This Amendment No. 1 to Form 8-K/A is being filed to amend the auditor's report covering the financial statements filed as an exhibit to our Current Report on Form 8-K/A filed on August 6, 2004 (the "8-K/A"), as well as certain of the notes to such financial statements. The financial information included in the 8-K/A was filed as a result of our June 10, 2004 asset acquisition (the "Acquisition") of Play Along, Inc., Play Along (Hong Kong) Limited and PA Distribution, Inc. (collectively, "Play Along").

We intend to file shortly a registration statement on Form S-3 covering the shares issued at the time of the Acquisition to the principals of Play Along (the "Registration Statement"). Play Along's Hong Kong auditor has determined that, in order for it to be able to issue its report in connection with the Registration Statement, it is required to perform certain accounting procedures in support of the financial information included in the 8-K/A.

The performance of these additional procedures did not result in any changes to the financial information included in the 8-K/A. Nevertheless, Play Along's Hong Kong auditor determined that the report it delivered in connection with the financial information included in the 8-K/A, as well as the description of certain applicable accounting policies included in the notes to such financial statements, were required to be amended.

Accordingly, this Amendment No. 1 to Form 8-K/A is being filed to reflect such amendments.

ITEM 2.01. ACQUISITION OR DISPOSITION OF ASSETS.

For a description of the Registrant's asset acquisition of Play Along, refer to Item 2 of the Registrant's Current Report on Form 8-K, filed on June 16, 2004, which Item 2 is incorporated in its entirety herein by reference.

**INDEPENDENT AUDITORS REPORT**

The Board of Directors  
Play Along, Inc.  
Fort Lauderdale, Florida

We have audited the accompanying balance sheets of Play Along, Inc. as of March 31, 2003, 2002 and December 31, 2003 and the related statements of operations, changes in stockholders' equity (deficit) and cash flows for the periods then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by managements, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Play Along, Inc. as of March 31, 2003, 2002 and December 31, 2003, and the results of its operations and its cash flows for the periods then ended in conformity with accounting principles generally accepted in the United States of America.

**PLAY ALONG, INC.  
NOTES TO FINANCIAL STATEMENTS**

***NOTE 1 NATURE OF BUSINESS***

Play Along, Inc. (the Company) is located in Deerfield Beach, Florida and was incorporated on May 15, 2000 under the statutes of the state of Delaware. The Company is engaged in providing management and marketing services exclusively to its related companies: Play Along (Hong Kong), Ltd. and PA Distribution, Inc. Play Along (Hong Kong), Ltd. is a toy manufacturer. PA Distribution, Inc. is a wholesale distributor of toys. See Note 5 regarding transactions between these entities and the Company.

***NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES***

*Cash Equivalents*

The Company considers all highly liquid debt instruments with original maturities of three months or less to be cash equivalents. There were no cash equivalents at December 31, 2003, March 31, 2003 and 2002.

*Property and Equipment*

Property and equipment are stated at cost. The Company provides for depreciation and amortization using the straight-line method over the estimated useful lives of the asset, which range from three to five years. The Company reviews the valuation of property and equipment and their remaining economic lives annually and adjusts depreciation accordingly.

*Use of Estimates*

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

*Revenue Recognition*

The Company recognizes revenue when persuasive evidence of an arrangement exists, service has been provided to the customer, price is fixed or determinable and collectibility is reasonably assured.

*Fair Value of Financial Instruments*

The Company's financial instruments are cash and cash equivalents and accounts payable. The recorded values of cash and cash equivalents and accounts payable approximate their fair values based on their short-term nature.

*Advertising Costs*

The Company expenses advertising production costs as they are incurred and advertising communication costs the first time the advertising event takes place.

**Table of Contents****PLAY ALONG, INC.  
NOTES TO FINANCIAL STATEMENTS****NOTE 3 PROPERTY AND EQUIPMENT**

Property and equipment consisted of the following:

	<b>December 31 2003</b>	<b>March 31 2003</b>	<b>March 31 2002</b>
Office furniture and fixtures	\$ 51,314	\$ 15,190	\$ 8,002

Depreciation expense is \$21,120, \$21,365 and \$20,206 for the nine months ended December 31, 2003 and for the years ended March 31, 2003 and 2002, respectively.

**NOTE 4 INCOME TAXES**

The non-deductibility of certain expenses and temporary differences in depreciation expense and accrued expenses resulted in an increase in the effective tax rate. Income tax expense consisted of the following:

	<b>December 31 2003</b>	<b>March 31 2003</b>	<b>March 31 2002</b>
Current	\$	\$ 708	\$
Deferred	8,386	(97,236)	55,233
Total income tax expense (benefit)	<u>\$ 8,386</u>	<u>\$(96,528)</u>	<u>\$55,233</u>

Under FAS No. 109, deferred income taxes reflect the net tax effects of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for income tax purposes. The significant components of deferred tax assets are as follows:

<b>December 31</b>	<b>March 31</b>	<b>March 31</b>

NOTES TO FINANCIAL STATEMENTS****NOTE 5 RELATED PARTY TRANSACTIONS**

Activity with related parties are summarized below:

	<b>December 31 2003</b>	<b>March 31 2003</b>	<b>March 31 2002</b>
Receivable from related parties	\$ 141,130	\$ 352,727	\$75,000
Payable to related parties, end of year	(564,633)	(115,389)	
Receivable (Payable) to related parties, end of year	\$(423,503)	\$ 237,338	\$75,000

During the nine-months ended December 31, 2003 and the years ended March 31, 2003 and 2002, the Company received \$800,000, \$600,000 and \$570,200 in management and marketing fees from a related company, PA Distribution, Inc., for rent, administrative and other related services provided.

During the nine-months ended December 31, 2003 and the years ended March 31, 2003 and 2002, the Company received \$1,974,376, \$2,564,663 and \$1,800,000 in management and marketing fees from a related company, Play Along (Hong Kong), Ltd, for administrative and other related services provided.

**NOTE 6 CONCENTRATION OF CREDIT RISK***Cash*

The Company maintains its cash bank deposits at one financial institution. Accounts at this institution are insured by the Federal Deposit Insurance Corporation up to \$100,000 and the balances, at times, may exceed federally insured limits. At December 31, 2003, March 31, 2003 and 2002 the balances in each bank account were over this limit by an aggregate of \$166,035, \$0, and \$0, respectively.

*Revenues*

In the periods ended December 31, 2003, March 31, 2003 and March 31, 2002, 100% of all revenues were earned from related companies as noted in Note 5. One of these two customers is Play Along (Hong Kong), Ltd which is located in the People's Republic of China ( PRC ). The loss of this customer could have a material adverse effect on the Company. The customer's operations in the PRC are subject to special consideration and significant risks not typically associated with companies in North America and Western Europe. These include risks associated with, among others, the political, economic and legal environments and foreign currency exchange. The customer's production and therefore, the Company's results may be adversely affected by changes in the political and social conditions in the PRC, and by changes in governmental policies with respect to laws and regulations, anti-inflationary measures, currency conversion and remittance abroad, and rates and methods of taxation, among other things.

***NOTE 7 DEFINED CONTRIBUTION PENSION PLAN***

The Company sponsors a simplified employers' pension plan covering all eligible employees. The Company funds the plan at its discretion. Pension expense for the Company was \$30,759, \$23,078 and \$13,436 for the nine months ended December 31, 2003 and for the years ended March 31, 2003 and 2002, respectively.

**NOTE 9 LITIGATION**

The Company is a defendant in a lawsuit with respect to a claim of infringement of patent on certain products sold by its related companies: Play Along (Hong Kong), Ltd. ( PAHK ) and PA Distribution, Inc. ( PAD ). The plaintiff in the suit is seeking unspecified damages. PAHK has accrued \$1,844,626 as a liability under this lawsuit as of December 31, 2003, based on legal counsel's assessment of the estimated damages that could be awarded and the fees that may be incurred if a Court were to find in favor of the plaintiff. As of December 31, 2003, the Company has been fully indemnified for all costs and expenses in this claim by its related company, PAHK. Therefore, no additional liability is reflected in these financial statements of the Company as of December 31, 2003, March 31, 2003 or March 31, 2002.

**PA DISTRIBUTION, INC.  
NOTES TO FINANCIAL STATEMENTS**

***NOTE 1 NATURE OF BUSINESS***

PA Distribution, Inc. (the Company) is engaged in the wholesale distribution of toys. The Company is located in Deerfield Beach, Florida. The Company was incorporated on May 15, 2000 under the statutes of the state of Delaware. The Company does business with two related entities which are under common ownership, Play Along (Hong Kong), Ltd. and Play Along, Inc. Play Along (Hong Kong), Ltd. is a toy manufacturer and primary supplier for the Company. Play Along, Inc. is a management and marketing company. The Company also does business with Art Asylum LLC, a toy product design company. Art Asylum LLC is majority owned by stockholders of the Company. See Note 6 regarding transactions between these entities and the Company.

***NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES***

*Cash Equivalents*

The Company considers all highly liquid debt instruments with original maturities of three months or less to be cash equivalents. There were no cash equivalents at December 31, 2003, March 31, 2003 and 2002.

*Property and Equipment*

Property and equipment are stated at cost. The Company provides for depreciation and amortization using the straight-line method over the estimated useful lives of the asset, which range from three to five years. The Company reviews the valuation of property and equipment and their remaining economic lives annually and adjusts depreciation accordingly.

*Inventories*

Inventories consist of twelve product toy lines. The inventory has been valued at the lower of cost or market using the first-in, first-out (FIFO) method.

*Use of Estimates*

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

*Revenue Recognition*

The Company recognizes revenue when persuasive evidence of an arrangement exists, shipment has occurred, price is fixed or determinable and collectibility is reasonably assured. Provision is made for an estimate of product returns, chargeback allowances and doubtful accounts and is based on historical experience.

*Fair Value of Financial Instruments*

The Company's financial instruments are cash and cash equivalents, accounts receivable, certificate of deposit, accounts payable and note payable. The recorded values of cash and cash equivalents, accounts receivable and accounts payable approximate their fair values based on their short-term nature. The recorded values of the certificate

of deposit and note payable approximate their fair values, as interest approximates market rates.

**Table of Contents****PA DISTRIBUTION, INC.  
NOTES TO FINANCIAL STATEMENTS****NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued***Advertising Costs*

The Company expenses advertising production costs as they are incurred and advertising communication costs the first time the advertising event takes place.

*Shipping and Handling Fees*

The Company follows the provisions of Emerging Issues Task Force Issue No. 00-10, Accounting for Shipping and Handling Fees and Costs. Any amounts billed to third-party customers for shipping and handling is included as a component of revenue. Shipping and handling costs incurred are included as a component of cost of sales. Shipping and handling costs is \$2,752,714, \$2,027,811 and \$347,263 for the nine months ended December 31, 2003 and the years ended March 31, 2003 and 2002, respectively.

**PA DISTRIBUTION, INC.  
NOTES TO FINANCIAL STATEMENTS**

***NOTE 7 CONCENTRATIONS, continued***

*Accounts Receivable*

The Company performs on-going credit evaluations of its customer base including those included in accounts receivable at December 31, 2003, March 31, 2003 and 2002 and generally does not require collateral. The Company maintains reserves for potential credit losses and such losses have been both immaterial and within management's expectations.

*Supplier*

The Company is dependent on one supplier (a related party) for all of its inventory merchandise (See Note 6). This supplier is located in Hong Kong within the People's Republic of China ( PRC ). The loss of this supplier or a significant reduction in product availability from this supplier could have a material adverse effect on the Company. The supplier's operations in the PRC are subject to special consideration and significant risks not typically associated with companies in North America and Western Europe. These include risks associated with, among others, the political, economic and legal environments and foreign currency exchange. The supplier's production and therefore, the Company's results may be adversely affected by changes in the political and social conditions in the PRC, and by changes in governmental policies with respect to laws and regulations, anti-inflationary measures, currency conversion and remittance abroad, and rates and methods of taxation, among other things. The Company believes that its relationship with its supplier is satisfactory.

***NOTE 8 DEFINED CONTRIBUTION PENSION PLAN***

The Company sponsors a simplified employers' pension plan covering all eligible employees. The Company funds the plan at its discretion. Pension expense for the Company was \$19,909, \$12,165 and \$12,629 for the nine months ended December 31, 2003 and for the years ended March 31, 2003 and 2002, respectively.

***NOTE 9 LITIGATION***

The Company's related company, Play Along, Inc. ( PAI ) is a defendant in a lawsuit with respect to a claim of infringement of patent on certain products sold by the Company and its related company, Play Along (Hong Kong) Ltd ( PAHK ). The plaintiff in the suit is seeking unspecified damages. PAHK has accrued \$1,844,626 as a liability under this lawsuit as of December 31, 2003, based on legal counsel's assessment of the estimated damages that could be awarded and the fees that may be incurred if a court were to find in favor of the plaintiff. As of December 31, 2003, the Company has not been named in the lawsuit and is fully indemnified for all costs and expenses in this claim by PAHK. Therefore, no additional liability is reflected in these financial statements as of December 31, 2003, March 31, 2003 and 2002.

***NOTE 10 RECLASSIFICATIONS***

Certain reclassifications have been made to the prior years' financial statements to conform to the current year presentation. These reclassifications had no effect on previously reported results of operations or accumulated deficit.

Auditors report**

**To the members of Play Along (Hong Kong) Limited  
(incorporated in Hong Kong with limited liability)**

We have audited the financial statements on pages 4 to 18 which have been prepared in accordance with accounting principles generally accepted in Hong Kong.

**Respective responsibilities of directors and auditors**

The Companies Ordinance requires the directors to prepare financial statements which give a true and fair view. In preparing financial statements which give a true and fair view it is fundamental that appropriate accounting policies are selected and applied consistently.

It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

**Basis of opinion**

We conducted our audit in accordance with Statements of Auditing Standards issued by the Hong Kong Society of Accountants and standards of the Public Company Accounting Oversight Board (United States). An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance as to whether the financial statements are free from material misstatement. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements. We believe that our audit provides a reasonable basis for our opinion.

**Opinion**

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2003 and of its profit and cash flows for the year then ended and have been properly prepared in accordance with the Companies Ordinance.

**Notes to the financial statements  
for the year ended 31 March 2003**

**1. GENERAL INFORMATION**

The principal activity of the company is the trading of toys. The directors consider the ultimate holding company as at 31 March 2003 to be Bright Wealth Enterprises Limited, incorporated in the British Virgin Islands.

**2. PRINCIPAL ACCOUNTING POLICIES**

**(a) Basis of preparation**

The financial statements on pages 4 to 18 are prepared in accordance with and comply with all applicable Statements of Standard Accounting Practice ( SSAP ) and Interpretations issued by the Hong Kong Society of Accountants which does not differ significantly from accounting principles generally accepted in the United States of America ( US GAAP ) except that certain disclosures as required under US GAAP have not been included in these financial statements. The financial statements are prepared under the historical cost convention.

*Adoption of new and revised SSAPs*

SSAP 1 (Revised)	Presentation of financial statements
SSAP 15 (Revised)	Cash flow statements
SSAP 34	Employee benefits

Adoption of these new and revised SSAPs has led to additional and revised disclosure in these financial statements, as explained below.

(i) SSAP 1 (Revised) Presentation of financial statements

In adopting SSAP 1 (Revised) the company is required to present a statement of changes in equity instead of a statement of recognised gains and losses. Comparative amounts have been restated to achieve a consistent presentation.

(ii) SSAP 15 (Revised) Cash flow statement

In adopting SSAP 15 (Revised) the company is required to present a cash flow statement to report cash flows during the year classified by operating, investing and financing activities only. For the purposes of the cash flow statement, cash and cash equivalents comprise cash on hand, demand deposits, short-term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Comparative amounts have been restated to achieve a consistent presentation.

**Table of Contents****Play Along (Hong Kong) Limited****2. PRINCIPAL ACCOUNTING POLICIES (Continued)****(a) Basis of preparation (Continued)**

## (iii) SSAP 34 - Employee benefits

*Employee entitlements*

In adopting SSAP 34, employee entitlements to annual leave and long service payments are recognised when they accrue to employees. A provision is made for the estimated liability for annual leave and long service payments as a result of services rendered by employees up to the balance sheet date.

Non-accumulating compensated absences, such as sick leave and maternity leave are not recognised until the time of leave.

In prior year, no provision was made for employee annual leave and long service payment entitlements. The adoption of SSAP 34 has not resulted in any significant changes to the prior years' net assets and results and accordingly, no prior year adjustment is required.

**(b) Property, plant and equipment**

## (i) Depreciation and amortisation

Depreciation is provided to write off the cost of property, plant and equipment over their estimated useful lives, using the straight line method, at the following rates per annum :

Leasehold improvements	50%
Furniture and fixtures	20%
Office equipment	20%
Computer equipment	30%

## (ii) Measurement bases

Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses. The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to the working condition and location for its intended use. Subsequent expenditure relating to property, plant and equipment is added to the carrying amount of the assets if it can be demonstrated that such expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the assets.

**Table of Contents**

**Play Along (Hong Kong) Limited**

**2. PRINCIPAL ACCOUNTING POLICIES (Continued)**

**(b) Property, plant and equipment (Continued)**

(ii) Measurement bases (Continued)

When assets are sold or retired, any gain or loss resulting from their disposal, being the difference between the net disposal proceeds and the carrying amount of the assets, is included in the income statement.

**(c) Investment securities**

Investment securities are securities which are intended to be held on a continuing basis for an identified long-term purpose. Investment securities are stated in the balance sheet at cost less any provisions for impairment losses. Provisions are made when the fair value of such securities has declined below the carrying amounts, unless there is evidence that the decline is temporary. The amount of the reduction is recognised as an expense in the income statement.

**(d) Inventories**

Inventories are stated at the lower of cost and net realisable value. Cost comprises the cost of purchased goods calculated using the first-in first-out method. Net realisable value is calculated as the actual or estimated selling price less all further costs of marketing, selling and distribution.

**(e) Impairment**

The carrying amounts of the company's assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated. An impairment loss is recognised whenever the carrying amount of an asset or its cash-generating unit exceeds its recoverable amount. Impairment losses are recognised in the income statement.

(i) Calculation of recoverable amount

The recoverable amount of an asset is the greater of its net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For an asset that does not generate largely independent cash inflows, the recoverable amount is determined for the cash-generating unit to which the asset belongs.

**Table of Contents**

**Play Along (Hong Kong) Limited**

**2. PRINCIPAL ACCOUNTING POLICIES (Continued)**

**(e) Impairment (Continued)**

(ii) Reversals of impairment

An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount and only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

**(f) Foreign currencies**

Transactions in foreign currencies are translated into Hong Kong dollars at the rates of exchange ruling at the dates of transactions. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are translated into Hong Kong dollars at the rates of exchange ruling at that date. Gains and losses arising on exchange are dealt with in the income statement.

**(g) Operating leases**

Leases where substantially all the risks and rewards of ownership of assets remain with the lessor are accounted for as operating leases. Annual rentals applicable to such operating leases are charged to the income statement on a straight line basis over the lease term.

**(h) Deferred tax/ Future tax benefits**

Deferred tax is provided, using the liability method, on all significant timing differences, other than those which are not expected to crystallise in the foreseeable future.

Future tax benefit is not carried forward as an asset unless the benefit can be regarded as being virtually certain of realisation.

**(i) Related parties**

Parties are considered to be related if one party has the ability, directly or indirectly, to control the other party or exercise significant influence over the other party in making financial and operating decisions. Parties are also considered to be related if they are subject to common control or common significant influence.

**Table of Contents**

**Play Along (Hong Kong) Limited**

**2. PRINCIPAL ACCOUNTING POLICIES (Continued)**

**(j) Cash and cash equivalents**

Cash comprises cash on hand and demand deposits repayable on demand with any bank or other financial institution. Cash includes deposits denominated in foreign currencies.

Cash equivalents represent short-term, highly liquid investments which are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value. Bank overdrafts that are repayable on demand and form an integral part of the company's cash management are also included as a component of cash and cash equivalents for the purpose of the cash flow statement.

**(k) Recognition of revenue**

Revenue from the sale of goods are recognised when they are delivered to customers.

Interest income is recognised on a time proportion basis.

**(l) Employee benefits**

**(i) Employee entitlements**

Employee entitlements to annual leave and long service payments are recognised when they accrue to employees. A provision is made for the estimated liability for annual leave and long service payments as a result of services rendered by employees up to the balance sheet date.

Non-accumulating compensated absences such as sick leave and maternity leave are not recognised until the time of leave.

**(ii) Retirement benefit costs**

The company contributes to a Mandatory Provident Fund Scheme which is a defined contribution retirement benefit scheme, and is available to all employees. Contributions to the scheme by the company and its employees are calculated as a percentage of employees' basic salaries. The retirement benefit scheme cost charged to the income statement represents contributions payable by the company to the scheme.

The assets of the scheme are held separately from those of the company in an independently administered fund.

**Table of Contents****Play Along (Hong Kong) Limited****3. TURNOVER**

Turnover represents the total invoiced value of goods supplied less returns and discounts.

**Auditors report**

**To the members of Play Along (Hong Kong) Limited  
(incorporated in Hong Kong with limited liability)**

We have audited the financial statements on pages 5 to 24 which have been prepared in accordance with accounting principles generally accepted in Hong Kong.

**Respective responsibilities of directors and auditors**

The Companies Ordinance requires the directors to prepare financial statements which give a true and fair view. In preparing financial statements which give a true and fair view it is fundamental that appropriate accounting policies are selected and applied consistently.

It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

**Basis of opinion**

We conducted our audit in accordance with Statements of Auditing Standards issued by the Hong Kong Society of Accountants and standards of the Public Company Accounting Oversight Board (United States). An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance as to whether the financial statements are free from material misstatement. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements. We believe that our audit provides a reasonable basis for our opinion.

**Opinion**

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 December 2003 and of its profit and cash flows for the period from 1 April 2003 to 31 December 2003 and have been properly prepared in accordance with the Companies Ordinance.

**Play Along (Hong Kong) Limited**

**Notes to the financial statements  
for the period from 1 April 2003 to 31 December 2003**

**1. GENERAL INFORMATION**

The principal activity of the company is the trading of toys.

Pursuant to a directors' resolution passed on 23 January 2004, the company will change its name from Play Along (Hong Kong) Limited to Play Along (Hong Kong) Limited with effect from 4 February 2004.

**2. PRINCIPAL ACCOUNTING POLICIES**

(a) Basis of preparation

The financial statements on pages 5 to 24 are prepared in accordance with and comply with all applicable Statements of Standard Accounting Practice ( SSAPs ) and Interpretations issued by the Hong Kong Society of Accountants which does not differ significantly from accounting principles generally accepted in the United States of America ( US GAAP ) except that certain disclosures as required under US GAAP have not been included in these financial statements. The financial statements are prepared under the historical cost convention, except for the remeasurement of investments in securities as further explained in (c) below.

*Adoption of revised SSAP*

In the current period, the company has adopted SSAP 12 (Revised) Income Taxes. The principal effect of the implementation of SSAP 12 (Revised) is in relation to deferred tax. In previous years, partial provision was made for deferred tax using the income statement liability method, i.e. a liability was recognised in respect of timing differences arising, except where timing differences were not expected to reverse in the foreseeable future. Deferred tax assets were not recognised unless their realisation was assured beyond reasonable doubt. SSAP 12 (Revised) requires the adoption of a balance sheet liability method, whereby deferred tax is recognised in respect of all temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, with limited exceptions.

In the absence of any specific transitional requirements in SSAP 12 (Revised), the new accounting policy has been applied retrospectively. As a result the company has changed its accounting policies for deferred taxation as detailed in note 2(i) below. The adoption of SSAP 12 (Revised) has not resulted in any significant changes to the current and prior year's net assets and results and accordingly, no prior year adjustment is required.

**Table of Contents****Play Along (Hong Kong) Limited****2. PRINCIPAL ACCOUNTING POLICIES (Continued)****(b) Property, plant and equipment****(i) Depreciation and amortisation**

Depreciation is provided to write off the cost of property, plant and equipment over their estimated useful lives, using the straight line method, at the following rates per annum :

Leasehold improvements	50%
Furniture and fixtures	20%
Office equipment	20%
Computer equipment	30%
Computer software	50%

**(ii) Measurement bases**

Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses. The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to the working condition and location for its intended use. Subsequent expenditure relating to property, plant and equipment is added to the carrying amount of the assets if it can be demonstrated that such expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the assets.

When assets are sold or retired, any gain or loss resulting from their disposal, being the difference between the net disposal proceeds and the carrying amount of the assets, is included in the income statement.

**(c) Investments in securities**

Investment securities are securities which are intended to be held on a continuing basis for an identified long-term purpose. Investment securities are stated in the balance sheet at cost less any provisions for impairment losses. Provisions are made when the fair value of such securities has declined below the carrying amounts, unless there is evidence that the decline is temporary. The amount of the reduction is recognised as an expense in the income statement.

**Table of Contents**

**Play Along (Hong Kong) Limited**

**2. PRINCIPAL ACCOUNTING POLICIES (Continued)**

**(c) Investments in securities (Continued)**

All other securities, whether held for trading or otherwise, are stated in the balance sheet at fair value. Changes in value are recognised as an expense in the income statement.

Provisions against the carrying value of investment securities are written back to income when the circumstances and events that led to the write-downs or write-offs cease to exist and there is persuasive evidence that the new circumstances and events will persist for the foreseeable future.

**(d) Inventories**

Inventories are stated at the lower of cost and net realisable value. Cost comprises the cost of purchased goods calculated using the first-in first-out method. Net realisable value is calculated as the actual or estimated selling price less all further costs of marketing, selling and distribution.

**(e) Impairment**

The carrying amounts of the company's assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated. An impairment loss is recognised whenever the carrying amount of an asset or its cash-generating unit exceeds its recoverable amount. Impairment losses are recognised in the income statement.

**(i) Calculation of recoverable amount**

The recoverable amount of an asset is the greater of its net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For an asset that does not generate largely independent cash inflows, the recoverable amount is determined for the cash-generating unit to which the asset belongs.

**(ii) Reversals of impairment**

An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount and only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

**Table of Contents**

**Play Along (Hong Kong) Limited**

**2. PRINCIPAL ACCOUNTING POLICIES (Continued)**

**(f) Foreign currencies**

Transactions in foreign currencies are translated into Hong Kong dollars at the rates of exchange ruling at the dates of transactions. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are translated into Hong Kong dollars at the rates of exchange ruling at that date. Gains and losses arising on exchange are dealt with in the income statement.

**(g) Operating leases**

Leases where substantially all the risks and rewards of ownership of assets remain with the lessor are accounted for as operating leases. Annual rentals applicable to such operating leases are charged to the income statement on a straight line basis over the lease term.

**(h) Provisions**

A provision is recognised in the balance sheet when the company has a legal or constructive obligation as a result of a past event, and it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate of the amount can be made. If the effect is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Where the company expects a provision to be reimbursed, the reimbursement is recognised as a separate asset but only when the reimbursement is virtually certain.

**(i) Income tax**

Income tax for the period comprises current and deferred tax.

Current tax is the expected tax payable on the taxable income for the period using tax rates enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

**Table of Contents**

**Play Along (Hong Kong) Limited**

**2. PRINCIPAL ACCOUNTING POLICIES (Continued)**

**(i) Income tax (Continued)**

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from the initial recognition of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Any such reduction is reversed to the extent that it becomes probable that sufficient taxable profit will be available.

Deferred tax assets and liabilities are not discounted. Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised. Deferred tax is charged or credited in the income statement, except when it relates to items charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

**(j) Related parties**

Parties are considered to be related if one party has the ability, directly or indirectly, to control the other party or exercise significant influence over the other party in making financial and operating decisions. Parties are also considered to be related if they are subject to common control or common significant influence.

**(k) Cash and cash equivalents**

Cash comprises cash on hand and demand deposits repayable on demand with any bank or other financial institution. Cash includes deposits denominated in foreign currencies.

Cash equivalents represent short-term, highly liquid investments which are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value. Bank overdrafts that are repayable on demand and form an integral part of the company's cash management are also included as a component of cash and cash equivalents for the purpose of the cash flow statement.

**(m) Employee benefits**

**(i) Employee entitlements**

Employee entitlements to annual leave and long service payments are recognised when they accrue to employees. A provision is made for the estimated liability for annual leave and long service payments as a result of services rendered by employees up to the balance sheet date.

Non-accumulating compensated absences such as sick leave and maternity leave are not recognised until the time of leave.

**(ii) Retirement benefit costs**

The company contributes to a Mandatory Provident Fund Scheme which is a defined contribution retirement benefit scheme, and is available to all eligible employees. Contributions to the scheme by the company and its employees are calculated as a percentage of employees' basic salaries. The retirement benefit scheme cost charged to the income statement represents contributions payable by the company to the scheme.

The assets of the scheme are held separately from those of the company in an independently administered fund.

**3. TURNOVER**

Turnover represents the total invoiced value of goods supplied less returns and discounts.

Balance at 31 December 2003	<u>14,295,851</u>	<u>9,309,905</u>	<u><b>23,605,756</b></u>

- (a) The company has made a provision of HK\$14,295,851 in respect of a claim of infringement of patent on certain products sold by the company. Pursuant to the complaint filed by the plaintiff against Play Along Inc., a related company, the plaintiff is seeking unspecified damages. Based on the directors' best estimate, the provision was calculated at by estimating the damages that could be awarded and the fees that may be incurred if a Court were to find in favor of the plaintiff. Although the company was not the named defendant in the court order, the company manufactured and distributed the products in question and has agreed to indemnify the related company for all the costs and expenses in this claim. Up to the date of the approval of these financial statements, the case has not been finalised and the outcome was uncertain.
- (b) The provision of HK\$9,309,905 was for the estimated royalties payable on sales made by the company on certain products during the period. Up to the date of approval of these financial statements, the company has not yet arrived at an agreement with the licensor for the royalties payable on these sales.

**Table of Contents****Play Along (Hong Kong) Limited****12. BANKING FACILITIES**

At 31 December 2003, general banking facilities granted to the company to the extent of approximately HK\$29,920,000 were secured by:

- (a) a charge over the company's investment securities of HK\$3,875,000 (note 8).
- (b) a charge over the company's bank deposits amounting to HK\$3,926,287 as at 31 December 2003;
- (c) undertaking to maintain a minimum net worth of not less than HK\$10,000,000; and
- (d) guarantee of HK\$36,500,000 in aggregate from a third party.

**UNAUDITED PRO FORMA CONSOLIDATED FINANCIAL STATEMENT**

The following unaudited pro forma consolidated financial statements as of March 31, 2004 and for the year ended December 31, 2003 and the three months ended March 31, 2004 give effect to the asset acquisition of Play Along. The pro forma consolidated balance sheet presents our financial position as if the asset acquisition of Play Along had occurred on March 31, 2004. The pro forma consolidated statement of operations presents our results as if the acquisition of Play Along had occurred on January 1, 2003. Our fiscal year end is December 31 and Play Along's fiscal year end is December 31. Effective April 1, 2003, Play Along changed its fiscal year end from March 31 to December 31. The pro forma consolidated balance sheet as of March 31, 2004 is based upon our historical consolidated balance sheet as of March 31, 2004 which has been adjusted for the effects of the Play Along asset acquisition. The pro forma consolidated statement of operations for the year ended December 31, 2003 and three months ended March 31, 2004 is based on our historical consolidated statement of operations and the statement of operations of Play Along for the nine months ended December 31, 2003 and the three months ended March 31, 2004.

The pro forma consolidated financial statements include, in our opinion, all material adjustments necessary to reflect the asset acquisition of Play Along. The pro forma consolidated financial statements do not represent the Company's actual results of operations, including the acquisitions, nor do they purport to predict or indicate our financial position or results of operations at any future date or for any future period. The pro forma consolidated financial statements should be read in conjunction with Management's Discussion and Analysis of Financial Condition and Results of Operations, our consolidated financial statements and the related notes thereto and Play Along's financial statements and the related notes thereto included herein.
