**IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE
STOCKHOLDER MEETING TO BE HELD ON MAY 28, 2009**

This proxy statement and form of proxy are also available on our website at www.fullhouseressorts.com.

ABOUT THE MEETING

What Is The Purpose Of The Annual Meeting?

At the annual meeting, stockholders will act upon the matters outlined in the accompanying notice of meeting, including

the election of seven directors,

the ratification of Piercy Bowler Taylor & Kern as our independent auditors,

The stockholders also will transact any other business that properly comes before the meeting.

Who Is Entitled To Vote?

Only stockholders of record at the close of business on the record date, April 17, 2009, are entitled to receive notice of the annual meeting and to vote the shares of our common stock that they held on that date at the meeting, or any postponement or adjournment of the meeting. Each outstanding share of common stock entitles its holder to cast one vote on each matter to be voted upon.

Who Can Attend The Meeting?

All stockholders as of the record date, or their duly appointed proxies, may attend. Please note that if you hold shares in street name, that is, through a broker or other nominee, you will need to bring a copy of a brokerage statement

reflecting your stock ownership as of the record date. You will also need a photo ID to gain admission.

What Constitutes A Quorum?

The presence at the meeting, in person or by proxy, of the holders of 40% of the total number of shares of our common stock and preferred stock outstanding on the record date will constitute a quorum, permitting the meeting to conduct its business. As of the record date, 17,993,681 shares of our common stock were outstanding and held by approximately 140 stockholders of record. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting for purposes of determining a quorum but will not be counted as votes cast for or against any given matter.

If less than 40% of outstanding shares entitled to vote are represented at the meeting, a majority of the shares present at the meeting may adjourn the meeting to another date, time or place, and notice need not be given of the new date, time or place if the new date, time or place is announced at the meeting before an adjournment is taken.

Table of Contents

How Do I Vote?

If you complete and properly sign the accompanying proxy card and return it to us, it will be voted as you direct. If you are a registered stockholder and you attend the meeting, you may deliver your completed proxy card in person.

Street name stockholders who wish to vote at the meeting will need to obtain a proxy from the institution that holds their shares.

Prior to the annual meeting, we will select one or more inspectors of election. These inspectors will determine the number of shares of common stock represented at the meeting, the existence of a quorum, the validity of proxies and will count the ballots and votes and will determine and report the results to us.

May I Change My Vote After I Return My Proxy Card?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by filing with our Secretary either a notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

What Are The Board's Recommendations?

The enclosed proxy is solicited on behalf of our board of directors. Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of our board of directors. The recommendation of the board of directors is set forth with the description of each item in this proxy statement. In summary, the board of directors recommends a vote:

FOR the election of the nominated slate of directors (see pages 5-14).

FOR the ratification of Piercy Bowler Taylor & Kern as independent auditor (see pages 15-16).

The board of directors does not know of any other matters that may be brought before the meeting nor does it foresee or have reason to believe that the proxy holders will have to vote for substitute or alternate board nominees. In the event that any other matter should properly come before the meeting or any nominee is not available for election, the proxy holders will vote as recommended by the board of directors or, if no recommendation is given, in accordance with their best judgment.

What Vote Is Required To Approve Each Item?

Election Of Directors. A plurality of the votes cast at the meeting is required for the election of directors. A properly executed proxy marked **WITHHOLD AUTHORITY** with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. Stockholders do not have the right to cumulate their votes for directors.

Ratification of Piercy Bowler Taylor & Kern. An affirmative vote of a majority of the votes cast at the meeting is required for the ratification of the independent auditor. A properly executed proxy marked **ABSTAIN** with respect to ratification will not be voted with respect to ratification, although it will be counted for purposes of determining whether there is a quorum.

Other Items. For any other item which may properly come before the meeting, the affirmative vote of a majority of the votes cast at the meeting, either in person or by proxy, and voting will be required for approval, unless otherwise

required by law. A properly executed proxy marked **ABSTAIN** with respect to any of those matters will not be voted, although it will be counted for purposes of determining whether there is a quorum.

If you hold your shares in **street name** through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some items that may be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by these **broker non-votes** will, however, be counted in determining whether there is a quorum.

Assumptions used in the calculation of these amounts are included in Note 14 to our consolidated financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2008.

Independent Directors

Under the corporate governance standards of the NYSE Amex at least 50% of our board of directors and all of the members of our audit committee, compensation committee and the nominating committee must meet the test of independence as defined by the listing requirements of NYSE Amex. Our board of directors, in the exercise of its reasonable business judgment, has determined that J. Michael Paulson, Kenneth R. Adams, Carl G. Braunlich, and Kathleen M. Caracciolo qualify as independent directors pursuant to the NYSE Amex and SEC rules and regulations. Our board of directors had determined that Mr. Miller was an independent director prior to his agreement to serve as our chief financial officer and that Mr. Iacocca was an independent director prior to entering into a consulting agreement with us. In making the determination of independence, our board considered whether an independent director has a material relationship with Full House, either directly or as a partner or shareholder of an organization that has a relationship with Full House or any other relationships that, in our board's judgment, would interfere with

the director's independence. As described below under the heading "Certain Relationships and Related Transactions," our board considered the negotiations regarding payments with respect to transactions from 2001 between us and a trust of which Mr. Paulson is the trustee, and determined that these matters did not cause Mr. Paulson to not be independent. In the late 1980's and early 1990's, Messrs. Hilliou and Miller and Ms. Caracciolo were employed by Showboat, Inc. or a subsidiary thereof and were professionally associated through such employment.

Meetings and Committees of the Board of Directors

Meetings. During fiscal year 2008, the board of directors held four regular meetings and one special meeting. Each of our directors attended at least 80% of the aggregate of the number of meetings of the board of directors

Table of Contents

which were held during the period such person served on the board of directors and the number of meetings of committees of the board of directors held during the period that such person served on such committee. We have no specific requirements regarding the attendance at the annual meeting of stockholders by our directors. In 2008, all of our directors except Mr. Iacocca attended the annual meeting in person.

We have four standing committees: the audit committee, the nominating committee, the compensation committee and the regulatory compliance committee.

Audit Committee

Our audit committee was comprised of three members, Ms. Caracciolo, Dr. Braunlich and Mr. Adams. Ms. Caracciolo serves as Chair and financial expert on the Committee. Our board had determined that Ms. Caracciolo is an audit committee financial expert as defined by the rules and regulations of the Securities and Exchange Commission. Our board of directors in its reasonable judgment has determined that each member of the audit committee is independent as defined under the applicable NYSE Amex listing standards and federal law. Our audit committee held four meetings in 2008.

The audit committee's functions include overseeing and monitoring the activities of our financial reporting process, our systems of internal controls over financial reporting and the integrity of our financial statements, the independent auditors' qualifications, independence and performance, and to assist our board of directors in ensuring our compliance with legal and regulatory requirements in our financial reporting process. Our board of directors has adopted a written charter for the audit committee setting out the functions that it is to perform. The text of the charter is available on our website at www.fullhouserescorts.com.

Please refer to the audit committee report, which is set forth on pages 15-16, for a further description of our audit committee's responsibilities and its recommendations with respect to our audited consolidated financial statements for the year ended December 31, 2008.

Management provides recommendations to the committee on the amount and type of executive compensation as well as individual performance objectives for bonuses and incentive compensation, and the committee reviews these recommendations along with the information provided by the executive employment consultant to formulate the committee's recommendations to the board of directors. The compensation committee determines the fulfillment of the individual performance objectives and recommends individual bonus and incentive compensation amounts to the board of directors.

Independent director compensation was based on recommendations provided by management in 2005 which recommendations were determined by management to be at the low end of comparably sized companies in the gaming

industry but recommended as a needed retention incentive.

Each member of the nominating committee is independent as defined under the applicable NYSE Amex listing standards. Employment Agreements

In April 20, 2007, we entered into an employment agreement with each of Messrs. Hilliou, Miller and Elam and on July 17, 2007, the Company and Mr. Hilliou and Mr. Miller amended their agreements. The term of each of these agreements is one year beginning, with automatic successive renewals unless either we or the relevant executive provides notice of termination at least 90 days prior to the end of the then current term. The agreements set an initial annual base salary of \$250,000 for Mr. Hilliou, \$250,000 for Mr. Miller and \$200,000 for Mr. Elam, in each case subject to increase by our board of directors at the beginning of each calendar year. In addition, Mr. Miller and Mr. Elam each are eligible to receive an annual incentive bonus equal to up to 100% (200% for Mr. Hilliou) of his base salary subject to the achievement of annual objectives established by our compensation committee. In addition to the shares of restricted stock previously granted to each executive, each executive may receive additional grants as determined by our compensation committee. The agreement further provides that we will maintain a policy of term life insurance on each executive for the benefit of beneficiaries designated by the executive. The amount of such policy shall be determined by us, but shall not be less than two years of the executive's base compensation. In the event of termination of any of these employment agreements upon the death of the executive or by us because of illness or incapacity of the executive that continues for 90 days, in addition to all amounts owed through the date of termination, we shall pay to the executive an amount equal to his prior year's annual bonus pro-rated through the date of termination. In the event the agreement is terminated by us for cause, or by the executive without good reason, we shall only be obligated to pay the executive all base salary and benefits accrued through the date of termination and the executive shall forfeit any unvested shares of restricted stock. In the event the agreement is terminated by us without cause or by the executive for good reason, in addition to amounts owed through the date of termination, we shall:

Continue to pay the executive's base salary for a period of six months base salary plus an additional one month of base salary for each year of employment (up to a maximum of 12 months base salary),

Pay an annual bonus for the year of termination equal to the average annual bonus for the executive for the previous two years, pro-rated through the date of termination (subject to a minimum of 50%), and

Continue, at our expense, all of the executive's health, dental and other insurance benefits until the earlier of the end of the term or the date the executive becomes subsequently employed.

For purposes of the employment agreements, cause means (1) the executive's material fraud, dishonesty, willful misconduct, or willful and continuing failure in the performance of his duties under the employment agreement; (2) the executive's breach of any material provision of the employment agreement which has not been cured within 30 days following the notice thereof, or (3) the commission by the executive of any felony criminal act or the commission of any crime involving fraud, dishonesty or moral corruptness, including denial or removal of the executive's licensing from any governmental gaming agency or licensing authority. For purposes of the employment agreements good reason means (1) our failure to comply with any material provision of the employment agreement which has not been cured within 30 days following the notice thereof, or (2) our direction to the executive to do, perform, or omit to perform any act, or the executive's knowledge of such acts or omissions performed by our other employees without appropriate redress, which acts or omissions are known to be fraudulent, illegal or could otherwise materially impact negatively upon the executive's personal and professional reputation.

Change of Control Provisions

Each of the employment agreements provides that upon a change of control, the executive may terminate his employment agreement only if the change of control materially affects his position and compensation under the agreement. To the extent any executive so terminates his agreement, or in the event the executive is not retained under

contract following a change of control:

we will pay to the executive a cash payment equal to the greater of (a) one year's base salary or in the case of Mr. Hilliou two year's base salary and (b) the remaining base salary due under the agreement;

we will pay to the executive a cash payment equal to his average annual bonuses paid under his employment agreement for the three prior years (or the average of the annual bonuses paid to date, if the term of employment is less than three years); and

Table of Contents

all unvested shares or other stock-based grants awarded pursuant to our 2006 Incentive Compensation Plan or other benefit plan will accelerate and vest upon the date of the change of control.

For purposes of the employment agreements, a change of control means (1) a person, entity or group acquires beneficial ownership of 50% or more of our then outstanding voting securities, (2) individuals who constitute our board as of April 17, 2009 and directors whose nominations are approved by a majority of such incumbent board members cease to constitute a majority of our board of directors, or (3) approval by our stockholders of (A) a business combination in which our shareholders prior to the transaction do not own at least 50% of the combined voting power of the voting securities of combined business and at least a majority of our incumbent board comprises a majority of the board of the combined business, (B) a liquidation or dissolution of our company, or (C) a sale of all or substantially all of our assets.

On May 29, 2006, our stockholders approved our 2006 Incentive Compensation Plan. The 2006 Incentive Compensation Plan is administered by our compensation committee. In consideration of their services, officers, directors, employees and consultants of us or a related entity are eligible to receive a variety of awards under the plan, including, incentive stock options, nonqualified stock options, stock appreciation rights, restricted stock, deferred stock, dividend equivalents, bonus stock and performance awards. The total number of shares issuable under the plan is 1,200,000. Certain Relationships and Related Transactions

During the second quarter of 2007, management wrote-off a receivable from a related party, which was fully reserved. The receivable originated in 2001, when the Company made a \$125,000 payment for architectural drawings relating to a development project in Mississippi on behalf of the Allen E. Paulson Living Trust, of which J. Michael Paulson, chairman of our board, is trustee.

In September 2006, we entered into a consulting agreement with Lee Iacocca, one of our directors, under the terms of which Mr. Iacocca will provide consulting services to us related to marketing and advertising for a period of

Table of Contents

three years. In consideration of these services, we granted to Mr. Iacocca 300,000 restricted shares of our common stock valued at \$1,119,000 based on the closing price on the grant date with no discount, which vest in equal amounts over the three year term of the agreement or immediately on his death. The grant to Mr. Iacocca was initially recorded as deferred compensation, reported as a reduction of stockholder's equity and will subsequently be amortized into compensation expense on a straight-line basis as services are provided over the three year vesting period.

The Audit Committee oversees Full House's financial reporting process. Management has the primary responsibility for the financial statements and the financial reporting process including the system of internal controls.

In fulfilling our oversight responsibilities, we reviewed and discussed the financial statements with management. In addition, we discussed with the independent auditors matters deemed significant by the independent auditors, including those matters required to be discussed pursuant to Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended.

The independent auditors also provided us with the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and we discussed with the independent auditors matters relating to their independence and considered whether their provision of non-audit services is compatible with maintaining their independence.

Based on our review with management and the independent auditors of Full House's audited consolidated financial statements and the independent auditors' report on such financial statements, and based on the discussions and written disclosures described above and our business judgment, we recommended that the audited consolidated financial statements be included in Full House's Annual Report on Form 10-KSB for the year ended December 31, 2008 for filing with the SEC.
