HANMI FINANCIAL CORPORATION

PROXY STATEMENT

**FOR THE ANNUAL MEETING OF STOCKHOLDERS
To Be Held May 24, 2006**

The Board of Directors of the Company is soliciting your proxy for use at the 2006 Annual Meeting of Stockholders to be held at the Radisson Wilshire Plaza Hotel located at 3515 Wilshire Boulevard, Los Angeles, California, on Wednesday, May 24, 2006, beginning at 10:30 A.M. local time, and at any adjournment thereof. The Company intends to cause this Proxy Statement to be mailed to stockholders on or about May 1, 2006.

Record Date

The close of business on April 3, 2006 has been selected as the record date for the determination of stockholders entitled to notice of, and to vote at, the Annual Meeting. Each holder of common stock is entitled to one vote per share of such stock held. At that date, there were 50,015,368 outstanding shares of the Company's common stock entitled to vote at the annual meeting.

How to Vote; Submitting Your Proxy

You may vote your shares either by voting in person at the Annual Meeting or by submitting a completed proxy. By submitting your proxy, you are legally authorizing another person to vote your shares. Your proxy designates M. Christian Mitchell and Justine Roe, and each of them, to vote your shares in accordance with the voting instructions you indicate in your proxy.

If you submit your proxy designating M. Christian Mitchell and Justine Roe as the individuals authorized to vote your shares, but you do not indicate how your shares are to be voted, then your shares will be voted by those individuals in accordance with the Board's recommendations, which are described in this proxy statement. In addition, if any matters other than the proposals contained in this proxy statement are properly brought up at the Annual Meeting, then M. Christian Mitchell and Justine Roe will have the authority to vote your shares on those matters in accordance with their discretion and judgment. The Board currently does not know of any matters to be raised at the Annual Meeting other than the proposals contained in this proxy statement.

Your vote is very important to us. If you do not plan to attend the Annual Meeting, we encourage you to read the enclosed proxy statement and submit your completed proxy prior to the Annual Meeting so that your shares will be represented and voted in accordance with your instructions.

If your shares are not registered in your name, but in the street name of a bank, broker or other holder of record, then such party will be entitled to vote your shares. If you would like to vote in person, you will need to obtain a proxy authorization from your broker, bank or other holder of record to vote the shares.

Quorum and Voting Requirements

The required quorum for the transaction of business at the Annual Meeting is a majority of the shares of the Company's common stock entitled to vote at the Annual Meeting. Shares voted in a matter are treated as being present for purposes of establishing a quorum. Abstentions and broker non-votes will be counted for determining a quorum, but will not be counted for purposes of determining the number of votes cast FOR or AGAINST any matter. If no directions are given, the shares represented by the proxies will be voted FOR the election of the nominees for director. The four nominees for directors who receive the most votes will be elected, so if you withhold authority to vote for a particular nominee, your vote will not count either FOR or AGAINST the nominee. The named proxies may vote in their discretion upon such matters as may properly come before the meeting in accordance with the recommendation of the Board of Directors. At the time of printing this proxy statement, the Company did not have any other matters, which needed to be acted upon at the meeting other than those discussed in this proxy statement.

Revocability of Proxies

Any holder of the Company's common stock may revoke a proxy at any time before it is voted by filing with the secretary of the Company an instrument revoking the proxy or by returning a duly executed proxy bearing a later date, or by attending the annual meeting and voting in person. Any such filing should be made to the attention of the Corporate Secretary, Hanmi Financial Corporation, Penthouse Suite A, 3660 Wilshire Boulevard, Los Angeles, California 90010. Attendance at the Annual Meeting will not by itself constitute revocation of a proxy.

Solicitation of Proxies

In addition to soliciting proxies by mail, officers, directors and employees of the Company, without receiving any additional compensation, may solicit proxies by telephone, fax, in person or by other means. Arrangements will also be made with brokerage firms and other custodians, nominees and fiduciaries to forward proxy solicitation materials to the beneficial owners of the Company's common stock held of record by such persons, and the Company will reimburse such brokerage firms, custodians, nominees and fiduciaries for reasonable out-of-pocket expenses incurred by them in connection therewith. The Company will pay all expenses related to the solicitation of proxies.

THE BOARD OF DIRECTORS AND EXECUTIVE OFFICERS

Composition of the Board and Election of Directors

The Company's Bylaws provide for a Board of Directors consisting of no less than seven and no more than fifteen members, the exact number within this range being determined by the Board of Directors. Currently, the Board of Directors has ten members classified into three classes, with each director serving a three-year term. I Joon Ahn, Joon Hyung Lee, Joseph K. Rho and Kraig A. The four nominees receiving the most votes will be elected. If elected, these nominees will serve a three-year term that will expire at the Annual Meeting of Stockholders to be held in the year 2009. The nominees have indicated their willingness to serve and, unless otherwise instructed, proxies will be voted for the election of such nominees unless instructions are given on the proxy to withhold authority to vote for them. In the event a nominee is unable to serve, your proxies will vote for such alternative nominee as determined by the Board of Directors.

Compensation Committee Interlocks and Insider Participation

I Joon Ahn, Ung Kyun Ahn, Joseph K. Rho, William J. Ruh and Won R. Yoon served as members of the Compensation Committee during the last completed fiscal year. No member of the Compensation Committee was an officer or employee of the Company or any of its subsidiaries during fiscal year 2005 or at any prior time. No member of the Compensation Committee is or was on the compensation committee of any other entity whose officers served either on the Board of Directors or on the Compensation Committee of the Company.

Certain Relationships and Related Transactions

Some of the Company's directors and executive officers and their immediate families, as well as the companies with which they are associated, are customers of, or have had banking transactions with, the Company in the ordinary course of the Company's business, and the Company expects to have banking transactions with such persons in the future. In management's opinion, all loans and commitments to lend included in such transactions were made in the ordinary course of business, in compliance with applicable laws on substantially the same terms, including interest

rates and collateral, as those prevailing for comparable transactions with other persons of similar creditworthiness and, in the opinion of management, did not involve more than a normal risk of repayment or presented other unfavorable features. The total amount of indebtedness owed to the Company by the principal officers and current directors of the Company (including associated companies) as of December 31, 2005 was approximately \$33,084.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

The report of the Compensation Committee shall not be deemed incorporated by reference to any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 or under the Exchange Act, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed to be soliciting material or to be filed with the SEC under such Acts.

Overview and Philosophy

The Compensation Committee of the Board of Directors (the Committee) is composed entirely of outside directors and is responsible for developing and making recommendations to the Board with respect to the Company's executive compensation policies. In addition, the Committee, pursuant to authority delegated by the Board, determines the compensation to be paid to the Chief Executive Officer and each of the other executive officers of the Company. The Committee is also responsible for setting and administering the policies that govern the Hanmi Financial 2000 Stock Option Plan (2000 Stock Option Plan).

There are three key elements in the Company's executive compensation program, all determined by individual and corporate performance:

Annual base salary;

Incentive compensation; and

Long-term incentive compensation.

The Company's executive compensation program is designed to enable it to attract, retain and motivate the highest quality of management talent available. Furthermore, the Committee believes that the value of the program should reflect, in large part, the value created for stockholders. The key objectives of the program are as follows:

To offer fair and competitive annual base salaries consistent with similarly situated companies in the banking industry;

To reward executives for corporate and individual performance through incentive compensation; and

To encourage future performance through the use of long-term incentives such as stock options, which align the interests of employees and stockholders.

Annual Base Salaries

Annually, the Committee establishes the base salaries to be paid to the executive officers of the Company during the coming year, subject to the approval of the Board of Directors. In setting base salaries, the Committee takes into account several factors including, but not limited to, the executive's experience, responsibilities, management abilities and job performance, as well as the performance of the Company as a whole and current market conditions. Company performance measures reviewed in connection with setting base salaries in 2005 included only profitability of our subsidiary, Hanmi Bank. The Committee established no other Company performance goals for the purpose of determining base salaries.

Incentive Compensation

The Committee reviews the performance of the executive officers of the Company on an annual basis to determine the incentive compensation based on their performance and Company's performance measures. Company performance measures reviewed in connection with determining the incentive compensation in 2005 included the following measurement criteria: earnings per share, return on average assets, pre-tax income and the average deposit increase of our subsidiary, Hanmi Bank. The Committee established no other Company performance goals for the purposes of determining incentive compensation.

Long-Term Incentive Compensation

The Committee believes that employee stock ownership is a significant incentive in building stockholder wealth and aligning the interests of employees and stockholders. Stock options will only have value if the Company's stock price increases. Stock options utilize vesting periods to encourage key employees to continue in the employ of the Company.

The Company awards stock options to the executive officers pursuant to the terms of the Company's 2000 Stock Option Plan. The Committee has not established option grant guidelines; rather, the size, timing and other material terms of the option grants for executive officers are made at the discretion of the Board and the Committee. Factors considered by the Committee and the Board include (1) awards to industry peers and (2) each executive's previous grant history.

Compensation of the Chief Executive Officer

The Compensation Committee believes it is appropriate to discuss the compensation offered to Dr. Sohn in connection with the commencement of his employment as Chief Executive Officer of the Company in January 2005 because the Compensation Committee deliberated on and established Dr. Sohn's compensation in connection with the Company's entering into the employment agreement with Dr. Sohn in November 2004. The initial compensation package for Dr. Sohn is as set forth in the description of his employment agreement in the section of this proxy statement entitled Employment Agreements. The Committee based the structure of this package on (1) packages offered to industry peers, (2) the current compensation packages of the other executive officers of the Company and (3) the compensation package of the previous CEO.

Policy with Respect to Section 162(m)

Section 162(m) of the Internal Revenue Code of 1987, as amended (the Code), provides that compensation paid to a public company's chief executive officer and its four other highest paid executive officers in excess of \$1 million in a given fiscal year of the Company is not deductible unless such compensation is paid only upon the achievement of objective performance goals where certain procedural requirements have been satisfied. Neither the Company nor Hanmi Bank is currently compensating any executive officers at levels that would cause this limitation on corporate tax deductions to apply, and neither has any current plans to do so. The Compensation Committee has accordingly not adopted a formal policy concerning the application of the Section 162(m) limitation on tax deductions. The Compensation Committee will continue to monitor the applicability of Section 162(m). The Compensation Committee will, if it appears that any executive officer will likely be approaching the \$1,000,000 compensation limitation in the near future, review whether such payments should be structured so as to qualify as deductible performance-based compensation.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee has established Pre-Approval Policies and Procedures for independent auditors' services. Any proposed services not pre-approved or exceeding pre-approved cost levels require specific pre-approval by the Audit Committee. The Audit Committee may not delegate its responsibilities to pre-approve services performed by the independent auditors to management.

The Audit Committee may delegate pre-approval authority to one or more of its members. In 2005, the Audit Committee Chairman was permitted to approve fees up to \$25,000 with the requirement that any pre-approval decisions be reported to the Audit Committee at its next scheduled meeting.

The only non-audit services provided by the independent auditors relate to the preparation of the Company's income tax return, and this work and related fees receive specific approval in advance by the Audit Committee.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Board of Directors maintains an Audit Committee composed of five of the Company's outside directors. The Board of Directors and the Audit Committee believe that the Audit Committee's current member composition satisfies Rule 4350(d)(2)(A) of the National Association of Securities Dealers, Inc. which governs Audit Committee composition, as all audit committee members are independent directors and the committee currently has more than one member with past employment experience in accounting with the requisite professional certifications. The Audit Committee operates under a written charter adopted by the Board of Directors, a copy of which appears in the following section.

The Audit Committee oversees the Company's financial process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the system of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. In addition, during the course of 2005, management completed the documentation, testing and evaluation of the Company's system of internal control over financial reporting in response to the requirements set forth in Section 404 of the Sarbanes-Oxley Act of 2002 and related regulations. The Audit Committee was kept apprised of the progress of the evaluation and provided oversight and advice to management during the process. In connection with this oversight, the Audit Committee received periodic updates provided by management and the independent auditors at each regularly scheduled Audit Committee meeting. At the conclusion of the process, the Audit Committee reviewed a report submitted by the management on the effectiveness of the Company's internal control over financial reporting.

The Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under generally accepted auditing standards, including Statement on Auditing Standards No. 61. In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from management and the Company including the matters in the written disclosures and the letter from the independent auditors required by the Independence Standards Board, Standard No. 1.

The Audit Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Audit Committee meets with the independent auditors, with and without management present, to discuss the results of their examination, their evaluation of the Company's internal controls and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2005 for filing with the Securities and Exchange Commission.

The duties and responsibilities of a member of the Committee are in addition to those duties set out for a member of the Board of the Company. While the Committee has the responsibilities and powers set forth by this charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate in accordance with generally accepted accounting principles. This is the responsibility of management and the independent auditor.

Pursuant to the Company's Bylaws, any other stockholder proposal to be presented at any annual meeting must be received by the Company's Secretary not less than sixty (60) days nor more than ninety (90) days prior to the anniversary date of the immediately preceding Annual Meeting of Stockholders; provided, however, that in the event that the annual meeting is called for a date that is not within thirty (30) days before or after such anniversary date, notice by the stockholder in order to be timely must be so received not later than the close of business on the tenth (10th) day following the day on which such notice of the date of the annual meeting was mailed or such public disclosure of the date of the annual meeting was made, whichever first occurs.
