**PROXY STATEMENT FOR
CVB FINANCIAL CORP.
701 North Haven Avenue, Suite 350
Ontario, California 91764
(909) 980-4030**

This proxy statement contains information about the annual meeting of shareholders of CVB Financial Corp. to be held on Wednesday, May 17, 2006 beginning at 7:00 p.m., local time, at the Ontario Convention Center, 2000 Convention Center Way, Ontario, California 91764, and at any postponements or adjournments of the meeting. CVB Financial Corp. is also referred to as the Company in this Proxy Statement.

INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Why Did You Send Me This Proxy Statement?

We sent you this Proxy Statement and the enclosed proxy card because the Board of Directors is soliciting your vote at the 2006 Annual Meeting of Shareholders.

This proxy statement summarizes the information you need to know to cast an informed vote at the meeting. However, you do not need to attend the meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card.

We will begin sending this proxy statement, notice of annual meeting and the enclosed proxy card on or about April 13, 2006 to all shareholders entitled to vote. The record date for those entitled to vote is March 27, 2006. On March 27, 2006, there were 76,479,277 shares of our common stock outstanding. Common stock is our only class of stock outstanding. We are also sending our Annual Report, including our Annual Report on Form 10-K, to shareholders for the year ended December 31, 2005 along with this proxy statement.

How Do I Vote By Proxy?

Whether you plan to attend the meeting or not, we urge you to complete, sign and date the enclosed proxy card and to return it promptly in the envelope provided. Returning the proxy card will not affect your right to attend the meeting and vote.

If you properly fill in your proxy card and send it to us in time to vote, your proxy (one of the individuals named on your proxy card) will vote your shares as you have directed. If you sign the proxy card but do not make specific choices, your proxy will vote your shares as recommended by the Board of Directors as follows:

FOR the election of all seven nominees for director;

FOR ratification of the appointment of McGladrey & Pullen as our independent registered public accountants for 2006.

Table of Contents

If any other matter is presented, your proxy will vote in accordance with the recommendation of the Board of Directors, or, if no recommendation is given, in their own discretion. At the time this proxy statement went to press, we knew of no matters which needed to be acted on at the meeting, other than those discussed in this proxy statement.

How Many Votes Do I Have?

Each share of common stock entitles you to one vote. The proxy card indicates the number of shares of common stock that you own. However, in the election of directors, you are entitled to cumulate your votes if you are present at the meeting, the nominee s(s) name(s) have properly been placed in nomination, and a shareholder has given notice at the meeting prior to the actual voting of his intention to vote his shares cumulatively. Cumulative voting allows you to give one nominee as many votes as is equal to the number of directors to be elected, multiplied by the number of shares you own, or to distribute your votes in the same fashion between two or more nominees. The return of an executed proxy grants the Board of Directors the discretionary authority to also cumulate votes.

May I Change My Vote After I Return My Proxy Card?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised, if you file with CVB Financial Corp. s Secretary either a notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

How Do I Vote in Person?

If you plan to attend the meeting and vote in person, we will give you a ballot form when you arrive. However, if your shares are held in the name of your broker, bank or other nominee, you must bring a legal proxy from your broker, bank or other nominee to vote the shares at the meeting.

What Constitutes a Quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of common stock outstanding on the record date will constitute a quorum, permitting the conduct of business at the meeting. Proxies which are marked as abstentions will be included in the calculation of the number of shares considered to be present at the meeting.

What Vote Is Required for Each Proposal?

The seven nominees for director who receive the most votes will be elected. So, if you do not vote for a particular nominee, or you indicate WITHHOLD AUTHORITY TO VOTE for a particular nominee on your proxy card, your vote will not count either FOR or AGAINST the nominee. Ratification of the appointment of our auditors requires the approval of a majority of the votes represented and voting at the meeting.

Table of Contents

If you hold your shares of common stock in street name (that is, through a broker or other nominee) and you fail to instruct your broker or nominee as to how to vote your shares, your broker or nominee may in its discretion, vote your shares FOR the election of directors and FOR ratification of the appointment of McGladrey & Pullen, LLP as our independent registered public accountants. Abstentions and broker nonvotes will have no effect on the proposals being submitted at the annual meeting.

What Are the Costs of Solicitation of Proxies?

We will bear the costs of this solicitation, including the expense of preparing, assembling, printing and mailing this Proxy Statement and the material used in this solicitation of proxies. The proxies will be solicited principally through the mails, but CVB Financial Corp.'s directors, officers and regular employees may solicit proxies personally or by telephone. Although there is no formal agreement to do so, we may reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for their reasonable expense in forwarding these proxy materials to their principals. In addition, we may pay for and utilize the services of individuals or companies we do not regularly employ in connection with the solicitation of proxies.

CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

The Board of Directors is committed to good business practices, transparency in financial reporting and the highest level of corporate governance. To that end, over the course of a number of months, the Board reviewed its governance policies and practices, as well as the requirements of the Sarbanes-Oxley Act of 2002 and the listing standards of the Nasdaq Stock Market. As a result of this review, we have adopted Corporate Governance Principles, which among other things, provide for:

At least a majority of independent directors;

Audit, compensation and nominating/corporate governance committees consisting solely of independent directors;

Periodic executive sessions of non-management directors;

An annual self-evaluation process for the Board and its committees;

Ethical conduct of directors;

Director access to officers and employees;

Director access to independent advisors;

Periodic review of a management succession plan; and

Methodology for reporting concerns to non-employee directors or the Audit Committee.

A copy of our Corporate Governance Principles is available on our website at www.cbcbank.com under the tab Investor Relations and then Corporate Governance.

Board Selection Process

We have established a Nominating and Corporate Governance Committee. This committee assists the Board in director selection, as well as review and consideration of developments in corporate governance practices. This committee also recommends to the Board director nominees for each Board committee, and reviews director candidates submitted by shareholders. The Nominating and Corporate Governance Committee is responsible for annually reviewing and evaluating with the Board the appropriate skills and characteristics required of Board members in the context of the current composition of the Board and our goals for nominees to the Board, including nominees who are current Board members. The Nominating and Corporate Governance Committee has the authority to utilize third party providers, as appropriate, to assist it in fulfilling its Board selection function.

In identifying and evaluating nominees for director, the goals of the Nominating and Corporate Governance Committee include maintaining a strong and experienced Board by continually assessing the Board's business background, current responsibilities, community involvement, independence, commitment to CVB Financial Corp. (including meaningful ownership of our common stock with a market value of at least \$100,000) and time available for service. Other important factors the Nominating and Corporate Governance Committee will consider in evaluating nominees include current knowledge and contacts in CVB Financial Corp.'s industry and other industries relevant to CVB Financial Corp.'s business, ability to work together with other Board members and ability to commit adequate time to serve as a director.

Messrs. George Borba, John Borba, Ronald Kruse, James Seley, San Vaccaro, and D. Linn Wiley were elected at the 2005 Annual Meeting of Shareholders. Following the 2005 Annual Meeting of Shareholders, Mr. Robert M. Jacoby was identified as a potential director by George Borba. Mr. Jacoby subsequently joined our Board of Directors on September 21, 2005.

Consideration of Shareholder Nominees

The policy of the Nominating and Corporate Governance Committee is to consider properly submitted shareholder nominations for candidates for membership on the Board of Directors. In evaluating nominees, the Nominating and Corporate Governance Committee will look at the same factors described under the heading Board Selection Process that it uses for nominees which come to its attention from persons other than the Board of Directors.

Recommendations must be submitted in writing to the attention of the Chair of the Nominating and Corporate Governance Committee at the following address:

CVB Financial Corp.
701 N. Haven Avenue, Suite 350
Ontario, California 91764

Shareholders should include in such recommendation, (a) the name and address of each proposed nominee; (b) the principal occupation of each proposed nominee; (c) the number of shares of voting stock of CVB Financial Corp. owned by each proposed nominee and the notifying shareholder; (d) the name and residence address of the notifying shareholder; and (e) a letter from the proposed nominee indicating that such proposed nominee wishes to be considered

Table of Contents

as a nominee for the CVB Financial Corp. Board of Directors and will serve as a member of the CVB Financial Corp. Board if elected. In addition, each recommendation must set forth in detail the reasons why the notifying shareholder believes the proposed nominee meets the criteria set forth in the Nominating and Corporate Governance Committee Charter for serving on CVB Financial Corp. s Board of Directors.

In addition, our Bylaws permit shareholders to nominate directors for consideration at an annual meeting. For a description of the process, see the Notice of 2006 Annual Meeting of Shareholders included herein.

Executive Sessions

Executive sessions of non-management directors are held at least three times a year. The person who presides at these meetings is chosen by the independent directors.

Attendance at Annual Meetings

The Board encourages all of its members to attend the Annual Meeting of Shareholders. Messrs. George Borba, John Borba, Ronald Kruse, James Seley, San Vaccaro, and D. Linn Wiley attended the 2005 Annual Meeting of Shareholders.

The Board of Directors and Committees

The Board of Directors oversees our business and affairs. The Board also has three standing committees: an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee.

Audit Committee

The Audit Committee of the Board is composed of Messrs. John Borba (Chairman), Robert Jacoby, Ronald Kruse, James Seley, and San Vaccaro. The Audit Committee operates under a written charter, attached hereto as Appendix A, adopted by the Board of Directors. Employment Agreement with Our President and Chief Executive Officer

On August 8, 1991, we entered into a renewing one-year employment agreement with Mr. Wiley which sets forth his compensation as President and Chief Executive Officer of CVB Financial Corp. and Citizens Business Bank. The agreement provides for an annual base salary of at least \$300,000. Mr. Wiley's base salary for 2005 was set at \$525,000. This base salary is reviewed and adjusted on an annual basis at the discretion of the Board of Directors. The agreement further provides for Mr. Wiley to receive an annual bonus of \$200,000 for each year after 1991, although Mr. Wiley's actual bonus may be more or less than \$200,000 depending on the attainment of certain performance goals. Additionally, the agreement provides for the use of an automobile, a country club membership, participation in Citizens Business Bank's Profit Sharing Plan and medical and life insurance benefits. In 2003, Mr. Wiley agreed that he would continue to serve CVB Financial Corp. for an additional three years under the same terms of his existing employment agreement. Mr. Wiley also has a severance compensation agreement as described below.

In addition, pursuant to the terms of our 2000 Stock Option Plan, upon a reorganization, merger, or consolidation of CVB Financial Corp. with one or more corporations as a result of which we will not be the surviving or resulting corporation, or a sale of substantially all the assets of CVB Financial Corp. to another person, or a reverse merger in which we are the surviving corporation but the shares of our stock outstanding immediately preceding the merger are converted by virtue of the merger into other property, all outstanding unvested options Mr. Wiley may hold under our 2000 Stock Option Plan will become immediately exercisable.

Severance Compensation Agreements with Our Executive Officers

On March 15, 2006, the Compensation Committee approved new Severance Compensation Agreements for each of the Executive Officers, including its President and Chief

Table of Contents

Executive Officer. These agreements provide that in the event a Change in Control, as described below, occurs during the executive's employment and (i) the executive's employment is terminated by us or Citizens Business Bank or any successor, other than for cause, within one year of the completion of such Change of Control, or (ii) the executive resigns from his employment for any reason within one year of the completion of a Change in Control, or (iii) the executive is offered a position with any successor to CVB Financial Corp. or Citizens Business Bank at or around the time of such Change in Control but decides that he does not wish to accept such a position and, as a result, the executive suffers a job loss (either by termination or resignation), the executive shall receive an amount equal to twice (2) the executive's annual base compensation plus two times (2) the average of the last two years' bonuses paid to the executive for the last calendar year immediately preceding the Change in Control. This amount will be paid in installments over a period of time after the effective date of termination of the executive's employment.

A Change in Control occurs if, among other things:

(i) any one person, or more than one person acting as a group, acquires (or has acquired during the 12 month period ending on the date of the most recent acquisition) ownership of stock of CVB Financial Corp. or Citizens Business Bank possessing more than 50% of the total voting power of CVB Financial Corp.'s or Citizens Business Bank's stock; provided, however, it is expressly acknowledged by the executive that this provision shall not be applicable to any person who is, as of the date of the severance agreement, a director of CVB Financial Corp. or Citizens Business Bank;

(ii) a majority of the members of CVB Financial Corp.'s or Citizens Business Bank's Board of Directors is replaced during any 12 month period by directors whose appointment for election is not endorsed by a majority of the members of CVB Financial Corp.'s or Citizens Business Bank's board prior to the date of the appointment or election;

(iii) a merger or consolidation where the holders of Citizens Business Bank's or CVB Financial Corp.'s voting stock immediately prior to the effective date of such merger or consolidation own less than 50% of the voting stock of the entity surviving such merger or consolidation;

(iv) any one person, or more than one person acting as a group, acquired (or has acquired during the twelve month period ending on the date of the most recent acquisition by such person or persons) assets from Citizens Business Bank that have a total fair market value greater than 50% of the total fair market value of all of Citizens Business Bank's assets immediately before the acquisition or acquisitions; provided, however, transfer of assets which otherwise would satisfy the requirements of this subsection (iv) will not be treated as a change in the ownership of such assets if the assets are transferred to:

(a) an entity, 50% or more of the total value or voting power of which is owned, directly or indirectly by CVB Financial Corp. or Citizens Business Bank; (b) a person, or more than one person acting as a group, that owns, directly or indirectly, 50% or more of the total value or voting power of all the outstanding stock of CVB Financial Corp. or Citizens Business Bank; or

(b) a person, or more than one person acting as a group, that owns, directly or indirectly, 50% or more of the total value or voting power of all the outstanding stock of CVB Financial Corp. or Citizens Business Bank; or

(c) an entity, at least 50% of the total value or voting power is owned, directly or indirectly by a person who owns, directly or indirectly, 50% or more of the total value or voting power of all the outstanding stock of Citizens Business Bank.

These agreements supersede in their entirety the original severance agreements entered into by and between the Executives and Citizens Business Bank on April 1, 2004 and August 31, 2005. These agreements will terminate on March 15, 2009, if a Change in Control has not occurred prior to such date.

In addition, pursuant to the terms of CVB Financial Corp.'s 2000 Stock Option Plan, upon a reorganization, merger, or consolidation of CVB Financial Corp. with one or more corporations as a result of which CVB Financial Corp. will not be the surviving or resulting corporation, or a sale of substantially all the assets of CVB Financial Corp. to another person, or a reverse merger in which CVB Financial Corp. is the surviving corporation but the shares of CVB Financial Corp.'s stock outstanding immediately preceding the merger are converted by virtue of the merger into other property, all outstanding unvested options become immediately exercisable.

Report on Executive Compensation

The Report of the Compensation Committee should not be deemed incorporated by reference into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, as amended, except to the extent that we specifically incorporate the information contained in the report by reference.

REPORT OF THE COMPENSATION COMMITTEE

What is Our Philosophy on Executive Compensation?

We have adopted a basic philosophy and practice of offering a compensation program designed to attract and retain highly qualified employees. Our compensation practices encourage and motivate these individuals to achieve superior performance. This underlying philosophy pertains specifically to executive compensation, as well as employee compensation at all other levels throughout the organization.

There are three principal components of the executive compensation program. They include base salary compensation, bonus compensation (performance compensation) and long-term incentive compensation.

Base Salary

For 2005, we determined the base salary compensation for each of our executive officers. This includes all of the named executives. We predicate the base salary on the executive's ability, experience and past and potential performance and contribution to CVB Financial Corp.

Table of Contents

and Citizens Business Bank. The base salary range is based, in part, on our analysis of salary surveys from the California Bankers Association and the Salary Information Retrieval System survey prepared by Organization Resource Counselors, Inc. Furthermore, we establish the base salary so that we will have the ability to increase these base salaries in future years based on the executive's performance.

We will evaluate and adjust each executive's base salary and incentive compensation, if appropriate, in subsequent years, based on future salary surveys, comparable salary information and other considerations. Base salary adjustments and incentive compensation changes for each executive will be predicated primarily on performance. We conduct performance evaluations at least annually. We base the evaluations on results achieved. These results are measured against specific performance standards established at the beginning or during the course of the year. For example, specific performance standards include, among other things, deposit growth, loan growth, fee income, expense control, net earnings, return on equity and return on assets.

In 2003, we commissioned a comprehensive salary survey for our senior managers and executive officers from the Semler Brossy Consulting Group. The salary survey reviewed the competitiveness of our branch managers' and executive officers' salaries, bonuses, benefits and employment agreement arrangements against a peer-group of similarly sized, high-performing regional commercial banking organizations in order to analyze pay and performance for the top executive group against similar performing banks. The Compensation Committee and the Board of Directors reviewed the findings and made the appropriate adjustments in salary and bonus potential.

For 2006, we have set the base salaries for our named executive officers as follows: Mr. Wiley, \$565,000, Mr. Biebrich, \$265,000, Mr. Coleman, \$265,000, Mr. Mylett, \$245,000, and Mr. Racusin, \$200,000.

In addition, for each of our named executive officers, we provide the use of a bank-owned automobile. The value of the bank-owned automobiles was \$5,373 for Mr. Wiley, \$5,689 for Mr. Biebrich, \$13,356 for Mr. Basirico, \$4,591 for Mr. Coleman, \$5,538 for Mr. Racusin, and \$9,633 for Mr. Pomplun. We also pay country club dues for Messrs. Wiley, Coleman and Racusin. The value of these dues was \$7,129, \$5,416, \$2,870 (for one-half of a year), respectively. In addition, each executive receives a nominal \$150 year-end bonus card.

Bonus

On May 18, 2005, our shareholders adopted a new annual performance-based compensation plan for executives of CVB Financial Corp. the Executive Incentive Plan (the Executive Incentive Plan). The Executive Incentive Plan rewards executives for outstanding service provided to CVB Financial Corp. In addition, by linking the executive's overall compensation to establish performance goals, CVB Financial Corp. is able to hold the executives accountable for their individual performances and CVB Financial Corp.'s corporate financial performance. The Executive Incentive Plan also provides income tax benefits to CVB Financial Corp. The Executive Incentive Plan is designed to qualify under Section 162(m) as a performance-based compensation plan. Under Section 162(m), compensation in excess of \$1,000,000 paid to any of the chief executive officer and the four most highly compensated

Table of Contents

officers individually in any year is not tax deductible by CVB Financial Corp., unless the compensation is considered to be performance-based.

The Executive Incentive Plan is administered by the Compensation Committee which consists of independent directors, who qualify as non-employee directors under applicable securities laws. At the end of each calendar year, the Committee determines the amount of the Executive Incentive Plan awards and the extent to which performance bonuses are payable for such year.

Performance awards are based on the achievement of specific performance goals related to the following business criteria, including (i) deposit growth, (ii) total deposits, (iii) earnings growth, (iv) earnings per share, (v) efficiency ratio, (vi) investment services earnings, (vii) investment services revenue, (viii) loan growth, (ix) total loans, (x) net income, (xi) fee income, (xii) new trust assets, (xiii) new trust fees, (xiv) nonperforming assets to assets ratio, (xv) return on assets, (xvi) return on equity, (xvii) trust earnings, (xviii) trust growth, and (xix) trust revenue.

The performance bonuses granted under the Executive Incentive Plan will be paid out in cash and the maximum performance bonus that may be paid to any single executive under the Executive Incentive Plan for any year is \$1,750,000. Currently, CVB Financial Corp.'s President and Chief Executive Officer and the other named executive officers are specifically approved by the Committee to participate under the plan.

The Executive Incentive Plan is administered in conjunction with our discretionary performance compensation plan which we adopt each year. For 2005, bonus compensation was based on CVB Financial Corp.'s return on equity earnings growth, deposit growth, loan growth, operating efficiency and other specific performance criteria. The individual performance objectives and standards relate to specific results where the executive has substantial influence and accountability. CVB Financial Corp. must achieve a minimum return on equity for anyone to be eligible for a bonus under our performance bonus plan. This criterion provided for a minimum return on average equity of 15% for 2005. CVB Financial Corp.'s actual return on average equity for 2005 was 20.8%. For 2005, Mr. Wiley was eligible to receive up to 150% of his base salary in bonus compensation, and Messrs. Basirico, Coleman and Biebrich were eligible to receive up to 75% of their base salaries in bonus compensation. For 2005, Mr. Racusin was not eligible to receive bonus compensation under the performance compensation plan, but was awarded a discretionary bonus of \$15,000. Mr. Pomplun was eligible to receive up to 30% of his base salary in bonus compensation.

Long-Term Incentive Compensation

We have two compensation plans that provide long-term incentives for our executive officers. They include a Stock Option Plan and a Profit Sharing Plan.

The 2000 Stock Option Plan aligns the interests of key employees, including the named executives, with those of our shareholders. We provide these employees with an incentive to achieve superior performance by granting them long-term options to purchase CVB Financial Corp. common stock at a fixed exercise price that equals the fair market value of the underlying

Table of Contents

stock on the date of the grant. The Compensation Committee now administers the Stock Option Plan (which was previously administered by our Stock Option Committee). This committee has the authority to select the key employees eligible for the stock options and the number of options they will receive. The members of the Compensation Committee do not utilize any performance goals in determining the number of options to be granted, nor do they consider the number of options previously granted to an executive officer. Rather, the members base the award of stock options on their own analysis of that employee's contribution to CVB Financial Corp., including an assessment of the employee's responsibilities, as well as the employee's commitment to CVB Financial Corp.'s future. The amount of compensation an optionee may receive pursuant to the option is based solely on an increase in the value of CVB Financial Corp.'s common stock after the date of the grant or award.

In 2005, the Compensation Committee granted 15,625 options to Mr. Racusin. The committee believes that stock options granted under the 2000 Stock Option Plan qualify for exclusion under Section 162(m) of the Internal Revenue Code, which limits the deductibility of compensation paid to certain executive officers, as performance-based compensation. We believe CVB Financial Corp. should be able to continue to manage its compensation for executive officers so as to preserve the related income tax deductions under Section 162(m), although individual exceptions may occur.

The CVB Financial Corp. 401(k) and Profit Sharing Plan primarily provides retirement benefits to all eligible employees, including Named Executives. It also has death and disability features.

For Profit Sharing, employees become eligible upon completing at least one year of service and 1,000 hours of employment. Annual contributions are made solely by CVB Financial Corp. These contributions are entirely discretionary, and are approved by the Board of Directors based on CVB Financial Corp.'s earnings and return on equity. For 2005, CVB Financial Corp. contributed \$1.6 million or 5% of total eligible employee base salary and bonus to the Profit Sharing Plan. We allocate contributions proportionately to the accounts of plan participants based on their base salaries and bonus. Plan participants become fully vested in these amounts upon reaching seven years of service. Of this amount, \$52,500 was allocated to the accounts of the named executive officers.

Employees also receive a Qualified Non-Elective Contribution. Employees are fully vested immediately. Annual contributions are made solely by CVB Financial Corp. These contributions are guaranteed to eligible 401(k) participants. For 2005, CVB Financial Corp. contributed \$1.1 million or 3% of total eligible employee base salary and bonus to the Qualified Non-Elective Contribution. Of this amount, \$31,500 was contributed to the accounts of the named executive officers. We allocate contributions proportionately to the accounts of plan participants based on their base salaries and bonus.

Compensation of Our Chief Executive Officer

Mr. Wiley, the President and Chief Executive Officer of CVB Financial Corp. and Citizens Business Bank, received compensation for his services during 2005 based primarily upon his rights under his employment agreement with CVB Financial Corp. and Citizens

Table of Contents

Business Bank. We discuss this contract under the heading Employment Agreement with Our President and Chief Executive Officer. Mr. Wiley is also eligible to receive a discretionary annual bonus pursuant to his employment agreement. We base his bonus on specific performance achievements as outlined above for other executive officers contained in our executive incentive plan and a performance bonus plan we adopt each year. He received an annual bonus of \$616,875 or approximately 118% of base salary, for his services in 2005. This bonus was predicated on return on average equity, deposit growth, loan growth, earnings, non-performing assets and operating efficiency. In addition to the benefits his employment agreement provides, Mr. Wiley is an eligible participant in our Profit Sharing Plan and an eligible participant under our 2000 Stock Option Plan. Mr. Wiley received a vested allocation of \$16,800 for 2005 under our 401(k) and profit sharing plan. This represents his proportionate share of the aggregate employer contribution authorized by the Board of Directors for 2005.

Certain Relationships and Related Transactions

Some of the directors and executive officers of CVB Financial Corp. and associates of them were customers of, and had loans and commitments with Citizens Business Bank and its subsidiary in the ordinary course of its business during 2005, and we expect such transactions will continue in the future. All of these loans and commitments were made on substantially the same terms, including interest rates, collateral and repayment terms, as those prevailing at the time for comparable transactions with other persons of similar creditworthiness and comply with the provisions of the Sarbanes-Oxley Act of 2002. In our opinion, these transactions did not involve more than a normal risk of collectibility or present other unfavorable features.

Mr. Steven Borba, son of director John Borba, is employed by Citizens Business Bank as a non-executive officer. For 2005, his total compensation (including bonus) was \$109,089.

Did Directors and Officers Comply with Their Section 16(a) Beneficial Ownership Reporting Compliance Requirements in 2005?

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our executive officers and directors, and persons who own more than 10% of CVB Financial Corp.'s equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission (SEC). The SEC requires executive officers, directors and greater than 10% shareholders to furnish to us copies of all Section 16(a) forms they file.

Based solely on our review of these reports and of certifications furnished to us, we believe that, during the fiscal year ended December 31, 2005, all executive officers, directors and greater than 10% beneficial owners complied with all applicable Section 16(a) filing requirements.

PROPOSAL 2**

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

We have appointed McGladrey & Pullen, LLP as our independent registered public accounting firm for the year ending December 31, 2006. The Audit Committee appoints our independent auditors. McGladrey & Pullen, LLP who performed our audit services for the year ended 2005, including an examination of the consolidated financial statements and services related to filings with the Securities and Exchange Commission, has served as our accountants since June 15, 2004. McGladrey & Pullen, LLP has provided audit services at customary rates and terms. Between 1986, and April 30, 2004 Deloitte & Touche, LLP were our auditors.

On April 30, 2004, Deloitte & Touche LLP notified CVB Financial Corp. that it had declined to stand for reelection as CVB Financial Corp.'s independent auditors. The reports of Deloitte & Touche LLP on the consolidated financial statements of CVB Financial Corp. and its subsidiaries for its fiscal years ended 2002 and 2003 did not contain an adverse opinion or a disclaimer of opinion, nor were they modified or qualified as to uncertainty, audit scope or accounting principles in any respect. The decision to decline to stand for reelection was made by Deloitte & Touche LLP and, accordingly, no action was taken by CVB Financial Corp.'s audit committee to recommend or approve this change of accountants. During the 2002 and 2003 fiscal years and through the interim period ended April 30, 2004, there were no disagreements between CVB Financial Corp. and Deloitte & Touche LLP, or other reportable events as set forth in applicable SEC regulations, on any matter of accounting principles or practices, internal controls, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Deloitte & Touche LLP, would have caused it to make reference to the subject matter of the disagreement in connection with its reports. McGladrey & Pullen, LLP was appointed as CVB Financial Corp.'s independent registered public accountants on June 15, 2004 by the Audit Committee.

The Audit Committee's pre-approval policy provides for pre-approval of all audit, audit-related and tax services. Accordingly, all audit services provided by McGladrey & Pullen, LLP were pre-approved by our committee. The Audit Committee has granted general pre-approval for certain audit, audit related and tax services. If the cost of any such services exceeds the range of anticipated cost levels, the services will require specific pre-approval by the Audit Committee. If any particular service falls outside the general pre-approval, it must also be specifically approved by the Audit Committee. If specific pre-approval of a service is required, both the independent auditor and CVB Financial Corp.'s Chief Financial Officer must submit a request to the Audit Committee including the reasons why the proposed service is consistent with the Securities and Exchange Commission's regulations on auditor independence. In addition, with respect to each pre-approved service, the independent auditor is required to provide detailed back-up documentation which will be provided to the Audit Committee, regarding the specific services to be provided.

The pre-approval policy also authorizes the Audit Committee to delegate to one or more of its members pre-approval authority with respect to permitted services.

The Audit Committee has considered whether the provision of financial information systems design and implementation services and other non-audit services is compatible with maintaining the independence of McGladrey & Pullen, LLP.

Representatives of McGladrey & Pullen, LLP will be present at the meeting. They will be available to respond to your appropriate questions and will be able to make such statements as

However, even if you ratify the selection, the Audit Committee may still appoint new independent accountants at any time during the year if it believes that such a change would be in the best interests of CVB Financial Corp. and our shareholders.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE SELECTION OF MCGLADREY & PULLEN, LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS FOR 2006.
