**Item 8.01 *Other Events***

During the period April 1, 2006 to June 30, 2006, First Industrial Realty Trust, Inc. (the Company) sold 42 industrial properties comprising approximately 3.9 million square feet of Gross Leasable Area (GLA) that meet the criteria established by FAS 144 (defined hereinafter) to be included in discontinued operations. Twelve of these properties were held for sale at March 31, 2006 and were previously included in discontinued operations. At June 30, 2006, the Company had 16 industrial properties comprising approximately 2.1 million square feet of GLA classified as held for sale. In accordance with FAS 144 (defined hereinafter), the results of operations of the 16 industrial properties held for sale at June 30, 2006 are included in discontinued operations.

This Current Report on Form 8-K is being filed to reflect the impact of the reclassification of the results of operations of the industrial properties sold during the period April 1, 2006 to June 30, 2006 that were not previously classified as held for sale and the results of operations from properties that are classified as held for sale at June 30, 2006 as discontinued operations in accordance with the Financial Accounting Standards Board's Statement of Financial Accounting Standards No. 144, Accounting for the Impairment or Disposal of Long Lived Assets (FAS 144).

In compliance with FAS 144, the Company has reported the results of operations and gains/(losses) on the sale of industrial properties sold and the results of operations from properties that are classified as held for sale at June 30, 2006 as income from discontinued operations for each period presented in its quarterly report filed on Form 10-Q for the second quarter ended June 30, 2006. The Company is filing this Form 8-K to reclassify the results of operations of the sold industrial properties that previously were not classified as held for sale at March 31, 2006 and the industrial properties held for sale at June 30, 2006 as discontinued operations in the Company's historical financial statements for the three months ended March 31, 2006 and 2005. This reclassification has no effect on the Company's reported net income available to common shareholders.

This report on Form 8-K updates Items 1 and 2 of the Company's Form 10-Q for the quarterly period ended March 31, 2006 to reflect the reclassification of operations from properties sold from April 1, 2006 to June 30, 2006 that previously were not classified as held for sale at March 31, 2006 and industrial properties held for sale at June 30, 2006 as discontinued operations for all periods presented. All other items of the Form 10-Q for the quarterly period ended March 31, 2006 remain unchanged. No attempt has been made to update matters in the Company's Form 10-Q for the quarterly period ended March 31, 2006 except to reflect the retrospective adjustment requirements of FAS 144. Readers should refer to the Company's quarterly report on Form 10-Q and current reports on Form 8-K for periods subsequent to March 31, 2006 for further information.
