Dr.

Address

Dear Dr. _____ :

We wanted to update you on where things stand on the merger between OCA and OrthAlliance. As you know, we entered into our merger agreement on May 16, 2001 and we had a number of Town Hall meetings to meet you and the other OrthAlliance practitioners. At the same time we have been working with the SEC to file the necessary information so that we can bring the merger to the OrthAlliance shareholders for their approval.

The entire process has taken much longer than either of us anticipated and certainly much longer than any of us wanted. Nonetheless, we are fully committed to completing this merger and we think that we are very close to obtaining the necessary government clearance so that we can proceed with obtaining shareholder approval. The recent national tragedies have added some delay, so we are all doing our best to be understanding of the challenges that our government and our country are facing.

We have been in a period where we have not been able to provide you with any definitive information about when OrthAlliance shareholders will vote on the merger. However, please be assured that this does not mean that the merger is not proceeding or that we are having difficulties with the closing. Both companies are fully committed to this transaction. In fact, we have already begun to offer the OCA systems to the OrthAlliance affiliated practices that would like to use them, even though the merger has not yet closed. We think that you will enjoy and benefit from the OCA systems.

We also want to invite you to join in an important telephone conference call that we are going to hold on Wednesday, October 3 at 5:30 p.m. West Coast time. In the call, we will discuss several important topics, including:

- o A review of incentives for OrthAlliance stock doctors;
- o Timing of the merger; and
- o A new transition program for orthodontists.

We will distribute dial-in information for the call early next week.

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 425

If you have any questions regarding these matters, please feel free to contact either of us, or any members of our senior management teams. We appreciate your patience and support and look forward to providing you further information as soon as it is available.
