen to satisfy any claims arising from its provision of auditing and other services to us.

Our financial statements included in the our Annual Report on Form 10-K for the year ended December 31, 2001, which are incorporated by reference in this Registration Statement, were audited by Arthur Andersen LLP. Effective June 24, 2002, our Board of Directors engaged Ernst & Young, LLP as independent auditors and dismissed Arthur Andersen LLP. We have not been able to obtain, after reasonable efforts, the written consent of Arthur Andersen to our incorporation by reference into this registration statement on Form S-8 of Arthur Andersen LLP's report dated February 13, 2002. Accordingly, you may be unable to recover amounts sought in any action against Arthur Andersen LLP under the Securities Act of 1933 and the regulations thereunder, and therefore any right of recovery may be limited as a result of the lack of Arthur Andersen LLP's consent.

ITEM 4. DESCRIPTION OF SECURITIES.

Not Applicable.

ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL.

Not Applicable.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Section 145 of the Delaware General Corporation Law provides that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, whether civil,

Edgar Filing: OCEANEERING INTERNATIONAL INC - Form S-8

criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that he is or was a director, officer, employee or agent of the corporation, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal proceeding, had no reasonable cause to believe his conduct was unlawful. A similar standard of care is applicable in the case of derivative actions, except that indemnification only extends to expenses (including attorneys' fees) incurred in connection with defense or settlement of such an action and court approval is required before there can be any indemnification where the person seeking indemnification has been found liable to the corporation. To the extent that a director, officer, employee or agent of a corporation has been successful on the merits or otherwise in defense of any action referred to above, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred in connection therewith.

Article VI of the Company's amended and restated bylaws provides that the Company shall indemnify and hold harmless each of its directors and officers, to the fullest extent applicable law permits, from and against any and all judgments, penalties, fines (including excise taxes), amounts paid in settlement and, subject to certain limitations, expenses arising out of any event or occurrence by reason of the fact that such person is or was a director or an officer of the Company. Article VI of the Company's bylaws also provides that the Company may indemnify and hold harmless any director, officer, employee or agent of the Company from and against any and all judgments, penalties, fines (including excise taxes), amounts paid in settlement and, subject to certain limitations, expenses arising out of any event or occurrence by reason of the fact that such person is or was an employee or agent of the Company or is or was serving in another capacity (other than as a director or an officer of the Company) at the written request of the Company. Article VI of the Company's bylaws also provides that the Company may provide advances to an indemnitee to cover expenses he incurs in defending against any action, suit or proceeding that may give rise to a right of the indemnitee to indemnification thereunder upon receipt of an undertaking by or on behalf of such person to repay such amount if it is ultimately determined that such person is not entitled to be indemnified by the Company.

The Company has also entered into indemnification agreements with each of its directors. These indemnification agreements generally provide the Company's directors with a contractual right of indemnification to the same extent provided by Section 145 of the Delaware General Corporation Law and a contractual right to advancement of expenses consistent with the provisions of Article VI of the Company's amended and restated bylaws.

Additionally, the Company's certificate of incorporation, as amended, contains a provision that eliminates the personal liability of directors to the Company or its shareholders for monetary damages for breach of the director's fiduciary duty of care as a director. As a result, shareholders may be unable to recover monetary damages against directors for negligent or grossly negligent acts or omissions in violation of their duty of care. The provision does not change the liability of a director for breach of his duty of loyalty to the Company or to shareholders, for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, for the declaration or payment of dividends in violation of Delaware law, or in respect of any transaction from which that director receives an improper personal benefit.

Edgar Filing: OCEANEERING INTERNATIONAL INC - Form S-8

The Company also maintains directors' and officers' liability insurance for its directors and officers that protects them from certain losses arising from claims or charges made against them in their capacities as directors or officers of the Company.

2002 Non-Executive Incentive Plan

In addition, Section 6 of the Company's 2002 Non-Executive Incentive Plan (the "Incentive Plan") provides that no member of the Committee or officers of the Company administering the Incentive Plan shall be liable for anything done or omitted to be done by him or her in connection with the performance of duties under the Incentive Plan, except for his or her own willful misconduct or as expressly provided by statute.

The above discussion of the Company's Certificate of Incorporation, Bylaws, Incentive Plan and Section 145 of the Delaware General Corporation Law is intended to be only a summary and is qualified in its entirety by the full text of each of the foregoing.

ITEM 9. UNDERTAKINGS

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) of the Securities Act of 1933 if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the Registration Statement is on Form S-3 or Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

Edgar Filing: OCEANEERING INTERNATIONAL INC - Form S-8

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
