Item 1.01 Entry into a Material Definitive Agreement.

Item 3.02 Unregistered Sales of Equity Securities.

Item 3.03 Material Modification of the Rights of Security Holders.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On November 21, 2008, as part of the Capital Purchase Program established by the U.S. Department of the Treasury (Treasury) under the Emergency Economic Stabilization Act of 2008 (the EESA), Western Alliance Bancorporation (the Company or the Registrant) entered into a Letter Agreement (including the Securities Purchase Agreement Standard Terms incorporated by reference therein, the Purchase Agreement) with Treasury pursuant to which the Company issued and sold to Treasury (i) 140,000 shares of the Company s Fixed Rate Cumulative Perpetual Preferred Stock, Series A, par value \$0.0001 per share, having a liquidation preference of \$1,000 per share (the Series A Preferred Stock) and (ii) a ten-year warrant to purchase up to 1,574,213 shares of the Company s common stock, par value \$0.0001 per share (the Common Stock), at an initial exercise price of \$13.34 per share (the Warrant), for an aggregate purchase price of \$140 million in cash. All of the proceeds from the sale of the Series A Preferred Stock will be treated as Tier 1 capital for regulatory purposes.

Cumulative dividends on the Series A Preferred Stock will accrue on the liquidation preference at a rate of 5% per annum for the first five years, and at a rate of 9% per annum thereafter, but will be paid only when declared by the Company s Board of Directors. The Series A Preferred Stock has no maturity date and ranks senior to the Common Stock with respect to the payment of dividends and distributions and amounts payable upon liquidation, dissolution and winding up of the Company.

The Series A Preferred Stock generally is non-voting, other than class voting on certain matters that could adversely affect the Series A Preferred Stock. If dividends on the Series A Preferred Stock have not been paid for an aggregate of six quarterly dividend periods or more, whether consecutive or not, the Company s authorized number of directors will be automatically increased by two and the holders of the Series A Preferred Stock, voting together with the holders of any then outstanding voting parity stock, will have the right to elect those directors at the Company s next annual meeting of stockholders or at a special meeting of stockholders called for that purpose. These two directors will be elected annually and will serve until all accrued and unpaid dividends on the Series A Preferred Stock have been paid.

The Company may redeem the Series A Preferred Stock after February 15, 2012. Prior to this date, the Company may redeem the Series A Preferred Stock if (i) the Company has raised aggregate gross proceeds in one or more Qualified Equity Offerings (as defined in the Purchase Agreement and set forth below) in excess of \$35 million and (ii) the aggregate redemption price does not exceed the aggregate net cash proceeds from such Qualified Equity Offerings. Any redemption is subject to the consent of the Board of Governors of the Federal Reserve System.

The Purchase Agreement defines a Qualified Equity Offering to mean the sale and issuance for cash by the Company, to persons other than the Company or any Company subsidiary after the closing, of shares of perpetual preferred stock, Common Stock or any combination of such stock, that, in each case, qualify as and may be included in Tier 1 capital of the Company at the time of issuance under the applicable risk-based capital guidelines of the Board of Governors of the Federal Reserve System (other than any such sales and issuances made pursuant to agreements or arrangements entered into, or pursuant to financing plans which were publicly announced, on or prior to October 13, 2008).

Prior to November 21, 2011, unless we have redeemed the Series A Preferred Stock or Treasury has transferred the Series A Preferred Stock to a third party, the consent of Treasury will be required for us to (1) pay any Common Stock dividend or (2) redeem, purchase or acquire any shares of our Common Stock or other equity or capital securities, other than in connection with benefit plans consistent with past practice and certain other circumstances specified in the Purchase Agreement.

The Warrant is immediately exercisable. In the event the Company completes one or more Qualified Equity Offerings on or prior to December 31, 2009 that result in the Company receiving aggregate gross proceeds of not less than \$140 million, the number of the shares of Common Stock underlying the portion of the Warrant then held by Treasury will be reduced by one-half of the shares of Common Stock originally covered by the Warrant. Pursuant to the Purchase Agreement, Treasury has agreed not to exercise voting power with respect to any shares of Common Stock issued upon exercise of the Warrant.

The Series A Preferred Stock and the Warrant were issued in a private placement exempt from registration pursuant to Section 4(2) of the Securities Act of 1933, as amended. The Company has agreed to register the resale or secondary offering of the Series A Preferred Stock, the Warrant and the shares of Common Stock issuable upon exercise of the Warrant (the Warrant Shares) as soon as practicable after the date of the issuance of the Series A Preferred Stock and the Warrant. Neither the Series A Preferred Stock nor the Warrant are subject to any contractual restrictions on transfer, except that Treasury may only transfer or exercise an aggregate of one-half of the Warrant Shares prior to the earlier of (i) the date on which the Company has received aggregate gross proceeds of not less than \$140 million from one or more Qualified Equity Offerings and (ii) December 31, 2009.

Pursuant to the terms of the Purchase Agreement, the Company agreed that, until such time as Treasury ceases to own any debt or equity securities of the Company acquired pursuant to the Purchase Agreement or the Warrant, the Company will take all necessary action to ensure that its benefit plans with respect to its senior executive officers comply with Section 111(b) of EESA as implemented by any guidance or regulation under the EESA that has been issued and is in effect as of the date of issuance of the Series A Preferred Stock and the Warrant, and has agreed to not adopt any benefit plans with respect to, or which covers, its senior executive officers that do not comply with the EESA. Additionally, each of James Lundy, Duane Froeschle, Robert G. Sarver, Merrill S. Wall, Bruce Hendricks, Dale Gibbons and Gerald Cady (each a Senior Executive Officer), executed waivers voluntarily waiving any claim against Treasury or the Company for any changes to such Senior Executive Officer s compensation or benefits that are required to comply with the regulation issued by Treasury under the Capital Purchase Program as published in the Federal Register on October 20, 2008 and acknowledging that the regulation may require modification of the compensation, bonus, incentive and other benefit plans, arrangements and policies and agreements (including so-called golden parachute agreements) as they relate to the period Treasury holds any equity or debt securities of the Company acquired through the Capital Purchase Program.
