PART III NARRATIVE

State below in reasonable detail the reasons why Form 10-K, 11-K, 20-F, 10-Q, N-SAR or the transition report portion thereof could not be filed within the prescribed time period. (Attach extra sheets if needed.)

The Registrant has been unable to complete in a timely manner the gathering of the relevant financial information and the completion of the required analysis in order to complete Items 6, 7, 7A, 8 and 14 of the Annual Report on Form 10-K for the period ended January 31, 2003 without unreasonable effort or expense by the prescribed due date. This delay is due to the Registrant's decision to further review accounting matters related to the predecessor entity (see below) resulting from the merger between SkillSoft Corporation and SmartForce PLC.

PART IV OTHER INFORMATION

- (1) Name and telephone number of person to contact in regard to this notification:

Charles E. Moran, President and Chief Executive Officer,
603-324-3000

- (2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If the answer is no, identify report(s).

[] Yes [X] No

The Registrant has not filed an Amendment to Current Report on Form 8-K (the "Form 8-K"), amending the Registrant's Current Report on Form 8-K filed with the SEC on September 20, 2002 to include the financial statements required by Item 7(b) thereof (the "Item 7(b) Financials"), because of the need to restate previously issued financial statements for the years 1999, 2000, 2001 and the first two quarters of 2002 (the "SmartForce Historical Financials"), when the Registrant was known as "SmartForce Public Limited Company" ("SmartForce"). As previously reported by the Registrant, while preparing the closing balance sheet for SmartForce as of September 6, 2002, the date on which the Registrant completed its merger with SkillSoft Corporation, the Registrant identified several accounting issues relating to the SmartForce Historical Financials (which, following the merger, are no longer the historical financial statements of the Registrant). The Registrant is restating the SmartForce Historical Financials to accurately prepare the Item 7(b) Financials to be filed with the Form 8-K. The Registrant, in association with its independent auditors, is seeking to resolve the restatement process as expeditiously as possible. The Registrant will file the Form 8-K as soon as practicable after the restatement process is complete.

- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

[] Yes [X] No

If so: attach an explanation of the anticipated change, both

narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

For accounting purposes, the merger between SmartForce Public Limited Company and SkillSoft Corporation was accounted for as a reverse acquisition, with SkillSoft Corporation as the accounting acquiror. Because SkillSoft Corporation was the accounting acquiror, the historical financial statements of the Registrant have become those of SkillSoft Corporation. The results of operations of the Registrant for the fiscal year ended January 31, 2003 will reflect changes from the results of operations for the fiscal year ended January 31, 2002 resulting from the inclusion of

SmartForce operating results in the Registrant's results of operations since September 6, 2002, the date of the merger. The historical financial statements of SkillSoft Corporation are not affected by the restatement of the SmartForce Historical Financials, the restatement of the SmartForce Historical Financials will therefore have no effect on the results of operations from the corresponding period for the last fiscal year to be reported in the Form 10-K.
