Section 7 Regulation FD Disclosure

Item 7.01 Regulation FD Disclosure.

On January 17, 2006, the Company issued a press release entitled "ThermoGenesis Corp. to Announce Second Quarter Results on February 8, 2006" ("Press Release"). A copy of the release is attached as Exhibit 99.1.

The Press Release contains forward-looking statements, including but not limited to, anticipated revenue and such statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. These statements involve risks and uncertainties that could cause actual outcomes to differ materially from those contemplated by the forward-looking statements. Several factors, including timing of FDA approvals, changes in customer forecasts, the Company's failure to meet customers' purchase order and quality requirements, supply shortages, production delays, changes in the markets for customers' products, introduction timing and acceptance of the Company's new products scheduled for fiscal year 2006, and introduction of competitive products and other factors beyond the Company's control, could result in a materially different revenue outcome and/or in the Company's failure to achieve the revenue levels the Company expects for fiscal 2006. A more complete description of these and other risks that could cause actual events to differ from the outcomes predicted by the Company's forward looking statements is set forth under the caption "Risk Factors" in the Company's annual report on Form 10-K and other reports the Company files with the Securities and Exchange Commission from time to time, and you should consider each of those factors when evaluating the forward looking statements.
