Item 1.01. Entry into a Material Definitive Agreement

Agreement and Plan of Merger

On November 7, 2008, Fidelity National Financial, Inc., a Delaware corporation (FNF), entered into an Agreement and Plan of Merger (the Merger Agreement) with Thanksgiving Corporation, a Virginia corporation and wholly-owned subsidiary of FNF (Merger Sub) and LandAmerica Financial Group, Inc., a Virginia corporation (LFG). The Merger Agreement provides that, upon the terms and subject to the conditions set forth therein, Merger Sub will merge with and into LFG, with LFG continuing as the surviving entity as a subsidiary of FNF (the Merger). All outstanding LFG shares will be converted into the right to receive 0.993 share of FNF common stock. The Merger is expected to be tax-free. Theodore L. Chandler, Jr., LFG s Chairman and Chief Executive Officer, will join FNF s Board of Directors as Vice Chairman after the closing of the Merger.

Each party s obligation to effect the Merger is subject to the fulfillment of conditions, including, among others, (i) approval by the LFG stockholders, (ii) the absence of any injunction or order prohibiting the Closing, subject to certain limited exceptions, (iii) the expiration or termination of the Hart-Scott-Rodino waiting period, (iv) the divestiture by LFG of Centennial Bank, a California industrial bank and an indirect wholly-owned subsidiary of LFG, (v) the approval of certain of LFG s lenders, (vi) subject to certain exceptions, the accuracy of representations and warranties of the other party and (vii) material compliance of the other party with its covenants. The Merger is also subject to the receipt of regulatory approvals for the loan or dividend of \$250 million from certain of FNF s title subsidiaries, the proceeds of which would be used to repay debt of FNF or LFG. It is anticipated that LFG s principal title subsidiaries will become subsidiaries of certain of FNF s title subsidiaries following the closing. Among others, the Merger Agreement also provides a due diligence termination right for FNF that expires on November 21, 2008, as well as a termination right upon an event of default under the Credit Facility referred to below.

The Merger Agreement provides certain termination rights for both FNF and LFG. Upon termination of the Merger Agreement under specified circumstances involving a change of board recommendation, competing proposal and related matters, LFG may be required to pay FNF a termination fee of \$7.5 million.

General

The foregoing summary of the Merger and the Merger Agreement, and the transactions contemplated thereby, is not complete, and is qualified in its entirety by reference to the full text of the Merger Agreement filed as an exhibit to this report, which is incorporated herein by reference. In the event of any conflict between the foregoing summary and the full text of the Merger Agreement, the text of the Merger Agreement shall control.

The Merger Agreement contains representations and warranties that the parties have made to each other as of specific dates. Except for their status as contractual documents that establish and govern the legal relations among the parties, the Merger Agreement is not intended

to be a source of factual, business or operational information about any of the parties thereto. The representations and warranties were made as of specific dates, only for purposes of the Merger, and solely for the benefit of the parties to the Merger Agreement. These representations and warranties may be subject to limitations agreed between the parties, including being qualified by disclosures between the parties. The representations and warranties may have been made to allocate risks among the parties, including where the parties do not have complete knowledge of all facts, instead of establishing matters as facts. Furthermore, those representations and warranties may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. The assertions embodied in such representations and warranties are qualified by information contained in disclosure letters that the parties exchanged in connection with the signing of the Merger Agreement. Accordingly, investors and security holders should not rely on such representations and warranties as characterizations of the actual state of facts or circumstances, since they were only made as of the date of the Merger Agreement and are modified in important part by the underlying disclosure letters. Moreover, information concerning the subject matter of such representations and warranties may change after the date of these representations and warranties, which may or may not be fully reflected in the parties' public disclosures.

Item 8.01. Other Events

Credit Agreement

In connection with the signing of the Merger Agreement, on November 7, 2008 Chicago Title Insurance Company, an insurance company organized under the laws of Nebraska and a wholly-owned subsidiary of FNF (Chicago Title), entered into a Credit Agreement (the Credit Agreement) with LFG. Under the Credit Agreement, Chicago Title has agreed to provide a \$30 million stand-by secured credit facility (the Credit Facility) as a means of providing additional liquidity to LFG, for contribution to LandAmerica 1031 (as defined below). The Credit Facility cannot be drawn upon until the expiration of FNF's due diligence contingency period and any amounts drawn under the Credit Facility will bear interest at a rate of LIBOR + 4%. Any advancement under the Credit Facility will be secured pursuant to the Guaranty and Security Agreement described below. Any draws are subject to receipt of any necessary approvals for such loan from LFG's existing lenders.

Guaranty and Security Agreement

On November 7, 2008, LandAmerica 1031 Exchange Services, Inc., a Maryland corporation and a wholly-owned subsidiary of LFG (LandAmerica 1031), entered into a Guaranty and Security Agreement (the Guaranty and Security Agreement) with Chicago Title. Under the Guaranty and Security Agreement, LandAmerica 1031 pledged approximately \$155 million par value of auction rate securities to irrevocably and unconditionally guarantee LFG's obligations to Chicago Title under the Credit Agreement.

Forward-Looking Statements

This filing contains forward-looking statements that involve a number of risks and uncertainties. Statements that are not historical facts, including statements about our beliefs and expectations, are forward-looking statements. Forward-looking statements are based on management's beliefs, as well as assumptions made by, and information currently available to, management. Because such statements are based on expectations as to future economic performance and are not statements of fact, actual results may differ materially from those projected. We undertake no obligation to update any forward-looking statements, whether as a result of new information, future events or otherwise. The risks and uncertainties which forward-looking statements are subject to include, but are not limited to: the possibility that the proposed merger will not be completed due to the failure to secure necessary regulatory approvals, or due to the outcome of FNF's due diligence review; the possibility that there are unexpected delays in obtaining regulatory approvals; the failure to obtain approval of LFG's shareholders; the possibility that the revenues, cost savings, growth prospects and any other synergies expected from the proposed transaction may not be fully realized or may take longer to realize than expected; changes in general economic, business and political conditions, including changes in the financial markets; continued weakness or adverse changes in the level of real estate activity, which may be caused by, among other things, high or increasing interest rates, a limited supply of mortgage funding or a weak U. S. economy; our potential inability to find suitable acquisition candidates, acquisitions in lines of business that will not necessarily be limited to our traditional areas of focus, or difficulties in integrating acquisitions; our dependence on operating subsidiaries as a source of cash flow; significant competition that our operating subsidiaries face; compliance with extensive government regulation of our operating subsidiaries; and other risks detailed in the Statement Regarding Forward-Looking Information, Risk Factors and other sections of FNF's Form 10-K and other filings with the Securities and Exchange Commission (the SEC).

Additional Information About this Transaction

In connection with the proposed merger, FNF will file with the SEC a Registration Statement on Form S-4 that will include a proxy statement of LFG that also constitutes a prospectus of FNF. Proxy Solicitation

FNF, LFG and their respective directors, executive officers and certain other members of management and employees may be soliciting proxies from LFG stockholders in favor of the Merger.
