(1) Assumes conversion of all of the holder's notes at a conversion rate of 63.8790 shares of common stock per \$1,000 principal amount at maturity of the notes. This conversion rate is subject to adjustment as described under

Description of Notes Conversion Rights in the prospectus dated April 29, 2004. As a result, the number of shares of common stock issuable upon conversion of the notes may increase or decrease in the future. Excludes shares of common stock that may be issued by us upon the repurchase of the notes as described under "Description of Notes Repurchase of the Notes by Us at the Option of Holders Upon a Fundamental Change" in the prospectus and fractional shares. Holders will receive a cash adjustment for any fractional share amount resulting from conversion of the notes, as described under "Description of Notes Conversion Rights" in the prospectus.

(2) The number of shares of common stock beneficially owned by each holder named above is less than 1% of our outstanding common stock, calculated based on 273,356,132 shares of common stock outstanding as of April 3, 2004. In calculating this amount for each holder, we treated as outstanding the number of shares of common stock issuable upon conversion of all of that holder's notes, but we did not assume conversion of any other holder's notes.

(3) For the purposes of computing the number and percentage of notes and shares to be held by the selling shareholders after the conclusion of the offering, we have assumed for purposes of the table above that the selling securityholders named above will sell all of the notes and all of the common stock issuable upon conversion of the notes offered by this prospectus supplement and the prospectus, and that any other shares of our common stock beneficially owned by these selling securityholders will continue to be beneficially owned.

(4) This selling securityholder was one of the initial purchasers of the notes and helped to facilitate the resale of the notes, pursuant to Rule 144A under the Securities Act.

(5) This selling securityholder was previously listed as holding \$657,000 of the notes. This information supercedes all prior information concerning Sphinx Convertible Arbitrage SPC, c/o Forest Investment Management LLC.

(6) John A Levin and Co. or its wholly-owned subsidiary, Levco GP, Inc. exercises sole or shared voting or dispositive power over the notes. John A. Levin and Co., Inc. is a wholly-owned subsidiary of BKF Capital Group, a company that is publicly traded on the New York Stock Exchange.
