**Item 7.01. Regulation FD Disclosure**

The unaudited financial information set forth below is intended to provide investors with certain information regarding the results of operations of the segments of ION Geophysical Corporation (the Company) for the three and six month periods ended June 30, 2008 and 2007.

On August 5, 2008, the Company issued a press release containing information regarding the Company's results of operations for the quarter ended June 30, 2008; a copy of that press release was attached as Exhibit 99.1 to the Current Report on Form 8-K of the Company that was furnished to the Securities and Exchange Commission (SEC) on August 5, 2008. The information presented below is intended to be read in conjunction with the information provided in that press release.

The same unaudited financial information as that contained herein will be included in the Company's Quarterly Report on Form 10-Q for the quarterly period ended June 30, 2008, that we expect to file with the SEC on or about August 6, 2008.

**Segment and Product Information**

In order to allow for increased visibility and accountability of costs and more focused customer service and product development, the Company evaluates and reviews results based on four segments: three of these segments—Land Imaging Systems, Marine Imaging Systems and Data Management Solutions—make up the ION Systems Division, and the fourth segment is the ION Solutions Division. The Company measures segment operating results based on income from operations.

A summary of segment information for the three and six months ended June 30, 2008 and 2007 is as follows (in thousands):
