PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON MAY 13, 2004

This Proxy Statement is furnished to the stockholders of Energy Partners, Ltd. (the "Company") in connection with the solicitation of proxies by the Board of Directors of the Company (the "Board of Directors" or the "Board") for use at the Annual Meeting of Stockholders of the Company to be held on Thursday, May 13, 2004 at the Hotel Inter-Continental, Vieux Carre B Room, 444 St. Charles Ave., New Orleans, Louisiana 70130 at 9:00 a.m., Central Daylight Time (the "2004 Annual Meeting" or the "Meeting"), or at any adjournment or postponement thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders.

ABOUT THE 2004 ANNUAL MEETING

VOTING PROCEDURES

Stockholders of record at the close of business on March 17, 2004 (the "Record Date") will be entitled to vote at the Meeting. On the Record Date, there were outstanding and entitled to vote 32,743,553 shares of the Company's Common Stock (the "Company Shares" or the "Common Stock"). The holders of a majority of the Company Shares issued and outstanding and entitled to vote at the Meeting, present in person or represented by proxy, will constitute a quorum. The person(s) whom the Company appoints to act as inspector(s) of election will treat all Company Shares represented by a returned, properly executed proxy as present for purposes of determining the existence of a quorum at the Meeting. The Company Shares present at the meeting, in person or by proxy, that are abstained from voting will be counted as present for determining

Edgar Filing: ENERGY PARTNERS LTD - Form DEF 14A

the existence of a quorum.

Each of the Company Shares will entitle the holder to one vote. Cumulative voting is not permitted. All matters to be submitted to the stockholders require an affirmative vote of the majority of votes present in person or represented by proxy and entitled to vote, provided that directors are elected by a plurality of the votes of the shares present in person or represented by proxy and entitled to vote at the meeting. Other than with respect to the election of directors, an abstention is counted as a vote against a matter to be presented at the Meeting. A broker non-vote is not entitled to be voted and therefore will not affect the outcome on any proposal in the Proxy Statement. A broker "non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and the broker has not received voting instructions from the beneficial owner. Votes cast at the meeting will be counted by the inspector(s) of election.

The Board of Directors is soliciting your proxy on the enclosed Proxy Card to provide you with an opportunity to vote on all matters to come before the meeting, whether or not you attend in person. If you execute and return the enclosed Proxy Card, your shares will be voted as you specify. If you make no specifications, your shares will be voted in accordance with the recommendations of the Board, as set forth below. If you submit a Proxy Card, you may subsequently revoke it by submitting a revised proxy or a written revocation at any time before your original proxy is voted. You may also attend the meeting in person and vote in person by ballot, which would cancel any proxy you previously gave.

The Board of Directors urges you to vote, and solicits your proxy, as follows:

- (1) FOR the election of nine (9) nominees for membership on the Company's Board of Directors, Messrs. Bachmann, Bumgarner, Carlisle, Carter, Dawkins, Gershen, Hiltz and Phillips and Dr. Kelly, to serve until the Annual Meeting of Stockholders in the year 2005 and until their successors are duly elected and qualified;
- (2) FOR the ratification of the appointment of KPMG LLP as the Company's independent public accountants for the year ending December 31, 2004; and
- (3) At the discretion of the designated proxies named on the enclosed Proxy Card, on any other matter that may properly come before the 2004 Annual Meeting, and any adjournment or postponement thereof.

PROXY SOLICITATION

Your proxy is being solicited by and on behalf of the Board of Directors of the Company. The expense of preparing, printing and mailing proxy solicitation materials will be borne by the Company. In addition to solicitation of proxies by mail, certain directors, officers, representatives and employees of the Company may solicit proxies by telephone and personal interview. Such individuals will not receive additional compensation from the Company for solicitation of proxies, but may be reimbursed by the Company for reasonable out-of-pocket expenses in connection with such solicitation. Banks, brokers and other custodians, nominees and fiduciaries also will be reimbursed by the Company, as necessary, for their reasonable expenses for sending proxy solicitation materials to the beneficial owners of Common Stock.

ITEM 2 -- RATIFICATION OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

The Audit Committee of the Board of Directors is required by law and applicable New York Stock Exchange rules to be directly responsible for the appointment, compensation and retention of the Company's independent public accountants. The Audit Committee has appointed KPMG LLP as the independent public accountants for the year ending December 31, 2004. While stockholder ratification is not required by the Company's By-laws or otherwise, the Board of Directors is submitting the selection of KPMG LLP to the stockholders for ratification as part of good corporate governance practices. If the stockholders fail to ratify the selection, the Audit Committee may, but is not required to, reconsider whether to retain KPMG LLP. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of different independent public accountants at any time during the year if it determines that such a change would be in the best interest of the Company and its stockholders.

The Board of Directors recommends a vote FOR the proposal to ratify the selection of KPMG LLP as the Company's independent public accountants to audit the Company's consolidated financial statements for the year ending December 31, 2004. THE BOARD OF DIRECTORS

Edgar Filing: ENERGY PARTNERS LTD - Form DEF 14A

attend regular Board meetings and the Annual Meeting of Stockholders in person and to spend the time needed and meet as frequently as necessary to properly discharge their responsibilities. During calendar year 2003, the Board of Directors held a total of nine (9) meetings, regular and special. All directors of the Company attended at least seventy-five percent (75%) of the meetings of the Board of Directors and of the committees on which they served during the period, except for Mr. Beutner. Mr. Beutner resigned from the Board on January 15, 2004. All but one of the Company's then current directors attended the annual meeting of stockholders in 2003.

The non-management directors will meet in executive sessions semi-annually to discuss such matters as they deem appropriate and, at least once a year, to review the Compensation Committee's annual review of the chief executive officer. These executive sessions will be chaired by the Chairman of the Nominating & Governance Committee. Stockholders may communicate with the non-management directors by following the procedures under "-- Communications with Board of Directors."

COMMITTEES OF THE BOARD

THE AUDIT COMMITTEE

The Board of Directors has a standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, the current members of which are Messrs. Carlisle (Chairman), Carter, Dawkins (as of January 2004), Hiltz and Dr. Kelly. The Board of Directors has determined that each of the members of the Audit Committee is "independent" as defined by New York Stock Exchange ("NYSE") listing standards and the rules of the SEC applicable to audit committee members, and that Mr. Carlisle qualifies as an "audit committee financial expert" as described in Item 401(h) of Regulation S-K. The Audit Committee has a charter under which its primary purpose is to assist the Board in overseeing (1) the integrity of the Company's financial statements, (2) the independent auditor's qualifications and independence, (3) the performance of the Company's internal audit function and independent auditor and (4) the compliance by the Company with legal and regulatory requirements. The Audit Committee is directly responsible for the appointment and compensation of the independent auditor. During fiscal year 2003, the Audit Committee held six (6) meetings.

THE COMPENSATION COMMITTEE

The Board of Directors has a standing Compensation Committee, the current members of which are Messrs. Bumgarner (Chairman), Gershen and Phillips. The Compensation Committee has a charter under which its responsibilities and authorities include reviewing the Company's compensation strategy, reviewing the performance of and approving the compensation for the senior management (other than the chief executive officer), evaluating the chief executive officer's performance and, either as a committee or together with the other independent directors, determining and approving the chief executive officer's compensation level. In addition, the committee approves and administers employee benefit plans and takes such other action as may be appropriate or as directed by the Board of Directors to ensure that the compensation policies of the Company are reasonable and fair. The Board of Directors has determined that each member of the Compensation Committee is "independent" as defined by NYSE listing standards. During fiscal year 2003, the Compensation Committee held four (4) meetings.

THE NOMINATING & GOVERNANCE COMMITTEE

Edgar Filing: ENERGY PARTNERS LTD - Form DEF 14A

The Board of Directors also has a standing Nominating & Governance Committee, the current members of which are Dr. Kelly (Chairman) and Messrs. Phillips and Gershen. The Nominating & Governance Committee has a charter under which its responsibilities and authorities include identifying director candidates and recommending director nominees for the next annual meeting of stockholders or for any vacancy on the Board of Directors and recommending members of the Board of Directors to serve on the various committees. In addition, the Nominating & Governance Committee develops and recommends to the Board of Directors the Corporate Governance Guidelines of the Company and is responsible for the oversight of the evaluation of the Board of Directors and management. The Board of Directors has determined that each member of the Nominating & Governance Committee is "independent" as defined by NYSE listing standards. During fiscal year 2003, the Nominating & Governance Committee held two (2) meetings.

Copies of the charters for the committees, as well as the Company's Corporate Governance Guidelines and Code of Business Conduct and Ethics (the "Code"), will be available on the Company's website at www.eplweb.com by the time of the 2004 Annual Meeting. The Company will also post on its website any amendment to the Code and any waiver of the Code granted to any of its directors or executive officers.

NOMINEE QUALIFICATIONS

When seeking candidates for director, the Nominating & Governance Committee may solicit suggestions from incumbent directors, management, stockholders or others. While the Nominating & Governance Committee has authority under its charter to retain a search firm for this purpose, no such firm was utilized in 2003. After conducting an initial evaluation of a potential candidate, the Nominating & Governance Committee will interview that candidate if it believes such candidate might be suitable to be a director. The Nominating & Governance Committee may also ask the candidate to meet with management. If the Nominating & Governance Committee believes a candidate would be a valuable addition to the Board, it will recommend to the full Board that candidate's election.

The Nominating & Governance Committee selects each nominee based on the nominee's skills, achievements and experience. The Nominating & Governance Committee considers a variety of factors in selecting candidates, including, but not limited to the following: independence, wisdom, integrity, an understanding and general acceptance of the Company's corporate philosophy, valid business or professional knowledge and experience, a proven record of accomplishment with excellent organizations, an inquiring mind, a willingness to speak one's mind, an ability to challenge and stimulate management and a willingness to commit time and energy.

This year, Mr. Dawkins, who was elected as a director by the Board in January 2004, is standing for election by the stockholders for the first time. Mr. Dawkins was initially recommended to the Nominating & Governance Committee for consideration by our chief executive officer who believed he would make a valuable addition to the Board.

COMMUNICATIONS WITH BOARD OF DIRECTORS

The Nominating & Governance Committee, on behalf of the Board, reviews letters from stockholders concerning the Company's annual general meeting and governance process and makes recommendations to the Board based on such communications. Stockholders can send communications to the Board by mail in care of the Corporate Secretary at 201 St. Charles Avenue, Suite 3400, New Orleans, Louisiana 70170, and should specify the intended recipient or recipients. All such communications, other than unsolicited commercial solicitations or communications, will be forwarded to the appropriate director or directors for review. Any such unsolicited commercial solicitation or

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Messrs. Beutner, Bumgarner, Gershen and Phillips served as members of the Compensation Committee of the Board of Directors during fiscal year 2003.

Messrs. Beutner and Hiltz are principals of Evercore, which through affiliates owned more than 5% of our outstanding Common Stock until November 2003. Pursuant to our stockholder agreement, we paid an affiliate of Evercore a monitoring fee of \$250,000 in 2003. The stockholder agreement terminated in November 2003 when Evercore's affiliates sold their remaining interest in the Company. Evercore may provide investment banking services to us from time to time. Evercore provided no such services during fiscal year 2003.

COMPENSATION OF DIRECTORS

Non-employee directors receive an annual retainer of \$27,500 and meeting fees of \$1,000 for each Board or committee meeting attended (even if held on the same date). The Chairman of the Audit Committee receives an additional \$15,000 per year, each other Audit Committee member receives an additional \$5,000 per year and the Chairman of each of the Compensation Committee and the Nominating & Governance Committee receives an additional \$10,000 per year. Directors may defer all or a portion of their retainer, at the election of each director, up to one half in cash and the remainder in Common Stock (valued at fair market value), and the meeting fees are paid in cash. Directors are also reimbursed for their reasonable expenses.

Our 2000 Stock Option Plan for Non-Employee Directors provides for automatic grants of stock options to members of the Board of Directors who are not employees of the Company or any subsidiary. An initial grant of a stock option to purchase 4,000 shares of our Common Stock was made to each non-employee director upon consummation of our initial public offering. An initial grant of a stock option to purchase 2,000 shares will also be made to each person who becomes a non-employee director after the effective date upon his or her initial election or appointment. After the initial grant, each non-employee director will receive an additional grant of a stock option to purchase 4,000 shares of our Common Stock immediately following each annual meeting. All stock options granted under the plan will have a per share exercise price equal to the fair market value of a share of Common Stock on the date of grant (as determined by the committee appointed to administer the plan), will be fully vested and immediately exercisable and will expire on the earlier of (i) ten years from the date of grant or (ii) 36 months after the optionee ceases to be a director for any reason. The total number of shares of our Common Stock that may be issued under the plan is 250,000, subject to adjustment in the case of certain corporate transactions and events.

INCENTIVE AND OTHER EMPLOYEE BENEFIT PLANS

The table below sets forth information regarding stock options granted to our Chief Executive Officer and our four other most highly compensated executive officers during the fiscal year ended December 31, 2003. We did not grant any stock appreciation rights during 2003.

(1) The value has been calculated using a variation of the Black-Scholes stock option valuation methodology. The applied model used the grant date of May 6, 2003, with a grant date stock value of \$10.07, it assumed a stock price volatility of 49%, a risk-free rate of return of 4.5% and a dividend of \$0 per year. The value has been reduced by approximately 4% to reflect the probability of forfeiture due to termination of employment prior to vesting or of a shortened option term due to termination of employment prior to the expiration date.

(2) One-third of the options are exercisable on May 6, 2004, one-third are exercisable beginning on May 6, 2005 and the remainder are exercisable

Payout is equal to the number of shares times a performance modifier based on the percent by which actual performance exceeds or falls short of the base target.

EMPLOYMENT AGREEMENTS AND CHANGE IN CONTROL ARRANGEMENTS

We have employment and stock ownership agreements with each of Messrs. Peper and Sidner which expire on January 15, 2005 and January 15, 2007, respectively. Under the agreements, Messrs. Peper and Sidner will receive annual

Edgar Filing: ENERGY PARTNERS LTD - Form DEF 14A

salaries of at least \$174,000 and \$245,000, respectively, and received options to purchase 75,000 and 100,000 shares of Common Stock, respectively, at an exercise price equal to \$7.98 per share, the market price of the Common Stock on the date of their appointment as executive officers. These options will vest over three years and any unvested options will be forfeited in the case of termination for cause or voluntary termination by the executive officer. Each executive officer must exercise each option within 10 years from the date of the agreement or the option will lapse. In addition, in connection with a recent extension of the term of his agreement, Mr. Sidner received a grant of 71,429 restricted shares, which will vest on January 14, 2007, subject to his continued employment with the Company and subject to earlier vesting in the event of death, disability, involuntary termination without cause, termination for good reason or a change of control. If an executive is terminated without cause in connection with a change of control, our compensation obligations under the agreements would cease after a 90-day notice period. Upon a change of control of the Company, the executive officers' options and other incentive awards as to which there are not conditions for vesting other than continued employment will become fully vested and become fully exercisable. In addition, each executive officer is prohibited from competing with us, soliciting or otherwise attempting to induce our other employees to discontinue their relationship with us and from interfering with our third-party contractual relationships for a period of up to two years following termination of his employment with us.

We have an employment and stock ownership agreement with Mr. Hall which expires on January 15, 2005 and entitles Mr. Hall to an annual salary of \$300,000. Mr. Hall received options to purchase 200,000 shares of Common Stock on the date of his appointment as an executive officer. In connection with Mr. Hall's decision not to stand for re-election as a director and to resign as an employee of the Company by May 13, 2004, and in consideration of his efforts in integrating Hall-Houston Oil Company, the Company has agreed to pay Mr. Hall the salary he would have earned through the term of his agreement and to accelerate the vesting of all of his unvested options. These options will be exercisable for twelve (12) months following his resignation.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The following report is submitted by the Compensation Committee for inclusion in this proxy pursuant to the rules of the Securities and Exchange Commission with respect to executive compensation:

The Compensation Committee (the "Committee") reviews the general compensation policies of the Company, approves the compensation to be paid to certain officers and administers the Company's Amended

12

and Restated 2000 Long Term Stock Incentive Plan. The Committee is composed of three (3) non-employee directors: Messrs. Bumgarner, Gershen and Phillips.

PHILOSOPHY OF COMPENSATION

The objectives of the Company's compensation program are (i) to attract and retain the best available talent, (ii) to motivate employees to achieve the Company's goals, (iii) to link employee and stockholder interests through performance rewards and (iv) to provide compensation that can recognize individual contributions to corporate objectives. The Committee's compensation philosophy is designed so that a substantial component of each employee's potential annual compensation is entirely dependent upon measurable improvement to stockholder value. The Committee engages outside compensation consultants to assist it in determining appropriate levels of compensation. The Committee expects recommendations from the Company's Chief Executive Officer but exercises

Edgar Filing: ENERGY PARTNERS LTD - Form DEF 14A

its own judgment and makes its own determination.

TYPES OF COMPENSATION

The Company provides two main types of compensation:

(1) annual compensation, consisting of a market-median base salary and an incentive bonus based in part on the performance of the Company's Common Stock; and

(2) long-term compensation, consisting of stock options, the value of which are also directly linked to the value of a share of the Company's Common Stock, restricted shares of Common Stock and performance shares.

ANNUAL COMPENSATION

At least once each year, the Committee reviews the Company's executive compensation program. The annual base salary of each executive is determined by an analysis of the compensation paid to other executive officers in similar positions in the energy industry. Market data is derived from a combination of sources, including published survey data for the energy industry and peer group data. A competitive base salary is consistent with the Company's long-term objectives of attracting and retaining highly qualified, competent executives.

The incentive bonus is particularly aligned with the interests of the Company's stockholders. Incentive bonuses are based on the increase in value of the Company's Common Stock as well as quantitative and qualitative factors that the Compensation Committee may deem appropriate. Although a target bonus percentage is predetermined for each executive on the basis of market practices, the incentive bonus is not limited to a maximum percentage of salary. The Committee will determine each year whether a threshold level of performance below the Company's objectives is deserving of any bonus percentage, taking into account external factors beyond the control of the executives.

LONG-TERM COMPENSATION

The Company adopted the 2000 Long Term Stock Incentive Plan (as amended and restated, the "Plan") on September 12, 2000, and the stockholders approved it on September 15, 2000. The Board of Directors amended and restated the Plan in January 2002 and unanimously approved an amendment of the Plan on March 21, 2002. The stockholders approved the amended and restated Plan on May 9, 2002. The Plan permits the Committee to select the officers and employees of the Company who will receive awards, to determine the types of awards to be granted to each such person and to establish the terms of each award.

The Committee considers stock options to be an important part of the Company's long-term incentive program for officers and employees as these awards create an alignment of interests with the Company's stockholders. Because a significant percentage of the Company's Common Stock is owned by the executive officers of the Company, including the Chief Executive Officer, the grant of options to date has been used primarily to attract and retain other officers and employees.

COMPENSATION OF THE CHIEF EXECUTIVE OFFICER

The Committee's compensation philosophy applies in all respects to the Company's Chief Executive Officer, Richard A. Bachmann. Mr. Bachmann's base salary of \$372,000 for 2003 was commensurate with the median base salary for chief executive officers of similarly situated exploration and production

Edgar Filing: ENERGY PARTNERS LTD - Form DEF 14A

companies. In May 2003, Mr. Bachmann was granted 9,000 shares of Restricted Stock equal to \$90,630 grant date fair value which vest one half on May 6, 2004 and the remainder on May 6, 2005, 53,334 stock options which vest ratably over three years and 26,666 performance shares which are paid three years from date of grant, subject to the Company's achievement of specified goals. In March 2004, Mr. Bachmann was awarded a bonus for 2003 of \$500,000.

POLICY ON DEDUCTIBILITY OF COMPENSATION

Section 162(m) of the Internal Revenue Code of 1986 limits the deductibility for federal income taxes of compensation in excess of \$1 million paid to a publicly held company's chief executive officer and any of the other four highest-paid executive officers, except for "performance-based" compensation. The Committee is aware of this limitation and intends to consider the effects of Section 162(m) on the Company when making compensation decisions.

APPENDIX A

ENERGY PARTNERS, LTD.

AUDIT COMMITTEE CHARTER

The purpose of the Audit Committee, in its capacity as a committee of the Board, is to assist the Board in overseeing (1) the integrity of the financial statements of the Company, (2) the independent auditor's qualifications and independence, (3) the performance of the Company's internal audit function and independent auditor and (4) the compliance by the Company with legal and regulatory requirements.

While the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the responsibility or duty of the Audit Committee to: certify the Company's financial statements, guarantee the auditor's report, plan or conduct audits or determine that the Company's financial statements and disclosures are complete and accurate or are in accordance with generally accepted accounting principles or applicable rules and regulations. It is also not the responsibility of the Audit Committee to assure compliance with laws and regulations or with the Company's Code of Business Ethics, or to set or determine the adequacy of the Company's reserves. These are the responsibilities of management and the independent auditor, as appropriate.

The Audit Committee has the authority to conduct any investigation appropriate to fulfilling its responsibilities and it has direct access to the independent auditors as well as anyone in the organization. The Audit Committee has the ability to retain, at the Company's expense, independent or outside legal, accounting, or other consultants or experts of its choice as it deems necessary or appropriate in the performance of its duties. The Audit Committee may request any officer or employee of the Company or the Company's counsel or independent auditor to attend any meeting of the Audit Committee or to meet with any members of, or consultants to, the Audit Committee. The Audit Committee shall meet periodically with management, the internal auditors and the independent auditor in separate executive sessions.

Edgar Filing: ENERGY PARTNERS LTD - Form DEF 14A

AUDIT COMMITTEE COMPOSITION

The members of the Audit Committee shall be appointed annually by the Board on the recommendation of the Nominating & Governance Committee. The Audit Committee shall consist of no fewer than three members. The members of the Audit Committee shall meet the independence requirements of the New York Stock Exchange, the Securities and Exchange Commission and other applicable laws, rules and regulations. No Audit Committee member shall simultaneously serve on the audit committee of more than two other public companies unless the Board of Directors determines that such simultaneous service would not impair the ability of that Audit Committee member effectively to serve on the Audit Committee.

The members of the Audit Committee may be replaced by the Board.

The Audit Committee members must be financially literate, as such qualification is interpreted by the Board in its business judgment. In addition, at least one member must have accounting or related financial management expertise, as the Board interprets such qualification in its business judgment.

The Audit Committee must have at least one member who is an "audit committee financial expert," as defined by the SEC, on or prior to the date required by the SEC.

The Audit Committee may delegate authority to an individual member of the committee or to subcommittees to the extent permitted by applicable laws, rules and regulations, including those of the New York Stock Exchange.

A Chairperson may be elected by the Board.

A-1

RESPONSIBILITIES OF AUDIT COMMITTEE

GENERAL

(1) Discuss with management and the independent auditor the annual audited financial statements, including disclosures made in management's discussion and analysis, and any related certifications required to be made by any officer of the Company, and recommend to the Board whether the audited financial statements should be included in the Company's Form 10-K.

(2) Discuss with management and the independent auditor the Company's quarterly financial statements, including disclosures made in management's discussion and analysis and any related certifications required to be made by any officer of the Company, prior to the filing of its Form 10-Q, including the results of the independent auditor's reviews of the quarterly financial statements.

(3) Discuss with management and the independent auditor (a) major issues regarding accounting principles and financial statement presentations, including any significant changes in the Company's selection or application of accounting principles, and major issues as to the adequacy of the Company's internal controls and any special audit steps adopted in light of material control deficiencies, (b) analyses prepared by management and/or the independent auditor setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the effects of alternative GAAP methods on the financial statements and (c) the effect of regulatory and accounting initiatives, as well as off-balance sheet structures, on the Company's financial statements.

(4) Discuss with management the Company's earnings press releases, as well

as financial information and earnings guidance provided to analysts and rating agencies. The Audit Committee's responsibility to discuss earnings releases as well as financial information and earnings guidance may be done generally (i.e., discussion of the types of information to be disclosed and the type of presentation to be made, particularly any "pro forma" or "adjusted" non-GAAP information). The Audit Committee need not discuss in advance each earnings release or each instance in which the Company may provide earnings guidance.

(5) Discuss with management the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures, including the Company's risk assessment and risk management policies.

(6) Review annually with management and the independent auditors the Company's Code of Business Ethics, as well as review the actions taken to monitor compliance with the Code of Business Ethics.

(7) Review any exceptions to the Company's Code of Business Ethics and the actions management has taken to resolve the exceptions.

(8) Review with the Company's counsel any legal, regulatory and environmental matters that may have a material impact on the Company's financial statements.

(9) Review the responsibilities, budget and staffing of the Company's internal audit program, including the proposed annual audit plan, periodic progress reports on the status of the plan, and summaries of any significant issues raised during the performance of internal audits.

(10) Review and assess compliance with all applicable rules and regulations of the SEC and the New York Stock Exchange specifically applicable to the composition and responsibilities of the Audit Committee.

INDEPENDENT AUDITORS

(1) The Audit Committee shall be directly responsible for the appointment, compensation (including as to fees and terms) and retention of the independent auditor and for oversight of the work of the independent auditor (including resolution of disagreements between management and the auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company. The independent auditor shall report directly to the Audit Committee. The

performance of any audit or permitted non-audit services by the independent auditor shall be subject to prior approval in accordance with applicable laws, rules or regulations.

(2) Review the experience and qualifications of the lead partner of the independent auditor.

(3) Obtain and review a report from the independent auditor at least annually describing (a) the auditor's internal quality-control procedures, (b) any material issues raised by the most recent quality-control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities within the preceding five years respecting one or more independent audits carried out by the firm and any steps taken to deal with any such issues, and (c) (to assess the auditor's independence), all relationships between the independent auditor and the Company. After reviewing such report and the independent auditor's work throughout the year, evaluate the qualifications, performance and independence of the independent auditor, taking into account the

opinions of management and the Company's internal auditors. In addition to assuring the regular rotation of the lead (or coordinating) audit partner (having primary responsibility for the audit) as required by law, the Audit Committee shall consider whether, in order to assure continuing auditor independence, there should be regular rotation of the audit firm itself. The Audit Committee shall present its conclusions to the Board and take any actions deemed necessary or desirable by the Audit Committee to satisfy itself as to the qualifications, performance and independence of the independent auditor.

(4) Set clear policies for the Company's hiring of employees or former employees of the independent auditor, but in no event shall any such employee who has participated in any capacity in the audit of the Company be hired in a management position with the Company during the one year period preceding the date of the initiation of the Company's most recent audit.

(5) Discuss with the independent auditor the matters required to be discussed by Statement on Auditing Standards No. 61 relating to the conduct of the audit. In particular, discuss:

(a) The adoption of, or changes to, the Company's significant auditing and accounting principles and practices as suggested by the independent auditor, internal auditors or management;

(b) Any management or internal control letter provided, or proposed to be provided, by the independent auditor and the Company's response to that letter; and

(c) Any difficulties encountered in the course of the audit work, including any restrictions on the scope of activities or access to requested information, and any significant disagreements with management.

(6) Receive, and take any required or appropriate action in relation to, all reports and other communications which the independent auditor is required to make to the Audit Committee, including timely reports concerning:

(a) all critical accounting policies and practices to be used;

(b) all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management officials of the Company, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditor; and

(c) other material written communications between the independent auditor and the management of the Company, such as any management letter or schedule of unadjusted differences.

(7) Discuss with the independent auditors their judgments about the quality, not just the acceptability, of the Company's accounting principles as applied in its financial reporting.

(8) Review with the independent auditor any audit problems or difficulties and management's response.
